IMPORTANT NOTICE

TO NUVEEN FUND SHAREHOLDERS

JULY 28, 2003

Although we recommend that you read the complete Joint Proxy Statement, for your convenience, we have provided a brief overview of the issues to be voted on.

Q. WHY AM I RECEIVING THIS JOINT PROXY STATEMENT?

A. Closed-end investment companies listed on the New York Stock Exchange such as your Fund are required to hold annual meetings to approve the election of Trustees. In addition, such companies are required to obtain shareholder approval for certain changes to their investment policies. Your Fund is seeking shareholder approval on the following items:

1. To elect trustees to serve on the Board of Trustees.

2. To approve changes to certain fundamental investment policies.

Please refer to the Joint Proxy Statement for a detailed explanation of the proposed items.

Q. WHY ARE INDIVIDUALS RECOMMENDED FOR ELECTION TO THE BOARD OF TRUSTEES?

A. Currently, two separate board clusters oversee the funds in the Nuveen family of funds. One board cluster comprised of the same board members oversees the funds managed by Nuveen Advisory Corp. and one board cluster comprised of the same board members oversees all but one of the funds managed by Nuveen Institutional Advisory Corp. (the "Adviser"). The Board of your Fund has proposed to consolidate both board clusters into a single board cluster so that the same individuals serve on the boards of most Nuveen funds.

Your Board believes that the consolidation of board clusters will have the following advantages:

- the consolidation will avoid the need to add new board members to each board cluster at various later dates to maintain the current size and structure of each board cluster and thereby avoid the costs associated with multiple meetings to fill such vacancies;
- the consolidation ensures that each Fund will gain new board members that are already knowledgeable about Nuveen and investment companies in general;
- the consolidation would reduce the duplication of board materials and reports covering the same issues and would avoid the need for repeated presentation of the same material by the same personnel at different meetings;
- reducing such administrative burdens will allow the Adviser and its personnel to focus more on non-administrative matters; and
- a single board cluster overseeing all operations of the Nuveen family of funds will have a better picture of all issues facing shareholders.

Q. WHICH FUNDAMENTAL INVESTMENT POLICIES ARE CHANGING?

A. Your Board has proposed to amend your Fund's fundamental investment policies relating to borrowing and lending in connection with the implementation of a proposed interfund lending program.

Q. WHY IS THE FUND PROPOSING TO CHANGE ITS FUNDAMENTAL INVESTMENT POLICIES?

A. In connection with disaster recovery planning and to provide liquidity in the event that open-end funds in the Nuveen family of funds encounter higher than normal redemption requests that may follow a national disaster such as the events of September 11, 2001, your Board has authorized the Fund's participation in an interfund lending program that would allow the Nuveen Funds, including your Fund, to lend and borrow cash for temporary purposes directly to and from each other. The proposed new fundamental investment policies will enable your Fund to participate in this interfund

Edgar Filing: NUVEEN CALIFORNIA SELECT TAX FREE INCOME PORTFOLIO - Form DEF 14A

lending program.

Q. HOW DO THE TRUSTEES OF MY FUND SUGGEST THAT I VOTE?

A. After careful consideration, the trustees of your Fund unanimously recommend that you vote "FOR" each of the items proposed.

Q. WILL MY VOTE MAKE A DIFFERENCE?

A. Your vote is needed to ensure that the proposals can be acted upon. Additionally, your immediate response to these items will help save on the costs of any future solicitations for a shareholder vote. We encourage all shareholders to participate in the governance of their Fund.

Q. WHO DO I CALL IF I HAVE QUESTIONS?

A. If you need any assistance, or have any questions regarding the proposals or how to vote your shares, please call your financial advisor or call Nuveen at (800) 257-8787 weekdays from 7:00 a.m. to 7:00 p.m. Central time.

Q. HOW DO I VOTE MY SHARES?

A. You can vote your shares by completing and signing the enclosed proxy card, and mailing it in the enclosed postage-paid envelope. In addition, you may vote by telephone by calling the toll-free number on the proxy card or by computer over the internet ([www.proxyvote.com](http://www.proxyvote.com)) and using the control number on the proxy card.

Q. WILL ANYONE CONTACT ME?

A. You may receive a call to verify that you received your proxy materials, to answer any questions you may have about the proposals and to encourage you to vote.

