The entire cost of soliciting proxies will be borne by Mercantile. Proxies may be solicited by mail or facsimile, or by directors, officers, or regular employees of Mercantile or its subsidiary, Mercantile Bank of West Michigan (the "Bank"), in person or by telephone. Mercantile will reimburse brokerage houses and other custodians, nominees and fiduciaries for their out-of-pocket expenses for forwarding soliciting material to the beneficial owners of Mercantile common stock.

The Board of Directors, in accordance with the Bylaws, has fixed the close of business on March 1, 2004 as the record date for determining shareholders entitled to notice of and to vote at the annual meeting and at any and all adjournments of the meeting.

At the close of business on the record date, the outstanding number of voting securities of Mercantile was 6,826,252 shares of common stock, each of which is entitled to one vote.

At present, all officers of Mercantile are also officers of the Bank, and although they receive compensation from the Bank in their capacity as officers of the Bank, they presently receive no separate cash compensation from Mercantile. The Bank also has a compensation committee whose members are the same as that of Mercantile's Compensation Committee.

NOMINATING COMMITTEE. The members of the Nominating Committee consist of Betty S. Burton, Peter A. Cordes, Doyle A. Hayes and David M. Hecht. The Nominating Committee is responsible for making recommendations to the Board of Directors as to its size and composition, and evaluating and recommending to the Board of Directors candidates for election as directors at Mercantile's annual meetings. The Nominating Committee has a charter, which is available on Mercantile's website (www.mercbank.com). Each member of the Nominating Committee is independent, as independence for nominating committee members is defined in the listing standards of the Nasdaq Stock Market.

The Nominating Committee will consider as potential nominees persons recommended by shareholders. Recommendations should be submitted to the Nominating Committee in care of the Secretary of Mercantile, 5650 Byron Center

Edgar Filing: MERCANTILE BANK CORP - Form PRE 14A

Avenue SW, Wyoming, Michigan 49509. Each recommendation should include a personal biography of the suggested nominee, an indication of the background or experience that qualifies the person for consideration, and a statement that the person has agreed to serve if nominated and elected.

The Nominating Committee has used an informal process to identify potential candidates for nomination as directors. Candidates for nomination have been recommended by an executive officer or director, and considered by the Nominating Committee and the Board of Directors. Generally, candidates have been members of the West Michigan community who have been known to one or more of the Board members. The Nominating Committee has not adopted specific minimum qualifications that it believes must be met by a person it recommends for nomination as a director. In evaluating candidates for nomination, the Nominating

8

Committee will consider the factors it believes to be appropriate, which would generally include the candidate's personal and professional integrity, business judgment, relevant experience and skills, and potential to be an effective director in conjunction with the rest of the Board of Directors in collectively serving the long-term interests of Mercantile's shareholders. Although the Nominating Committee has the authority to retain a search firm to assist it identify director candidates, there has to date been no need to employ a search firm. The Nominating Committee does not evaluate potential nominees for director differently based on whether they are recommended to the Nominating Committee by a shareholder.

Shareholders who themselves wish to effectively nominate a person for election to the Board of Directors, as contrasted with recommending a potential nominee to the Nominating Committee for its consideration, are required to comply with the advance notice and other requirements set forth in Mercantile's Articles of Incorporation.

During 2003, there were a total of 11 meetings of the Board of Directors of Mercantile. In addition, there were five meetings of the Audit Committee, three meetings of the Compensation Committee and one meeting of the Nominating Committee during 2003. Each director attended at least 75% of the total number of meetings of the Board of Directors and committees of the Board of which he or she was a member, held during 2003, except Mr. Visser, who attended 67% of the meetings.

DIRECTOR COMPENSATION

For each of 2003 and 2004, non-employee directors of the Bank were paid an annual retainer of \$7,500. For the first half of 2003, non-employee directors of the Bank were also paid \$400 for each meeting of the Board of Directors, Loan Committee, Audit Committee or Compensation Committee that they attended. In addition, for the first half of 2003, non-employee directors of Mercantile were paid \$400 for each meeting of Mercantile's Audit Committee or Compensation Committee that they attended, if those meetings were held on a day when there was not also a meeting of the same committee of the Bank's Board of Directors. Since July 1, 2003, the meetings for which a \$400 fee was paid has been expanded to include all meetings of committees of the Board of Directors of the Bank; and all meetings of the Board of Directors of Mercantile or any of its committees, when for Board meetings, there was not also a meeting of the Board of Directors of the Bank on the same day, and for committee meetings, there was not also a meeting of a committee of the Board of Directors of the Bank having the same name or designated function. This arrangement of a \$7,500 annual retainer and \$400 meeting fees is the current arrangement for cash compensation of directors. Under the Bank's deferred compensation plan for non-employee directors, directors may elect to defer the receipt of the annual retainer and meeting fees

Edgar Filing: MERCANTILE BANK CORP - Form PRE 14A

until they are no longer serving on the Board.

On October 18, 2001, the Board of Directors adopted an Independent Director Stock Option Plan that was approved by the shareholders at the April 18, 2002 annual meeting. In each of 2001, 2002 and 2003, options were granted to the non-employee directors of Mercantile under the plan. In October of 2003, options for 500 shares were granted under the plan to each of Ms. Burton, Ms. Jones, and Messrs. Cassard, Clark, Cordes, Gill, Hayes, Hecht, Larsen, Murdock, Visser, and Williams. The options are first exercisable five years after their date of grant, subject to accelerated vesting as provided in the plan. The exercise price is \$40.45 per share for the 2003 options. The exercise price is 125 percent of the fair market value per share on the day the options were granted.

