TO BE HELD ON JUNE 16, 2011

THE ANNUAL MEETING

General

This proxy statement is furnished in connection with the solicitation of proxies by the board of directors (the Board of Directors) of Nord Resources Corporation (we , the Company or Nord) for use in connection with Company s 2011 annual meeting of stockholders (the Annual Meeting) to be held on June 16, 2011 at 10:00 a.m. (Mountain Time) at Embassy Suites, located at 3110 East Skyline Drive, Tucson, Arizona 85718, and at any adjournment or postponement thereof, for the purposes set forth in the accompanying notice of Annual Meeting.

This proxy statement, the notice of Annual Meeting and the enclosed form of proxy are expected to be mailed to our stockholders on or about May 13, 2011. Our Annual Report on Form 10-K for the fiscal year ended December 31, 2010, including financial statements for such period, will also be mailed to our stockholders with this proxy statement, but such report does not constitute a part of this proxy statement.

Our principal executive office is located at 1 West Wetmore Road, Suite 203, Tucson, Arizona, 85705.

Entitlement to Vote

If you are a registered holder of shares of our common stock on the Record Date, you may vote those shares of our common stock in person at the Annual Meeting or by proxy in the manner described below under Voting of Proxies. If you hold shares of our common stock in street name through a broker or other financial institution, you must follow the instructions provided by your broker or other financial institution regarding how to instruct your broker or financial institution to vote your shares.

Voting of Proxies

You can vote the shares that you own of record on the Record Date (as hereinafter defined) by either attending the Annual Meeting in person or by filling out and sending in a proxy in respect of the shares that you own. Your execution of a proxy will not affect your right to attend the Annual Meeting and to vote in person. You may also submit your proxy on the Internet or over the telephone by following the instructions contained in the Proxy.

You may revoke your proxy at any time before it is voted by:

- (a) filing a written notice of revocation of proxy with our corporate secretary at any time before the taking of the vote at the Annual Meeting;

(b) executing a later-dated proxy relating to the same shares and delivering it to our corporate secretary at any time before the taking of the vote at the Annual Meeting; or

(c) attending at the Annual Meeting, giving affirmative notice at the Annual Meeting that you intend to revoke your proxy, and voting in person. Please note that your attendance at the Annual Meeting will not, in and of itself, revoke your proxy.

All shares of common stock represented by properly executed proxies received at or prior to the Annual Meeting that have not been revoked will be voted in accordance with the instructions of the stockholder who has executed the proxy. If no choice is specified in a proxy, the shares represented by the proxy will be voted FOR the election of all the nominees to serve as our directors and FOR the approval of all of the other proposals set forth in the accompanying notice of meeting. The shares represented by each proxy will also be voted for or against such other matters as may properly come before the Annual Meeting in the discretion of the persons named in the proxy as proxy holders. We are not aware of any other matters to be presented for action at the Annual Meeting other than those described herein.

Any written revocation of proxy or subsequent later-dated proxy should be delivered to Nord Resources Corporation, 1 West Wetmore Road, Suite 203, Tucson, Arizona, 85705, Attention: Wayne M. Morrison, Secretary.

Record Date and Shares Entitled to Vote

Our Board of Directors has fixed the close of business on April 28, 2011 as the Record Date for the determination of stockholders entitled to notice of and to vote at the Annual Meeting. At the Record Date, there were approximately 112,177,627 shares of our common stock issued, outstanding, and entitled to vote at the Annual Meeting. Holders of common stock are entitled to one vote at the Annual Meeting for each share of common stock held of record at the Record Date. There are no separate voting groups or separate series of stock. There is no cumulative voting in the election of directors. The number of record holders of our common stock, \$0.01 par value, as of April 28, 2011 was 1,957.

Quorum

A quorum is necessary to hold a valid meeting of our stockholders. The required quorum for the transaction of business at the Annual Meeting is one-third of our issued and outstanding shares of common stock as of the Record Date.

In order to be counted for purposes of determining whether a quorum exists at the Annual Meeting, shares must be present at the Annual Meeting either in person or represented by proxy. Shares that will be counted for purposes of determining whether a quorum exists will include:

1. shares represented by properly executed proxies for which voting instructions have been given, including proxies which are marked Abstain or Withhold for any matter;
2. shares represented by properly executed proxies for which no instruction has been given; and
3. broker non-votes.

Broker non-votes occur when shares held by a broker for a beneficial owner are not voted with respect to a particular proposal because the broker has not received voting instructions from the beneficial owner and the broker does not have discretionary authority to vote such shares.

Votes Required

Proposal One Election of Directors: The affirmative vote of the holders of a plurality of our shares of common stock voting is required for the election of our directors. This means that the nominees who receive the greatest number of votes for each open seat will be elected. Votes may be cast in favor of the election of directors or withheld. A vote is withheld when a properly executed proxy is marked WITHHOLD for the election of one or more directors. Votes that are withheld and broker non-votes will be counted for the purposes of determining the presence or absence of a quorum but will have no other effect on the election of directors. Further, brokers may no longer cast discretionary uninstructed votes in any election of directors.

