Use of Proceeds:

The Company intends to use the net proceeds from the sale of the Notes (which are expected to be approximately \$1,975 million after payment of expenses related to the offering) to (i) redeem up to \$1.4 billion aggregate principal amount of its 5.0% Notes due January 15, 2013 and 5.875% Notes due January 15, 2014, and (ii) pay down \$500 million in commercial paper issued to fund a contribution to its principal U.S. pension plan. Net proceeds from the sale of the Notes that are not used for either of the foregoing purposes will be used for general corporate purposes. These purposes may include repayment and refinancing of debt, acquisitions, working capital, capital expenditures and repurchases and redemptions of securities. Pending any specific application, the Company may initially invest funds in cash equivalents and short-term marketable securities or apply them to the reduction of short-term indebtedness.