AUDIT COMMITTEE REPORT

The following Audit Committee Report does not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Mercantile filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent Mercantile specifically incorporates this report by reference.

Each member of the Audit Committee is independent, as independence for audit committee members is defined in the listing standards of the Nasdaq Stock Market and the rules of the Securities and Exchange Commission. The Audit Committee's primary purpose is to assist the Board of Directors in overseeing:

- the accounting and financial reporting process;
- audits of financial statements;
- internal accounting and disclosure controls; and
- the internal audit functions.

In carrying out its responsibilities, the Audit Committee supervises the relationship between Mercantile and its independent auditors, including having direct responsibility for their appointment, compensation and retention, and reviewing the scope of their audit services, and approving audit and permissible non-audit services. The Audit Committee reviews and discusses the annual and quarterly financial statements, as well as the internal audit plan.

The Board of Directors has adopted a charter for the Audit Committee. A copy of the charter is set forth in Appendix A to this proxy statement, and is available on Mercantile's website (www.mercbank.com).

Management has the primary responsibility for the financial statements and the reporting process, including Mercantile's systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements for the year ended December 31, 2003 with management, including a discussion of the quality and the acceptability of Mercantile's financial reporting and controls.

The Audit Committee reviewed with the independent auditors, Crowe Chizek and Company LLC ("Crowe Chizek"), who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality and the acceptability of Mercantile's financial reporting and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards, including the matters required to be discussed pursuant to Statement on Auditing

Edgar Filing: MERCANTILE BANK CORP - Form PRE 14A

Standards No. 61 (Communications with Audit Committees). In addition, the Audit Committee has discussed with Crowe Chizek the auditors' independence from management and Mercantile, including the matters in the auditors' written disclosures required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The Audit Committee has considered the compatibility of the provision of non-audit services with maintaining the auditor's independence.

The Audit Committee also discussed with Mercantile's internal and independent auditors the overall scope and plans for their respective audits. The Audit Committee meets periodically with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of Mercantile's internal controls, and the overall quality of Mercantile's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Annual Report on Form 10-K for

10

the year ended December 31, 2003 for filing with the Securities and Exchange Commission. The Audit Committee also evaluated and reappointed Mercantile's independent auditors for fiscal 2004.

COMPENSATION COMMITTEE REPORT

The following Compensation Committee Report and the shareholder return performance graph included elsewhere in this proxy statement do not constitute soliciting material and should not be deemed filed or incorporated by reference into any other Mercantile filing under the Securities Act of 1933 or the Securities Exchange Act of 1934, except to the extent Mercantile specifically incorporates this report or the performance graph by reference.

The compensation of the executive officers of Mercantile is determined by the Board of Directors based on recommendations of the Compensation Committee. Mercantile seeks to establish compensation at a level that will attract, motivate and retain experienced executive officers who can increase shareholder value, deliver competitive products and services to customers, and provide leadership for employees. Salaries are intended to be competitive, and reflect factors such as individual performance, level of responsibility, and prior experience. Incentive compensation and stock option awards are intended to align the interests of executive officers with that of the shareholders and reward performance that increases shareholder value.

Executive compensation is comprised of the following:

1. Salary.
2. Incentive compensation payable in the form of a cash bonus based on the attainment by Mercantile of annual performance criteria recommended by the Compensation Committee and approved by the Board of Directors.
3. Performance based discretionary cash awards made by the Compensation

Edgar Filing: MERCANTILE BANK CORP - Form PRE 14A

Committee from a bonus pool.

4. Discretionary awards of stock options.
5. Participation in other benefit plans offered to all employees including 401(k), health insurance, disability insurance and life insurance.

Annual salaries for Mercantile's Chairman and Chief Executive Officer and President and Chief Operating Officer increased in 2003. During the five-year time period in which Mercantile has been operating, growth in earnings per share and asset levels has been significant, and the salary increase granted these two executive officers during the year recognizes the contribution these individuals have made to the success of the organization. Executive salaries and incentive compensation are also based in part on information derived from industry compensation studies performed by Mercantile's auditors and by surveys conducted by the Michigan Bankers Association and the Bank Administration Institute. Compensation information is also taken from proxy materials filed with the Securities and Exchange Commission by other comparable financial institutions. This information is analyzed by Mercantile's Director of Human Resources and presented to the Compensation Committee for the formulation of a salary recommendation to be approved by the Board of Directors.

11

Executive bonuses are also determined by the Board of Directors as the result of a recommendation by the Compensation Committee and are based on the same criteria as is the incentive compensation for all non-lender employees.

EMPLOYMENT AGREEMENTS

GERALD R. JOHNSON, JR. AND MICHAEL H. PRICE. Effective December 1, 1998, the Bank and Mercantile entered into Employment Agreements with Mr. Johnson and Mr. Price providing for their employment from December 1, 1998 through December 31, 2001, and certain severance, confidentiality and non-compete arrangements that would continue after the employment period. Effective December 31, 1999, the Employment Agreements were amended and restated. The amendments extended the employment period an additional year to December 31, 2002, and provide for the employment period to extend an additional year, each December 31, starting December 31, 2000, so that as of each December 31, there will be three years remaining in the employment period. The annual extension of the employment period can be avoided by the Bank, Mercantile, or the officer giving notice to the others that the employment period is not to be extended. Effective October 12, 2000, and October 18, 2001, the Employment Agreements were further amended and restated, primarily to establish the base salaries for 2001 and 2002 for Mr. Johnson and Mr. Price.

