VIVENDI UNIVERSAL 401(k) PLAN - UNIVERSAL EMPLOYEES

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan

The following brief description of Vivendi Universal 401 (k) Plan - Universal Employees (the "Plan") is provided for general information purposes only. Participants should refer to the plan document for more complete information.

General: The Plan is a defined contribution plan originally established as the MCA, Inc. Employee Savings Plan ("MCA Plan") and is subject to the applicable provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA").

The Plan was administered by Joseph E. Seagram & Sons, Inc. (the "Company") through an Administrative Committee appointed by the Board of Directors of the Company. Effective October 15, 2001, the administration of the Plan was assigned to Vivendi Universal US Holding Co. ("VU"). VU administers the Plan through an Administrative Committee appointed by the Board of Directors of VU.

Effective January 1, 1997, the MCA Plan was amended and continued in the form of the Retirement Savings and Investment Plan for Employees of Joseph E. Seagram & Sons, Inc. and Affiliates (the "Seagram Plan"). The name of was changed to the Retirement Savings and Investment Plan for Employees of Joseph E. Seagram & Sons, Inc. and Affiliates - Universal Employees. Effective January 1, 1999, the name was changed to The Seagram 401(k) Plan - Universal Employees. Effective January 1, 2002, the name of the Plan was changed to its current name. To simplify plan administration, the Plan was amended in the form of the Seagram Plan, including certain modifications to the terms, to accommodate the benefits provision solely applicable to eligible employees of

Edgar Filing: VIVENDI UNIVERSAL - Form 11-K

Universal Studios, Inc. ("Universal"). Notwithstanding the adoption of the form of the Seagram Plan, the Plan has continued its existence as a separate plan. Plan assets are solely available for the benefit of and used to satisfy the liabilities incurred on behalf of employees of the Plan.

Eligibility: The Plan covers employees of Universal and certain of its United States subsidiaries (collectively, the "Participating Companies") who are either (i) salaried employees or (ii) hourly employees employed in a classification designated by the Participating Companies from time to time, excluding persons who are members of a labor union, guild or other collective bargaining unit unless the employee is salaried and paid in whole or in part by Universal or whose employment is subject to certain labor agreements, persons employed on a special basis and persons by an operating unit of the Participating Companies to which the Plan has not been extended. In addition, non-salaried employees of Hilltop Service, Inc., seasonal and temporary employees of Universal Studios Tour, certain temporary clerical employees and interns and UMG Manufacturing Logistics, Inc. employees of the Memphis and Reno locations, must complete one year of service before they are eligible to participate in the Plan.

Contribution: Each participant's account is credited with the participant's contributions and the Company's matching contributions. Plan earnings are allocated based on participant account balances, as defined. Non-highly compensated employees, as defined by the Plan, may elect to contribute to their pre-tax accounts on a pre-tax basis ("Pre-Tax Contributions") and/or to their after-tax accounts on an after-tax basis ("After-Tax Contributions") through payroll deductions of 1% to 17% (in the aggregate) of their annual salary (as defined in the Plan), in multiples of 1%, in any contribution. Effective January 1, 1999, highly compensated employees, as defined by the Plan may contribute up to 17% in the aggregate to their pre-tax and after-tax accounts with a limit of 10% of their pre-tax account. Pre-tax contributions and after-tax contributions are subject to limitations imposed by federal laws for qualified retirement plans.

VIVENDI UNIVERSAL 401(k) PLAN - UNIVERSAL EMPLOYEES

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan (Continued)

The Plan provides for matching contributions by the Participating Companies payable to the participants' company match accounts. The Participating Companies matching contribution was increased to 60% of the first 6% of the Participants' pre-tax and after-tax contributions made during each payroll period. The Participating Companies matching contributions are subject to limitations imposed by federal laws for qualified retirement plans.

Participants may elect to have their contributions and matching contributions invested in a variety of investment funds. Investment elections or contribution rate changes can be changed on any business day and must be made in increments of 1%.

The Plan will accept into participants' rollover accounts cash received by participants from a qualified plan within the time prescribed by applicable law ("Rollover Contributions").

The Participating Companies may make discretionary contributions in an amount

Edgar Filing: VIVENDI UNIVERSAL - Form 11-K

to be determined by the Participating Companies. The Participating Companies have not made discretionary contributions since the inception of the Plan.

Vesting: A participant in the Plan always has a fully vested interest in the value of his or her contributions and rollover accounts. He or she has a non-forfeitable right to the value of his or her company match account upon the attainment of age 60, disability (as defined in the Plan) or death. Upon termination of employment for any other reason, a participant vests in the funds held in his or her company match account in accordance with the following vesting schedule:

Years of Service	Vested Percentage
Less than 1	0%
At least 1, but less than 2	20%
At least 2, but less than 3	40%
At least 3, but less than 4	60%
At least 4, but less than 5	80%
5 or more	100%

Upon termination of employment for reasons other than the attainment of age 60, disability or death of a participant who was not fully vested in his or her company match account, the nonvested portion of the participant's company match account shall be forfeited. Any amount forfeited shall be applied to reduce the Participating Companies' contributions. Any amount forfeited shall be restored if the participant is re-employed by a Participating Company before incurring a five year break in service and if the participant repays to the Plan (within five years after his or her reemployment commencement date) an amount in cash equal to the full amount distributed to him or her from the Plan on account of termination of employment, excluding amounts from the after-tax and rollover accounts at the participant's election.