### GENERAL INFORMATION

This Joint Proxy Statement is furnished in connection with the solicitation by the Board of Trustees (each a "Board" and collectively, the "Boards," and each Trustee a "Board Member" and collectively, the "Board Members") of each of Nuveen Select Tax-Free Income Portfolio ("Select Portfolio"), Nuveen Select Tax-Free Income Portfolio 2 ("Select Portfolio 2"), Nuveen Select Tax-Free Income Portfolio 3 ("Select Portfolio 3"), Nuveen California Select Tax-Free Income Portfolio ("California Portfolio") and Nuveen New York Select Tax-Free Income Portfolio ("New York Portfolio") (each a "Fund" and collectively, the "Funds"), of proxies to be voted at the Annual Meeting of Shareholders to be held on July 28, 2003 (for each Fund, an "Annual Meeting" and collectively, the "Annual Meetings"), and at any and all adjournments thereof.

Edgar Filing: NUVEEN CALIFORNIA SELECT TAX FREE INCOME PORTFOLIO - Form DEF 14A

On the matters coming before each Annual Meeting as to which a choice has been specified by shareholders on the proxy, the shares will be voted accordingly. If no choice is so specified, the shares will be voted FOR the election of the nominees as listed in this Joint Proxy Statement and FOR the changes to each Fund's fundamental investment policies. Shareholders who execute proxies may revoke them at any time before they are voted by filing with that Fund a written notice of revocation, by delivering a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person.

This Joint Proxy Statement is first being mailed to shareholders on or about June 17, 2003.

The Board of each Fund has determined that the use of this Joint Proxy Statement for each Annual Meeting is in the best interest of each Fund and its shareholders in light of the similar matters being considered and voted on by the shareholders.

The following table indicates which shareholders are solicited with respect to each matter:

FUND	PROPOSALS	
	ELECT BOARD MEMBERS	CHANGE IN FUNDAMENTAL POLICIES
Select Portfolio	X	X
Select Portfolio 2	X	X
Select Portfolio 3	X	X
California Portfolio	X	X
New York Portfolio	X	X

A quorum of shareholders is required to take action at each Annual Meeting. A majority of the shares entitled to vote at each Annual Meeting, represented in person or by proxy, will constitute a quorum of shareholders at that Annual Meeting. Votes cast by proxy or in person at each Annual Meeting will be tabulated by the inspectors of election appointed for that Annual Meeting. The inspectors of election will determine whether or not a quorum is present at the Annual Meeting. The inspectors of election will treat abstentions and "broker non-votes" (i.e., shares held by brokers or nominees, typically in "street name," as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter) as present for purposes of determining a quorum.

For each Fund abstentions and broker non-votes will have no effect on the election of Board Members and will have the effect of a vote against the proposal to change each Fund's fundamental investment policies. The details of the proposals to be voted on by the shareholders and the vote required for approval of the proposals are set forth under the description of each proposal below.

Those persons who were shareholders of record at the close of business on May 23, 2003 will be entitled to one vote for each share held. As of May 23, 2003, the shares of the Funds were issued and outstanding as follows:

FUND	NYSE TICKER SYMBOL	SHARES
Select Portfolio	NXP	16,378,096
Select Portfolio 2	NXQ	17,607,068
Select Portfolio 3	NXR	12,964,124
California Portfolio	NXC	6,257,070
New York Portfolio	NXN	3,907,069

1. ELECTION OF BOARD MEMBERS OF EACH FUND

Currently, two separate board clusters oversee the funds in the Nuveen family of funds. One board cluster comprised of the same board members oversees the funds managed by Nuveen Advisory Corp. ("NAC") and one board cluster comprised of the same board members oversees all but one of the funds managed by Nuveen Institutional Advisory Corp. ("NIAC" or the "Adviser"). Each current board cluster has a total of six board members who are not "interested persons" (as that term is defined in the Investment Company Act of 1940, as amended (the "1940 Act")) and who are not affiliated with Nuveen or a fund's investment adviser (the "Independent Board Members") and one board member who is an "interested person." Below is a list of the board members of each board cluster.

The Boards of each Fund have proposed to consolidate both board clusters into a single board cluster so that the same individuals serve on the boards of most of the Nuveen funds. All individuals serving on both board clusters are nominated to serve on the combined board except James E. Bacon, who is retiring. Mr. Bacon is currently a Board Member of each Fund and serves on the NIAC board cluster.

