Vote Required:

In the case of Proposal 1, the five nominees for director who receive the most votes will be elected. If you withhold authority to vote for any nominee on your proxy card, your vote will not count either for or against the nominee.

Broker Non-votes:

Broker non-votes are shares held by brokers or nominees which are present in person or represented by proxy, but which are not voted on a particular matter because instructions have not been received from the beneficial owner. Under the rules of the Financial Industry Regulatory Authority (or *FINRA*), member brokers generally may not vote shares held by them in street name for customers unless they are permitted to do so under the rules of any national securities exchange of which they are a member. Under the rules of the New York Stock Exchange, New York Stock Exchange-member brokers who hold shares of our common stock in street name for their customers and have transmitted our proxy solicitation materials to their customers, but do not receive voting instructions from such customers, are not permitted to vote on non-routine matters.

Broker non-votes count for quorum purposes, but we do not count broker non-votes as votes for or against any non-routine proposal. Under the New York Stock Exchange rules, the proposal relating to the election of directors is deemed to be a non-routine matter with respect to which brokers and nominees may not exercise their voting discretion without receiving instructions from the beneficial owner of the shares.

Proxies:

Please vote; your vote is important. Prompt return of your proxy will help avoid the costs of re-solicitation. Unless you tell us on the proxy card to vote differently, we will vote signed returned proxies FOR each of the Board of Directors' nominees for director.

If any nominee cannot or will not serve as a director, your proxy will vote in accordance with his or her best judgment. At the time we began printing this proxy statement, we did not know of any matters that needed to be acted upon at the meeting other than those discussed in this proxy statement. However, if any additional matters are presented to the shareholders for action at

the meeting, your proxy will vote in accordance with his or her best judgment.

Proxies Solicited By: The Board of Directors.

Revoking Your Proxy: You may revoke your proxy before it is voted at the meeting. Proxies may be revoked if you:

Although we are providing these proxy materials, our directors, officers and employees may also solicit proxies by telephone, facsimile, mail or personal contact. reasonable out-of-pocket expenses. We will also furnish copies of solicitation materials to fiduciaries, custodians, nominees and brokerage houses for forwarding to beneficial owners of our shares of common stock held in their names, and we will reimburse them for reasonable out-of-pocket expenses.

THE BOARD OF DIRECTORS DEEMS THIS PROPOSAL NO. 1 TO BE IN THE BEST INTEREST OF SIEBERT FINANCIAL CORP. AND ITS SHAREHOLDERS AND RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF EACH OF THE NOMINEES FOR DIRECTOR.

CORPORATE GOVERNANCE

Board Meetings: The Board of Directors held 5 regular meetings and 2 special meeting during 2017. Each incumbent director attended at least 75% of his or her Board of Directors meetings and all of his or her committee meetings.

Controlled Company: We are a Controlled Company as defined in Rule 5615(c)(1) of The Nasdaq Stock Market because Gloria E. Gebbia, Kennedy Cabot Acquisition, LLC, a Nevada limited liability company of which Gloria E. Gebbia is the managing member, Richard Gebbia, John M. Gebbia and David Gebbia, control as a group more than 50% of our voting power for the election of directors. As a Controlled Company we are not required to have a majority of our Board of Directors comprised of independent directors, a compensation committee comprised solely of independent directors or a nominating committee comprised solely of independent directors.

Audit Committee of the Board of Directors: The Audit Committee of our Board of Directors consists of Mr. Schneider, Chairman, Mr. Zabatta and Mr. Cuttita. The Board of Directors has determined that Mr. Schneider, Mr. Zabatta and Mr. Cuttita is each an independent director within the meaning of Rule 5605(a)(2) of The Nasdaq Stock Market and within the meaning of the applicable rules and regulations of the Securities and Exchange Commission. The Audit Committee held 6 meetings during 2017. The Board of Directors has determined that Mr. Schneider qualifies as an audit committee financial expert under the applicable rules of the Securities and Exchange Commission.

