PROXY STATEMENT FOR
ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON MAY 25, 2010

This proxy statement and the accompanying form of proxy are being furnished to shareholders in connection with the solicitation of proxies on behalf of the Board of Directors (the “Board”) of Mexican Restaurants, Inc., a Texas corporation (the “Company”), for use at the Company’s 2010 Annual Meeting of Shareholders, to be held on Tuesday, May 25, 2010 at 10:00 a.m., Houston, Texas time, at the Company’s Corporate Office located at 12000 Aerospace Ave., Suite 400, Houston, Texas 77034 (the “Annual Meeting”), and at any adjournment, continuation or postponement thereof. The Notice of Annual Meeting, this Proxy Statement and the accompanying proxy, together with the Company’s Annual Report to Shareholders for the year ended January 3, 2010, are first being sent to shareholders on or about May 5, 2010.

At the Annual Meeting, the Company’s shareholders will be asked to approve an amendment to the Company’s Articles of Incorporation to eliminate the classified structure of the Board of Directors and any adjournment, if necessary, of the Annual Meeting to implement the amendment prior to voting for the election of directors; to consider and vote upon the election of four directors; and any other business as may properly come before the annual meeting.

Solicitation

The solicitation of proxies is made by and on behalf of the Board. The cost of the solicitation will be borne by the Company, including the reasonable expenses of brokerage firms or other nominees for forwarding proxy materials to beneficial owners. In addition to solicitation by mail, proxies may be solicited by telephone, the Internet or other electronic means, telecopy or in person. Proxies may be solicited by directors, officers and employees of the Company without additional compensation.

Record Date, Outstanding Shares and Voting Rights

The close of business on April 6, 2010, has been fixed as the record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting (the “Record Date”). On the Record Date, the Company had outstanding 3,413,099 shares of Common Stock, \$0.01 par value (“Common Stock”), each of which will be entitled to one vote.

In order to transact business at the Annual Meeting, a quorum consisting of a majority of all outstanding shares entitled to vote on the Record Date must be present. Abstentions and proxies returned by brokerage firms for which no voting instructions (“broker non-votes”) have been received from their principals will be counted for the purpose of determining whether a quorum is present, in person or by proxy. Once a share is represented for any purpose at the Annual Meeting, it will be deemed present for quorum purposes for the entirety of the meeting. A plurality of the votes cast is required for the election of directors. This means that the nominees receiving the highest number of votes cast for the number of positions to be filled are elected. Shareholders do not have the right to cumulate votes in the election of directors. In other words, the Company’s shareholders may not multiply the number of shares they own by the number of directorships being voted on and then cast the total for only one candidate or among any number of candidates as they see fit. Broker non-votes have no effect on the outcome of the election. Votes that are instructed to be withheld with respect to the election of one or more directors will not be voted for the director or directors

indicated, although they will be counted for purposes of determining whether a quorum is present. A majority of the outstanding shares entitled to vote that are represented at the meeting in person or by proxy is required for approval of any other matters that may be presented at the meeting.

If the enclosed proxy is executed and returned, the shares represented thereby will be voted in accordance with any specifications made by the shareholder. When proxies in the accompanying form are properly executed and received, the shares represented thereby will be voted at the Annual Meeting in accordance with the directions noted thereon; if no direction is indicated, such shares will be voted "FOR" the proposed amendment to the Company's Articles of Incorporation to eliminate the classified structure of the Company's Board of Directors and any adjournment, if necessary, to implement the amendment prior to voting for directors, and "FOR" the election of the four director nominees.

For matters requiring majority approval, abstentions have the effect of negative votes, meaning that abstentions will be counted in the denominator, but not the numerator, in determining whether a matter has received sufficient votes to be approved. Broker non-votes are not treated as shares entitled to vote on matters requiring majority approval and are excluded from the calculation. Therefore, broker non-votes have no effect on the outcome of the vote with respect to these matters.

The presence of a shareholder at the meeting will not operate to revoke his proxy. A proxy may be revoked at any time insofar as it has not been exercised by giving written notice of revocation to the Company, executing and returning a proxy with a later date, or by attending the Annual Meeting and voting in person.

If any other matters come before the meeting, the persons named in the proxy, or their substitutes, will vote thereon in accordance with their best judgment. The Board does not know of any matters other than as described below that will be presented for action at the meeting, and none of the members of the Board have informed the Company in writing that they intend to oppose any action intended to be taken by the Company.

