To the Shareholders

Dear Sir or Madam,

CONNECTED TRANSACTION

1. INTRODUCTION

On 16th November 2002, the Board of Directors announced that the Company had entered into a Transfer Agreement with Huaneng Group, pursuant to which the Company agreed to acquire the Huaneng Group Interest for a total consideration of RMB415 million. The Acquisition is expected to be funded by the Company's internal cash reserves. The purchase price for the Acquisition is based on normal commercial terms and was determined through arm's length negotiation between the Company and Huaneng Group.

Huaneng Group is an indirect controlling shareholder of the Company, holding a 51.98% interest in HIPDC. As of the Latest Practicable Date, HIPDC held 2,554,840,000 domestic shares in the Company, representing 42.58% of the total issued share capital (domestic shares and H Shares) of the Company. Accordingly, the Acquisition contemplated by the Transfer Agreement constitutes a connected transaction for the Company within the meaning of the Hong Kong Listing Rules, and is subject to approval by the Independent Shareholders.

The Company and the Independent Directors have reviewed the Acquisition. The Company has appointed JPMorgan as the financial adviser in connection with the Acquisition. The Company has also appointed CLSA as the independent financial adviser to provide opinions to the Independent Directors in connection with the Acquisition.

Please refer to the Company's announcement dated 9th May 2002 and circular dated 13th May 2002 regarding the Previous Acquisition. The consideration in respect of the Previous Acquisition was RMB2,050 million.

The purpose of this circular is to provide you with further information in relation to the Acquisition and the Transfer Agreement, and to set out the recommendation of the Independent Directors and the Notice of the EGM.

2. TRANSFER AGREEMENT

The Transfer Agreement was approved by the Directors at the board meeting on 15th November 2002 and signed by Huaneng Group and the Company on that day.

Date: 15th November 2002

Parties: Seller: Huaneng Group

Purchaser: the Company

Huaneng Group Interest
to be acquired:

- (i) Huaneng Group Interest in the registered capital of Shanghai Shidongkou First Power Plant; and
- (ii) Huaneng Group Interest in the

Edgar Filing: HUANENG POWER INTERNATIONAL INC - Form 6-K

registered capital of Jiangsu Taicang Power Plant.

Consideration: The consideration for the Acquisition is RMB415 million payable in cash on the Closing date. The purchase price for the Acquisition was determined on the basis of normal commercial terms and arm's length negotiation between the parties thereto. The Acquisition, when aggregated with the Previous Acquisition, does not constitute a disclosable transaction under the Hong Kong Listing Rules.

Conditions: Closing is subject to the satisfaction or waiver of the following conditions:

- (1) Conditions which need to be satisfied or waived (except for condition (a)) by both parties:
 - (a) Huaneng Group has obtained the legal ownership of the Huaneng Group Interest;
 - (b) CLSA, the independent financial adviser to the Independent Directors, has advised the Independent Directors that the terms and conditions of the transactions contemplated under the Acquisition are fair and reasonable so far as the Independent Shareholders are concerned;
 - (c) the Independent Directors recommended that the shareholders vote in favour of the Acquisition and the Transfer Agreement;
 - (d) the Transfer Agreement and the Acquisition have been approved and adopted by the Independent Shareholders;
 - (e) the relevant PRC government agencies have no objection to the Acquisition; and
 - (f) the Company has obtained all necessary government approvals on the Transfer Agreement and the Acquisition.
- (2) Conditions which the Company may waive under the Transfer Agreement:
 - (a) representations and warranties of Huaneng Group in the Transfer Agreement are true and complete in all material respects; and

Edgar Filing: HUANENG POWER INTERNATIONAL INC - Form 6-K

(b) Huaneng Group has fulfilled in all material respects its obligations under the Transfer Agreement.

(3) Agreement:

(a) representations and warranties of the Company in the Transfer Agreement are true and complete in all material respects; and

(b) the Company has fulfilled in all material respects its obligations under the Transfer Agreement.

Completion: Closing shall take place on the day agreed upon by both parties, within 30 days after the conditions have been satisfied or waived.

3. REASONS FOR THE ACQUISITION AND PRICING FACTORS

One of the Company's development strategies is placing equal emphasis on acquiring existing power plants and developing new power plants. Capturing a greater market share in the coastal regions with increasing demand for power will enable the Company to continue its earnings growth. The Acquisition will further increase the Company's market share in Eastern China, a region with high economic growth and strong demand for power, which is consistent with the Company's long-term development strategy.

After the completion of the Acquisition, the Company will gain 390 MW of additional net generation capacity, and thus its total net generation capacity will increase to 14,285 MW.

All generation units of the Target Power Plants under the Acquisition are coal-fired units made in the PRC. The average availability factor of the Target Power Plants in 2001 was 93.8%, slightly higher than the Company's level of 92.18% in 2001. The average utilization hours in 2001 were 6,068 hours for Shanghai Shidongkou First Power Plant and 5,781 hours for Jiangsu Taicang Power Plant, which were higher than the Company's average actual utilization hours of 5,166 hours in 2001. The total on-grid output of the Target Power Plants in 2001 reached approximately 10.2 billion kWh, out of which the Huaneng Group Interest accounted for approximately 2.2 billion kWh, which is equivalent to 4.1% of the 54.1 billion kWh total on-grid output of the Company in 2001.

The Company believes that the Acquisition will enhance its effective management of the Target Power Plants. After the completion of the Acquisition, the Shanghai Shidongkou First Power Plant will be wholly-owned by the Company and the Company's interest in the Jiangsu Taicang Power Plant will be increased to 75%. Further, according to the unaudited financial information, the total net profit after taxation of the Shanghai Shidongkou First Power Plant and the Jiangsu Taicang Power Plant for the 9 month period ending on 30th September 2002 is RMB101.45 million and RMB83.42 million, respectively. Profit attributable to the Huaneng Group Interest in respect of the Shanghai Shidongkou First Power Plant and the Jiangsu Taicang Power Plant is RMB30.44 million and RMB4.17 million, respectively. The Acquisition will be beneficial for increasing the Company's profits in the future.

The Acquisition price has been determined through arm's length

Edgar Filing: HUANENG POWER INTERNATIONAL INC - Form 6-K

negotiations between the two parties and their respective financial advisers, taking into account various factors, including the market environments, the operating conditions of the Target Power Plants, the Target Power Plants' earnings potentials and their abilities to generate cash flow. The Company has also considered all the appraisal reports provided by Zhonghua. According to the appraisal reports provided by Zhonghua, the value of the Huaneng Group Interest is RMB413 million. According to the financial statements for the year 2001 of each Target Power Plant audited by Arthur Andersen o Hua Qiang, the net assets value (book value) of the Shanghai Shidongkou First Power Plant and the Jiangsu Taicang Power Plant attributable to the Huaneng Group Interest is RMB128.9 million and RMB34.9 million, respectively. The consideration is 153% higher than such net assets values in total. The book value reflected the comparatively low amount of the historical construction costs and has taken into account depreciations of those assets. Whereas, the consideration has reflected the value of the Target Power Plants which can be generated through their future operation.

The board of Directors believes that the Acquisition price and terms are fair and reasonable to the Company and its shareholders. This transaction is consistent with the Company's long-term business strategy and will benefit the Company and its shareholders.

