**Item 1.01                                  Entry into a Material Definitive Agreement**

On January 29, 2009, the Company amended and extended its credit facility with Bank of America, N.A. The facility is comprised of: (i) a revolving credit facility of \$17 million; (ii) a term loan of \$2.1 million with a seven-year straight-line amortization; (iii) a term loan of \$1.8 million with a 20-year straight-line amortization; and (iv) a term loan of \$4.0 million with a 20-year straight-line amortization. Extensions of credit under the revolving credit facility are based in part upon accounts receivable and inventory levels. Therefore, the entire \$17 million may not be available to the Company. The credit facility calls for interest of LIBOR plus a margin that ranges from 1.0% to 1.5% or, at the discretion of the Company, the bank's prime rate less a margin that ranges from .25% to zero. In both cases the applicable margin is dependent upon Company performance. The loans are collateralized by a first priority lien on all of the Company's assets, including its real estate located in Georgetown, Massachusetts and in Grand Rapids, Michigan. Under the credit facility, the Company is subject to a minimum fixed-charge coverage financial covenant. The Company's \$17 million revolving credit facility is due November 30, 2013; the term loans are all due on January 29, 2016.
