Edgar Filing: Scotti Donald James - Form SC 13D

On May 28, 2010, Red Cat has converted the entire principal of the Promissory Note in the amount of \$200,000 (as fully described in Item 6). The conversion occurred at a price of \$0.00783, calculated, based on the terms of the Note, as the average of three trading prices of the Issuer's shares on the three trading days preceding the date of conversion. Because the Issuer's certificate of incorporation currently does not authorize sufficient shares to issue the shares acquired by Red Cat, the shares acquired as a result of the conversion will be issued to Red Cat following an amendment to the Issuer's certificate of incorporation to increase the authorized number of shares of Common Stock of the Issuer. The amendment is expected to be approved by the Issuer's shareholders in July 2010.

Item 3. Source and Amount of Funds or Other Consideration.

Donald J. Scotti has not individually paid any funds as he has not individually acquired either Sycamore or the Issuer’s securities.

The consideration for the purchase of the shares of Common Stock reported as beneficially owned herein, including the \$200,000 Convertible Promissory Note, consisted of 2,500,000 shares common stock of Sycamore Films received

by Red Cat pursuant to the terms of Stock Purchase Agreement (as described in Item 6). Red Cat acquired these shares of Sycamore Films pursuant to the Merger Agreement closed immediately prior to the Stock Purchase Agreement (as described in Item 6), as a consideration for Red Cat's shares of common stock in Sweet Spot Productions, Inc. ("Sweet Spot"), representing 50% ownership of Sweet Spot. Pursuant to the terms of the Merger Agreement, the total purchase price of consideration paid by Sycamore Films for 100% of the outstanding shares of stock of Sweet Spot was \$1,200,000.00. Accordingly, the amount of funds or other consideration used by Red Cat to acquire the reported shares of Common Stock, according to the Merger Agreement and the Stock Purchase Agreement is estimated at \$600,000. The information provided by Item 6 is incorporated by reference herein.

Item 4. Purpose of Transaction.

The purpose of the acquisition of the shares of Common Stock reported as beneficially owned by the Reporting Persons is to effectuate the Stock Purchase Agreement and the Merger Agreement, dated as of March 17, 2010, and effective as of May 14, 2010, and all agreements related thereto (described fully in Item 6). The description of the Merger Agreement and Stock Purchase Agreement in this report is a summary only and is qualified in its entirety by the terms of the Stock Purchase Agreement and Merger Agreement, which are attached hereto as Exhibits 3 and 4, respectively, and are incorporated by reference herein.

As of the date hereof, neither Reporting Person has any plans or proposals, other than those contemplated by the Merger Agreement and the Stock Purchase Agreement and reported in the Issuer's Form 8-K filed with the Securities and Exchange Commission on May 21, 2010, which relate to or would result in:

The acquisition by any person of additional securities of the Issuer, or the disposition of securities of the Issuer;

An extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or Sycamore Films;

A sale or transfer of a material amount of assets of the Issuer or Sycamore Films;

Any change in the present board of directors or management of the Issuer, including any plans or proposals to change the number or term of directors or to fill any existing vacancies on the board;

Any material change in the present capitalization or dividend policy of the Issuer;

Any other material change in the Issuer's business or corporate structure;

Changes in the issuer's charter, bylaws or instruments corresponding thereto or other actions which may impede the acquisition of control of the issuer by any person;

Causing a class of securities of the Issuer to be delisted from a national securities exchange or to cease to be authorized to be quoted in an inter-dealer quotation system of a registered national securities association;

A class of equity securities of the Issuer becoming eligible for termination of registration pursuant to Section 12(g)(4) of the Act; or

Any action similar to any of those enumerated above.

Subject to applicable laws, the Reporting Persons reserve the right to acquire, or cause to be acquired, additional securities of the Issuer, to dispose of, or cause to be disposed, such securities at any time or to formulate any purposes, plans or proposals regarding the Issuer or any of its securities, to the extent deemed advisable in light of general investment and trading policies of the Reporting Persons, market conditions or other factors.

The information set forth in Item 6 is incorporated by reference herein.

Item 5. Interest in Securities of the Issuer.

(a)

Donald J. Scotti is not a record holder of any securities of the Issuer. Donald J. Scotti owns 100% of Red Cat, and therefore, is deemed to be the beneficial owner of the securities owned of record by Red Cat (See Item 5(b) below).

- (b) Red Cat owns of record 27,850,247 shares of Common Stock of which 2,307,463 shares have been acquired pursuant to the Stock Purchase Agreement on May 14, 2010 and 25,542,784 shares have been acquired, and will be issued at a future date, by reason of the conversion on May 28, 2010 of the entire principal of \$200,000 Promissory Note held by Red Cat. The information provided in paragraphs 7-13 of the cover page hereto is incorporated by reference in this Item 5.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

Stock Purchase Agreement and Merger Agreement

On May 14, 2010 (the “Closing Date”), pursuant to an Agreement for the Purchase and Sale of Stock dated March 17, 2010 (the “Stock Purchase Agreement”) by and among the Issuer, Sycamore Films, and its stockholders (the “Sycamore Films Stockholders”), the Issuer issued 79,376,735 shares of its Common Stock to the Sycamore Films Stockholders in exchange for all of the outstanding shares of common stock of Sycamore Films, resulting in a change in control of the Issuer. As a result, Sycamore Films became a wholly-owned subsidiary of the Issuer and the Sycamore Films Stockholders now hold in the aggregate approximately eighty-seven percent (87%) of the Issuer’s outstanding shares of Common Stock. The Reporting Persons (Red Cat and Donald J. Scotti) are one of the former Sycamore Films Stockholders, and Donald J. Scotti now holds through its wholly owned entity Red Cat 2.5% of the outstanding shares of Common Stock..

Immediately prior to the closing of the Stock Purchase Agreement, pursuant to the terms of an Agreement and Plan of Merger dated March 17, 2010 (the “Merger Agreement”) by and among the Issuer, Sycamore Films, Sweet Spot, Inc. (“Sweet Spot”) and Sweet Spot’s stockholders (JRT and Red Cat) and principals (Joseph R. Takats and Donald J. Scotti), Sweet Spot merged with and into Sycamore Films and the Sweet Spot Stockholders became shareholders of Sycamore Films (the “Merger Transaction”). The Merger Transaction was effective as of May 14, 2010, upon the filing of a certificate of merger with the Nevada Secretary of State, at which time Sweet Spot ceased to exist. The Stock Purchase Transaction and the Merger Transaction are collectively referred to herein as the “Transaction.”

As a result of the Transaction, the Issuer became a holding company whose primary asset is its ownership of 100% of the outstanding shares of Sycamore Films. As a result of the Merger Transaction, Sycamore Films primary business is that of a full-service distribution and marketing company specializing in acquisition, distribution and the development of marketing campaigns for feature films.