4. INFORMATION REGARDING THE POWER PLANTS

(1) Overview of the provinces and municipality where the Power Plants are located

The Target Power Plants are located in the affluent Eastern China region. The Eastern China Power Grid is one of the largest inter-provincial grids in the PRC in terms of installed capacity. By the end of 2000, the installed capacity of the three provinces and one municipality in Eastern China (Jiangsu Province, Zhejiang Province, Anhui Province and Shanghai Municipality) reached approximately 56,663 MW. In 2000, the power consumption of these three provinces and one municipality reached approximately 260.8 billion kWh, representing an increase of 14.7% over that in 1999. A summary of the power market conditions in Shanghai Municipality and Jiangsu Province where the Target Power Plants are located is as follows:

Shanghai Municipality

Shanghai Municipality holds the leading position in China's industrial, business and financial services sectors. The development of the Pudong Development Area during the past ten years has further strengthened Shanghai's leading position in the Yangtse River delta. In 2000, Shanghai had a population of approximately 16.74 million. In 2001, Shanghai's GDP reached RMB495.1 billion and the average annual GDP growth rate over the past ten years from 1992 to 2001 has exceeded 10%.

By the end of 2000, the installed capacity in Shanghai Municipality reached approximately 10,604 MW. In 2000, the power consumption of Shanghai Municipality reached approximately 55.94 billion kWh, representing an increase of 11.6% over that in 1999.

Jiangsu Province

Jiangsu Province is one of the most affluent provinces in the PRC. By the end of 2000, Jiangsu Province had a population of approximately 74.38 million in an area of 102,600 sq.km., and it is the most densely populated province in the PRC. In 2001, Jiangsu Province's GDP reached

Edgar Filing: HUANENG POWER INTERNATIONAL INC - Form 6-K

RMB951.5 billion and it maintains being one of the highest annual growth rates of Gross Domestic Product in the PRC over the past ten years.

By the end of year 2000, the installed capacity in Jiangsu Province reached approximately 19,252 MW. In 2000, the power consumption in Jiangsu Province reached approximately 97.13 billion kWh, representing an increase of 14.6% over that in 1999.

(2) Description of the Target Power Plants

(The power tariffs mentioned below do not include value-added tax)

Shanghai Shidongkou First Power Plant

Shanghai Shidongkou First Power Plant is located in the northern region of the Shanghai Power Grid. It has a total installed capacity of 1,200 MW and was a major energy infrastructure construction project of the PRC during the Seventh Five Year Plan period. It is the first harbour side power plant which has an installed capacity exceeding 1,000 MW within the Shanghai Power Grid. The plant comprises 4 X 300 MW domestic coal-fired generation units, which commenced operation in February 1988, December 1988, September 1989 and May 1990 respectively, and has an economic life of 15 years. Details of the analysis of the economic life of the power plant are set out in the 2001 financial statements audited by Arthur Andersen o Hua Qiang. At present, the four generation units are operating normally. The plant generated a total volume of electricity of 7.28 billion kWh in the year 2001 and its internal consumption rate was 5.9%. The power plant's power tariff was determined in accordance with the approval granted by the Shanghai Municipal Pricing Bureau.

Huaneng Group originally owned 70% interest in Shanghai Shidongkou First Power Plant. According to a transfer agreement between the Company and Huaneng Group dated 9th May 2002, Huaneng Group transferred its 70% interest in Shanghai Shidongkou First Power Plant to the Company (for details, please see the announcement made by the Company on 10th May 2002 and the circular issued by the Company on 13th May 2002). Such transfer was completed on 1st July 2002.

The remaining 30% interest is held by Shanghai Municipal Power Corporation which is expected to be transferred to Huaneng Group pursuant to China's electricity industry restructuring plan. Upon Closing, Shanghai Shidongkou First Power Plant will be wholly owned by the Company. According to the Company Law of the PRC, except for those wholly owned by the State, limited liability companies shall have two or more than two shareholders. As such, after completion of the Acquisition, the Company will cancel Shanghai Shidongkou First Power Plant's independent legal person status.

Jiangsu Taicang Power Plant

Jiangsu Taicang Power Plant is located in the most affluent area in the vicinity of Suzhou, Wuxi and Changzhou, and has a total installed capacity of 600 MW. Jiangsu Taicang Power Plant is an ancillary facility of the China-Singapore Suzhou Industrial Park. Jiangsu Taicang Power Plant comprises 2 X 300 MW domestic coal-fired generation units, which commenced operation in December 1999 and April 2000 respectively, and has an economic life of 15 years. Details of the analysis of the economic life of the power plant are set out in the 2001 financial statements audited by Arthur Andersen o Hua Qiang. At present, the two generation units are operating normally. The plant generated a total

Edgar Filing: HUANENG POWER INTERNATIONAL INC - Form 6-K

volume of electricity of 3.47 billion kWh in year 2001 and its internal consumption rate was 4.8%. The power plant's power tariff was determined in accordance with the approval given by the Jiangsu Provincial Pricing Bureau.

Huaneng Group originally owned 70% interest in Jiangsu Taicang Power Plant. According to a transfer agreement between the Company and Huaneng Group dated 9th May 2002, Huaneng Group transferred its 70% interest in Taicang Power Plant to the Company (for details, please see the announcement made by the Company on 10th May 2002 and the circular issued by the Company on 13th May 2002). Such transfer was completed on 1st July 2002. At present, the other owners of Jiangsu Taicang Power Plant are Suzhou Industrial Park Company Limited, China-Singapore Suzhou Industrial Park Development Company, Jiangsu Provincial Power Company, Jiangsu International Trust and Asset Management Group Limited and Taicang Energy Development Company, which are holding 10%, 6%, 5%, 5% and 4% interest, respectively. The 5% equity interest owned by Jiangsu Provincial Power Company mentioned above is expected to be transferred to Huaneng Group pursuant to China's electricity industry restructuring plan.

Upon Closing, the Company will hold 75% interest in Jiangsu Taicang Power Plant.

The following table sets out certain operating data of the Target Power Plants for 2001:

	Shanghai Shidongkou First Power Plant	Jiangsu Taicang Power Plant
Installed capacity (MW)	1,200	600
Generation volume (billion kWh)	7.28	3.47
Utilisation hours (hours)	6,068	5,781
Availability factor (%)	92.3%	96.8%
Internal consumption rate (%)	5.9%	4.8%
Weighted average on-grid power tariff (RMB/MWh)	224	287
Coal consumption rate for power sold (grams/kWh)	358	338
Unit fuel cost for power sold (RMB/MWh)	106	101

5. SELECTED FINANCIAL INFORMATION OF THE TARGET POWER PLANTS

The following is a summary of the financial information of the Target Power Plants for the year ended 31st December 2001. The financial information has been extracted from the financial statements of the Target Power Plants audited by Arthur Andersen o Hua Qiang:

	Shanghai Shidongkou First Power Plant	Jiangsu Taicang Power Plant
(RMB in millions, except percentage)		
Total assets:	1,264.9	2,507.4
Cash and bank deposits	127.3	91.7
Total accounts receivable	171.6	222.3
Total liabilities:	835.2	1,809.0
Borrowings	790.1	1,660.7
Net assets	429.7	698.4
Revenue from principal business	1,532.6	949.2

Edgar Filing: HUANENG POWER INTERNATIONAL INC - Form 6-K

Depreciation cost	202.2	168.9
Profit from principal business	316.7	356.4
Applicable tax rate	33%	33%
Net profit:	130.4	169.0
Huaneng Group Interest	30%	5%
Net assets attributable to Huaneng Group Interest according to the above ratio	128.9	34.9

The audited financial statements of the Power Plants have been prepared based on the applicable accounting standards and regulations in the PRC ("PRC GAAP"), which differs in certain material respects from International Financial Reporting Standards ("IAS"). The Directors estimate that the significant unaudited IAS adjustments to the income statement would include the following:

- (a) Under PRC GAAP, the operating costs and interest expenses incurred during the six-month trial production period were capitalized as part of the construction costs of the generators constructed in previous years. Depreciation was provided starting from the month following the completion of the trial production period. Under IAS, depreciation should be provided when the generators were ready for use (i.e. upon completion) and all expenses incurred (including interest expenses) should be charged to the income statement thereafter. For the year ended 31st December 2001, depreciation expense charged to the income statement under IAS was lower than that charged under PRC GAAP.

