INCREASE IN AUTHORIZED CAPITAL

As of January 1, 2007, the first paragraph of Article IV of the Company's Articles of Incorporation, as amended to date, read:

"FOUR: The aggregate number of shares which this Corporation shall have authority to issue is 750,000,000 Common Shares having a par value of \$0.001 per share. Each share of stock

Edgar Filing: CIRTRAN CORP - Form PRE 14C

shall entitle the holder thereof to one (1) vote on each matter submitted to a vote at a meeting of the shareholders. All stock of the Corporation shall be of the same class and shall have the same rights and preferences. The capital stock of the Corporation shall be issued as fully paid, and the private property of the shareholders shall not be liable for the debts, obligations or liabilities of the Corporation. Fully paid stock of this Corporation shall not be liable to any further call of assessment. On May 19, 2000, the shareholders of the Corporation approved a one for three thousand (3,000) reverse stock split of the issued and outstanding shares of the Corporation.

The Company's Board of Directors has approved the adoption of, and has received the approval from the holders of 52.61% of the Company's issued and outstanding common stock as of the January 1, 2007, to adopt, an amendment to Article Four of the Company's certificate of incorporation that would increase the number of shares of common stock that the Company is authorized to issue from 750,000,000 shares to 1,500,000,000 shares. The new first paragraph of Article IV of the Certificate of Incorporation, as amended, will read as follows:

ARTICLE IV CAPITALIZATION

The aggregate number of shares which this Corporation shall have authority to issue is 1,500,000,000 Common Shares having a par value of \$0.001 per share. Each share of stock shall entitle the holder thereof to one (1) vote on each matter submitted to a vote at a meeting of the shareholders. All stock of the Corporation shall be of the same class and shall have the same rights and preferences. The capital stock of the Corporation shall be issued as fully paid, and the private property of the shareholders shall not be liable for the debts, obligations or liabilities of the Corporation. Fully paid stock of this Corporation shall not be liable to any further call of assessment. Effective as of the time at which this Certificate of Amendment to Articles of Incorporation (the "Amended Articles") becomes effective (the "Effective Date"), all outstanding shares of common stock of the Corporation automatically shall be subdivided at the rate of 1.20 shares for one share (the "Forward Split") without the necessity of any further action on the part of the holders thereof or the Corporation, provided, however, that the Corporation shall, through its transfer agent and as necessary, exchange certificates representing common stock outstanding immediately prior to the Effective Date of the Forward Split (the "Existing Common") into new certificates representing the appropriate number of shares of common stock resulting from the subdivision ("New Common").

Except for this change, the amendment would not affect any other provision of the Articles of Incorporation. The text of the proposed amendment to amend Article IV to the Articles of Incorporation is attached to this Information Statement as Exhibit 1 and is incorporated herein by reference.

Background of the Proposed Amendment

Increase in Authorized Capital

As of January 1, 2007, we were authorized, pursuant to our Articles of

Edgar Filing: CIRTRAN CORP - Form PRE 14C

Incorporation, as amended to date, to issue up to 750,000,000 shares of our common stock, and there were 655,716,326 shares of the Company's Common Stock issued and outstanding. Additionally, as of the Record Date, the Company had the following obligations to reserve or issue shares of its common stock:

-4-

The Highgate Convertible Debenture Transaction

On May 26, 2005, we entered into a securities purchase agreement (the "Purchase Agreement") with Highgate House Funds, Ltd., a Cayman Island exempted company ("Highgate"), relating to the issuance by us of a 5% Secured Convertible Debenture, due December 31, 2007, in the aggregate principal amount of \$3,750,000 (the "Highgate Debenture").

In connection with the purchase of the Highgate Debenture, we used \$2,265,000 to repay two promissory notes to Cornell Capital Partners, LP ("Cornell"), one in the amount of \$1,700,000, and the other in the amount of \$565,000. Highgate and Cornell have the same general partner, Yorkville Advisors, but have different portfolio managers.