In connection with the closing of the Stock Purchase Agreement the Issuer experienced a change in control of the ownership, management and Board of Directors. As of the Closing Date, all of the members of the Board of Directors of the Issuer resigned and a new slate of directors and officers were appointed for both the Issuer and Sycamore Films.

As contemplated by the Stock Purchase Agreement, the Issuer intends to seek stockholder approval to amend its Certificate of Incorporation to change its name from “ImaRx Therapeutics, Inc.” to “Sycamore Entertainment, Inc.,” to increase the authorized number of shares of common stock, par value \$.0001 from 100,000,000 to 200,000,000, to effectuate a reverse stock split of one for two of the issued and outstanding shares of the Issuer’s \$.0001 par value common stock, and to change the Issuer’s state of incorporation from Delaware to Nevada. The Issuer believes that the issuance of its Common Stock in connection with the Stock Purchase Agreement was exempt from registration under Section 4(2), Regulation D and Regulation S of the Securities Act.

The foregoing description of the Stock Purchase Agreement and the Merger Agreement and the transactions contemplated thereby do not purport to be complete and are qualified in their entirety by the terms of the Stock Purchase Agreement and the Merger Agreement, attached as Exhibits 3 and 4, respectively, hereto, and incorporated by reference herein.

In connection with the Transaction, the Issuer has entered into a number of other contracts, arrangements and understandings with respect to securities of the Issuer, each of which is described below.

Convertible Promissory Notes and Security Agreements

In addition to the shares of the Common Stock issued by the Issuer under the terms of the Stock Purchase Agreement to Red Cat in exchange for all the shares of Sycamore Films common stock held by it, the Issuer also executed and delivered to Red Cat a Promissory Note in the principal amount of \$200,000. The principal balance of the Promissory Note was convertible at any time over the six month period prior to the maturity of the Notes into shares of the Issuer's Common Stock at a conversion ratio based on the average of three day trading price of the Common Stock immediately prior to the date of exercise of the conversion right. The \$200,000 Promissory Note is secured by a first priority perfected pledge of 50% of the shares of stock of Sycamore Films owned by the Issuer. In the event of the Issuer's default on the Note, and failure to cure such

default within the applicable cure period, Red Cat may exercise in respect of the Sycamore Films shares pledged as security for the Notes, in addition to other rights and remedies it may have, all of the rights and remedies of a secured party on default under the Uniform Commercial Code and also may sell the Sycamore Films shares or any part thereof at public or private sale.

On May 28, 2010, Red Cat converted the entire principal balance of the Promissory Note into shares of Common Stock of the Issuer. Red Cat waived any interest that had accrued for the period between May 14 and May 28, 2010. As a result of the conversion of Red Cat's Promissory Note, the amount of Issuer's outstanding liabilities has been reduced by more than \$200,000.00. Because the Issuer's certificate of incorporation currently does not authorize sufficient shares to issue the shares acquired by Red Cat, the shares acquired as a result of the conversion will be issued to Red Cat following an amendment to the Issuer's certificate of incorporation to increase the authorized number of shares of Common Stock of the Issuer. The amendment is expected to be approved by the Issuer's shareholders in July 2010. Once the additional shares of the Issuer's Common Stock are authorized and issued to Red Cat, Red Cat will release the security interest in shares of common stock of Sycamore Films

The description of the Notes and Security Agreements in this report is a summary only and is qualified in its entirety by the terms of the forms of Promissory Notes and Pledge and Security Agreements, attached as Exhibits 5 and 6, respectively, hereto, and incorporated by reference herein.

Registration Rights

As additional consideration under the Stock Purchase Agreement and the Merger Agreement, the Issuer entered into a Registration Rights Agreement with Red Cat and JRT, pursuant to which Red Cat and JRT are entitled to require the Issuer to register for resale under the Securities Act subject to certain limitations and restrictions, their 2,307,463 shares of Common Stock and 25,542,784 shares of Common Stock to be received upon the conversion of the Promissory Notes. If during the first 365 days following the closing of the Transaction ImaRx proposes to register any of its stock pursuant to Section 5 of the Securities Act or other securities under the Securities Act in connection with the public offering of such securities, then each of Red Cat and JRT have a one-time piggyback registration right to have the Issuer include all or any of their shares of Common Stock in such registration. If the Issuer does not commence such a registration transaction during the first 365 days following the closing of the Transaction, each of Red Cat and JRT shall have a one-time right to request that the Issuer register their shares of the Issuer's Common Stock. These rights terminate with respect to Red Cat and JRT at such time as they may sell any of their shares of Common Stock freely, without registration and without restrictions regarding the quantity or manner of sale.

The description of the Registration Rights in this report is a summary only and is qualified in its entirety by the terms of the Registration Rights Agreement, attached as Exhibit 7 hereto, and incorporated by reference herein.

Option to Put Issuer's Common Stock

Pursuant to the Merger Agreement and the Stock Purchase Agreement, beginning on November 14, 2010, and continuing for a two year period immediately thereafter (the "Put Period"), JRT and Red Cat, and each of them have the right to require that, during any 90-day period following the first day of the Put Period, the Issuer purchase from each of them up to 25% of their shares of their 2,307,463 shares and 25,542,784 shares of Common Stock to be received upon the conversion of the Promissory Notes. They may exercise this put right, in whole or in part, at any time or from time to time during the two year period. If during any 90-day period either or both of JRT and Red Cat elect not to exercise the put right with respect to any of 25% of the shares which they are entitled to put, such shares may be put during the following 90-day period in addition to 25% of the shares that they are entitled to put during such 90-day period. The price at which the Issuer shall be required to purchase the shares put to the Issuer shall be equal to \$0.16

per share, subject to adjustment in the event of a stock split. The Issuer has the right to suspend the ability of either JRT or Red Cat to exercise their put rights during any period in which the Issuer is engaged in a capital raising transaction. In that event the term of the Put Period will be extended for an additional period equal to the period of the suspension.

The description of the options to put Issuer's shares in this report is a summary only and is qualified in its entirety by the terms the Stock Purchase Agreement and the Merger Agreement, attached as Exhibits 3 and 4, respectively, hereto, and incorporated by reference herein.

