Edgar Filing: MERRIMAC INDUSTRIES INC - Form DEF 14A

Place, West Caldwell, New Jersey, on Wednesday, June 12, 2002 at 10:00 a.m. (including any adjournment or postponement thereof, the "Meeting") for the purposes stated in the Notice of Annual Meeting of Stockholders. The shares represented by proxies will be voted at the Meeting in accordance with the instructions noted thereon.

A proxy may be revoked at any time before it is exercised by filing a written notice of revocation with the Secretary of the Company, by revocation in person at the Meeting or by presenting a later-dated proxy.

This Proxy Statement and the accompanying form of proxy are first being mailed to stockholders on or about May 1, 2002.

The cost of solicitation will be paid by the Company. In addition to solicitation by mail, directors, officers and employees of the Company may solicit proxies from stockholders by telephone, letter, e-mail, facsimile or in person. The Company expects to pay compensation for the solicitation of proxies, plus expenses, to Corporate Investor Communications, Inc. ("CIC") to supply brokers and other persons with proxy materials for forwarding to beneficial holders of Common Stock. The Company expects to pay CIC a fee of approximately \$2,000 for its services. The Company will also reimburse such brokers and other persons for expenses related to the forwarding of this mailing.

VOTING RIGHTS; VOTES REQUIRED FOR APPROVAL

The Board fixed the close of business on April 26, 2002 (the "Record Date"), as the record date for the determination of stockholders entitled to receive notice of, and to vote, at the Meeting. At the close of business on the Record Date, there were outstanding and entitled to vote 3,186,008 shares of Common Stock. Every stockholder of record on the Record Date is entitled to one vote for each share of Common Stock then held.

The presence of a quorum is required to conduct business at the Meeting. A quorum is defined as a majority of all the shares of Common Stock entitled to vote at the Meeting, present in person or by proxy. Votes withheld from director nominees and abstentions will be counted in determining whether a quorum has been reached.

The affirmative vote of (i) a plurality of the shares present at the Meeting and entitled to vote on the subject matter is required to elect the director nominees to the Board, and (ii) a majority of the shares present at the Meeting and entitled to vote on the subject matter is required to ratify the selection of Ernst & Young LLP as the Company's independent auditors and for any other business which may properly come before the Meeting.

Abstentions will have the same effect as negative votes, except that abstentions will have no effect on the election of directors because directors are elected by a plurality of the votes cast. In accordance with the American Stock Exchange rules, brokers holding shares in street name for their customers may vote, in their discretion, on behalf of any customers who do not furnish voting instructions within 10 days of the Meeting on items such as the election of directors and appointment of auditors.

ELECTION OF DIRECTORS

The Company's Certificate of Incorporation provides that the Board of Directors shall consist of three classes of directors with overlapping three-year terms. One class of directors is to be elected each year with terms

extending to the third succeeding annual meeting of stockholders. Each of the three nominees, Mason N. Carter, Albert H. Cohen and David B. Raveche, are serving terms expiring at the Company's annual meetings in 2003 and 2004, respectively.

The persons named in the enclosed form of proxy will vote such proxy for the election to the Board as Class III directors of Mason N. Carter, Albert H. Cohen and David B. Miller. Messrs. Carter and A. Cohen have been previously elected as directors by the stockholders. Approval of the director nominees requires the affirmative vote of a plurality of the shares present at the Meeting and entitled to vote on the subject matter. If no contrary indication is made, proxies in the accompanying form are to be voted for such nominees or, in the event any such nominee is not a candidate or is unable to serve as a director at the time of the election (which is not now expected), for any nominee who shall be designated by the Board of Directors to fill such vacancy, unless the Board of Directors shall determine to reduce the number of directors pursuant to the By-laws. There is no arrangement or understanding between any director or nominee and any other person pursuant to which such person was selected as a director or nominee, except that on February 28, 2002, the Company entered into a subscription agreement for Common Stock with DuPont Chemical and Energy Operations, Inc. ("DCEO"), a subsidiary of E.I. DuPont de Nemours and Company ("DuPont"), whereby DCEO has the right to designate a nominee to the Company's Board and has designated David B. Miller as such nominee.

Management is responsible for the Company's internal financial controls and financial reporting process. The independent auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and for issuing a report thereon.

We met and held discussions with management and Arthur Andersen LLP, the Company's independent auditors for fiscal 2001. Management represented to us that the

Company's consolidated financial statements for the fiscal year ended December 29, 2001 were prepared in accordance with generally accepted accounting principles. We discussed the consolidated financial statements with both management and the independent auditors. We also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communication With Audit Committees).

The Audit Committee discussed with the independent auditors the overall scope and plans for the audit. We met with the independent auditors, with and without management, to discuss the results of their examination, the evaluation of the Company's internal controls, and the overall quality of the Company's financial reporting.

We discussed with the independent auditors the auditor's independence from the Company and management, including the independent auditors written disclosures required by Independent Standards Board Standard No. 1 (Independence Discussions With Audit Committees).

