Item 7.01. Regulation FD Disclosure

Metris Companies Inc.'s wholly owned subsidiary, Metris Receivables, Inc., notified the administrative agent under its \$1.2 billion conduit facility that effective February 16, 2005, it was electing to reduce the total commitments of the purchasers under the conduit facility to \$1.0 billion.

The reduction was done for two reasons. First, management believes that the current size of the facility is no longer necessary to fund future maturities in the Metris Master Trust. Second, because management believes the size of the facility is no longer necessary, reducing the size will ultimately reduce future expense to Metris Companies Inc. This action continues Metris' stated intention of proactively reducing its existing cost structure during 2005.