The Employment Agreements with Mr. Johnson and Mr. Price provide them with annual base salaries for each year in the amounts established from year to year by the Board of Directors of the Bank. The annual base salary for each year may not be less than the amount established for the immediately preceding year. The Board of Directors established Mr. Johnson's annual base salary at \$335,000 for 2003, and at \$370,000 for 2004. The Board of Directors established Mr. Price's annual base salary at \$295,000 for 2003, and at \$325,000 for 2004.

In addition to the annual base salary, the Employment Agreements provide that Mr. Johnson and Mr. Price are entitled to participate in any employee benefit and incentive compensation plans of Mercantile and the Bank, including health insurance, life and disability insurance, stock option, profit sharing and retirement plans. Under a profit sharing plan in effect for 2003, Messrs. Johnson and Price each received a bonus for 2003 of 50% of their annual base salary for that year. In addition, for 2003, each of them received a \$25,000 discretionary merit award. Under a profit sharing plan expected to be in effect for 2004, Messrs. Johnson and Price may each receive a bonus of up to 50% of their annual base salary for 2004. It is anticipated that the bonuses for 2004, for Mr. Johnson, Mr. Price and the other non-lending officers of the Bank, will be payable only to the extent that after taking into account the payment, the after tax net operating income of Mercantile for 2004 would exceed 120% of the prior year's after tax net income.

In the event that either of the officers becomes disabled or dies during the employment period he is entitled to benefits under his Employment Agreement. In the event of disability, the officer continues to receive his then current annual base salary through the end of the employment period, and any disability benefits payable under disability plans provided by the Bank or Mercantile. The officer also continues to participate in life, disability, and health insurance plans of the Bank or Mercantile, through age 65, to the

14

extent permitted under such plans. If the officer dies during the employment period, the Bank is obligated to pay the officer's legal representative a death benefit of \$250,000, and if the Bank or Mercantile owns any life insurance insuring the life of the officer, the proceeds of the policies are payable to the named beneficiaries.

The Employment Agreements provide severance benefits in the event that the officer's employment is terminated by Mercantile and the Bank without "Cause" or the officer elects to terminate his employment for "Good Reason" during the employment period. In such event, the officer is entitled to receive the greater

Edgar Filing: MERCANTILE BANK CORP - Form PRE 14A

of (i) his annual base salary through the end of the employment period or (ii) \$500,000; in either case payable over 18 months in equal monthly installments. In addition, in the case of such a termination of employment, the officer is entitled to continue his participation in life, disability and health insurance plans provided by the Bank or Mercantile for 18 months, to the extent permitted under such plans, to an assignment of any assignable term life insurance policies owned by the Bank or Mercantile insuring his life, and to \$10,000 for out-placement, interim office and related expenses. The Employment Agreements also provide severance benefits in the event that after the employment period and prior to the officer reaching the age of 65, the officer's employment is terminated by the Bank and Mercantile without "Cause" or the officer's annual base salary is reduced without "Cause". In such event, the officer receives the same benefits as are described above for a termination during the employment period, except that when determining the cash severance payable to him over the 18 months following his termination, the alternative of receiving his annual base salary through the end of the employment period does not apply, and instead he receives the stated dollar amount of \$500,000. In the event that an officer's employment is terminated for "Cause" during the employment period, the officer is not entitled to any accrued rights that he may then have under any stock option plan of Mercantile.

Under the Employment Agreements, Mr. Johnson and Mr. Price agree not to disclose, except as required by law, any confidential information relating to the business or customers of the Bank or Mercantile, or use any confidential information in any manner adverse to the Bank or Mercantile. In addition, each has agreed that for 18 months following his employment with the Bank and Mercantile, he will not be employed by, or act as a director or officer of, any business engaged in banking within a 50 mile radius of Grand Rapids, Michigan that solicits customers of the Bank.

ROBERT B. KAMINSKI. The Bank and Mercantile entered into an Employment Agreement with Mr. Kaminski for his services as an officer of Mercantile and the Bank beginning January 1, 2001, on substantially the same terms as the Employment Agreements described for Mr. Johnson and Mr. Price above, except that the compensation and severance amounts are different. Effective October 18, 2001, the Employment Agreement was amended and restated primarily to establish the base salary for Mr. Kaminski for 2002. The Employment Agreement provides Mr. Kaminski with an annual base salary for each year in the amount established from year to year by the Board of Directors of the Bank. The annual base salary for each year may not be less than the amount established for the immediately preceding year. The Board of Directors established Mr. Kaminski's annual base salary at \$150,290 for 2003, and at \$190,000 for 2004. Under a profit sharing plan in effect for 2003, Mr. Kaminski received a bonus for 2003 of 45% of his annual base salary for that year. In addition, for 2003, Mr. Kaminski received a \$20,000 discretionary merit award. Under a profit sharing plan expected to be in effect for 2004, Mr. Kaminski may receive a bonus of up to 45% of his annual base salary for 2004. The Employment Agreement also establishes a death benefit of \$100,000, and a minimum severance benefit of \$250,000 during his employment period and \$125,000 after the employment period.

