PROPOSAL NUMBER 1: ELECTION OF CLASS III DIRECTOR

The Corporation's certificate of incorporation and by-laws provide that the Board is divided into three classes: Class I directors, Class II directors and Class III directors. The members of one of the three classes of directors are elected each year for a three-year term. The stockholders will elect one Class III director at the meeting, to serve for a three-year term expiring at our Annual Meeting of Stockholders in 2012 or until his successor has been elected and qualified, or until the earliest of his death, resignation or retirement. The Corporation's certificate of incorporation provides that the total number of directors constituting the entire Board shall not be less than three nor more than twelve, with the then authorized directors being fixed from time to time by the Board. In view of current economic considerations, the Board decided to reduce the number of authorized directors from nine to seven upon the expiration of the then current term of the Class III Directors. As a result, Austin M. Long, III, and Craig J. Nickels agreed not to stand for reelection. (See CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS).

Board and Committee Meetings

During 2008, the Board met five times. Except for Craig J. Nickels, each director attended at least 75% of the meetings of the Board and each of the meetings of the Audit Committee and the Compensation Committee on which such director served. The Audit Committee met five times during 2008, with all members in attendance at three meetings and two members in attendance at two meetings. The Compensation Committee met three times during 2008, with all members in attendance at two meetings and two members in attendance at one meeting.

It is the Corporation's policy that directors are invited and encouraged to attend the Annual Meeting of Stockholders. At the time of the 2008 Annual Meeting of Stockholders, the Corporation had nine directors, all of whom attended the meeting.

Committees

The Board currently maintains an Audit Committee established in accordance with Section 3(a)(58)(A) of the Exchange Act, and a Compensation Committee. The Corporation does not have a Nominating Committee.

Nominating Process

The Board does not consider it necessary to have a Nominating Committee or written charter since the size of the Board enables all directors to participate in the nominating process and to address the need to attract and retain qualified directors and to fill any vacancies in the Board. Qualifications for consideration as a board nominee may vary according to the particular areas of expertise being sought as a complement to the existing board composition. However, the Board, in making its nominations, considers, among other things, an individual's business experience, industry experience, breadth of knowledge about issues affecting the Corporation, time available for meetings and consultation regarding company matters and other particular skills and experience possessed by the individual.

In 2008, the Board consisted of nine directors. The Board has determined that William J. Gedale, Cornelius E. Golding, Jeffrey B. Reich, M.D. and Elliott H. Singer are independent directors. Although the Corporation is not listed on any exchange or automated quotation system, the Board, in making this independence determination, considered the independence standards for directors set forth in the American Stock Exchange Company Guide for its listed companies (the AMEX Rules).

The Board does not have a formal policy that requires it to consider any director candidates that might be recommended by stockholders. The need for such a policy has not arisen since, to date, the Corporation has not received any recommendations from stockholders requesting that the Board of Directors consider a candidate for inclusion among the Board's slate of nominees in the Corporation's proxy statement. The absence of a formal policy does not mean, however, that a recommendation would not have been considered had one been received. The Corporation will consider director candidates recommended by stockholders. Any stockholder desiring to make such a recommendation should send the recommendation, in writing, to the Corporate Secretary at the address of the Corporation set forth on the first page of this Proxy Statement, by no later than the date by which stockholder proposals for action must be submitted. The recommendation should include the recommended candidate's biographical data, and should be accompanied by the candidate's written consent to nomination and to serving as a director, if elected.

Compensation Committee

In 2008, the members of the Compensation Committee were Messrs. Singer (Chair), Long and Nickels. Messrs. Singer, Long and Nickels were determined by the Board to be independent directors. Since Messrs. Long and

Nickels are not standing for reelection, the Compensation Committee, for 2009, will consist of Messrs. Singer (Chair), Gedale and Golding, all of whom are determined to be independent directors. The principal responsibilities of the Compensation Committee are to evaluate the performance of executive officers, establish policies and determine matters involving executive compensation, recommend changes in employee benefit programs, approve the grant of stock options and stock awards under the Corporation's stock plans and provide assistance to management regarding key personnel selection. In order to determine the elements and levels of the Corporation's executive compensation and to gain an understanding of any trends impacting compensation generally, the

Compensation Committee from time to time gathers information on executive compensation, including salaries, stock options, bonuses and other benefits, from similarly situated biotechnology companies. The Compensation Committee weighs this information and reviews the Corporation's overall performance and makes recommendations regarding compensation to the full Board. To date, no compensation consultant has been engaged to assist the Compensation Committee or the Board in connection with establishing executive compensation. The Board adopted a written charter of the Compensation Committee on February 23, 2007. A copy of the charter is available on the Corporation's website www.neurologix.net under the heading Investor Relations/Corporate Governance/Compensation Committee Charter.