Shareholders Agreement

On May 14, 2010, the Issuer's shareholders collectively holding approximately 75% of the Issuer's voting stock, specifically, Edward Sylvan, Terry Sylvan, Michael Doban, JRT and Red Cat (the "Shareholders"), have agreed that, as long as Red Cat and JRT each own at least 250,000 shares of the Issuer's Common Stock prior

to the proposed reverse 2:1 stock split, the Shareholders shall take all actions as are reasonably necessary to elect Donald J. Scotti and Joseph R. Takats to the Board of Directors of the Issuer and Sycamore Films. The Shareholders further agreed that, so long as Donald J. Scotti and Joseph R. Takats remain directors on the Issuer's Board of Directors, the Shareholders will vote all their shares of the Issuer's Common Stock against any resolution or amendment of the Issuer's Certificate of Incorporation or Bylaws, or any other transaction, that would cause the membership of the Issuer's Board to exceed seven (7) directors, unless Donald J. Scotti and Joseph R. Takats approve a different vote as to any such action. As of the date of the Agreement, Edward Sylvan held approximately 53% of the Issuer's voting stock, Terry Sylvan — 16%, Michael Doban — 1%, JRT - 2.5% and Red Cat - 2.5%.

The description of the Shareholders Agreement in this report is a summary only and is qualified in its entirety by the terms the Shareholders Agreement, attached as Exhibit 8 hereto, and incorporated by reference herein.

7.3. No Solicitation.

(1) For and during that period which ends thirty (30) days after the date hereof, the Company, and those acting on behalf of any of the Company, will not, and the Company will use its best efforts to

cause its officers, employees, agents, and representatives (including any investment banker) not, directly or indirectly, to solicit, encourage, or initiate any discussions with, or negotiate or otherwise deal with, or provide any information to, any person other than Sycamore and its officers, employees, and agents, concerning any merger, sale of substantial assets, or similar transaction involving the Company or any sale of any of its capital stock. The Company will notify Sycamore immediately upon receipt of any inquiry, offer or proposal relating to any of the foregoing. None of the foregoing shall prohibit providing information to others in a manner in keeping with the ordinary conduct of the Company's business, or providing information to government authorities.

(2) Notwithstanding the foregoing or any other provision of this Agreement, at any time prior to the Closing, in the event that the Company Directors determine in good faith by a majority vote, based on the advice of its outside legal counsel, that there is a reasonable basis requiring the Company to consider a Favorable Third Party Proposal (as defined below) to comply with its fiduciary duties, the Company may furnish non-public information with respect to the Company to the person who made the Favorable Third Party Proposal pursuant to a confidentiality agreement and participate in discussions or negotiations with such person regarding the Favorable Third Party Proposal. In the event the Company Directors receive a Favorable Third Party Proposal, which they determine is more favorable to the Company's shareholders than the terms and conditions of the Transaction, no later than the third (3) business day following the date upon which the Company Directors determine that such Favorable Third Party Proposal is a more favorable proposal than the Transaction provide written notice to Sycamore and Sweet Spot that specifies the material terms and conditions of that Favorable Third Party Proposal. Sycamore and Sweet Spot shall have the option for ten (10) business days after receipt of such notice to amend the terms and conditions of the Transaction to cause this Transaction to be no less favorable than the Favorable Third Party Proposal. In the event that Sycamore and Sweet Spot do not agree to the modification of the terms and conditions of the Transaction at the end of that ten (10) business day period, the Company Directors may, with written notice to Sycamore and Sweet Spot, and payment of a termination fee of \$50,000.00, terminate this Agreement (and concurrently with such termination, if they so determine, cause the Company to enter into any agreement with respect to that Favorable Third Party Proposal) (the "Termination Fee"). The Termination Fee shall be allocated and shared by Sycamore and Sweet Spot (each, a "Recipient") each in that amount which is equal to that percentage which the total fees and costs paid by such Recipient in connection with the Transaction bears to the total amount of fees and costs paid by both Recipients in connection with the Transaction and the Merger, and each of them.

(3) As used in this Agreement, "Favorable Third Party Proposal" means a written proposal from a credible, bona fide third party relating to any direct or indirect acquisition or purchase of 50% or more of the equity securities of the Company, any tender offer or exchange offer that if consummated would result in any person beneficially owning 50% or more of the combined voting power of the Company's voting equity securities, or any merger, consolidation, business combination, share exchange, recapitalization, liquidation, dissolution or similar transaction involving the Company or combined voting power of the Company, and otherwise on terms which the Company Directors determine in their good faith judgment, taking into account legal, financial, regulatory and other aspects of the proposal deemed appropriate by the Company Directors, to be more favorable to the stockholders of the Company than the Transaction (taking into account any changes to the terms and

conditions regarding the Transaction and amendments to this Agreement proposed by Sycamore or Sweet Spot in response to the receipt by Sycamore and Sweet Spot of information about that Favorable Third Party Proposal).

(4) Nothing contained in this section shall (i) prohibit the Company from at any time taking and disclosing to its stockholders a position contemplated by Rule 14d-9 or Rule 14e-2 promulgated under the Exchange Act or making any disclosure required by Rule 14a-9 promulgated under the Exchange Act.

7.4. Promissory Notes. In addition to the Subject Shares to be issued to JRT and Red Cat, on the Closing Date, the Company and Sycamore shall execute and deliver to JRT and Red Cat the Promissory Notes.

7.5. Adjustment of Shares of the Company's Common Stock issued to JRT and Red Cat. In the event the Company issues additional shares of its common stock prior to the Closing Date at any price less than \$0.15 per share, the number of shares of the Subject Stock to be issued to JRT and Red Cat on the Closing Date shall be adjusted upward so that on the Closing Date JRT and Red Cat shall each be issued that number of shares of the Company's Common Stock equal to 2 ½% of the Company's common stock issued and outstanding on the Closing Date and after the closing of the Transaction.

7.6. Option to put the Company's stock. Beginning on that date which is six (6) months after the Closing Date, and continuing for a two year period immediately thereafter (the "Put Period"), JRT and Red Cat, and each of them (collectively, "Optionees," and each individually, "Optionee") shall have the right to require that, during any 90-day period following the first day of the Put Period, the Company purchase from each Optionee up to 25% of the Subject Shares received by that Optionee on the Closing Date ("Put Right"). An Optionee may exercise the Put Right, in whole or in part, at any time or from time to time during the Put Period, by delivering to the Company a thirty (30) day written notice of Optionee's intent to exercise its Put Right, which notice shall specify the number of the Subject Shares to be purchased by the Company. If during any 90-day period an Optionee elects not to exercise the Put Right with respect to any of 25% of the Subject Shares which the Optionee is entitled to put, such Subject Shares may be put during the following 90-day period in addition to 25% of Subject Shares that the Optionee is entitled to put during such 90-day period. As such, at the beginning of the fourth 90-day period, each Optionee shall have the right to exercise the Put Right with respect to any and all of Subject Shares held by that Optionee as of the Closing Date. The price at which the Company shall be required to purchase Subject Shares shall equal to (i) \$0.16 per share, in the event that the Put Right is exercised prior to the Reverse Stock Split, and (ii) \$0.40 per share, in the event that the Put Right is exercised after the Reverse Stock Split. The purchase price for the Subject Shares so put shall be paid by the Company within ten (10) Business Days following the expiration of the 30-day notice period. The provisions of this Section 7.6 notwithstanding, if at any time during the Put Period the Company decides to raise funds for a particular project, whether by a public or private sale of shares of the Company's \$.0001 par value common stock or by any other form of financing transaction, and determines in good faith that Optionees' exercise of Put Rights may interfere with such fundraising efforts, the Company may suspend Optionees' rights to exercise their Put Rights by delivering to Optionees a written notice of

