Announcement | Lisbon | 9 August 2012

Qualified Holding - EuroPacific Growth Fund

Portugal Telecom, SGPS S.A. (PT) hereby informs that Europacific Growth Fund (EUPAC) now holds less than 2% of the voting rights corresponding to the share capital of PT.

This change resulted from the disposal by EUPAC of 4,750,000 PT ordinary shares, on 7 August 2012, on regulated market. As a result, EUPAC's holding corresponds to a total of 15,831,045 ordinary shares representing 1.77% of PT's share capital and corresponding voting rights.

Additionally, PT was informed that EUPAC has granted proxy voting authority to Capital Research and Management Company, its investment adviser.

This statement is made pursuant to the terms and for the purposes of article 17 of the Portuguese Securities Code and article 2 of the Portuguese Securities Commission Regulation no. 5/2008, following a communication received from EUPAC, with office at 333 South Hope Street, 55th Floor, Los Angeles, California, United States of America.

FORWARD-LOOKING STATEMENTS

This document may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
