PROXY STATEMENT

The Board of Directors (the "Board of Directors" or "Board") of BankUnited, Inc. (the "Company," "we," "us" or "our") is soliciting your proxy to vote at the 2014 Annual Meeting of Stockholders to be held on Wednesday, May 14, 2014, at 10:00 a.m., Eastern Time, and at any adjournment or postponement of that meeting (the "Annual Meeting"). The Annual Meeting will be held at the Orion Jet Center, 15000 NW 44th Avenue, Opa Locka, FL 33054. This Proxy Statement and the accompanying proxy card, the Notice of Annual Meeting of Stockholders and the 2013 Annual Report to Stockholders (the "Annual Report") were first mailed on or about April 11, 2014, to stockholders of record as of March 17, 2014 (the "Record Date").

**QUESTIONS AND ANSWERS ABOUT THE PROXY MATERIALS
AND THE ANNUAL MEETING**

Q: *Why am I receiving these materials?*

A: We are providing these proxy materials to you in connection with the solicitation, by the Board of Directors of BankUnited, Inc., of proxies to be voted at the Company's Annual Meeting. You are receiving this Proxy Statement because you were a BankUnited, Inc. stockholder as of the close of business on the Record Date. This Proxy Statement provides notice of the Annual Meeting, describes the three proposals presented for stockholder action and includes information required to be disclosed to stockholders.

Q: *How do I get electronic access to the proxy materials?*

This Proxy Statement and the Company's Annual Report to Stockholders are available on our website at <http://ir.bankunited.com>. If you are a stockholder of record, you may elect to receive future annual reports or proxy statements electronically by registering your email address at www.proxyvote.com. If you hold your shares in street name, you should contact your broker, bank or other nominee for information regarding electronic delivery of proxy materials.

An election to receive proxy materials electronically will remain in effect for all future annual meetings unless revoked. Stockholders requesting electronic delivery may incur costs, such as telephone and internet access charges, that must be borne by the stockholder.

Q: *What proposals will be voted on at the Annual Meeting?*

A: There are three proposals scheduled to be voted on at the Annual Meeting:

To elect nine directors identified in this Proxy Statement to the Board of Directors to serve until the next annual meeting of stockholders or until that person's successor is duly elected and qualified;

To ratify the appointment of KPMG LLP as our independent registered public accounting firm for 2014; and

To approve the BankUnited, Inc. 2014 Omnibus Equity Incentive Plan.

Table of Contents

Q: *What is the Board of Directors' voting recommendation?*

A: The Company's Board of Directors recommends that you vote your shares:

"FOR" each of the nominees to the Board of Directors;

"FOR" the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for 2014; and

"FOR" the approval of the BankUnited, Inc. 2014 Omnibus Equity Incentive Plan.

Q: *Who is entitled to vote?*

A: All shares owned by you as of the close of business on March 17, 2014 (the "Record Date"), may be voted by you. You may cast one vote per share of common stock that you held on the Record Date. These shares include shares that are:

held directly in your name as the stockholder of record; and

held for you as the beneficial owner through a broker, bank or other nominee.

On the Record Date, BankUnited, Inc. had approximately 101,665,512 shares of common stock issued and outstanding.

Q: *What is the difference between holding shares as a stockholder of record and as a beneficial owner?*

A: Many of our stockholders hold their shares through a broker, bank or other nominee rather than directly in their own name. As summarized below, there are some differences between shares held of record and those owned beneficially.

Stockholder of Record. If your shares are registered directly in your name with the Company's transfer agent, Registrar and Transfer Company, you are considered, with respect to those shares, the stockholder of record, and these proxy materials are being sent directly to you by the Company. As the stockholder of record, you have the right to grant your voting proxy directly to certain officers of BankUnited, Inc. or to vote in person at the Annual Meeting. The Company has enclosed or sent a proxy card for you to use. You may also vote on the internet or by telephone, as described below under the heading "How can I vote my shares without attending the Annual Meeting?"

Beneficial Owner. If your shares are held in an account by a broker, bank or other nominee, like many of our stockholders, you are considered the beneficial owner of shares held in street name, and these proxy materials were forwarded to you by that organization. As the beneficial owner, you have the right to direct your broker, bank or other nominee how to vote your shares, and you are also invited to attend the Annual Meeting.

Since a beneficial owner is not the stockholder of record, you may not vote your shares in person at the Annual Meeting unless you obtain a "legal proxy" from the broker, bank or other nominee that is the stockholder of record of your shares giving you the right to vote the shares at the Annual Meeting. If you do not wish to vote in person or you will not be attending the Annual Meeting, you may vote by proxy. You may vote by proxy over the internet or by telephone, as described below under the heading "How can I vote my shares without attending the Annual Meeting?"

Q:

How can I vote my shares in person at the Annual Meeting?

A:

Stockholder of Record. Shares held directly in your name as the stockholder of record may be voted in person at the Annual Meeting. If you choose to vote your shares in person at the Annual

Meeting, please bring proof of identification. Even if you plan to attend the Annual Meeting, the Company recommends that you vote your shares in advance as described below so that your vote will be counted if you later decide not to attend the Annual Meeting.

Beneficial Owner. Shares held in street name may be voted in person by you only if you obtain a signed proxy from the stockholder of record giving you the right to vote the shares.

Q: *What must I do if I want to attend the Annual Meeting in person?*

A: Attendance at the Annual Meeting is limited to individuals who were stockholders as of the Record Date, and admission will be on a first-come, first-served basis. Registration and seating will begin at 9:30 a.m. Eastern Time. Each stockholder will be asked to present proof of identification, such as a driver's license or passport, prior to admission to the Annual Meeting. Beneficial owners of shares held in street name will need to bring proof of share ownership as of the Record Date, such as a bank or brokerage firm account statement or a letter from the intermediary holding your shares. Cameras, recording devices and other electronic devices will not be permitted at the Annual Meeting.

Q: *How can I vote my shares without attending the Annual Meeting?*

A: Whether you hold your shares directly as the stockholder of record or beneficially own your shares in street name, you may direct your vote without attending the Annual Meeting by voting in one of the following manners:

Internet. Go to the website listed on your proxy card or voting instruction card and follow the instructions there. You will need the control number included on your proxy card or voting instruction form;

Telephone. Dial the number listed on your proxy card or your voting instruction form. You will need the control number included on your proxy card or voting instruction form; or

Mail. Complete and sign your proxy card or voting instruction card and mail it using the enclosed, prepaid envelope.

If you vote on the internet or by telephone, you do not need to return your proxy card or voting instruction card. Internet and telephone voting for stockholders will be available 24 hours a day and will close at 11:59 p.m., Eastern Time, on May 13, 2014.

Q: *What is the quorum requirement for the Annual Meeting?*

A: A quorum is necessary to hold a valid Annual Meeting. A quorum exists if the holders of a majority of the Company's capital stock issued and outstanding and entitled to vote thereat are present in person or represented by proxy. Abstentions and broker non-votes are counted as present for determining whether a quorum exists. A broker non-vote occurs when an intermediary holding shares for a beneficial owner does not vote on a particular proposal because the intermediary does not have discretionary voting power for that particular proposal and has not received instructions from the beneficial owner.

Q: *What happens if I do not give specific voting instructions?*

A: **Stockholder of Record.** If you are a stockholder of record and you submit a signed proxy card or submit your proxy by telephone or the internet but do not specify how you want to vote your shares on a particular proposal, then the proxy holders will vote your shares in accordance with the recommendations of the Board of Directors on all matters presented in this Proxy Statement. With

Table of Contents

respect to any other matters properly presented for a vote at the Annual Meeting, the proxy holders will vote your shares in accordance with their best judgment.

Beneficial Owners. If you are a beneficial owner of shares held in street name and do not provide the broker, bank or other nominee that holds your shares with specific voting instructions, under the rules of the New York Stock Exchange (the "NYSE"), the broker, bank or other nominee that holds your shares may generally vote on routine matters but cannot vote on non-routine matters such as the election of directors. If the broker, bank or other nominee that holds your shares does not receive instructions from you on how to vote your shares on a non-routine matter, the broker, bank or other nominee that holds your shares will inform the inspector of election that it does not have the authority to vote on this matter with respect to your shares. This is generally referred to as a "broker non-vote." Therefore, we urge you to give voting instructions to your broker. Shares represented by such broker non-votes will be counted in determining whether there is a quorum. Because broker non-votes are not considered entitled to vote, they will have no effect on the outcome other than reducing the number of shares present in person or by proxy and entitled to vote from which a majority is calculated.

Q:

Which proposals are considered "routine" or "non-routine"?

A:

The ratification of the appointment of KPMG LLP as our independent registered public accounting firm for 2014 (Proposal No. 2) is a matter considered routine under applicable rules. A broker or other nominee may generally vote on routine matters, and therefore no broker non-votes are expected to exist in connection with Proposal No. 2.

The election of directors (Proposal No. 1) and the vote to approve the BankUnited, Inc. 2014 Omnibus Equity Incentive Plan (Proposal No. 3) are matters considered non-routine under applicable rules. A broker, bank or other nominee cannot vote without instructions on non-routine matters, and therefore there may be broker non-votes on Proposal Nos. 1 and 3.

Q:

What is the voting requirement to approve each of the proposals?

A:

Nine directors have been nominated for election at the Annual Meeting. Each director will be elected by a plurality of the votes cast in the election of directors at the Annual Meeting, either in person or represented by properly authorized proxy. This means that the nine nominees who receive the largest number of "FOR" votes cast will be elected as directors. Stockholders cannot cumulate votes in the election of directors. Abstentions and broker non-votes will have no effect on this proposal.

The ratification of the appointment of our independent registered public accounting firm requires the affirmative vote of a majority of the votes represented at the meeting and entitled to vote on the proposal. In accordance with Delaware law, only votes cast "for" a matter constitute affirmative votes. A properly executed proxy marked "abstain" with respect to the ratification of the appointment of our independent registered public accounting firm will not be voted, although it will be counted for purposes of determining whether there is a quorum. Since abstentions will not be votes cast "for" the ratification of the appointment of our independent registered public accounting firm, they will have the same effect as negative votes or votes against that matter.

The approval of the BankUnited, Inc. 2014 Omnibus Equity Incentive Plan requires the affirmative vote of a majority of the votes represented at the meeting and entitled to vote on the proposal. In accordance with Delaware law, only votes cast "for" a matter constitute affirmative votes. A properly executed proxy marked "abstain" with respect to the approval of the BankUnited, Inc. 2014 Omnibus Equity Incentive Plan will not be voted, although it will be counted for purposes of determining whether there is a quorum. Since abstentions will not be votes cast "for" the approval

Table of Contents

of the BankUnited, Inc. 2014 Omnibus Equity Incentive Plan, they will have the same effect as negative votes or votes against that matter. Broker non-votes will have no effect on this proposal.

Q: *What does it mean if I receive more than one proxy or voting instruction card?*

A: It means your shares are registered differently or are in more than one account. Please provide voting instructions for all proxy and voting instruction cards you receive.

Q: *Who will count the vote?*

A: A representative of Broadridge Financial Solutions, Inc. ("Broadridge") will tabulate the votes and act as the inspector of election.

Q: *Can I revoke my proxy or change my vote?*

A: Yes. You may revoke your proxy or change your voting instructions at any time prior to the vote at the Annual Meeting by:

providing written notice to the corporate secretary of the Company;

delivering a valid, later-dated proxy or a later-dated vote on the internet or by telephone; or

attending the Annual Meeting and voting in person.

Please note that your attendance at the Annual Meeting in person will not cause your previously granted proxy to be revoked unless you specifically so request. Shares held in street name may be voted in person by you at the Annual Meeting only if you obtain a signed proxy from the stockholder of record giving you the right to vote the shares.

Q: *Who will bear the cost of soliciting votes for the Annual Meeting?*

A: The Company will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials. In addition to the mailing of these proxy materials, the solicitation of proxies or votes may be made in person, by telephone or by electronic and facsimile transmission by our directors, officers and employees, who will not receive any additional compensation for such solicitation activities. In addition, the Company may reimburse its transfer agent, brokerage firms and other persons representing beneficial owners of shares of BankUnited, Inc.'s common stock for their expenses in forwarding solicitation material to such beneficial owners. We have also retained Innisfree M&A Incorporated to assist in the solicitation of proxies at an anticipated approximate cost of \$10,000 plus reasonable out-of-pocket expenses.

Q: *I share an address with another stockholder, and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?*

A: The Company has adopted a procedure called "householding," which the Securities and Exchange Commission (the "SEC") has approved. Under this procedure, we deliver a single copy of this Proxy Statement and the Annual Report to multiple stockholders who share the same address unless we received contrary instructions from one or more of the stockholders. This procedure reduces the Company's printing costs, mailing costs and fees. Stockholders who participate in householding will continue to be able to access and

Edgar Filing: BankUnited, Inc. - Form DEF 14A

receive separate proxy cards. Upon written or oral request, a separate copy of this Proxy Statement and the Annual Report will be promptly delivered to any stockholder at a shared address to which the Company delivered a single copy of any of these documents. To receive a separate copy of this Proxy Statement or the Annual Report,

Table of Contents

or to receive a separate copy of our proxy materials in the future, stockholders may write or call the Company at the following address and telephone number:

BankUnited, Inc.
Attn: Investor Relations
14817 Oak Lane
Miami Lakes, FL 33016
(305) 231-6400

Stockholders who hold shares in street name (as described above) may contact their broker, bank or other nominee to request information about householding. Stockholders sharing an address can request delivery of a single copy of our proxy materials if they are currently receiving multiple copies by following the same procedures outlined above.

Q:

Is my vote confidential?

A:

Yes. The Company encourages stockholder participation in corporate governance by ensuring the confidentiality of stockholder votes. The Company has designated Broadridge to receive and tabulate stockholder votes. Your vote on any particular proposal will be kept confidential and will not be disclosed to the Company or any of its officers or employees except where (i) disclosure is required by applicable law, (ii) disclosure of your vote is expressly requested by you or (iii) the Company concludes in good faith that a bona fide dispute exists as to the authenticity of one or more proxies, ballots or votes, or as to the accuracy of any tabulation of such proxies, ballots or votes. However, aggregate vote totals will be disclosed to the Company from time to time and publicly announced at the Annual Meeting.

Q:

How can I obtain a copy of BankUnited, Inc.'s Annual Report on Form 10-K?

A:

Copies of the Company's Annual Report on Form 10-K for the year ended December 31, 2013, as filed with the SEC, are available to stockholders free of charge on BankUnited, Inc.'s website at <http://ir.bankunited.com> or by writing to BankUnited, Inc., Investor Relations, 14817 Oak Lane, Miami Lakes, FL 33016. The Company's 2013 Annual Report on Form 10-K accompanies this Proxy Statement.