The Audit Committee was established to (i) assist the Board of Directors in its oversight responsibilities regarding the integrity of our financial statements, our compliance with legal and regulatory requirements and our auditor's qualifications and independence, (ii) prepare the report of the Audit Committee contained herein, (iii) retain, consider the continued retention and terminate our independent auditors, (iv) approve audit and non-audit services performed by our independent auditors and (v) perform any other functions from time to time delegated by the Board of Directors. The Board of Directors has adopted a written charter for the Audit Committee, which is available on the website of Muriel Siebert & Co., Inc. at:

<https://www.siebertnet.com/company/governance/siebert-financial-corp/audit-committee-charter>

Compensation Committee of the Board of Directors: The Compensation Committee of our Board of Directors consists of Mr. Zabatta and Mr. Cuttita. The Compensation Committee reviews and determines all forms of compensation provided to our executive officers and directors. The Compensation Committee will administer a stock option and other employee benefit plans if and when adopted. The Compensation Committee does not function pursuant to a formal written charter and as a Controlled Company we are not required to comply with The NASDAQ Stock Market's independence requirements. The Compensation Committee held no meetings during 2017.

The Compensation Committee will evaluate the performance of our executive officers in terms of our operating results and financial performance and will determine their compensation in connection therewith.

In accordance with general practice in the securities industry, our executive compensation includes base salaries, an annual discretionary cash bonus, and stock options and other equity incentives that are intended to align the financial interests of our executives with the returns to our shareholders.

There were no material increases in compensation to our sole executive officer in 2017.

As part of its oversight of the Company's executive compensation, the Compensation Committee will consider the impact of the Company's executive compensation, and the incentives created by the compensation awards that it administers, on the Company's risk profile. In addition, the Compensation Committee will review the Company's compensation policies and procedures, including the incentives that they create and factors that may reduce the

likelihood of excessive risk taking, to determine whether they present a significant risk to the Company.

Nominating Committee of the Board of Directors: The Nominating Committee of the Board of Directors consists of Mr. Zabatta and Mr. Cuttita. The Nominating Committee does not function pursuant to a formal written charter and as a Controlled Company we are not required to comply with The NASDAQ Stock Market's independence requirements. The Nominating Committee did not meet in 2017.

The purpose of the Nominating Committee is to identify individuals qualified to become members of our Board of Directors and to recommend to the Board of Directors or the shareholders that such individuals be selected for directorship. In identifying and evaluating nominees for director, the Nominating Committee considers each candidate's experience, integrity, background and skills as well as other qualities that the candidate may possess and factors that the candidate may be able to bring to the Board of Directors. We do not have a formal policy with regard to the consideration of diversity in identifying director nominees. However, the Board of Directors believes that it is essential that its members represent diverse viewpoints, with a broad array of experiences, professions, skills, geographic representation and backgrounds that, when considered as a group, provide a sufficient mix of perspectives to allow the Board of Directors to best fulfill its responsibilities to the long-term interests of our shareholders.

The Nominating Committee will consider shareholder nominees for election to our Board of Directors. In evaluating such nominees, the Nominating Committee will use the same selection criteria the Nominating Committee uses to evaluate other potential nominees.

Indemnification of Officers and Directors: We indemnify our executive officers and directors to the extent permitted by applicable law against liabilities incurred as a result of their service to us and against liabilities incurred as a result of their service as directors of other corporations when serving at our request. We have a director's and officer's liability insurance policy, underwritten by Illinois National Insurance Company, a member of the American International Group, Inc., in the annual aggregate amount of \$5 million dollars. As to reimbursements by the insurer of our indemnification expenses, the policy has a \$250,000 deductible; there is no deductible for covered liabilities of individual directors and officers.

Pursuant to the terms of the Acquisition Agreement, we obtained a director's and officer's liability policy for the Prior Board of Directors in the aggregate amount of \$15 million.