Proposal Two Changes to Amended Certificate of Incorporation: The affirmative vote of the holders of a majority of the shares of our common stock outstanding on the record date is required for the approval of the amendment to our Amended Certificate of Incorporation to increase the authorized number of shares of our common stock. Stockholders may vote in favor of or against this proposal, or they may abstain. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum, and will have the same effect as a vote against this proposal.

Proposal Three Appointment of Accountants: The affirmative vote of the holders of a majority of our common stock represented at the Annual Meeting in person or by proxy is required for the ratification of the appointment of our independent registered public accountants. Stockholders may vote in favor or against this proposal, or they may abstain. Abstentions and broker non-votes will be counted for purposes of determining the presence or absence of a quorum. Abstentions are deemed to be votes cast, and have the same effect as a vote against this proposal. Broker non-votes are not deemed to be votes cast and, therefore, have no effect on the vote with respect to this proposal.

Stockholder Proposals

No proposals have been received from any stockholder to be considered at the Annual Meeting.

Other Matters

It is not expected that any matters other than those referred to in this proxy statement will be brought before the Annual Meeting. If other matters are properly presented, however, the persons named as proxy appointees will vote in accordance with their best judgment on such matters. The grant of a proxy also will confer discretionary authority on the persons named as proxy appointees to vote in accordance with their best judgment on matters incident to the conduct of the Annual Meeting.

Solicitation of Proxies

This proxy solicitation is made on behalf of our Board of Directors. We will solicit proxies initially by mail. Further solicitation may be made by our directors, officers and employees personally, by telephone, facsimile, e-mail, Internet or otherwise, but they will not be specifically compensated for these services. Upon request, we will reimburse brokers, dealers, banks or similar entities acting as nominees for their reasonable expenses incurred in forwarding copies of the proxy materials to the beneficial owners of the shares of our common stock they hold as of the Record Date. We will bear the expenses incurred in connection with printing, filing and mailing of this proxy statement.

**SECURITY OWNERSHIP OF
CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth information as of April 28, 2011 regarding the beneficial ownership of our common stock by:

- each person who is known by us to beneficially own more than 5% of our shares of common stock; and
- each named executive officer, each director and all of our directors and executive officers as a group.

The number of shares beneficially owned and the percentage of shares beneficially owned are based on 112,177,627 shares of common stock outstanding as of April 28, 2011.

For the purposes of the information provided below, shares that may be issued upon the exercise or conversion of options, warrants and other rights to acquire shares of our common stock that are exercisable or convertible within 60 days following April 28, 2011, are deemed to be outstanding and beneficially owned by the holder for the purpose of computing the number of shares and percentage ownership of that holder, but are not deemed to be outstanding for the purpose of computing the percentage ownership of any other person.

Name and Address of Beneficial Owner⁽¹⁾	As of April 28, 2011

<i>Directors and Executive Officers as a Group (Five Persons)</i>	18,028,383⁽⁸⁾	15.6%

Notes

- (1) Under Rule 13d-3, a beneficial owner of a security includes any person who, directly or indirectly, through any contract, arrangement, understanding, relationship, or otherwise has or shares: (i) voting power, which includes the power to vote, or to direct the voting of shares; and (ii) investment power, which includes the power to dispose or direct the disposition of shares. Certain shares may be deemed to be beneficially owned by more than one person (if, for example, persons share the power to vote or the power to dispose of the shares). In addition, shares are deemed to be beneficially owned by a person if the person has the right to acquire the shares (for example, upon exercise of an option) within 60 days of the date as of which the information is provided. In computing the percentage ownership of any person, the amount of shares outstanding is deemed to include the amount of shares beneficially owned by such person (and only such person) by reason of these acquisition rights. As a result, the percentage of outstanding shares of any

person as shown in this table does not necessarily reflect the person's actual ownership or voting power with respect to the number of common shares actually outstanding on April 28, 2011.

Each director attended at least 75% of the aggregate of: (i) the total number of board meetings held while he was a director; and (ii) the total number of meetings held by committees on which he served during the periods that he served.

The Company does not have a formal policy with respect to director attendance at annual stockholders meetings, however, all directors are encouraged to attend. A total of three directors from the Board of Directors as it was comprised at the time attended the annual stockholders meeting last year.

Board Independence

The board of directors has determined that Douglas P. Hamilton, John F. Cook and Stephen Seymour each qualify as independent directors under the listing standards of the NYSE Amex Equities Exchange.

Committees of the Board of Directors

Our Board of Directors currently has four board committees: an Audit Committee, a Compensation Committee, a Corporate Governance and Nominating Committee, and Environmental, Safety and Health Committee. The Audit Committee, the Compensation Committee, and the Corporate Governance and Nominating Committee were established in February 2006; the Environmental, Safety and Health Committee was established in March 2011.

The following provides information regarding each of the Company's board committees and summarizes the functions of each of the committees.