Audit Committee

In 2008, the members of the Audit Committee were Messrs. Long (Chair), Golding and Nickels. Each of Messrs. Long, Golding and Nickels have been determined by the Board to be independent. Since Messrs. Long and Nickels are not standing for reelection, the Audit Committee, for 2009, will consist of Messrs. Golding (Chair), Gedale and Reich, all of whom are determined to be independent directors. In making this decision, the Board considered Rule 10A-3 of the Exchange Act. The Board has determined that Mr. Golding is a financial expert, as that term is defined under Item 407(d)(5) of Regulation S-K under the Exchange Act. The Board adopted a written charter of the Audit Committee on March 23, 2004 which is reviewed annually and pursuant thereto was restated on March 25, 2005 and was amended, in minor respects, on February 23, 2007 and March 24, 2009. A copy of the charter is available on the Corporation's website www.neurologix.net under the heading Investor Relations/Corporate Governance/Audit Committee Charter.

The Audit Committee is responsible for the appointment, compensation and oversight of the work of the Corporation's independent registered public accounting firm and, in this regard, it meets periodically with the independent registered public accounting firm to review plans for the audit and the audit results, reviews financial statements, accounting policies, tax and other matters for compliance with the requirements of the Financial Accounting Standards Board and government regulatory agencies.

Directors Compensation

The Board has a policy of paying quarterly fixed retainers of \$1,500, to each director who is not also an employee of the Corporation plus an additional quarterly retainer of \$1,000 for directors who serve on the Audit Committee and for the Chair of the Compensation Committee. The Board's director compensation policy also provides for annual stock option grants of 30,000 shares with an additional 20,000 shares to directors who serve on the Audit Committee and for the Chair of the Compensation Committee. Annual stock option grants for 2009 will be made to directors immediately following the annual meeting.

The following table sets forth the compensation received by the Corporation's directors in 2008.

The Compensation Committee will, in general, seek to qualify compensation paid to its executive officers for deductibility under Section 162(m), although the Compensation Committee believes it is appropriate to retain the flexibility to authorize payments of compensation that may not qualify for deductibility if, in the Compensation Committee's judgment, it is in the Corporation's best interest to do so.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The Corporation is party to an Amended and Restated Consulting Agreement, dated April 25, 2005, with Dr. Michael G. Kaplitt (Michael Kaplitt), one of the Corporation's scientific co-founders and the son of Dr. Martin J. Kaplitt (Martin Kaplitt), the Corporation's Chairman of the Board. Pursuant to the terms of this agreement, Michael Kaplitt will provide advice and consulting services through April 30, 2010 on an exclusive basis in scientific research on human gene transfer in the nervous system and will continue to serve as a member of the Corporation's Scientific Advisory Board. Michael Kaplitt was paid an annual retainer of \$100,000 in equal

quarterly installment payments from October 2005 through September 2006. Effective October 1, 2006, Michael Kaplitt's annual retainer was increased to \$175,000, payable in equal quarterly installment payments, which installment payments commenced in January 2007. The Corporation paid Michael Kaplitt approximately \$175,000 in retainer fees in each of 2007 and 2008, thereunder. Under this agreement, the Corporation granted Michael Kaplitt non-qualified stock options to purchase 160,000 shares of Common Stock at an exercise price of \$2.05 per share on April 25, 2005. Michael Kaplitt is also the neurosurgeon who performed the surgical procedures on the twelve patients required by the protocol for the Corporation's sponsored Phase 1 clinical trial for the treatment of Parkinson's disease, and is assisting the Corporation in its Phase 2 clinical trial for the treatment of Parkinson's disease and trials for other therapies.

