First Financing Transaction

On October 31, 2007, as part of a debt financing transaction (the "First Financing Transaction"), the Issuer entered into a securities purchase agreement (the "First SPA") pursuant to which it agreed to sell senior secured notes in the aggregate principal amount of \$26,000,000 (the "Notes") and issue an aggregate of 124,800,000 shares of the Issuer's Common Stock to various investors (the "Buyers"). On October 31, 2007, the Company, as one of the Buyers, purchased a note in the principal amount of \$11,000,000 and received 52,800,000 shares of the Issuer's common stock.

The Notes bear interest, payable quarterly in arrears, at the rate of 3% in the first year, 10% in the second year and 15% in the third year. The Notes are prepayable at any time and become fully due and payable on October 31, 2010. Additionally, the Issuer agreed that, from October 31, 2007 until the date that no Notes remain outstanding, before the Issuer enters into any debt or equity financing or issues any debt or equity securities, subject to certain exceptions, it must give the Investors the option to purchase up to an aggregate of 25% of the total amount of securities to be issued in such transaction on a pro rata basis.

Pursuant to the First SPA, from the Debt Financing Closing Date until the date that no Notes remain outstanding, the Company shall have the right to appoint one (1) person to attend and observe the Board meetings of the Issuer in a non-voting capacity. Such observation rights shall not be transferable to any third party or assignee. In addition, pursuant to the First SPA, in the event that any Buyer's Note is outstanding on the first (1st) anniversary of the Debt Financing Closing Date, the Issuer shall pay such Buyer a transaction fee in an amount equal to two percent (2%) of the purchase price of such outstanding Note.

As part of the First Financing Transaction, the Company and the Issuer also entered into (i) a Registration Rights Agreement obligating the Issuer to file a registration statement covering all the shares sold within 80 days of the closing date; (ii) a Pledge Agreement under which the Issuer granted a first

priority security interest in all of the capital stock and other equity interests in it and IT&E to the Company, for the benefit of itself and the Buyers, as security for the Issuer's performance of its obligations under the Notes; (iii) a Security Agreement, pursuant to which the Issuer and IT&E granted to the Company, for the benefit of itself and the Buyers, a security interest in and lien upon all of the assets of both entities as security for the Issuer's performance of its obligations under the Notes; and (iv) a Guaranty, pursuant to which Averion Inc. and IT&E (the Guarantors), jointly and severally, agreed to guarantee the full and prompt payment and performance to the Buyers when due, upon demand, at maturity or by reason of acceleration or otherwise, of any and all of their, or the Guarantors, obligations, under the First Financing Transaction agreements.

Subsequently, on November 5, 2007, the Issuer entered into amendments to the First SPA, the Registration Rights Agreement, and the Security Agreement to substitute two additional Buyers for the anticipated second closing, who became parties to the First Financing Transaction agreements.

On March 27, 2008, the Issuer and the requisite majority of Buyers agreed to terminate the Registration Rights Agreement and the rights of all Buyers thereunder.

Second Financing Transaction

In addition, on June 27, 2008, as part of a debt financing transaction (the Second Financing Transaction), the Issuer entered into a securities purchase agreement (the Second SPA) pursuant to which it agreed to sell senior secured notes in the aggregate principal amount of \$2,000,000 (the New Notes) and issue an aggregate of 9,600,000 shares of the Issuer's Common Stock to two investors (the Buyers). On June 27, 2008, the Company, as one of the Buyers, purchased a New Note in the principal amount of \$1,000,000 and received 4,800,000 shares of the Issuer's common stock.

The New Notes bear interest, payable quarterly in arrears, at the rate of 3% through October 31, 2008, 10% through October 31, 2009 and 15% through October 31, 2010. The New Notes are prepayable at any time and become fully due and payable on October 31, 2010. The New Notes are senior in right of payment to all other indebtedness of the Issuer except that they are pari passu to the senior secured Notes issued by the Issuer in October and November 2007 in the aggregate principal amount of \$26,000,000.

As part of the Second Financing Transaction, the buyers in the First Financing Transaction, as amended, (the Prior Buyers) and the Issuer entered into an Amendment No. 2 to the First SPA, pursuant to which (i) the Prior Buyers agreed to waive any right to participate in the Second Financing Transaction; and (ii) the First SPA was amended as follows: (a) the definitions of Permitted Liens and Indebtedness were modified to include those created or incurred by the Second SPA; (b) the definition of Affiliate Transactions was amended to allow for the transactions contemplated by the Second SPA; and (c) the definition of Subsidiary was revised to mean any person of which fifty percent (50%) or more of the outstanding voting securities or other equity interests are owned, directly or indirectly, by such person; provided, however that the change in definition of Subsidiary is not intended to, and does not, in any way effect the representations or warranties set forth in Section 3 of the First SPA which were made as of the date of the First SPA and the closing date of the First SPA.

Also, as part of the Second Financing Transaction, the Prior Buyers entered into an amendment to the Security Agreement dated October 31, 2007 to (i) include the New Notes, as well as the earlier Notes, as being covered by the Security Agreement; and (ii) to reflect that the security interest and lien that was granted by the Issuer as security for its performance of its obligations under the New Notes and the Notes now includes a security interest in and lien upon all of Hesperion US's assets as well as the assets of the Issuer, and no longer includes a security interest in and lien upon the assets of the Issuer's former subsidiaries, which are now owned directly by the Issuer. The Guaranty was also amended, to (i) include the New Notes, as well as the earlier Notes, as being covered by the Guaranty; and (ii) to reflect that the

guarantor under the Guaranty was now Hesperion US and no longer the Issuer's former subsidiaries, which have each been dissolved.

Other than the Securities Purchase Agreement dated October 31, 2007 and related agreements and the Securities Purchase Agreement dated June 27, 2008 and related agreements, there are no contracts, arrangements, understandings or relationships among the persons named in Item 2 and between such persons and any person with respect to any securities of the Issuer.