The following is a list of the nominees under the proposal who are continuing Board Members of each Fund and the nominees who are new board members:

CONTINUING BOARD MEMBERS (NIAC BOARD CLUSTER):	NEW BOARD MEMBER NOMINEES (NAC BOARD CLUSTER):
Timothy R. Schwertfeger*	Robert P. Bremner
William E. Bennett	Lawrence H. Brown
Jack B. Evans	Anne E. Impellizzeri
William L. Kissick	Peter R. Sawers
Thomas E. Leafstrand	William J. Schneider
Sheila W. Wellington	Judith M. Stockdale

\* Interested person. Mr. Schwertfeger currently serves on both board clusters.

In part, the proposal to create a single board is being recommended because of the large number of retirements that will occur over the next few years. Within two years, the aggregate number of Independent Board Members that serve on both board clusters (currently 12) is expected to fall to six, due to a number of retirements because of age and/or tenure limitations for board membership. Combining the board will avoid the need to add new board members to each board cluster at various later dates to maintain the current size and structure of each board cluster and thereby avoid the costs associated with multiple meetings to fill such vacancies. In addition, combining the board ensures that each Fund will gain new board members that are already knowledgeable about Nuveen and investment companies in general.

Historically, the two separate board clusters have had separate meetings but often have reviewed similar policy issues, contractual arrangements and other matters. Among other potential efficiencies, the Board of each Fund believes that consolidating the board clusters into one board would reduce the duplication of board materials and reports covering the same issues and would avoid the need for repeated presentation of the same material by the same personnel at different meetings. This would permit the Adviser and its personnel to focus on non-administrative matters. In addition, a single board overseeing all operations of the Nuveen family of funds will have a better picture of all issues facing shareholders.

At its May 15, 2003 meeting, each board cluster reviewed the compensation paid to Independent Board Members and determined that compensation should be increased because of the expanded responsibilities of the Board Members due to (a) the increase in the number and types of investment companies overseen by the Board Members and (b) recent additional legal and regulatory requirements. Effective July 1, 2003, for all Nuveen Funds overseen, Independent Board Members will receive a \$65,000 annual retainer, plus (a) a fee of \$2,000 per day for attendance in person or by telephone at a regularly scheduled meeting of the Board; (b) a fee of \$1,000 per day for attendance in person where such in-person attendance is required and \$500 per day for attendance by telephone or in person where in-person attendance is not required at a special, non-regularly scheduled, board meeting; (c) a fee of \$1,000 per day for attendance in person at an Audit Committee meeting where in-person attendance is required and \$500 per day for attendance by telephone or in person where in-person

2

attendance is not required; (d) a fee of \$500 per day for attendance in person or by telephone for a meeting of the dividend committee; and (e) a fee of \$500 per day for attendance in person at all other committee meetings on a day on which no regularly scheduled Board meeting is held in which in-person attendance is required and \$250 per day for attendance by telephone or in person at such meetings where in-person attendance is not required, plus, in each case, expenses incurred in attending such meetings. Compensation to the Independent Board Members is allocated among the Nuveen family of funds based on assets per fund. The Boards do not anticipate any further change in the compensation schedule as a result of the board consolidation.

Currently, for all Nuveen Funds overseen, the continuing Independent Board Members of the Funds receive a \$35,000 annual retainer for serving as a Trustee for all funds affiliated with Nuveen and the Adviser, plus (a) a fee of \$1,000

Edgar Filing: NUVEEN CALIFORNIA SELECT TAX FREE INCOME PORTFOLIO - Form DEF 14A

per day for attendance in person or by telephone at all meetings held on a day on which a regular meeting of the Board is held; (b) a fee of \$1,000 per day for attendance in person or \$500 per day for attendance by telephone at all meetings (other than a meeting of the executive committee) held on a day on which no regular Board meeting is held; and (c) a fee of \$200 per day for attendance in person or by telephone at a meeting of the dividend and valuation committee and a fee of \$100 per day for attendance in person or by telephone at a meeting of the executive committee, plus, in each case, expenses incurred in attending such meetings.

Because the total compensation to the Independent Board Members is allocated among the Nuveen family of funds based on assets per fund, the increase in total assets overseen by the combined board means that Independent Board Member compensation as a percentage of an individual Fund's assets is expected to be lower as a result of the proposal. Moreover, as the size of the combined board declines over the next two years, the total compensation paid by a Fund to Independent Board Members is expected to decrease further to the extent fewer board members will be compensated.

At each Fund's Annual Meeting, twelve (12) Board Members are nominated to be elected to serve until the next Annual Meeting or until their successors shall have been duly elected and qualified.

For each Fund, the affirmative vote of a plurality of the shares present and entitled to vote at the Annual Meeting will be required to elect the Board Members of that Fund.