- (b) The Power Plants have sold staff quarters to its employees at preferential prices. The cost of such housing benefits represented the difference between the net book value of the staff quarters sold and the proceeds collected from the employees. Under PRC GAAP, in accordance with the relevant regulations issued by the Ministry of Finance, costs relating to a housing benefits scheme approved by the government before 6th September 2000 were charged to opening retained earnings as of 1st January 2001, while those approved after 6th September 2000 were charged to non-operating expenses as incurred. Under IAS, the costs are recognised on a straight-line basis over the estimated remaining average service life of the employees. Under PRC GAAP, a substantial portion of the cost of housing benefits were charged to opening retained earnings as of 1st January 2001, whereas under IAS such costs were amortised in 2001. Accordingly, for the year ended 31st December 2001, the cost of housing benefits charged to the income statement under IAS was higher than that charged under PRC GAAP.

- (c) Under PRC GAAP, the impact of deferred taxation is not recorded. Under IAS, deferred taxation is provided, using the liability method, on all significant timing differences. For the year ended 31st December 2001, taxation charged to the income statement under IAS was more than that charged under PRC GAAP.

Reconciliation between PRC GAAP and IAS (for the year ended 31st December 2001):

Shanghai Shidongkou First Power Plant	Jiangsu Taicang Power Plant	Total
(RMB in millions)		

Edgar Filing: HUANENG POWER INTERNATIONAL INC - Form 6-K

Net profit under PRC GAAP	130.4	169.0	299.4
(a) Depreciation charges	36.1	--	36.1
(b) Housing benefits	(0.6)	(5.4)	(6.0)
(c) Deferred tax charges	(0.4)	(4.2)	(4.6)
	-----	-----	-----
 Net profit under IAS	 165.5	 159.4	 324.9
	=====	=====	=====

Taking into consideration the major IAS adjustments, the unaudited net profit after taxation under IAS of Shanghai Shidongkou First Power Plant and Jiangsu Taicang Power Plant for the year ended 31st December 2001 were estimated to be approximately RMB165.5 million and RMB159.4 million respectively. The aggregate amount of the unaudited net profit after taxation under IAS of the Target Power Plants for the year ended 31st December 2001 was estimated to be approximately RMB324.9 million, representing approximately 9% increase in the aggregate amount of net profit after taxation under PRC GAAP.

6. CONNECTED TRANSACTION UNDER SHANGHAI LISTING RULES

As the domestic public shares of the Company are listed on the Shanghai Stock Exchange, the Company is required, in addition to the Hong Kong Listing Rules, to comply with the Shanghai Listing Rules.

The Acquisition constitutes a connected transaction under the Shanghai Listing Rules, which shall be subject to the approval of the Company's shareholders. The connected persons (as defined under the Shanghai Listing Rules) shall abstain from voting on resolutions related to the Shanghai Connected Transactions.

In accordance with Rule 7.3.11(9) and Rule 7.3.12 of the Shanghai Listing Rules, the Company has appointed Beijing H&J Vanguard Consulting Limited ("Hejun") as the PRC independent financial advisor in respect of the Acquisition.

Upon careful and necessary enquiry, Hejun is of the view that the Acquisition has met the relevant legal requirements under the Company Law of the PRC, the Securities Law of the PRC and the Shanghai Listing Rules (as amended in 2001) and the requirements of the articles of association of the Company. Hejun is of the view that the relevant legal procedures and disclosure requirements have been followed and met, reflecting the principles of equality, justice and reasonableness; and the Acquisition will not in any way affect the interests of either the Company or the non-connected shareholders.

The Independent Directors are of the view that (1) the board of Directors has met the relevant requirements of Shanghai Listing Rules and the articles of association of the Company regarding approval of the relevant resolutions of the Acquisition; and (2) the Acquisition is fair to the Company's shareholders.

7. THE EGM

The Company will convene an EGM at 9 a.m. on 31st December 2002 at Beijing International Convention Centre at No. 8 Beichen East Road, Chaoyang District, Beijing, PRC to consider the approval of the Acquisition (including

Edgar Filing: HUANENG POWER INTERNATIONAL INC - Form 6-K

the Transfer Agreement). Huaneng Group and its Associates will abstain from voting in the EGM in respect of the ordinary resolution to approve the Acquisition (including the Transfer Agreement). Notice of the EGM is set out on pages 25 to 27 in this circular.

A reply slip and a form of proxy for use by the Independent Shareholders at the Extraordinary General Meeting is enclosed with this circular. Whether or not you intend to attend the meeting in person, you are requested to complete and return the reply slip in accordance with the instructions printed thereon to the registered office of the Company at West Wing, Building C, Tianyin Mansion, 2C, Fuxingmennan Street, Xichang District, Beijing, PRC as soon as possible but in any event by 11th December 2002. The enclosed form of proxy should be completed and returned to the Company's H Share Registrar, Hong Kong Registrars Limited, at Room 1901-5, 19/F, Hopewell Centre, 183 Queen's Road East, Hong Kong or the registered office of the Company in accordance with the instructions printed thereon as soon as practicable and in any event by not later than 24 hours before the time appointed for the holding of the EGM. Completion and return of the form of proxy will not preclude you from attending and voting in person at the meeting should you so wish.

8. RECOMMENDATION

According to the requirements of the Hong Kong Listing Rules, the Independent Directors will advise the Independent Shareholders in connection with the Acquisition (including the Transfer Agreement). CLSA has been appointed as an independent financial adviser to advise the Independent Directors with respect to the fairness and reasonableness of the Acquisition (including the Transfer Agreement).

The Independent Directors, having taken into account the advice of CLSA, consider the terms of the Transfer Agreement to be fair and reasonable insofar as the Independent Shareholders are concerned and consider the transaction contemplated by the Transfer Agreement to be in the interests of the Company and its shareholders. Accordingly, the Independent Directors recommend that the Independent Shareholders vote in favour of the resolutions to approve the Acquisition and the Transfer Agreement at the Extraordinary General Meeting.

9. OTHER INFORMATION

Your attention is also drawn to the letter from the Independent Directors and the letter from CLSA, which sets out its advice to the Independent Directors, and the additional information set out in the appendices of this circular.

Yours faithfully,
For and on behalf of
Huaneng Power International, Inc.

To the Independent Shareholders

Dear Sir or Madam,

CONNECTED TRANSACTION

We, the Independent Directors of Huaneng Power International, Inc., are advising the Independent Shareholders in connection with the Acquisition, details of which are set out in the letter from the Board contained in the circular ("Circular") of the Company to the Shareholders dated 22nd November 2002, of which this letter forms a part. Terms defined in the Circular shall have the same meanings when used herein unless the context otherwise requires.

Under the Hong Kong Listing Rules, the Acquisition and the Transfer Agreement constitute connected transactions for the Company. Accordingly, the Acquisition and the Transfer Agreement will require the approval of the Independent Shareholders at the Extraordinary General Meeting.