In accordance with The Rockefeller University's (Rockefeller) Intellectual Property Policy, an aggregate of one-third of all income that it receives from licensing transactions is paid to the inventors. Michael Kaplitt has advised the Corporation that he received less than \$2,000 in each of 2008 and 2007 from Rockefeller as a result of payments made by the Corporation to Rockefeller under a non-exclusive license agreement. In December 2002, the Corporation issued to Rockefeller 368,761 shares of Common Stock in exchange for the cancellation of certain fees under its exclusive patent license agreement with the Corporation. Rockefeller sold these shares in 2007, and Michael Kaplitt received approximately \$75,000 from the proceeds of the sale. Michael Kaplitt estimates that he will be entitled to receive approximately one third of the proceeds of future royalties or other amounts that may become payable by the Corporation to Rockefeller under the Corporation's license agreements with Rockefeller and the Corporation's license Agreement with Rockefeller and Yale University (the Rockefeller-Yale Agreement).

Dr. Matthew During, a founder of the Corporation and a member of its Scientific Advisory Board, has advised the Corporation that in each of 2007 and 2008 he received approximately \$17,000 from Thomas Jefferson University (TJU) as a result of payments made by the Corporation to TJU under two exclusive license agreements. The amounts received by Dr. During represent approximately 18% of the total payments made by the Corporation to TJU in each of 2007 and 2008. Dr. During will also have a similar interest in future royalties or other amounts that may become payable under the agreement with TJU.

Dr. During has also advised the Corporation that, in each of 2007 and 2008, he received less than \$2,000 from Yale University as a result of payments made by the Corporation to Yale University under a non-exclusive license agreement. The amounts received by Dr. During represent approximately 25% of the total payments made by the Corporation to Yale University in each of 2007 and 2008. Dr. During will also have a similar interest in future royalties or other amounts that may become payable under the Rockefeller-Yale Agreement.

Dr. During and the Corporation entered into a consulting agreement in October 1999 which was subsequently amended. The consulting agreement provides for payments to Dr. During of \$175,000 per year through September 2009.

In August 2004, the Corporation subleased 1,185 square feet of space at One Bridge Plaza, Fort Lee, New Jersey 07024 from Palisade Capital Securities, LLC, an affiliated company, for use as its corporate offices for a base annual rent of approximately \$36,000 or \$3,000 per month and such lease expires on June 30, 2009.

Effective February 23, 2007, the Corporation entered into a consulting agreement with Martin Kaplitt. Under the terms of this agreement, Martin Kaplitt provided medical and scientific consulting and advisory services to the Corporation for a one-year period, and received compensation at an annual rate of \$85,000. Martin Kaplitt's consulting agreement was extended for an additional one-year term, effective January 1, 2008, at an annual rate of \$110,000, and further extended for a one-year term, effective January 1, 2009, at an annual rate of \$125,000. Effective February 23, 2007, Martin Kaplitt no longer served as the Executive Chairman of the Corporation, but continues to serve as Chairman of the Board.

On November 19, 2007, the Corporation issued and sold 142,857 shares of Series D Preferred Stock at a price of \$35.00 per share, or a total of approximately \$5,000,000, to GEPT, as part of a private placement transaction. As part of this transaction, GEPT also exchanged 230,184 shares of Series C Preferred Stock, representing all of such shares of Series C Preferred Stock then owned by GEPT, for (i) 93,940 newly issued shares of Series C Preferred

Stock and (ii) 163,470 shares of Series D Preferred Stock. At the time of the transaction, GEPT was a beneficial owner of more than five percent of the Corporation's voting securities.

On April 28, 2008, the Corporation issued and sold 142,857 shares of Series D Preferred Stock at a price of \$35.00 per share, or a total of approximately \$5,000,000, and warrants to purchase approximately 1,077,586 shares of Common Stock to CMF, pursuant to a Stock and Warrant Subscription Agreement, dated as of April 28, 2008, by and between the Corporation, CMF and, solely with respect to Article V thereof, GEPT. At the time of the transaction, CMF was a beneficial owner of more than five percent of the Corporation's voting securities.

Subject to the Board's approval at its annual meeting in May 2009, the Corporation proposes to retain Austin M. Long, III, and Craig J. Nickels, directors who are not standing for reelection to the Board, as consultants for 2009. Both of these former directors have served the Corporation since its inception and have the knowledge and the skills to provide valuable services to the Corporation with respect to its financing and business development activities in 2009. Under the consulting agreements, each of them will receive \$1,000 per month from the date of the Board's approval of the agreements (Approval Date) through December 31, 2009. In addition, each of them will be granted, on the Approval Date, stock options to purchase 100,000 shares of Common Stock at an exercise price equal to the market price of the Common Stock at the time of grant. One half of the stock options will vest on the date of grant, and the other half will vest on December 31, 2009.