NO PERSON IS AUTHORIZED TO GIVE ANY INFORMATION OR TO MAKE ANY REPRESENTATION OTHER THAN THOSE CONTAINED IN THIS PROXY STATEMENT, AND, IF GIVEN OR MADE, SUCH INFORMATION OR REPRESENTATIONS MUST NOT BE RELIED UPON AS HAVING BEEN AUTHORIZED. THE DELIVERY OF THIS PROXY STATEMENT SHALL, UNDER NO CIRCUMSTANCES, CREATE ANY IMPLICATION THAT THERE HAS BEEN NO CHANGE IN THE AFFAIRS OF THE COMPANY SINCE THE DATE OF THIS PROXY STATEMENT.

The executive offices of the Company are located at, and the mailing address of the Company is, 12000 Aerospace Ave, Suite 400, Houston, Texas 77034.

APPROVAL OF AN AMENDMENT TO THE
MEXICAN RESTAURANTS, INC.
ARTICLES OF INCORPORATION
TO ELIMINATE THE CLASSIFIED BOARD
STRUCTURE AND APPROVAL OF AN ADJOURNMENT, IF NECESSARY,
OF THE ANNUAL MEETING TO IMPLEMENT THE AMENDMENT

(Proposal 1)

The Board of Directors is seeking shareholder approval of an amendment to the Company's Articles of Incorporation to declassify the Board and provide for the annual election of all directors, and approval of an adjournment of the Annual Meeting, to the extent deemed necessary by the Board, to implement the amendment, as described below.

Current Classified Board Structure. Article Seven of the Company's current Articles of Incorporation, as amended, divides the Company's directors into three classes, with members of each class serving three-year terms of office. Consequently, at any given Annual Meeting of Shareholders, the shareholders have the ability to elect only one class of directors, constituting roughly one-third of the entire Board.

Proposed Declassification of the Board. On April 14, 2010, the Board of Directors voted to approve, and to recommend that the shareholders approve at this Annual Meeting, an amendment to the Company's Articles of Incorporation that would eliminate the Board's classified structure and provide for the annual election of all directors. If the Company's shareholders approve the proposed amendment, then we will close the polls and briefly adjourn the Annual Meeting following the vote on the proposal in order to effect the filing of Articles of Amendment with the Secretary of State of the State of Texas, as the amendment will not become legally effective until the Company has so filed the Articles of Amendment. Following the filing of the Articles of Amendment, we intend to reconvene the Annual Meeting for the shareholders to vote on Proposal 2, the election of directors. At that reconvened meeting, if the amendment has been approved and implemented, the four Class II director nominees will each be elected to a one-year term. We contemplate that the reconvened meeting will be at the same location and on the same business day; however, it will not be necessary for shareholders to appear at the reconvened meeting in person to vote their shares and it will not be necessary for shareholders to submit a separate proxy so long as they have submitted a valid proxy or written ballot at the Annual Meeting. If the shareholders do not approve the amendment, then the Annual Meeting will continue without an adjournment and the four Class II director nominees will be elected to three-year terms to serve until the 2013 Annual Meeting of Shareholders.

Directors who have been elected to three-year terms prior to the effectiveness of the amendment will complete those terms. Going forward, after the amendment directors whose previous terms are expiring will be subject to election for a one-year term expiring at the next annual meeting. Thus, if the amendment is approved and implemented, beginning with the 2012 Annual Meeting of Shareholders the entire Board will be elected annually.

Rationale for Declassification. The Board is committed to good corporate governance at the Company. Accordingly, in determining whether to propose declassification as described above, the Board carefully reviewed the various arguments for and against a classified board of directors structure.

The Board recognizes that a classified structure may offer several advantages, such as promoting Board continuity and stability, encouraging directors to take a long-term perspective, and reducing a company's vulnerability to coercive takeover tactics. The Board also recognizes, however, that a classified structure may appear to reduce directors' accountability to shareholders, since such a structure does not enable shareholders to express a view on each director's performance by means of an annual vote. The Board also believes that implementing annual elections for all directors would support the Company's ongoing effort to adopt "best practices" in corporate governance.

In view of the considerations described above, the Board of Directors has determined that it is in the best interests of the Company and its shareholders to eliminate the classified Board structure as proposed.

