PART III - NARRATIVE

State below in reasonable detail the reasons why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period. (Attach extra sheets if needed.)

The compilation, dissemination and review of the information required to be presented in the Form 10-Q for the relevant period has imposed time constraints that have rendered timely filing of the Form 10-Q impracticable without undue hardship and expense to the registrant. The registrant undertakes the responsibility to file such report no later than five days after its original prescribed due date.

PART IV - OTHER INFORMATION

- (1) Name and telephone number of person to contact in regard to this notification

William B. Horne (310) 895-7750
(Name) (Area Code) (Telephone Number)

- (2) Have all other periodic reports required under Section 13 or 15(d) of the Securities Exchange Act of 1934 or Section 30 of the Investment Company Act of 1940 during the preceding 12 months or for such shorter period that the registrant was required to file such report(s) been filed? If the answer is no, identify report(s). Yes |X| No |\_|
(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes |X| No |\_|

If so: attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

Patient Safety Technologies, Inc. (the "COMPANY") anticipates that its revenue, operating expenses and net loss for the fiscal quarter ended March 31, 2006 are significantly greater than the revenue, expenses and net loss for the fiscal quarter ended March 31, 2005. The increase in revenue is primarily the result of the transfer to the Company of 500,000 shares of common stock of IPEX, Inc. ("IPEX") in exchange for consulting services rendered by the Company to IPEX. The increase in operating expenses for the quarter ended March 31, 2006 when compared to March 31, 2005, was primarily the result of stock based compensation expenses, and to a lesser extent salaries and employee benefits, and a non-recurring severance package paid to our former Chairman and Chief Executive Officer. Net loss increased for the quarter ended March 31, 2006 compared to the quarter ended March 31, 2005 primarily as a result of a significant increase in operating expenses.

A reasonable estimate of the results cannot be made at this time due to the fact that the compilation, dissemination and review of the information required to be presented in the Form 10-Q has not been