It is the intention of the persons named in the enclosed proxy to vote the shares represented thereby for the election of the nominees listed below unless the proxy is marked otherwise. Each of the nominees has agreed to serve as a Board Member of each Fund if elected. However, should any nominee become unable or unwilling to accept nomination for election, the proxies will be voted for substitute nominees, if any, designated by that Fund's present Board.

All of the continuing Board Member nominees were last elected to the Board at the 2002 annual meeting of shareholders.

Other than Mr. Schwertfeger, none of the Board Member nominees have ever been a director or an employee of Nuveen Investments, Inc. ("Nuveen") or any affiliate.

THE BOARD UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE ELECTION OF THE NOMINEES NAMED BELOW.

Nuveen's 401(k)/profit sharing plan). Each continuing Board Member's individual beneficial shareholdings of each Fund constitute less than 1% of the outstanding shares of each Fund. As of March 31, 2003, the continuing Board Members and executive officers as a group beneficially owned less than 1% of the outstanding common shares of each Fund. As of May 23, 2003, no shareholder beneficially owned more than 5% of any class of shares of any Fund.

COMPENSATION

The Board Members affiliated with Nuveen or the Adviser serve without any compensation from the Funds. The Independent Board Members are paid an annual retainer and fees and expenses for Board meetings and committee meetings as described above. The annual retainer, fees and expenses are allocated among the funds managed by the Adviser on the basis of relative net asset sizes although Fund management may, in its discretion, establish a minimum amount to be allocated to each Fund. The Boards of certain Nuveen Funds (the "Participating Funds") established a Deferred Compensation Plan for Independent Board Members ("Deferred Compensation Plan"). Under the Deferred Compensation Plan, Independent Board Members of the Participating Funds may defer receipt of all, or a portion, of the compensation they earn for their services to the Participating Funds, in lieu of receiving current payments of such compensation. Any deferred amount is treated as though an equivalent dollar amount had been invested in shares of one or more eligible Nuveen funds. Each Independent Board Member, other than Mr. Brown, has elected to defer at least a portion of their fees. Each of the Funds are Participating Funds under the Deferred Compensation Plan.

Edgar Filing: NUVEEN CALIFORNIA SELECT TAX FREE INCOME PORTFOLIO - Form DEF 14A

The table below shows, for each continuing Board Member who is not affiliated with Nuveen or the Adviser, the aggregate compensation (i) paid by each Fund to each continuing Board Member for its last fiscal year and (ii) paid (including deferred fees) for service on the boards of the Nuveen open-end and closed-end Funds managed by NAC ("NAC Funds") and NIAC ("NIAC Funds") for the calendar year ended 2002. Mr. Schwertfeger, a Board Member who is an interested person of each Fund, does not receive any compensation from a Fund or any Nuveen funds.

#### COMMITTEES

The Board has five standing committees: the executive committee, the audit committee, the nominating and governance committee, the dividend committee and the valuation committee.

William L. Kissick and Timothy R. Schwertfeger currently serve as members of the executive committee of the Board of each Fund. The executive committee, which meets between regular meetings of the Board, is authorized to exercise all of the powers of the Board; provided that the scope of the powers of the executive committee, unless otherwise specifically authorized by the full Board, are limited to: (i) emergency matters where assembly of the full Board is impracticable (in which case management will take all reasonable steps to quickly notify each individual Board Member of the actions taken by the executive committee) or (ii) matters of an administrative or ministerial nature. The executive committee of each Fund held no meetings during their last fiscal year.

Timothy R. Schwertfeger, William E. Bennett and Thomas E. Leafstrand are current members of the dividend committee. The dividend committee is authorized to declare distributions on the Funds' shares including, but not limited to, regular and special dividends, capital gains and ordinary income distributions. The dividend committee of each Fund held four meetings during its last fiscal year.

James E. Bacon, William E. Bennett and Thomas E. Leafstrand are current members of the valuation committee for each Fund. The valuation committee oversees the Fund's Pricing Procedures including, but not limited to, the review and approval of fair value pricing determinations made by Nuveen's Valuation Group. The valuation committee of each Fund held no meetings during its last fiscal year.

Each Fund's Board has an audit committee composed of Independent Board Members and who are "independent" as that term is defined in Section 303.01(B)(2)(a) and (3) of the New York Stock Exchange's listing standards. The audit committee monitors the accounting and reporting policies and practices of the Funds, the quality and integrity of the financial statements of the Funds, compliance by the Funds with legal and regulatory requirements and the independence and performance of the external and internal auditors. The audit committee reviews the work and any recommendations of the Fund's independent auditors. Based on such review, it is authorized to make recommendations to the Board. A copy of the Audit Committee Charter is attached to the proxy statement as Appendix A. The audit committee of each Fund held three meetings during its last fiscal year.

