ANNUAL MEETING OF SHAREHOLDERS
AUGUST 6, 2002

SOLICITATION OF PROXIES

The accompanying proxy is solicited by the Board of Directors of Monro Muffler Brake, Inc., a New York corporation (the "Company" or "Monro"), for use at the Annual Meeting of Shareholders (the "Annual Meeting") to be held at The Hutchison House, 930 East Avenue, Rochester, New York 14607, on Tuesday, August 6, 2002, commencing at 10 a.m., or at any adjournment or postponement thereof.

A shareholder who executes a proxy may revoke it at any time before it is voted. Attendance at the meeting shall not have the effect of revoking a proxy unless the shareholder so attending shall, in writing, so notify the secretary of the meeting at any time prior to the voting of the proxy. A proxy which is properly signed and not revoked will be voted for the nominees for election as directors listed herein, for the ratification of the amendment to the Monro Muffler Brake, Inc. Non-Employee Directors' Stock Option Plan, for the ratification of the adoption of the Monro Muffler Brake, Inc. Management Incentive Compensation Plan and for the ratification of the proposal regarding reevaluating the selection of independent public accountants as proposed herein, unless contrary instructions are given, and such proxy may be voted by the persons named in the proxy in their discretion upon such other business as may be properly brought before the meeting.

The cost of soliciting proxies will be borne by the Company. In addition to solicitation by mail, directors, officers and employees of the Company may solicit proxies by telephone or otherwise. The Company will reimburse brokers or other persons holding shares in their names or in the names of their nominees for their charges and expenses in forwarding proxies and proxy material to the beneficial owners of such shares. It is anticipated that the mailing of this Proxy Statement will commence on or about July 5, 2002.

VOTING SECURITIES

Only shareholders of record at the close of business on Tuesday, June 18, 2002, the record date, will be entitled to vote. At May 31, 2002, the Company had outstanding 8,315,823 shares of common stock, par value \$.01 per share ("Common Stock"). Each share of Common Stock is entitled to one vote on each matter as may properly be brought before the meeting.

The voting rights of holders of Common Stock are subject to the voting rights of the holders of 65,000 shares outstanding of the Company's Class C Convertible

1

Preferred Stock, par value \$1.50 per share ("Class C Preferred Stock"). The vote of the holders of at least 60% of the shares of Class C Preferred Stock at the time outstanding, voting as a separate class, or, alternatively, the written consent of the holders of all outstanding shares of Class C Preferred Stock, is needed to effect or validate any action approved by a vote of the holders of shares of Common Stock. Therefore, such preferred shareholders have an effective veto over all matters put to a vote of common shareholders, and such veto power could be used, among other things, to block the election of directors, the amendment of the Non-Employee Directors' Stock Option Plan, the adoption of the Management Incentive Compensation Plan, the proposal regarding selection of independent public accountants, or any other transaction that the holders of Common Stock might otherwise approve at the Annual Meeting. It is expected that the holders of Class C Preferred Stock will approve, by unanimous written consent, all matters currently proposed to be put to a vote of common shareholders at the Annual Meeting.

With regard to the election of directors, votes may be cast in favor of or withheld from each nominee. Director nominees must receive a plurality of the votes cast at the meeting to be elected. Votes that are withheld from any nominee are counted as present for purposes of determining the existence of a quorum but are not deemed cast at the meeting and, thus, have no effect on the determination of a plurality. Abstentions may be specified on proposals other than the election of directors, which proposals require a majority of the votes cast at the meeting for approval. Abstentions will be counted as present for purposes of determining the existence of a quorum but are not deemed cast at the meeting and, thus, have no effect on the determination of a majority. With respect to shares of Common Stock held in street name, where no vote is indicated on a matter because the nominee or broker lacks authority to vote such shares without specific instructions from the beneficial owner, and the nominee or broker has received no such instructions (a "broker non-vote"), such shares are not counted as present for the purpose of determining the existence of a quorum and are not counted as votes cast with respect to any such matter.

ELECTION OF DIRECTORS

The Board of Directors of the Company is divided into two classes having terms which expire at the Annual Meeting (Class 1) and at the 2003 annual meeting of shareholders (Class 2). The four Class 1 directors are proposed for re-election at the Annual Meeting. In addition, one new Class 2 director is proposed for election at the Annual Meeting. In fiscal 2002, the Company initially had 10 directors. In March 2002, directors Charles J. August, Jack M. Gallagher and Burton S. August resigned, effective May 13, 2002, May 13, 2002 and August 6, 2002, respectively. Also in May 2002, the Board of Directors appointed Francis R. Strawbridge to the Board as a Class 2 director. As of August 6, 2002, the Board of Directors is fixed at eight members, equally divided between Class 1 and Class 2.

2

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors (the "Committee") is composed of four non-employee directors and operates under a written charter adopted by the Board of Directors.

Management is responsible for the Company's internal controls and the financial reporting process. The external auditors are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and to issue a report thereon. The Committee's responsibility is to monitor and oversee these processes.

In this context, the Committee has met and held discussions with management and the external auditors. Management represented to the Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles, and the Committee has reviewed and discussed the consolidated financial statements with management and the external auditors. The Committee discussed with the external auditors matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees).

The Company's external auditors also provided to the Committee the written disclosures required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Committee discussed with the external auditors that firm's independence.

Based on the Committee's discussion with management and the external auditors and the Committee's review of the representation of management and the report of the external auditors to the Committee, the Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended March 30, 2002, for filing with the Securities and Exchange Commission. The Committee and the Board also have approved, subject to shareholder ratification, the decision to reevaluate the selection of the Company's external auditors for fiscal 2003.

- (1) These values are calculated by comparing the exercise price of such options to the market value of the shares of Common Stock subject to such options, assuming that the market price of such shares increases by 5% and 10%, respectively, during each year of the options' term. Actual gains, if any, on the stock option exercises are dependent on the future performance of the Common Stock and overall stock conditions, as well as the option holder's continued employment through the vesting period. The value stated may not necessarily be achieved.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is responsible for setting the Chief Executive Officer's compensation and making annual recommendations for the compensation of the other executive officers to the full Board of Directors after considering recommendations made by the Chief Executive Officer.

