(the Company ) filed with the United States Securities and Exchange Commission ( SEC ) on November 9, 2018 (the Initial Form 8-K ) related to the acquisition (the Acquisition ) by the Company, through two of its wholly-owned subsidiaries, Willdan Energy Solutions, a California corporation ( WES ), and Luna Fruit, Inc., a Delaware corporation and wholly-owned subsidiary of WES ( Merger Sub ), of all of the outstanding shares of capital stock of Lime Energy Co. ( Lime Energy ), a national provider of innovative energy solutions for utilities and their commercial customers, pursuant to the agreement and plan of merger dated October 1, 2018 (the Merger Agreement ), by and among WES, Merger Sub, Lime Energy, and Luna Stockholder Representative, LLC, as representative of the participating securityholders of Lime Energy.

This Amendment No. 1 amends and supplements Item 9.01 of the Initial Form 8-K to provide certain historical financial statements for Lime Energy and certain pro forma financial information in connection with the Acquisition. Any information required to be set forth in the Initial Form 8-K which is not being amended or supplemented pursuant to this Amendment No. 1 is hereby incorporated by reference. Except as set forth herein, no modifications have been made to the information contained in the Initial Form 8-K and the Company has not updated any information contained therein to reflect the events that have occurred since the date of the Initial Form 8-K. ### Note Regarding Forward-Looking Statements

Statements and other information included in this Amendment No. 1 that are not historical facts, including statements about the Company's plans, strategies, beliefs and expectations, as well as certain estimates and assumptions used by the Company's management, may constitute forward-looking statements. Forward-looking statements are subject to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995, as amended. Forward-looking statements speak only as of the date they are made and, except for the Company's ongoing obligations under the U.S. federal securities laws, the Company undertakes no obligation to publicly update any forward-looking statement.

Forward-looking statements are subject to known and unknown risks and uncertainties and are based on estimates and assumptions that are subject to change or revision, including the estimates and assumptions used by the Company in preparing the pro forma financial information included in this Amendment No. 1, that could cause actual results to differ materially from those expected or implied by the forward-looking statements or the estimates or assumptions used. Such forward-looking statements include, without limitation, the Company's ability to efficiently integrate the operations and business of Lime Energy and to obtain the anticipated benefits therefrom, the Company's ability to make principal and interest payments as they come due on borrowings under the New Credit Facilities (as defined in the Initial Form 8-K), including its ability to comply with financial maintenance covenants, and the Company's current expectations with respect to preliminary estimated adjustments to record the assets and liabilities of the Company at their respective estimates of fair values under acquisition accounting, and are based on currently available information.

Actual results may differ materially from the forward-looking statements for a number of reasons, including additional information regarding the fair values of assets and liabilities becoming available, the performance of additional fair value analyses, and risk factors identified in the Company's filings with the SEC, including without limitation in the Company's Annual Report on Form 10-K for this fiscal year ended December 29, 2017 and the Company's Quarterly Report on Form 10-Q for the quarter ended September 28, 2018. Factors other than those listed above also could cause the Company's results to differ materially from expected results.