suspension, which notice shall set forth the planned fundraising activity and the anticipated duration of the suspension period. The Put Period shall be extended for the duration of such suspension period. Upon Optionees' receipt of the notice of suspension and during the suspension period, the Optionees (i) shall not exercise their Put Rights, and (ii) shall not exercise rights granted under the Registration Rights Agreement at a time or in a manner that will interfere with the efforts of the Company to raise funds. The suspension period shall terminate and the Optionees shall be able to exercise the suspended rights to the full extent provided by this Agreement and the documents related hereto upon the earlier of (i) completion of the Company's fundraising campaign; or (ii) the Company's determination that the necessary funds cannot be raised within immediate future, not to exceed twelve (12) months.

7.7. **Registration Rights.** Until such time as JRT and Red Cat may sell their respective Subject Shares freely and without restrictions regarding quantity or manner of sale under Rule 144 promulgated under the Securities Act, JRT and Red Cat, and each of them, shall be provided with registration rights for those shares as set forth in a registration rights agreement substantially in the form and substance set forth in Exhibit H attached to the Merger Agreement (the "Registration Rights Agreement").

7.8. **Employment Agreements with Scotti and Takats.** On the Closing Date the Company and Sycamore shall enter into and execute the Employment Agreements.

7.9. **Number of members of the Board of Directors.** During that time that JRT and Red Cat each owns not less than 250,000 shares of the Company's common stock prior to Reverse Stock Split or not less than 125,000 shares after the Reverse Stock Split, as the case may be, and to the extent permissible under applicable laws and listing regulations, Scotti and Takats, and each of them, shall be nominated annually as members of the Board of Directors of the Company. Additionally, during that time that Scotti and Takats are members of the Company's Board of Directors, the number of members of that Board of Directors shall not be more than 7.

7.10. **Pledge and Security Agreements.** On the Closing Date, the Company shall execute and deliver to JRT and Red Cat the Pledge and Security Agreements.

7.11. **Conduct of Business Pending the Closing of the Transaction.** Prior to the consummation of the Transaction or the termination of this Agreement pursuant to its terms, unless Sycamore and Sweet Spot shall otherwise consent in writing, and except as otherwise contemplated by this Agreement, the Company will comply with each of the following:

(1) The business of the Company shall be conducted only in the ordinary and usual course, the Company shall use reasonable efforts to use reasonable efforts to keep intact its business organization and goodwill, keep available the services of its officers and employees and maintain good relationships with creditors, employees and other persons having business or financial relationships with the Company, and the Company shall immediately notify Sycamore and Sweet Spot of any event or occurrence or emergency material to, and not in the ordinary and usual course of business of, the Company.

(5) The Company shall not (a) adopt, enter into, or amend any bonus, profit-sharing, compensation, stock option, warrant, pension, retirement, deferred compensation, employment, severance, termination, or other employee benefit plan, agreement, trust fund, or arrangement for the benefit or welfare of any officer, director or employee; or (b) agree to any material (in relation to historical compensation) increase in the compensation payable or to become payable to, or any increase in the contractual term of employment of, any officer, director, or employee, except, with respect to employees who are not officers or directors, in the ordinary course of business in accordance with past practice.

(6) The Company shall not sell, lease, mortgage, encumber, or otherwise dispose of or grant any interest in any of their assets or properties, except for sales, encumbrances, and other dispositions or grants in the ordinary course of business and consistent with past practice and except for liens for taxes not yet due or liens or encumbrances that are not material in amount or effect and do not impair the use of their property, or as specifically provided for or permitted in this Agreement.

(10) The Company will comply with all laws and regulations applicable to the Company and its operations.

(11) The Company will maintain in full force and effect insurance coverage of a type and amount customary in its business, but not less than that presently in effect.

7.12. Expenses. Whether or not the Transaction is consummated, all costs and expenses incurred by the Company in connection with this Agreement and the Transaction shall be paid by the Company.

7.13. Publicity. 7.14. Updating of Company Disclosure Document. The Company shall notify Sycamore, Sweet Spot and the Sellers of any changes, additions, or events which may cause any change in or addition to the Company Disclosure Document promptly after the occurrence of the same and again at the Closing by delivery of appropriate updates to the Company Disclosure Document. No such notification made pursuant to this section shall be deemed to cure any breach of any representation or warranty made in this Agreement, unless Sycamore, Sweet Spot, and the Sellers specifically agree thereto in writing nor shall any such modification be considered to constitute or result in a waiver by Sycamore, Sweet Spot, or any of the Sellers of any condition specified in this Agreement.

7.15. Issuance and delivery of the Subject Shares. At or within 10 days following the Closing, the Company shall issue or cause to be issued certificates evidencing and representing the Subject Shares.

Such Seller is acquiring the Subject Shares hereunder in the ordinary course of its business. Such Seller does not have any agreement or understanding, directly or indirectly, with any person to distribute any of the Subject Shares.

10.6. Access to Information. Each Seller hereby acknowledges that it has reviewed the SEC Reports and has been afforded (i) the opportunity to ask such questions as it has deemed necessary of, and to receive answers from, representatives of the Company concerning the terms and conditions of the offering of the Subject Shares and the merits and risks of investing in the Subject Shares; (ii) access to information about the Company and its financial condition, results of operations, business, properties, management and prospects sufficient to enable it to evaluate its investment; and (iii) the opportunity to obtain such additional information that the Company possesses or can acquire without unreasonable effort or expense that is necessary to make an informed investment decision with respect to the investment.

10.7. Certain Trading Activities. Each Seller hereby represents and warrants that such Seller has not directly or indirectly, nor has any person acting on behalf of or pursuant to any understanding with such Seller, engaged in any transactions in the securities of the Company (including, without limitation, any short sales involving the Company's securities or any hedging transactions) since the earlier to occur of (i) the time that such Seller was first contacted by the Company regarding its acquisition of Subject Shares and (ii) the 30th day prior to the date hereof. Such Seller covenants that neither it nor any person acting on its behalf or pursuant to any understanding with it will engage in any transactions in the securities of the Company (including short sales or hedging transactions) prior to the time that the Transaction is publicly disclosed.

10.8. Independent Investment Decision. Each Seller hereby represents and warrants that such Seller has independently evaluated the merits of its decision to purchase the Subject Shares pursuant to this Agreement, and each such Seller confirms that it has not relied on the advice of any other Seller's business and/or legal counsel in making such decision.