Nomination of those Board Members who are not "interested persons" of each Fund is committed to a nominating and governance committee composed of all Board Members who are not "interested persons" of that Fund. It identifies and recommends individuals to be nominated for election as non-interested Board Members. The committee also reviews matters relating to (1) the composition, duties, recruitment, independence and tenure of Board Members, (2) the selection

Edgar Filing: NUVEEN CALIFORNIA SELECT TAX FREE INCOME PORTFOLIO - Form DEF 14A

and review of committee assignments, and (3) Board Member education, board meetings and board performance. The nominating and governance committee of each Fund held three meetings during its last fiscal year. In the event of a vacancy on the Board, the nominating and governance committee receives suggestions from various sources as to suitable candidates. Suggestions should be sent in writing to Lorna Ferguson, Vice President for Board Relations, Nuveen Investments, 333 West Wacker Drive, Chicago, IL 60606. The nominating and governance committee sets appropriate standards and requirements for nominations for new Board Members and reserves the right to interview all candidates and to make the final selection regarding the nomination of any new Board Members.

The Board of each Fund held four regular quarterly meetings and two special board meetings during its last fiscal year. During the last fiscal year, each Board Member attended 75% or more of each Fund's Board meetings and the committee meetings (if a member thereof).

AUDIT COMMITTEE REPORT

The Audit Committee of the Board is responsible for assisting the Board in monitoring (1) the quality and integrity of the Fund's financial statements, (2) each Fund's compliance with regulatory requirements, and (3) the independence and performance of the Fund's independent and internal auditors. Among other responsibilities, the Committee reviews, in its oversight capacity, each Fund's annual financial statements with both management and the independent auditors and the Committee meets periodically with the independent and internal auditors to consider their evaluation of the Fund's financial and internal controls. The Committee also recommends to the Board the selection of each Fund's independent auditors. The Committee is currently composed of five Board Members and operates under a written charter adopted and approved by the Board. Each Committee member is independent as defined by New York Stock Exchange.

The Committee, in discharging its duties, has met with and held discussions with management and each Fund's independent and internal auditors. The Committee has reviewed and discussed the audited financial statements with management. Management has represented to the independent auditors that each Fund's financial statements were prepared in accordance with generally accepted accounting principles. The Committee has also discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61 (Communications with Audit Committees). Each Fund's independent auditors provided to the Committee the written disclosure required by Independent Standards Board Standard No. 1 (Independent Discussions with Audit Committees), and the Committee discussed with representatives of the independent auditor their firm's independence. As provided in the Audit Committee Charter, it is not the Committee's responsibility to determine, and the considerations and discussions referenced above do not ensure, that each Fund's financial statements are complete and accurate and presented in accordance with generally accepted accounting principles.

Based on the Committee's review and discussions with management and the independent auditors, the representations of management and the report of the independent auditors to the Committee, the Committee has recommended that the Board include the audited financial statements in each Fund's Annual Report.

The members of the Committee are:

James E. Bacon\*  
William E. Bennett  
Jack B. Evans  
William L. Kissick  
Thomas E. Leafstrand

\* Mr. Bacon is expected to retire from his position as trustee on July 1, 2003.

AUDIT AND RELATED FEES

AUDIT FEES. The aggregate fees billed by Ernst & Young LLP for professional services for the audit of each Fund's financial statements for its most recently completed fiscal year were as follows:

FUND	AUDIT FEES	FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES
Select Portfolio	\$9,605	\$0
Select Portfolio 2	9,831	0
Select Portfolio 3	8,525	0
California Portfolio	6,747	0
New York Portfolio	6,106	0

ALL NON-AUDIT FEES. The Audit Committee has generally considered whether the receipt of non-audit fees by Ernst & Young LLP from the Fund is compatible with maintaining Ernst & Young LLP's independence.

2. PROPOSED CHANGES TO EACH FUND'S FUNDAMENTAL INVESTMENT POLICIES

The Board has proposed amending each Fund's fundamental investment policies relating to borrowing and lending in connection with the implementation of a proposed interfund lending program.