Executive compensation is a mix of salary, annual bonus awarded under the executive bonus plan, Company contributions to the profit sharing plan and pension plan, long-term compensation in the form of stock options and other benefits generally available to all employees. The Company relies to a large degree on bonus, stock options and stock ownership to attract and retain executives of outstanding ability and to motivate them to work to their fullest potential. Under the executive bonus plan, the Compensation Committee seeks to enhance the profitability of the Company by aligning closely the financial interest of the Company's executives with those of its shareholders through the payment of bonuses based on attainment of profit targets. In setting base salaries, the Company refers to the National Executive Compensation Survey published by The Management Association of Illinois.

The Chief Executive Officer's fiscal 2002 compensation consisted of a base salary of \$420,000 in accordance with his employment agreement (see also "Employment Agreements and Change-in-Control Arrangements"), a bonus of \$258,552, and other benefits extended to all full-time employees. Mr. Gross's bonus, which may reach a maximum of 200% of his base salary, is based on the Company's attainment of specific profit targets for fiscal 2002 and 2001. Mr. Gross did not receive a bonus for fiscal 2000 because the Company did not attain the minimum required percentage of targeted profit performance set by the

Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

Compensation Committee. The Chief Executive Officer does not participate in the Compensation Committee's determination of his compensation.

In fiscal 2002, Mr. Gross also received compensation totaling \$726,600 related to the vesting of 100,000 performance-based stock options awarded to Mr. Gross upon his joining the Company in December 1998. The purpose of the options was to link the Executive's rewards with shareholder value over time. The options vested during the

11

first quarter of fiscal 2002 when the Company's stock traded at \$13.00 or above for 20 consecutive trading days.

The salaries of other executive officers are set at amounts the Company believes to be comparable to those paid to executives holding similar positions at other automotive service companies of comparable size. Bonuses are paid based on attainment of profit targets, which were achieved in fiscal 2002 and 2001. Executive officers did not receive profit-based bonuses for fiscal 2000 because the Company did not attain the minimum required percentage of targeted profit performance.

All employees, including executive officers, may receive stock options from time to time under the Company's stock option plans. Stock option grants are recommended by the Compensation Committee of the Board of Directors, a committee composed entirely of non-management directors. In fiscal 2002, stock option grants were recommended by the Stock Option Committee of the Board of Directors, a committee, dissolved in June 2002, that was composed primarily of non-management directors. The stock option grant size is based upon the individual's overall compensation package, job performance, future potential, awards made to executives at comparable companies and other factors. Under the stock option plans, 469,763 shares were available for grants to employees at March 30, 2002. During fiscal 2002, the Stock Option Committee granted 114,150 options, including 6,500 to Robert W. August, Senior Vice President - Store Support and Secretary; 16,000 to Catherine D'Amico, Senior Vice President - Finance and Chief Financial Officer; 5,000 to Thomas J. Budreau, Divisional Vice President - Eastern Operations; and 5,000 to Christopher R. Hoornbeck, Divisional Vice President - Western Operations.

Options exercisable for an aggregate of 21,273 shares were also granted to seven non-employee directors of the Company under the terms of the Non-Employee Directors' Stock Option Plan approved by shareholders in August 1995 and amended in fiscal 1998 and 2000 and, subject to shareholder approval, amended in fiscal 2003.

The executive officers participate in the Company's qualified, profit sharing/401(k) and pension plans on the same basis as all other employees. The Company offers health care, life insurance, disability insurance and other benefits to the executive officers on substantially the same terms as available to all employees of the Company. The executive officers are also eligible to participate in a non-qualified Deferred Compensation Plan to provide an opportunity for additional tax-deferred savings. In addition, it allows the Company to credit to participant accounts such amounts as would have been contributed to the profit sharing/401(k) plan but for the limitations that are imposed under the Internal Revenue Code of 1986, as amended, based upon the participants' status as highly compensated employees. (See additional discussion under "Deferred Compensation Plan"). The amount of perquisites received by any executive officer in fiscal 2002 did not exceed \$50,000 or ten percent of his or her cash compensation.

The federal income tax laws impose limitations on the deductibility of

Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

compensation in excess of \$1 million paid to executive officers in certain circumstances. The Compensation Committee intends that all compensation paid to executive officers in fiscal 2002 will be deductible by the Company under such tax laws. For federal income tax purposes, the Company is generally entitled to a compensation deduction at the time an officer or employee exercises a stock option in an amount equal to the excess of the value of the shares received upon such exercise and the exercise price of

12

the option. Since the amount of the compensation deduction is based on the number of the options exercised and the spread between the value of the Company's stock and the exercise price on the exercise date, the amount of any such deduction cannot be determined in advance. Accordingly, if certain executive officers exercise options during fiscal 2003 and the value of the Company's stock significantly exceeds the exercise price of the options, it is possible that the Company would not be entitled to deduct a portion of the compensation attributable to such exercise.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The members of the Compensation Committee are Frederick M. Danziger, Lionel B. Spiro, Francis R. Strawbridge and W. Gary Wood. In fiscal 2002, the members of this Committee were Donald Glickman, Robert G. Gross, Peter J. Solomon and Lionel B. Spiro.

In December 1998, the Company loaned \$523,000 to Robert G. Gross, its President and Chief Executive Officer, to purchase 75,000 shares of the Company's common stock at the then fair market value. This loan, which bears an interest rate of 5.5% per annum, matures on December 1, 2003, and requires five equal annual installments of principal beginning on the first anniversary of the loan. If the Executive is employed with the Company when a principal payment is due, that installment will be forgiven by the Company. Accordingly, approximately \$314,000 has been forgiven to date. All interest is due on the fifth anniversary of the loan, and shall also be forgiven if the Executive is employed with the Company at that time. The loan is secured by the common stock.

The Company has a management agreement, effective July 1, 1991, with Peter J. Solomon Company Limited ("PJSC"), pursuant to which PJSC provides to the Company strategic and financial advice relating to financing, capital structure, mergers and acquisitions and offensive/defensive positioning, for a fee of \$160,000 per year (plus reimbursement of out-of-pocket expenses). Pursuant to such agreement, the Company has agreed to indemnify PJSC against certain liabilities. In addition, PJSC, from time to time, provides additional investment banking services to the Company for customary fees. No additional fees were paid in fiscal 2000, 2001 or 2002. Peter J. Solomon, Chairman of the Board and principal shareholder of the Company, is Chairman of PJSC. Of the fees paid by the Company to PJSC, approximately half were paid to Donald Glickman, a director and principal shareholder of the Company, by PJSC for consulting services.