During fiscal year 2001, the Company paid Arthur Andersen LLP the following fees:

Audit Fees. Approximately \$174,100 for the last annual audit, including review of periodic filings with the SEC.

Financial Information Systems Design and Implementation Fees. No amounts were paid for financial information systems design and implementation.

All Other Fees. Approximately \$73,500 for all other matters (which were primarily related to tax compliance and assistance on tax related matters).

We reviewed the above information concerning the fees paid to the independent auditors for the fiscal year ended December 29, 2001, and have

If, within 12 months after a change-in-control of the Company, Mr. Carter resigns for "good reason" (as defined in the employment agreement) or is dismissed without "cause" (as defined in the employment agreement), the Company will pay Mr. Carter the greater of (a) his 24-month salary and benefits (including bonus) or (b) his salary and benefits from the date of his resignation or termination to the end of the then current term of the employment agreement. The employment agreement also provides that Mr. Carter will receive an annual special bonus on August 31 in each of the years 2001, 2002, 2003, 2004 and 2005, in the form of forgiveness of 20% of the principal and the

accrued interest on a \$280,000 loan the Company made to Mr. Carter on August 31, 2000, in connection with the amendment to Mr. Carter's employment agreement. See "Certain relationships and related transactions" below.

agreements provide, among other things, that if an executive is terminated by the Company without "cause" or the executive resigns for "good reason" (as such terms are defined in the severance agreements) within one year following a "change in control" (as defined therein) the Company is obligated to pay to the executive officer over a 12-month period two times his "annual base salary" (as defined therein) and to continue to provide health insurance benefits for two years.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In May 1998, the Company sold 22,000 shares of Common Stock to Mason N. Carter, Chairman, President and Chief Executive of the Company, at a price of \$11.60 per share, which approximated the average closing price of the Company's Common Stock during the first quarter of fiscal year 1998. The Company extended to Mr. Carter a loan of \$255,000 in connection with the purchase of these shares. In addition, the Company amended a prior loan to Mr. Carter of \$105,000. The total of \$360,000 is due May 4, 2003 and interest payments (except as described below) are due quarterly, calculated at a variable interest rate based on the prime rate of the Company's lending bank. However, payment of interest that accrued from November 1998 until November 1999 was deferred and payment of interest that will accrue from November 2001 until November 2002 will be deferred until May 4, 2003. Payment of the loan is secured by the pledge of 33,000 shares of Common Stock purchased by Mr. Carter with the proceeds of the loans and Mr. Carter has agreed to restrictions on the resale of these shares of Common Stock.

On August 31, 2000, in connection with an amendment of Mr. Carter's employment agreement, the Company loaned Mr. Carter an additional \$280,000. Interest on the loan will be calculated at a variable interest rate based on the prime rate of the Company's lending bank payable in accordance with Mr. Carter's employment agreement. Each year the Company will forgive 20% of the amount due under this loan and accrued interest thereon. During 2001, the amount of \$56,000 and \$23,000 of accrued interest was forgiven.

The Company is a party to a shareholder's agreement, dated as of October 30, 1998, with Charles F. Huber II, a former director and Chairman of the Company. Pursuant to the shareholder's agreement, Mr. Huber is required to vote his shares of Common Stock as directed by the Board of Directors or the Chief Executive Officer of the Company. Mr. Huber is a Managing Director of William D. Witter Associates, an affiliate of William D. Witter, Inc., which is a beneficial owner of more than 5% of the Common Stock. Mr. Huber disclaims beneficial ownership of the shares owned by William D. Witter, Inc.

During fiscal year 2001, Mr. A. Cohen was paid \$40,300 for providing financial consulting services to the Company.

During fiscal year 2001, the Company retained Career Consultants, Inc. and SK Associates to perform executive searches and to provide outplacement services to the Company. Dr. Goldberg is the Chairman and Chief Executive Officer of these companies. The Company paid an aggregate of \$117,000 to these companies during the year 2001.

During fiscal year 2001, the Company's General Counsel, Katten Muchin Zavis Rosenman, was paid \$288,000 for providing legal services to the Company. Mr. E. Cohen is of counsel to Katten Muchin Zavis Rosenman.

Mr. Oliner is compensated at a rate of \$3,000 a month for providing technology-related consulting services to the Company.

On April 7, 2000, the Company entered into a stock purchase and exclusivity agreement with Ericsson Microelectronics, A.B. ("Ericsson") and Ericsson Holding International, B.V. ("EHI") pursuant to which the Company sold to EHI 375,000 shares of Common Stock, representing approximately 17.5% of the Company's outstanding Common Stock after giving effect to the sale, for an aggregate purchase price of \$3,375,000. The stock purchase and exclusivity agreement also provides that the Company will design, develop and produce exclusively for Ericsson Multi-Mix(R) products that incorporate active RF power transistors for use in wireless base station applications, television transmitters and certain other applications that are intended for Bluetooth transceivers. The Company also agreed that it will generally be the priority supplier for such products.