CHARLES E. CHRISTMAS. The Bank and Mercantile entered into an Employment Agreement with Mr. Christmas for his services as an officer of Mercantile and the Bank beginning January 1, 2001, on substantially the same terms as the Employment Agreements described for Mr. Johnson and Mr. Price above, except that the compensation and severance amounts are different. Effective October 18, 2001, the Employment Agreement was amended and restated primarily to establish the base salary for Mr. Christmas for 2002. The Employment Agreement provides Mr. Christmas with an annual base salary for each year in the amount established from year to year by the Board of Directors of the Bank. The annual base salary for each year may not be less than the amount established for the immediately preceding year. The Board of Directors established Mr. Christmas' annual base salary at \$135,700 for 2003, and at \$170,000 for 2004. Under a profit

Edgar Filing: MERCANTILE BANK CORP - Form PRE 14A

15

sharing plan in effect for 2003, Mr. Christmas received a bonus for 2003 of 45% of his annual base salary for that year. In addition, for 2003, Mr. Christmas received a \$20,000 discretionary merit award. Under a profit sharing plan expected to be in effect for 2004, Mr. Christmas may receive a bonus of up to 45% of his annual base salary for 2004. The Employment Agreement also establishes a death benefit of \$100,000, and a minimum severance benefit of \$250,000 during his employment period and \$125,000 after the employment period.

CERTAIN TRANSACTIONS

The Bank has had, and expects in the future to have, loan and other financial transactions in the ordinary course of business with Mercantile's directors, executive officers, and principal shareholders (and their associates) on substantially the same terms as those prevailing for comparable transactions with others. All such transactions (i) were made in the ordinary course of business, (ii) were made on substantially the same terms, including interest

Edgar Filing: MERCANTILE BANK CORP - Form PRE 14A

rates and collateral on loans, as those prevailing at the time for comparable transactions with other persons, and (iii) in the opinion of management did not involve more than the normal risk of collectibility or present other unfavorable features.

As of December 31, 2003, the Bank had outstanding 55 loans to the directors or executive officers of Mercantile, or their associates, totaling approximately \$6.3 million in aggregate amount, under commitments totaling approximately \$11.3 million.

The Bank contracted with Visser Brothers Inc. in November, 2003 to be the general contractor for the construction of its new main office in the City of Grand Rapids. This project was awarded after being submitted for competitive bids. Construction began in November, 2003 and the current completion date is

17

projected in the first quarter 2005. The contracted amount for this project is \$7,364,363. Also, Visser Development acted as the Bank's agent for the purchase of two properties in 2003. The properties purchased were the locations at 310 Leonard St NW in Grand Rapids, Michigan, which is the site of the Bank's new main office, and 880 E 16th St in Holland, Michigan which will be the site of the Bank's new Holland office. Both properties were listed by the sellers and Visser Development earned one half of the standard commission for representing the purchaser (Bank) in these transactions. The commission earned on Leonard St was \$46,900, and was paid on April 30, 2003. The commission earned on the Holland transaction was \$36,000, and was paid on September 29, 2003. Dale J. SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires Mercantile's officers and directors, and persons who own more than 10% of Mercantile common stock to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Based on a review of filings, Mercantile believes that all reports required to be filed under Section 16(a) for 2003 were timely filed, except that Mercantile's director, C. John Gill, filed one report on Form 4 late relating to a purchase of 200 shares.

18

PROPOSAL TO APPROVE 2004 EMPLOYEE STOCK OPTION PLAN

Mercantile believes that stock options are an important component of the compensation that should be available for the Board of Directors to award to executive officers and other employees. Stock options can provide employees with a long-term incentive to increase shareholder value and align their interests more closely with that of Mercantile's shareholders. Stock options give employees the opportunity to participate in growth in the value of Mercantile, and enhance its ability to retain and attract experienced and knowledgeable employees.

On February 12, 2004, Mercantile's Board of Directors approved the 2004 Employee Stock Option Plan (the "Plan"), subject to the approval of the shareholders. A copy of the Plan is set forth in Appendix B to this proxy statement. The Plan is intended to make additional stock options available to be granted by the Board of Directors to present and new employees of Mercantile and

Edgar Filing: MERCANTILE BANK CORP - Form PRE 14A

its subsidiaries. Pursuant to the Plan, stock options may be granted which qualify under the Internal Revenue Code as incentive stock options or as stock options that do not qualify as incentive stock options. The Board believes that the interests of Mercantile and its shareholders will be advanced by implementing the Plan.

SUMMARY OF THE PLAN

The following description of the Plan is intended to be a summary of its principal features.

ADMINISTRATION. The Plan will be administered by Mercantile's Board of Directors. The Board of Directors will make determinations with respect to the officers and other employees who will participate in the Plan and the extent of their participation, including the type of option. In making the determinations, the Board of Directors may consider the position and responsibilities of the employee, the nature and value of his or her services and accomplishments, the present and potential contribution of the employee to Mercantile's success, and other factors that the Board of Directors may believe are relevant. Mercantile has approximately 177 employees, 35 of whom work part-time.

SHARES. The total number of shares of common stock that may be issued under the Plan will not exceed 250,000 shares (subject to adjustment for certain events as described below). The shares will be authorized but unissued shares (including shares reacquired by Mercantile).