10.9. Disclaimer of Representations and Warranties. Notwithstanding any statement to the contrary, except as expressly set forth in this Agreement, each Seller understands and acknowledges that the Company is not making any representation or warranty and the Company specifically disclaims any representation and warranty, whether express or implied, regarding (i) any financial projections or expected yield or return from future operations of any business of the Company; (ii) the quality, condition or operability of any current or future business of the Company; (iii) current or future competition or market conditions affecting any current or future business of the Company; and (iv) current or future legislation or changes in laws, regulations or rules affecting any current or future business of the Company.

14.3. Recovery of Enforcement Costs. In the event any party to this Agreement shall institute any action or proceeding to enforce any provision of this Agreement, to seek relief from any violation of

this Agreement, or to otherwise obtain any judgment or order relating to or arising from the subject matter of this Agreement, each prevailing party in such action or proceeding shall be entitled to receive from each losing party such prevailing party's actual attorneys' fees and costs incurred to prosecute or defend such action or proceeding.

14.4. Assignment. No party to this Agreement shall have the right, without the consent of the other parties to this Agreement, to assign, transfer, sell, pledge, hypothecate, delegate, or otherwise transfer, whether voluntarily, involuntarily or by operation of law, any of such party's rights or obligations created by the provisions of this Agreement, nor shall the parties' rights created by the provisions of the Agreement be subject to encumbrance or the claim of creditors. Any such purported assignment, transfer, or delegation shall be null and void.

14.5. Captions and Interpretations. Captions of the articles and sections of this Agreement are for convenience and reference only, and the words specified therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction, or meaning of the provisions of this Agreement. The language in all parts to this Agreement, in all events, shall be construed in accordance with the fair meaning of that language, as if prepared by all parties to this Agreement and not strictly for or against any party to this Agreement. Each party to this Agreement has reviewed and read this Agreement carefully. The rule of construction which requires a court to resolve any ambiguities against the drafting party shall not apply in interpreting the provisions of this Agreement.

14.6. Entire Agreement. This Agreement, the respective Disclosure Documents and the Sellers Schedule, are the final written expression and the complete and exclusive statement of all the agreements, conditions, promises, representations, warranties and covenants among the parties to this Agreement with respect to the subject matter of this Agreement, and this Agreement supersedes all prior or contemporaneous agreements, negotiations, representations, warranties, covenants, understandings and discussions by and among those parties, their respective representatives, and any other person, with respect to the subject matter specified in this Agreement. No provision of any Disclosure Document shall supersede or annul the terms and provisions of this Agreement, unless the matter specified in such Disclosure Document shall explicitly so provide to the contrary. In the event of ambiguity in meaning or understanding among the provisions of this Agreement proper and any Disclosure Document, the provisions of this Agreement shall prevail and control in all instances.

14.7. Waiver and Modification. No modification, supplement or amendment of this Agreement or of any covenant, representation, warranty, condition, or limitation specified in this Agreement shall be valid unless the same is made in writing and duly executed by all parties to this Agreement. No waiver of any covenant, representation, warranty, condition, or limitation specified in this Agreement shall be valid, unless the same is made in writing and duly executed by the party making the waiver. No waiver of any provision of this Agreement shall be deemed, or shall constitute, a waiver of any other provision of this Agreement, whether or not similar, nor shall any waiver of any provision of this Agreement constitute a continuing waiver of that provision.

14.8. Further Assurances. The parties to this Agreement shall from time to time sign and deliver any further instruments and take any further actions as may be necessary to effectuate the intent and purposes of this Agreement.

14.9. Number and Gender. Whenever the singular number is used in this Agreement and, when required by the context, the same shall include the plural, and vice versa; the masculine gender shall include the feminine and the neuter genders, and vice versa, and the word "person" shall include individual, company, sole proprietorship, corporation, joint venture, association, joint stock company, fraternal order, cooperative, league, club, society, organization, trust, estate, governmental agency, political subdivision or authority, firm, municipality, congregation, partnership, or other form of entity, whether active or passive.

14.10. Successors and Assigns. This Agreement and each of its provisions shall obligate the heirs, executors, administrators, successors, and assigns of each of the parties to this Agreement. Nothing specified in this section, however, shall be a consent to the assignment or delegation by any party of such party's respective rights and obligations created by the provisions of this Agreement.

14.11. Third Party Beneficiaries. Except as expressly specified by the provisions of this Agreement, this Agreement shall not be construed to confer upon or give to any person, other than the parties to this Agreement, any right, remedy or claim pursuant to, or by reason of, this Agreement or of any term or condition of this Agreement.

14.12. Severability. In the event any part of this Agreement, for any reason, is determined by a court of competent jurisdiction to be invalid, such determination shall not affect the validity of any remaining portion of this Agreement, which remaining portion shall remain in full force and effect as if this Agreement had been executed with the invalid portion thereof eliminated. It is hereby declared the intention of the parties to this Agreement that those parties would have executed the remaining portion of this Agreement without including any such part, parts, or portion which, for any reason, may be hereafter determined to be invalid.

14.13. Governmental Rules and Regulations. The Transaction is and shall remain subject to any and all present and future orders, rules and regulations of any duly constituted authority having jurisdiction of the Transaction.

14.14. Execution in Counterparts. This Agreement may be prepared in multiple copies and forwarded (by facsimile transmission or electronic transmission) to each of the parties for signature. The signatures of the parties to this Agreement may be affixed to one copy or to separate copies of this Agreement and when all such copies are received (by facsimile transmission or electronic transmission) and signed by all of those parties, those copies shall constitute one agreement, which is not otherwise separable or divisible.

14.15. Reservation of Rights. The failure of any party to this Agreement at any time or times to require strict performance by any other party to this Agreement of any of the warranties, representations, covenants, terms, conditions and provisions specified in this Agreement shall not waive, affect or diminish any right of such party failing to require strict performance to demand strict compliance and performance therewith and with any other provisions, warranties, terms, and conditions specified in this Agreement.

14.16. Survival of Covenants, Representations and Warranties. All covenants, representations, and warranties made by each party to this Agreement shall be deemed made for the purpose of inducing the other parties to this Agreement to enter into and execute this Agreement. The representations, warranties and covenants specified in this Agreement shall survive the Closing. The covenants, representations, and warranties of the parties to this Agreement are made only to and for the benefit of each other and shall not create or vest rights in other persons.