VIVENDI UNIVERSAL 401(k) PLAN - UNIVERSAL EMPLOYEES

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan (Continued)

Forfeitures: The nonvested interest of terminated participants serves to reduce Participating Company contributions in accordance with the terms of the Plan. The Participating Companies used \$357,711 in forfeitures to offset their contributions during the period ended March 28, 2002.

Payment of Benefits: Upon termination of employment, after attainment of age 60 or for reason of disability or death, the participant or his or her beneficiary shall receive the value of his or her accounts. However, if the termination of employment is for reasons other than the attainment of age 60, disability or death, the participant shall receive only the value of the vested funds in his or her accounts. Benefits are recorded when paid.

In accordance with the procedures established by the Administrative Committee and the terms of the Plan, certain terminated employees may elect to defer final distribution from the Plan. Upon such election, the amount in such participants' vested interest in the Plan is entitled to continue to receive investment income and is held by the Trustee until the date of distribution as

Edgar Filing: VIVENDI UNIVERSAL - Form 11-K

elected by the participants.

Prior to termination of employment, the participant may withdraw amounts from the participant's accounts in accordance with the provisions of the Plan.

Loans to Participants: A participant may apply for loans up to the lesser of \$50,000 or 50% of the value of the vested portion of the participant's Accounts. The minimum loan amount is \$1,000. The maximum repayment terms are 5 years for general purpose loans and 25 years for principal residence loans, except that primary residence loans requested after December 31, 1999 will have a maximum repayment term of fifteen years. Applications for loans must be approved by the administrative committee. The amounts borrowed are transferred from the investment funds in which the participant's accounts are currently invested. Repayments and interest thereon are credited to the participant's current investment funds through payroll deductions made each pay period. The interest rate for loans is based on the prime rate on the first business day of the month in which the loan is made plus one percentage point.

Note 2. Significant Plan Changes

Effective January 1, 2002, Vivendi Universal US Holding Co. amended the Joseph E. Seagram & Sons, Inc. Master Trust Agreement and changed the Plan name from The Seagram 401(k) Plan - Universal Employees to Vivendi Universal 401(k) Plan - Universal Employees.

Effective March 28, 2002, all of the Plan's assets were transferred into the Vivendi Universal 401(k) Plan, and its existence as a separate plan has been discontinued.

Note 3. Summary of Significant Accounting Policies

The accounting policies followed in the preparation of the financial statements of The Vivendi Universal 401(k) Plan - Universal Employees (the "Plan") conform with accounting principles generally accepted in the United States of America. The more significant accounting policies are:

VIVENDI UNIVERSAL 401(k) PLAN - UNIVERSAL EMPLOYEES

NOTES TO FINANCIAL STATEMENTS

Note 3. Summary of Significant Accounting Policies (continued)

Basis of Accounting: The accompanying financial statements of the Plan are maintained on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results may differ from those estimates.

Investment Valuation and Income Recognition: The assets were held in trust by Bank of New York (Trustee) in the Joseph E. Seagram & Sons, Inc. Master Trust Agreement (Master Trust), which also included assets of the 401(k) plans of the Company's affiliates, UMG Manufacturing and Logistics, Inc., Joseph E. Seagrams & Sons, Inc. and Spencer Gifts, Inc. Effective July 1, 1999, the

Edgar Filing: VIVENDI UNIVERSAL - Form 11-K

assets of the PolyGram Holding, Inc. Deferred Savings and Investment Plan for Employees were added to the Master Trust. The related investment income and appreciation (depreciation) in fair value represents allocations to the Plan based upon the ratio of the plan's assets to total Master Trust Assets.

Investment securities are recorded and valued as follows: United States government obligations are recorded at fair value based on the current market yields; temporary investments in short-term investment funds are recorded at cost which in the normal course approximates market value; securities representing units of other funds are recorded at net asset value of shares held by the Plan at year-end; and the Vivendi Universal ADSs are stated at the closing price reported on the composite tape of the New York Stock Exchange on the valuation date.

Purchases and sales of securities are accounted for on a trade date basis with the average cost basis used for determining the cost of investments sold. Interest income is recorded on an accrual basis. Income on securities purchased under agreements to resell is accounted for at the repurchase rate.

Payment of Benefits: Benefits are recorded when paid.

Note 4. Tax Status of Plan

The Internal Revenue Service has ruled by a letter dated September 10, 2002 that the Plan is qualified under Section 401 (a) of the Internal Revenue Code ("IRC"), as amended. So long as the Plan continues to be so qualified, it is not subject to Federal income taxes. Although the Plan has been amended since receiving the determination letter, the Plan Administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Note 5. Related Party Transactions

Some of the Plan expenses including trustee, custodial, and certain recordkeeping fees are paid by the Company, and personnel and facilities of the Company are used by the Plan at no charge.