OPTION AGREEMENT. Each option granted under the Plan will be evidenced by an agreement in the form approved from time to time by the Board of Directors. The agreements are subject to the provisions of the Plan. Options granted under the Plan may be incentive stock options or non-qualified options, as determined from time to time by the Board of Directors for each option.

OPTION PRICE. The option price will not be less than the fair market value of the shares of common stock at the time the option is granted, except in the case of an incentive stock option granted to a 10% shareholder. For options granted to a 10% shareholder, the option price will be not less than 110% of fair market value. For purposes of the Plan, fair market value per share means the average of the highest and lowest sales prices of shares on the Nasdaq Stock Market (or any successor exchange or system that is the primary exchange or system for trading of the common stock) on the date the option is granted. If for any reason it is not practical for the fair market value to be determined from the average sales prices described above, it may be determined by any fair and reasonable means selected by the Board of Directors. The option price will be paid in cash or through the delivery of previously owned shares of Mercantile common stock, or by a combination of cash and common stock. As of March 1, 2004, the fair market value of a share of common stock was \$.

DURATION OF OPTIONS. The duration of each option will be determined by the Board of Directors, except that (1) the maximum duration may not exceed ten years from the date of grant, and (2) for incentive stock options granted to persons who own 10% or more of Mercantile stock, the duration of the options may not exceed five years from the date of grant. The Board of Directors will determine at the time of grant whether the option will be exercisable in full or in cumulative installments.

Generally, an option may be exercised by an optionee during its term while he or she is an employee of Mercantile or a subsidiary. If the employment of an optionee terminates, the option may be exercised, to the extent that it was exercisable on the date of termination, only until the earlier of three months

Edgar Filing: MERCANTILE BANK CORP - Form PRE 14A

after the termination or the original expiration date of the option. However, if termination of employment results from death or total and permanent disability, the three month period will be extended to twelve months.

ADJUSTMENTS. The Board of Directors may make appropriate adjustments in the number of shares of common stock for which options may be granted or which may be issued under the Plan and the price per share of each option if there is any change in the common stock as a result of a stock dividend, stock split, recapitalization or otherwise.

CHANGE IN CONTROL. In the case of a change in control (as defined in the Plan) of Mercantile, unless the Board of Directors determines otherwise, each option then outstanding will become exercisable in full immediately prior to the change in control.

TERMINATION OF PLAN AND AMENDMENTS. No option may be granted under the Plan after December 31, 2013. The Board of Directors may from time to time amend or terminate the Plan. No amendment or termination of the Plan will adversely affect any option then outstanding under the Plan without the approval of the optionee.

FEDERAL INCOME TAX CONSEQUENCES. The grant of a non-qualified option or incentive stock option has no federal tax consequences for the optionee or Mercantile. Upon the exercise of a non-qualified option, the optionee is deemed to realize taxable income to the extent that the fair market value of the shares of common stock exceeds the option price. Mercantile is entitled to a tax deduction for such amounts at the date of exercise. If any stock received upon the exercise of a non-qualified option is later sold, any excess of the sale price over the fair market value of the stock at the date of exercise is taxable to the optionee.

No taxable income results to the optionee upon the exercise of an incentive stock option if the incentive stock option is exercised during the period of the optionee's employment or within three months after, except in the case of disability or death. However, the amount by which the fair market value of the stock acquired pursuant to an incentive stock option exceeds the option price is a tax preference item which may result in the imposition on the optionee of an alternative minimum tax. If no disposition of the shares is made within two years from the date the incentive stock option was granted and one year from the date of exercise, any profit realized upon disposition of the shares may be treated as a long-term capital gain by the optionee. Mercantile will not be entitled to a tax deduction upon the exercise of an incentive stock option, nor upon a disposition of the shares unless the disposition occurs before the expiration of the holding periods.

Under the terms of the Plan, the aggregate market value (determined at the time the option is granted) of the stock with respect to which incentive stock options are exercisable for the first time in any year by any optionee may not exceed \$100,000.

REQUIRED VOTE

The affirmative vote of a majority of the common stock present in person or by proxy at the meeting and voting on the proposal will be necessary to approve the Plan. For purposes of counting votes on this proposal, abstentions and broker non-votes will not be counted as shares voted on the proposal.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR" APPROVAL OF THE 2004 EMPLOYEE STOCK OPTION PLAN.

Edgar Filing: MERCANTILE BANK CORP - Form PRE 14A

PROPOSAL TO AMEND MERCANTILE'S ARTICLES OF INCORPORATION TO INCREASE THE AUTHORIZED COMMON STOCK FROM 9 MILLION SHARES TO 20 MILLION SHARES

The Board of Directors proposes to amend Article III of Mercantile's Articles of Incorporation to increase the number of authorized shares of common stock from 9,000,000 shares of common stock to 20,000,000 shares of common stock (no par value) which would also increase the number of authorized shares of all classes of stock from 10,000,000 shares to 21,000,000 shares.

If amended, the first sentence of Article III of Mercantile's Articles of Incorporation would read as follows:

"The total number of shares of all classes of stock which the corporation shall have authority to issue is 21,000,000 shares which shall be divided into two classes as follows:

- (1) 1,000,000 shares of Preferred Stock (Preferred Stock); and
- (2) 20,000,000 shares of Common Stock (Common Stock)."

