

ITEM 7.01 REGULATION FD DISCLOSURE.

The Corporation disclosed that the grantor trust referred to in its proxy statement filed in connection with its 2009 Annual Meeting on page 28 under the heading *Executive Compensation Potential Payments Upon Termination or Change-in-Control* is a grantor trust described in Revenue Procedure 92-64, 1992-2 C.B. 422 (sometimes known as a rabbi trust).

ITEM 8.01 OTHER EVENTS.

On June 5, 2009, the Compensation Committee adopted the following policy concerning gross ups for taxes payable by executives:

It is the policy of the Corporation that executives should be responsible for the taxes payable by them with respect to their compensation. Therefore, the Compensation Committee does not intend to enter into new employment agreements with executive officers or material amendments of existing agreements with such persons that provide for gross ups on excise taxes that are payable as a result of a change in control. In unusual circumstances where the Committee believes that accommodations have to be made to recruit a new executive to the Corporation, limited reimbursement for taxes payable may be included in contracts; but even in those circumstances, the gross ups will be limited to payments triggered by both a change in control and termination of employment and will be subject to a three year sunset provision.