We also paid a commitment fee of \$240,765, a structuring fee of \$10,000 to Highgate, and legal fees of \$5,668. As such, of the total purchase amount of \$3,750,000, the net proceeds to us were \$1,228,567, which we received following the closing of the issuance of the Highgate Debenture. We used these proceeds for general corporate and working capital purposes.

The Highgate Debenture bears interest at a rate of 5%. Highgate is entitled to convert, at its option, all or part of the principal amount owing under the Highgate Debenture into shares of our common stock at a conversion price equal to the lesser of (a) \$0.10 per share, or (b) an amount equal to the lowest closing bid price of the Common Stock as listed on the OTC Bulletin Board, as quoted by Bloomberg L.P. for the twenty (20) trading days immediately preceding the conversion date. Except as otherwise set forth in the Highgate Debenture, Highgate's right to convert principal amounts owing under the Highgate Debenture into shares of our common stock is limited as follows:

1. Highgate may convert up to \$250,000 worth of the principal amount plus accrued interest of the Highgate Debenture in any consecutive 30-day period when the market price of our stock is \$0.10 per share or less at the time of conversion;
2. Highgate may convert up to \$500,000 worth of the principal amount plus accrued interest of the Highgate Debenture in any consecutive 30-day period when the price of our stock is greater than \$0.10 per share at the time of conversion, provided, however, that Highgate may convert in excess of the foregoing amounts if we and Highgate mutually agree; and
3. Upon the occurrence of an event of default (as defined in the Highgate Debenture), Highgate may, in its sole discretion, accelerate full repayment of all debentures outstanding and accrued interest thereon or may, notwithstanding any limitations contained in the Highgate Debenture and/or the Purchase Agreement, convert the Highgate Debenture and accrued interest thereon into shares of our common stock pursuant to the Highgate Debenture.

Pursuant to the Highgate Debenture, interest is to be paid at the time of

Edgar Filing: CIRTRAN CORP - Form PRE 14C

maturity or conversion. We may, at our option, pay accrued interest in cash or in shares of common stock. If paid in stock, the conversion price shall be the closing bid price of the common stock on either (i) the date the interest payment is due; or (ii) if the interest payment is not made when due, the date on which the interest payment is made.

As noted above, assuming a hypothetical conversion of the \$2,650,000 remaining as of January 29, 2007, at a hypothetical conversion price of \$0.02 per share, we would need to issue 132,500,000 shares of our common stock to Highgate. Please note that if the conversion price changes, the number of shares issuable on conversion also changes. We have included a table below with examples of the number of shares issuable at various conversion prices.

The 2005 Cornell Convertible Debenture Transaction

On December 30, 2005, we entered into a securities purchase agreement (the "Cornell Purchase Agreement") with Cornell Capital Partners, a Delaware

-5-

limited partnership ("Cornell Capital"), relating to the issuance by us of a 5% Secured Convertible Debenture, due July 30, 2008, in the aggregate principal amount of \$1,500,000 (the "Cornell Debenture").

We also paid a commitment fee of \$120,000, and a structuring fee of \$10,000 to Cornell Capital. As such, of the total purchase amount of \$1,500,000, the net proceeds to us were \$1,370,000.

The Cornell Debenture bears interest at a rate of 5%. Cornell Capital is entitled to convert, at its option, all or part of the principal amount owing under the Debenture into shares of the Company's common stock at a conversion price equal one hundred percent (100%) of the lowest closing bid price of the Common Stock as listed on the OTC Bulletin Board, as quoted by Bloomberg L.P. for the twenty (20) trading days immediately preceding the Conversion Date, subject to certain restrictions and limitations set forth in the Cornell Debenture.

Under the terms of the Cornell Debenture, except upon an event of default as defined in the Cornell Debenture, Cornell Capital may not convert the Cornell Debenture for a number of shares of common stock in excess of that number of shares of common stock which, upon giving effect to such conversion, would cause the aggregate number of shares of Common Stock beneficially owned by Cornell Capital and its affiliates to exceed 4.99% of the outstanding shares of the common stock following such conversion.

Pursuant to the Cornell Debenture, interest is to be paid at the time of maturity or conversion. We may, at our option, pay accrued interest in cash or in shares of our common stock. If paid in stock, the conversion price shall be the closing bid price of the common stock on either (i) the date the interest payment is due; or (ii) if the interest payment is not made when due, the date on which the interest payment is made.

