EXPLANATORY NOTE

Duke Energy Corporation, a Delaware corporation (the Registrant), registered, pursuant to a Registration Statement on Form S-8 filed on March 2, 2007 (No. 333-141023) (the Registration Statement), the offer and sale of 60,000,000 shares of the Registrant's Common Stock, par value of \$0.001 per share (the Common Stock), issuable under the Duke Energy Corporation 2006 Long-Term Incentive Plan (the 2006 Plan). A total of 44,175,158 shares remain unused from the amount registered on the Registration Statement. The Registrant's Board of Directors has adopted, and its stockholders have approved, the 2010 Long-Term Incentive Plan (the 2010 Plan). The number of shares of Common Stock available for issuance under the 2010 Plan is 75,000,000 shares (inclusive of the above-described unused shares previously registered with respect to the 2006 Plan). The 2010 Plan replaced the 2006 Plan, with respect to awards to be issued in the future, as of the date that the Registrant's stockholders approved the 2010 Plan. No future awards will be made under the 2006 Plan.

In accordance with the principles set forth in Interpretation 212.26 under Securities Act Rules, of the Compliance and Disclosure Interpretations of the Division of Corporation Finance of the Securities and Exchange Commission and Instruction E of the General Instructions to Form S-8, the Registrant now files Post-Effective Amendment No. 1 to the Registration Statement to remove from registration thereunder the remaining 44,175,158 shares registered for issuance under the 2006 Plan, as to which no awards were made under such plan.

The shares of Common Stock that are hereby removed from registration will be carried over to and continue to be registered under a Registration Statement on Form S-8 (the New Registration Statement) that will be filed contemporaneously with the filing of this Post-Effective Amendment No. 1. The New Registration Statement will register the offer and sale of a total of 75,000,000 shares of Common Stock issuable under the 2010 Plan.