We wish to draw your attention to the letter of advice from CLSA set out on pages 15 to 22 of the Circular. We have discussed the letter and the opinion contained in it with CLSA.

We have also considered the opinion of Beijing H&J Vanguard Consulting Limited with respect to the Acquisition.

Having considered, inter alia, the factors and reasons considered by, and the opinion of, CLSA, as stated in its aforementioned letter, we consider the Acquisition and the Transfer Agreement to be fair and reasonable so far as the Independent Shareholders are concerned. Accordingly, we recommend that the Independent Shareholders vote in favour of the ordinary resolutions in the Notice of Extraordinary General Meeting set out at the end of the Circular to be proposed at the Extraordinary General Meeting to be held on 31st December 2002 and thereby approve the Acquisition and the Transfer Agreement.

Yours faithfully,
Gao Zongze Zheng Jianchao Qian Zhongwei

22nd November 2002

To the Independent Directors of
Huaneng Power International, Inc.

Dear Sirs,

CONNECTED TRANSACTION

We refer to our engagement under which CLSA Equity Capital Markets Limited ("CLSA") has been appointed to advise the Independent Directors in connection with the terms of the Acquisition. Pursuant to the Listing Rules, the Acquisition constitutes a connected transaction for the Company and is subject to the approval of the Independent Shareholders at a general meeting. Details of the Acquisition are set out in the letter from the Board included in the circular dated 22nd November 2002 (the "Circular") issued by the Company to its shareholders ("Shareholders" and individually each a "Shareholder"). This letter has been prepared for inclusion in the Circular and terms used in this letter have the same meanings as defined in the Circular unless the context otherwise requires.

In our capacity as independent financial adviser to the Independent Directors, our role is to give an independent opinion as to whether the terms of the Acquisition are fair and reasonable insofar as the Independent Shareholders are concerned. Our opinion letter to the Independent Directors has been prepared and delivered in accordance with the requirements of the Listing Rules for the purposes of assisting the Independent Directors in their duties to evaluate the terms of the Acquisition and for no other reason. The assumptions made and the analysis conducted in our letter were undertaken in accordance with the customs and practices employed in similar transactions in Hong Kong.

In formulating our opinion, we have relied on the information, opinions and facts supplied, and representations made to us, by the Directors and representatives of the Company (including those contained or referred to in the Circular) and have assumed that all such information, opinions, facts and representations, which have been provided by the Directors and such representatives, and for which they are wholly responsible, are true and accurate in all respects. We have also relied on certain information available to the public and we have assumed such information to be accurate and reliable, and we have not independently verified the accuracy of such information. Further, we have relied on the representations of the Directors that they have made all reasonable inquiries, and to the best of their knowledge and belief, that there are no other facts, the omission of which would make any statement contained in the Circular untrue or misleading. We have also assumed that statements and representations made or referred to in the Circular were accurate at the time they were made and continue to be accurate at the date of despatch of the Circular.

LETTER FROM CLSA EQUITY CAPITAL MARKETS LIMITED

We consider that we have reviewed sufficient information to enable us to reach an informed view and to justify relying on the accuracy of the information provided in the Circular as well as to provide a reasonable basis for our advice. We have not, however, made any independent evaluation or appraisal of, nor have we conducted any form of independent investigation into, the business affairs or assets and liabilities of the Target Power Plants or the Company. Additionally, we did not conduct any physical inspection of the properties or facilities of the Target Power Plants or the Company. It is not within our terms of reference to comment on the commercial feasibility of the Acquisition, which remains the responsibility of the Directors. As the independent financial adviser to the Independent Directors, we have not been involved in the negotiations in respect of the terms of the Acquisition. Our opinion with regard to the terms thereof has been made on the assumption that all obligations to be performed by each of the parties to the Acquisition will be fully performed in accordance with the terms thereof.

Our opinion is necessarily based upon market, economic and other conditions as they existed and could be evaluated on, and on the information publicly available to us as of the date of the opinion. We have no obligation to update this opinion to take into account events occurring after the date that this opinion is delivered to the Independent Directors. As a result, circumstances could develop prior to completion of the Acquisition that, if known at the time we rendered our opinion, would have altered our opinion.

CLSA is a registered investment adviser under the Securities Ordinance (Chapter 333 of the laws of Hong Kong) and together with its affiliates provide a full range of investment banking and broking services, which, in the course of normal trading activities, may from time to time effect transactions and hold securities, including derivative securities, of the Company for our own account and the accounts of customers. We will receive a fee from the Company for rendering this opinion. The Company has also agreed to indemnify CLSA and certain related persons against certain liabilities and expenses in connection with this engagement.

PRINCIPAL FACTORS AND REASONS CONSIDERED

In arriving at our opinion with regard to the terms of the Acquisition, we have considered the principal factors and reasons set out below. None of these factors or reasons considered by us was assigned a greater significance than any other. We did not form a conclusion as to whether any individual factors or reasons, considered in isolation, supported or failed to support our opinion, although we are not aware of any matter which would have rendered our opinion differently by the results of our analyses of any such individual factors or reasons. Rather, in reaching our conclusion, we have considered the results of the analyses in light of each other and ultimately reached our opinion based on the results of all analyses taken as a whole.

1. The Transfer Agreement

On 16th November 2002, the Directors announced that the Company had entered into the Transfer Agreement, pursuant to which, the Company agreed to acquire from Huaneng Group its 30% interest in Shanghai Shidongkou First Power Plant and 5% interest in Jiangsu Taicang Power Plant, for a consideration of RMB415 million (approximately HK\$391million), which is payable in cash on completion of the Acquisition.

Edgar Filing: HUANENG POWER INTERNATIONAL INC - Form 6-K

Details of the Acquisition are set out in the letter from the Board contained in the Circular.

2. Reasons for the Acquisition

The Target Power Plants are located in the coastal regions of Shanghai Municipality and Jiangsu Province respectively. The Directors believe that the Acquisition will further increase the Company's market share in Eastern China, which is a region with high economical growth and strong demand for power. The Directors believe the Acquisition is consistent with the Company's long-term development strategy. After the completion of the Acquisition, the total net installed capacity of the Company will increase to 14,285MW, representing an increase of 390MW.

For further details of the reasons for the Acquisition, please refer to the letter from the Board contained in the Circular.

3. Interest to be acquired

Set out below are certain financial information of the Target Power Plants extracted from the audited financial statements of the Target Power Plants as at 31st December 2001 prepared under PRC GAAP and after taking into account the unaudited adjustments in order to comply with IAS.

In RMB million unless stated otherwise

	Location	Sales	Net Profit	Book Value of Equity	Installed Capacity (MW)	E Int acq
Shanghai Shidongkou First Power Plant	Shanghai Municipality	1,532.6	165.5	312.4	1,200.0	
Jiangsu Taicang Power Plant	Jiangsu Province	949.2	159.4	750.7	600.0	

We have also considered the unaudited management accounts of the Target Power Plants for the nine-month period ended 30th September 2002 as supplied to us by the Directors of the Company. We noted that the net profits of Shanghai Shidongkou First Power Plant and Jiangsu Taicang Power Plant for the 2002 nine-month period were Rmb101.45 million and Rmb83.42 million respectively under PRC GAAP, which compare to Rmb130.37 million and Rmb169.01 million respectively under PRC GAAP for the full year 2001. We understand from the Directors that the net profit of Jiangsu Taicang Power Plant for the 2002 nine-month period was adversely affected by, inter-alia, a non-operating expense of Rmb43.94 million which relates to the losses incurred in the sale of staff quarters to employees, and which is considered a non-recurring extra-ordinary expense by the Directors.