Each Fund's current fundamental investment policy regarding borrowing states:

The Fund may not borrow money, except from banks for temporary or emergency purposes or for repurchase of its shares, and then only in an amount not exceeding one-third of the value of the [Fund's] total assets including the amount borrowed. While any such borrowings exceed 5% of the [Fund's] total assets, no additional purchases of investment securities will be made.

Each Fund's current fundamental policy regarding lending states:

The Fund may not make loans, other than by entering into repurchase agreements and through the purchase of Municipal Obligations or temporary investments in accordance with its investment objective, policies and limitations.

The Board recommends that shareholders vote to replace these policies with the following fundamental investment policy governing borrowing and the following fundamental investment policy regarding lending:

The Fund may not borrow money, except as permitted by the Investment Company Act of 1940 and exemptive orders granted under the 1940 Act.

The Fund may not make loans except as permitted by the Investment Company Act of 1940 and exemptive orders granted under the 1940 Act.

In connection with disaster recovery planning and to provide liquidity in the event that open-end funds in the Nuveen family of funds encounter higher than normal redemption requests that may follow a national disaster such as the events of September 11, 2001, the Boards of the Nuveen Funds have determined

that an interfund lending program would allow the Nuveen Funds, including the Funds, to lend and borrow cash for temporary purposes directly to and from each other. The proposed new fundamental investment policies will enable each Fund to participate in this interfund lending program.

Because an interfund lending program raises issues under various sections of the 1940 Act, in order to implement the proposal, all Nuveen Funds, including the Funds, will file an application for exemption from certain provisions of the 1940 Act with the Securities and Exchange Commission ("SEC"). The application to the SEC for exemptive relief will not limit interfund lending under the program to emergency situations and the relief, if and when granted, would allow the Adviser to set up a more regular program if it and the Board of a Fund determines that a more regular program would be in the best interests of a fund. Implementation of the interfund lending program is contingent upon the SEC granting the exemptive relief.

12

Nuveen's open-end funds are far more likely to experience large net cash outflows during an emergency situation than the closed-end funds, therefore the open-end funds will likely be the only funds that would borrow extensively under the program. However, because the closed-end funds might be able to lend money at attractive rates under the program, it is proposed that all current and future Nuveen Funds, both open-end and closed-end, may participate in the program. Because the interest earned by the lending fund on such loans is taxable, Nuveen anticipates that funds that invest primarily in municipal securities would only participate in the program as lenders if the Adviser believes that it would be in the best interests of the shareholders of such funds. Funds that invest primarily in securities other than municipal securities may also utilize the program in non-emergency situations.

Currently, the Nuveen open-end funds can borrow from banks for temporary purposes and can lend to banks or other entities in the form of repurchase agreements or investment in other short-term instruments. The proposed program would reduce the open-end funds' borrowing costs and enhance their ability to earn higher rates of interest on investment of their short-term cash balances. The open-end funds would still be free to establish committed lines of credit or other borrowing arrangements with banks.

It is currently anticipated that the interest rate that will be charged to the funds on any interfund loan ("Interfund Loan Rate") would be the average of the "Repo Rate"(1) and the "Bank Loan Rate."(2) The program would be administered by employees of the Adviser, including representatives of the Funds' Administration and Financial Analysis, Product Management, Portfolio Operations and Trading and/or representatives of the Portfolio Management and Research Department who are not portfolio managers ("Interfund Lending Team"). Under the proposed program, in an emergency situation, a meeting of the Interfund Lending Team would be called and the Team would collect data on the uninvested cash and borrowing requirements of the funds. Once it determines the aggregate amount of cash available for loans and borrowing demand, the Interfund Lending Team would allocate loans among borrowing funds with input from portfolio managers.

The Interfund Lending Team would allocate borrowing demand and cash available for lending among the funds on what the Interfund Lending Team believes to be an equitable basis, subject to certain administrative procedures applicable to all funds, such as the time of filing requests to participate, minimum loan lot

sizes, and the need to minimize the number of transactions and associated administrative costs. To reduce transaction costs, each loan normally would be allocated in a manner intended to minimize the number of funds necessary to complete the loan transaction. The method of allocation and related administrative procedures would be approved by the Board, including a majority of the Independent Board Members, to ensure both borrowing and lending funds participate on an equitable basis.

The Adviser would (i) monitor the interest rates charged and other terms and conditions of the Interfund Loans, (ii) ensure compliance with each fund's investment policies and limitations, (iii) ensure equitable treatment of each fund, and (iv) make quarterly reports to the Board concerning any transactions by the funds under the program and the Interfund Loan Rates. Nuveen would administer the credit facility as part of its duties under its existing advisory contract with each fund and would receive no additional fee as compensation for its services. The actual terms of any Interfund Loan Program in which the Funds may participate may change from time to time from the description presented here both as a result of a regulatory action in connection with the granting of the appropriate regulatory approvals, or as approved by a Board of a Fund.