In connection with the Cornell Purchase Agreement, we also agreed to grant to Cornell Capital warrants (the "Cornell Warrants") to purchase up to an additional 10,000,000 shares of our common stock. The Cornell Warrants have an exercise price of \$0.09 per share, and expire three years from the date of issuance. The Cornell Warrants also provide for cashless exercise if at the time of exercise there is not an effective registration statement or if an event of default has occurred.

Edgar Filing: CIRTRAN CORP - Form PRE 14C

As noted above, assuming a hypothetical conversion of the \$1,500,000 remaining as of January 29, 2007, at a hypothetical conversion price of \$0.02 per share, we would need to issue 75,000,000 shares of our common stock to Cornell. Please note that if the conversion price changes, the number of shares issuable on conversion also changes. We have included a table below with examples of the number of shares issuable at various conversion prices.

The 2006 Cornell Convertible Debenture Transaction

On August 23, 2006, we entered into a securities purchase agreement (the "2006 Cornell Purchase Agreement") with Cornell relating to the issuance by us of another 5% Secured Convertible Debenture, due April 23, 2009, in the aggregate principal amount of \$1,500,000 (the "2006 Cornell Debenture").

We also paid a commitment fee of \$120,000, and a structuring fee of \$15,000 to Cornell. As such, of the total purchase amount of \$1,500,000, the net proceeds to us were \$1,365,000.

The 2006 Cornell Debenture bears interest at a rate of 5%. Cornell is entitled to convert, at its option, all or part of the principal amount owing under the 2006 Cornell Debenture into shares of the Company's common stock at a conversion price equal one hundred percent (100%) of the lowest closing bid price of the Common Stock as listed on the OTC Bulletin Board, as quoted by Bloomberg L.P. for the twenty (20) trading days immediately preceding the Conversion Date, subject to certain restrictions and limitations set forth in the 2006 Cornell Debenture.

Under the terms of the 2006 Cornell Debenture, except upon an event of default as defined in the 2006 Cornell Debenture, Cornell may not convert the Cornell Debenture for a number of shares of common stock in excess of that

-6-

number of shares of common stock which, upon giving effect to such conversion, would cause the aggregate number of shares of Common Stock beneficially owned by Cornell and its affiliates to exceed 4.99% of the outstanding shares of the common stock following such conversion.

Pursuant to the 2006 Cornell Debenture, interest is to be paid at the time of maturity or conversion. We may, at our option, pay accrued interest in cash or in shares of our common stock. If paid in stock, the conversion price shall be the closing bid price of the common stock on either (i) the date the interest payment is due; or (ii) if the interest payment is not made when due, the date on which the interest payment is made.

In connection with the 2006 Cornell Purchase Agreement, we also agreed to grant to Cornell warrants (the "2006 Cornell Warrants") to purchase up to an additional 15,000,000 shares of our common stock. The 2006 Cornell Warrants have an exercise price of \$0.06 per share, and expire three years from the date of issuance. The 2006 Cornell Warrants also provide for cashless exercise if at the time of exercise there is not an effective registration statement or if an event of default has occurred.

As noted above, assuming a hypothetical conversion of the \$1,500,000 remaining under the 2006 Cornell Debenture, as of January 29, 2007, at a hypothetical conversion price of \$0.02 per share, we would need to issue 75,000,000 shares of our common stock to Cornell. Please note that if the conversion price changes, the number of shares issuable on conversion also

Edgar Filing: CIRTRAN CORP - Form PRE 14C

changes. The Cornell Debenture (issued in December 2005) and the 2006 Cornell Debenture are referred to collectively as the "Cornell Debentures."

We have included a table below with examples of the number of shares issuable at various conversion prices.

Highgate and Cornell have the same general partner, Yorkville Advisors, but have different portfolio managers. Additionally, the escrow agent appointed in connection with the purchase and sale of both the Cornell debenture transactions and the Highgate debenture transaction is David Gonzalez, who is an officer of Cornell.