Audit Committee

Our Audit Committee has been structured to comply with Rule 10A-3 under the Securities Exchange Act of 1934, as amended. Our Audit Committee is comprised of Douglas P. Hamilton and John F. Cook. Douglas P. Hamilton is the Chairman of the Audit Committee and our board of directors has determined that he satisfies the criteria for an audit committee financial expert under Item 407(d)(5) of Regulation S-K of the rules of the Securities and Exchange Commission. Each Audit Committee member is able to read and understand fundamental financial statements, including our consolidated balance sheet, consolidated statement of operations and consolidated statement of cash flows.

The Audit Committee meets with management and our external auditors to review matters affecting our financial reporting, the system of internal accounting and financial controls and procedures and the audit procedures and audit plans. The Audit Committee reviews our significant financial risks, is involved in the appointment of senior financial executives, and annually reviews our insurance coverage and any off-balance sheet transactions.

The Audit Committee is mandated to monitor the audit and preparation of our consolidated financial statements and to review and recommend to the board of directors all financial disclosure contained in our public documents. The Audit Committee is also mandated to appoint our external auditors, monitor their qualifications and independence and determine the appropriate level of their remuneration. The external auditors report directly to the Audit Committee and to the board of directors. The Audit Committee and board of directors each have the authority to terminate the external auditor's engagement (subject to confirmation by our stockholders). The Audit Committee also approves in advance any permitted services to be provided by the external auditors which are not related to the audit.

Our Company provides appropriate funding as determined by the Audit Committee to permit the Audit Committee to perform its duties and to compensate its advisors. The Audit Committee, at its discretion, has the authority to initiate special investigations, and if appropriate, hire special legal, accounting or other outside advisors or experts to assist the Audit Committee to fulfill its duties.

The Audit Committee operates pursuant to a written charter, which complies with the applicable provisions of the Sarbanes Oxley Act of 2002 and related rules of the SEC and the NYSE Amex Equities Exchange. A copy of the Audit Committee charter was attached as an exhibit to our proxy statement for the 2009 annual meeting of stockholders.

The Audit Committee discharged its mandate in respect of the financial year ended December 31, 2010, including the review and recommendation to the Board in respect of all financial disclosure contained in our company's public documents.

The Audit Committee held four meetings during the year ended December 31, 2010, and also acted through the adoption of written consent resolutions as permitted under the Delaware General Corporation Law and our company's Amended and Restated Bylaws.

Report of the Audit Committee

The Audit Committee has reviewed and discussed the audited consolidated financial statements for the year ended December 31, 2010 with the Company's management. In addition, the Audit Committee has discussed with the Company's independent registered public accounting firm, Mayer Hoffman McCann P.C., the matters required by Statement on Auditing Standards No. 61, *Communication with Audit Committees*. The Audit Committee has received the written disclosures and the letter from Mayer Hoffman McCann P.C. required by Public Accounting Oversight Board Rule No. 3526, *Communications with Audit Committees Concerning Independence*, and has discussed, with Mayer Hoffman McCann P.C., their independence. The Audit Committee considered the compatibility of non-audit services with the auditors' independence. Based on the discussions and reviews referenced above, the Audit Committee recommended to the Company's Board of Directors that the audited consolidated financial statements for the year ended December 31, 2010 be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2010. The Corporate Governance and Nominating Committee identifies individuals believed to be qualified to become board members and recommends individuals to fill vacancies. There are no minimum qualifications for consideration for nomination to be a director of our Company. The Committee will assess all nominees using the same criteria. In nominating candidates, the Committee takes into consideration such factors as it deems appropriate, including judgment, experience, skills and personal character, as well as the needs of our Company. Equity Compensation Plans

We have adopted a stock incentive plan (which includes a subpart governing deferred stock units in lieu of the DSU Plan) (the 2006 Stock Incentive Plan) which was approved by our stockholders at our Annual General Meeting held on October 18, 2006. Amendments to the 2006 Stock Incentive Plan were approved by our stockholders at our Annual General Meeting held on October 15, 2008. The amendments have been incorporated into an Amended and Restated 2006 Stock Incentive Plan (the Amended and Restated 2006 Stock Incentive Plan) which has been filed with the SEC.

A total of 11,000,000 shares of common stock have been reserved for issuance under all awards that may be granted under the Amended and Restated 2006 Stock Incentive Plan. Eligible Participants who are entitled to participate in the Amended and Restated 2006 Stock Incentive Plan consist of employees, directors and consultants of (a) our Company or (b) any of the following entities: (i) any parent corporation as defined in section 424(e) of the Internal Revenue Code of 1986, as amended (the Code); (ii) any subsidiary corporation as defined in section 424(f) of the Code; or (iii) any business, corporation, partnership, limited liability company or other entity in which our Company, a parent corporation or a subsidiary corporation holds a substantial ownership interest, directly or indirectly.