Further details relating to the Target Power Plants are set out in the letter from the Board in the Circular.

4. Funding of the Acquisition

Edgar Filing: HUANENG POWER INTERNATIONAL INC - Form 6-K

The consideration for the Acquisition will be funded by internal resources of the Company.

As disclosed in the financial statements as at 30th June 2002, the Company had total cash and cash equivalent resources of approximately RMB4,791 million, and its long term and short term debts were approximately RMB10,785 million, representing a net debt to equity ratio of approximately 21%. The Directors believe the Company will have sufficient resources for future working capital purposes after the Acquisition.

5. Consideration and valuation

The consideration was determined through arm's length negotiations and based on normal commercial terms between the parties thereto, after taking into account the appraisal conducted by Zhonghua, an independent appraiser qualified in the PRC.

According to the audited accounts under PRC GAAP and the unaudited adjustments to comply with IAS, the net book value of the Huaneng Group Interest as at 31st December 2001 was RMB163.8 million in accordance with PRC GAAP and RMB131.3 million in accordance with IAS. The consideration for the acquisition of the Huaneng Group Interest of RMB415 million (approximately HK\$391 million) represents approximately a premium of 153% and 216% to the net book value under PRC GAAP and IAS respectively. Under PRC GAAP, the Acquisition price represents 8.7 times of 2001 earnings attributable to the Huaneng Group Interest and implies a ratio of 4.1 of enterprise value to 2001 EBITDA attributable to the Huaneng Group Interest. Taking into account the unaudited adjustments to comply with IAS, the Acquisition price represents 7.2 times of 2001 earnings attributed to the Huaneng Group Interest and implies an enterprise value to 2001 EBITDA ratio of 4.2.

In formulating our opinion, we have considered the current market multiples of various comparable and listed companies based in the PRC and other Asian countries based on their respective market price as at the Latest Practicable Date and their latest available full year financial statements.

Set out below are certain details of the comparable listed companies that are engaged in the power generation business.

For the purpose of comparison only, we have considered various measures including:

- the enterprise value to net sales ratio,
- the enterprise value to EBITDA ratio,
- the enterprise value to EBIT ratio,
- the price to earnings ratio,
- the price to book value of equity ratio,
- the price to cash flow ratio,
- the enterprise value per MW ratio,

based on publicly available data as at the Latest Practicable Date and the listed companies' latest available full year financial statements.

As indicated earlier, the consideration for the Acquisition represents approximately 2.5 times and 3.2 times of the book value of Huaneng Group Interest as at 31st December 2001 under PRC GAAP and IAS respectively. As stated in the letter from the Board contained in the Circular, the book value reflected the comparatively low amount of the historical costs of construction and has taken into account depreciation of those assets, whereas the consideration reflects the value of the Target Power Plants which can be generated by their operation. The book value of Huaneng Group Interest is stated net of the attributable portion of the debts of the Target Power Plants, which, after netting of the attributable portion of cash and bank deposit, amounted to approximately Rmb277 million as at 31st December 2001 under PRC GAAP. Save for this price to book value of equity multiple, the consideration for the Acquisition as multiples to the other measures set out in the above table is within the ranges of the multiples of the comparable companies set out in the table. However, because of the inherent differences between the businesses, operations and prospects of the Target Power Plants and those of the companies included in the comparable companies group, the market multiples comparison above should be used with care.

Having considered the above-mentioned principal factors (items 1 to 5), we are of the opinion that the transactions contemplated under the Acquisition are fair and reasonable so far as the Independent Shareholders are concerned.

OPINION

Having considered the above-mentioned principal factors, we are of the opinion that the terms of the Acquisition are fair and reasonable so far as the Independent Shareholders are concerned and the transactions contemplated thereunder are in the interest of the Company as a whole.

Yours faithfully
For and on behalf of
CLSA Equity Capital Markets Limited

1. INTRODUCTION

On 7th November, 2002, the Board of Directors announced that the Company had entered into the Entrusted Management Agreement with Huaneng Group and HIPDC pursuant to which Huaneng Group and HIPDC agreed to engage the Company to manage the Entrusted Power Plants.

Huaneng Group is an indirect controlling shareholder of the Company, holding a 51.98% interest in HIPDC. As of the Latest Practicable Date, HIPDC held 2,554,840,000 domestic shares in the Company, representing 42.58% of the total issued share capital (domestic shares and foreign shares) of the Company. Accordingly, the transaction contemplated by the Entrusted Management Agreement constitutes a connected transaction for the Company within the meaning of the Hong Kong Listing Rules.

The purpose of this circular is to provide you with further information in relation to the Entrusted Management Agreement, and to set out the opinion provided by the PRC independent financial advisor under Shanghai Listing Rules, and the Notice of the EGM.

2. ENTRUSTED MANAGEMENT AGREEMENT

The Entrusted Management Agreement was approved by the Directors at the board meeting held on 5th November, 2002 and signed by Huaneng Group,

Edgar Filing: HUANENG POWER INTERNATIONAL INC - Form 6-K

HIPDC and the Company on 6th November, 2002.

Date of the Entrusted Management Agreement:

6th November, 2002

Parties:

Entrusting Party: Huaneng Group HIPDC

Managing Party: The Company

Assets entrusted:

- (i) 17 Entrusted Power Plants currently managed and power plants in the future controlled by the Huaneng Group;
- (ii) 5 Entrusted Power Plants currently managed and power plants in the future controlled by HIPDC.

Service rendered:

Management service provided by the Company in respect of the Entrusted Power Plants. The Entrusted Management Agreement has a term of 5 years. Upon the expiry of the Entrusted Management Agreement, unless any party intends otherwise, it will continue to be operational. The Entrusted Management Agreement may also be terminated by, inter alia, (i) Huaneng Group and/or HIPDC giving 30 days notice to the Company or (ii) the Company giving 90 days notice to Huaneng Group and/or HIPDC.

Service fee:

The total management fee per year in respect of the Entrusted Management is approximately RMB50.6 million. If the aggregate Net Installed Capacity of the Entrusted Power Plants exceeds 14,000 MW, the monthly service fee payable by Huaneng Group and/or HIPDC to the Company shall be adjusted as follows:

$$\frac{\text{the service fee payable for the previous month}}{\text{the aggregate of the actual Net Installed Capacity of the Entrusted Management for the previous month}} \times \text{the aggregate of the actual Net Installed Capacity of the Entrusted Management for the previous month}$$

The service fee (excluding the incentive/penalty element) is payable monthly by Huaneng Group and HIPDC to the Company. The service fee in respect of the Entrusted Management was determined on the basis of normal commercial terms

Edgar Filing: HUANENG POWER INTERNATIONAL INC - Form 6-K

and arm's length negotiation between the parties thereto with reference to international practice.

Condition: Entrusted Management Agreement) being approved and adopted by the Independent Shareholders.

3. RATIONALE FOR THE TRANSACTION AND PRICING FACTORS

The Company currently operates 17 power plants in the PRC with a net generation capacity of 13,895 MW. The Company develops, constructs, operates and manages large thermal power plants in China nationwide. It is the largest independent power producer in China.

The Company is able to gain more management experience and improve its management abilities through the management of the Entrusted Power Plants, thereby minimizing competition with related parties. By reason of the above, the Company will be able to further strengthen its leading position in the power generation market of the PRC. At the same time as streamlining the management structure of the thermal power generation assets of the Huaneng Group, the Entrusted Management is in accordance with the long-term development strategy of the Company.