Text and Legal Effectiveness of Proposed Amendments. Approval of this proposal will cause Article Seven of the Company's Articles of Incorporation to be amended and restated in its entirety. A copy of Article Seven as it is proposed to be amended and restated is attached to this proxy statement as Appendix A.

Under Texas law, if the shareholders approve the amendments, the amendments will not become legally effective until the Company files articles of amendment with the Secretary of State of the State of Texas, which we intend to do immediately following the vote and approval of the amendment in Proposal 1 at the Annual Meeting.

Vote Requirement. The affirmative vote of a two-thirds of the outstanding shares entitled to vote on the proposal at the Annual Meeting is required for approval of the amendment to eliminate the Board's classified structure. Proxies solicited by the Board will be voted "FOR" approval of the amendment unless a shareholder specifies otherwise.

THE BOARD RECOMMENDS A VOTE "FOR" APPROVAL OF AN AMENDMENT TO THE MEXICAN RESTAURANTS, INC. ARTICLES OF INCORPORATION TO ELIMINATE THE CLASSIFIED BOARD STRUCTURE AND APPROVAL OF AN ADJOURNMENT, IF NECESSARY, OF THE ANNUAL MEETING TO IMPLEMENT THE AMENDMENT.

ELECTION OF DIRECTORS

(Proposal 2)

The Company's Articles of Incorporation currently provide for the Board to be divided into three approximately equal classes, designated as Class I, Class II and Class III, with staggered terms of three years. As described above under Proposal 1, proposal before the shareholders will seek approval for declassification of the Board. Provided this proposal is approved and the amendment to the Company's Articles of Incorporation is implemented as described above in Proposal 1, the directors elected at this year's meeting will be elected to one year terms. Current Directors with terms ending after this year will continue their respective terms until their normal expirations. Thereafter, they will be eligible for election to new one year terms. The persons listed on the table below have been nominated by the Board of Directors for election as directors at our May shareholder meeting. Unless otherwise indicated, all proxies that authorize the proxy holders to vote for the election of directors will be voted FOR the election of the nominees listed below. If a nominee becomes unavailable for election as a result of unforeseen circumstances, it is the intention of the proxy holders to vote for the election of such substitute nominee, if any, as the Board may propose. As of the date of this Proxy Statement each of the nominees has consented to serve and the Board is not aware of any circumstances that would cause a nominee to be unable to serve as a director.

The following information is set forth with respect to the persons nominated for election as a director and each director of the Company whose term of office will continue after the meeting.

INFORMATION REGARDING THE BOARD AND ITS COMMITTEES

Introduction

The mission of the Board is to provide strategic guidance to the Company's management, to monitor the performance and ethical behavior of the Company's management, and to maximize the long-term financial return to the Company's shareholders, while considering and appropriately balancing the interests of other stakeholders and constituencies.

On February 17, 2010, Cara Denver resigned from her position as a director of Mexican Restaurants, Inc. effective immediately. On April 2, 2010 Lou Neeb informed the Company that he would not stand for re-election as a director at this year's Annual Meeting. After Mr. Neeb's current board term ends, the Company plans to name him Chairman Emeritus of the Company.

As described above, proposal before the shareholders will seek approval for declassification of the board. Provided this proposal is approved and implemented, the directors elected at this year's Annual Meeting will be elected to one year terms. Directors who have terms ending after this year will continue their term until its normal expiration. Thereafter, they will be eligible for election to new one year terms.

Four regularly scheduled meetings and one special meeting of the Board were held during 2009. All directors attended all Board meetings.

Committees of the Board

Audit Committee. The Board has an Audit Committee, the members of which are Messrs. Martin, Fitzsimmons and Fritzmeier; Mr. Martin serves as Chairman. Mr. Domec was a member of the Committee until August 2007 at which time the Board made committee assignment changes due to changes in membership of the Board. The members of the Audit Committee have all been determined to be financially literate and to meet appropriate NASDAQ and SEC standards for independence. The Audit Committee held four meetings during 2009. The Board of Directors has reviewed the qualifications of the members of the Board of Directors and determined that Mr. Martin and Mr. Fitzsimmons are each "audit committee financial experts" as defined by applicable SEC rules. In accordance with the written charter adopted by the Board, the Audit Committee is responsible for the oversight of (i) the integrity of the Company's disclosure controls and procedures; (ii) the integrity of the Company's internal controls over financial reporting; and (iii) the qualifications, independence, appointment, compensation and performance of the Company's independent registered public accounting firm. It is also responsible for administering the Company's Code of Ethics and Code of Conduct, applicable to the Company's principal executive officer, principal financial officer and other members of the Company's management, the establishment of "whistle-blowing" procedures; and oversight of certain other compliance matters. UHY LLP, the Company's independent registered public accounting firm, reports directly to the Audit Committee.