The Amended and Restated 2006 Stock Incentive Plan provides for the granting to Eligible Participants of such incentive awards (each, an Award) as the administrator of the Amended and Restated 2006 Stock Incentive Plan (the Administrator) may from time to time approve. The Amended and Restated 2006 Stock Incentive Plan includes the following provisions:

- (a) the Administrator will be a Committee of the Board of Directors of our Company appointed to act in such capacity, or otherwise, the Board of Directors itself;

- (b) each Award will be subject to a separate award agreement (an Award Agreement) to be executed by our Company and the Grantee, which shall specify the term of the Award; and
- (c) subject to applicable laws, including the rules of any applicable stock exchange or national market system, the Administrator will be authorized to grant any type of Award to an Eligible Participant (9a Grantee) that is not inconsistent with the provisions of the plan, and the specific terms and provisions of which are set forth in an Award Agreement, and that by its terms involves or may involve the issuance of: (i) shares of common stock, (ii) a stock option, (iii) a stock appreciation right entitling the Grantee to acquire such number of shares of common stock or such cash compensation as will be determined by reference to any appreciation in the value of our Company's common stock, (iv) restricted stock issuable for such consideration (if any) and subject to such restrictions as may be established by the Administrator, (v) unrestricted stock issuable for such consideration (if any) on such terms and conditions as may be established by the Administrator, (vi) restricted stock units, subject to such restrictions as may be imposed by the Administrator, and represented by notional accounts maintained in the respective names of the Grantees that are valued solely by reference to shares of common stock of our Company and payable only in shares after the restrictions have lapsed, (vii) deferred stock units issuable to eligible directors in lieu of certain eligible remuneration otherwise payable in shares of common stock, subject to settlement in accordance with the terms and conditions of the Award and represented by notional accounts maintained in the respective names of the Grantees, (viii) dividend equivalent rights, which are rights entitling the Grantee to receive credits for dividends that would be paid if the recipient had held a specified number of shares of common stock, (ix) any other security with the value derived from the value of our Company's common stock, or (x) any combination of the foregoing.

Any Award that is subject to a restriction will become fully exercisable only as set forth in the applicable Award Agreement. Nevertheless, the Amended and Restated 2006 Stock Incentive Plan provides the Administrator with the sole discretion, at any time, to declare any or all Awards to be fully or partially vested and exercisable, provided that the Administrator does not have the authority to accelerate or postpone the timing of payment or settlement with respect to Awards subject to Section 409A of the Code in a manner that would cause the Awards to be subject to certain related interest and penalty provisions. The Administrator may discriminate among Eligible Participants or among Awards in exercising such discretion.

The Amended and Restated 2006 Stock Incentive Plan has specific provisions which apply to grants of Awards intended to qualify as performance based compensation, as defined under section 162(m) of the Code, to any employees who are covered employees for the purposes of section 162(m)(3) of the Code.

Under the Amended and Restated 2006 Stock Incentive Plan, stock options may be granted as either incentive stock options under section 422 of the Code and the related regulations, or as non incentive stock options under section 83 of the Code. As of December 31, 2010, we have granted a total of 6,965,000 non qualified stock options, 1,934,490 DSUs and 200,000 incentive stock options under the Amended and Restated 2006 Stock Incentive Plan. In addition, 2,566,663 previously issued non qualified stock options have been cancelled.

We have also granted non qualified stock options under individual compensation arrangements, which have been authorized by our board of directors. Such options have been granted outside of, and are therefore not subject to, the Amended and Restated 2006 Stock Incentive Plan.

To date, certain equity based fees have been paid to our non executive directors in the form of awards issued pursuant to our Company's Amended and Restated 2006 Stock Incentive Plan. The non executive directors have limited rights, exercisable within applicable time limits, to elect to have any percentage of such awards, and any percentage of cash fees, payable in deferred stock units. Each of our non executive directors exercised such rights in respect of the equity based fees payable to him for services rendered during the year ended December 31, 2010.

Notes:

- (1) Ronald Hirsch a member of our board of directors is a Named Executive Officer and did not receive any compensation as a director that has not been disclosed in the summary compensation table above.
- (2) This column represents the dollar amount recognized for financial statement reporting purposes with respect to the 2010 fiscal year for the fair value of deferred stock units, or DSUs, granted in 2010. Fair value is calculated using the average of the high and low price of our stock on the trading day prior to the date of grant. The outstanding DSUs for the directors at December 31, 2010 are as follows: Douglas Hamilton (633,478 DSUs), Stephen Seymour (501,065 DSUs), and John Cook (280,357 DSUs).
- (3) This column represents the fair value of the options awarded in 2010. Pursuant to SEC rules, the amount shown excludes the impact of estimated forfeitures related to service based vesting conditions.
- (4) Fair value of deferred stock units issued pursuant to our Company's Amended and Restated 2006 Stock Incentive Plan.
- (5) Mr. Harvey elected not to stand for re-election to the Board at the annual general meeting held on June 17, 2010.

On November 26, 2008, the board of directors granted 100,000 common stock purchase options to each of Ronald Hirsch, Stephen Seymour, Douglas Hamilton and John Cook. These options were granted pursuant to our Amended and Restated 2006 Stock Incentive Plan, and are exercisable for a period of five years at a price of \$0.09 per share. One third of the options vested March 2, 2009 (the initial vesting date) and the remaining options vested as to one third on each of the first and second anniversaries of the initial vesting date.