Q:

Where can I find the voting results of the Annual Meeting?

A:

BankUnited, Inc. will announce preliminary voting results at the Annual Meeting and publish preliminary, or final results if available, in a Current Report on Form 8-K within four business days of the Annual Meeting.

PROPOSALS TO BE VOTED ON BY BANKUNITED, INC. STOCKHOLDERS

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Directors Elected Annually

Our Board of Directors is currently comprised of eleven members. The size of the Board of Directors may be fixed from time to time exclusively by our Board of Directors as provided in our Certificate of Incorporation. BankUnited, Inc.'s directors are elected each year by the stockholders at the Company's annual meeting. We do not have a staggered or classified board. Nine directors will be elected at this year's Annual Meeting. Except for Tere Blanca, Rajinder P. Singh and A. Robert Towbin who were elected to the Board since the last annual meeting of stockholders and Douglas J. Pauls and Dr. Sanjiv Sobti who are new nominees, all of the nominees were elected to the Board of Directors at the last annual meeting. The Nominating and Corporate Governance Committee considered multiple candidates for nomination to the Board. Mr. Pauls was recommended for nomination by John A. Kanas and Dr. Sobti was recommended by Mr. Singh. Chinh E. Chu, Wilbur L. Ross, Jr., P. Olivier Sarkozy and Lance N. West are not standing for reelection. Each director's term will last until the 2015 annual meeting of stockholders and until such director's successor is duly elected and qualified, or until such director's earlier death, resignation or removal.

Directors of BankUnited, Inc. have historically also served as directors of its wholly-owned subsidiary BankUnited, N.A. (the "Bank"). To the extent Mr. Pauls, Dr. Sobti and Mr. Towbin are elected to serve on the Bank's board of directors, their service on the Bank's board will be subject to prior receipt of any applicable regulatory consents or non-objection.

Board Nominations

Two of our directors are nominated pursuant to a director nomination agreement, as amended and restated on February 29, 2012 (the "Director Nomination Agreement"), by and among the Company, John A. Kanas and certain other entities. The Director Nomination Agreement provides that, so long as Mr. Kanas is our Chief Executive Officer ("CEO"), Mr. Kanas may designate two individuals (one of whom will be Mr. Kanas) to be nominated for election to our Board of Directors and, subject to limited exceptions, we will recommend to our stockholders the election of those individuals. Pursuant to the Director Nomination Agreement and Mr. Kanas' designation, we recommend that our stockholders elect Mr. Kanas and Mr. Singh as directors at the Annual Meeting.

Board candidates are selected based on various criteria including their character and reputation, relevant business experience and acumen and relevant educational background. The Nominating and Corporate Governance Committee and Board of Directors review these factors, including diversity, in considering candidates for Board membership. Board members are expected to prepare for, attend and participate in all Board of Directors and applicable committee meetings and the Company's annual meetings of stockholders.

Information Regarding the Nominees for Election to the Board of Directors

Qualifications

In considering candidates for the Board of Directors, the Nominating and Corporate Governance Committee takes into consideration the Company's Corporate Governance Guidelines and all other factors deemed appropriate by the Nominating and Corporate Governance Committee. The Nominating and Corporate Governance Committee's determination is made based primarily on the following criteria: (i) a candidate's special skills, expertise and background that would enhance or complement the mix of the existing directors, (ii) a candidate's reputation and prominence in his or her business, professional activities or community, including a well-known reputation for addressing important issues that the Company may face, (iii) a candidate's commitment to high ethical business

standards and integrity and (iv) a candidate's time commitment and willingness to fully participate in the Board's affairs and perform his or her duties to the highest standards. For more information about the nominating process, see "Board of Directors, Executive Officers and Corporate Governance Director Nominating Process and Diversity."

Biographical Information

Set forth below is biographical information concerning each nominee who is standing for election at the Annual Meeting. Following the biographical information for each nominee is a description of such nominee's specific experience, qualifications, attributes and skills that the Nominating and Corporate Governance Committee and the Board of Directors considered in determining whether to recommend the nominee for election to the Board of Directors. In addition to the information presented below, the Company believes that a board comprised of its nominees constitutes a board with a reputation for integrity, strong business acumen and the exercise of sound judgment; a board that is strong in its collective knowledge and leadership abilities; and a board that has a diversity of viewpoints and backgrounds. The ages of the nominees are as of the date of the Annual Meeting, May 14, 2014.

John A. Kanas, 67, has served on our Board and as our Chairman, President and CEO since our inception in May 2009. Mr. Kanas served as the Chairman of our Executive Committee up until the time the Committee was eliminated in February 2012 as part of the Company's conversion to a bank holding company. Prior to joining BankUnited, Inc., Mr. Kanas was President and CEO of North Fork Bancorporation, Inc. from 1977 until its acquisition by Capital One Financial Corporation in December 2006. He also served as Chairman of North Fork from 1986 to 2006. In December 2006, he became President of Capital One's banking segment, which included North Fork, the former Hibernia Bank in Louisiana and Texas and Capital One Direct Bank in Richmond, Virginia. Mr. Kanas retired from that position in August 2007. Between August 2007 and May 2009, Mr. Kanas was an independent consultant. Mr. Kanas holds a B.A. from Long Island University. BOARD OF DIRECTORS, EXECUTIVE OFFICERS AND CORPORATE GOVERNANCE

Role of Board of Directors

The Company's business and affairs are managed under the direction of the Board of Directors, which is the Company's ultimate decision-making body, except with respect to those matters reserved to the Company's stockholders. The Board of Directors' mission is to maximize long-term stockholder value. The Board of Directors establishes the Company's overall corporate policies, evaluates the Company's CEO and the senior leadership team and acts as an advisor and counselor to senior management. The Board of Directors also oversees the Company's business strategy and planning, as well as the performance of management in executing the Company's business strategy, assessing and managing risks and managing the Company's day-to-day operations.

Director Independence

Under the NYSE listing standards, in order to consider a director independent, the Board of Directors must affirmatively determine that he or she has no material relationship with the Company. The standards specify the criteria for determining whether directors are independent and contain guidelines for directors and their immediate family members with respect to employment or affiliation with the Company or its independent registered public accounting firm. The Board of Directors also has adopted independence standards to assist it in making independence determinations. The Company's Director Independence Standards contain the formal director qualification and independence standards adopted by the Board of Directors, and are available as part of the Company's Corporate Governance Guidelines on the Company's website at <http://ir.bankunited.com>.

The Board of Directors determines annually whether a director is independent at the time the Board of Directors approves director nominations for inclusion in the Company's proxy statement and when a director joins the Board of Directors between annual meetings. Although the determination of whether a director is independent relies on the Board's subjective assessment of all of the relevant facts and circumstances, the Company's Director Independence Standards provide that a director will not qualify as independent if:

within the last three years, (i) the director has been an employee of the Company or an immediate family member of the director has been an executive officer of the Company; (ii) the director or an immediate family member of the director has received, during any twelve-month period, more than \$120,000 in direct compensation from the Company, other than director and committee fees and pension or other deferred compensation for prior service (provided that such compensation is not contingent in any way on continued service) and compensation received by a family member for service as a non-executive employee of the Company; (iii) the director or an immediate family member of the director was a partner or employee of the Company's independent registered public accounting firm and personally worked on the Company's audit within that time; and (iv) the director or an immediate family member of the director has been employed as an executive officer of a company in which a present executive officer of the Company at the same time served on the compensation committee of that company's board of directors;

the director is a current partner or employee of the Company's independent registered public accounting firm or an immediate family member of the director is a current partner of such firm or a current employee of such firm who personally works on the Company's audit; or

the director or an immediate family member of the director is a current executive officer of a company that has made payments to, or received payments from, the Company for property or services in an amount which, in any of the last three fiscal years, exceeds the greater of \$1 million, or 2% of such company's consolidated gross revenue.

Table of Contents

The Board undertook its annual review of director independence in April 2014. As a result of this review, the Board affirmatively determined that all of the directors and nominees are independent of the Company and its management under the corporate governance standards of the NYSE, with the exception of John A. Kanas, Rajinder P. Singh and Douglas J. Pauls. Messrs. Kanas and Singh are considered not independent because of their employment as senior executives of the Company. Mr. Pauls is considered not independent because of his previous employment as a senior executive of the Company and certain relationships with the Company. In making the determination that Dr. Sobti is independent of the Company and its management, the Board of Directors considered that Dr. Sobti is a senior advisor to Credit Suisse, which is a full-service financial institution that, with its affiliates, has directly and indirectly engaged, and may in the future engage, in financial advisory, investment banking and commercial banking services for us and our affiliates, for which it received, or may receive, customary compensation, fees and expense reimbursement. The Board considered that Dr. Sobti is not an employee of Credit Suisse and also has had an independent consulting business since 2007.

Board of Directors Meetings and Attendance

The Board of Directors held 13 meetings during 2013 and acted by written consent six times. All of the directors with the exception of Ms. Blanca attended at least 75% of the total of all the meetings of the Board of Directors and Board committees on which they served during 2013. Ms. Blanca joined the Board in September 2013 and was not able to attend one meeting due to a business commitment made prior to joining the Board.

Board Leadership Structure

The Board of Directors regularly reviews and assesses the effectiveness of the Company's leadership structure in the context of the Company's specific circumstances, culture, strategic objectives and challenges.

The Board of Directors does not have a fixed policy regarding the separation of the offices of Chairman and CEO because it believes that it should maintain flexibility to select the Chairman and determine the Board leadership structure, from time to time, based on criteria that it deems to be in the best interests of the Company and its stockholders. Currently, the Board of Directors believes that having a combined Chairman and CEO, along with a Lead Independent Director and a substantial majority of independent directors, provides the most effective and appropriate leadership structure for the Company. In particular, the Board of Directors believes that combining the Chairman and CEO roles fosters unified leadership and direction for the Board of Directors and executive management and allows for alignment and clear accountability in the development and execution of the Company's strategic initiatives and business plans. Based on Mr. Kanas' extensive experience in the banking industry, including serving as our CEO since May 2009, and his familiarity with the Company's business and industry, the Board of Directors believes that Mr. Kanas is best suited to serve as our Chairman and CEO. Mr. Kanas' historical performance as our Chairman and CEO has demonstrated his ability to effectively lead the Company in pursuit of its strategic objectives.

Although the Board of Directors believes that, at this time, it is more effective to have one person serve as the Company's Chairman and CEO, the Board also believes that independent, objective oversight of management's performance is a critical aspect of effective Board leadership. Accordingly, the Board of Directors has appointed Mr. DeMark to serve as our Lead Independent Director. Mr. DeMark, who has served as Lead Independent Director since November 2012, provides an independent voice on important issues facing the Company and ensures that those issues are fully considered by the Board of Directors. In his role as Lead Independent Director, Mr. DeMark's duties include, but are not limited to, presiding over regularly scheduled executive sessions of the non-management directors, serving as a liaison between the non-management directors and executive management and assisting the Board of Directors and executive management to ensure compliance with the Company's Corporate Governance Guidelines.

Table of Contents

In addition, our Corporate Governance Guidelines provide for additional independent oversight of our operations, risks, business strategy and compensation practices. Consistent with our Corporate Governance Guidelines, the Board of Directors currently consists of a substantial majority of independent directors. Our Corporate Governance Guidelines also require that the non-management directors meet regularly in executive session without the presence of management, which provides an opportunity for the independent directors to freely express their views on important issues. In addition, the independent directors regularly evaluate Mr. Kanas' performance in his dual capacities of Chairman and CEO.

Through the Company's overall governance structure described above, the Board of Directors believes it has effectively balanced the need for strategic leadership by the Company's Chairman and CEO with the oversight and objectivity of the independent directors and has created an effective and appropriate leadership structure that is conducive to the risk oversight process. The Board of Directors recognizes that, depending on the circumstances, other leadership structures might be appropriate and in the best interests of the Company. Accordingly, the Board of Directors has the discretion to modify the Company's leadership structure if it believes doing so would be in the best interests of the Company.

Committees of the Board of Directors

The Board of Directors maintains three standing committees: the Audit and Risk Committee, the Compensation Committee and the Nominating and Corporate Governance Committee. A description of each Board committee is set forth below.

The Audit and Risk Committee, the Compensation Committee and the Nominating and Corporate Governance Committee operate under a written charter. Copies of the charters of the Audit and Risk Committee, Compensation Committee and Nominating and Corporate Governance Committee are available on our website at <http://ir.bankunited.com> and may also be obtained upon request without charge by writing to the Corporate Secretary, BankUnited, Inc., 14817 Oak Lane, Miami Lakes, FL 33016.

Audit and Risk Committee

The Audit and Risk Committee was formerly referred to as the "Audit Committee" until its name was changed and its risk oversight functions were expanded in February 2013. The Audit and Risk Committee held ten meetings during 2013. At each of its in person meetings, the Audit and Risk Committee meets privately in separate executive sessions with the Bank's Chief Internal Auditor, the Chief Risk Officer and our independent registered public accounting firm. The Audit and Risk Committee may also meet separately with other members of management in executive sessions as needed.

The Audit and Risk Committee is a separately-designated standing audit committee established in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). Our Audit and Risk Committee assists our Board of Directors in its oversight of (i) the integrity of our financial statements and the financial reporting process, including the system of disclosure controls; (ii) our compliance with legal and regulatory requirements; (iii) the performance of our internal audit function and our independent registered public accounting firm, including its appointment, qualifications, compensation and independence; (iv) the effectiveness of our systems of internal controls and policies and procedures for risk assessment and risk management; and (v) the effectiveness our procedures for risk assessment and risk management of material credit, interest rate, liquidity, operational, legal and compliance, and other material risks, and the adequacy of capital available to absorb such risks.

In carrying out its oversight role, the Audit and Risk Committee, among other things: (i) reviews the audit plans and findings of our independent registered public accounting firm and our internal

In addition, the Audit and Risk Committee has the sole discretion to appoint annually our independent registered public accounting firm, evaluate its independence and performance and set clear hiring policies for employees or former employees of the independent registered public accounting firm.

The current members of the Audit and Risk Committee are Messrs. DeMark (Chairman) and Towbin and Ambassador Cobb, each of whom the Board of Directors has determined qualifies as an "independent" director as defined under the applicable rules and regulations of the SEC and the NYSE. All of the members of the Audit and Risk Committee are financially literate and have accounting or related financial management expertise within the meaning of the NYSE rules. The Board also has determined that Mr. DeMark qualifies as an "audit committee financial expert" as defined by SEC rules. Mr. DeMark's relevant experience includes 40 years with KPMG LLP, including 30 years as a partner. Mr. Demark holds a B.B.A. degree from Hofstra University, is a Certified Public Accountant and is a member of the American Institute of Certified Public Accountants (AICPA) and the New York State Society of Certified Public Accountants.