As of March 1, 2004, 6,826,252 shares of common stock were issued and outstanding and 575,225 shares of common stock were reserved for issuance under outstanding director and employee stock option plans, a dividend reinvestment plan and an employee stock purchase plan. As of March 1, 2004, no shares of preferred stock were issued and outstanding. The proposed amendment to Mercantile's Articles of Incorporation will not affect preferred stock.

The purpose of the proposed amendment to the Articles of Incorporation is to provide additional shares for future issuance. The Board of Directors believes it is desirable to increase the authorized number of shares of common stock in order to provide Mercantile with adequate flexibility in corporate planning and strategies. The availability of additional common stock for issuance could be used for a number of purposes, including, among other things, corporate financing, future acquisitions, stock dividends, stock splits, stock options, and other corporate purposes. There are currently no arrangements, agreements, commitments or understandings with respect to the issuance of any of the additional shares of common stock that would be authorized by the proposed amendment to the Articles of Incorporation.

All of the additional shares of common stock resulting from the increase in the number of authorized shares of common stock would be of the same class, with the same dividend, voting and liquidation rights, as the shares of common stock presently outstanding. Shareholders have no preemptive rights to acquire shares of common stock under Mercantile's Articles of Incorporation, and shareholders would not acquire any such rights with respect to additional shares of common stock under the proposed amendment to the Articles of Incorporation.

If the proposed amendment to Mercantile's Articles of Incorporation is approved and adopted, no further shareholder authorization would be required prior to the issuance of the additional shares of common stock authorized by the proposed amendment to the Articles of Incorporation except as may be required by applicable law, regulatory authorities or the rules of the Nasdaq Stock Market. It is possible that the additional shares of common stock authorized by the proposed amendment to the Articles of Incorporation may be issued at a time and under circumstances that may increase or decrease earnings per share and decrease the book value per share of shares of common stock presently held. The additional shares of common stock authorized by the proposed amendment to the Articles of Incorporation may be issued for such consideration as the Board of Directors may determine.

It should be noted that the availability of additional shares of common

Edgar Filing: MERCANTILE BANK CORP - Form PRE 14A

stock could render more difficult or discourage a third party attempt to gain control of Mercantile. For example, additional shares of common stock could be issued and sold to purchasers who oppose a takeover bid that the Board of Directors believes is not in the best interests of Mercantile or could be issued to increase the aggregate number of outstanding shares of common stock and thereby dilute the interest of parties attempting to obtain control of Mercantile. However, the Board of Directors' purpose in recommending the proposed amendment to the Articles of Incorporation is for the reasons discussed above and not as an anti-takeover measure.

21

The affirmative vote of a majority of the outstanding shares of common stock will be necessary to approve and adopt the proposed amendment to Mercantile's Articles of Incorporation. For purposes of counting votes on the proposal, abstentions and broker non-votes will not be counted as shares of common stock voted on the proposal.

THE BOARD OF DIRECTORS RECOMMENDS THAT THE SHAREHOLDERS VOTE "FOR" APPROVAL AND ADOPTION OF THE PROPOSED AMENDMENT TO MERCANTILE'S ARTICLES OF INCORPORATION.

Any pre-approval by the delegated authority is required to be reported to the Audit Committee at its next meeting. For 2003, all of the services described in the table above were pre-approved by the Audit Committee. Pre-approval was not required for 2002.

A shareholder who intends to present a proposal for the 2005 annual meeting of shareholders other than pursuant to Rule 14a-8 under the Securities Exchange Act of 1934, must provide Mercantile with notice of such intention by at least January 24, 2005, or the persons named in the proxy to vote the proxies will have discretionary voting authority at the 2005 annual meeting with respect to any such proposal without discussion of the matter in Mercantile's proxy statement.

23

OTHER MATTERS

The Board of Directors does not know of any other matters to be brought before the annual meeting. If other matters are presented upon which a vote may properly be taken it is the intention of the persons named in the proxy to vote the proxies in accordance with their best judgment.

Each member of the Audit Committee shall be able to read and understand fundamental financial statements, including a company's balance sheet, income statement and cash flow statement, and have a working familiarity with basic finance and accounting practices.

The existence of such member, including his or her name and whether or not he or she is independent, shall be disclosed in periodic filings as required by the SEC.

Appointment and Removal

The members of the Audit Committee shall be designated by the Board of Directors annually and shall serve until such member's successor is duly designated or until such member's earlier resignation or removal. Any member of the Audit Committee may be removed, with or without cause, by a majority vote of the Board.

such terms and conditions as the Audit Committee may elect. Such executive sessions may be held in conjunction with regular meetings of the Audit Committee. As part of its job to foster open communication, the Audit Committee should meet periodically with management, the internal audit manager and the independent auditors in separate executive sessions to discuss any matters that the Audit Committee or each of these groups believe should be discussed privately.

10. Review and preapprove both audit and permissible nonaudit services to be provided by the independent auditor (other than with respect to de minimis exceptions permitted by the Sarbanes-Oxley Act of 2002). This duty may be delegated to one or more designated members of the Audit Committee with any such preapproval reported to the Audit Committee at its next regularly scheduled meeting. To the extent required by the rules of the Nasdaq Stock Market or any other applicable legal or regulatory requirements, approval of nonaudit services shall be disclosed to investors in periodic reports required by Section 13(a) of the Securities Exchange Act of 1934.

any agreements relating to Options granted under the Plan, and to administer the Plan. In making determinations of eligibility for the Plan, the Board of Directors may consider the position and responsibilities of the employee, the nature and value of his or her services and accomplishments, the present and potential contribution of the employee to the success of the Company, and such other factors as the Board of Directors may deem relevant.