Although, under the proposed new investment policies, each Fund may borrow and lend to the full extent permitted by the 1940 Act, currently each Fund only intends to change its current practices with respect to borrowing and lending solely to the extent it participates in the proposed interfund lending program. However, under the proposed new investment policies, each Fund reserves the right in the future to engage in borrowing and lending to the full extent permitted by the 1940 Act.

#### VOTES REQUIRED

Approval of the proposed changes to a Fund's fundamental investment policies requires the affirmative vote of a "majority of the outstanding voting securities" of the Fund. The term "majority of the outstanding voting securities" as defined in the 1940 Act means the affirmative vote of the lesser of (1) 67% of the voting securities of the Fund present at the meeting if more than 50% of the outstanding shares of the Fund are present in person or by proxy or (2) more than 50% of the outstanding shares of the Fund. Shareholders of each Fund will vote separately on the proposed changes to each fundamental investment policy.

THE BOARD UNANIMOUSLY RECOMMENDS THAT SHAREHOLDERS VOTE FOR THE PROPOSED CHANGES TO EACH FUND'S FUNDAMENTAL INVESTMENT POLICIES.

-----

- (1) The "Repo Rate" for any day would be the highest rate available to the funds from investing in overnight repurchase agreements with a highly reputable counterparty.
- (2) The "Bank Loan Rate" for any day would be calculated by Nuveen each day an interfund loan is made according to a formula established by the Board designed to approximate the lowest interest rate at which bank short-term loans would be available to the funds. The formula would be based upon a publicly available rate (e.g., Federal Funds plus 25 basis points) and would vary with this rate so as to reflect changing bank loan rates. The Board periodically would review the continuing appropriateness of using the publicly available rate, as well as the relationship between the Bank Loan Rate and current bank loan rates that would be available to the funds. The

initial formula and any subsequent modifications to the formula would be subject to the approval of the Board.

13

#### APPOINTMENT OF INDEPENDENT AUDITORS

Each Board has appointed Ernst & Young LLP, independent public accountants, as independent auditors to audit the books and records of each Fund for its fiscal year. A representative of Ernst & Young LLP will be present at the meeting to make a statement, if such representative so desires, and to respond to shareholders' questions. Ernst & Young LLP has informed each Fund that it has no direct or indirect material financial interest in the Fund, Nuveen, the Adviser or any other investment company sponsored by Nuveen.

#### SECTION 16(A) BENEFICIAL INTEREST REPORTING COMPLIANCE

Section 30(h) of the Investment Company Act of 1940, as amended (the "1940 Act") and Section 16(a) of the Securities Exchange Act of 1934, as amended (the "1934 Act"), require Board Members and officers, the investment adviser, affiliated persons of the investment adviser and persons who own more than 10% of a registered class of the Funds' equity securities to file forms reporting their affiliation with that Fund and reports of ownership and changes in ownership of that Fund's shares with the Securities and Exchange Commission (the "SEC") and the New York Stock Exchange. These persons and entities are required by SEC regulation to furnish the Funds with copies of all Section 16(a) forms they file. Based on a review of these forms furnished to each Fund, each Fund believes that the Fund's Board Members and officers, investment adviser and affiliated persons of the investment adviser have complied with all applicable Section 16(a) filing requirements during its last fiscal year. To the knowledge of management of the Funds, no shareholder of a Fund owns more than 10% of a registered class of a Fund's equity securities.

#### INFORMATION ABOUT THE ADVISER

The Adviser, located at 333 West Wacker Drive, Chicago, Illinois, serves as investment adviser and manager for each Fund. The Adviser is a wholly owned subsidiary of Nuveen Investments, Inc., 333 West Wacker Drive, Chicago, Illinois 60606. Nuveen Investments, Inc., is approximately 79% owned by The St. Paul Companies, Inc. ("St. Paul"). St. Paul is located at 385 Washington Street, St. Paul, Minnesota 55102, and is principally engaged in providing property-liability insurance through subsidiaries.