Thomas M. O'Brien was a member of the Board of Directors and served as a member of the Audit and Risk Committee until April 2, 2014. On that date, he resigned effective immediately from the Board after agreeing to become the president and chief executive officer of Sun Bancorp, Inc. and Sun National Bank.

Compensation Committee

Since our inception, in accordance with the terms of its charter, our Compensation Committee has been responsible for such matters as the determination of discretionary bonus amounts, if any, to be paid to our named executive officers and the implementation of the BankUnited, Inc. 2009 Stock Option Plan and the 2010 Omnibus Equity Incentive Plan and, if approved by stockholders, the 2014 Omnibus Equity Incentive Plan, including the determination of grant amounts, vesting terms and exercise prices, as well as approval of the Employment Agreements (as defined in "Compensation Discussion and Analysis") and the BankUnited, Inc. Annual Incentive Plan (the "Annual Incentive Plan"). In addition, the Compensation Committee was responsible for vetting and approving our 401(k) plan and Nonqualified Deferred Compensation Plan. The Compensation Committee reviews and approves corporate goals and objectives relevant to compensation of our CEO and other executive officers, evaluates the performance of these officers in light of those goals and objectives and recommends the compensation of these officers based on such evaluations. The Compensation Committee also administers the issuance of stock options and other awards under our stock plans.

The Compensation Committee held six meetings and acted by written consent once during 2013. The Compensation Committee is currently comprised of Messrs. Dowling (Chairman) and DeMark, Ms. Blanca and Ambassador Cobb, each of whom qualifies as "independent" under the applicable rules and regulations of the SEC and the NYSE.

Mr. O'Brien served as a member of the Compensation Committee until April 2, 2014, when he resigned effective immediately from the Board after agreeing to become the president and chief executive officer of Sun Bancorp, Inc. and Sun National Bank.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee is responsible for making recommendations to our Board of Directors regarding candidates for directorships and the size and

composition of our Board of Directors. In addition, the Nominating and Corporate Governance Committee is responsible for overseeing our corporate governance guidelines and reporting and making recommendations to our Board of Directors concerning governance matters.

The Nominating and Corporate Governance Committee, in consultation with our CEO, also reviews the Company's management succession plans to ensure that an effective succession process is in place and to discuss potential internal successors for both emergency and long-term executive succession. The succession planning activities of the Nominating and Corporate Governance Committee are discussed with the full Board of Directors.

The Nominating and Corporate Governance Committee held three meetings and acted by written consent once during 2013. The Nominating and Corporate Governance Committee is currently comprised of Ambassador Cobb (Chairman), Ms. Blanca and Messrs. DeMark and Dowling, each of whom qualifies as an "independent" director as defined under the applicable rules of the NYSE.

Risk Management and Oversight

Our Board of Directors oversees our risk management process, including the company-wide approach to risk management, carried out by our management. Our full Board of Directors determines the appropriate levels of risk for the Company generally, assesses the specific risks faced by us and reviews the steps taken by management to manage those risks. While our full Board of Directors maintains the ultimate oversight responsibility for the risk management process, its committees oversee risk in certain specified areas.

In particular, the Audit and Risk Committee plays a key role in the Board of Directors' exercise of its risk oversight function. The Audit and Risk Committee is primarily responsible for overseeing matters involving the Company's financial and operational risks and the guidelines, policies and processes for managing such risks, including internal controls. The Audit and Risk Committee conducts its risk oversight in a variety of ways, including reviewing management's assessment of the Company's internal control over financial reporting, reviewing the results of regulatory examinations and receiving quarterly reports on legal and regulatory matters. Additionally, the Company's independent registered public accounting firm regularly discusses risks and related mitigation measures that may arise during its regular reviews of the Company's financial statements with the Audit and Risk Committee. To ensure candid and complete reporting, the Audit and Risk Committee regularly meets in separate executive sessions with management, the head of the Company's internal audit department and the Company's independent registered public accounting firm.

Additionally, the Compensation Committee is responsible for overseeing the management of risks relating to our executive compensation plans and arrangements, as well as the incentives created by the compensation awards it administers, and the Nominating and Corporate Governance Committee is responsible for overseeing the management of risks associated with the independence of our Board. Pursuant to our Board's instruction, management regularly reports on applicable risks to the relevant committee or the full Board, as appropriate, with additional review or reporting on risks conducted as needed or as requested by our Board and its committees.

Corporate Governance Guidelines, Code of Conduct and Code of Ethics

Our Board has adopted Corporate Governance Guidelines, which set forth a flexible framework within which our Board, assisted by Board committees, directs the affairs of the Company. The Corporate Governance Guidelines address, among other things, the composition and functions of the Board, director independence, compensation of directors, management succession and review, Board committees and selection of new directors.

We also have a Code of Conduct, which is applicable to all directors, officers, employees, agents (including consultants and contractors) and temporary personnel of the Company. We have a separate Code of Ethics for Principal Executive and Senior Financial Officers, which contains provisions

specifically applicable to our principal executive officer, principal financial officer, principal accounting officer and controller (or persons performing similar functions).

The Corporate Governance Guidelines, the Code of Conduct and the Code of Ethics for Principal Executive and Senior Financial Officers are available on our website at <http://ir.bankunited.com>. We expect that any amendments to these codes, or any waivers of their requirements, will be disclosed on our website.

Director Compensation

We use a combination of cash and stock-based incentive compensation to attract and retain independent, qualified candidates to serve on the Board of Directors. In setting director compensation, we consider the significant amount of time that directors expend in fulfilling their duties, as well as the skill level we require of members of our Board of Directors.

The following table shows compensation paid, earned or awarded to each of the non-employee members of our Board for 2013.

Director Nominating Process and Diversity

The Board of Directors is responsible for nominating members for election to the Board of Directors and for filling vacancies on the Board of Directors that may occur between annual meetings of stockholders. The Nominating and Corporate Governance Committee is responsible for identifying, screening and recommending candidates to the Board of Directors for Board membership. When formulating its Board of Directors membership recommendations, the Nominating and Corporate Governance Committee may also consider advice and recommendations from others, including stockholders, as it deems appropriate.

The Nominating and Corporate Governance Committee and the Board of Directors believe that diversity along multiple dimensions, including opinions, skills, perspectives, personal and professional experiences and other differentiating characteristics, is an important element of nomination for Board membership. The Nominating and Corporate Governance Committee has not identified any specific minimum qualifications that must be met for a person to be considered as a candidate for director.

Table of Contents

However, Board candidates are selected based on various criteria including experience, skills, expertise, diversity, personal and professional integrity, character, business judgment, time availability in light of other commitments, dedication, conflicts of interest and such other relevant factors that the Nominating and Corporate Governance Committee considers appropriate in the context of the needs of the Board of Directors. Although the Board of Directors does not have a formal diversity policy, the Nominating and Corporate Governance Committee and Board of Directors review these factors, including diversity, in considering candidates for board membership. Board members are expected to prepare for, attend and participate in all Board of Directors and applicable committee meetings and the Company's annual meetings of stockholders.

PROPOSAL NO. 2

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Proposal

The Audit and Risk Committee has appointed KPMG LLP to serve as BankUnited, Inc.'s independent registered public accounting firm for its fiscal year ending December 31, 2014. The Audit and Risk Committee and the Board of Directors seek to have the stockholders ratify the Audit and Risk Committee's appointment of KPMG LLP, which has served as BankUnited, Inc.'s independent registered public accounting firm or independent auditor since 2009. Although BankUnited, Inc. is not required to seek stockholder approval of this appointment, the Board of Directors believes it to be sound corporate governance to do so. If the appointment of KPMG LLP is not ratified by the stockholders, the Audit and Risk Committee may appoint another independent registered public accounting firm or may decide to maintain its appointment of KPMG LLP.

Representatives of KPMG LLP will be present at the Annual Meeting and will have the opportunity to make a statement, if they desire to do so, and to respond to appropriate questions.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE "FOR" THE RATIFICATION OF THE APPOINTMENT OF KPMG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2014.

Report of the Audit and Risk Committee

The Audit and Risk Committee reviews the Company's financial reporting process on behalf of the Board of Directors. The Audit and Risk Committee consists of directors who have been determined by the Board of Directors to be independent of the Company as prescribed by the NYSE and the SEC. The Company's management has the primary responsibility for the financial statements and for the reporting process, including the establishment and maintenance of the system of internal control over financial reporting. KPMG LLP, the Company's independent registered public accounting firm, is responsible for auditing the financial statements prepared by management, expressing an opinion on the conformity of those audited financial statements with U.S. generally accepted accounting principles and auditing the Company's internal control over financial reporting and expressing an opinion on the effectiveness thereof. In this context, the Audit and Risk Committee has reviewed the audited financial statements and met and held discussions with management and KPMG LLP regarding the fair and complete presentation of those financial statements and the assessment of the Company's internal control over financial reporting.

The Audit and Risk Committee has discussed with KPMG LLP matters required to be discussed by Auditing Standard No. 16, as adopted by the Public Company Accounting Oversight Board (the "PCAOB") and has reviewed and discussed KPMG LLP's independence from the Company and its management. As part of that review, the Audit and Risk Committee has received the written disclosures and the letter required by applicable requirements of the PCAOB regarding KPMG LLP's communications with the Audit and Risk Committee concerning independence. The Audit and Risk Committee also has considered whether KPMG LLP's provision of non-audit services to the Company is compatible with the auditor's independence. The Audit and Risk Committee has concluded that KPMG LLP is independent from the Company and its management.

The Audit and Risk Committee meets with the Chief Financial Officer and representatives of KPMG LLP, in regular and executive sessions, to discuss the results of their examinations, the evaluations of the Company's internal controls and the overall quality of the Company's financial reporting and compliance programs.

Table of Contents

In reliance on the reviews and discussions referred to above, the Audit and Risk Committee has recommended to the Board of Directors, and the Board has approved, that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2013, for filing with the SEC.

COMPENSATION DISCUSSION AND ANALYSIS

Executive Compensation

The following Compensation Discussion and Analysis provides information regarding the objectives and elements of our compensation philosophy, policies and practices with respect to the compensation of the executive officers who appear in the " Summary Compensation Table for 2013" below (referred to collectively throughout this section as our "named executive officers". Our named executive officers for the fiscal year ended December 31, 2013 were:

John A. Kanas, Chairman, President and Chief Executive Officer

John Bohlsen, former Vice Chairman and Chief Lending Officer, and current Senior Advisor to the Chairman

Rajinder P. Singh, Chief Operating Officer

Leslie N. Lunak, Chief Financial Officer

Douglas J. Pauls, former Chief Financial Officer

Randy N. Melby, former Chief Risk Officer of BankUnited, N.A.

Objectives of Our Executive Compensation Program

Our executive compensation philosophy is primarily based on pay-for-performance. Accordingly, our executive compensation programs are designed to achieve the following objectives:

Align the interests of our executives with those of our stockholders. We link a meaningful portion of compensation to the achievement of our long-term goals by rewarding executive officers if and when stockholder value increases. To that end, a significant portion of the compensation awarded to our executives is in the form of equity-based compensation.

Retain management. Compensation for executives is designed such that we retain them by providing time-based vesting for certain long-term equity compensation.

Motivate through ownership. We believe that the best way to inspire leadership and performance is by distributing ownership in the form of equity-based compensation throughout our ranks and requiring executive management to retain meaningful exposure to our Company's stock.

Role of Compensation Committee

Since our inception, our Compensation Committee has been responsible for such matters as the determination of discretionary bonus amounts, if any, to be paid to our named executive officers, the implementation of the BankUnited, Inc. 2009 Stock Option Plan and 2010 Omnibus Equity Incentive Plan, including the determination of grant amounts, vesting terms and exercise prices of awards under such plans, as well as the approval of employment agreements with the named executive officers and the Annual Incentive Plan. In addition, our Compensation Committee was responsible for vetting and approving our 401(k) plan and Nonqualified Deferred Compensation Plan. Our Compensation

Committee was also involved in decisions regarding the terms of our 2014 Omnibus Equity Incentive Plan.

Role of Compensation Consultant

The Compensation Committee did not engage a compensation consultant for compensation decisions made with respect to the 2013 fiscal year. In January 2014, the Company engaged Towers Watson, a compensation consulting firm, to provide advice with respect to the 2014 Omnibus Equity Incentive Plan.

Table of Contents

Risk Oversight

The Audit and Risk Committee of our Board, which is comprised of non-employee directors, is currently responsible for risk oversight within our Company, including with respect to compensation practices. Mr. Bagnoli is responsible for developing an Enterprise Risk Management framework to identify, manage and mitigate risks across our Company. This framework, which involves ongoing participation and oversight by our Board, captures compensation-related risk amongst various other dimensions of risk. In addition, our Company is a bank holding company subject to ongoing supervision, examination and regulation by the Federal Reserve, including its guidance on compensation practices. We do not believe that our overall compensation policies and practices create risks that are reasonably likely to have a material adverse effect on our Company.

Executive Officer Compensation

Principal Components of Compensation of Our Named Executive Officers

The compensation package offered to our executive officers, including our named executive officers, consists of:

Base salary. Base salaries for our executive officers are designed to compensate the executive for the experience, education, personal qualities and other qualifications of the executive that are essential for the specific role the executive serves within our Company, while remaining competitive with the market.

Performance-based annual bonuses. Commencing in 2012 and pursuant to the terms of their employment agreements, Messrs. Kanas, Bohlsen and Singh became eligible to receive an annual incentive award with respect to a 12-month performance period, with the actual amount of each bonus to be based on the achievement of performance criteria established by the Compensation Committee. Additional information regarding these annual incentive awards is provided under "Performance-Based Annual Bonuses" below. Annual incentive awards may also be paid to other named executive officers under the terms of the Annual Incentive Plan with respect to 2013 and future years.

Retention bonuses; discretionary cash bonuses. In 2012, Messrs. Kanas, Bohlsen and Singh became eligible to receive retention bonuses, subject to remaining employed through specified dates, as further described under "Retention and Other Cash Bonuses" below. Our other named executive officers are eligible to receive annual discretionary cash bonuses as determined by our Compensation Committee. The determination of the amounts of such discretionary bonuses has been and will continue to be determined in accordance with the Company's Policy on Incentive Compensation Arrangements, which provides that bonus amounts are to be based on the past, present, and expected future contributions of an employee or group of employees to the overall success, safety, and soundness of the organization. Factors considered in evaluating those contributions include, among other things: overall individual performance, organizational performance, individual contribution to organizational performance, business segment performance, and level of individual responsibilities. The Company's Policy on Incentive Compensation Arrangements is designed to balance risk and financial results in a manner that does not encourage employees to expose the Company to imprudent risks.