On October 26, 2000, the Company entered into subscription agreements for common stock and three-year warrants to purchase shares of Common Stock ("Warrants") with a group of investors led by Adam Smith Investment Partners, L.P. and certain of its affiliates (the "Adam Smith Investors"), EHI and three members of the board of directors of the Company (the "Director Investors"). The Company sold to the investors units ("Units") at a price of \$12.80 per unit, each unit consisting of one share of Common Stock and one Warrant with an exercise price of \$21.25 which expires on October 26, 2003. The Adam Smith Investors purchased 240,000 Units, EHI purchased 100,000 Units and the Director Investors purchased 20,000 Units for an aggregate purchase price of \$4,608,000. The Common Stock portion of the Units represented an aggregate of approximately 14% of the outstanding Common Stock of the Company after giving effect to the sales.

On February 28, 2002, the Company entered into a subscription agreement for Common Stock with DCEO. Pursuant to the subscription agreement, the Company sold to DCEO 528,413 shares of the Common Stock, approximately 16.6% of the outstanding Common Stock of the Company after giving effect to the sale, for an aggregate purchase price of \$5,284,130. The Company and DuPont Electronic Technologies have also agreed to work together to better understand the dynamics of the markets for high-frequency electronic components and modules.

As a result of the sale of Common Stock to DCEO, certain contractual anti-dilution provisions affected both the Warrant exercise price and the number of shares subject to the Warrants issued in October 2000 as part of the Units. The exercise price of the Warrants was reduced to \$17.80 and the number of shares subject to the Warrants was increased to 429,775. The expiration date of the Warrants remained unchanged.

The directors are also reimbursed reasonable travel expenses incurred in attending Board and Committee meetings. In addition, pursuant to the 2001 Stock Option Plan, each non-employee director is annually granted an immediately exercisable option to purchase

2,500 shares of the Common Stock on the date of each annual meeting of stockholders. Each such grant is at the fair market value on the date of grant and will expire on the tenth anniversary of the date of the grant.

Section 16(a) of the Securities Exchange Act of 1934, requires the Company's directors and executive officers, and persons who own more than ten percent of the Common Stock, to file with the SEC initial reports of ownership and reports of changes in ownership of Common Stock. Officers, directors and greater than ten percent stockholders are required by SEC regulation to furnish the Company with copies of all Section 16(a) reports they file.

To the Company's knowledge, based solely on its review of the copies of such reports furnished to the Company and written representations that no other reports were required, the Company's officers, directors and greater than ten percent stockholders complied with these Section 16(a) filing requirements with respect to the Common Stock during the fiscal year ended December 29, 2001.

RATIFICATION OF SELECTION OF INDEPENDENT AUDITORS

The Board of Directors has, upon the recommendation of the Audit Committee, selected Ernst & Young LLP as independent auditors to audit and report upon the consolidated financial statements of the Company for fiscal year 2002 ending January 4, 2003. The Board of Directors recommends that the stockholders ratify the selection of Ernst & Young LLP.

Edgar Filing: MERRIMAC INDUSTRIES INC - Form DEF 14A

The Board of Directors decided not to reappoint Arthur Andersen LLP as the Company's independent public accountants in light of the current circumstances surrounding Arthur Andersen LLP. The decision to change public accountants was recommended by the Audit Committee and approved by the Board of Directors. On April 26, 2002, the Company engaged Ernst & Young LLP to serve as its independent public accountants for fiscal year 2002.

Arthur Andersen LLP's reports on the Company's consolidated financial statements for the years ended December 29, 2001 and December 30, 2000, did not contain an adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope or accounting principles. During the years ended December 29, 2001 and December 30, 2000 and through April 26, 2002, the subsequent interim period preceding the decision to change independent auditors, there were no disagreements with Arthur Andersen LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which agreements, if not resolved to Arthur Andersen LLP's satisfaction, would have caused them to make reference to the subject matter of such disagreements in connection with their report on the Company's consolidated financial statements for such years. During the years

17

ended December 29, 2001 and December 30, 2000 and through April 26, 2002, there were no "reportable events" as defined in Item 304(a)(1)(v) of Regulation S-K.

The Company provided Arthur Andersen LLP with a copy of the foregoing paragraphs. Attached as Appendix A hereto is a letter dated April 30, 2002 from Arthur Andersen LLP to the SEC stating its agreement with the disclosures therein.

Ernst & Young LLP has not served as our independent auditors since the 1993 fiscal year. In the years ended December 29, 2001 and December 30, 2000 and through April 26, 2002, the Company did not consult Ernst & Young LLP with respect to the application of accounting principles to a specified transaction, either completed or proposed, or the type of audit opinion that might be rendered on the Company's consolidated financial statements, or any other matters or reportable events as set forth in Item 304(a)(2)(ii) of Regulation S-K.

A representative of Arthur Andersen LLP is expected to be present at the Meeting to respond to appropriate questions, and to make a statement if he or she desires. It is expected that a representative of Ernst & Young LLP will also be present at the Meeting to respond to appropriate questions, and to make a statement if he or she desires.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR RATIFICATION OF ERNST & YOUNG LLP AS INDEPENDENT AUDITORS FOR 2002.
