Item 1. SECURITY AND ISSUER.

This Statement on Schedule 13D (the Statement) relates to the common stock, \$0.01 par value (the Common Stock), and voting rights relating thereto, of Citadel Security Software Inc., a Delaware corporation (the Company) which has its principal executive offices located at Two Lincoln Centre, Suite 1600, 5420 LBJ Freeway, Dallas, Texas 75240.

Item 2. IDENTITY AND BACKGROUND.

This Statement is being filed pursuant to Rule 13d-1 under the Securities Exchange Act of 1934, as amended, by McAfee, Inc., a Delaware corporation (McAfee), with its principal executive offices located at 3965 Freedom Circle Santa Clara, California 95054. McAfee is a worldwide supplier of computer security solutions designed to prevent intrusions on networks and secure computer systems and other digital devices from the next generation of blended attacks and threats.

The name, business address, present principal occupation or employment and citizenship of each director and executive officer of McAfee is set forth on Schedule I.

Except as described in the following paragraph, during the last five years, neither McAfee, nor to McAfee's knowledge, any of the persons listed on Schedule I hereto has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

On March 22, 2002, the Securities and Exchange Commission notified McAfee that it had commenced a Formal Order of Private Investigation into its accounting practices. On February 9, 2006, the SEC entered into a final judgment for the settlement with McAfee relating to this investigation. Under the terms of the settlement, McAfee consented, without admitting or denying any wrongdoing, to be enjoined from future violations of the federal securities laws. McAfee also agreed to certain other conditions, including the payment of a \$50.0 million civil penalty, which was released from escrow on February 13, 2006.

Item 3. SOURCE AND AMOUNT OF FUNDS.

As an inducement for McAfee to purchase substantially all of the assets of the Company by entering into an Asset Purchase Agreement dated as of October 2, 2006, by and between McAfee, Inc. a Delaware corporation, and McAfee Security, LLC, a Delaware limited liability company, Citadel Security Software Inc., a Delaware corporation, Citadel Security Software International, LLC, a Delaware limited liability company and wholly owned subsidiary of Citadel, Canberra Operating, L.P., a Texas limited partnership of which Citadel is the general partner, and Canberra, LLC, a Delaware limited liability company which is the limited partner of Canberra LP and which is a wholly owned subsidiary of Citadel (the Purchase Agreement), certain stockholders of the Company (the Company Stockholders), who are identified on Schedule II hereto, each entered into a support agreement with McAfee (the Support Agreement) and in connection therewith delivered an irrevocable proxy to vote their shares to McAfee (each of which is a Proxy). McAfee did not provide any consideration, other than McAfee's agreement to enter into the Purchase Agreement, to

Table of Contents

the Company Stockholders in connection with the execution and delivery of the Support Agreements and Proxies. Copies of the Purchase Agreement, a form of the Support Agreements, and a form of the Proxy are filed as Exhibits 1 and 2 and 3, respectively, to this Statement.

The proposed transaction is valued at approximately \$55,805,000 plus an adjustable working capital reimbursement. McAfee expects to fund the consideration payable pursuant to the Purchase Agreement using McAfee's cash on hand.

Item 4. PURPOSE OF TRANSACTION

As stated above, the Support Agreements were entered into as an inducement for, and in consideration of, McAfee entering into the Purchase Agreement, whereby McAfee will acquire substantially all of the assets of the Company (the Transaction). The consummation of the Transaction is subject to the approval by the Company's stockholders and other closing conditions as set forth in the Purchase Agreement.

Pursuant to the Support Agreements, the Company Stockholders who collectively own 9,721,324 shares (including 6,410,000 options to acquire shares) of the common stock of the Company (the Subject Shares) as set forth in Schedule II (approximately 26.3% of the common stock deemed to be outstanding pursuant to Rule 13d-3(d)(1) as of October 2, 2006), have agreed to vote or consent (or cause to be voted or consented) the Subject Shares: (i) in favor of the approval of the Transaction and the Purchase Agreement; (ii) against any proposal made in opposition to or in competition with the Transaction; and (iii) against any action intended or reasonably expected to impair, delay or adversely affect McAfee's ability to consummate the Transaction and in connection therewith, they each delivered a Proxy to McAfee.

The Company Stockholders also have agreed not to enter into any agreement or understanding with any person to vote or give instructions to act in any manner inconsistent with or violative of the Support Agreements. In addition, each of the Company Stockholders has agreed to remain the beneficial owner of the Subject Shares, to hold the Subject Shares free and clear of any liens and, absent the prior written consent of McAfee, to not sell, transfer, pledge, assign or otherwise dispose of any interest in the Subject Shares until the termination of the Support Agreements. The Support Agreements and related Proxies terminate on the earlier to occur of: (i) the effective time of the Transaction; or (ii) the valid termination of the Purchase Agreement by its terms.

References to, and descriptions of, the Purchase Agreement, the Support Agreements and the Proxies as set forth above in Item 4 are qualified in their entirety by reference to the copies of the Purchase Agreement, the Support Agreement and the Proxies included as Exhibits 1, 2 and 3 respectively, to this Statement, and hereby are incorporated in this Item 4 in their entirety.

Except as set forth in this Statement and in connection with the Asset Purchase Agreement described above, McAfee has no plan or proposals that would relate to or would result in any of the transactions described in subparagraphs (a) through (j) of Item 4 of Schedule 13D.

Item 5. INTEREST IN SECURITIES OF THE ISSUER.

(a) and (b) Other than those Subject Shares that may be deemed to be to be beneficially owned in

Table of Contents

connection with the Support Agreements and Proxies, McAfee owns no other shares of the Company.

As a result of the Support Agreements and Proxies, McAfee may be deemed to have the power to vote up to 9,721,324 shares of the Company (of which 6,410,000 shares represent options to purchase shares of the Company) in favor of approval of the Purchase Agreement, and thus, for the purpose of Rule 13d-3 promulgated under the Act, McAfee may be deemed to be the beneficial owner of an aggregate of 9,721,324 shares of the Company. All shares that may be deemed to be beneficially owned by McAfee constitute approximately 26.3% of the issued and outstanding shares of the Company.

McAfee is not entitled to any rights as a stockholder of Company as to the Subject Shares and disclaims all beneficial ownership of such shares.

Except as set forth in this Item 5(a), none of McAfee, and to the knowledge of McAfee, any persons named in Schedule I hereto owns beneficially any shares of the Company.

- (e) N/A

Item 6. CONTRACTS, ARRANGEMENTS, UNDERSTANDINGS OR RELATIONSHIPS WITH RESPECT TO SECURITIES OF THE ISSUER.

Except for the Support Agreements and Proxies described above, to the knowledge of McAfee, there are no contracts, arrangements, understandings or relationships (legal or otherwise), including, but not limited to, transfer or voting of any of the securities, finder's fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or loss, or the giving or withholding of proxies, between the persons enumerated in Item 2, and any other person, with respect to any securities of the Company, including any securities pledged or otherwise subject to a contingency the occurrence of which would give another person voting power or investment power over such securities other than standard default and similar provisions contained in loan agreements.