14.17. Concurrent Remedies. No right or remedy specified in this Agreement conferred on or reserved to the parties to this Agreement is exclusive of any other right or remedy specified in this Agreement or by law or equity provided or permitted; but each such right and remedy shall be cumulative of, and in addition to, every other right and remedy specified in this Agreement or now or hereafter existing at law or in equity or by statute or otherwise, and may be enforced concurrently therewith or from time to time. The termination of this Agreement for any reason whatsoever shall not prejudice any right or remedy which any party may have, either at law, in equity, or pursuant to the provisions of this Agreement.

14.18. Governing Law. This Agreement shall be deemed to have been entered into in the State of Delaware, and all questions concerning the validity, interpretation, or performance of any of the terms, conditions and provisions of this Agreement or of any of the rights or obligations of the parties shall be governed by, and resolved in accordance with, the laws of the State of Delaware, without regard to conflicts of law principles.

14.19. Force Majeure. If any party to this Agreement is rendered unable, completely or partially, by the occurrence of an event of "force majeure" (as that term is defined later in this section) to perform such party's obligations created by the provisions of this Agreement, such party shall give to each other party to this Agreement prompt written notice of the event of "force majeure" with reasonably complete particulars concerning such event; thereupon, the obligations of the party giving such notice, so far as those obligations are affected by the event of "force majeure," shall be suspended during, but no longer than, the continuance of the event of "force majeure." The party to this Agreement affected by such event of "force majeure" shall use all reasonable diligence to resolve, eliminate and terminate the event of "force majeure" as quickly as practicable. The requirement that an event of "force majeure" shall be resolved with all reasonable dispatch, as specified in this section, shall not require the settlement of strikes, lockouts or other labor difficulties by the party involved, contrary to such party's wishes, and the resolution of any and all such difficulties shall be handled entirely within the discretion of the party concerned. The term "force majeure" as used in this section shall be defined as and mean any act of God, strike, civil disturbance, terrorism, lockout or other industrial disturbance, act of the public enemy, war, blockade, public riot, earthquake, tornado, hurricane, lightning, fire, public demonstration, storm, catastrophe, flood, snow, explosion, governmental action, governmental delay, restraint or inaction, unavailability of equipment, and any other cause or event, whether of the type enumerated specifically in this section or otherwise, which is not reasonably within the control of the party to this Agreement claiming such suspension.

14.20. Consent to Agreement. By executing this Agreement, each party to this Agreement, for himself or itself, represents such party has read or caused to be read this Agreement in all particulars,

and consents to the rights, conditions, duties and responsibilities imposed upon such party as specified in this Agreement. Each party to this Agreement represents, warrants and covenants that such party executes and delivers this Agreement of such party's own free will and with no threat, undue influence, menace, coercion or duress, whether economic or physical. Moreover, each party to this Agreement represents, warrants, and covenants that such party executes this Agreement acting on such party's own independent judgment.

IN WITNESS WHEREOF, the undersigned have caused this Agreement to be signed as of the date hereof.

WHEREAS, as an inducement to the Sellers to enter into the Merger Agreement and the Stock Exchange Agreement the Issuer has agreed to provide the registration rights set forth in this Agreement;

AGREEMENT

NOW THEREFORE, in consideration of the promises and the mutual agreements set forth herein, and intending to be legally bound hereby, the parties hereto agree as follows:

1. Definitions. In addition to definitions set forth in the Merger Agreement, for purposes of this Agreement:
 - 1.1. The term "Piggyback Registration Rights" means the rights of Sellers to include any and all of Sellers' Registrable Securities in any Registration Transaction as provided by Section 2.1 hereof.
 - 1.2. The term "register," "registered," and "registration" refer to a registration effected by preparing and filing with the SEC a registration statement or similar document in compliance with the Securities Act of 1933, as amended (the "Securities Act"), and the declaration or ordering of effectiveness of such registration statement or document by the SEC.
 - 1.3. The term "Registrable Securities" means (i) any and all shares of Purchaser Stock issued by the Issuer to Sellers pursuant to the Merger Agreement and the Stock Exchange Agreement; and (ii) any stock of the Issuer issued to Sellers as a dividend or other distribution with respect to, or in exchange for or in replacement of the shares referenced in clause (i) above.

- 1.4. The term "Registration Transaction" shall have the meaning assigned to it in Section 2.1(a) hereof.
- 1.5. The term "Request for Registration" shall have the meaning assigned to it in Section 2.1(b) hereof.
- 1.6. The term "SEC" means the Securities and Exchange Commission.
- 1.7. The term "Separate Registration Rights" means the rights of Sellers to have the Issuer register any and all of Sellers' Registrable Securities as provided by Section 2.2 hereof.
- 1.8. The term "Violation" means losses, claims, damages, or liabilities (joint or several) to which a party hereto may become subject under the Securities Act, the Securities Exchange Act of 1934, as amended (the "Exchange Act"), or other federal or state law, insofar as such losses, claims, damages, or liabilities (or actions in respect thereof) arise out of or are based upon any of the following statements, omissions or violations: (i) any untrue statement or alleged untrue statement of a material fact contained in such registration statement, including any preliminary prospectus or final prospectus contained therein or any amendments or supplements thereto, (ii) the omission or alleged omission to state therein a material fact required to be stated therein, or necessary to make the statements therein not misleading, or (iii) any violation or alleged violation by any other party hereto, of the Securities Act, the Exchange Act, any state securities law or any rule or regulation promulgated under the Securities Act, the Exchange Act or any state securities law.
2. Registration Rights. As of the Closing Date and until such time as Sellers sell, transfer or assign all Registrable Securities, Sellers shall be granted such Piggyback Registration Rights and Separate Registration Rights as defined below:
- 2.1. Piggyback Registration Rights.
- (a) Effect. If during the first 365 days following the Closing Date the Issuer proposes to register any of its stock pursuant to Section 5 of the Securities Act (including any stock of the Issuer owned by any other shareholder of the Issuer) or other securities under the Securities Act in connection with the public offering of such securities (the "Registration Transaction"), then each Seller shall have a one-time Piggyback Registration Right to have the Issuer include all or any of Sellers' Registrable Securities in such registration so commenced.
- (b) Notice of Registration Transaction. As soon as practicable, but in no event later than twenty (20) Business Days prior to the commencement of a Registration Transaction, the Issuer shall give to the Sellers a prompt written notice informing the Sellers of the proposed Registration Transaction so as to enable the Sellers to exercise their Piggyback Registration Rights (the "Notice of Registration Transaction"). The Notice of Registration Transaction shall state the deadline to respond to thereto and whether the proposed Registration Transaction involves an underwriting. The Sellers shall have 20 Business Days to submit to the Issuer a written request for registration, which request shall set forth (1) the number of Sellers' Registrable Securities to be included in the Registration Transaction and (2) such other information as the Issuer may reasonably request (the "Request for Registration").