Long-term equity-based compensation. In general, we provide a significant portion of the compensation to our named executive officers in the form of long-term equity-based compensation. We believe that providing compensation that is contingent on our long-term performance and that is at-risk serves to align the long-term interests of our named executive officers with the long-term interests of our stockholders. To date, long-term equity-based compensation has generally been granted to our executives upon commencement of employment

Table of Contents

and/or on an annual basis thereafter. Additionally, in connection with their respective employment agreements, Messrs. Kanas, Bohlsen and Singh entered into long-term equity-based compensation arrangements for retention purposes and also have an opportunity to receive performance-based long-term equity-based compensation awards.

Limited perquisites and other benefits. Our named executive officers are eligible to participate in our 401(k) retirement plan and our Nonqualified Deferred Compensation Plan. Messrs. Kanas and Singh receive a car allowance and Messrs. Kanas and Bohlsen are provided with a company-paid driver.

Compensation Mix

Our current compensation package is designed to provide a strong link between the compensation of our executives and the success of our Company and our stockholders generally. The cash components base salary and cash bonus compensation collectively represent what we believe is appropriate pay for expected performance during the year. The equity-based compensation component is designed to encourage high performance by closely aligning an executive's pay with the interests of our stockholders. The allocation between different elements of compensation with respect to our named executive officers has been a product of individual negotiations to date. Furthermore, with respect to Messrs. Kanas, Bohlsen and Singh, base salaries were reduced in 2012 and long-term cash and equity-based compensation arrangements were increased in order to promote the retention of each Messrs. Kanas, Bohlsen and Singh, as well as to tie total compensation to the long-term success of Company and align with the interests of stockholders, as opposed to guaranteeing compensation in the form of higher base salaries.

Employment Agreements

We entered into a negotiated employment agreement with each of the Messrs. Kanas, Bohlsen and Singh when our Company was founded. On August 29, 2012, the Compensation Committee approved amended and restated employment agreements (the "Employment Agreements") between each of Messrs. Kanas, Bohlsen and Singh and the Company and between each of the Messrs. Kanas, Bohlsen and Singh and the Bank. The term of employment under each of the Employment Agreements for Messrs. Kanas and Singh is for three years from July 1, 2012. Mr. Bohlsen's Employment Agreements expired on July 1, 2013, and on such date Mr. Bohlsen resigned from his position as Chief Lending Officer of the Company and Vice Chairman and Chief Lending Officer of BankUnited, N.A. Mr. Bohlsen also resigned from the Board. Mr. Bohlsen agreed to continue to serve the Company as Senior Advisor to the Chairman of the Board following his resignation. Mr. Bohlsen did not enter into an employment agreement with the Company in connection with his services as Senior Advisor.

Mr. Pauls was not a party to an employment agreement for the 2013 fiscal year. Mr. Pauls retired from his position as Chief Financial Officer of the Company on February 28, 2013. Following February 28, 2013, Mr. Pauls agreed to remain with the Company in a non-executive capacity to assist with all matters through December 31, 2013.

Mr. Melby and Ms. Lunak have not entered into employment agreements with the Company and instead Ms. Lunak's employment is subject to the terms of an offer letter and a change in control agreement, each with the Bank. Mr. Melby's employment had been subject to an offer letter and change in control agreement with the Bank, each of which was terminated effective March 31, 2014 in connection with Mr. Melby's resignation.

The Employment Agreements, offer letters and change in control agreements set forth the compensatory terms of each of our named executive officers' employment. For additional information regarding certain provisions of each named executive officer's employment agreement, offer letter, or change in control agreement, see " Potential Payments Upon Termination or Change-in-Control."

Table of Contents

Base Salary

We provide each of our executive officers and other employees with a base salary to compensate them for services rendered during the year. We believe that, with respect to our named executive officers, base salary should compensate the executives for their service and performance but that superior contributions and performance should be rewarded by other forms of compensation, including long-term equity-based compensation

Performance-Based Annual Bonuses

Commencing in 2013 and pursuant to the terms of their respective Employment Agreements, each of Messrs. Kanas, Bohlsen and Singh was eligible to receive a performance-based annual bonus award for the performance period that began on July 1, 2012 and ended on June 30, 2013. The target bonus opportunities set forth in the Employment Agreements were as follows: \$1,530,000 for Mr. Kanas and 75% of annual base salary (i.e., \$375,000) for each of Messrs. Bohlsen and Singh. Maximum bonus opportunities are equal to \$1,870,000 for Mr. Kanas and 100% of annual base salary for Mr. Singh. Mr. Bohlsen's maximum bonus opportunity was equal to 100% of his annual base salary. Messrs. Kanas and Singh are eligible to receive a performance-based annual bonus award for the performance period that began on July 1, 2013 and ends on June 30, 2014.

Actual bonus amounts were determined by the Compensation Committee following the conclusion of the performance period ending June 30, 2013, based upon the achievement of the applicable performance criteria established by the Compensation Committee. The applicable performance criteria for each of Messrs. Kanas, Bohlsen and Singh included, for example, net interest margin goals as compared to industry peers, goals related to minimizing non-performing assets ratios, increasing total deposits and reducing costs of deposits, and successfully launching into specified geographical markets.

Retention and Other Cash Bonuses

The purpose of the retention bonuses is to incentivize Messrs. Kanas and Singh to continue their employment with us and the Bank and, in that regard, the size of the respective bonuses were determined to provide retentive value. Pursuant to the terms of their respective Employment Agreements, Messrs. Kanas and Singh received the following cash retention awards on December 15, 2013 by remaining employed through such date: \$1,500,000 for Mr. Kanas and \$750,000 for Mr. Singh. Messrs. Kanas and Singh are eligible to earn the same respective retention bonus amounts on December 31, 2014, subject to their continued employment through such date.

Discretionary Bonuses

On February 12, 2014, we awarded Ms. Lunak \$350,000 and Mr. Melby \$325,000 for their performance in the 2013 fiscal year and overall contribution to the Company. Consistent with the Company's Policy on Incentive Compensation Arrangements, the bonus amount ultimately determined for each of Ms. Lunak and Mr. Melby was based on a subjective evaluation of such factors as their overall individual performance, organizational performance, individual contribution to organizational performance, business segment performance, and/or level of individual responsibilities, and not based on the achievement of any performance goals established by the Compensation Committee in advance.

Equity-Based Compensation

Stock Options

Although the Compensation Committee has awarded stock options to executive officers in prior years, in 2013, the Compensation Committee did not award stock options to any named executive officer as part of his or her long-term equity-based compensation. Should stock options be granted to

Table of Contents

named executive officers in the future, these awards will be determined following the key principles under the Company's Policy on Incentive Compensation Arrangements, including their valuable contribution to the organization, disciplined balance of risk and financial results, exceptional focus on risk management and internal controls and strong corporate governance.

Restricted Shares

On August 29, 2012, pursuant to their respective Employment Agreements, Mr. Kanas was granted 178,643 restricted shares, Mr. Bohlsen was granted 29,774 restricted shares, and Mr. Singh was granted 89,322 restricted shares, in each case as a retention-based equity incentive award. In the case of Messrs. Kanas and Singh, each restricted stock award vested as to one-third on December 31, 2012 and one-third on December 31, 2013 and the remaining one-third of the shares subject to the awards will vest on December 31, 2014, subject to the applicable named executive officer's continued employment through such date. Additionally, the restricted shares are subject to a one-year transfer restriction following vesting. In the case of Mr. Bohlsen, the restricted stock award fully vested on June 30, 2013 without any transfer restrictions.

On February 12, 2014, Ms. Lunak was awarded 12,500 restricted shares for her performance in the 2013 fiscal year and overall contribution to the Company. The shares vest in equal, annual installments on the first three anniversaries of the date of grant.

Performance-Based Share Awards

Commencing in 2013 and pursuant to the terms of their respective Employment Agreements, each of Messrs. Kanas, Bohlsen and Singh was eligible to receive an award of performance-based shares based on performance during the performance period that began on July 1, 2012 and ended on June 30, 2013. The target award opportunities as set forth under the Employment Agreements are as follows: \$680,000 for Mr. Kanas and \$375,000 for each of Messrs. Bohlsen and Singh. Maximum award opportunities are equal to \$1,020,000 for Mr. Kanas and \$500,000 for each of Messrs. Bohlsen and Singh. Messrs. Kanas and Singh are eligible to receive an award of performance-based shares based on performance during the performance period that began on July 1, 2013 and ends on June 30, 2014.

On August 7, 2013, the Compensation Committee awarded Mr. Kanas 33,742 performance shares and Messrs. Bohlsen and Singh 16,540 performance shares for the performance period ended June 30, 2013. In the case of Messrs. Kanas and Singh, the award vested as to one-third on August 7, 2013 and one-half of the unvested portion of the awards will vest on each of June 30, 2014 and June 30, 2015, subject to the applicable executive's continued employment through such dates. Mr. Bohlsen's award was fully vested on August 7, 2013.

Equity Ownership Requirements

In connection with the IPO, we adopted a policy relating to the minimum amount of equity securities that the named executive officers must retain for so long as they are employed by us. This policy, which may be waived from time to time by the Compensation Committee, but has not been waived since its adoption, provides that so long as Mr. Kanas is CEO, he will not sell equity if, after giving effect to such sale, his retained equity (including vested and unvested equity, including options) has a value that is less than twelve times his base salary. Although Mr. Kanas' base salary was eliminated in September 2012, as of March 17, 2014, he held equity securities (including vested and unvested equity, including options) having a value well in excess of his base salary that was in effect immediately prior to its being eliminated. Additionally, for Mr. Singh, the policy provides that so long as he is employed and is a named executive officer of the Company, he will not sell equity if, after giving effect to such sale, his respective retained equity (including vested and unvested equity, including options) has a value that is less than five times his base salary. We believe that requiring members of

Table of Contents

our senior management to invest and maintain ownership in our Company serves to align their interests with the interests of our stockholders generally. Each of Messrs. Kanas and Singh and Ms. Lunak's equity holdings exceeds our equity ownership policy guidelines.

Say on Pay

We value the opinions of our stockholders. At the 2012 annual meeting of stockholders, approximately 99% of the votes cast on the stockholder advisory vote proposal on the compensation of our named executive officers ("Say on Pay") were cast in favor of our executive compensation program. In addition, over a majority of the votes cast on the Say on Pay frequency vote proposal were in favor of holding a Say on Pay vote every three years such that there will not be a Say on Pay vote until the 2015 annual meeting of stockholders. The Compensation Committee reviewed the results of the Say on Pay vote in 2012 and did not make changes to our executive compensation program based on the outcome of the vote and decided to retain the same general approach to our program. However, certain changes to our executive compensation program were made in 2012 in an effort to improve our compensation practices generally and to further align our compensation practices with the interests of our stockholders and otherwise in the interests of retaining key executives, such as entering into the Employment Agreements with Messrs. Kanas, Bohlsen and Singh, which included expiring provisions on gross-up payments for golden parachute excise taxes and eliminated possible discretionary cash bonuses and certain time-based equity incentive awards in favor of performance-based cash and equity incentives for each of Messrs. Kanas, Bohlsen and Singh.

Tax and Accounting Implications

The Compensation Committee considers the tax implications of our compensation programs, including the implications of Section 162(m) of the Internal Revenue Code of 1986, as amended, referred to herein as the Internal Revenue Code, which limits the deductibility of certain compensation to US\$1 million per year for our CEO and for each of the other three most highly compensated named executive officers (other than our CFO) who are employed at year-end. Performance-based compensation may be excluded from this limitation.

Nonqualified Deferred Compensation

Messrs. Kanas, Bohlsen, Singh and Pauls were eligible to participate in our Nonqualified Deferred Compensation Plan for fiscal year 2013. In 2014, we approved a new Nonqualified Deferred Compensation Plan in which all our named executive officers (as well as certain other employees) may participate. Our Nonqualified Deferred Compensation Plan allows each named executive officer the ability to defer compensation in excess of annual IRS limits that are applicable to our qualified 401(k) plan. Each of Messrs. Kanas, Bohlsen and Singh is (and Mr. Pauls was) eligible to receive company matching contributions under the plan. For the 2013 plan year, we contributed an amount equal to one hundred percent of the first one percent plus seventy percent of the next five percent of eligible compensation that Messrs. Kanas, Bohlsen, Singh and Pauls elected to defer under the plan. Amounts deferred by a named executive officer are vested at all times and amounts that we contribute on the executive's behalf will become vested upon the earlier to occur of a change in control (as defined in the plan), the executive's death, disability, attainment of "Normal Retirement Age" under our 401(k) plan or completion of two years of service. Amounts deferred under our Nonqualified Deferred Compensation Plan are distributed upon a date specified by the executive, which may be no earlier than January 1 of the third plan year following the plan year in which the compensation would have otherwise been paid to the executive, or upon the earliest to occur of the executive's separation from service, disability or a change in control.

Potential Payments Upon Termination or Change-in-Control

The employment arrangements with our named executive officers provide for certain severance payments and benefits, to the extent applicable, in the event of a termination of employment as described below:

Employment Agreements with Messrs. Kanas, Singh and Bohlsen. The Employment Agreements for Messrs. Kanas and Singh and the former Employment Agreements for Mr. Bohlsen provide that in the event of an executive's termination of employment by either the Bank or the Company without Cause (as defined in the respective agreements) or by the Executive for Good Reason (as defined in the respective agreements), such executive will be entitled to receive, subject to the executive's execution of a release of claims against the Bank or the Company, as applicable, payment of any unpaid retention awards, the accelerated vesting of equity awards (subject to certain exceptions), continued coverage under the employer's group health plans at the employer's expense for 24 months, as well as a payment equal to the following: \$1,530,000 and \$1,530,000 under Mr. Kanas' Employment Agreements with the Bank and the Company, respectively; and \$1,312,500 and \$437,500 under Mr. Singh's Employment Agreements with the Bank and the Company. The Employment Agreements with Mr. Bohlsen expired on July 1, 2013 and as of such date Mr. Bohlsen was no longer entitled to any severance benefits under the Employment Agreements.

Each of the Employment Agreements also provide that in the event of death or disability, the portion of any outstanding equity award held by the applicable executive which would have vested in the 12 months immediately following the executive's death or disability will vest. Furthermore, each applicable executive and his dependents are generally entitled to receive continued coverage under the group health plans of the Bank or the Company, as applicable, at the sole expense of the Bank or the Company, as applicable, for 24 months following the executive's disability or death.

