Delphi Corporation (Delphi or the Company) previously disclosed it is seeking to enter into an accommodation agreement to its existing debtor-in-possession credit facility. On November 24, 2008, Delphi announced that it asked the United States Bankruptcy Court for the Southern District of New York (the Court) at the monthly omnibus hearing to defer completing the hearings on Delphi s GM Arrangement Second Amendment Agreement Approval Motion and Debtor-In Possession (DIP) Accommodation Motion until Monday, December 1, 2008, to permit further discussions among Delphi, General Motors Corporation (GM) and the administrative agent for the existing DIP financing agreement. Delphi filed both motions with the Court on November 7, 2008. The Company stated that while the original form of the accommodation agreement was acceptable to GM, Delphi agreed with GM to reconsider certain of the subsequent amendments agreed to between Delphi and the Required Lenders subsequent to the November 7, 2008 filing. Delphi stated its intent to engage in discussions with GM and certain of Delphi s lenders under the existing DIP financing agreement in an attempt to identify acceptable changes to the documents presented to the Court. Later today Delphi will provide supplemental financial information which has been prepared for the purposes of seeking lenders consents to the accommodation agreement. This supplemental financial information will include near-term forecast updates to cash flows and liquidity levels through March 31, 2009. While there can be no assurance that acceptable changes will be agreed among the parties, the Company expects such discussions to be completed before the continued hearing on December 1, 2008.

An exhibit containing the projected liquidity and selected debt levels that will be provided to potential lenders is attached as Exhibit 99(a) hereto. The selected debt levels presented should not be considered in isolation or as a substitute for debt levels presented in accordance with generally accepted accounting principles in the United States of America. For additional information regarding Delphi s existing debtor-in possession credit facility and the related approvals granted by the Court under chapter 11 of the United States Bankruptcy Code, see Delphi s Quarterly Reports on Form 10-Q for the quarterly periods ended March 31, 2008, June 30, 2008 and September 30, 2008. Additional information regarding Delphi s filing under the U.S. Bankruptcy Code, including access to Court documents and other general information about the chapter 11 cases, is available online at www.delphidocket.com.