The board of directors has approved a compensation structure for our non executive directors which is designed to fairly pay non executive directors for work required while aligning the interests of the non executive directors with the long term interests of stockholders.

Non executive directors are entitled to receive a \$25,000 annual retainer, with an additional \$15,000 payable annually to the Chairman of the Audit Committee and \$7,500 payable annually to the Chairman of the Compensation Committee and the Chairman of the Nominating and Corporate Governance Committee. All of these fees are payable in stock, restricted stock, restricted stock units, or such other equity based compensation as the board of directors determines.

To date, the equity based fees have been payable in shares of our common stock pursuant to our 2006 Stock Incentive Plan. The non executive directors have limited rights, exercisable within applicable time limits, to elect to have any percentage of such awards, and any percentage of cash fees, payable in DSUs. Each of our non executive directors exercised such rights in respect of the equity based fees payable to him for 2010 and 2009. Accordingly, all retainer fees paid during 2010 and 2009 were paid in DSUs. The DSUs are subject to the Amended and Restated 2006 Stock Incentive Plan. DSUs are awarded on a quarterly basis at the end of March, June, September and December, or as otherwise determined by the administrator of the Amended and Restated 2006 Stock Incentive Plan. The number of DSUs awarded each quarter is calculated by dividing the total fees payable to each director for that quarter by the fair market value of our common stock, determined in accordance with the Amended and Restated 2006 Stock Incentive

Plan. Each DSU is the economic equivalent of one share of our common stock. The DSUs will be converted into shares of common stock upon the director's termination of service, or as otherwise provided in their individual deferral election.

During 2010, T. Sean Harvey received 81,731 deferred stock units; Douglas Hamilton, the Chairman of our Audit Committee, received 345,055 deferred stock units; John Cook, the Chairman of our Compensation Committee, received 280,357 deferred stock units; and Stephen Seymour, the Chairman of our Corporate Governance and Nominating Committee received 280,357 deferred stock units. During 2010, 85,329 DSUs issued to John Cook and 220,872 DSUs issued to T. Sean Harvey were converted into common shares. The deferred stock units are subject to the Amended and Restated 2006 Deferred Stock Unit Plan.

We paid cash fees to our non executive directors totaling \$13,500 during the year ended December 31, 2010 as follows:

Name	Amount of Cash Fees Paid	
Doug Hamilton	\$	4,500
John Cook		4,500
Stephen Seymour		4,500
	\$	13,500

Employment Contracts and Termination of Employment and Change In Control Arrangements

Ronald Hirsch

Ronald Hirsch serves as Chairman of our Company's board of directors pursuant to an executive employment agreement dated January 2, 2004. The executive employment agreement originally governed the terms of Mr. Hirsch's employment as our Chief Executive Officer, until his resignation from that position effective February 15, 2006. The original term of this executive employment agreement was for three years, expiring on January 2, 2007. The executive employment agreement has been renewed until January 2, 2012, and is subject to automatic renewals for successive one year periods unless cancelled by either of the parties.

The executive employment agreement provides that, absent a change in control, if we were to terminate Mr. Hirsch for any reason not for cause (other than due to death or disability), we would have to pay to Mr. Hirsch: (i) his accrued unpaid salary, bonuses and expenses, if any; (ii) his base salary for 12 months; and (iii) his health insurance premiums until the earlier of the expiration of 12 months and the date he is eligible for similar health benefits with another employer. Following a change in control, in the event we were to terminate Mr. Hirsch for any reason other than for death, disability or cause, we would be required to pay Mr. Hirsch all accrued unpaid salary, bonuses, and expenses, a lump sum equal to three times his annual base salary, and we would be required to pay for his health, medical, and disability insurance premiums for a period of 18 months. Mr. Hirsch may also elect to terminate his employment following a change of control and receive these payments.

Effective October 18, 2006, we entered into an agreement amending our executive employment agreement with Mr. Hirsch, pursuant to which we have paid Mr. Hirsch all of his accrued consulting fees for services provided by him to our Company between May 1, 2001 and October 19, 2003, and all of his accrued and unpaid salary (See Certain Relationships and Related Transactions – Compensatory Arrangements). As described in more detail below, the amended executive employment agreement contains certain provisions that will apply if our Company becomes a party to a Significant Transaction, which is defined to mean a significant transaction in which: (i) any person, together with all affiliates and associates of such person, becomes the beneficial owner, directly or indirectly, of securities of our Company representing or convertible into 51% or more of the common stock of our Company; or (ii) there is a sale, lease, exchange or other transfer (in one transaction or a series of transactions contemplated or arranged by any party as a single plan) of all or substantially all of the assets of our Company or of assets of our Company valued at \$12,000,000 or greater.