A chart showing the number of shares issuable upon hypothetical conversions of the Highgate Debenture and the Cornell Debentures at particular conversion prices is as follows:

Holders of CirTran common stock are subject to the risk of additional and substantial dilution to their interests as a result of the issuances of common stock in connection with the Convertible Debentures.

The following table describes the number of shares of common stock that would be issuable, assuming that the full principal amount of the Cornell Debentures and the Highgate Debentures (collectively, the "Convertible Debentures"), excluding any interest accrued, was converted into shares of our common stock, irrespective of the availability of registered shares and any conversion limitations contained in the Convertible Debentures, and further assuming that the applicable conversion or exercise prices at the time of such conversion or exercise were the following amounts:

Hypothetical Conversion Price	Shares Issuable Upon Conversion of \$2,650,000 Principal Amount of Convertible Debenture by Highgate House Funds, Ltd.	Shares Issuable Upon Conversion of \$3,000,000 Principal Amount of Convertible Debentures by Cornell Capital Partners	Total Shares Issuable in Connection with Conversion of Aggregate Principal Amount of Convertible Debentures
\$0.01	265,000,000	300,000,000	565,000,000
\$0.02	132,500,000	150,000,000	282,500,000
\$0.03	88,333,333	100,000,000	183,333,333
\$0.04	66,250,000	75,000,000	141,250,000
\$0.05	53,000,000	60,000,000	113,000,000
\$0.10	26,500,000	30,000,000	56,500,000

Given the formula for calculating the shares to be issued in connection with

Edgar Filing: CIRTRAN CORP - Form PRE 14C

conversions of the Convertible Debentures, there effectively is no limitation on the number of shares of common stock which may be issued in connection with conversions of the Convertible Debentures, except for the number of shares registered under prospectuses and related registration statements. As such, holders of our common stock may experience substantial dilution of their interests to the extent that Highgate and/or Cornell converts amounts under the Convertible Debentures.

Although we have entered into an agreement with Cornell wherein Cornell agreed that it would not convert any of the principal or interest on the Cornell Debentures or exercise any of the Warrants granted to Cornell until we had taken the steps necessary to increase our authorized capital, if we are successful in increasing our authorized capital, Cornell will be able to convert the Cornell Debentures pursuant to its terms, which could result in the dilution described above.

ANAHOP Private Placement Transactions

On May 24, 2006, we closed a private placement of shares of our common stock and warrants (the "May Private Offering"). Pursuant to a securities purchase agreement (the "Agreement"), we sold Fourteen Million, Two Hundred Eighty-five Thousand, Seven Hundred Fifteen (14,285,715) shares of our Common Stock (the "Shares") to ANAHOP, Inc., a California corporation ("ANAHOP"). The consideration paid for the Shares was One Million Dollars (\$1,000,000). There were no underwriting discounts. In addition to the Shares, we issued warrants (the "May Warrants") to designees of ANAHOP as follows:

- A warrant to purchase up to 10,000,000 shares, with an exercise price of \$0.15 per share, exercisable upon the date of issuance, to Albert Hagar.
- A warrant to purchase up to 5,000,000 shares, with an exercise price of \$0.15 per share, exercisable upon the date of issuance, to Fadi Nora.
- A warrant to purchase up to 5,000,000 shares, with an exercise price of \$0.25 per share, exercisable upon the date of issuance, to Fadi Nora.
- A warrant to purchase up to 10,000,000 shares, with an exercise price of \$0.50 per share, to Albert Hagar.

The May Warrants have exercise prices ranging from \$0.15 to \$0.50 as noted above, and are exercisable as of the date of issuance and through and including the date which is five years following the date on which our Common Stock is listed for trading on either the Nasdaq Small Cap Market, the Nasdaq Capital Market, the American Stock Exchange, or the New York Stock Exchange (the "Expiration Date").

On June 30, 2006, we closed a second private placement of shares of our common stock and warrants (the "June Private Offering"). Pursuant to a securities purchase agreement (the "June Agreement"), the Company agreed to sell Twenty-Eight Million, Five Hundred Seventy-One Thousand, Four Hundred Twenty-Eight (28,571,428) shares of its Common Stock (the "June Shares") to ANAHOP. The total consideration to be paid for the Shares will be Two Million Dollars (\$2,000,000) if all tranches of the sale close.