Annual Shareholders Meeting Attendance Policy: It is the policy of our Board of Directors that all of our directors are strongly encouraged to attend each annual shareholders meeting. All of our directors attended the 2017 annual meeting of shareholders.

Code of Ethics: We have adopted a Code of Ethics for Senior Financial Officers applicable to our chief executive officer, chief financial officer, treasurer, controller, principal accounting officer, and any of our other employees performing similar functions. A copy of the Code of Ethics for Senior Financial Officers is available on our website:
<https://www.siebertnet.com/company/governance/siebert-financial-corp/siebert-financial-officers>

Board Leadership Structure and Board of Directors: Our Board of Directors does not have a chairman nor a lead independent director. The Company believes this structure allows all of the directors to participate in the full range of the Board's responsibilities with respect to its oversight of the Company's management. The Board of Directors has determined that this leadership structure is appropriate given the size of the Company, the number of directors overseeing the Company and the Board of Directors' oversight responsibilities.

The Board of Directors intends to hold at least four regular meetings each year to consider and address matters involving the Company. The Board of Directors also may hold special meetings to address matters arising between regular meetings. These meetings may take place in person or by telephone. The independent directors also regularly meet in executive sessions outside the presence of management. The Board of Directors has access to legal counsel for consultation concerning any issues that may occur during or between regularly scheduled Board meetings. As discussed above, the Board has established an Audit Committee, a Compensation Committee and a Nominating Committee to assist the Board in performing its oversight responsibilities.

The Board of Directors' Role in Risk Oversight: Consistent with its responsibility for oversight of the Company, the Board of Directors, among other things, oversees risk management of the Company's business affairs directly and through the committee structure that it has established. The principal risks associated with the Company are risks related to securities market volatility and the securities industry, lower price levels in the securities markets, intense competition in the brokerage industry, extensive government regulation, net capital requirements, customers' failure to pay, investment banking activities, an increase in volume on our systems or other events which could cause them to malfunction, reliance on information processing and communications systems, continuing changes in technology, dependence on the ability to attract and retain key personnel, the ability of our principal shareholder to control many key decisions and there may be no public market for our common stock.

The Board of Directors' role in the Company's risk oversight process includes regular reports from senior management on areas of material risk to the Company, including operational, financial, legal, regulatory, strategic and reputational risks. The full Board of Directors (or the appropriate committee) receives these reports from management to identify and discuss such risks.

The Board of Directors periodically reviews with management its strategies, techniques, policies and procedures designed to manage these risks. Under the overall supervision of the Board of Directors, management has implemented a variety of processes, procedures and controls to address these risks.

The Board of Directors requires management to report to the full Board of Directors on a variety of matters at regular meetings of the Board of Directors and on an as-needed basis, including the performance and operations of the Company and other matters relating to risk management. The Audit Committee also receives reports from the Company's independent registered public accounting firm on internal control and financial reporting matters. These reviews are conducted in conjunction with the Board of Directors' risk oversight function and enable the Board of Directors to review and assess any material risks facing the Company.

In connection with the Asset acquisition, MSCO and StockCross entered into a clearing agreement pursuant to which StockCross acts as one of MSCO's clearing brokers, with respect to certain accounts transferred from StockCross to MSCO in the Asset acquisition.

In connection with the Acquisition, we engaged Manorhaven Capital, LLC (Manorhaven), a registered broker-dealer to provide a fairness opinion regarding the value of the Assets. The decision to change independent registered public accounting firms was approved by the Audit Committee of the Company's Board of Directors. The audit reports of EisnerAmper on the consolidated financial statements of the Company as of and for the years ended December 31, 2016 and 2015, did not contain any adverse opinion or disclaimer of opinion, nor were they qualified or modified as to uncertainty, audit scope, or accounting principles. The Company provided EisnerAmper with a copy of the Form 8-K before it was filed, and requested that EisnerAmper furnish it with a letter addressed to the SEC stating whether it agrees with the statements made by the Company in the Form 8-K.