The Entrusted Management will also enable the Company to obtain direct knowledge of the development status of more power markets, thereby exploring new development opportunities. The Entrusted Management will be one of the main driving forces of the Company's future development.

The service fee payable by Huaneng Group and HIPDC comprises the following three components:

- (i) costs (including set-up, operational and other recurrent items to be incurred by the Company in managing the Entrusted Power Plants), namely RMB46 million per annum;
- (ii) a premium to cover estimation risks which represents 10% of the costs, namely RMB4.6 million per annum; and
- (iii) an incentive / penalty component which is calculated based on the confirmed results of the Entrusted Management and shall not exceed 15% of the costs in (i), namely either an incentive or a penalty of not more than RMB6.9 million per annum.

The costs in (i) will be adjusted annually in accordance with the Entrusted Management Agreement, which will be by reference to the inflation rate of the previous year as published by the State Statistic Department and the salary component of the service fee will be adjusted by the percentage increase approved by the board of the Company. This methodology is consistent with international practice and is equitable to all shareholders of the Company.

4. INFORMATION REGARDING THE ENTRUSTED POWER PLANTS

The Entrusted Power Plants include 17 plants currently managed by Huaneng Group with a total Net Installed Capacity of 10,799 MW and 5 plants currently managed by HIPDC with a total Net Installed Capacity of 3,644 MW.

Note 3: The structure of the investment is subject to confirmation. However, HIPDC will have an interest in them of more than 50%.

Note 4: Beneficiaries nominated by the local governments.

5. CONNECTED TRANSACTION

As Huaneng Group and HIPDC are indirect and direct substantial shareholders of the Company due to HIPDC's 42.58% ownership of the Company and Huaneng Group's 51.98% ownership in HIPDC, under the Hong Kong Listing Rules, Huaneng Group and HIPDC are connected persons of the Company. The Transaction therefore constitutes a connected transaction for the Company under Rule 14.25(1) of the Hong Kong Listing Rules.

The estimated service fee payable in respect of the Transaction per annum falls below the de minimus threshold of the higher of HK\$10,000,000 or 3% of the net tangible assets of the Company (and its subsidiaries) under Rule 14.25(1) of the Hong Kong Listing Rules.

6. Directors' opinion on the Transaction

The Directors (including the Independent Directors) consider that the Transaction is and will be carried out in the Company's ordinary course of business on an arm's length basis, on normal commercial terms and is fair and reasonable to the shareholders of the Company. The Directors believe that the consideration under the Transaction is reasonable and is fair to both the Company and all its shareholders. The Entrusted Management is in accordance with the long-term development strategy of the Company.

7. Waiver to be sought

As the Directors consider that it would be impracticable for the Company to comply strictly with the connected transactions requirements of the Hong Kong Listing Rules on each occasion when the Transaction arises, the Company will apply to the Hong Kong Stock Exchange for a waiver of the Transaction from strict compliance with such requirements:

- (a) the Transaction will be (i) in the ordinary and usual course of business of the Company; and (ii) either on normal

Edgar Filing: HUANENG POWER INTERNATIONAL INC - Form 6-K

commercial terms, or on terms no less favourable than those available to (or from) independent third parties; or (iii) where there is no available comparison for the purpose of determining whether (i) or (ii) is satisfied, on terms that are fair and reasonable so far as the shareholders of the Company are concerned;

- (b) the aggregate value of the Transaction in each financial year will not exceed 3% of the net tangible assets of the Company (as disclosed in the Company's published consolidated accounts) during the latest period;
- (c) details of the Transaction as required by Rule 14.25(1) (A) to (D) of the Hong Kong Listing Rules to be disclosed in the Company's next and subsequent published annual reports;
- (d) the Independent Directors shall review annually the Transaction and confirm in the Company's annual report that the Transaction has been conducted in the manner stated in conditions (a) and (b) above; and
- (e) the auditors of the Company shall review annually the Transaction, and confirm to the board of Directors in writing (a copy of which will be provided to the Stock Exchange) that the Transaction:
 - (i) received the approval of the Directors;
 - (ii) has been entered into at price levels consistent with the pricing policies as stated in the relevant agreements;
 - (iii) has been entered into in accordance with the terms of the agreement governing the Transaction; and
 - (iv) has not exceeded the cap as set out in condition (b) above.

Where, for whatever reason, the auditor declines to accept the engagement or is unable to provide the letter, the Directors shall notify the Stock Exchange immediately.

8. CONNECTED TRANSACTION UNDER SHANGHAI LISTING RULES

As the A shares of the Company are listed on the Shanghai Stock Exchange, the Company is required, in addition to the Hong Kong Listing Rules, also to comply with the Shanghai Listing Rules.

The Transaction constitutes a connected transaction under the Shanghai Listing Rules, which shall be subject to the approval of the Company's shareholders. The connected persons (as defined under the Shanghai Listing Rules) shall abstain from voting on resolutions related to the Transactions.

In accordance with Rule 7.3.11(9) of the Shanghai Listing Rules, the Company has appointed Beijing H&J Vanguard Consulting Limited ("Hejun") as the PRC independent financial advisor to the Independent Directors in respect of the Transaction.

Details of Hejun's views regarding the Transaction are set out in Appendix II on pages 14 to 27 of this Circular for information only.

Edgar Filing: HUANENG POWER INTERNATIONAL INC - Form 6-K

The Independent Directors are of the view that (1) the board of Directors has met the relevant requirements of the Shanghai Listing Rules and the articles of association of the Company regarding approval of the relevant resolutions of the Transaction; and (2) the Transaction arising therefrom is fair to the Company's shareholders.

9. THE EGM

The Company will convene an EGM at 9:00 a.m. on 23rd December, 2002 at Beijing International Convention Centre at No. 8 Beichen East Road, Chaoyang District, Beijing, PRC to seek the approval by the Independent Shareholders of the Entrusted Management Agreement. Huaneng Group, HIPDC and their respective Associates will abstain from voting in the EGM in respect of the ordinary resolution to approve the Entrusted Management Agreement. Notice of the EGM is set out on pages 28 to 43 in this circular.

A reply slip and a form of proxy for use by the Independent Shareholders at the Extraordinary General Meeting is enclosed with this circular. Whether or not you intend to attend the meeting in person, you are requested to complete and return the reply slip in accordance with the instructions printed thereon to the registered office of the Company at West Wing, Building C, Tianyin Mansion, 2C, Fuxingmennan Street, Xichang District, Beijing, PRC as soon as possible but in any event by [2nd December], 2002. The enclosed form of proxy should be completed and returned to the Company's H Share Registrar, Hong Kong Registrars Limited, at 1901-5, 19/F, Hopewell Centre, 183 Queen's Road East, Hong Kong or the registered office of the Company in accordance with the instructions printed thereon as soon as practicable and in any event by not later than 24 hours before the time appointed for the holding of the EGM. Completion and return of the form of proxy will not preclude you from attending and voting in person at the meeting should you so wish.

Yours faithfully,
For and on behalf of
Huaneng Power International, Inc.
Wang Xiaosong
Vice Chairman

V. Principles in relation to this Connected Transaction

To comply with the provisions of the laws, legal stipulations and relevant policies of the State;

To comply with the principles of equal negotiations and equal consideration;

To comply with the principles of openness, fairness, fair play and honesty;

To fully protect the interests of all the shareholders, particularly the interests of the independent shareholders.

