Item 7.01 Regulation FD Disclosure.

On April 27, 2015, bebe stores, Inc. (the "Company") made a comment that 'we are meeting our expectations' to a select group of investors, which could be perceived as confirming guidance. The intention was not to confirm guidance. This Current Report on Form 8-K (this "Report") is being furnished solely to satisfy the Company's obligations under Regulation FD in light of the inadvertent disclosure.

Cautionary Statement Regarding Forward-Looking Information

This Report contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995, which reflect our current view of future events and financial performance. Such forward-looking statements reflect the Company's current expectations or beliefs concerning future events and are subject to various risks and uncertainties that may cause actual results to differ materially from those that we expected. The statements in this news release, other than the historical financial information, contain forward-looking statements that involve risks and uncertainties that could cause actual results to differ from anticipated results. Wherever used, the words "expect," "plan," "anticipate," "believe" and similar expressions identify forward-looking statements. Any such forward-looking statements are subject to risks and uncertainties and the company's future results of operations could differ materially from historical results or current expectations. Some of these risks include, without limitation, miscalculation of the demand for our products, effective management of our growth, decline in comparable store sales performance, ongoing competitive pressures in the apparel industry, changes in the level of consumer spending or preferences in apparel, loss of key personnel, difficulties in manufacturing, disruption of supply, adverse economic conditions, and/or other factors that may be described in the Company's annual report on Form 10-K and/or other filings with the Securities and Exchange Commission. Future economic and industry trends that could potentially impact revenues and profitability are difficult to predict. We undertake no obligation to publicly update or revise any forward-looking statement or to issue future press releases discussing sales trends and financial guidance such as this one other than associated with routine quarterly and annual financial reporting.
