Ranking: The notes will be subordinate and junior in right of payment to the prior payment in full of all of our senior debt. At June 30, 2007, we had issued and outstanding an aggregate principal amount of \$5.9 billion in senior debt and \$2.4 billion in subordinated debt (not including debt issued by our subsidiaries). The notes will rank on a parity with all other subordinated debt other than the junior subordinated notes described below. The notes will be senior to the junior subordinated notes and to our common stock and preferred stock, and will be senior to any other class of capital stock which may be authorized and issued.
