**PROXY STATEMENT**

**FOR SPECIAL MEETING OF STOCKHOLDERS  
TO BE HELD ON JULY 20, 2004**

**GENERAL**

The accompanying proxy is solicited by the Board of Directors of Encore Wire Corporation (the Company or Encore) for use at a special meeting of stockholders of the Company to be held at the time and place and for the purposes set forth in the foregoing notice. The approximate date on which this proxy statement and the accompanying proxy are first being sent to stockholders is June 16, 2004.

The cost of soliciting proxies will be borne by the Company. The Company may use certain of its officers and employees (who will receive no special compensation therefor) to solicit proxies in person or by telephone, facsimile, telegraph or similar means.

**PROXIES**

All shares entitled to vote and represented by properly completed proxies duly signed, dated and returned to the Company and not revoked, will be voted at the meeting in accordance with the directions given. If no direction is given, such shares will be voted in favor of the charter amendment to increase the number of authorized shares of Common Stock. Any stockholder returning a proxy may revoke it at any time before it has been exercised by giving written notice of such revocation to the Secretary of the Company, by filing with the Company a proxy bearing a subsequent date or by voting in person at the meeting.

**VOTING PROCEDURES AND TABULATION**

The Company will appoint one or more inspectors of election to conduct the voting at the meeting. Prior to the meeting, the inspectors will sign an oath to perform their duties in an impartial manner and to the best of their abilities. The inspectors will ascertain the number of shares outstanding and the voting power of each of such shares, determine the shares represented at the meeting and the validity of proxies and ballots, count all votes and ballots and perform certain other duties as required by law. The inspectors will tabulate the number of votes cast for, against or withheld, as well as the number of abstentions and broker non-votes, as to the proposal to be submitted to the meeting.

**VOTING SECURITIES**

The only voting security of the Company outstanding is its Common Stock, par value \$.01 per share. Only the holders of record of Common Stock at the close of business on June 2, 2004, the

record date for the meeting, are entitled to notice of, and to vote at, the meeting. On the record date, there were 15,385,276 shares of Common Stock outstanding and entitled to be voted at the meeting. Each share of Common Stock is entitled to one vote.

### **REQUIRED VOTE**

The presence at the special meeting, in person or by proxy, of a majority of the outstanding shares of Common Stock is necessary to constitute a quorum. Abstention and, by definition, broker non-votes will be counted as present for the purpose of establishing a quorum.

The affirmative vote of the holders of a majority of the outstanding shares of Common Stock entitled to vote thereon at the special meeting is required to approve the amendment to the Certificate of Incorporation, as amended (the Certificate of Incorporation ), to increase the number of authorized shares. Accordingly, abstentions and broker non-votes will have the same effect as a vote against the amendment.

### **APPROVAL OF AN AMENDMENT TO THE CERTIFICATE OF INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF COMMON STOCK**

The Board of Directors of Encore proposes to amend the Certificate of Incorporation of the Company to increase the number of authorized shares of Common Stock. The purpose of this proposal is to enable the Company to effect the stock dividend described below and to issue Common Stock for other proper corporate purposes that may be identified in the future. The proposed amendment would increase the number of authorized shares of Common Stock from 20,000,000 to 40,000,000.

The Company's authorized capital presently consists of 20,000,000 shares of Common Stock and 2,000,000 shares of preferred stock. There are no shares of preferred stock currently outstanding. The proposed amendment to the Certificate of Incorporation will not affect the number of authorized shares of preferred stock.

The Board of Directors adopted the proposed amendment to the Certificate of Incorporation at its May 4, 2004 meeting, subject to stockholder approval, and declared the proposal to be advisable. Accordingly, stockholders are asked to vote on the following resolution:

RESOLVED, that the Certificate of Incorporation of Encore Wire Corporation be amended to increase the total number of shares of Common Stock that the Company is authorized to issue to 40,000,000 to be effected by amending Section 1 of Article FOURTH thereof so that as amended said Section 1 of Article FOURTH shall read in its entirety as follows:

Fourth: Section 1. The total number of shares of all classes of stock which the corporation shall have authority to issue is Forty-Two Million (42,000,000), consisting of:

(i) Two Million (2,000,000) shares, par value \$.01 per share, to be designated Preferred Stock ; and

(ii) Forty Million (40,000,000) shares, par value \$.01 per share, to be designated Common Stock .

**THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE PROPOSED AMENDMENT TO ENCORE S CERTIFICATE OF INCORPORATION.**

## **REASONS FOR THE AMENDMENT**

The proposed increase in authorized shares will permit a 3-for-2 stock split to be paid as a 50% stock dividend on the Company's Common Stock. The proposed stock dividend was approved by the Board of Directors on May 4, 2004, subject to stockholder approval of this proposal to increase the number of authorized shares and declaration of the proposed stock dividend by the Board of Directors following such approval. The Board of Directors has decided to authorize the proposed stock dividend and intends to declare and pay the stock dividend following stockholder approval of the amendment to Encore's Certificate of Incorporation to increase the number of authorized shares provided there have been no material changes in the Company's financial condition or results of operation or the market price for the Company's Common Stock. Without approval of the proposed amendment to Encore's Certificate of Incorporation, the Company would not have sufficient authorized Common Stock to declare a 3-for-2 stock split to be paid as a 50% stock dividend on its Common Stock. Generally, stock splits are intended to shift the market price range of common stock to a level that will facilitate increased trading activity and will broaden the marketability of the common stock.

Approval of the proposed amendment will allow the Company to declare the proposed 3-for-2 stock split in the form of a 50% stock dividend while maintaining flexibility similar to the flexibility that currently exists for the Company to use capital stock for future business and financial purposes. The remaining shares of authorized Common Stock may be used by the Company for any purpose permitted under Delaware law, including to raise capital and to provide equity incentives to employees, officers and directors. The newly authorized shares of Common Stock would be available for issuance without further action by stockholders except as required by law or applicable NASDAQ requirements. Any such issuance could have the effect of diluting existing stockholders. Authorized but unissued shares of Common Stock may also be used to oppose a hostile take over attempt or to delay or prevent a change in control of the Company, although the Company has no present intention to issue shares for such purpose. The proposed amendment arises out of business and financial considerations, and the Company is not aware of any threat of take over or change in control.

The Company has no present plan or commitment to issue the newly authorized shares of Common Stock for purposes other than payment of the proposed 50% stock dividend to stockholders.

Under the proposed amendment, each of the newly authorized shares of Common Stock will have the same rights and privileges as currently authorized Common Stock. Adoption of the proposed amendment will not affect the rights of the holders of current outstanding Common Stock nor will it change the par value of the Common Stock. The number of authorized shares of the Company have remained the same since its original incorporation.

The number of shares of Common Stock issued as of the record date for the special meeting was 17,224,576 which includes 1,839,300 shares that the Company holds as treasury stock. There are also 527,000 shares of Common Stock subject to issuance for outstanding options under the Company's stock option plans for employees. The remaining 2,248,424 shares of Common Stock that are currently authorized but unissued are not sufficient for the proposed stock dividend. The authorized capital of the Company currently consists of 20,000,000 shares of Common Stock, par value \$.01 per share, and 2,000,000 shares of preferred stock. Since the proposed amendment would increase the number of authorized shares of Common Stock to 40,000,000, the total number of authorized shares would thereby be increased to 42,000,000. The proposed amendment to increase the authorized number of shares of Common Stock does not change the number of shares of preferred stock that the Company is authorized to issue. There are no shares of preferred stock currently outstanding.

If the proposed amendment is adopted, it will become effective upon the filing of a Certificate of Amendment to the Company's Certificate of Incorporation with the Secretary of State of the State of Delaware. However, if stockholders approve the proposed amendment to the Company's Certificate of Incorporation, the Board of Directors retains the discretion under Delaware law to abandon and not implement the proposed amendment to the Certificate of Incorporation, and the number of authorized shares would accordingly remain at its current level.

The Company has been advised by tax counsel that a split in the form of a stock dividend would result in no gain or loss or realization of taxable income to the holders of Common Stock under existing federal tax law. The adjusted tax basis in the Common Stock you own before the stock dividend (if one is declared) will be allocated between the Common Stock received and the Common Stock you already held. The holding period of the Common Stock received as a stock dividend will include the period for which you held the Common Stock on which the stock dividend was distributed. Non-U.S. stockholders should consult with their financial advisors regarding tax treatment in other jurisdictions.

#### **VOTE NECESSARY TO APPROVE PROPOSAL**

The affirmative vote of the majority of the outstanding shares of Common Stock entitled to vote thereon at the special meeting is necessary for approval of this proposal. Proxies that are granted without providing voting instructions will be voted FOR approval of the proposal.