(c) Failure of Notice of Registration Transaction or of the Registration Transaction. If the Issuer fails to give such timely Notice of Registration Transaction, or if for any other reason Sellers' Registrable Securities are not registered as a result of the Registration Transaction, Sellers' Separate Registration Rights shall vest and become exercisable immediately upon (i) commencement of the Registration Transaction without proper Notice thereof as set forth in Subsection 2.1(a), or (ii) notification by the SEC that Registrable Securities failed to be registered pursuant to the Registration Transaction and such failure has not been, or is impossible to be, cured within sixty (60) days.

(d) Underwritten Offerings. In the event the Registration Transaction is for an underwritten offering, the right of any Seller to be included in a registration pursuant to this Section 2.1 shall be conditioned upon such Seller's participation in such underwriting and the inclusion of such Seller's Registrable Securities in the underwriting to the extent provided herein. Notwithstanding any other provision of this Agreement, if the underwriter determines in good faith that marketing factors require a limitation of the number of shares to be underwritten, the number of shares that may be included in the underwriting shall be allocated, first, to the Issuer; second, to the Sellers on a pro rata basis based on the total number of Registrable Securities held by the Sellers; and third, to any stockholder of the Issuer (other than a Seller) on a pro rata basis based on the total number of shares of common stock owned by those stockholders who are not Sellers desiring to participate in the offering. If any Seller disapproves of such underwriting, such Seller may elect to withdraw therefrom by written notice to the Issuer and the underwriter, delivered at least ten (10) business days prior to the effective date of the registration statement. Any Registrable Securities excluded or withdrawn from such underwriting shall be excluded and withdrawn from that registration. In any event, Sellers shall maintain their Registration Rights under this Agreement with respect to Registrable Securities not included in such underwritten offering.

2.2. Separate Registration Rights.

(a) Effect. If the Issuer does not commence a Registration Transaction during the first 365 days following the Closing Date, or in case of failure of Notice of Registration Transaction or of the Registration Transaction as provided in Subsection 2.1(b) above, each Seller shall have a one-time Separate Registration Right to have the Issuer register Sellers' Registrable Securities upon Seller's request at any time thereafter.

(b) Invocation of Separate Registration Rights. If the Issuer receives at any time after Seller's Separate Registration Rights vest pursuant to this Section 2.2(a) and prior to the termination of this Agreement a written Request for Registration from Sellers that the Issuer file a registration statement under the Securities Act with respect to Sellers' Registrable Securities, then the Issuer shall:

(i) as soon as practicable, and in any event within sixty (60) days of the receipt of such request, file a registration statement under the Securities Act covering all Registrable Securities which a Seller requests to be registered pursuant to such written request;

(ii) use its best efforts to cause such registration statement to be declared effective by the SEC as soon as practicable but in no event later than ninety (90) days after such request; and

(iii) otherwise comply with the obligations of the Issuer under Subsection 2.3 hereof.

(c) Deferral. Notwithstanding the foregoing, if, at the time a Seller makes a Request for Registration pursuant to this Section 2.2, the Board of Directors of the Issuer (i) resolves that, in the good faith judgment of the Board, it would be materially detrimental to the Issuer and its shareholders for such registration statement to be filed and it is therefore essential to defer the filing of such registration statement, and (ii) furnishes to such requesting Seller a certificate signed by the chief executive officer of the Issuer to this effect, the Issuer shall then have the right to defer taking action with respect to such filing for a period of not more than ninety (90) days after receipt of the request of the Sellers; provided, however, that the Issuer may not utilize this deferral right more than once in any twelve (12)-month period.

2.3. Obligations of the Issuer. Whenever required pursuant to Subsection 2.1 or Subsection 2.2 to effect the registration of any Registrable Securities, the Issuer shall, as expeditiously as reasonably possible:

(a) prepare and file with the SEC a registration statement with respect to such Registrable Securities and use its best efforts to cause such registration statement to become effective, and keep such registration statement effective for a period of up to one hundred twenty (120) days or, if earlier, until the distribution contemplated in the registration statement has been completed; provided, however, that such 120-day period shall be extended for a period of time equal to the period any Seller refrains from selling any securities included in such registration at the request of an underwriter of Registrable Securities of the Issuer;

(b) prepare and file with the SEC such amendments and supplements to such registration statement and the prospectus used in connection with such registration statement as may be necessary to comply with the provisions of the Securities Act with respect to the disposition of all securities covered by such registration statement;

(c) furnish to the Sellers such numbers of copies of a prospectus, including a preliminary prospectus, in conformity with the requirements of the Securities Act, and such other documents as they may reasonably request in order to facilitate the disposition of Registrable Securities owned by them;

(d) use its best efforts to register and qualify the securities covered by such registration statement under such other securities or Blue Sky laws of such other United States jurisdictions as shall be reasonably requested by the Sellers;

(e) in the event of any underwritten public offering, enter into and perform its obligations under an underwriting agreement, in usual and customary form, with the managing underwriter of such offering;

- (f) cause all such Registrable Securities registered pursuant to this Agreement to be listed on each securities exchange and trading system or quotation service, as the case may be, on which similar securities issued by the Issuer are then listed;
- (g) provide a transfer agent and registrar for all Registrable Securities registered pursuant hereunder and a CUSIP number for all such Registrable Securities, in each case not later than the effective date of such registration;
- (h) use its best efforts to furnish, at the request of the Sellers requesting registration of Registrable Securities pursuant to this Section 2, on the date on which such Registrable Securities are sold to the underwriter:
- (i) an opinion, dated such date, of the counsel representing the Issuer for the purposes of such registration, in form and substance as is customarily given to underwriters in an underwritten public offering, addressed to the underwriters, if any; and
- (ii) a "comfort" letter dated such date, from the independent certified public accountants of the Issuer, in form and substance as is customarily given by independent certified public accountants to underwriters in an underwritten public offering, addressed to the underwriters, if any.
- (i) notify the Sellers with respect to any Registrable Securities covered by a registration statement obtained pursuant to exercise by the Sellers of the Registration Rights:
- (i) when such registration statement, or any post-effective amendment thereto, shall have become effective or a supplement to any prospectus forming a part of such registration statement has been filed;
- (ii) of the receipt of any comments from the SEC;
- (iii) of the issuance by the SEC or any other federal or state governmental authority of any stop order suspending the effectiveness of such registration statement or the initiation of proceedings for that purpose; and
- (iv) at any time when a prospectus relating thereto is required to be delivered under the Securities Act of the happening of any event as a result of which the prospectus included in such registration statement, as then in effect, includes an untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in the light of the circumstances then existing, such obligation to continue for one hundred eighty (180) days or such lesser period until all such Registrable Securities are sold.