Pursuant to the Agreement, ANAHOP agreed to pay Three Hundred Thousand Dollars (\$300,000) at the time of closing, and an additional Two Hundred Thousand Dollars (\$200,000) within 30 days of the closing. (The payments of \$300,000 and \$200,000 are referred to collectively as the "First Tranche Payment.") Upon the receipt of the First Tranche Payment, we agreed to issue a

Edgar Filing: CIRTRAN CORP - Form PRE 14C

certificate or certificates to the Purchaser representing 7,142,857 of the Shares. The 7,142,857 shares were issued in July 2006.

The remaining \$1,500,000 is to be paid by ANAHOP as follows:

- (i) No later than thirty calendar days following the date on which any class of our capital stock is first listed for trading on either the Nasdaq Small Cap

-8-

Market, the Nasdaq Capital Market, the American Stock Exchange, or the New York Stock Exchange, ANAHOP agreed to pay an additional \$500,000 to us; and

- (ii) No later than sixty calendar days following the date on which any class of our capital stock is first listed for trading on either the Nasdaq Small Cap Market, the Nasdaq Capital Market, the American Stock Exchange, or the New York Stock Exchange, ANAHOP agreed to pay an additional \$1,000,000 to us. (The payments of \$500,000 and \$1,000,000 are referred to collectively as the "Second Tranche Payment.")

Upon receipt by us of the Second Tranche Payment, we agreed to issue a certificate or certificates to ANAHOP representing the remaining 21,428,571 Shares. Additionally, once we have received the Second Tranche Payment, we agreed to issue warrants (the "June Warrants") to designees of the Purchaser as follows:

- A warrant to purchase up to 20,000,000 shares, with an exercise price of \$0.15 per share, exercisable upon the date of issuance, to Albert Hagar.
- A warrant to purchase up to 10,000,000 shares, with an exercise price of \$0.15 per share, to Fadi Nora.
- A warrant to purchase up to 10,000,000 shares, with an exercise price of \$0.25 per share, exercisable upon the date of issuance, to Fadi Nora.
- A warrant to purchase up to 23,000,000 shares, with an exercise price of \$0.50 per share, exercisable upon the date of issuance, to Albert Hagar.

The June Warrants have exercise prices ranging from \$0.15 to \$0.50 as noted above, and are exercisable as of the date of issuance and through and including the later of (1) the fifth anniversary of the date of the June Warrant or (2) the fifth anniversary of the date on which our Common Stock is first listed for trading on either the Nasdaq Small Cap Market, the Nasdaq Capital Market, the American Stock Exchange, or the New York Stock Exchange (the "Expiration Date").

Warrants

The 110,000,000 Warrants which the Company had outstanding as of the Record Date, consisted of:

- 30,000,000 May Warrants issued in connection with the May

Edgar Filing: CIRTRAN CORP - Form PRE 14C

Private Offering;

- 10,000,000 Warrants issued to Cornell in connection with the Cornell Debenture; and
- 7,000,000 Warrants held by other holders.

There is no guarantee that any or all of these warrants will be exercised, or that we will be required to issue any shares of common stock in connection with these warrants. However, until such time as the warrants listed above have expired, we will continue to reserve shares for issuance in connection with the warrants.

Options

We also have outstanding options to purchase up to 11,250,500 shares of our common stock, held by various holders. As with the warrants, there is no guarantee that any or all of these options will be exercised, or that we will be required to issue any shares of common stock in connection with these options. However, until such time as these options have expired, we will continue to reserve shares for issuance in connection with the options.

-9-

We do not have any lock-down or other agreements with the option holders regarding the non-exercise of these options.