The Board does not have a nominating committee or any committee performing a similar function. All matters that would be considered by such a committee are acted upon by the independent members of the full Board. The Board will consider recommendations by shareholders of the Company with respect to the election of directors if such recommendations are submitted in writing to the secretary of the Company and received not later than the end of the Company's preceding fiscal year. Such recommendations should be accompanied by a full statement of qualifications and confirmation of the nominee's willingness to serve.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis.

The Company's Compensation/Stock Option Committee is empowered to review and approve, or in some cases recommend for the approval of the full Board of Directors, the annual compensation and compensation procedures for the Company's executive officers and the Chairman of the Company: comprised of the Chairman, the President and Chief Executive Officer, the Chief Operating Officer and the Chief Financial Officer.

Objectives of Our Compensation Program

The primary objective of our compensation program, including our executive compensation program, is to attract and retain qualified, energetic employees who are enthusiastic about the Company's mission and culture. A further objective of our compensation program is to provide incentives and reward employees for their contribution to the Company. In addition, we strive to promote an ownership mentality among key employees. The objective is to align management's interest with that of the Company's shareholders. The Company compensates both to reward for current, annual performance, while at the same time incentivizing management to act in the best interests of the long term performance goals.

What Our Compensation Program is Designed to Reward

Our compensation program is designed to reward each key employee's contribution to the Company. In measuring the executive officers' contributions to the Company, the Compensation/Stock Option Committee considers numerous factors, including the Company's growth and financial performance, individual performance, scope of responsibility, prior experience, breadth of knowledge and comparison against the competitive practices of relevant comparative companies of similar size, as well as indicators derived from published compensation surveys of companies in the Company's industry.

Regarding most compensation matters, including executive compensation, our management provides recommendations to the Compensation/Stock Option Committee; however, the Committee does not delegate any of its functions to others in setting compensation. We do not currently engage any consultant related to executive and/or director compensation matters.

Elements of the Company's Compensation Plan and Why We Chose Each (How It Relates to Objectives)

The compensation policies and programs of the Company are considered by the Compensation/Stock Option Committee within the context of an integrated total rewards framework. Within this framework, the committee considers and determines various components of "pay" – base salary, annual incentive compensation, long-term equity incentive compensation, benefits and perquisites. As incentive compensation, Company executives are eligible to receive annual cash bonus awards based in part on a formula of profits, same-store sales growth, new restaurant openings and cash flow relative to financial plan. It is through the considered combination of these programs that the committee believes it can most effectively support and facilitate the ultimate creation of value for shareholders.

Components of Executive Compensation

Annual Pay for Executive Officers. The primary components of annual pay to the Company's executive officers are base salary and annual bonuses. Base salaries represent a fixed portion of compensation and are based on the executive's title and responsibilities. Base salaries are typically reviewed annually. The Compensation/Stock Option Committee's intent is to establish total cash compensation sufficiently high to attract and retain a strongly motivated leadership team. We follow the same methodology used for all elements of compensation in setting base salaries, considering a broad range of factors including an officer's current base salary, individual performance, comparison against the competitive practices of relevant comparable companies in the Company's industry, and published compensation surveys.

Annual Bonuses. The Compensation/Stock Option Committee awards bonuses to reward achievement of performance targets, including same-store sales growth. Bonuses reflect successful achievement of pre-specified annual performance goals. Bonuses are paid in cash. Our bonus pool funding is linked to the performance achieved for the fiscal year. The pool is derived from an objective formula based on targeted EBITDA and same-store sales

results. The Committee approves annual performance goals generally at the December meeting for the subsequent fiscal year. Since annual performance goals were not achieved for fiscal year 2009, no bonus awards were paid to the executives.