2.4 Obligations of the Sellers. Each Seller shall be subject to the following conditions:

- (a) Such Seller shall be required to furnish in writing to the Issuer all information within such Seller's possession or knowledge required by the applicable rules and regulations of

the SEC and by any applicable state securities or Blue Sky laws concerning such Seller (including a shareholder questionnaire) and the proposed method of sale or other disposition of the Registrable Securities of such Seller and the identity of and compensation to be paid to any proposed underwriter(s) to be employed in connection therewith;

(b) If such Seller desires to sell and distribute such Seller's Registrable Securities over a period of time, or from time to time, at then prevailing market prices, pursuant to such registration statement, then such Seller shall execute and deliver to the Issuer such written undertakings as the Issuer and its counsel may reasonably require in order to assure full compliance with relevant provisions of the Securities Act and the Exchange Act;

(c) If during the effectiveness of such registration statement, an intervening event should occur which, in the reasonable opinion of the Issuer's counsel, makes the prospectus included in such registration statement no longer comply with the Securities Act, after notice containing the facts and legal conclusions relied upon from the Issuer to such Seller of the occurrence of such an event, such Seller shall make no further sales or other dispositions, or offers therefor, of such Registrable Securities under such registration statement until such Seller receives from the Issuer copies of a new, amended or supplemented prospectus complying with the Securities Act as soon as practicable after such notice. The Issuer shall keep such Seller fully informed as to the status of the Issuer's efforts, which shall be prompt and diligent to cause such new, amended or supplemented prospectus to be available for use by such Seller;

(d) To the extent required by the applicable rules and regulations of the SEC and by any applicable state securities or Blue Sky laws, each Seller shall deliver a prospectus to the purchaser of such Registrable Securities; and

(e) Such Seller promptly notify the Issuer in the event that any information supplied by such Seller for inclusion in such registration statement or related prospectus is untrue or omits to state a material fact required to be stated therein or necessary to make such information not misleading in light of the circumstances then existing; immediately discontinue any sale or other disposition of such Registrable Securities pursuant to such registration statement until the filing of an amendment or supplement to such prospectus as may be necessary so that such prospectus does not contain an untrue statement of material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing; and use reasonable best efforts to assist the Issuer as may be appropriate to make such amendment or supplement effective for such purpose.

2.5. Expenses of Registration. The Issuer shall pay all expenses in connection with any registration obligation provided herein, including, without limitation, all registration, filing, stock exchange fees, printing expenses, all fees and expenses of complying with securities or blue sky laws, and the fees and disbursements of counsel for the Issuer and of its independent accountants; provided that, in any underwritten registration, each party shall pay for its own underwriting discounts and commissions and transfer taxes.

2.6. Counting of Exercise of Registration Rights. Notwithstanding any other provision of this Agreement, Sellers' one-time Registration Rights under this Agreement shall

not be deemed to have been exercised until such time as the registration statement filed pursuant to a Registration Transaction that includes Seller's Registrable Securities has been declared effective by the SEC.

2.7. Assignment of Registration Rights. The Registration Rights under this Agreement may be assigned by Sellers to a transferee or assignee ("Person") of any of Seller's Registrable Securities, provided that:

- (a) such Person is an Affiliate of the Seller;
- (b) the Issuer is, within a reasonable time after such transfer, furnished with written notice of the name and address of such Person and Registrable Securities with respect to which such Registration Rights are being assigned; and
- (c) such Person agrees in writing to be bound by and subject to the terms and conditions of this Agreement.

2.8. Termination. Rights granted pursuant to this Agreement shall terminate with respect to such Seller at such time as a Seller may each separately sell any Registrable Securities held by each such Seller freely, without registration and without restrictions regarding the quantity or manner of sale by each such Seller.

2.9. Indemnification. In the event any Registrable Securities are included in a registration statement pursuant to this Section 2:

- (a) To the extent permitted by law, the Issuer will indemnify and hold harmless the Sellers, the partners, members, officers, directors and shareholders of the Sellers, legal counsel and accountants for the Seller, any underwriter (as defined in the Securities Act) for the Sellers and each person, if any, who controls the Sellers or underwriter within the meaning of the Securities Act or the Exchange Act, against any Violation by the Issuer, and the Issuer will pay to the Sellers, underwriter, controlling person or other aforementioned person, any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability, or action as such expenses are incurred.
- (b) To the extent permitted by law, the Sellers will severally and not jointly indemnify and hold harmless the Issuer, each of its directors, each of its officers who has signed the registration statement, each person, if any, who controls the Issuer within the meaning of the Securities Act, legal counsel and accountants for the Issuer, any underwriter, and any controlling person of any such underwriter, against any losses, claims, damages, or liabilities (joint or several) to which any of the foregoing persons may become subject, under the Securities Act, the Exchange Act or other federal or state law, insofar as such losses, claims, damages, or liabilities (or actions in respect thereto) arise out of or are based upon any Violation by the Sellers, in each case to the extent (and only to the extent) that such Violation occurs in reliance upon and in conformity with written information furnished by any Seller expressly for use in connection with such registration statement; and each Seller will pay, any legal or other expenses reasonably incurred by any person intended to be indemnified pursuant to this Subsection in connection with investigating or defending any such loss, claim, damage, liability, or action; provided, however,

- (i) that the indemnity agreement contained in this Subsection shall not apply to amounts paid in settlement of any such loss, claim, damage, liability or action if such settlement is effected without the consent of the Sellers, which consent shall not be unreasonably withheld; and
 - (ii) that, in no event shall any indemnity under this Subsection exceed the net proceeds received by the Sellers from the offer and sale by them of their Registrable Securities.
 - (c) Promptly after receipt by an indemnified party under this Subsection 2.8 of notice of the commencement of any action (including any governmental action), such indemnified party will, if a claim in respect thereof is to be made against any indemnifying party under this Subsection 2.8, deliver to the indemnifying party a written notice of the commencement thereof and the indemnifying party shall have the right to participate in and, to the extent the indemnifying party so desires, jointly with any other indemnifying party similarly noticed, to assume the defense thereof with counsel mutually satisfactory to the parties to such action; provided, however, that an indemnified party (together with all other indemnified parties which may be represented without conflict by one counsel) shall have the right to retain one separate counsel, with the fees and expenses to be paid by the indemnifying party, if representation of such indemnified party by the counsel retained by the indemnifying party would be inappropriate due to actual or potential differing interests between such indemnified party and any other party represented by such counsel in such proceeding. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action, if prejudicial to its ability to defend such action, shall relieve such indemnifying party of any liability to the indemnified party under this Subsection 2.8, but the omission so to deliver written notice to the indemnifying party will not relieve it of any liability that it may have to any indemnified party otherwise than under this Subsection 2.8.
 - (d) The obligations of the Issuer and Sellers under this Subsection 2.8 shall survive the completion of any offering of Registrable Securities in a registration statement under this Section 2, and otherwise and shall survive the termination of this Agreement.