PENSION PLAN

The Company sponsors a noncontributory retirement plan which is intended to qualify under Section 401(a) of the Internal Revenue Code of 1986, as amended (the "Pension Plan"). As of September 30, 1999, participants ceased to accrue benefits under the Pension Plan and no employees will become plan participants after this date. Compensation and services after this date are not taken into consideration in determining benefits under the Pension Plan. Prior to September 30, 1999, each employee who attained age 21 became a participant on the April 1 or October 1 following the date the employee completed one year of service. Benefit payments generally begin upon retirement at age 65 or age 60 with 20 years of service.

Benefits under the Pension Plan are 100% vested in each participant upon completion of five years of service, attainment of age 65 or the termination of the Pension Plan. Lump sum distributions are available at termination or retirement only for accrued benefits of \$5,000 or less.

The following table shows the estimated annual benefits payable to participants under the Pension Plan upon retirement at age 65. The table does not show the reduction for Social Security benefits (see formula below).

PENSION PLAN TABLE

Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

AVERAGE COMPENSATION (Prior to September 30, 1999)	NUMBER OF YEARS OF SERVICE				
	5	10	15	20	25
\$100,000	\$22,500	\$45,000	\$45,000	\$45,000	\$45,000
80,000	18,000	36,000	36,000	36,000	36,000

For the purpose of determining amounts payable under the Pension Plan for each of the Named Officers, compensation includes the average of ten years (i) base salary (including the amount of any reductions in the executive's otherwise payable compensation attributable to any "cafeteria plan") plus (ii) cash bonuses. For the last three years, the base salaries and bonuses of each Named Officer are shown in the Summary Compensation Table. Compensation does not include stock options ("Long Term Compensation" column) or the Company's contributions to the Profit Sharing Plan ("All Other Compensation" column) shown in the Summary Compensation Table. Compensation is limited to \$100,000 for determining amounts payable under the Pension Plan.

The following are the years of credited service as of September 30, 1999 (rounded to the nearest year) under the Pension Plan for each of the Named Officers: Robert G. Gross - 0 years; Robert W. August - 26 years; Catherine D'Amico - 7 years; Thomas J. Budreau - 5 years; and Christopher R. Hoornbeck - 27 years.

The basic benefit under the Pension Plan is a straight life annuity. Subject to certain limits required by law, benefits are payable monthly in an amount equal to (i) 45% of a participant's average monthly earnings for the highest ten consecutive years prior to September 30, 1999, less (ii) 45% of the monthly primary Social Security benefit payable to the participant at retirement. The amount of the benefit is also reduced for short service participants and participants terminating employment prior to retirement.

15

Due to the fact that the Pension Plan was frozen as of September 30, 1999, the amount of the benefit will be multiplied by a fraction (not greater than one), the numerator of which is the participant's total number of years of service as of September 30, 1999, and the denominator of which is the number of years of service the participant would have accumulated if he had continued his employment until the earlier of (i) age 65 or (ii) the date after age 60 but before age 65 on which the participant had at least 20 years of vesting service under the Pension Plan.

PROFIT SHARING PLAN

The Company sponsors a profit sharing plan with a 401(k) feature (the "Profit Sharing Plan"). The Profit Sharing Plan is intended to qualify under Section 401(a) of the Internal Revenue Code of 1986, as amended ("the Code").

Each employee who has attained age 21 becomes a participant as of the first day of the month following completion of three months of service. Participants may elect to reduce their compensation by up to the lesser of 15% of their annual compensation or the statutorily prescribed annual limit (\$11,000 in 2002) and to have the amount of the reduction contributed to their account in the Profit Sharing Plan. One of the investment options available to participants is the Company's Common Stock.

Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

The Company may make discretionary matching contributions to the matching accounts of those employees who are contributing to the Profit Sharing Plan. The Board approves matching contributions quarterly. A discretionary Company profit sharing contribution may also be made on an annual basis.

DEFERRED COMPENSATION PLAN

The Company has adopted the Monro Muffler Brake, Inc. Deferred Compensation Plan (the "Plan") to provide an opportunity for additional tax-deferred savings to a select group of management or highly compensated employees. The Plan is an unfunded arrangement and the participants or their beneficiaries have an unsecured claim against the general assets of the Company to the extent of their Plan benefits.

The Compensation Committee designates the individuals eligible to participate in the Plan. Currently, only those employees who are "highly compensated employees" as that term is defined under Section 414(q) of the Code, have been designated as eligible to participate in the Plan.

The Plan permits participants to defer all or any portion of the compensation that would otherwise be payable to them for the calendar year. In addition, the Company will credit to the participants' accounts such amounts as would have been contributed to the Monro Muffler Brake, Inc. Profit Sharing Plan but for the limitations that are imposed under the Code based upon the participants' status as highly compensated employees. The Company may also make such additional discretionary allocations as are determined by the Compensation Committee.

No amounts credited under the Plan are funded and the Company maintains accounts to reflect the amounts owed to each participant. At least annually, the accounts are credited with earnings or losses calculated on the basis of an interest rate or other formula as determined by the Compensation Committee.

16

Benefits are payable at a participant's election in a single cash sum or in monthly installments for a period not to exceed 10 years at the date designated by the participant upon his or her initial enrollment in the Plan, but in no event later than the date the participant attains age 65. Payments are made earlier in the event a participant dies or incurs an unanticipated emergency.

CERTAIN TRANSACTIONS

AFFILIATE LEASES

The Company leases 40 stores from the father and uncle of Robert W. August and others or partnerships or trusts in which such persons or members of their families, including Robert W. August, have interests. In fiscal 2002, the Company paid or accrued \$1,643,000 as rent for these stores. Robert W. August is a director of the Company.

The Company has not entered into any affiliate leases, other than renewals or modifications of existing leases, since May 1989, and as a matter of policy, will not do so.

(See also "Compensation Committee Interlocks and Insider Participation").

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934, as amended (the

Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

"Exchange Act"), requires the Company's directors and executive officers, and persons who beneficially own more than ten percent of the Company's Common Stock, to file with the Securities and Exchange Commission (the "SEC") initial reports of ownership and reports of changes in ownership of Common Stock. Officers, directors and greater than ten-percent shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

To the Company's knowledge, based solely on a review of the copies of such reports furnished to the Company and written representations that no other reports were required, during fiscal 2002, all Section 16(a) filing requirements applicable to its officers, directors and greater than ten-percent beneficial owners were complied with, except that Robert W. August, director, Senior Vice President - Store Support and Secretary, reported a sale of 4,000 shares of Common Stock on a Form 4 that was filed late.

