**Exercise Your Right To Vote!**

All Synovus shareholders recently received, by mail, notice of a Special Meeting of Shareholders to be held on December 17, 2008. If you are a Synovus shareholder, your participation in this Special Meeting is very important. You are being asked to approve two amendments:

A. An amendment to our Articles of Incorporation to authorize the issuance of preferred stock; and

B. An amendment to our Bylaws to authorize the Board of Directors to fix the size of the Board of Directors. These two important amendments are required to enable Synovus to participate in the Capital Purchase Program, which is part of the Troubled Asset Relief Program designed to encourage U.S. financial institutions to build capital and increase flow of financing to U.S. businesses and consumers. Our application to participate in the Capital Purchase Program has been preliminarily approved by the U.S. Treasury. However, our participation remains subject to shareholder approval of the above proposed amendments.

The approval of these amendments requires affirmative vote of shares representing at least 66 2/3% of the votes entitled to be cast by shareholders. No matter your level of ownership in our company, or whether or not you plan to attend this meeting in person, it is very important that your shares be voted. To make sure your shares are represented, vote promptly using the voting materials mailed to you.

**Three ways you can vote:**

By mail Complete and mail your proxy card in the postage-paid envelope provided with your proxy.

By Internet Go to <http://www.proxyvoting.com/snv> and follow the easy instructions. You will need your proxy card in hand when you access the web site.