#### SHAREHOLDER PROPOSALS

To be considered for presentation at the Annual Meeting of shareholders of any of the Funds to be held in 2004, a shareholder proposal submitted pursuant to Rule 14a-8 of the 1934 Act must be received at the offices of that Fund, 333 West Wacker Drive, Chicago, Illinois 60606, not later than February 17, 2004. A shareholder wishing to provide notice in the manner prescribed by Rule 14a-4(c) (1) of a proposal submitted outside of the process of Rule 14a-8 must submit such written notice to the Fund not later than May 2, 2004. Timely submission of a proposal does not mean that such proposal will be included.

#### EXPENSES OF PROXY SOLICITATION

The cost of preparing, printing and mailing the enclosed proxy, accompanying

## Edgar Filing: NUVEEN CALIFORNIA SELECT TAX FREE INCOME PORTFOLIO - Form DEF 14A

notice and proxy statement will be paid by the Funds. All other costs in connection with the solicitation of proxies, will be paid by the Funds pro rata based on the number of shareholder accounts. Additional solicitation may be made by letter, telephone or telegraph by officers or employees of Nuveen or the Adviser, or by dealers and their representatives. The Funds have engaged D.F. King & Co., Inc., to assist in the solicitation of proxies at an estimated cost of \$2,500 per fund, plus reasonable expenses.

### FISCAL YEAR

The last fiscal year end for each Fund was March 31, 2003.

### ANNUAL REPORT DELIVERY

Annual reports were sent to shareholders of record of each Fund following each Fund's fiscal year end. Each Fund will furnish, without charge, a copy of its annual report and/or semi-annual report as available upon request. Such written or oral requests should be directed to such Fund at 333 West Wacker Drive, Chicago, Illinois 60606 or by calling 1-800-257-8787.

Please note that only one annual report or proxy statement may be delivered to two or more shareholders of a Fund who share an address, unless the Fund has received instructions to the contrary. To request a separate copy of an annual report or proxy statement, or, for instructions as to how to request a separate copy of such documents or as to how to request a single copy if multiple copies of such documents are received, shareholders should contact the applicable Fund at the address and phone number set forth above.

14

### GENERAL

Management does not intend to present and does not have reason to believe that any other items of business will be presented at any Annual Meeting. However, if other matters are properly presented to the Annual Meeting for a vote, the proxies will be voted by the persons acting under the proxies upon such matters in accordance with their judgment of the best interests of the Fund.

A list of shareholders entitled to be present and to vote at each Annual Meeting will be available at the offices of the Funds, 333 West Wacker Drive, Chicago, Illinois, for inspection by any shareholder during regular business hours beginning ten days prior to the date of that Annual Meeting.

Failure of a quorum to be present at any Annual Meeting will necessitate adjournment and will subject that Fund to additional expense. The persons named in the enclosed proxy may also move for an adjournment of any Annual Meeting to permit further solicitation of proxies with respect to any of the proposals if they determine that adjournment and further solicitation is reasonable and in the best interests of the shareholders. Under each Fund's By-Laws, an adjournment of a meeting requires the affirmative vote of a majority of the shares present in person or represented by proxy at the meeting.

IF YOU CANNOT BE PRESENT AT THE MEETING, YOU ARE REQUESTED TO FILL IN, SIGN AND RETURN THE ENCLOSED PROXY PROMPTLY. NO POSTAGE IS REQUIRED IF MAILED IN THE UNITED STATES.

STATEMENT OF POLICY

The Audit Committee shall assist the Board in monitoring (1) the accounting and reporting policies and practices of the Management Investment Companies (hereafter referred to as "Funds" or individually "Fund"), (2) the quality and integrity of the financial statements of the Funds, (3) the Funds' compliance with legal and regulatory requirements and (4) the independent auditors' qualifications and independence, and the performance of the internal audit function and independent auditors. In doing so, the Audit Committee shall seek to maintain free and open means of communication among the Directors/Trustees, the independent auditors, the internal auditors and the management of Nuveen. The Audit Committee shall meet periodically with Nuveen management, the Funds' internal auditor, and the Funds' independent auditors, in separate executive sessions.

#### RESPONSIBILITIES

Fund management has the primary responsibility to establish and maintain systems for accounting, reporting and internal control.

The independent auditors have the primary responsibility to plan and implement an audit, with proper consideration given to the accounting, reporting and internal controls. The independent auditors are ultimately accountable to the Board and Audit Committee. It is the ultimate responsibility of the Audit Committee to select, retain, evaluate and replace the independent auditors and to determine their compensation, subject to ratification of the Board, if required.

Chairman's judgment.

The Chairman of the Audit Committee shall be authorized to give pre-approvals of such non-audit services on behalf of the Audit Committee.