PROPOSAL TO RATIFY THE AMENDMENT TO THE NON-EMPLOYEE DIRECTORS' STOCK OPTION PLAN

The Company has a Non-Employee Directors' Stock Option Plan (the "Plan") adopted in 1995, amended in 1997 and twice in 1999, and previously approved by shareholders. The Plan initially provided that options for a maximum of 66,852 shares (as restated to give retroactive effect to stock dividends) of Common Stock, in the aggregate, may be granted.

On May 14, 1997 and May 18, 1999, the Board of Directors of the Company approved increases in the aggregate number of shares of Common Stock authorized for

17

awards of options under the Plan to 135,102 shares and 200,102 shares, respectively (as restated to give retroactive effect to stock dividends). These increases were approved by shareholders in August 1997 and August 1999, respectively. As of March 30, 2002, options covering 170,176 shares of Common Stock, in the aggregate, were outstanding under the Plan, leaving 29,926 shares of Common Stock available for grant of future options.

On August 2, 1999, the Board of Directors of the Company approved an amendment to the Plan to reflect certain changes in the rules promulgated pursuant to Section 16 of the Securities Exchange Act of 1934, as amended. The amendment also clarified the ability of the Stock Option Committee to amend the Plan and that any amendment that would materially increase the aggregate number of shares which may be issued under the Plan, materially increase the benefits accruing to participants under the Plan, or materially modify the requirements as to eligibility for participation in the Plan, shall be subject to the approval of the Company's shareholders.

Under the Plan in its current form, retiring Board members must exercise their options within one year of retirement notwithstanding that the options have a term of ten years measured from the date of grant. In June 2002, the Stock Option Committee approved an amendment to the Plan to permit retiring Board members, age 65 and older, to exercise options until the date of the options' termination. As required by the terms of the Plan, shareholders are asked to approve this amendment to the Plan (as so amended, the "Amended Plan"). Other than this change, the Amended Plan will be identical to the Plan as currently in effect.

PURPOSE OF AMENDED PLAN

The purpose of the Amended Plan is to secure for the Company and its

Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

shareholders the benefits of the incentive inherent in increased Common Stock ownership by members of the Board who are not employees of the Company or any of its subsidiaries ("Non-Employee Directors"). The Amended Plan is designed to provide a means of giving existing and new Non-Employee Directors an increased opportunity to acquire an investment in the Company, thereby maintaining and strengthening their desire to remain with or join the Company's Board of Directors and stimulating their efforts on the Company's behalf. The purpose of the amendment is to help attract and incentivize non-employee directors, and to reward them for remaining on the Company's Board through their retirement.

SUMMARY OF PLAN

The Amended Plan authorizes the Company to grant options ("Options") to purchase Common Stock to Non-Employee Directors. Six directors are currently eligible to receive Options under the Amended Plan.

The Amended Plan is administered by the Compensation Committee of the Board (the "Committee"). The Committee is authorized to construe and interpret the Amended Plan and Options granted thereunder, to establish and amend rules for its administration and to correct any defect or omission or reconcile any inconsistency in the Amended Plan or in any Option to the extent the Committee deems desirable to carry the Amended Plan or any Option into effect.

18

Options granted under the Amended Plan are non-qualified stock options. The exercise price per share of Common Stock under each Option (the "Exercise Price") is the Fair Market Value of a share of Common Stock on the date of grant. The Amended Plan provides for an annual grant of an Option to purchase 3,039 shares of Common Stock (as restated to give retroactive effect to stock dividends) to each Non-Employee Director on the date of the Annual Shareholders Meeting. The Fair Market Value is determined by reference to the closing sale price of the Common Stock as reported on the NASDAQ National Market System. The term of each Option is ten years.

Options granted under the Amended Plan are subject to such terms and conditions and evidenced by agreements in such form as is determined from time to time by the Committee and are in any event subject to the terms and conditions set forth in the Amended Plan. Options granted under the Amended Plan are not transferable, except by will or the laws of descent and distribution or pursuant to a qualified domestic relations order.

Under the Amended Plan, Options may be exercised immediately on the date of grant, provided, however, that no shares of the Company's Common Stock underlying any Option may be sold, assigned, pledged or otherwise transferred for a period of six months after the date of the grant of such Option.

Under the Plan prior to amendment, each Option shall be exercisable only during the holder's term as a director, except that an Option may be exercisable after the death, disability, as defined under Section 22(e)(3) of the Internal Revenue Code of 1986, as amended (the "Code") ("Disability"), or retirement from the Board at the age of 65 or thereafter ("Retirement"), of a holder while a director of the Company until the earlier of (i) the one year anniversary of the termination of the director's term due to death, Disability or Retirement and (ii) the expiration of the Option (ten years after the date of grant). Under the Plan as amended, Options held by a director who retires at age 65 or thereafter would continue to be exercisable until the date of the Option's termination.

Options may be exercised by written notice to the Company accompanied by payment in full of the Exercise Price. Payment of the Exercise Price may be made (i) in cash (including check, bank draft or money order), (ii) by delivery of

Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

Common Stock (valued at the Fair Market Value thereof on the date of exercise), or (iii) by delivery of a combination of cash and Common Stock.

The Company has filed a registration statement under the Securities Act of 1933, as amended (the "Securities Act"), to register the Common Stock issued to Non-Employee Directors under the Amended Plan. Persons who are "affiliates" of the Company (i.e., persons who are deemed to control the Company directly or indirectly) may resell Common Stock acquired under the Amended Plan only by complying with the requirements and limitations of Rule 144 under the Securities Act.

The Amended Plan provides that the Board or the Committee may at any time suspend or terminate the Amended Plan or make such additions or amendments as they deem advisable; provided, that certain of such additions or amendments are made with approval of the Company's shareholders. No Options may be granted under the Amended Plan after August 1, 2004, although Options previously granted under the Amended Plan and outstanding on August 1, 2004 remain outstanding, unless termi-

19

nated, in accordance with the terms of the Amended Plan and the Option agreement under which they were granted.

The Amended Plan provides that in the event of a reorganization, merger, consolidation, recapitalization, stock split-up, stock dividend, combination of shares or other change in the Common Stock, appropriate changes to prevent dilution or enlargement of Options will be made by the Committee in the aggregate number of shares subject to Options to be granted, and in the number of shares and price per share subject to outstanding Options.