Each of the Employment Agreements with the Bank provide that in the event that on or prior to August 31, 2013 (or prior to the expiration of the term, in the case of Mr. Bohlsen), it is publicly announced that a binding agreement has been entered into by the Bank and/or the Company with respect to a transaction that, if consummated, would constitute a change in control transaction giving rise to payments and benefits that trigger excise taxes under Section 4999 of the Internal Revenue Code, the Bank will reimburse the executive for any such excise taxes and for the taxes imposed on

Table of Contents

such reimbursement amount, as well as for certain related costs incurred by the executive. Such excise tax reimbursement obligation expired on August 31, 2013 and has no continued effect.

Each of the Messrs. Kanas, Bohlsen and Singh are subject to confidentiality and non-disparagement obligations under the Employment Agreements, as well as non-competition and non-solicitation covenants for a period of 18 months following a termination of employment by the Company for Cause or following the applicable executive's voluntary resignation without Good Reason.

The Employment Agreements are subject to regulatory laws to the extent applicable.

Employment Agreement with Mr. Pauls. Mr. Pauls' employment agreements expired on September 1, 2012, and therefore, he is not entitled to severance payments or benefits in the event of a termination of his employment.

Change in Control Agreements with Mr. Melby and Ms. Lunak. Ms. Lunak is, and Mr. Melby was, a party to a change in control agreement which provides that, if the executive's employment is terminated by the Company without Cause (as defined in the change in control agreement), or by the executive due to a reduction in base salary, each within six months following a change in control of the Company, the executive will be entitled to a payment in the amount equal to one year of his or her base salary, payable on the date that is six months following the change in control. The agreement further provides for payment, on the date that is six months following completion of the change in control, of a lump sum retention bonus equal to one year of base salary (as in effect immediately prior to the change in control), subject to the executive's continued employment with BankUnited and any successor to BankUnited through such date. Mr. Melby's offer letter and change in control agreement were terminated effective March 31, 2014, in connection with Mr. Melby's resignation and therefore Mr. Melby is no longer entitled to any severance or change in control protections under those agreements.

Equity Awards. In the event of a change in control (as defined in the Company's 2010 Omnibus Equity Incentive Plan), all outstanding awards held by the named executive officers that are then unvested would be subject to accelerated vesting, and any performance-based shares to be prospectively awarded with respect to a pending performance period would be granted and vested at target levels.

The following table provides information concerning the estimated payments and benefits that would be provided in the circumstances described above for each of the named executive officers, which were estimated assuming that the triggering event took place on the last business day of the fiscal year (December 31, 2013) and calculated using the closing price per share of our common stock

PROPOSAL NO. 3

APPROVAL OF THE BANKUNITED, INC. 2014 OMNIBUS EQUITY INCENTIVE PLAN

On April 8, 2014, the Board of Directors approved the BankUnited, Inc. 2014 Omnibus Equity Incentive Plan (the "2014 Omnibus Plan"), subject to approval by our stockholders.

The Board of Directors believes that the adoption of the 2014 Omnibus Plan is in the best interests of the Company and its stockholders. As a key element of our compensation program, our equity grants are designed to provide additional incentives to selected management, employees, directors, independent contractors and consultants of the Company or its Affiliates in order to retain such persons whose efforts will facilitate the long-term growth and profitability of the Company. Stockholder approval of the 2014 Omnibus Plan will accomplish the following:

Authorize 4,000,000 shares of common stock for issuance under the 2014 Omnibus Plan;

Permit the Company to grant equity awards to eligible individuals pursuant to the 2014 Omnibus Plan until the tenth anniversary of the date the 2014 Omnibus Plan is approved by the Company's stockholders; and

Constitute approval for purposes of Section 162(m) of the Internal Revenue Code of the 2014 Omnibus Plan and the performance goals set forth in the 2014 Omnibus Plan, the attainment of which may be a condition to the grant and/or vesting of awards made under the 2014 Omnibus Plan.

If the 2014 Omnibus Plan is not approved by stockholders, the 2010 Plan will remain in effect in accordance with its existing terms.

Rationale for Adopting 2014 Omnibus Plan

In considering the proposal to adopt the 2014 Omnibus Plan, the Compensation Committee considered the number of shares required to continue making equity awards at levels consistent with prior practice and the dilutive impact that additional shares would have on our stockholders. If we do not approve the 2014 Omnibus Plan, the Company expects that we will exhaust the share reserve under the 2010 Plan within fewer than two years, at which time we would lose an important compensation tool designed to align stockholder interests and attract, motivate and retain highly qualified talent. The Compensation Committee has determined that 4,000,000 shares should satisfy our compensation needs for at least the next four years while maintaining acceptable levels of potential stockholder dilution. In its determination to adopt the 2014 Omnibus Plan, including the share reserve thereunder, the Compensation Committee considered the review prepared by Towers Watson, its independent compensation consultant, which included an analysis of the burn rate, dilution and overhang metrics discussed below.

We are committed to effectively managing the Company's equity compensation share reserve while minimizing stockholder dilution. The Company has carefully managed its equity-based compensation in order to maintain an acceptable burn rate. Using the current methodology of Institutional Shareholder Services ("ISS"), the Company's gross burn rate for each of the last three fiscal years is within the guidelines recommended by ISS. Our burn rate for the last three years ending on December 31, 2013 was 1.60%, well below the ISS cap of 3.13% for our industry classification. The requested share increase under the 2014 Omnibus Plan represents approximately 4.0% of outstanding shares of the Company as of December 31, 2013. The total potential dilution, assuming all the shares that are proposed to be reserved for issuance under the 2014 Omnibus Plan are issued, will be 3.8% of our common stock outstanding as of December 31, 2013. The Company also believes that it maintains a reasonable overhang, calculated by dividing the total number of shares subject to equity awards

Table of Contents

outstanding under all of the Company's equity plans at a point in time by the number of shares outstanding at the same point in time, which was 5.7% as of December 31, 2013.

Summary of the Material Terms of the 2014 Omnibus Plan

The following is a description of the material features of the 2014 Omnibus Plan. It does not purport to be complete and is qualified in its entirety by the full text of the 2014 Omnibus Plan, which is attached hereto as Appendix A. The 2014 Omnibus Plan is not intended to be (and will not be construed and administered as) an employee benefit plan within the meaning of the Employee Retirement Income Security Act of 1974, as amended.

Purpose

The purposes of the 2014 Omnibus Plan are to provide additional incentives to selected employees, directors, or independent contractors of and consultants to us or certain of our affiliates, in order to strengthen their commitment, motivate them to faithfully and diligently perform their responsibilities and to attract and retain competent and dedicated persons who are essential to the success of our business and whose efforts will impact our long-term growth and profitability.

The 2014 Omnibus Plan provides for the grant of options to acquire shares of common stock (all options granted under the 2014 Omnibus Plan are intended to be non-qualified options and are not intended to qualify as "incentive stock options" within the meaning of Section 422 of the Internal Revenue Code), share appreciation rights ("SARs"), restricted shares, deferred shares, performance shares, unrestricted shares and other share-based awards.

Plan Administration; Eligibility

The 2014 Omnibus Plan may be administered by our Board or by a committee of directors designated by our Board (the "Administrator"). The Administrator has broad administrative authority to interpret the 2014 Omnibus Plan and may prescribe, amend and rescind rules and make all other determinations necessary or desirable for the administration of the 2014 Omnibus Plan. Pursuant to its administrative authority, the Administrator may, among other things: select the persons who will receive awards and determine the types of awards to be granted; determine the terms and conditions of those awards, and amend the terms and conditions of outstanding awards. Employees, directors, independent contractors and consultants of the Company and its affiliates are eligible to participate in the 2014 Omnibus Plan. As of April 1, 2014, there were approximately 1,700 individuals who would be eligible to participate in the 2014 Omnibus Plan.

Shares of Common Stock Subject to Awards

The number of shares of our common stock available for issuance under the 2014 Omnibus Plan is 4,000,000. The aggregate awards granted during any single year to a person who is likely to be a "covered employee" (within the meaning of Section 162(m) of the Internal Revenue Code) may not exceed 400,000 shares of our common stock.

The shares of our common stock issued under the 2014 Omnibus Plan may consist of authorized but unissued shares or shares that we may reacquire in the open market, in private transactions, or otherwise. If any shares of common stock subject to an award granted under the 2014 Omnibus Plan are forfeited, cancelled, exchanged or surrendered or if an award otherwise terminates or expires without a distribution of shares to the participant, those shares will again be available for awards under the 2014 Omnibus Plan.

The 2014 Omnibus Plan provides that, in the event of a merger, consolidation, recapitalization, share dividend or other change in corporate structure affecting our common stock, the Administrator

Table of Contents

will make, in its sole discretion, an equitable substitution or proportional adjustment in (i) the aggregate number of shares of common stock reserved for issuance under the 2014 Omnibus Plan, (ii) the maximum number of shares of common stock that may be subject to awards granted to a participant in any calendar year, (iii) the kind, number and exercise price subject to outstanding options and SARs granted under the 2014 Omnibus Plan, and (iv) the kind, number and purchase price of shares of common stock subject to outstanding awards of restricted shares, deferred shares, performance shares or other share-based awards granted under the 2014 Omnibus Plan. In addition, in the event of a merger, amalgamation, consolidation, reclassification, spin-off, spin-out, repurchase, reorganization, recapitalization, share dividend or other change in corporate structure affecting the common stock, the Administrator may, in its discretion, terminate all awards in exchange for the payment of cash or in-kind consideration.

Awards

General. The terms and conditions of each award granted under the 2014 Omnibus Plan will be set forth in an award agreement in a form to be determined by the Administrator.

Options. The exercise period of an option may not exceed ten years from the date of grant and the exercise price may not be less than 100% of the fair market value of a share of common stock on the date of grant.

An optionee will have no rights to dividends or distributions or other rights of a stockholder with respect to the shares of common stock subject to an option until the optionee has given written notice of exercise and paid the exercise price and applicable withholding taxes.

Unless the award agreement provides otherwise, in the event of an optionee's termination of employment or service for any reason other than for cause, retirement, disability or death, the optionee's options (to the extent exercisable at the time of such termination) generally will remain exercisable until 90 days after such termination and will then expire. Unless the applicable option agreement provides otherwise, in the event of an optionee's termination of employment or service due to retirement, disability or death, the optionee's options (to the extent exercisable at the time of such termination) generally will remain exercisable until one year after such termination and will then expire. Options that were not exercisable on the date of termination of the optionee's employment or service for any reason other than for cause will expire at the close of business on the date of such termination. In the event of an optionee's termination of employment or service for cause, the optionee's outstanding options will expire at the commencement of business on the date of such termination.

Share Appreciation Rights. SARs may be granted under the 2014 Omnibus Plan either alone ("free-standing SAR") or in conjunction with all or part of any option granted under the 2014 Omnibus Plan ("related SAR"). A free-standing SAR granted under the 2014 Omnibus Plan will entitle its holder to receive, at the time of exercise, an amount per share equal to the excess of the fair market value (at the date of exercise) of a share of common stock over a specified price fixed by the Administrator on the date of grant (which shall be no less than fair market value at the date of grant). A related SAR granted under the 2014 Omnibus Plan will entitle its holder to receive, at the time of exercise of the SAR and surrender of the applicable portion of the related option, an amount per share equal to the excess of the fair market value (at the date of exercise) of a share of common stock over the exercise price of the related option. The Administrator may determine to settle the exercise of a SAR in shares of common stock, cash or any combination of both. The exercise price of a SAR may not be less than 100% of the fair market value of a share of common stock on the date of grant. The exercise period of a free-standing SAR may not exceed ten years from the date of grant. The exercise period of a related SAR will expire upon the expiration of its related award.

Table of Contents

Participants who are granted SARs shall have no rights as stockholders of BankUnited, Inc. with respect to the grant or exercise of such rights.

In the event of a participant's termination of employment or service, free-standing SARs will be exercisable at such times and subject to such terms and conditions as determined by the Administrator in the applicable award agreement, while related SARs will be exercisable at such times and subject to the terms and conditions applicable to the related option.

Restricted Shares, Deferred Shares and Performance Shares. Restricted shares, deferred shares and performance shares may be issued either alone or in addition to other awards granted under the 2014 Omnibus Plan. The Administrator will determine the purchase price and performance objectives, if any, with respect to the grant of restricted shares, deferred shares and performance shares. Subject to the provisions of the 2014 Omnibus Plan and the applicable award agreement, the Administrator has the sole discretion to provide for the lapse of restrictions in installments or the acceleration or waiver of restrictions (in whole or part) under certain circumstances, including the attainment of certain performance goals, a participant's termination of employment or service or a participant's death or disability.

Unless the award agreement provides otherwise, participants with restricted shares and performance shares will generally have all of the rights of a shareholder, including dividend or distribution rights; provided, however that any dividends or dividend equivalents provided with respect to restricted shares, deferred shares or performance shares that are subject to the attainment of specified performance goals will be subject to the same terms, conditions and risk of forfeiture as the underlying awards. Participants with deferred shares will generally not have the rights of stockholders, but, during the restricted period, deferred shares may be credited with dividend or distribution equivalent rights, if the award agreement so provides.

The rights of a participant with respect to restricted shares, deferred shares and performance shares upon termination of the participant's employment or service will be set forth in the applicable award agreement.