Our amended executive employment agreement with Mr. Hirsch provides, among other things, that:

- Mr. Hirsch's base salary in his capacity as Chairman from February 15, 2006, to February 15, 2007 continued at the original level provided for in his executive employment agreement of \$200,000 per annum, and was reduced to \$100,000 per annum thereafter.
- Notwithstanding Mr. Hirsch's retirement, resignation or termination for any reason other than for cause or as a result of a Significant Transaction which is accompanied by a change of majority ownership of our Company, our Company shall continue to provide health insurance benefits to Mr. Hirsch until he reaches the age of 65.
- If our Company enters into an agreement with respect to a Significant Transaction which is accompanied by a change of majority ownership of our Company, Mr. Hirsch will voluntarily resign as Chairman effective immediately prior to the completion of the Significant Transaction.
- In the event that Mr. Hirsch ceases to be employed by our Company (other than by way of termination for cause) in connection with the completion of a Significant Transaction, other than one which is accompanied by a change of majority ownership of our Company, we must provide to Mr. Hirsch certain payments and benefits set forth in the executive employment agreement – subject to execution and delivery by Mr. Hirsch to our Company of a mutual and general release of claims – including the payment to Mr. Hirsch of an amount equal to three times his annual base salary in a lump sum within 60 days following termination of employment.
- In the event of the completion of a Significant Transaction which is accompanied by a change of majority ownership of our Company, Mr. Hirsch will not be entitled to receive the lump sum payment equal to three times his annual base salary.

Wayne Morrison

Wayne Morrison was appointed as our Company's Chief Executive Officer effective November 30, 2010 upon the resignation of Randy Davenport who resigned to take a position with another firm. Mr. Morrison continues to serve as our Company's Chief Financial Officer, a position he has held since January 8, 2008. Our Company and Mr. Morrison are parties to a letter agreement dated December 3, 2007, whereby Mr. Morrison was offered the position of Controller of our Company, effective December 1, 2007, with a view toward Mr. Morrison's appointment as Vice President and Chief Financial Officer upon confirmation of acceptability of Mr. Morrison as an executive officer from the Toronto Stock Exchange.

Effective January 19, 2011, we entered into a revised and restated executive employment agreement with Mr. Morrison to cover his duties and responsibilities as our Chief Executive and Chief Financial Officer. Mr. Morrison has agreed to perform the duties and responsibilities set out in the agreement, as well as those duties that our board of directors may from time to time reasonably determine and assign.

In consideration for Mr. Morrison's services, we have agreed to:

- to pay Mr. Morrison an annual salary in the amount of \$250,000;
- continue to provide Mr. Morrison with bonuses from time to time as determined by our compensation committee; and
- continue to allow Mr. Morrison to participate in our 2006 Stock Incentive Plan, our Performance Incentive Plan, and such other plans that may from time to time be adopted by our Company during the term of employment to compensate or provide incentives to qualifying senior executives of our Company.

The executive employment agreement contains certain provisions that will apply if Mr. Morrison resigns or is terminated without cause following a change of control of our Company, including the following:

- we will pay Mr. Morrison an amount equal to \$600,000 in a lump sum within 60 days;
- if Mr. Morrison elects continuation of coverage of medical and dental benefits under the United States Consolidated Omnibus Budget Reconciliation Act of 1985, we will pay 100% of the premiums for the first 18 months of coverage; and
- we will pay the premiums necessary for continuation of any supplemental disability policy or, at the election of our Company, a lump sum amount equal to the aggregate premiums to be paid on such a policy, in either case for a period of 12 months.

Mr. Morrison's term of employment under the executive employment agreement will end on January 18, 2014. The executive employment agreement is subject to automatic extension for successive periods of one additional year unless either our Company or Mr. Morrison provides written notice of an intention not to renew the agreement no later than 90 days prior to the end of the then current term of the agreement.

The executive employment agreement provides that we may terminate Mr. Morrison's employment without cause, in which event:

- Mr. Morrison will be entitled to continue to receive his base salary for 24 months (the Morrison Severance Term); and

- if Mr. Morrison is eligible for and elects to continue his health insurance pursuant to the Consolidated Omnibus Budget Reconciliation Act of 1985, following the date of his termination, we will pay the premiums until the earlier of (a) the expiration of the Morrison Severance Term, or (b) the date on which Mr. Morrison commences employment with another employer who provides health insurance benefits at least as favorable as those provided by us.

Randy L. Davenport

Randy Davenport served as our Company's Chief Executive Officer until his resignation effective November 30, 2010. Until that time, he was subject to the executive employment agreement with our Company dated November 11, 2009, pursuant to which he has acted as our Vice President and Chief Operating Officer.

Mr. Davenport was initially engaged as our Vice President and Chief Operating Officer pursuant to the terms of a letter agreement dated January 12, 2009. Under the letter agreement, Mr. Davenport was entitled to a salary of \$230,000 per annum. In addition Mr. Davenport was granted 500,000 stock options on January 12, 2009 pursuant to the Corporation's 2006 Stock Incentive Plan, of which 166,667 vested on each of April 11, 2009 and January 12, 2010. The remaining 166,666 stock options will vest on January 12, 2011. The stock options have an exercise price of \$0.205 per share and expire on January 12, 2014. During 2009, Mr. Davenport exercised 166,667 stock options. Upon his resignation on November 30, 2010, the 166,666 unvested stock options were cancelled.