Long-term Equity Awards. Stock options and restricted stock awards align the interests of the Company's executive officers with those of its shareholders, and motivate the officers to improve long-term performance. The vesting terms of awards provide a retention incentive for executive officers.

In 2005, the Board of Directors and shareholders of the Company approved the Mexican Restaurants, Inc. 2005 Long Term Incentive Plan. On May 28, 2008 the Company's shareholders approved an increase of 75,000 shares to the 2005 Incentive Plan. The 2005 Incentive Plan authorizes the granting of up to 425,000 shares of Common Stock in the form of incentive stock options and non-qualified stock options and restricted stock awards to key executives and other key employees of the Company, including officers of the Company and its subsidiaries, of which 365,500 shares are subject to presently outstanding awards. The 2005 Incentive Plan will terminate on November 8, 2015. It is anticipated that the shares authorized under the 2005 Incentive Plan will enable the Company to provide sufficient grants of awards for the foreseeable future. Also, the inclusion of authority to grant various forms of equity compensation in addition to stock options, including restricted stock, allows the Company to tailor future awards to the Company's specific needs and circumstances at that time.

The Committee currently grants stock options, restricted stock and performance units to its executive officers. Annual grants are awarded to executives at the regularly scheduled meetings of the Committee. For newly-hired executives, stock options are granted shortly after the first day of employment, with the grant date based on the date of approval by the Committee. The Committee does not consider the release or possession of material non-public information in determining grant dates. Annual and new-hire grants of stock options and restricted stock typically vest 20% per year over five years. The exercise price of stock options is equal to the closing fair market value of the Company's common stock on the date the Committee approves the grants. The grantees are notified on the date of approval.

Mr. Glowacki, the Company's chief executive officer, left the Company in December 2006, and resumed his employment as chief executive officer of the Company in April 2007. Incident to the resumption of his employment, on May 22, 2007, the Committee approved a 60,000 long-term incentive performance unit award to Mr. Glowacki which was approved by the Board and the Company's shareholders on May 28, 2008. The award will vest only if the Company's common stock attains a fair market value of at least \$20 per share, and the Company experiences a change of control at that price or higher on or before May 22, 2012. Upon vesting, Mr. Glowacki will be paid cash in an amount equal to the product of (i) 60,000 shares and (ii) the average of the high and low price of the Company's common stock. The award is designed to provide a significant retention incentive and to reward Mr. Glowacki for increasing the market value of the Company's common stock.

Mr. Glowacki is required by the terms of this award to acquire a total of 20,000 shares of common stock of the Company over a period of 12 months following the award. Mr. Glowacki completed his required acquisition of shares later in 2007.

In addition, in 2007 the Committee awarded to Mr. Glowacki 50,000 stock options (vesting over five years at the rate of 10% after the 2nd year, 20% after the 3rd year, 30% after the 4th year, and 40% after the 5th year). The vesting would accelerate upon a change of control of the Company. The Committee also awarded Mr. Glowacki 10,000 shares of restricted stock, and agreed to award him additional 10,000-share restricted stock grants in each of the next four years. These awards will vest over four years, 25% per year, and accelerate upon a change of control of the Company.

The Committee awarded Mr. Dennard and Mr. Porry each 5,000 restricted shares on December 17, 2007, which vest at the rate of 20% per year. On December 15, 2008 Mr. Dennard and Mr. Porry were each granted 5,000 additional restricted shares which vest at the rate of 20% per year. On December 15, 2009 Mr. Dennard was granted 5,000 additional restricted shares which vest at the rate of 20% per year.

Perquisites. The Company pays annual automobile allowances of \$12,000 to its executive officers.

Employment Agreements. In 2007, the Company entered into an employment agreement with Mr. Glowacki providing for an annualized salary of \$275,000, subject to future discretionary adjustments by the Board. The agreement is perpetual. If Mr. Glowacki's employment is terminated without cause during the term, he will receive continued salary for a period of two years (or until he secures alternative employment). Mr. Glowacki must provide a minimum of one year's notice of his resignation, or he will forfeit any then-unexercised stock options, unvested restricted shares, and unpaid bonuses or other compensation as of the date of such resignation.

