***Retirement Arrangements with Chief Financial Officer***

On December 11, 2006, John K. Stubblefield, Jr., the Executive Vice President, Finance and Chief Financial Officer and a member of the Board of Directors of Sysco Corporation ( SYSCO or the Company ) informed the Company's Board of Directors that, in light of the decisions made by the Compensation Committee of the Board of Directors discussed below, he anticipates retiring from his positions as an officer and director of the Company after the end of the fiscal year ending June 30, 2007. Under the terms of the Company's Supplemental Executive Retirement Plan (the SERP ), Mr. Stubblefield would be 60% vested in his accrued SERP benefit based on his age at retirement, his years of credited service with the Company (22? years at retirement) and his years of service under the Company's Management Incentive Plans (14<sup>1</sup>/<sub>2</sub> years at retirement). Such benefit is estimated to provide Mr. Stubblefield with annual payments of approximately \$562,087 under the SERP. Under the terms of the SERP, the joint and two-thirds survivor option (with a ten-year certain guarantee) is the form of benefit payable to Mr. Stubblefield. Using the alternative vesting schedule provided for in the SERP, Mr. Stubblefield would be 80% vested in his accrued SERP benefits if he served for an additional six-month period and retired at the beginning of the 2008 calendar year. On December 8, 2006, in recognition of Mr. Stubblefield's contributions to the Company and as an enticement to him to remain at the Company during the transition to a new Chief Financial Officer, effective upon his retirement at the end of the 2007 fiscal year, the Compensation Committee determined that it will credit Mr. Stubblefield with 1.5 years of additional service under the Company's Management Incentive Plans so that he will be 85% vested in his accrued benefits under the SERP, making his annual estimated payment under the SERP approximately \$785,465.
