On January 22, 2006, United Auto Group, Inc.'s (the Company) management and Audit Committee of its Board of Directors concluded to amend and restate the Company's 2004 Form 10-K and its March 31 and June 30, 2005 Form 10-Q's to appropriately reflect certain information in conformity with Statement of Financial Accounting Standards No. 95 Statement of Cash Flows (SFAS No. 95). The change in presentation has no effect on previously reported net income, earnings per share, stockholders' equity or the Company's conclusion that its disclosure controls and procedures were effective as reflected in any of the Company's previously issued financial statements. The Company's September 30, 2005 Form 10-Q already reflects this revised presentation of floor plan notes payable. These amendments, filed today, also amend our financial statements to reflect entities that have become discontinued operations through September 30, 2005.

We finance substantially all of our new and a portion of our used vehicle inventories under revolving floor plan notes payable with various lenders. Consistent with industry practice, we previously reported all cash flows arising in connection with changes in floor plan notes payable as an operating activity. In the third quarter of 2005, we restated floor plan notes payable to a party other than the manufacturer of a particular new vehicle, and all floor plan notes payable relating to pre-owned vehicles, as floor plan notes payable non-trade, and have restated related cash flows as a financing activity to comply with guidance under SFAS No. 95. In light of the foregoing, previously issued financial statements and related reports of independent registered public accounting firm should no longer be relied upon. A summary of the significant effects of the restatement of the Company's financial statements for the fiscal years ended December 31, 2004, 2003 and 2002 are as follows:

A reconciliation of previously reported amounts to the restated amounts with respect to the quarterly numbers for the periods ended March 31 and June 30, 2005 are included in the Company's restated Form 10-Qs for such periods filed today.

The Audit Committee of our Board of Directors has discussed the matters disclosed in this current report on Form 8-K with Deloitte & Touche LLP, the Company's independent registered public accounting firm.