VI. Matters relating to the Entrusted Management

The Entrusted Management Agreement was signed by Huaneng Group, HIPDC and Huaneng International on 6th November, 2002.

A. Details of the Entrusted Management

According to the provisions of the Entrusted Management Agreement, Huaneng International shall provide management service in respect of the Entrusted Power Plants to the entrusting parties in accordance with all applicable regulations, with reference to the management and operation experience applicable to thermal power plants both inside and outside the PRC and advance and effective management methods formed by the Company over the past years. The management service provided by Huaneng International shall include all or part of the provisions stipulated in Chapter 2 of the Entrusted Management Agreement but shall not exceed the management right to which the entrusting parties are entitled in respect of any Entrusted Power Plant according to the law or pursuant to the relevant agreements or arrangements, including: comprehensive planned management, annual planned management, power operation and sale management, production management of power plants, fuel management, construction management, financial management, human resources and labour wages management, comprehensive affairs management, shareholding management and reporting/co-ordination management.

B. Principles used in determining the service fee for the entrusted management

According to the Entrusted Management Agreement, Huaneng Group and HIPDC shall pay a service fee to Huaneng International. The service fee comprises of the following three components:

1. costs (including set-up, operational, staff and other recurrent items to be incurred by Huaneng International in managing the Entrusted Power Plants);
2. premium (which covers estimation risks); and
3. an incentive/penalty component.

The costs as referred to in (1) above will be adjusted annually in accordance with the Entrusted Management Agreement, which is by reference to the inflation rate and the salary component will

Edgar Filing: HUANENG POWER INTERNATIONAL INC - Form 6-K

be adjusted by the percentage increase approved by the board of the Company.

C. Service fee of this entrustment

Huaneng Group, HIPDC and Huaneng International agree that the service fee will comprise the following three components:

1. costs, namely RMB46 million per annum;
2. a premium to cover estimation risks which represents 10% of the costs, namely RMB4.6 million per annum; and
3. an incentive/penalty component which is calculated based on the confirmed results and does not exceed 15% of the costs, namely either an incentive or a penalty of not more than RMB6.9 million.

There will be no adjustments of the service fee if the aggregate Net Installed Capacity of the Entrusted Power Plants does not exceed 14,000 MW. If the aggregate net installed capacity of the Entrusted Power Plants exceeds 14,000 MW, the monthly service fee payable by Huaneng Group and/or HIPDC to the Company shall be adjusted as follows:

$$\begin{array}{r} \text{the service fee payable} \\ \text{for the previous month} \end{array} \quad \times \quad \begin{array}{r} \text{the aggregate of the actual net instal} \\ \text{consigned under the entrusted man} \\ \text{for that month} \\ \hline \text{the aggregate of the actual net instal} \\ \text{consigned under the entrusted managem} \\ \text{previous month} \end{array}$$

The total service fee will be adjusted annually by reference to the inflation rate of the previous year as published by the State Statistic Department and the salary component will be adjusted by the percentage increase approved by the board of the Company.

D. Confirmation of Results

Huaneng Group and HIPDC will confirm the management services of Huaneng International according to, including but not limited to, the following two categories of results confirmation standards: (i) extent of annual achievement compared with the budget (including but not limited to indications such as power output, profit); and (ii) safe production.

E. Payment Method of Service Fee

Huaneng Group and HIPDC will pay the service fee to Huaneng International in cash. The costs and the premium component of the service fee will be settled monthly. Huaneng Group and HIPDC will pay the service fee for the current month to Huaneng International before the tenth day of each month. The incentive or penalty component of the service fee will be paid no later than a period of 90 days after

Edgar Filing: HUANENG POWER INTERNATIONAL INC - Form 6-K

conclusion of each year after confirmation of the performance by Huaneng International.

F. Conditions for Taking Effect of the Entrusted Management Agreement

The Entrusted Management Agreement becomes effective after approval by Huaneng Group, HIPDC and Huaneng International through appropriate procedures and approval at an Extraordinary General Meeting of Huaneng International.

G. Period for the Performance of the Entrusted Management Agreement

Except otherwise agreed by Huaneng Group, HIPDC and Huaneng International, the term of the Entrusted Management Agreement will be 5 years. Upon expiry of the term of the Entrusted Management Agreement, the Entrusted Management Agreement will continue to be effective unless any party intends otherwise. This entrustment may be: (i) terminated as a result of a breach by Huaneng International;

(ii) terminated as a result of a breach by Huaneng Group and/or HIPDC; (iii) terminated as a result of the issue of 30 days' prior termination notice by Huaneng Group and/or HIPDC to Huaneng International or issue of 90 days' prior termination notice by Huaneng International to Huaneng Group and/or HIPDC; and (iv) terminated if Huaneng Group and/or HIPDC and/or Huaneng International becomes bankrupt or loses its repayment ability.

VII. Opinion of the Independent Financial Advisor

A. Basic Assumptions

Our opinion on this Connected Transaction is given on the following assumptions:

1. the information on which we have relied is true, accurate and complete;
2. there is no material change in the existing laws, legal stipulations, guiding principles and policies of the State;
3. there is no material change in the social and operating environment in which Huaneng International, Huaneng Group, HIPDC and the Entrusted Power Plants involved in this Connected Transaction are situated;
4. there is no material adverse change caused by other unforeseen or force majeure factors.

B. Factors of Consideration

We have considered the following factors when issuing our opinion on this Connected Transaction:

1. main terms of the Entrusted Management Agreement;
2. completion of the legal works of this Connected Transaction;

Edgar Filing: HUANENG POWER INTERNATIONAL INC - Form 6-K

3. performance of the legal procedures of this Connected Transaction;
4. prices of power generation companies in the major markets including the PRC, Hong Kong and South-east Asia;
5. important data of similar transactions in the PRC, Hong Kong etc;
6. operation and market conditions of the Entrusted Power Plants.

C. Assessment on this Connected Transaction

After conducting careful and necessary investigations and reviewing the documents, data and information which we consider necessary for issuing this opinion including but not limited to the basic

information on the Entrusted Management Agreement, the parties to the transaction and the subject enterprises involved in this Connected Transaction and information on the securities markets available to the public, and after conducting relevant inquiries and detailed discussions on the relevant matters, our opinion is as follows:

1. This entrusted management transaction is legal

Huaneng International and Huaneng Group and HIPDC have signed the Entrusted Management Agreement in relation to this Connected Transaction, pursuant to which Huaneng Group and HIPDC represent and warrant that there is no third party consent relating to all Entrusted Power Plants without which this entrustment may not be conducted.

At the 22nd meeting of the Third Board of Directors of Huaneng International held on 5th November, 2002, the relevant resolutions related to this Connected Transaction were adopted. Directors of Huaneng International having an interest in this transaction have not participated in the voting of the resolution related to this Connected Transaction.

As the entrusted parties, Entrusted Power Plants and relevant intermediaries have performed the relevant legal work according to the legal procedures, we consider that this Connected Transaction is lawful.

2. This entrusted management transaction will have an active impact on the future production of Huaneng International

Huaneng International is currently the largest power generation company in the PRC and is listed on the Shanghai Stock Exchange of the PRC, the Hong Kong Stock Exchange and the New York Stock Exchange of the USA. The Company possesses extensive experience and resources in the operation and management of power generation, in particular management of thermal power generation assets. Huaneng Group and HIPDC own substantial thermal power generation assets. Accordingly, Huaneng Group and HIPDC are willing to entrust Huaneng International with the management of the thermal power assets controlled by them or in which they have interests in order to enhance the management efficiency of the assets, to ensure reasonable

Edgar Filing: HUANENG POWER INTERNATIONAL INC - Form 6-K

allocation of resources and to permit full performance of Huaneng International's experience and ability in the management of thermal power generation assets.

