Item 8.01 Other Events

Certain directors and officers of IPG Photonics Corporation (the “Company”) adopt from time to time pre-arranged trading plans (each, a “Plan”) designed to comply with Rule 10b5-1 under the Securities Exchange Act of 1934, as amended, and the Company’s policies regarding stock transactions. Under Rule 10b5-1, directors, officers and other persons who are not in possession of material non-public information may adopt a plan or contract for pre-arranged sales of Company securities under specified conditions and at specified times. Using these Plans, insiders can gradually diversify their investment portfolios, spread stock trades out over an extended period of time to reduce market impact and avoid concerns about transactions occurring at a time when they might possess inside information.

The Plan adopted by Henry Gauthier, a member of the Company’s Board of Directors, provides for the sale of up to a total of 12,501 shares over a period ending December 2011, unless terminated sooner in certain circumstances. Of these shares, 12,501 shares will be acquired through the exercise of stock options. Shares will be sold under the Plan on the open market at prevailing market prices, subject to minimum price thresholds.

The Plan adopted by Angelo P. Lopresti, Vice President, General Counsel and Secretary of the Company, provides for the sale of up to a total of 46,667 shares over a period ending June 2012, unless terminated sooner in certain circumstances. Of these shares, 46,667 shares will be acquired through the exercise of stock options. Shares will be sold under the Plan on the open market at prevailing market prices, subject to minimum price thresholds.

The Plan adopted by Eugene Scherbakov, a member of the Company’s Board of Directors, and the general manager of IPG Laser GmbH, provides for the sale of up to a total of 13,334 shares over a period ending September 2012, unless terminated sooner in certain circumstances, subject to minimum price thresholds.

The Company does not undertake to report Plans that may be adopted by any directors or officers of the Company in the future, or to report any modification or termination of any Plan, except to the extent required by law.