Our letter agreement with Mr. Davenport was superseded by the formal executive employment agreement effective November 11, 2009. Pursuant to the terms of the executive employment agreement, Mr. Davenport agreed to continue to serve as our Vice President and Chief Operating Officer, and to perform such duties and responsibilities as our board of directors may from time to time reasonably determine and assign, as is customarily performed by persons in an executive position.

In consideration for Mr. Davenport's services, we agreed to:

- to pay Mr. Davenport an annual salary in the amount of \$230,000 as provided in the letter agreement;
- to provide Mr. Davenport with bonuses from time to time as determined by our compensation committee; and
- to allow Mr. Davenport to participate in our 2006 Stock Incentive Plan, our Performance Incentive Plan, and such other plans that may from time to time be adopted by our Company during the term of employment to compensate or provide incentives to qualifying senior executives of our Company.

John T. Perry

John Perry served as our Company's President and Chief Executive Officer until his resignation on February 16, 2010, pursuant to the terms of an executive employment agreement dated April 18, 2005. The executive employment agreement originally governed the terms of Mr. Perry's employment as our Company's Senior Vice President and Chief Financial Officer until his resignation from the position of Senior Vice President upon his appointment as President and Chief Executive Officer on April 23, 2007. The initial term of this agreement was for two years, subject to automatic renewal for successive one year periods unless cancelled by either of the parties. Mr. Perry's annual base salary under the agreement was originally set at \$175,000 annually, subject to his agreement to accept 20,000 shares of common stock per month in lieu of cash salary on an interim basis. Following the completion of our Company's unregistered offering of special warrants in June 2007, Mr. Perry received his salary in cash. Given Mr. Perry's increased responsibilities, the board of directors authorized an increase in his salary to \$200,000 effective June 1, 2007.

Effective September 9, 2008, we entered into an amended and restated executive employment agreement with Mr. Perry. Pursuant to the terms of the amended and restated executive employment agreement, Mr. Perry agreed to continue to serve as our President and Chief Executive Officer.

In consideration for Mr. Perry's services, we agreed to:

- to pay Mr. Perry an annual salary in the amount of \$200,000;
- provide Mr. Perry with bonuses from time to time as determined by our compensation committee; and
- allow Mr. Perry to participate in our 2006 Stock Incentive Plan, our Performance Incentive Plan, and such other plans that may from time to time be adopted by our Company during the term of employment to compensate or provide incentives to qualifying senior executives of our Company.

The amended and restated executive employment agreement contained certain provisions that were to apply if Mr. Perry resigned or was terminated without cause following a change of control of our Company.

Mr. Perry's term of employment under the amended and restated executive employment agreement ended on April 22, 2009. However, the amended and restated executive employment agreement was subject to automatic extension for successive periods of one additional year unless either our Company or Mr. Perry provided written notice of an intention not to renew the agreement no later than 90 days prior to the end of the then current term of the agreement.

On November 26, 2008, Mr. Perry was granted a total of 450,000 stock options, each entitling him to purchase one share of our Company's common stock at an exercise price of \$0.09 per share until November 23, 2013. Mr. Perry received 100,000 of these stock options in his capacity as a director of our Company. The balance of 350,000 options were granted to Mr. Perry in his capacity as an officer, subject to certain vesting conditions. At the time of his resignation as a director and officer of our Company, 150,000 options had not yet vested, but, in recognition of Mr. Perry's significant contributions to our Company as a director and officer, our Board of Directors caused the vesting date to be accelerated to March 2, 2010.

2007 Performance Incentive Plan

On July 31, 2007, we adopted a performance incentive plan, or the 2007 Performance Plan, for the purpose of retaining and providing an incentive to certain key employees involved in restarting and commissioning the Johnson Camp Mine. In December 2008 and in March 2009, our Company revised certain targets or milestones, lowered the potential payout and modified the effective period of the plan. The 2007 Performance Plan covered the period of time from July 1, 2007, to April 30, 2009 and was based its payouts on the achievement of certain key targets and milestones associated with the restart and commissioning of the Johnson Camp Mine.

Our Compensation Committee was responsible for administering the 2007 Performance Plan, including selecting the employees eligible to participate therein, determining their participation level and establishing key target dates for payments to be made under the 2007 Performance Plan.

Under the 2007 Performance Plan, the achievement of targets or milestones was not on an all or nothing basis. If a milestone was achieved later than the target date set by the Compensation Committee, it will still have been achieved; however, it will have been achieved at less than 100%. The level of achievement reached with respect to the established targets or milestones was determined by the Chief Executive Officer and President, subject to approval by the Compensation Committee

In August, 2007, the Compensation Committee selected the employees entitled to participate in the 2007 Performance Plan and set the key target dates and payout levels under the 2007 Performance Plan. John Perry, our former President and Chief Executive Officer until his resignation effective February 16, 2010, and Erland A. Anderson, our former Executive Vice President and Chief Operating Officer, until his resignation effective January 12, 2009, were both participants under the 2007 Performance Plan and were entitled to a maximum payout of up to 110% of their base salary during the plan period if all targets or milestones are met at 100%. Upon appointment as Vice President and Chief Financial Officer on January 8, 2008, Wayne Morrison was also selected to participate in the 2007 Performance Plan. He was entitled to a maximum payout of up to 80% of his base salary during the remaining plan period if all targets or milestones are met at 100%. Various other employees participated in the 2007 Performance Plan at lower percentages. In June 2009, after a review of the milestones and our Company's success in achieving them, the Compensation Committee determined that the 2007 Performance Plan payout to be \$417,141.