Performance shares may be subject to the achievement of one or more of the following performance goals: (i) earnings, including one or more of operating income, earnings before or after taxes, earnings before or after interest, depreciation, amortization, adjusted EBITDA, economic earnings, or extraordinary or special items, (ii) book value per share (which may exclude nonrecurring items), tangible book value per share and/or growth thereof; (iii) levels of or changes in levels of pre-tax income, after-tax income, net income, net interest income, or fee income; (iv) earnings per share (basic or diluted), core earnings per share and/or growth thereof; (v) operating profit; (vi) revenue, revenue growth or rate of revenue growth; (vii) return measures, including one or more of return on assets (gross or net), return on tangible assets, cash return on assets, cash return on tangible assets, return on investment, return on capital, or return on equity, return on tangible equity, cash return on equity, cash return on tangible equity; (viii) operating expenses; (ix) share price, absolute and/or relative metrics of stock performance, dividends, and/or total capital returned to shareholders; (x) implementation or completion of critical projects or processes; (xi) cumulative earnings per share growth; (xii) levels of or changes in levels of net interest margin, operating margin or profit margin; (xiii) levels of or changes in levels of efficiency ratio or cash efficiency ratio; (xiv) cost targets, reductions and savings, productivity and efficiencies; (xv) levels of or trends in non-performing assets; (xvi) achieving or maintaining specified levels of GAAP and/or regulatory capital; (xvii) levels of or changes in levels of provision, provision rate, net charge-off, or net-charge-off ratio; (xviii) levels of or trends in specified financial statement line items or components thereof, including, but not limited to, cost of deposits, growth of deposits, cost of funds, loan growth, loan yields, or interest earnings asset yields; (xix) strategic business criteria, consisting of one or more objectives based on meeting specified market penetration, geographic business expansion, customer satisfaction, employee satisfaction, human

resources management, supervision of litigation, regulatory matters, information technology, and goals relating to acquisitions, divestitures, joint ventures and/or similar transactions, and/or budget comparisons; (xx) personal professional objectives, including any of the foregoing performance goals, the implementation of policies and plans, the negotiation of transactions, the development of long term business goals, formation of joint ventures, and the completion of other corporate transactions; and (xxi) any combination of, or a specified increase in, any of the foregoing. Performance goals not specified in the 2014 Omnibus Plan may be used to the extent that an award is not intended to comply with Section 162(m) of the Internal Revenue Code. If required to deduct the compensation under Section 162(m) of the Internal Revenue Code, no payment shall be made to a participant that is likely to be a "covered employee" (within the meaning of Section 162(m) of the Internal Revenue Code) prior to the certification by a committee composed entirely of individuals that meet the qualifications of an "outside director" within the meaning of Section 162(m) of the Internal Revenue Code that the performance goals have been attained. Any performance criteria applicable to awards intended to qualify as "performance-based compensation" (within the meaning of 162(m) of the Internal Revenue Code) shall be established by the Administrator not later than the time prescribed under Section 162(m) of the Internal Revenue Code and the regulations thereunder.

Other Share-Based Awards. The Administrator may grant other share-based awards upon terms and conditions determined by the Administrator at the date of grant or thereafter.

Treatment of Outstanding Awards upon a Change in Control

The 2014 Omnibus Plan provides that, unless otherwise determined by the Administrator and evidenced in an award agreement, if a change in control occurs, then (i) any unvested or unexercisable portion of an award carrying a right to exercise shall become fully vested and exercisable and (ii) the restrictions, deferral limitations, payment conditions and forfeiture conditions applicable to any other award granted under the 2014 Omnibus Plan will lapse and such unvested awards will be deemed fully vested and any performance conditions imposed with respect to such awards will be deemed to be fully achieved.

For purposes of the 2014 Omnibus Plan a "change in control" means, in general: (i) a person or entity acquires securities representing 50% or more of our voting power; (ii) certain mergers or amalgamations involving us or any of our subsidiaries and another corporation; (iii) an unapproved change in the majority membership of our Board; (iv) the approval by stockholders of a plan of complete liquidation or dissolution of our company; or (v) the consummation of an agreement for certain sales or dispositions of all or substantially all of our assets.

Termination of Employment and Service

Unless otherwise provided in an award agreement, upon a participant's termination of employment or service, the participant will forfeit any options to the extent they were not exercisable on the date of such termination. Related SARs shall be exercisable at such time or times and subject to such terms and conditions as the related option. The rights of participants granted free-standing SARs, restricted shares, deferred shares, performance shares or other share-based awards upon a termination of employment or service shall be set forth in the award agreement.

Transferability of Awards

Until such time as the awards are fully vested and/or exercisable in accordance with the 2014 Omnibus Plan or an award agreement thereunder, no purported sale, assignment, mortgage, hypothecation, transfer, charge, pledge, encumbrance, gift, transfer in trust (voting or other) or other disposition of, or creation of a security interest in or lien on, any award or any agreement or commitment to do any of the foregoing by any holder thereof in violation of the provisions of the 2014

Table of Contents

Omnibus Plan or an award agreement will be valid, except with the prior written consent of the Administrator, which consent may be granted or withheld in the sole discretion of the Administrator. Unless otherwise determined by the Administrator, an option may be exercised, during the lifetime of the participant, only by the participant or, during any period during which the participant is under a legal disability, by the participant's guardian or legal representative.

Amendment or Termination of Plan

Our Board may amend, alter or terminate the 2014 Omnibus Plan, provided that no such amendment, alteration or termination shall be made that would impair the rights of a participant under any award theretofore granted without such participant's consent. Unless the Board determines otherwise, the Board shall obtain approval of the Company's stockholders for any amendment that would require such approval in order to satisfy the requirements of Section 162(m) of the Internal Revenue Code, any rules of the stock exchange on which the Company's common stock is traded or other applicable law, including, without limitation, repricing of stock options and option exchanges.

Determination of Fair Market Value

The fair market value of a share of common stock will be determined by the Administrator in its sole discretion, subject to certain limitations, including if our common stock is admitted to trading on a national securities exchange, the fair market value of a share of common stock will be the closing sales price per share on the applicable date, or if no sale was reported on that date, for the last preceding date on which there was a sale of shares of common stock on the exchange.

Certain Federal Income Tax Consequences

Options

All options to acquire shares of common stock granted under the 2014 Omnibus Plan are intended to be non-qualified options and are not intended to qualify as "incentive stock options" within the meaning of Section 422 of the Internal Revenue Code. A participant generally will not recognize taxable income upon the grant of an option. Rather, at the time of exercise of the option, the participant will recognize ordinary income for income tax purposes in an amount equal to the excess of the fair market value of the shares of common stock purchased over the exercise price. The Company generally will be entitled to a tax deduction at such time and in the same amount that the participant recognizes ordinary income. If the shares of common stock acquired upon the exercise of a non-qualified option are later sold or exchanged, then the difference between the amount received upon such sale or exchange and the fair market value of such shares on the date of such exercise will generally be taxable as long-term or short-term capital gain or loss (if the shares are a capital asset of the optionee), depending upon the length of time such shares were held by the participant.

Share Appreciation Rights

A participant generally will not recognize taxable income upon the grant of a SAR. Rather, at the time of exercise of the SAR, the participant will recognize ordinary income for income tax purposes in an amount equal to the value of any cash received and the fair market value on the date of exercise of any shares of common stock received. The Company generally will be entitled to a tax deduction at such time and in the same amount that the optionee recognizes ordinary income. The participant's tax basis in any shares received will be the fair market value on the date of exercise and, if the shares are later sold or exchanged, then the difference between the amount received upon such sale or exchange and the fair market value of the shares on the date of exercise will generally be taxable as long-term or short-term capital gain or loss (if the shares are a capital asset of the participant) depending upon the length of time such shares were held by the participant.

Table of Contents

Restricted Shares and Performance Awards

A participant generally will not be taxed upon the grant of a restricted share or performance award, but rather will recognize ordinary income in an amount equal to the fair market value of the shares at the time the shares are no longer subject to a substantial risk of forfeiture (within the meaning of the Internal Revenue Code). The participant's tax basis in the shares will equal the fair market value of the shares at the time the restrictions lapse, and the participant's holding period for capital gains purposes will begin at that time. Any cash dividends paid on the shares before the restrictions lapse will be taxable to the participant as additional compensation (and not as dividend income). Under Section 83(b) of the Internal Revenue Code, a participant may elect to recognize ordinary income at the time the restricted or performance shares are awarded in an amount equal to their fair market value at that time, notwithstanding the fact that such shares are subject to restrictions and a substantial risk of forfeiture. If such an election is made, no additional taxable income will be recognized by such participant at the time the restrictions lapse, the participant will have a tax basis in the shares equal to their fair market value on the date of their award, and the participant's holding period for capital gains purposes will begin at that time. The Company generally will be entitled to a tax deduction at the time when, and to the extent that, ordinary income is recognized by such participant.

Deferred Shares

In general, the grant of deferred shares will not result in income for the participant or in a tax deduction for the Company. Upon the settlement of such an award, the participant will recognize ordinary income equal to the aggregate value of the payment received, and the Company generally will be entitled to a tax deduction in the same amount.

Deductibility Limit on Compensation in Excess of \$1 Million

Section 162(m) of the Internal Revenue Code generally limits the deductible amount of total annual compensation paid (including, unless an exception applies, compensation otherwise deductible in connection with awards granted under the 2014 Omnibus Plan) by a public company to each "covered employee" to no more than \$1 million. Excluded from total compensation for this purpose is compensation that is "performance-based" within the meaning of Section 162(m) of the Internal Revenue Code. Unless an exception applies, compensation otherwise deductible in connection with awards granted under the 2014 Omnibus Plan will be subject to this limit.

The comments set forth in the above paragraphs are only a summary of certain of the United States federal income tax consequences relating to U.S. residents under the 2014 Omnibus Plan. No consideration has been given to the effects of foreign, state, local and other laws (tax or other) on the 2014 Omnibus Plan or on a participant, which laws will vary depending upon the particular jurisdiction or jurisdictions involved.

New Plan Benefits

The benefits that will be awarded or paid under the 2014 Omnibus Plan to particular individuals or groups cannot currently be determined. The number of awards (if any) that an individual may receive under the 2014 Omnibus Plan is in the discretion of the Compensation Committee and the Compensation Committee has not determined future awards or who might receive them.

CERTAIN RELATED PARTY RELATIONSHIPS

Review and Approval of Transactions with Related Persons

Transactions by us with related parties are subject to a formal written policy, as well as regulatory requirements and restrictions. These requirements and restrictions include Sections 23A and 23B of the Federal Reserve Act (which govern certain transactions by the Bank with its affiliates) and the Federal Reserve's Regulation O (which governs certain loans by the Bank to its executive officers, directors and principal stockholders). We have adopted policies to comply with these regulatory requirements and restrictions. In addition, certain of our original investors (investment funds affiliated with The Blackstone Group ("Blackstone"), The Carlyle Group ("Carlyle"), Centerbridge Partners, L.P. ("Centerbridge") and WL Ross & Co. LLC ("WL Ross" and, together with Blackstone, Carlyle and Centerbridge, the "Sponsors")) entered into passivity commitments ("Passivity Commitments") with the Board of Governors of the Federal Reserve System (the "Federal Reserve") at the time that the Company became a bank holding company in February 2012. The Passivity Commitments replaced Rebuttal of Control Agreements that had been in place with the Office of the Comptroller of the Currency (the "OCC") in connection with these investment funds' initial investments in us. The Passivity Commitments will continue in effect until such time as the Federal Reserve releases the investment funds from their respective commitments. Among other things, the Passivity Commitments limit the ability of these investment funds to conduct transactions and have business relationships with us or our affiliates, to have representation on the Board of Directors and certain Board committees and otherwise to exercise significant influence over our management and policies. We have adopted a policy to assist these investment funds in complying with their respective Passivity Commitments.

Our Board of Directors has also adopted a written policy governing the approval of related party transactions that complies with all applicable requirements of the SEC and the NYSE concerning related party transactions. Related party transactions are transactions in which our Company is a participant, the amount involved exceeds \$120,000 and a related party has or will have a direct or indirect material interest. Related parties of our Company include directors (including nominees for election as directors), executive officers, greater than 5% stockholders of our Company and the immediate family members of these persons. Our general counsel, in consultation with management and outside counsel, as appropriate, will review potential related party transactions to determine if they are subject to our Related Party Transactions Policy. If so, the transaction will be referred for approval or ratification to the Nominating and Corporate Governance Committee. In determining whether to approve a related party transaction, the Nominating and Corporate Governance Committee will consider, among other factors, the fairness of the proposed transaction; the direct or indirect nature of the director's, executive officer's or related party's interest in the transaction; the appearance of an improper conflict of interests for any director or executive officer of the Company, taking into account the size of the transaction and the financial position of the director, executive officer or related party; whether the transaction would impair an outside director's independence; the acceptability of the transaction to the Company's regulators; and the potential violations of other Company policies. Our Related Party Transactions Policy is available on our website at <http://ir.bankunited.com>, as Annex B to our Corporate Governance Guidelines.

Registration Rights Agreement

In connection with our IPO, BankUnited, Inc., certain investment funds affiliated with the Sponsors, LF Moby LLC, Mr. DeMark, Ambassador Cobb, Mr. Kanas, John Bohlsen, Mr. Pauls, Mr. Singh and certain former members of BU Financial Holdings LLC (our parent company prior to the initial public offering) entered into a registration rights agreement, dated February 2, 2011 (as amended February 29, 2012, the "Registration Rights Agreement"). Pursuant to the Registration Rights Agreement, the Sponsors have demand registration rights. The registration rights provisions require us to register the shares of common stock beneficially owned by the demanding Sponsor with the SEC for

Table of Contents

sale by it to the public, provided that the value of the registrable securities proposed to be sold by such demanding Sponsor is at least the lesser of \$50.0 million or the value of all registrable securities held by such Sponsor. The registration rights provisions also provide that we may be required under certain circumstances to file a shelf registration statement for an offering to be made on a continuous basis pursuant to Rule 415 of the Securities Act. We may postpone the filing of such a registration statement or suspend the effectiveness of any registration statement for a reasonable "blackout period" not in excess of 90 days if our Board determines that such registration or offering could materially interfere with a bona fide business or financing transaction of the Company or is reasonably likely to require premature disclosure of material, non-public information, the premature disclosure of which the Board reasonably determines in the exercise of its good faith judgment would not be in the best interests of the Company; provided that we shall not postpone the filing of a registration statement or suspend the effectiveness of any registration statement for more than 90 days in the aggregate in any 360-day period.

In addition, pursuant to the registration rights provisions, in the event that we are registering additional shares of common stock for sale to the public, whether on our own behalf (except in connection with a registration on Form S-4 or Form S-8 or any successor or similar form or in a registration of securities solely relating to an offering and sale to employees pursuant to any employee stock plan or other employee benefit plan arrangement) or through a demand registration on behalf of a Sponsor (as described above), we are required to give notice of such registration to all parties to the Registration Rights Agreement that hold registrable securities (which includes members of our management that hold shares of our common stock) of the intention to effect such a registration. Such notified persons have piggyback registration rights providing them the right to have us include the shares of common stock owned by them in any such registration if we have received written requests for inclusion therein within prescribed time limits, subject to other provisions under the Registration Rights Agreement.

Between March 2013 and March 2014, the Sponsors sold 51,931,097 shares of our common stock in registered secondary offerings (the "Secondary Offerings"). As a result of the Secondary Offerings, as of March 7, 2014, the Sponsors no longer own any shares of our common stock.

Director Nomination Agreement

In connection with our IPO, we entered into the Director Nomination Agreement with Mr. Kanas and the Sponsors. The Director Nomination Agreement provides that, so long as Mr. Kanas is our CEO, Mr. Kanas may designate two individuals (one of whom will be Mr. Kanas) to be nominated for election to the Board of Directors and, subject to limited exceptions, we will recommend to our stockholders the election of those individuals. Two of our current directors, Mr. Kanas and Mr. Singh, were designated consistent with this arrangement, and pursuant to the Director Nomination Agreement and Mr. Kanas' designation, we have recommended that our stockholders elect Mr. Kanas and Mr. Singh as directors at the Annual Meeting.