The Amended Plan provides that in the event of a merger of the Company with or into another corporation constituting a change of control, a sale of all or substantially all of the Company's assets or a sale of a majority of the Company's outstanding voting securities (a "Sale of the Company"), the Options may be assumed by the successor corporation or substantially equivalent Options substituted by the successor corporation, and if the successor corporation does not assume the Options or substitute Options, then the Options shall terminate if not exercised as of the date of the Sale of the Company or other prescribed period of time. In the event of a liquidation or dissolution of the Company, the Options shall terminate immediately prior to the liquidation or dissolution.

APPROVAL OF AMENDMENT

The amendment to the Plan requires the approval of a majority of the votes cast at the Annual Meeting (in person or by proxy) by the holders of shares entitled to vote thereon.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE THEIR SHARES FOR APPROVAL OF THE AMENDMENT TO THE PLAN AS DESCRIBED ABOVE.

PROPOSAL TO APPROVE THE MANAGEMENT INCENTIVE COMPENSATION PLAN

The success of the Company depends, in large measure, on its ability to recruit and retain key executives with outstanding ability and experience. The Board of Directors also believes there is a need to motivate executives with compensation conditioned upon achievement of the Company's financial goals.

To accomplish these objectives, the Board of Directors has adopted, subject to approval by the shareholders, the Monroe Muffler Brake, Inc.

Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

Management Incentive Compensation Plan (the "Plan"). The Plan is intended to allow for the grant of annual incentive awards to certain executive officers of the Company which meet the requirements of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). Other Executive Officers may continue to receive incentive awards outside the Plan.

MATERIAL TERMS OF THE PLAN

The following summary of the terms of the Plan is qualified in its entirety by reference to the text of the Plan, which is attached as Exhibit A to this proxy statement. If adopted by the shareholders, the Plan will be effective as of June 1, 2002.

20

ADMINISTRATION

The Plan will be administered by the Compensation Committee of the Board of Directors or any other duly established committee or subcommittee appointed by the Board to administer incentive awards under the Plan, consisting solely of two or more outside directors, as defined under Section 162(m) of the Code (the "Committee").

ELIGIBILITY

Only executive officers of the Company who are also insiders of the Company under Section 16 of the Exchange Act ("Executive Officers") are eligible to participate in the Plan. The Committee shall designate Executive Officers to receive incentive awards under the Plan. Presently, five Executive Officers are eligible to participate.

DESCRIPTION OF AWARDS UNDER THE PLAN

Under the Plan, the Committee may award to Executive Officers annual incentive awards. Within 90 days after the beginning of each fiscal year (the "Determination Date"), the Committee shall select the Executive Officers who will participate in the Plan during that year and adopt in writing, with respect to each such Executive Officer, a target ("Target") equal to a desired level for such fiscal year of income before provision for taxes (the "Financial Goal"). The Committee shall also decide on a base amount ("Base Amount"), based upon the Financial Goal, representing a minimum amount which, if not exceeded, would result in no amounts being payable to the Executive Officer, and a base salary percentage, representing the percentage of the Executive Officer's base salary which shall be payable as an incentive award in the event that 100% or more of the Executive Officer's Target is achieved. Finally, the Committee shall determine on each Determination Date for each Executive Officer a mathematical formula or matrix which shall indicate the extent to which incentive awards will be made if the Base Amount is exceeded, including if the Target is attained or exceeded.

As soon as practicable after the close of each fiscal year in which any Executive Officer is participating in the Plan, the Committee shall determine with respect to each Executive Officer whether and the extent to which the applicable Base Amount is exceeded, including the extent to which, if any, the Target was attained or exceeded. Payment of Incentive Awards shall be made in such form and at such time or times as designated by the Committee.

The Committee anticipates that, in FY03, Robert G. Gross, Chief Executive Officer, will be selected as a participant in the Plan. In future years, the Committee may select additional Executive Officers to be participants in the Plan.

TERMINATION OF EMPLOYMENT

In the event a participant shall die or become disabled, the Committee may provide for the partial or full payment of any incentive award for the year of termination and any incentive award from any prior year which has not yet been paid. If a participant shall terminate employment for any other reason, he or she will not be eligible to receive payment for any such award.

21

NONTRANSFERABILITY

Incentive awards are not transferable other than by will or by the laws of descent and distribution.

LIMITATIONS WITH RESPECT TO AWARDS

In no event shall any individual Covered Employee receive an incentive award in excess of \$2,000,000 for any fiscal year.

DEFERRAL OF AWARDS

The Committee may permit or require that a participant defer receipt of payment of cash that would otherwise be due to the participant under an incentive award.

AMENDMENT

The Committee may amend the Plan at any time, although, shareholder approval of such amendment will be obtained if required by applicable law.

DURATION OF THE PLAN

The Plan will remain in effect until terminated by the Board of Directors.

SECTION 162(m) OF THE CODE

Under Section 162(m) of the Code, compensation paid by the Company in excess of \$1 million for any taxable year to Covered Employees generally is deductible by the Company or its affiliates for federal income tax purposes if it is based on the performance of the Company, is paid pursuant to a plan approved by shareholders of the Company, and meets certain other requirements. Generally, "Covered Employee" under Section 162(m) means the chief executive officer and the four other highest paid executive officers of the Company on the last day of the taxable year.

It is presently anticipated that the Committee will at all times consist of "non-employee directors" as required for purposes of Section 162(m), and that the Committee will take the effect of Section 162(m) into consideration in structuring Plan awards.

NEW PLAN BENEFITS

The benefits that will be received under the Plan by particular individuals or groups are not determinable at this time.

APPROVAL OF PLAN

The adoption of the Plan requires the approval of a majority of the votes

Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

cast at the Annual Meeting (in person or by proxy) by the holders of the shares entitled to vote thereon.

THE BOARD OF DIRECTORS RECOMMENDS THAT SHAREHOLDERS VOTE THEIR SHARES FOR APPROVAL OF THE PLAN AS DESCRIBED ABOVE.

APPROVAL OF INDEPENDENT ACCOUNTANTS

Shareholder ratification of the Company's independent public accountants is not required by the Company's Amended and Restated By-laws or otherwise. The Audit Committee and the Board may direct the appointment of different independent accountants at any time during the fiscal year if they determine that such a change would be in the best interests of the Company and its shareholders. However, as good corporate practice, the Board is requesting that

Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

the shareholders approve its proposal to reevaluate the selection of independent public accountants to audit the books and accounts for fiscal 2003. In any case, the Audit Committee and the Board intend to select PricewaterhouseCoopers LLP or one of the other "big four" accounting firms as independent public accountants for fiscal 2003.