The Company also has employment agreements with Messrs. Porry and Dennard. The employment agreements are perpetual. The agreements provide severance pay for a period of up to two years following termination of employment without cause during the term by the Company. If an executive is terminated, he will receive base salary for the earlier of the 2-year term or until the executive accepts new employment. The agreement requires a minimum of one year's notice of intent to resign from the Company. If there is a failure to provide such minimum notice, the executive forfeits any then-unexercised stock options, unvested restricted shares, and unpaid bonuses or other compensation as of the date of such resignation. None of the Company's other executive officers have employment agreements.

Restrictive Covenant Agreements. The Company has entered into restrictive covenant agreements with all executive officers. The agreements limit the executives' ability to compete with the Company or to solicit or hire its employees if they leave the Company.

Change of Control Agreements. All outstanding stock option and restricted stock awards become 100% vested upon a change of control of the company. In addition, if the Company is sold for a price equal to or more than \$20 per share on or before May 28, 2013, Mr. Glowacki's 60,000-share performance unit award will vest in full, as will Mr. Dennard's 50,000-share performance unit award and Mr. Porry's 50,000-share performance unit award. The Company does not have any other change of control agreements with its executive officers.

In 2005, the Board of Directors and shareholders of the Company approved the Mexican Restaurants, Inc. 2005 Long Term Incentive Plan. On May 28, 2008 the Company's shareholders approved an increase of 75,000 shares to the 2005 Incentive Plan. The 2005 Incentive Plan authorizes the granting of up to 425,000 shares of Common Stock in the form of incentive stock options and non-qualified stock options and restricted stock awards to key executives and other key employees of the Company, including officers of the Company and its subsidiaries, of which 365,500 shares are subject to presently outstanding awards. The 2005 Incentive Plan will terminate on November 8, 2015. It is anticipated that the shares authorized under the 2005 Incentive Plan will enable the Company to provide sufficient grants of awards for the foreseeable future. Also, the inclusion of authority to grant various forms of equity compensation in addition to stock options, including restricted stock, allows the Company to tailor future awards to the Company's specific needs and circumstances at that time.

Broad-Based Benefit Programs. The Company's executive officers participate in the same health, welfare and retirement programs as all other employees. These benefit programs include the following: medical, dental, vision, life and accidental death and dismemberment insurance, short-term and long-term disability, flexible spending accounts, and a 401(k) retirement plan.

Accounting and Tax Considerations

We are required to value stock option grants using the fair value method, and to expense the value of our option grants in the income statement over the stock option's vesting period.

Section 162(m) of the Internal Revenue Code of 1986, as amended, generally limits the corporate income tax deduction for compensation paid to each executive officer shown in the summary compensation table in the proxy statement of a public company to \$1 million, unless the compensation is "performance-based compensation" and qualifies under certain other exceptions. Our policy is primarily to design and administer compensation plans which support the achievement of long-term strategic objectives and enhance shareholder value. Where it is consistent with our compensation philosophy, the Committee will also attempt to structure compensation programs that are tax-advantageous to us.

Potential Payments Upon Termination

Employment agreements are in effect for Messrs. Glowacki, Porry and Dennard. The employment agreements are perpetual. The agreements provide severance pay for a period of up to two years following termination of employment without cause during the term by the Company. If an executive is terminated, he will receive base salary only for the earlier of the 2-year term or until the executive accepts new employment. The agreement requires a minimum of one year's notice of intent to resign from the Company. If there is a failure to provide such minimum notice, the executive forfeits any then-unexercised stock options, unvested restricted shares, and unpaid bonuses or other compensation as of the date of such resignation.

The compensation that would become payable under the employment agreements and other arrangements if the named executive's employment had terminated on January 3, 2010 would be limited to the employee's base salary for the earlier of two years or until such time as they accept new employment. Those amounts would be \$566,500 for Mr. Glowacki, \$371,316 for Mr. Dennard and \$309,000 for Mr. Porry. Due to the number of factors that affect the amount of any benefits provided upon the events discussed above, actual amounts paid or distributed may be different.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Related party transactions are subject to the review and approval of the Company's Audit Committee, which is comprised exclusively of independent, non-employee directors who are not otherwise involved in the day-to-day management of the Company or officers of the Company, and who do not have a personal financial interest in the matter in which they are acting.

