Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

Section 145 of the Delaware General Corporation Law (the "DGCL") empowers a corporation to indemnify, subject to the standards set forth therein, any person who is a party to any action in connection with any action, suit, or proceeding brought or threatened by reason of the fact that the person was a director, officer, employee or agent of the corporation, or is or was serving as such with respect to another entity at the request of the corporation. The DGCL also provides that a corporation may purchase insurance on behalf of any such director, officer, employee or agent.

Section 102(b)(7) of the DGCL enables a corporation to provide in its certificate of incorporation for the elimination or limitation of the personal liability of a director to the corporation or its stockholders for monetary damages for breach of fiduciary duty as a director. Any such provision cannot eliminate or limit a director's liability: (1) for any breach of director's duty of loyalty to the corporation or its stockholders; (2) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of the law; (3) under Section 174 of the DGCL (which imposes liability on directors for unlawful payment of dividends or unlawful stock purchase or redemption); or (4) for any transaction from which the director derived an improper personal benefit. No such provision in the certificate of incorporation may limit or eliminate the liability of a director for any act or omission occurring before the date when such provision becomes effective.

Article Fourteenth of the Company's Certificate of Incorporation, as amended (the "Certificate of Incorporation"), provides that, to the fullest extent permitted by the DGCL, a director of the Company shall not be liable to the Company or to any of its stockholders for monetary damages for breach of fiduciary duty as a director.

Article Fourteenth of the Certificate of Incorporation also provides that a director or officer of the Company shall be indemnified by the Company against any liabilities incurred in his capacity as a director or officer, such indemnification to include payment by the Company of expenses incurred in defending a proceeding in advance of its final disposition, to the fullest extent permitted by the DGCL or as may be provided by written agreement with the Company. The Certificate of Incorporation also provides that such rights to indemnification shall not be exclusive of any other right which a director or officer may have under any statute, provision of the Certificate of Incorporation, bylaw, agreement, vote of stockholders or disinterested directors or otherwise.

The Company also maintains indemnification agreements with its directors. These agreements provide that the Company shall pay on behalf of such directors any amount which any such director becomes legally obligated to pay because of any claim or claims made against him or her or because of any act or omission or neglect or breach of duty, including any actual or alleged error or misstatement or misleading statement, which such person commits or suffers while acting in his or her capacity as a director of the Company, and solely because of his or her status as a director of the Company. The payments which the Company is obligated to make under such indemnification agreements include damages, judgments, settlements, and certain costs and expenses (including attorneys' fees and costs of attachment or similar bonds). Notwithstanding the preceding, among other limitations, the Company shall not be obligated to make any indemnification payments in contravention of applicable laws.

The Company also maintains indemnification agreements with its officers. These agreements provide that in the event that the employment of either such officer is terminated for any reason, the Company will indemnify such officer for all acts or omissions and for any suits it has at law or in equity, claims, actions or other proceedings against such officer initiated either prior to the termination of employment or after such termination which relate to duties performed in good faith by such officer while employed by the Company. Such agreements also provides that in the event that either such officer's employment is terminated, the Company will retain him as a named insured under any directors' and officers' insurance policies it may have, for acts during the time such officer served as an officer of the Company.

The Company provides directors' and officers' liability insurance coverage for its directors and officers.

The effect of the above-described provisions and agreements is to indemnify the directors and officers of the Company against all costs and expenses of liability incurred by them in connection with any action, suit or proceeding in which they are involved by reason of their affiliation with the Company, to the fullest extent permitted by law.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

See the Exhibit Index, which is incorporated herein by reference.

Item 9. Undertakings.

A. The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement.

Provided, however, that paragraphs (A)(1)(i) and (A)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Company pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

B. The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Company's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

C. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Company pursuant to the foregoing provisions, or otherwise, the Company has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Company of expenses incurred or paid by a director, officer or controlling person of the Company in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Company will, unless in the opinion of its counsel the

matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