PricewaterhouseCoopers LLP has been engaged as the Company's independent accountants since 1984. A representative of PricewaterhouseCoopers LLP will be

23

present at the Annual Meeting to respond to questions and will have an opportunity to make a statement if he or she desires to do so.

Aggregate fees billed to the Company for services rendered by PricewaterhouseCoopers LLP for fiscal 2002 were:

Annual Audit Fees, including quarterly reviews	\$ 62,500

Financial Information Systems Design and Implementation	0
All Other Fees:	
Tax Services	93,600
Actuarial and Benefit Plan Services	50,400
Other Consulting	28,600

Total All Other Fees	172,600

Total Fees	\$235,100
	=====

The Audit Committee has considered whether the non-audit services provided by PricewaterhouseCoopers LLP are compatible with PricewaterhouseCoopers LLP maintaining its independence and has determined that they are compatible.

THE BOARD OF DIRECTORS RECOMMENDS THE SHAREHOLDERS VOTE FOR RATIFICATION OF THE PROPOSAL REGARDING REEVALUATING THE SELECTION OF INDEPENDENT PUBLIC ACCOUNTANTS.

SHAREHOLDER PROPOSALS

Proposals of shareholders that are intended to be presented at the annual meeting to be held in 2003 must be received by the Company by March 7, 2003 in order that they may be considered for inclusion in the proxy statement and form of proxy relating to that meeting. The Company's Certificate of Incorporation provides that shareholders who do not present a proposal for inclusion in the proxy statement, but who still intend to submit the proposal at the 2003 annual meeting, and shareholders who intend to submit nominations for directors at the meeting, are required to deliver or mail the proposal or nomination to the Secretary of the Company, Monro Muffler Brake, Inc., 200 Holleder Parkway, Rochester, New York 14615, so that the Secretary receives the proposal or nomination not less than 120 days nor more than 180 days prior to the meeting, except that if less than 50 days notice or prior public disclosure of the meeting date is given or made to shareholders, the Secretary must receive such proposal or nomination not later than the close of business on the tenth day

Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

following the day on which notice of the meeting was mailed or such public disclosure was made, whichever first occurs. Each proposal or nomination must set forth the information required by the Certificate of Incorporation. If the chairman of the meeting determines that a proposal or nomination was not made in accordance with the required procedures, such proposal or nomination will be disregarded. Additional information and a copy of the Certificate of Incorporation may be obtained by submitting a written request to the Secretary of the Company.

Except as limited by law or by the Certificate of Incorporation or Bylaws of the Company, and subject to the provisions herein, the Committee shall have full power to select Executive Officers who shall participate in the Plan; determine the size and type of Incentive Awards; determine the terms and conditions of Incentive Awards in a manner consistent with the Plan; construe and interpret the Plan and any agreement or instrument entered into under the Plan; establish, amend, or waive rules and regulations for the Plan's administration; and (subject to the provisions of Article 9 herein) amend the terms and conditions of any outstanding Incentive Award as provided in the Plan. Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

ARTICLE 5. INCENTIVE AWARDS

5.1. GRANT OF INCENTIVE AWARDS. Subject to the terms of the Plan, the Committee may designate Executive Officers of the Company to receive Incentive Awards under the Plan.

5.2. DETERMINATION OF TARGET, BASE AMOUNT, AND BASE SALARY PERCENTAGE. Within ninety (90) days of the commencement of the Plan Year (the "Determination Date"), the Committee shall select the Participants for the Plan Year and adopt in writing, with respect to each Participant, each of the following:

(a) a Target which shall be equal to a desired level for such Plan Year of income before provision for taxes (the "Financial Goal"), in each case determined in accordance with generally accepted accounting principles (subject to modifications approved by the Committee) consistently applied for the Company on a consolidated basis; PROVIDED, HOWEVER, that, with respect to Participants who are employees of any of the Company's divisions, the Financial Goals may be based on divisional rather than consolidated results, or a combination of the two;

28

(b) a Base Amount, with respect to each Target, based upon the Financial Goal, representing a minimum amount which, if not exceeded, would result in no amounts being payable to the Participant hereunder; and

(c) a Base Salary Percentage, representing the percentage of the Participant's base salary (as of the Determination Date) which shall be payable as an Incentive Award in the event that 100% or more of the Participant's Target is achieved.

The Committee shall also determine on each Determination Date for each Participant a mathematical formula or matrix which shall indicate the extent to which Incentive Awards will be made if the Base Amount is exceeded, including if the Target is attained or exceeded, and the Committee may also determine on any Determination Date alternative formulas or matrices to account for potential or anticipated significant transactions or events during such Plan Year.

5.3. DETERMINATION OF INCENTIVE AWARDS. As soon as practicable after the close of each Plan Year in which any Participant is participating in the Plan, the Committee shall determine with respect to each Participant whether and the extent to which the applicable Base Amount is exceeded, including the extent to which, if any, the Target was attained or exceeded. Each Participant's Incentive Award, if any, for such Plan Year shall be determined in accordance with the mathematical formula or matrix determined pursuant to Section 5.2, as reduced in the sole discretion of the Committee, and subject to the limitations set forth in Section 5.7 hereof. The Committee shall certify in writing to the Board of Directors the amounts of such Incentive Awards and whether each material term of the Plan relating to such Incentive Awards has been satisfied. In no event may a Participant's bonus be increased as a result of a reduction of any other Participant's bonus. In reducing a Participant's Incentive Award, the Committee may consider any such factors it determines applicable.

5.4. PAYMENT OF INCENTIVE AWARDS. Payment of Incentive Awards shall be made in such form and at such time or times as designated by the Committee.

5.5. PARTIAL AWARDS. In the event a Participant ceases employment because of death or disability prior to the date which the Committee determines Incentive Awards under the Plan for any Plan Year, the Committee may, but need

Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

not, provide for the partial or full payment of an Incentive Award for the year of termination and any Incentive Award from any prior Plan Year which has not yet been paid out. Unless otherwise specified by the Committee, Participants who terminate employment for reasons other than death or disability prior to the date the Committee determines the Incentive Awards under the Plan will not be eligible to receive an Incentive Award for the year of termination or any payout of any Incentive Awards from a prior Plan Year which has not yet been paid out.

5.6. NONTRANSFERABILITY. Except as otherwise provided by the Committee, Incentive Awards may not be sold, transferred, pledged, assigned or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution. Further, except as otherwise provided by the Committee, a Participant's rights under the Plan shall be exercisable during the Participant's lifetime only by the Participant or the Participant's legal representative.