This entrustment will bring an active impact on the future development of Huaneng International.

After implementation of this entrustment, Huaneng International will be entrusted with the management of power assets with an installed capacity of 14,443 MW, thus increasing the installed capacity under the management of Huaneng International from 14,820 MW to 29,263 MW, representing an increase of 97% which will enhance the ability and experience of the Company in the operation and management of large-scale power generation assets.

This entrustment will bring new sources of income for Huaneng International. The annual revenue of Huaneng International in 2001 was RMB15,791,000,000. The annual revenue of Huaneng International will increase by RMB57,500,000 as a result of the service fee of this entrustment if the Company receives the costs, the premium and the incentive component in full.

This entrustment will further strengthen the leading position of Huaneng International in the power generation market of the PRC. Through the management of new power assets, Huaneng International will have the opportunity to broaden its operation and management scope of the power markets in Liaoning Province, Shandong Province and Hebei Province, etc. and enter into the rapidly developing power markets of Hubei Province, Hunan Province, Inner Mongolia, Chongqing, etc. Accordingly, the power assets of Huaneng International by way of shareholding, equity participation and entrusted management will cover 19 provinces, cities and autonomous regions in the PRC.

This entrustment will lay a foundation for future mergers and acquisitions by Huaneng International. Huaneng International will ascertain information of the Entrusted Power Plants during the process of operation and management thereby obtaining more experience in the operation and management of such plants. It also establishes a foundation for potential acquisitions or assets restructuring. All the above will have an active impact on the operation and development of the Company.

3. The service fee of this entrusted management transaction is reasonable

We consider that the pricing method of the service fee of this entrusted management has been formulated after full consideration of the potential costs and risks arising from the provision of the management services by Huaneng International to the Entrusted Power Plants and included a certain proportion of profit margin. After our detailed examination of the pricing method of the service fee, we are of the opinion that: the pricing method of the service fee of this entrustment is reasonable and appropriate which reflects the value of the management services provided by Huaneng International.

4. The risk faced by Huaneng International in this entrusted management transaction is relatively small

The Entrusted Management Agreement also sets out an incentive and penalty mechanism for Huaneng International, and also

Edgar Filing: HUANENG POWER INTERNATIONAL INC - Form 6-K

stipulates the maximum incentive and penalty amounts on the basis of the confirmed results. We are of the opinion that such provision is instrumental in encouraging and supervising the due performance of the obligations stipulated in the Entrusted Management Agreement by Huaneng International. The maximum incentive or penalty amounts shall not exceed 15% of the management costs, and, accordingly the risks faced by Huaneng International during the normal performance of the Agreement is controlled to a certain extent.

Both Huaneng Group and HIPDC are large State-owned power generation companies in the PRC. The debt structures of the two companies are reasonable with good credit ratings. It is anticipated that the implementation of management of the Entrusted Power Plants will further enhance the operation efficiency of the power plants and improve and enhance the financial conditions of the two companies. The amount of the service fee stipulated in the Entrusted Management Agreement is relatively small compared with the recurrent operating expenses of the two companies. As the service fee has to be paid each month according to the relevant provisions, we consider that the possibility of default in the payment of the service fee is very minimal.

Based on the above considerations, we believe this Connected Transaction has been concluded through arm's length negotiations between the parties to the transaction and the terms are reasonable. The Connected Transaction is also fair as far as all the shareholders of Huaneng International are concerned. This entrusted transaction will be instrumental in enhancing the management experience of Huaneng International and will make an impact on the future development of the Company, and the potential risk faced by Huaneng International will be relatively small in this transaction.

D. Independent Opinion

We consider that this Connected Transaction complies with the relevant laws and legal stipulations of the Contract Law of The People's Republic of China, Company Law of The People's Republic of China, Securities Law of The People's Republic of China and the Shanghai Listing Rules and the provisions of the Articles of Association of Huaneng International and adheres to the principle of fairness, reasonableness, justness and honesty, and the consideration of the transaction is reasonable without damaging the interests of the Company and independent shareholders of the Company.

VIII. Reminder to the Shareholders

- A. This Connected Transaction falls into the category of a connected transaction between a listed company and its controlling shareholders and the parent company of the controlling shareholders.
- B. Gao Zongze, Zheng Jianchao and Qian Zhongwei, independent directors of Huaneng International are of the opinion that:
 - 1. The voting procedures of the Board of Directors of Huaneng International in relation to this Connected Transaction and this Connected Transaction comply with the provisions of the Articles of Association of the Company and the Shanghai Listing Rules.
 - 2. This Connected Transaction is fair as far as

Edgar Filing: HUANENG POWER INTERNATIONAL INC - Form 6-K

Huaneng International and all its shareholders are concerned.

- C. This Connected Transaction is subject to approval at the Extraordinary General Meeting of Huaneng International to be held on 23rd December, 2002. According to the provisions of the Shanghai Listing Rules, when voting is being conducted on this Connected Transaction at the general meeting, associates interested in this Connected Transaction will abstain from voting in respect of the relevant resolution relating to this Connected Transaction at the general meeting.
- D. We would especially remind all the independent shareholders of Huaneng International to carefully read the relevant documents, including the Entrusted Management Agreement, the board resolutions and the Announcement on the connected transaction. The above documents are kept at the Securities Department of Huaneng International.

IX. Documents for inspection

- A. Resolutions of the 22nd meeting of the Third Board of Directors of Huaneng International;
- B. Entrusted Management Agreement entered into between Huaneng International, Huaneng Group and HIPDC; and
- C. Announcement on the Connected Transaction.

that is necessary for the performance of duties of independent directors;

- (5) other conditions stipulated in the Articles of Association.

Article 89

Candidates for Independent Directors of the Company shall be nominated by the Board of Directors, Supervisory Committee and shareholders singly or jointly holding more than 1% of the issued shares of the Company.

- 1.9 The original Article 104 which provides that:-

"The Supervisory Committee shall consist of three (3) supervisors, one of whom is the chairman of the committee. The term of office for a supervisor is three (3) years and a supervisor is eligible for re-election after the expiration of the three year term.

The election and removal of the Chairman of the Supervisory Committee shall be passed by two-thirds or more than two-thirds of its members."

is hereby amended as follows:-

"The Supervisory Committee shall consist of seven (7) Supervisors, one of whom is the Chairman of the committee and one acts as Vice-Chairman. External supervisors shall account for more than half of the total number of members of the Supervisory Committee. The term of office for a Supervisor shall not more than three (3) years and a Supervisor is eligible for re-election after the expiration of the three year term.

The election and removal of the Chairman and Vice Chairman of the Supervisory Committee shall be passed by two-thirds or more than two-thirds of its members."

- 1.10 The original Article 105 which provides that:-

"The members of the Supervisory Committee shall be two (2) representatives of the shareholders and one (1) employee representative. The election and removal of the representatives of the shareholders shall be decided at shareholders' general meetings. The election and removal of the employee representative shall be democratically decided by the employees of the Company."

is hereby amended as follows:-

"The members of the Supervisory Committee shall be six (6) representatives of the shareholders and one (1) employee representative. The election and removal of the representatives of the shareholders shall be decided at shareholders' general meetings. The election and removal of the employee representative shall be democratically decided by the employees of the Company."
