## Section 8 Other Events

### Item 8.01. Other Events.

Pursuant to the Common Stock Purchase Agreement dated as of June 11, 2010 (the Purchase Agreement), by and between Jones Soda Co. (the Company) and Glengrove Small Cap Value, Ltd. (Glengrove), the Company maintains a \$10,000,000 equity line of credit arrangement. The Purchase Agreement provides that from time to time over the term of the Purchase Agreement, and at the Company's discretion, the Company may present Glengrove with draw down notices to purchase the Company's common stock over ten consecutive trading days or such other period mutually agreed upon by the Company and Glengrove (a Draw Down Period), with each draw down subject to limitations set forth in the Purchase Agreement based on the price of the Company's common stock and a limit of 2.5% of the Company's market capitalization at the time of such draw down (which limitations the parties are expressly permitted under the Purchase Agreement to modify or waive by mutual agreement). Once presented with a draw down notice, Glengrove is required to purchase a pro-rata portion of the shares on each trading day during the Draw Down Period on which the daily volume weighted average price for the Company's common stock exceeds a threshold price determined by the Company for such draw down. The per share purchase price for these shares will equal the daily volume weighted average price of the Company's common stock on each date during the Draw Down Period on which shares are purchased, less a discount of 6.0%.

The aggregate number of shares that the Company can sell to Glengrove under the Purchase Agreement may in no case exceed 5,228,893 shares of the Company's common stock (which is equal to one share less than 20% of the Company's common shares outstanding on the date of the closing of the Purchase Agreement, less 70,053 common shares issued to Glengrove as its commitment fee) (the Trading Market Limit). In addition, in no event may Glengrove purchase under the Purchase Agreement any shares of Company common stock which (i) when aggregated with all other shares of Company common stock beneficially owned by Glengrove, would result in beneficial ownership by Glengrove of more than 9.9% of the Company's then outstanding common shares (the Ownership Limitation), or (ii) when aggregated with all other shares of the Company's common stock offered pursuant to the Company's Registration Statement on Form S-3 (No. 333-166556) would exceed the maximum amount permissible under General Instruction I.B.6. of Form S-3 (the Registration Limitation).

The Company presented Glengrove with an amended draw down notice dated January 13, 2011 to purchase a fixed amount of up to \$2,800,000 of the Company's common stock, subject to the Trading Market Limit, the Beneficial Ownership Limitation and the Registration Limitation. The threshold price set for the fixed amount was \$1.35. As provided in the Purchase Agreement, the Draw Down Period was ten consecutive trading days.

The Company expects to settle with Glengrove on the purchase of 1,596,773 shares of the Company's common stock under the terms of the draw down notice and the Purchase Agreement at an aggregate purchase price of \$2,250,284, or approximately \$1.41 per share, no later than February 1, 2011,

subject to satisfaction of applicable closing conditions. The Company will receive estimated net proceeds from the sale of these shares of approximately \$2,222,284, after deducting its estimated offering expenses. In connection with the sale of the Company's common stock described herein, the Company is filing, as Exhibit 5.1 hereto, an opinion of its counsel, Perkins Coie LLP.

During 2010, the Company completed the draw down and sale of an aggregate of 3,632,120 common shares under the Purchase Agreement, pursuant to which it received aggregate gross proceeds of \$4,100,000. Upon the expected settlement of the current draw down, the Company will have sold to Glengrove a total of 5,228,893 common shares, which is the amount of the Trading Market Limit under the Purchase Agreement. Accordingly, no further common shares may be sold to Glengrove pursuant to the equity line of credit facility, and the Purchase Agreement by its terms automatically will terminate.

The foregoing description is qualified in its entirety by reference to the Purchase Agreement dated as of June 11, 2010, between the Company and Glengrove, included as Exhibit 10.1 of the Company's Current Report on Form 8-K filed with the Securities and Exchange Commission on June 14, 2010, and incorporated by reference in this report.