The Company is not aware of any other related person transactions that would require disclosure.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee serves an independent oversight role by consulting with and providing guidance to management and the external auditors on matters such as accounting, audits, compliance, controls, disclosure, finance and risk management. The Board has affirmatively determined that all Audit Committee members are financially literate and possess “financial sophistication” as defined by applicable SEC and NASDAQ listing standards. The Board of Directors has reviewed the qualifications of the members of the Board of Directors and determined that Mr. Martin and Mr. Fitzsimmons are each “audit committee financial experts” as defined by applicable SEC rules.

The three members of the Board's Audit Committee, Thomas E. Martin, Joseph J. Fitzsimmons and Lloyd Fritzmeier, are all independent within the meaning of applicable NASD listing standards and the applicable independence standards of the SEC. The Audit Committee is responsible for overseeing the Company's financial reporting process on behalf of the Board and operates under a written charter adopted by the Board. The Audit Committee annually recommends to the Board the selection of the Company's independent registered public accounting firm. For the fiscal year 2009, UHY LLP was the Company's independent registered public accounting firm.

Management is responsible for the Company's financial statements and the financial reporting process, including the systems of internal controls. The independent registered public accounting firm is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosure in the financial statements.

The Audit Committee reviewed with the independent registered public accounting firm the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards, as required by Statement on Auditing Standards No. 61, "Communication with Audit Committees". In addition, the Audit Committee has discussed with the independent registered public accounting firm the auditors' independence from management and the Company and has received the written disclosures and the letter from the independent registered public accounting firm required by the Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). The Audit Committee further considered whether the provision by UHY LLP of the non-audit services described elsewhere in this proxy statement is compatible with maintaining the auditors' independence.

In reliance and based upon (i) the Audit Committee's review and discussion of the audited financial statements with management and the independent registered public accounting firm, (ii) the Audit Committee's review of the representation of management, and (iii) the disclosures by the independent registered public accounting firm to the Audit Committee, the Audit Committee recommended to the Board that the Company's audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended January 3, 2010, for filing with the SEC. The Company's Audit Committee periodically considers the selection of the Company's independent registered public accounting firm.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee requires that each engagement of the Company's independent auditor to perform auditing services and permitted non-audit services must be approved by the Audit Committee in advance, including the fees and principal terms thereof.

Respectfully submitted,

AUDIT COMMITTEE

Thomas E. Martin
Joseph J. Fitzsimmons
Lloyd Fritzmeier

INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS

Independent Registered Public Accounting Firm's Fees and Services

The firm of UHY LLP ("UHY") acts as our principal independent registered public accounting firm, including for the fiscal years ended January 3, 2010 and December 28, 2008. UHY leases all its personnel, who work under the control of UHY partners, from wholly-owned subsidiaries of UHY Advisors, Inc. in an alternative practice structure.

The following table sets forth the aggregate fees billed by UHY LLP for 2009 and 2008 for audit and non-audit services and are categorized as Audit Fees, Tax Fees, and All Other Fees. The nature of the services provided in each such category is described in the following table:

	2009			2008		
Audit fees	\$	223,101	81.77 %	\$	208,325	78.65 %
Tax fees		49,726	18.23 %		45,233	17.08 %
All other fees		-	-		11,300	4.27 %
Total	\$	272,827	100.00 %	\$	264,858	100.00 %

The Audit fees for the years ended January 3, 2010 and December 28, 2008, respectively, were for professional services rendered and expenses for the audits of the consolidated financial statements of the Company and statutory audits, income tax provision procedures and assistance with review of documents filed with the SEC. Tax fees basically consist of assistance with the preparation of federal and state tax returns and consultations related to the tax implications of certain transactions. All other fees are primarily reimbursement for out-of-pocket expenses and are included in audit fees and tax fees for fiscal year 2009.

The Audit Committee of the Board has developed a policy and procedures to determine whether provision of other services is compatible with maintaining the independent registered public accounting firm's independence and discussed these services with the independent registered public accounting firm and with the Company's management, and has determined that such services have not adversely affected UHY's independence and are permitted under the rules and regulations concerning auditor independence promulgated by the SEC to implement the Sarbanes-Oxley Act of 2002, as well as the rules and regulations of the American Institute of Certified Public Accountants.

UHY has served as the Company's independent public accountants since the Company's second quarter of fiscal 2005. Representatives of UHY are expected to be present at the Annual Meeting to respond to appropriate questions. Consistent with the Company's policy, the auditors for each fiscal year are selected annually by the the Company's Audit Committee and approved by the Board.