5.7. LIMITATIONS WITH RESPECT TO AWARDS. In no event shall any individual Covered Employee receive an Incentive Award in excess of \$2,000,000 for any Plan Year.

29

ARTICLE 6. BENEFICIARY DESIGNATION

Each Participant under the Plan may, from time to time, name any beneficiary or beneficiaries (who may be named contingently or successively) to whom any benefit under the Plan is to be paid in case of his or her death before he or she receives any or all of such benefit. Each such designation shall revoke all prior designations by the same Participant, shall be in a form prescribed by the Company, and will be effective only when filed by the Participant in writing with the Company during the Participant's lifetime. In the absence of any such designation, or if the designated beneficiary dies prior to the payment of any Incentive Award, benefits remaining unpaid at the Participant's death shall be paid to the Participant's estate.

ARTICLE 7. DEFERRALS

The Committee may permit or require a Participant to defer such Participant's receipt of the payment of cash that would otherwise be due to such Participant by virtue of the satisfaction of any requirements or goals with respect to Incentive Awards. If any such deferral election is required or permitted, the Committee shall, in its sole discretion, establish rules and procedures for such payment deferrals consistent with preserving the deductibility of Incentive Awards under Section 162(m) of the Code.

ARTICLE 8. RIGHTS OF EXECUTIVE OFFICERS

8.1. EMPLOYMENT. Nothing in the Plan shall interfere with or limit in any way the right of the Company to terminate any Participant's employment at any time, nor confer upon any Participant any right to continue in the employ of the Company.

8.2. PARTICIPATION. No Executive Officer shall have the right to be selected to receive an Incentive Award under this Plan, or, having been so selected, to be selected to receive a future Incentive Award.

ARTICLE 9. AMENDMENT, MODIFICATION, AND TERMINATION

9.1. AMENDMENT, MODIFICATION, AND TERMINATION. Subject to the terms of the Plan, the Committee may at any time and from time to time, alter, amend, suspend or terminate the Plan in whole or in part; provided, however, unless the

Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

Committee specifically provides otherwise, any revision or amendment that would cause the Plan to fail to comply with any requirement of applicable law, regulation, or rule, if such amendment were not approved by the Company's shareholders, shall not be effective unless and until such approval of shareholders of the Company is obtained.

9.2. AWARDS PREVIOUSLY GRANTED. Notwithstanding any other provision of the Plan to the contrary, no termination, amendment, or modification of the Plan shall adversely affect in any material way any Incentive Award previously granted under the Plan, without the written consent of the Participant holding such Incentive Award.

ARTICLE 10. WITHHOLDING

The Company shall have the power and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, and local taxes, domestic or foreign, required by law or regulation to be withheld with respect to any taxable event arising as a result of this Plan.

30

ARTICLE 11. INDEMNIFICATION

Each person who is or shall have been a member of the Committee, or of the Board, shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan and against and from any and all amounts paid by him or her in settlement thereof with the Company's approval, or paid by him or her in satisfaction of any judgment in any such action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle or defend it on his or her own behalf. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's Articles of Incorporation or Bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

ARTICLE 12. SUCCESSORS

All obligations of the Company under the Plan with respect to Incentive Awards granted hereunder shall be binding on any successor to the Company, whether the existence of such successor is the result of a direct or indirect purchase, merger, consolidation, or otherwise, of all or substantially all of the business and/or assets of the Company.

ARTICLE 13. LEGAL CONSTRUCTION

13.1. GENDER AND NUMBER. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine; the plural shall include the singular and the singular shall include the plural.

13.2. SEVERABILITY. In the event any provision of the Plan shall be held illegal or invalid for any reason, the illegality or invalidity shall not affect the remaining parts of the Plan, and the Plan shall be construed and enforced as if the illegal or invalid provision had not been included and had been replaced by a provision that is legal and valid and that comes closest to expressing the intention of such illegal or invalid provision. If any provision of this Plan

Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

would cause any Incentive Award not to constitute performance-based compensation under Section 162(m)(4)(C) of the Code, the Committee shall have discretion to sever that provision from this Plan and, thereupon, such provision shall not be deemed to be a part of this Plan.

13.3. REQUIREMENTS OF LAW. The granting of Incentive Awards under the Plan shall be subject to all applicable laws, rules, and regulations, and to such approvals by any governmental agencies or national securities exchanges as may be required.

13.4. GOVERNING LAW. To the extent not preempted by federal law, the Plan, and all agreements hereunder, shall be construed in accordance with and governed by the laws of the State of New York.

MONRO MUFFLER BRAKE, INC.

NON-EMPLOYEE DIRECTORS' STOCK OPTION PLAN

1. PURPOSE. The purpose of this Non-Employee Directors' Stock Option Plan (the "Plan") is to secure for Monro Muffler Brake, Inc., a New York corporation (the "Company"), and its shareholders the benefits of the incentive inherent in increased common stock ownership by members of the Company's Board of Directors (the "Board") who are not also employees of the Company or any of its subsidiaries (a "Non-Employee Director"). Options to purchase shares of the Company's Common Stock, \$.01 par value, or such other shares as are substituted pursuant to paragraph 5(e) or (f) below (the "Common Stock"), shall be granted to Non-Employee Directors of the Company pursuant to the terms of this Plan.

2. ELIGIBILITY. Each Non-Employee Director shall be eligible to receive awards of non-qualified stock options in accordance with the specific provisions of paragraph 4 below ("Options"). The adoption of this Plan shall not be deemed to give any director any right to be granted an Option to purchase Common Stock except to the extent and upon such terms and conditions consistent with the Plan as may be determined by the Stock Option Committee of the Board (the "Committee").

3. LIMITATION ON AGGREGATE SHARES. The maximum number of shares of Common Stock with respect to which Options may be granted under this Plan and which may be issued upon the exercise thereof shall not exceed, in the aggregate, 55,000 shares, subject to adjustment pursuant to paragraph 5(e) below; provided, however, that if any Options granted under this Plan expire unexercised or are cancelled, terminated or forfeited in any manner without the issuance of Common Stock thereunder, the shares with respect to which such Options were granted shall be available under this Plan. Such shares of Common Stock may be either authorized and unissued shares, treasury shares or a combination thereof, as the Committee shall determine.