In light of the Company's current authorized capital, and in light of the share obligations listed in the table above, Management believes that the proposed amendment to increase the Company's authorized capital would benefit the Company by:

- enabling the Company to meet its obligations set forth above;
- allowing the Board of Directors to issue additional equity securities to raise additional capital;
- allowing the Board of Directors to pursue strategic investment

Edgar Filing: CIRTRAN CORP - Form PRE 14C

- and technology partners;
- allowing the Board of Directors to facilitate possible future acquisitions; and
- allowing the Company to provide stock-related employee benefits.

As of the date of the Information Statement, the Company's primary source of financing has been private sales of Common Stock or other equity securities, such as the prior equity line of credit and the ANAHOP private transaction, as well as debt securities convertible into Common Stock, such as the current Convertible Debentures. To facilitate additional similar financing transactions, the authorized capital of the Company will need to be increased pursuant to a shareholder-approved amendment to the certificate of incorporation.

As of the date of this Information Statement, and other than the Company's existing obligations and commitments to reserve and issue shares as described herein, the Company did not have any plans, arrangements, commitments, or understandings for the issuance of additional shares of the common stock which are proposed to be authorized. Nevertheless, the Board of Directors believes that the increase in the Company's authorized capital is necessary both to meet the Company's present commitments, and to facilitate additional future financing transactions should they become necessary.

For these reasons, the Company's Board of Directors has sought shareholder approval of the proposed amendment.

Depending upon the consideration per share received by the Company for any subsequent issuance of Common Stock, such issuance could have a dilutive effect on those shareholders who previously paid a higher consideration per share for their stock. Also, future issuances of Common Stock will increase the number of outstanding shares, thereby decreasing the percentage ownership in the Company (for voting, distributions and all other purposes) represented by existing shares of Common Stock. The availability for issuance of the additional shares of Common Stock may be viewed as having the effect of discouraging an unsolicited attempt by another person or entity to acquire control of the Company. Although the Board of Directors has no present intention of doing so, the Company's authorized but unissued Common Stock could be issued in one or more transactions that would make a takeover of the Company more difficult or costly, and therefore less likely. The Company is not aware of any person or entity who is seeking to acquire control of the Company. Holders of Common Stock do not have any preemptive rights to acquire any additional securities issued by the Company.

Forward Stock Split

The Company also received shareholder approval to effectuate a forward stock split (the "Stock Split") on a ratio of 1.20 new shares (the "New Shares") for each one share of the Company's common stock (the "Old Shares").

The Board of Directors has determined that it will be advantageous to the Company to have additional shares available and issued to the Company's current shareholders. Additionally, The Board has determined that share liquidity could be enhanced by having additional shares held by the Company's shareholders. Moreover, the Company feels that the Stock Split likely would be beneficial to the Company's shareholders.

As soon as practicable after the Effective Date of the Articles of Amendment, the Company's stockholders as of March __, 2007, will be notified that the Stock Split has been effected. Holders of Old Shares will be asked to surrender to the exchange agent certificates representing Old Shares in exchange for certificates representing New Shares in accordance with the procedures to be set forth in the letter of transmittal the Company sends to its stockholders. No new certificates will be issued to a stockholder until such stockholder has surrendered such stockholder's outstanding certificate(s), together with the properly completed and executed letter of transmittal, to the exchange agent. Any Old Shares submitted for transfer, whether pursuant to a sale, other disposition or otherwise, will automatically be exchanged for New Shares. STOCKHOLDERS SHOULD NOT DESTROY ANY STOCK CERTIFICATES AND SHOULD NOT SUBMIT ANY CERTIFICATES UNTIL REQUESTED TO DO SO.

NO DISSENTERS' OR APPRAISAL RIGHTS

There is no provision in the Nevada Revised Statutes or in our Articles of Incorporation, as amended to date, which provides our stockholders with dissenters' rights or appraisal rights to demand payment in cash for their shares of common stock in connection with the implementation of the proposal to amend our Articles of Incorporation to increase our authorized capital stock or to effectuate the Stock Split.

CONSENT REQUIRED

Pursuant to Sections 78.207 and 78.390 of the Nevada Revised Statutes, we may amend our Articles of Incorporation and increase our authorized capital upon the approval by the holders of a majority of the voting power of our common stock. As of January 1, 2007, there were 655,716,326, shares of our common stock issued and outstanding. CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Edgar Filing: CIRTRAN CORP - Form PRE 14C

During June 2006 the president of the Company loaned the Company a net amount of \$110,837 which was recorded as a note payable to the lender.

