2. The Company s Current Reports on Form 8-K dated April 1, 2008, April 30, 2008, May 13, 2008, May 22, 2008, and July 15, 2008;

**Item 5. Interests of Named Experts and Counsel.**

Brian J. Woram, Esq., the Registrant's Senior Vice President, Chief Legal Officer and General Counsel, has delivered an opinion as to the legality of the securities being offered by this Registration Statement. As of the date of this Registration Statement, Mr. Woram is the holder of 53,617 shares of the Registrant's Common Stock (including 10,067 shares of Common Stock subject to restrictions) and options to purchase an additional 274,888 shares of Common Stock (including options to purchase 72,927 shares that are not yet exercisable).

**Item 6. Indemnification of Directors and Officers.**

The Company is a Nevada corporation. Pursuant to the provisions of Section 78.7502 of the Nevada General Corporation Law, every Nevada corporation has authority to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding (except an action by or in the right of the corporation), by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or he is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred in connection with the action, suit or proceeding, if he acted in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful.

Under Nevada law, the Company also has the authority to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the corporation, to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses including amounts paid in settlement and attorneys' fees actually and reasonable incurred by him in connection with the defense or settlement of the action or suit if he acted in good faith and in a manner which he reasonably believed to be in or not opposed to the best interests of the corporation. No indemnification shall be made, however, for any claim, issue or matter as to which a person has been adjudged by a court of competent jurisdiction to be liable to the corporation, or for amounts paid in settlement to the corporation, unless and only to the extent that the court determines that in view of all the circumstances, the person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper.

To the extent any person referred to in the two immediately preceding paragraphs is successful on the merits or otherwise in defense of any action, suit or proceeding, the Nevada General Corporation Law provides that such person must be indemnified by the corporation against expenses including attorneys' fees, actually and reasonably incurred by him in connection with the defense.

Section 78.751 of the Nevada General Corporation Law requires Nevada corporations to obtain a determination that any discretionary indemnification is proper under the circumstances. Such a determination must be made either by the corporation's stockholders, by its board of directors by majority vote of a quorum consisting of directors who were not parties to the action, suit or proceeding, or under certain circumstances, by independent legal counsel. The Articles of Incorporation of Centex Corporation provide for indemnification of its directors and officers to the extent provided by Nevada law.

In addition, Section 78.037 of the Nevada General Corporation Law permits Nevada corporations to include in their articles of incorporation or by-laws, a provision eliminating the personal liability of their directors and officers, to the corporation or stockholders, for damages resulting from their breach of fiduciary duties. The By-laws of the Company contain a provision limiting the liability of directors and officers of the Company in this manner.

The By-laws of the Company provide that the Company shall indemnify its directors, employees and agents to the fullest extent provided by the Nevada General Corporation Law. In addition, the By-laws of the Company provide for indemnification to the same extent of any director, officer or employee of the corporation who serves in any fiduciary capacity with respect to any profit sharing, pension or other type of welfare plan or trust for the benefit of employees of the corporation or its subsidiaries.

The Company has entered into indemnification contracts with its directors and certain officers of the Company and its subsidiaries who are not directors of the Company. The general effect of the indemnification contracts is to provide that the indemnitees shall be indemnified to the fullest possible extent permitted by the law against all expenses,

including attorneys' fees, judgments, fines and amounts paid in settlement actually and reasonably incurred by them in any action or proceeding, including any action by or in the right of the Company, by reason of their service in the foregoing capacities.

Pursuant to authority granted by the Nevada General Corporation Law and its By-laws, the Company has purchased directors and officers liability insurance.

The above description is merely a summary of the provisions of the statute, and of our By-Laws, agreements and insurance policies referred to above. Reference is made to the complete text of such items for the full terms and provisions thereof.

**Item 8. Exhibits.**

See the Exhibit Index immediately following the signature page hereto, which Exhibit Index is incorporated herein by this reference.

**Item 9. Undertakings.**

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement; *provided, however*, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the registration statement is on Form S-8, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended (the Exchange Act ), that are incorporated by reference in this Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration, by means of a post-effective amendment, any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers, and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. If a claim for indemnification against such liabilities (other than the

payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