4. TERMS AND CONDITIONS OF OPTIONS. Options granted under this Plan shall be subject to such terms and conditions and evidenced by written agreements in such form as shall be determined from time to time by the Committee and shall in any event be subject to the terms and conditions set forth in this Plan. In the event of any conflict between a written agreement and the Plan, the terms of the Plan shall govern.

(a) OPTIONS TO CURRENT DIRECTORS. Each Non-Employee Director as of August 1, 1994 shall receive, as of such date, an Option (an "August Option") to purchase 2,500 shares of Common Stock.

Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

(b) ANNUAL OPTIONS. Each year on the date of the Annual Meeting of the Company's Shareholders (the "Annual Shareholders Meeting"), commencing with the 1995 Annual Shareholders Meeting, each Non-Employee Director shall automatically receive an Option to purchase 2,500 shares of Common Stock.

(c) OPTION PRICE. The Option price per share of Common Stock shall be 100% of the "Fair Market Value" of a share of Common Stock on the date of grant (the

"Option Price"). The Fair Market Value of the Common Stock on any given date means (i) the mean between the highest and lowest reported sale prices on the New York Stock Exchange--Composite Transactions Table (or, if not so reported, on any domestic stock exchanges on which the Common Stock is then listed); (ii) if the Common Stock is not listed on any domestic stock exchange, the closing sale price or mean between the closing high bid and low asked prices as reported by the National Association of Securities Dealers Automated Quotation System (or, if not so reported, by the system then regarded as the most reliable source of such quotations); (iii) if the Common Stock is listed on a domestic exchange or quoted in the domestic over-the-counter market, but there are no reported sales or quotations, as the case may be, on the given date, the value determined pursuant to (i) or (ii) using the reported sale prices or quotations on the last previous date on which so reported; or (iv) if none of the foregoing clauses apply, the fair market value as determined in good faith by the Committee.

(d) TERM OF OPTIONS. Each Option shall be exercisable for ten years after the date of grant.

(e) EXERCISE OF OPTIONS. Options shall be exercised by written notice to the Company (to the attention of the Secretary of the Company) accompanied by payment in full of the Option Price. Payment of the Option Price may be made, at the discretion of the Non-Employee Director, (i) in cash (including check, bank draft or money order), (ii) by delivery of Common Stock (valued at the Fair Market Value thereof on the date of exercise) or (iii) by delivery of a combination of cash and Common Stock; provided, however, that the Committee may, in any instance, in order to prevent any possible violation of law, require the Option Price to be paid in cash; and provided, further, that the right to deliver Common Stock in payment of the Option Price may be limited or denied in any Option agreement.

(f) RIGHTS AS A SHAREHOLDER. No Non-Employee Director shall have any rights as a shareholder with respect to any shares covered by an Option until the date a stock certificate for such shares is issued to him or her. Except as otherwise provided herein, no adjustments shall be made for dividends or distributions of other rights for which the record date is prior to the date such stock certificate is issued.

5. ADDITIONAL PROVISIONS.

(a) CONDITIONS AND LIMITATIONS ON EXERCISE. Any Option shall be exercisable immediately upon the date of grant. Notwithstanding the foregoing, (i) no Option shall be exercisable prior to the adoption of the Plan by the Company's shareholders at the Company's 1995 Annual Shareholders Meeting, as provided in paragraph 9 below, and (ii) no shares of Common Stock issuable upon the exercise of an Option may be sold, assigned, pledged or otherwise transferred for a period of six months after the later to occur of (x) the adoption of the Plan by the Company's shareholders and (y) the grant of the Option, as is specified in Rule 16b-3 (or other period of time specified in such rule as such rule may be amended from time to time) of the Securities Exchange

Edgar Filing: MONRO MUFFLER BRAKE INC - Form DEF 14A

Act of 1934, as amended (the "Exchange Act").

(b) TERMINATION OF TERM OF DIRECTORSHIP. Any Option shall be exercisable only during the holder's term as a director of the Company, except that an Option may be exercisable after the death, disability, as defined in Section 22(e)(3) of the Internal

-2-

Revenue Code of 1986, as amended (the "Code") ("Disability"), or retirement from the Board at the age of 65 or thereafter ("Retirement"), of a holder while a director of the Company at any time until the earlier to occur of (i) the one year anniversary of the date of death, Disability, or Retirement and (ii) the termination of such Option pursuant to paragraph 4(d) above.

(c) LISTING, REGISTRATION AND COMPLIANCE WITH LAWS AND REGULATIONS. Each Option shall be subject to the requirement that if at any time the Committee shall determine in its discretion, that the listing, registration or qualification of the shares subject to the Option upon any securities exchange or automated quotation system or under any state or federal securities or other law or regulation, or the consent or approval of any governmental regulatory body, is necessary or desirable as a condition to or in connection with the granting of such Option or the issuance or purchase of shares thereunder, no such Option may be exercised, in whole or in part, unless such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Committee. The holder of such Option will supply the Company with such certificates, representations and information as the Company shall request and shall otherwise cooperate with the Company in obtaining such listing, registration, qualification, consent or approval. The Committee may at any time impose any limitations upon the exercise of an Option or the sale of the Common Stock issued upon exercise of an Option that, in the Committee's discretion, are necessary or desirable in order to comply with Section 16 of the Exchange Act and the rules and regulations thereunder.

(d) NONTRANSFERABILITY OF OPTIONS. Options may not be transferred, assigned, pledged or hypothecated (whether by operation of law or otherwise) other than by will or the laws of descent and distribution or pursuant to a qualified domestic relations order, as defined by Section 4.14(p) of the Code, Section 206(d)(3)(B) of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), or the rules thereunder, and, during the lifetime of the person to whom they are granted, may be exercised only by such person (or his or her guardian or legal representative).

(e) ADJUSTMENT FOR CHANGE IN COMMON STOCK. If the outstanding Common Stock is hereafter changed by reason of reorganization, merger, consolidation, recapitalization, reclassification, stock split-up, combination, exchange of shares, or the like, or dividends payable in shares of the Common Stock or other securities or assets, an appropriate adjustment shall be made by the Committee in the aggregate number of shares available under the Plan, in the number of shares subject to Options to be granted thereafter pursuant to paragraphs 4(a) and 4(b), and in the number of shares and price per share subject to outstanding Options. Any adjustment in the number of shares shall apply appropriately to only the unexercised portion of any Option granted hereunder. If fractions of a share would result from any such adjustment, the adjustment shall be revised to the next higher whole number of shares.

(f) SALE OF THE COMPANY. In the event of a merger of the