During December 2005 the president of the Company loaned the Company \$95,806 which was recorded as a note payable to the lender. The proceeds of this

-13-

loan were used to fund on going operations of the Company. In January 2006, the Company made a payment to the lender which repaid the entire balance (\$95,806) of the loan.

As of December 31, 2001, Iehab Hawatmeh had loaned us a total of \$1,390,125. The loans were demand loans, bore interest at 10% per annum and were unsecured. Effective January 14, 2002, we entered into four substantially identical agreements with existing shareholders pursuant to which we issued an aggregate of 43,321,186 shares of restricted common stock at a price of \$0.075 per share for \$500,000 in cash and the cancellation of \$2,749,090 principal amount of our debt. Two of these agreements were with the Saliba Private Annuity Trust, one of our principal shareholders, and a related entity, the Saliba Living Trust. The Saliba trusts are also principals of Abacas Ventures, Inc., which entity purchased our line of credit in May 2000. Pursuant to the Saliba agreements, the trusts were issued a total of 26,654,520 shares of common stock in exchange for \$500,000 cash and the cancellation of \$1,499,090 of debt. We used the \$500,000 cash from the sale of the shares for working capital. As a result of this transaction, the percentage of our common stock owned by the Saliba Private Annuity Trust and the Saliba Living Trust increased from approximately 6.73% to approximately 17.76%. Mr. Trevor Saliba, one of our directors and officers, is a passive beneficiary of the Saliba Private Annuity Trust. Pursuant to the other two agreements made in January 2002, we issued an aggregate of 16,666,666 shares of restricted common stock at a price of \$0.075 per share in exchange for the cancellation of \$1,250,000 of notes payable by two shareholders, Mr. Iehab Hawatmeh (our president, a director and our principal shareholder) and Mr. Rajai Hawatmeh. Of these shares, 15,333,333 were issued to Iehab Hawatmeh in exchange for the cancellation of \$1,150,000 in debt. As a result of this transaction, the percentage of our common stock owned by Mr. Hawatmeh increased from 19.9% to approximately 22.18%.

In February 2000, prior to its acquisition of Vermillion Ventures, Inc., a public company, Circuit Technology, Inc., while still a private entity, redeemed 680,145 shares (as presently constituted) of common stock held by Raed Hawatmeh, who was a director of Circuit Technology, Inc. at that time, in exchange for \$80,000 of expenses paid on behalf of the director. No other stated or unstated rights, privileges, or agreements existed in conjunction with this redemption. This transaction was consistent with other transactions where shares were offered for cash.

In 1999, Circuit entered into an agreement with Cogent Capital Corp., or "Cogent," a financial consulting firm, whereby Cogent agreed to assist and provide consulting services to Circuit in connection with a possible merger or acquisition. Pursuant to the terms of this agreement, we issued 800,000 (pre-forward split) restricted shares (12,000,000 post-forward split shares) of our common stock to Cogent in July 2000 in connection with our acquisition of the assets and certain liabilities of Circuit. The principal of Cogent was appointed a director of Circuit after entering into the financial consulting agreement and resigned as a director prior to the acquisition of Circuit by Vermillion Ventures, Inc. on July 1, 2000.

Edgar Filing: CIRTRAN CORP - Form PRE 14C

Also, as of December 31, 2004 the company owed I&R Properties, LLC, the previous owner of our principal office and manufacturing facility for unpaid accrued rent and accrued interest. The Company settled with owed I&R Properties, LLC., on accrued rent and interest of \$400,000 by issuing 10,000,000 shares of unregistered common stock in March 2005.

Management believed at the time of each of these transactions and continues to believe that each of these transactions were as fair to the Company as could have been made with unaffiliated third parties.