All as may be deemed appropriate by the Board of Directors, the aggregate number of shares of Common Stock which may be issued under the Plan, the number of shares covered by each outstanding Option, and the price per share in each Option, may be proportionately adjusted for any increase or decrease in the number of issued shares of Common Stock of the Company resulting from a subdivision or consolidation of shares or any other capital adjustment, a stock split, the payment of a stock dividend, or other increase or decrease in such shares effected without receipt of consideration by the Company.

ARTICLE V -- ELIGIBILITY

5.1 The persons eligible to participate in the Plan and receive Options under the Plan are officers and other employees of the Company and its Subsidiaries, including directors who are full time employees, as determined by the Board of Directors.

Subject to the limitations of the Plan, the Board of Directors, after such consultation with and consideration of the recommendations of management as the Board of Directors considers desirable, shall select from eligible employees Participants to be granted Options and determine the time when each Option shall be granted and the number of shares subject to each Option. Options may be either Incentive Stock Options or Non-Qualified Stock Options. More than one Option may be granted to the same person. The Board of Directors may not grant a Participant Incentive Stock Options which in the aggregate are first exercisable during any one calendar year with respect to Common Stock the aggregate Fair Market Value of which (determined as of the time of grant) exceeds \$100,000.

6.2 Option Agreements. Each Option under the Plan shall be evidenced by an option agreement that shall be signed by an officer of the Company and the Participant and shall contain such provisions as may be approved by the Board of Directors. Any such option agreement may be amended from time to time as approved by the Board of Directors and the Participant, provided that the terms

Edgar Filing: MERCANTILE BANK CORP - Form PRE 14A

of such option agreement after being amended conform to the terms of the Plan.

6.3 Option Price. The price at which shares of Common Stock may be purchased upon exercise of an Option shall be not less than one hundred percent (100%) of the Fair Market Value of such shares on the date such Option is granted.

30

6.4 Exercise of Options.

(a) The period during which each Option may be exercised shall be fixed by the Board of Directors at the time such Option is granted, but such period in no event shall expire later than ten (10) years from the date the Option is granted.

(b) Subject to the terms and conditions of the option agreement and unless canceled prior to exercise, each Option shall be exercisable in whole or in part in installments at such time or times as the Board of Directors may prescribe and specify in the applicable option agreement.

(c) No shares shall be delivered pursuant to any exercise of an Option until payment in full of the option price therefor is received by the Company. Such payment shall be made in cash or through the delivery of shares of Common Stock of the Company owned by the Participant for more than six (6) months with a value equal to the total option price or a combination of cash and such shares. Any shares so delivered shall be valued at their Fair Market Value on the exercise date. No Participant shall be deemed to be a holder of any shares subject to any Option prior to the issuance of such shares upon exercise of such Option.

6.5 Ten-Percent Shareholder Rule. If a Participant owns more than ten percent (10%) of the total combined voting power of all classes of the Company or of any Subsidiary's stock at the time an Incentive Stock Option is granted to such Participant, the option price to such Participant shall not be less than one hundred ten percent (110%) of the Fair Market Value per share of the Common Stock on the date of grant, and such Incentive Stock Option by its terms shall not be exercisable after the expiration of five (5) years from the date of grant.

6.6 Non-Transferability of Options. No Option or any rights with respect thereto shall be subject to any debts or liabilities of a Participant, nor be assignable or transferable except by Will or the laws of descent and distribution, nor be exercisable during the Participant's lifetime other than by the Participant, nor shall Common Stock be issued to or in the name of one other than the Participant; provided, however, that an Option may after the death or disability of a Participant be exercised pursuant to Section 6.7; and provided further that any Common Stock issued to a Participant hereunder may at the request of the Participant, and with the consent of the Company, be issued in the names of the Participant and one other person, as joint tenants with right of survivorship and not as tenants in common, or in the name of a trust for the benefit of the Participant or for the benefit of the Participant and others.

6.7 Termination of Employment; Death and Disability. Subject to the condition that no Option may be exercised in whole or in part after the expiration of the option period specified in the applicable option agreement:

(a) Except as hereinafter provided, an Option may be exercised by the Participant only while such Participant is in the employ of the Company or a Subsidiary. In the event that the employment of a Participant to whom an Option has been granted under the Plan shall terminate (except as set forth below) such

Edgar Filing: MERCANTILE BANK CORP - Form PRE 14A

Option may be exercised, to the extent that the Option was exercisable on the date of termination of employment, only until the earlier of three (3) months after such termination or the original expiration date of the Option; provided, however, that if termination of employment results from death or total and permanent disability, such three (3) month period shall be extended to twelve (12) months.

(b) In the event of the permanent disability of a Participant as determined by the Board of Directors, an Option which is otherwise exercisable may be exercised by the Participant's legal representative or guardian. In the event of the death of the Participant, an Option which is otherwise exercisable may be exercised by the person or persons whom the Participant shall have designated in writing on forms prescribed by and filed with the Board of Directors ("Beneficiaries"), or, if no such designation has been made, by the person or persons to whom the Participant's rights shall have passed by Will or the laws of descent and distribution ("Successors"). The Board of Directors may require an indemnity and/or such evidence or other assurances as the Board of Directors in its sole and absolute discretion may deem necessary in connection with an exercise by a legal representative, guardian, Beneficiary or Successor.