The Director Nomination Agreement also granted each Sponsor the right to designate one individual for nomination to the Board of Directors for as long as such Sponsor owned more than 40% of the common stock that it owned immediately prior to the consummation of our IPO. Four of our current directors were designated pursuant to this arrangement, including Mr. Chu by Blackstone; Mr. Sarkozy by Carlyle; Mr. Ross by WL Ross; and Mr. West by Centerbridge. Because the Sponsors no longer own any shares of our common stock as of March 7, 2014, each no longer has any right to designate individuals for nomination to our Board of Directors. As reported on a Current Report on Form 8-K filed with the SEC on March 14, 2014, the Sponsors' prior designees are not standing for re-election at the Annual Meeting.

**REQUIREMENTS, INCLUDING DEADLINES, FOR SUBMISSION OF PROXY PROPOSALS,
NOMINATION OF DIRECTORS AND OTHER BUSINESS OF STOCKHOLDERS**

In order to submit stockholder proposals for the 2015 annual meeting of stockholders for inclusion in the Company's Proxy Statement pursuant to Exchange Act Rule 14a-8, materials must be received by the Corporate Secretary at the Company's principal office in Miami Lakes, Florida, no later than December 12, 2014.

The proposals must comply with all of the requirements of Exchange Act Rule 14a-8. Proposals should be addressed to: Corporate Secretary, BankUnited, Inc., 14817 Oak Lane, Miami Lakes, FL 33016. As the rules of the SEC make clear, simply submitting a proposal does not guarantee its inclusion.

The Company's Amended and Restated By-Laws also establish an advance notice procedure with regard to director nominations and stockholder proposals that are not submitted for inclusion in the Proxy Statement, but that a stockholder instead wishes to present directly at an annual meeting. To be properly brought before the 2015 annual meeting of stockholders, a notice of the nomination or the matter the stockholder wishes to present at the meeting must be delivered to the Corporate Secretary at the Company's principal office in Miami Lakes, Florida (see above), not less than 90 or more than 120 days prior to the first anniversary of the date of this year's Annual Meeting. As a result, any notice given by or on behalf of a stockholder pursuant to these provisions of the Company's Amended and Restated By-Laws (and not pursuant to Exchange Act Rule 14a-8) must be received no earlier than January 14, 2015, and no later than February 13, 2015. All director nominations and stockholder proposals must comply with the requirements of the Company's By-Laws, a copy of which may be obtained at no cost from the Corporate Secretary of the Company.

Other than the three proposals described in this Proxy Statement, the Company does not expect any matters to be presented for a vote at the Annual Meeting. If you grant a proxy, the persons named as proxy holders on the proxy card will have the discretion to vote your shares on any additional matters properly presented for a vote at the Annual Meeting. If for any unforeseen reason, any one or more of the Company's nominees is not available as a candidate for director, the persons named as proxy holders will vote your proxy for such other candidate or candidates as may be nominated by the Board of Directors.

The chairman of the meeting may refuse to allow the transaction of any business not presented beforehand, or to acknowledge the nomination of any person not made in compliance with the foregoing procedures.

(2) to determine whether and to what extent Options, Share Appreciation Rights, Restricted Shares, Deferred Shares, Performance Shares, Other Share-Based Awards or a combination of any of the foregoing, are to be granted hereunder to Participants;

(3) to determine the number of Shares to be covered by each Award granted hereunder;

(4) to determine the terms and conditions, not inconsistent with the terms of the Plan, of each Award granted hereunder (including, but not limited to, (i) the restrictions applicable to Restricted Shares or Deferred Shares and the conditions under which restrictions applicable to such Restricted Shares or Deferred Shares shall lapse, (ii) the performance goals and periods applicable to Awards, (iii) the Exercise Price of each Award, (iv) the vesting schedule applicable to each Award, (v) the number of Shares or amount of cash or other property subject to each Award and (vi) subject to the requirements of Section 409A of the Code (to the extent applicable), any amendments to the terms and conditions of outstanding Awards, including, but not limited to, extending the exercise period of such Awards and accelerating the vesting schedule of such Awards), and, if the Administrator in its discretion determines to accelerate the vesting of Options and/or Share Appreciation Rights in connection with a Change in Control, the Administrator shall also have discretion in connection with such action to provide that all Options and/or Share Appreciation Rights outstanding immediately prior to such Change in Control shall expire on the effective date of such Change in Control;

(5) to determine the terms and conditions, not inconsistent with the terms of the Plan, which shall govern all written instruments evidencing Options, Share Appreciation Rights, Restricted Shares, Deferred Shares, Performance Shares or Other Share-Based Awards or any combination of the foregoing granted hereunder;

(6) to determine the Fair Market Value;

(7) to determine the duration and purpose of leaves of absence which may be granted to a Participant without constituting termination of the Participant's employment for purposes of Awards granted under the Plan;

(8) to adopt, alter and repeal such administrative rules, guidelines and practices governing the Plan as it shall from time to time deem advisable; and

(9) to construe and interpret the terms and provisions of the Plan and any Award issued under the Plan (and any Award Agreement relating thereto), and to otherwise supervise the administration of the Plan and to exercise all powers and authorities either specifically granted under the Plan or necessary and advisable in the administration of the Plan.

(c) All decisions made by the Administrator pursuant to the provisions of the Plan shall be final, conclusive and binding on all persons, including the Company and the Participants. No member of the Board or the Committee, nor any officer or employee of the Company or any Subsidiary thereof acting on behalf of the Board or the Committee, shall be personally liable for any action, omission, determination, or interpretation taken or made in good faith with respect to the Plan, and all members of the Board or the Committee and each and any officer or employee of the Company and of any Subsidiary thereof acting on their behalf shall, to the maximum extent permitted by law, be fully indemnified and protected by the Company in respect of any such action, omission, determination or interpretation.

Section 4. Shares Reserved for Issuance Under the Plan.

(a) Subject to Section 5 hereof, the number of shares of Common Stock that are reserved and available for issuance pursuant to Awards granted under the Plan is 4,000,000 Shares. From and after such time as the Plan is subject to 162(m) of the Code, the aggregate Awards granted during any single fiscal year to any individual who is likely to be a Covered Employee shall not exceed 1,000,000 Shares.

(b) Shares issued under the Plan may, in whole or in part, be authorized but unissued Shares or Shares that shall have been or may be reacquired by the Company in the open market, in private transactions, or otherwise. If any Shares subject to an Award are forfeited, cancelled, exchanged or surrendered, settled in cash or if an Award otherwise terminates or expires without a distribution of Shares to the Participant, the Shares with respect to such Award shall, to the extent of any such forfeiture, cancellation, exchange, surrender, settlement, termination or expiration, again be available for Awards under the Plan. The reserve of Shares shall not be reduced by any Awards granted in substitution for, or in assumption of, outstanding awards previously granted by an entity acquired by the Company or an Affiliate or with which the Company or Affiliate combines. Notwithstanding the foregoing, Shares surrendered or withheld as payment of either the Exercise Price of an Award (including Shares otherwise underlying an Award of a Share Appreciation Right that are retained by the Company to account for the grant price of such Share Appreciation Right) and/or withholding taxes in respect of an Award shall no longer be available for grant under the Plan.

Section 5. Equitable Adjustments.

In the event of any Change in Capitalization, an equitable substitution or proportionate adjustment shall be made, in each case, as may be determined by the Administrator, in its sole discretion, in (i) the aggregate number of shares of Common Stock reserved for issuance under the Plan and the maximum number of Shares that may be subject to Awards granted to any Participant in any calendar or fiscal year, (ii) the kind, number and Exercise Price subject to outstanding Options and Share Appreciation Rights granted under the Plan, and (iii) the kind, number and purchase price of Shares subject to outstanding Restricted Shares, Deferred Shares, Performance Shares or Other Share-Based Awards granted under the Plan; *provided, however*, that any fractional shares resulting from the adjustment shall be eliminated; *provided, further*, that no such adjustment shall cause any Award hereunder which is or could be subject to Section 409A of the Code to fail to comply with the requirements thereof. Such other equitable substitutions or adjustments shall be made as may be determined by the Administrator, in its sole discretion. Without limiting the generality of the foregoing, in connection with a Change in Capitalization, the Administrator may provide, in its sole discretion, for the cancellation of any outstanding Award granted hereunder in exchange for payment (if any) in cash or other property having an aggregate Fair Market Value equal to the Fair Market Value of the Shares, cash or other property covered by such Award, reduced by the aggregate Exercise Price or purchase price thereof, if any. The Administrator's determinations pursuant to this Section 5 shall be final, binding and conclusive.

Section 6. Eligibility.

The Participants under the Plan shall be selected from time to time by the Administrator, in its sole discretion, from those individuals that qualify as Eligible Recipients.

Section 7. Options.

(a) *General.* Each Participant who is granted an Option shall enter into an Award Agreement with the Company, containing such terms and conditions as the Administrator shall determine, in its sole discretion, which Award Agreement shall set forth, among other things, the Exercise Price of the Option, the term of the Option and provisions regarding exercisability of the Option. Notwithstanding

Table of Contents

the foregoing, except as otherwise determined by the Administrator, the prospective recipient of an Option shall not have any rights with respect to such Award, unless and until such recipient has executed an Award Agreement and delivered a fully executed copy thereof to the Company, within a period of sixty (60) days (or such other period as the Administrator may specify) after the award date. The provisions of each Option need not be the same with respect to each Participant. More than one Option may be granted to the same Participant and be outstanding concurrently hereunder. Options granted under the Plan shall be subject to the terms and conditions set forth in this Section 7 and shall contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Administrator shall deem desirable and set forth in the applicable Award Agreement. Each Option granted hereunder is intended to be a non-qualified Option and is not intended to qualify as an "incentive stock option" within the meaning of Section 422 of the Code.

(b) *Exercise Price.* The Exercise Price of Shares purchasable under an Option shall be determined by the Administrator in its sole discretion at the time of grant, but in no event shall the Exercise Price of an Option be less than one hundred percent (100%) of the Fair Market Value of the shares of Common Stock on the date of grant.

(c) *Option Term.* The maximum term of each Option shall be fixed by the Administrator, but no Option shall be exercisable more than ten (10) years after the date such Option is granted. Each Option's term is subject to earlier expiration pursuant to the applicable provisions in the Plan and the Award Agreement. Notwithstanding the foregoing, the Administrator shall have the authority to accelerate the exercisability of any outstanding Option at such time and under such circumstances as the Administrator, in its sole discretion, deems appropriate.

(d) *Exercisability.* Each Option shall be exercisable at such time or times and subject to such terms and conditions, including the attainment of pre-established corporate performance goals, as shall be determined by the Administrator in the applicable Award Agreement. The Administrator may also provide that any Option shall be exercisable only in installments, and the Administrator may waive such installment exercise provisions at any time, in whole or in part, based on such factors as the Administrator may determine in its sole discretion. Notwithstanding anything to the contrary contained herein, an Option may not be exercised for a fraction of a share.

(e) *Method of Exercise.* Options may be exercised in whole or in part by giving written notice of exercise to the Company specifying the number of whole Shares to be purchased, accompanied by payment in full of the aggregate Exercise Price of the Shares so purchased in cash or its equivalent, as determined by the Administrator. As determined by the Administrator, in its sole discretion, with respect to any Option or category of Options, payment in whole or in part may also be made (i) by means of consideration received under any cashless exercise procedure approved by the Administrator (including the withholding of Shares otherwise issuable upon exercise), (ii) in the form of unrestricted Shares already owned by the Participant which, (x) in the case of unrestricted Shares acquired upon exercise of an Option, have been owned by the Participant for more than six (6) months on the date of surrender, and (y) have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which such Option shall be exercised, (iii) any other form of consideration approved by the Administrator and permitted by applicable law or (iv) any combination of the foregoing.

(f) *Rights as Shareholder.* A Participant shall have no rights to dividends or distributions or any other rights of a shareholder with respect to the Shares subject to an Option until the Participant has given written notice of the exercise thereof, has paid in full for such Shares and has satisfied the requirements of Section 15 hereof.

(g) *Termination of Employment or Service.*

(1) Unless the applicable Award Agreement provides otherwise, in the event that the employment or service of a Participant with the Company and all Affiliates thereof shall terminate for any reason other than Cause, Retirement, Disability, or death, (A) Options granted to such Participant, to the extent that they are exercisable at the time of such termination, shall remain exercisable until the date that is ninety (90) days after such termination, on which date they shall expire, and (B) Options granted to such Participant, to the extent that they were not exercisable at the time of such termination, shall expire at the close of business on the date of such termination. The ninety (90) day period described in this Section 7(g)(1) shall be extended to one (1) year after the date of such termination in the event of the Participant's death during such ninety (90) day period. Notwithstanding the foregoing, no Option shall be exercisable after the expiration of its term.

(2) Unless the applicable Award Agreement provides otherwise, in the event that the employment or service of a Participant with the Company and all Affiliates thereof shall terminate on account of the Retirement, Disability, or death of the Participant, (A) Options granted to such Participant, to the extent that they were exercisable at the time of such termination, shall remain exercisable until the date that is one (1) year after such termination, on which date they shall expire and (B) Options granted to such Participant, to the extent that they were not exercisable at the time of such termination, shall expire at the close of business on the date of such termination. Notwithstanding the foregoing, no Option shall be exercisable after the expiration of its term.

(3) In the event of the termination of a Participant's employment or service for Cause, all outstanding Options granted to such Participant shall expire at the commencement of business on the date of such termination.

(h) *Other Change in Employment Status.* An Option may be affected, in the sole discretion of the Administrator, both with regard to vesting schedule and termination, by leaves of absence, changes from full-time to part-time employment, partial disability or other changes in the employment status of an Participant.

Section 8. Share Appreciation Rights.

(a) *General.* Share Appreciation Rights may be granted either alone ("*Free Standing Rights*") or in conjunction with all or part of any Option granted under the Plan ("*Related Rights*"). Related Rights may be granted either at or after the time of the grant of such Option. The Administrator shall determine the Eligible Recipients to whom, and the time or times at which, grants of Share Appreciation Rights shall be made, the number of Shares to be awarded, the price per Share, and all other conditions of Share Appreciation Rights. Notwithstanding the foregoing, no Related Right may be granted for more Shares than are subject to the Option to which it relates and any Share Appreciation Right must be granted with an Exercise Price not less than the Fair Market Value of shares of Common Stock on the date of grant. The provisions of Share Appreciation Rights need not be the same with respect to each Participant. Share Appreciation Rights granted under the Plan shall be subject to the following terms and conditions set forth in this Section 8 and shall contain such additional terms and conditions, not inconsistent with the terms of the Plan, as the Administrator shall deem desirable, as set forth in the applicable Award Agreement.