During 2010, the Company made payments totaling \$124,790 to various employees under this Plan. The Compensation Committee determined that due to the financial condition of the Company the remaining amount accrued under the Plan (\$292,351) should be reversed.

2010-2011 Bonus Plan

In November 2010, we adopted a new bonus plan, or the 2010-2011 Bonus Plan, for the purpose of retaining and providing an incentive to certain key employees involved in recapitalizing the Company, in the construction of the new pads, and the restart of mining operations at the Johnson Camp Mine. Should all of these milestones be achieved in accordance with the 2010-2011 Bonus Plan, a total of \$550,000 would be paid out to the participants.

PROPOSAL NUMBER TWO:

**APPROVAL OF AMENDMENT TO AMENDED CERTIFICATE OF INCORPORATION
TO INCREASE AUTHORIZED SHARES OF COMMON STOCK**

The stockholders are being asked to approve an amendment to the Company's Amended Certificate of Incorporation (the "Amended Certificate") to increase the number of authorized shares of common stock from 200,000,000 to 400,000,000. On April 21, 2011, the Company's Board of Directors adopted resolutions approving and authorizing the amendment and directing that the amendment be submitted to a vote of the stockholders at the Annual Meeting. A copy of the proposed amendment to our Amended Certificate effecting the increase in our authorized shares is attached hereto as Exhibit A. The Board of Directors determined that the amendment is in the best interests of the Company and its stockholders and unanimously recommends approval by the stockholders.

If this proposed amendment is approved by the stockholders, the Board of Directors may proceed to file the amendment at any future time, thereby making the increase in authorized capital effective. The Board of Directors may, in its discretion, abandon the amendment to increase the authorized capital at any future time. If stockholder approval is obtained and the Board of Directors determines that it is in the best interests of the Company and its stockholders to proceed with the increase in authorized capital, the Board of Directors will, at its discretion, file with the Secretary of State of the State of Delaware a Certificate of Amendment to the Amended Certificate increasing the Company's authorized capital as set forth in this proposal.

The Amended Certificate currently authorizes the issuance of up to 200,000,000 shares of stock, of which 200,000,000 shares are designated as common stock, \$.01 par value per share. Of the 200,000,000 shares of common stock currently authorized, as of the close of business on April 28, 2011, there were 112,177,627 shares of common stock issued and outstanding. In addition, as of April 28, 2011, the Company has reserved up to 59,051,682 shares of common stock for issuance pursuant to outstanding options and common stock purchase warrants.

Reasons for Increase

The Board of Directors has proposed this amendment to ensure that the Company has sufficient shares available for general corporate purposes including, without limitation, equity financings, acquisitions, establishing strategic relationships with corporate partners, providing equity incentives to employees, and payments of stock dividends, stock splits or other recapitalizations. The Company considers from time to time acquisitions, equity financings, strategic relationships and other transactions as market conditions or other opportunities arise. Without an increase in the shares of common stock authorized for issuance, the Company might not be able to conclude any such transaction in a timely fashion. The Company has not entered into any acquisition agreement, financing agreement or other arrangement whereby it is obligated to issue additional shares of its common stock which could not be completed without the contemplated increase to the Company's authorized capital that is the subject of this proposal.

Effect of Increase

If the stockholders approve the proposed amendment, the Board of Directors may cause the issuance of additional shares of common stock without further vote of the stockholders of the Company, except as may be required in particular cases by the Company's charter documents, applicable law or the rules of any national securities exchange on which shares of common stock of the Company may then be listed. Under the Company's Amended Certificate, the Company's stockholders do not have preemptive rights to subscribe to additional securities that may be issued by the Company, which means that current stockholders do not have a prior right to purchase any new issue of capital stock of the Company in order to maintain their proportionate ownership of common stock. In addition, if the Board of Directors elects to cause the Company to issue additional shares of common stock or securities convertible into or exercisable for common stock, such issuance could have a dilutive effect on the voting power and earnings per share of existing stockholders.

The increase in the number of authorized shares of common stock could have an anti-takeover effect, although this is not the intent of the Board of Directors in proposing the amendment. For example, if the Board of Directors issues additional shares in the future, such issuance could dilute the voting power of a person seeking control of the Company, thereby deterring or rendering more difficult a merger, tender offer, proxy contest or an extraordinary transaction opposed by the Board of Directors. As of the date of this Proxy Statement, the Board of Directors is not aware of any attempt or plan to obtain control of the Company.