ARTICLE VII -- GENERAL PROVISIONS

7.1 Change in Control.

(a) In the case of a Change in Control (as defined below) of the Company, unless the Board of Directors determines otherwise, each Option then outstanding shall become exercisable in full immediately prior to such Change in Control.

(b) Any determination by the Board of Directors made pursuant to subsection (a) above may be made as to all outstanding Options or only as to certain Options specified by the Board of Directors and any such determinations shall be made in cases covered by subparagraphs 7.1(c)(i) and (ii) below prior to or as soon as practicable after the occurrence of such event and in the cases covered by subparagraphs 7.1(c)(iii) or (iv) prior to the occurrence of such event.

(c) A Change in Control shall occur if:

(i) Any "person" or "group of persons" as such terms are defined in Section 13(d) and 14(c) of the Securities Exchange Act of 1934 (the "Exchange Act") directly or indirectly purchases or otherwise becomes the "beneficial owner" (as defined in the Exchange Act) or has the right to acquire such beneficial ownership (whether or not such right is exercised immediately, with the passage of time or subject to any condition) of voting securities representing forty percent (40%) or more of the combined voting power of all outstanding voting securities of the Company,

(ii) During any period of two consecutive calendar years the individuals who at the beginning of such period constitute the Board of Directors cease for any reason to constitute at least the majority of the members thereof unless (1) there are five or more directors then still in office who were directors at the beginning of the period and (2) the election or the nomination for election by the Company's shareholders of each new director was approved by at least two-thirds (2/3) of the directors then still in office who were directors at the beginning of the period,

(iii) The shareholders of the Company shall approve an agreement to merge or consolidate the Company with or into another corporation as a result of which less than fifty percent (50%) of the outstanding voting

securities of the surviving or resulting entity are or are to be owned by the former shareholders of the Company (excluding from former shareholders a shareholder who is or as a result of the transaction in question, becomes an affiliate as defined in Rule 12b-2 under the Exchange Act of any party to such consolidation or merger), or

(iv) The shareholders of the Company shall approve the sale of all or substantially all of the Company's business and/or assets to a person or entity that is not a wholly-owned subsidiary of the Company.

7.2 No Right of Continued Employment. Neither the establishment of the Plan, the granting of Options or any action of the Company or of the Board of Directors shall be held or construed to confer upon any person any legal right to be continued in the employ of the Company or its Subsidiaries, each of which expressly reserves the right to discharge any employee whenever the interest of any such company in its sole discretion may so require without liability to such company or the Board of Directors, except as to any rights that may be expressly conferred upon such employee under the Plan.

7.3 No Segregation of Cash or Shares. The Company shall not be required to segregate any shares of Common Stock that may at any time be represented by Options, and the Plan shall constitute an "unfunded" plan of the Company. No employee shall have rights with respect to shares of Common Stock prior to the delivery of such shares. The Company shall not, by any provisions of the Plan, be deemed to be a trustee of any Common Stock or any other property and the liabilities of the Company to any employee pursuant to the Plan shall be those of a debtor pursuant to such contract obligations as are created by or pursuant to the Plan, and the rights of any employee, former employee or beneficiary under the Plan shall be limited to those of a general creditor of the Company.

7.4 Delivery of Shares. No shares shall be delivered pursuant to any exercise of an Option under the Plan unless the requirements of such laws and regulations as may be deemed by the Board of Directors to be applicable thereto are satisfied. All certificates for shares of Common Stock delivered under the Plan shall be subject to such stock-transfer orders and other restrictions as the Board of Directors may deem advisable under the rules, regulations, and other requirements of the Securities and Exchange Commission, any stock exchange or quotation system upon which the Common Stock is then listed, and any applicable Federal or state securities law, and the Board of Directors may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

7.5 Governing Law. The Plan and all determinations made and action taken pursuant thereto shall be governed by the laws of the State of Michigan and construed in accordance therewith.

7.6 Payments and Tax Withholding. The delivery of any shares of Common Stock under the Plan shall be for the account of the Company and any such delivery or distribution shall not be made until the recipient shall have made satisfactory arrangements for the payment of any applicable withholding taxes.

ARTICLE VIII -- AMENDMENT AND TERMINATION

8.1 Amendment or Termination. The Board of Directors may amend or terminate the Plan provided, however, that no such amendment or termination shall adversely affect any Option then in effect unless the prior approval of the Participant so affected is obtained. No Option may be granted under the Plan after December 31, 2013.

ARTICLE IX -- EFFECTIVENESS OF PLAN

9.1 The Plan was adopted by the Board of Directors on February 12, 2004 subject to the approval of the shareholders of the Company.

ARTICLE X -- SEVERABILITY

10.1 If any provision of the Plan, or any term or condition of any Option granted under the Plan, is invalid, such provision, term, condition or application shall to that extent be void (or, in the discretion of the Board of Directors, such provision, term or condition may be amended so as to avoid such invalidity or failure), and shall not affect other provisions, terms or conditions or applications thereof, and to this extent such provisions, terms and conditions are severable.