(b) *Awards; Rights as Shareholder.* The prospective recipient of a Share Appreciation Right shall not have any rights with respect to such Award, unless and until such recipient has executed an Award Agreement and delivered a fully executed copy thereof to the Company, within a period of sixty (60) days (or such other period as the Administrator may specify) after the award date. Participants who are granted Share Appreciation Rights shall have no rights as shareholders of the Company with respect to the grant or exercise of such rights.

(c) *Exercisability.*

(1) Share Appreciation Rights that are Free Standing Rights shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Administrator in the applicable Award Agreement.

(2) Share Appreciation Rights that are Related Rights shall be exercisable only at such time or times and to the extent that the Options to which they relate shall be exercisable in accordance with the provisions of Section 7 hereof and this Section 8 of the Plan.

(d) *Payment Upon Exercise.*

(1) Upon the exercise of a Free Standing Right, the Participant shall be entitled to receive up to, but not more than, that number of Shares equal in value to the excess of the Fair Market Value as of the date of exercise over the price per share specified in the Free Standing Right multiplied by the number of Shares in respect of which the Free Standing Right is being exercised, with the Administrator having the right to determine the form of payment.

(2) A Related Right may be exercised by a Participant by surrendering the applicable portion of the related Option. Upon such exercise and surrender, the Participant shall be entitled to receive up to, but not more than, that number of Shares equal in value to the excess of the Fair Market Value as of the date of exercise over the Exercise Price specified in the related Option multiplied by the number of Shares in respect of which the Related Right is being exercised, with the Administrator having the right to determine the form of payment. Options which have been so surrendered, in whole or in part, shall no longer be exercisable to the extent the Related Rights have been so exercised.

(3) Notwithstanding the foregoing, the Administrator may determine to settle the exercise of a Share Appreciation Right in cash (or in any combination of Shares and cash).

(e) *Termination of Employment or Service.*

(1) In the event of the termination of employment or service with the Company and all Affiliates thereof of a Participant who has been granted one or more Free Standing Rights, such rights shall be exercisable at such time or times and subject to such terms and conditions as shall be determined by the Administrator in the applicable Award Agreement.

(2) In the event of the termination of employment or service with the Company and all Affiliates thereof of a Participant who has been granted one or more Related Rights, such rights shall be exercisable at such time or times and subject to such terms and conditions as set forth in the related Options.

(f) *Term.*

(1) The term of each Free Standing Right shall be fixed by the Administrator, but no Free Standing Right shall be exercisable more than ten (10) years after the date such right is granted.

(2) The term of each Related Right shall be the term of the Option to which it relates, but no Related Right shall be exercisable more than ten (10) years after the date such right is granted.

Section 9. Restricted Shares, Deferred Shares and Performance Shares.

(a) *General.* Restricted Shares, Deferred Shares or Performance Shares may be issued either alone or in addition to other Awards granted under the Plan. The Administrator shall determine the Eligible Recipients to whom, and the time or times at which, Restricted Shares, Deferred Shares or Performance Shares shall be made; the number of Shares to be awarded; the price, if any, to be paid by the Participant for the acquisition of Restricted Shares, Deferred Shares or Performance Shares; the

Table of Contents

period of time prior to which such shares become vested and free of restrictions on Transfer (the "*Restricted Period*"), if any, applicable to Restricted Shares, Deferred Shares or Performance Shares; the performance objectives (if any) applicable to Deferred Shares or Performance Shares; and all other conditions of the Restricted Shares, Deferred Shares and Performance Shares. If the restrictions, performance objectives and/or conditions established by the Administrator are not attained, a Participant shall forfeit his or her Restricted Shares, Deferred Shares or Performance Shares, in accordance with the terms of the grant. The provisions of the Restricted Shares, Deferred Shares or Performance Shares need not be the same with respect to each Participant.

(b) *Restrictions and Conditions.* The Restricted Shares, Deferred Shares and Performance Shares granted pursuant to this Section 9 shall be subject to the following restrictions and conditions and any additional restrictions or conditions as determined by the Administrator at the time of grant or, subject to Section 409A of the Code, thereafter:

(1) The Administrator may, in its sole discretion, provide for the lapse of restrictions in installments and may accelerate or waive such restrictions in whole or in part based on such factors and such circumstances as the Administrator may determine, in its sole discretion, including, but not limited to, the attainment of certain performance related goals, the Participant's termination of employment or service as a director, independent contractor or consultant to the Company or any Affiliate thereof, or the Participant's death or Disability; *provided, however*, that the Administrator may not waive the attainment of Performance Goals in the case of any Award that is intended to qualify as "performance-based compensation" under Section 162(m) of the Code. Notwithstanding the foregoing, upon a Change in Control, the outstanding Awards shall be subject to Section 13 hereof.

(2) Except as provided in Section 17 or in the applicable Award Agreement, the Participant shall generally have the rights of a shareholder of the Company with respect to Restricted Shares or Performance Shares during the Restricted Period. Except as provided in Section 17 or in the applicable Award Agreement, the Participant shall generally not have the rights of a shareholder with respect to Shares subject to Deferred Shares during the Restricted Period; *provided, however*, that, subject to Section 409A of the Code, an amount equal to dividends declared during the Restricted Period with respect to the number of Shares covered by Deferred Shares shall be paid to the Participant as set forth in the Award Agreement, provided that the Participant is then providing services to the Company. Any dividends or dividend equivalents provided with respect to Restricted Shares, Deferred Shares, or Performance Shares that are subject to the attainment of specified performance goals will be subject to the same terms, conditions and risk of forfeiture as the underlying Awards. Certificates for Shares of unrestricted shares of Common Stock may, in the Company's sole discretion, be delivered to the Participant only after the Restricted Period has expired without forfeiture in respect of such Restricted Shares, Deferred Shares or Performance Shares, except as the Administrator, in its sole discretion, shall otherwise determine.

(3) The rights of Participants granted Restricted Shares, Deferred Shares or Performance Shares upon termination of employment or service as a director, independent contractor, or consultant to the Company or to any Affiliate thereof terminates for any reason during the Restricted Period shall be set forth in the Award Agreement.

Section 10. Other Share-Based Awards.

The Administrator is authorized to grant Awards to Participants in the form of Other Share-Based Awards, as deemed by the Administrator to be consistent with the purposes of the Plan and as evidenced by an Award Agreement. The Administrator shall determine the terms and conditions of such Awards, consistent with the terms of the Plan, at the date of grant or thereafter, including any Performance Goals and performance periods. Any dividends or dividend equivalents provided with

Table of Contents

respect to Other Share-Based Awards that are subject to the attainment of specified performance goals will be subject to the same terms, conditions and risk of forfeiture as the underlying Awards. Common Stock or other securities or property delivered pursuant to an Award in the nature of a purchase right granted under this Section 10 shall be purchased for such consideration, paid for at such times, by such methods, and in such forms, including, without limitation, Shares, other Awards, notes or other property, as the Administrator shall determine, subject to any required corporate action.

Section 11. Performance-Based Awards.

To the extent that the Plan is subject to Section 162(m) of the Code, no payment with respect to an Award made under Section 9 or 10 hereof which is intended to qualify as "performance-based compensation" (within the meaning of Section 162(m) of the Code) shall be made to a Participant that is likely to be a Covered Employee prior to the certification by the Committee that the applicable performance criteria based upon one or more Performance Goals have been attained. Such performance criteria shall be established in writing by the Committee not later than the time period prescribed under Section 162(m) of the Code and the regulations thereunder. All provisions of such Awards that are intended to qualify as "performance-based compensation" (within the meaning of Section 162(m) of the Code) shall be construed in a manner to so comply.

Section 12. Accelerated Vesting In Connection With a Change in Control.

Unless otherwise determined by the Administrator and evidenced in an Award Agreement, in the event that a Change in Control occurs, then:

- (1) any unvested or unexercisable portion of any Award carrying a right to exercise shall become fully vested and exercisable; and
- (2) the restrictions, deferral limitations, payment conditions and forfeiture conditions applicable to an Award granted under the Plan shall lapse and such Awards shall be deemed fully vested and any performance conditions imposed with respect to such Awards shall be deemed to be fully achieved.

Section 13. Amendment and Termination.

The Board may amend, alter or terminate the Plan, but no amendment, alteration, or termination shall be made that would impair the rights of a Participant under any Award theretofore granted without such Participant's consent. Unless the Board determines otherwise, the Board shall obtain approval of the Company's shareholders for any amendment that would require such approval in order to satisfy the requirements of Section 162(m) of the Code, any rules of the stock exchange on which the Common Stock is traded or other applicable law, including, without limitation, repricing of stock options and option exchanges. The Administrator may amend the terms of any Award theretofore granted, prospectively or retroactively, but, subject to Section 5 of the Plan and the immediately preceding sentence, no such amendment shall impair the rights of any Participant without his or her consent.

Section 14. Unfunded Status of Plan.

The Plan is intended to constitute an "unfunded" plan for incentive compensation. With respect to any payments not yet made to a Participant by the Company, nothing contained herein shall give any such Participant any rights that are greater than those of a general creditor of the Company.

Table of Contents

Section 15. Withholding Taxes.

Each Participant shall, no later than the date as of which the value of an Award first becomes includible in the gross income of such Participant for federal and/or state income tax purposes, pay to the Company, or make arrangements satisfactory to the Administrator regarding payment of, any federal, state, or local taxes of any kind required by law to be withheld with respect to the Award. The obligations of the Company under the Plan shall be conditional on the making of such payments or arrangements, and the Company shall, to the extent permitted by law, have the right to deduct any such taxes from any payment of any kind otherwise due to such Participant. Whenever cash is to be paid pursuant to an Award granted hereunder, the Company shall have the right to deduct therefrom an amount sufficient to satisfy any federal, state and local withholding tax requirements related thereto. Whenever Shares are to be delivered pursuant to an Award, the Company shall have the right to require the Participant to remit to the Company in cash an amount sufficient to satisfy any related federal, state and local taxes to be withheld and applied to the tax obligations. With the approval of the Administrator, a Participant may satisfy the foregoing requirement by electing to have the Company withhold from delivery of Shares or by delivering already owned unrestricted shares of Common Stock, in each case, having a value not exceeding the minimum federal, state and local taxes required to be withheld and applied to the tax obligations. Such Shares shall be valued at their Fair Market Value on the date of which the amount of tax to be withheld is determined. Fractional share amounts shall be settled in cash. Such an election may be made with respect to all or any portion of the Shares to be delivered pursuant to an Award. The Company may also use any other method of obtaining the necessary payment or proceeds, as permitted by law, to satisfy its withholding obligation with respect to any Option or other Award.

Section 16. Transfer of Awards.

Until such time as the Awards are fully vested and/or exercisable in accordance with the Plan or an Award Agreement, no purported sale, assignment, mortgage, hypothecation, transfer, charge, pledge, encumbrance, gift, transfer in trust (voting or other) or other disposition of, or creation of a security interest in or lien on, any Award or any agreement or commitment to do any of the foregoing (each, a "Transfer") by any holder thereof in violation of the provisions of the Plan or an Award Agreement will be valid, except with the prior written consent of the Administrator, which consent may be granted or withheld in the sole discretion of the Administrator. Any purported Transfer of an Award or any economic benefit or interest therein in violation of the Plan or an Award Agreement shall be null and void *ab initio*, and shall not create any obligation or liability of the Company, and any person purportedly acquiring any Award or any economic benefit or interest therein transferred in violation of the Plan or an Award Agreement shall not be entitled to be recognized as a holder of such Shares. Unless otherwise determined by the Administrator in accordance with the provisions of the immediately preceding sentence, an Option may be exercised, during the lifetime of the Participant, only by the Participant or, during any period during which the Participant is under a legal disability, by the Participant's guardian or legal representative.

Section 17. Continued Employment.

The adoption of the Plan shall not confer upon any Eligible Recipient any right to continued employment or service with the Company or any Affiliate thereof, as the case may be, nor shall it interfere in any way with the right of the Company or any Affiliate thereof to terminate the employment or service of any of its Eligible Recipients at any time. Awards are subject to any clawback policy adopted by the Company from time to time.

Section 18. Effective Date.

The Plan was adopted by the Board on April 8, 2014, and shall become effective on the date that it is approved by shareholders of the Company (the "*Effective Date*"). No Awards may be granted under the Plan prior to the time that the shareholders have approved the Plan. The approval or disapproval of the Plan by the shareholders of the Company shall have no effect on any other equity compensation plan, program or arrangement sponsored by the Company or any of its Affiliates.

Section 19. Term of Plan.

No Award shall be granted pursuant to the Plan on or after the tenth anniversary of the Effective Date, but Awards theretofore granted may extend beyond that date.

Section 20. Section 409A of the Code.

The intent of the parties is that payments and benefits under the Plan comply with Section 409A of the Code to the extent subject thereto or an exemption therefrom, and, accordingly, to the maximum extent permitted, the Plan shall be interpreted and be administered to be in compliance therewith. Any payments described in the Plan that are due within the "short-term deferral period" as defined in Section 409A of the Code shall not be treated as deferred compensation unless applicable law requires otherwise. Notwithstanding anything to the contrary in the Plan, no payment or distribution under this Plan that constitutes an item of deferred compensation under Section 409A of the Code and becomes payable by reason of a Participant's termination of employment or service with the Company will be made to such Participant until such Participant's termination of employment or service constitutes a "separation from service" within the meaning of Section 409A of the Code. Notwithstanding anything to the contrary in the Plan, to the extent required in order to avoid accelerated taxation and/or tax penalties under Section 409A of the Code, amounts that would otherwise be payable and benefits that would otherwise be provided during the six (6) month period immediately following the Participant's termination of employment shall instead be paid on the first business day after the date that is six (6) months following the Participant's separation from service (or upon the Participant's death, if earlier). In addition, each amount to be paid or benefit to be provided to the Participant, which constitutes deferred compensation subject to Section 409A of the Code, shall be construed as a separate identified payment for purposes of Section 409A of the Code. The Company makes no representation that any or all of the payments or benefits described in this Plan will be exempt from or comply with Section 409A of the Code and makes no undertaking to preclude Section 409A of the Code from applying to any such payment. The Participant shall be solely responsible for the payment of any taxes and penalties incurred under Section 409A.

Section 21. Governing Law.

The Plan shall be governed by and construed in accordance with the laws of the State of New York, without giving effect to principles of conflicts of law of such state.