Abacas Ventures

An explanation of the relationship between CirTran and Abacas Ventures, Inc., is as follows:

Two trusts, the Saliba Living Trust and the Saliba Private Annuity Trust (collectively, the "Saliba Trusts"), were investors in Circuit Technology, a Utah corporation and predecessor entity of the Company. The trustees of the trusts are Tom and Betty Saliba, and Tom Saliba, respectively. (Tom Saliba is the nephew of the grandfather of Trevor Saliba, one of the directors of CirTran.) In July 2000, CirTran Corporation merged with Circuit Technology. Through that merger, the Saliba Trusts became shareholders of CirTran. The Saliba Trusts are also two of the shareholders of an entity named Abacas Ventures, Inc. ("Abacas"). At the time of the merger, CirTran was in default on

-14-

several of its obligations, including an obligation to Imperial Bank. The Saliba Trusts, through Abacas, purchased the bank's claim against CirTran to protect their investment in CirTran. Since that time, Abacas has continued to settle debts of CirTran to improve Abacas's position and to take advantage of certain discounts that creditors of CirTran offered to settle their claims. On two occasions, the Abacas shareholders have agreed to convert outstanding debt owed by CirTran to Abacas into shares of CirTran common stock (discussed below). Abacas continues to work with the company to settle claims by creditors against CirTran, and, on occasion, to provide funding. There can be no assurance that Abacus will agree to convert its existing debt, or any debt it acquires in the future, into shares of CirTran, or that conversions will occur at a price and on terms that are favorable to CirTran. If Abacus and CirTran cannot agree on acceptable conversion terms, Abacus may demand payment of some or all of the debt. If CirTran does not have sufficient cash or credit facilities to pay the amount then due and owing by CirTran to Abacus, Abacus may exercise its rights as a senior secured lender and commence foreclosure or other proceedings against the assets of CirTran. Such actions by Abacus could have a material adverse effect upon CirTran and its ability to continue in business.

In January, 2002, the Company entered into an agreement with Abacas under which the Company issued an aggregate of 19,987,853 shares of common stock to four of Abacas's shareholders in exchange for cancellation by Abacas of an aggregate amount of \$1,499,090 in senior debt owed to the creditors by the Company. The shares were issued with an exchange price of \$0.075 per share, for the aggregate amount of \$1,500,000.

In December, 2002, the Company entered into an agreement with Abacas under which the Company issued an aggregate of 30,000,000 shares of common stock to four of Abacas's shareholders in exchange for cancellation by Abacas of an aggregate amount of \$1,500,000 in senior debt owed to the creditors by the Company. The shares were issued with an exchange price of \$0.05 per share, for the aggregate amount of \$1,500,000.

Edgar Filing: CIRTRAN CORP - Form PRE 14C

During 2002, the Company entered into a verbal bridge loan agreement with Abacas. This agreement allows the Company to request funds from Abacas to finance the build-up of inventory relating to specific sales. The loan bears interest at 24% and is payable on demand. There are no required monthly payments. During the years ended December 31, 2004 and 2003, the Company was advanced \$3,128,281 and \$350,000, respectively, and made cash payments of \$3,025,149 and \$875,000, respectively.

During the year ended December 31, 2004, Abacas completed negotiations with several vendors of the Company, whereby Abacas purchased various past due amounts for goods and services provided by vendors, as well as notes payable (see Note 6). The total of these obligations was \$1,263,713. The Company has recorded this transaction as a \$1,263,713 non-cash increase to the note payable owed to Abacas, pursuant to the terms of the Abacas agreement.

The total principal amount owed to Abacas between the note payable and the bridge loan was \$1,530,587 and \$163,742 as of December 31, 2004 and 2003, respectively. The total accrued interest owed to Abacas between the note payable and the bridge loan was \$430,828 and \$230,484 as of December 31, 2004 and 2003, respectively, and is included in accrued liabilities.

In March 2005, the shareholders of Abacas agreed to cancel \$2,050,000 of principal and accrued interest in return for the Company's issuing 51,250,000 shares of our restricted common stock to certain shareholders of Abacas. No registration rights were granted.

As of January 29, 2007, no further loans had been made to the Company from Abacas.

Based solely on its review of the copies of such forms furnished to us during the fiscal year ended December 31, 2005, we are aware of the following untimely filings:
