PROXY STATEMENT
FOR
ANNUAL MEETING OF STOCKHOLDERS

To Be Held On September 3, 2003

This Proxy Statement is furnished in connection with the solicitation of the enclosed proxy by the Board of Directors of Schick Technologies, Inc. (the "Company") for use at the 2003 Annual Meeting of Stockholders (the "Annual Meeting") to be held on September 3, 2003, at 10:00 a.m., New York time, at the Company's offices, located on the fifth floor of 30-00 47th Avenue, Long Island City, New York, and at any adjournments thereof, for the purposes set forth in the Notice of Annual Meeting of Stockholders. This Proxy Statement and the form of proxy enclosed are being mailed to stockholders with the Company's Annual Report to Stockholders commencing on or about August 3, 2003.

Edgar Filing: SCHICK TECHNOLOGIES INC - Form DEF 14A

Only stockholders of record of the common stock, par value \$0.01 per share, of the Company (the "Common Stock") at the close of business on July 23, 2003 will be entitled to vote at the Annual Meeting. As of that date, a total of 10,228,198 shares of Common Stock were outstanding, each share being entitled to one vote. There is no cumulative voting. The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares of Common Stock will constitute a quorum for the transaction of business at the Annual Meeting. If, however, a quorum is not present or represented at the Annual Meeting, the stockholders entitled to vote thereat, present in person or represented by proxy, will have the power to adjourn the Annual Meeting, without notice other than announcement at the Annual Meeting, until a quorum shall be present or represented.

Shares of the Company's Common Stock represented by proxies in the accompanying form, which are properly completed, signed and returned to the Company prior to the Annual Meeting, and which have not been revoked, will be voted in the manner directed by a stockholder. If no direction is given, the proxy will be voted FOR the election of the nominees for director named in this Proxy Statement, and FOR ratification of the selection of Grant Thornton LLP as the Company's independent

1

certified public accountants. A stockholder may revoke a proxy at any time prior to its exercise by giving to an officer of the Company a written notice of revocation of the proxy's authority, by submitting a duly elected proxy bearing a later date, by attending the Annual Meeting and voting in person or by delivering a written revocation at the Annual Meeting.

If a stockholder returns a proxy withholding authority to vote the proxy with respect to a nominee for director, then the shares of the Common Stock covered by such proxy shall be deemed present at the Annual Meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such nominee, but shall not be deemed to have been voted for such nominee. If a stockholder abstains from voting as to any matter, then the shares held by such stockholder shall be deemed present at the Annual Meeting for purposes of determining a quorum and for purposes of calculating the vote with respect to such matter, but shall not be deemed to have been voted in favor of such matter. If a broker returns a "non-vote" proxy, indicating a lack of authority to vote on such matter, then the shares covered by such non-vote shall be deemed present at the Annual Meeting for purposes of determining a quorum but shall not be deemed to be present and entitled to vote at the Annual Meeting for purposes of calculating the vote with respect to such matter. The three nominees for director for three-year terms receiving the highest number of votes at the Annual Meeting will be elected. The affirmative vote of a majority of the outstanding shares of Common Stock present in person or by proxy at the Annual Meeting is required to ratify the selection of the Company's certified public accountants.

As of the date of this Proxy Statement, the Board of Directors of the Company knows of no business that will be presented for consideration at the Annual Meeting other than the matters described in this Proxy Statement. If any other matters are properly brought before the Annual Meeting, the persons named in the enclosed form of proxy will vote the proxies in accordance with their best judgment.

EMPLOYMENT AGREEMENTS

In January 2002, the Company entered into a two-year employment agreement with Michael Stone, pursuant to which Mr. Stone is employed as the Company's Executive Vice President of Sales and Marketing. Mr. Stone's annual base salary is \$210,000. In addition to base salary, Mr. Stone is eligible to receive annual merit and/or cost-of-living increases as

11

may be determined by the Executive Compensation Committee of the Board of Directors. Pursuant to the terms of the employment agreement, Mr. Stone also received a performance bonus equal to 0.5% of the Company's earnings before income taxes, depreciation and amortization for the 2003 fiscal year. In addition, Mr. Stone received 75,000 employee stock options which vest as follows: 12,500 options upon grant, an additional 25,000 options on January 14, 2003, an additional 25,000 options on January 14, 2004, and the final 12,500 options on January 14, 2005. In the event that Mr. Stone is terminated from employment with the Company without cause, he would receive 6 months of severance pay, a pro-rated performance bonus and immediate vesting of all unvested Company stock options. Additionally, all unvested Company stock options held by Mr. Stone will immediately vest in the event that the Company has a change in control or is acquired by another entity.

In December 2001, the Company entered into a three-year employment agreement with David Schick, replacing the previous employment agreement between the Company and Mr. Schick, entered into in February 2000. Pursuant thereto, Mr. Schick is employed as Chief Executive Officer of the Company. The term of the agreement is renewable thereafter on a year-to-year basis unless either party gives 60 days written notice of termination before the end of the then-current term. Mr. Schick's initial base annual salary under the Agreement is \$242,000. In addition to base salary, Mr. Schick is eligible to receive annual merit or cost-of-living increases as may be determined by the Executive Compensation Committee of the Board of Directors. Mr. Schick will also receive an increase in base salary as well as incentive compensation in the form of a bonus based on the Company's EBITDA. Such incentive compensation is capped at \$100,000 per fiscal year. Pursuant to the Agreement, as amended by a letter agreement dated March 4, 2002, Mr. Schick also received 150,000 employee stock options which vest as follows: 50,000 options on December 20, 2002, an additional 50,000 options on December 20, 2003, and the final 50,000 options on December 20, 2004. Additionally, all Company stock options held by, or to be issued to, Mr. Schick will immediately be granted and vest in the event that the Company has a change in control or is acquired by another company or entity. In the event that Mr. Schick is terminated from employment with the Company without cause, he would receive severance pay for two years or the remainder of the term of the Agreement, whichever time period is shorter. Under certain circumstances, where the Company effects a change in Mr. Schick's title or diminishes, in any significant manner, his duties or responsibilities of employment, Mr. Schick may unilaterally resign from employment. In this instance, he would act as a consultant to the Company for a period of one year following his resignation and receive severance pay for one year.

In November 2001, the Company entered into a three-year employment agreement with Jeffrey T. Slovin. Pursuant to the Agreement, Mr. Slovin is employed as President and Chief Operating Officer of the Company. Mr. Slovin's initial base annual salary under the Agreement is \$240,000. salary, Mr. Slovin is eligible to receive annual

merit or cost-of-living increases as may be determined by the Executive Compensation Committee of the Board of Directors. Mr. Slovin will also receive an increase in base salary as well as incentive compensation in the form of a bonus based on the Company's EBITDA. Such incentive compensation is capped at \$100,000 per fiscal year. Pursuant to the Agreement, Mr. Slovin also received 150,000 employee stock options which vest as follows: 50,000 options on October 31, 2002, an additional 50,000 options on October 31, 2003, and the final 50,000 options on October 31, 2004. Additionally, all Company stock options held by, or issued to, Mr. Slovin will immediately vest in the event that the Company has a change in control or is acquired by another company or entity. In the event that Mr. Slovin is terminated from employment with the Company without cause, he would receive severance pay for two years or the remainder of the term of the Agreement, whichever time period is shorter. Under certain circumstances, where the Company effects a change in Mr. Slovin's title or diminishes, in any significant manner, his duties or responsibilities of employment, Mr. Slovin may unilaterally resign from employment. In this instance, he would act as a consultant to the Company for a period of one year following his resignation and receive severance pay for one year.

In February 2000, the Company entered into a three-year employment agreement with Zvi Raskin, effective January 1, 2000, pursuant to which Mr. Raskin was employed as General Counsel of the Company until January 2003. Under the expired employment agreement, Mr. Raskin's base annual salary was \$220,000. In addition to base salary, Mr. Raskin received a bonus of \$20,000 per calendar year and was eligible to receive additional performance bonuses at the sole discretion of the Executive Compensation Committee of the Board of Directors. Mr. Raskin was also awarded 75,000 shares of the Company's Common Stock, subject to a risk of forfeiture which expired as to 25,000 shares on each of December 31, 2000, 2001 and 2002. Upon the sale of any such vested shares, Mr. Raskin is required to pay the Company the sum of \$1.32 per share sold within 30 days following such sale. In the event that Mr. Raskin was terminated from employment with the Company without cause, he would have received 12 months of severance pay. Since January 2003, Mr. Raskin has been serving as an at-will employee of the Company.

EXECUTIVE COMPENSATION COMMITTEE
REPORT ON EXECUTIVE COMPENSATION

This report shall not be deemed incorporated by reference by any general statement incorporating this Proxy Statement into any filing under the Securities Act of 1933 or under the Exchange Act, except to the extent that the Company specifically incorporates the information contained herein by reference, and shall not otherwise be deemed filed under those acts.

Compensation Philosophy: The Company does business in a competitive and dynamic industry. The Company's continued success in such an environment depends, in part, on

13

its ability to attract and retain talented senior executives. The Company must provide executives with long- and short-term incentives to maximize corporate performance, and reward successful efforts to do so. As a result, the Committee's compensation policies are designed to:

Edgar Filing: SCHICK TECHNOLOGIES INC - Form DEF 14A

- (i) Provide a competitive level of compensation to attract and retain talented management;
- (ii) Reward senior executives for corporate performance;
- (iii) Align the interests of senior executives with the Company's stockholders in order to maximize stockholder value;
- (iv) Motivate executive officers to achieve the Company's business objectives; and
- (v) Reward individual performance.

To achieve these compensation objectives, the Committee has developed compensation packages for senior executive officers generally consisting of base salary, a bonus arrangement and awards of stock options.

Base Salary. The Company seeks to pay competitive salaries to executive officers commensurate with their qualifications, duties and responsibilities. In conducting salary reviews, the Committee considers each individual executive officer's achievements during the prior fiscal year in meeting the Company's financial and business objectives, as well as the executive officer's performance of individual responsibilities and the Company's financial position and overall performance.

Bonuses. The Committee believes that performance bonuses are a key link between executive pay and stockholder value.

Option Grants. The Committee believes that equity ownership by executive officers provides incentive to build stockholder value and aligns the interests of officers with the stockholders. The Committee typically recommends or awards an option grant upon hiring executive officers or within one year of their date of hire, subject to a maximum four-year vesting schedule. After the initial stock option grant, the Committee periodically considers additional grants, under the Company's 1996 Employee Stock Option Plan. Options are granted at the then-current market price for the Company's Common Stock and, consequently, have value only if the price of the Common Stock increases over the exercise price during the period in which the option is exercisable. The size of the initial grant is usually determined with reference to the seniority of the officer, the contribution the officer is expected to make to the Company and comparable equity compensation offered by others in the industry. In determining the size of the periodic grants, the Committee considers prior option grants to the officer, independent of whether the options have been

14

exercised, the executive's performance during the year and his or her expected contributions in the succeeding year. The Committee believes that periodic option grants provide incentives for executive officers to remain with the Company.

Modification of Compensation Policies. The Omnibus Budget Reconciliation Act of 1993 includes potential limitations on tax deductions for compensation in excess of \$1,000,000 paid to the Company's executive officers. The Compensation Committee has analyzed the impact of this provision of the tax law on the compensation policies of the Company, has determined that historically the effect of this provision on the taxes paid by the Company has not and would not have been significant and has decided for the present not to modify the compensation policies of the Company based on such provision. In the event that

Edgar Filing: SCHICK TECHNOLOGIES INC - Form DEF 14A

a material amount of compensation might potentially not be deductible, it will consider what actions, if any, should be taken to seek to make such compensation deductible without compromising its ability to motivate and reward excellent performance.

Chief Executive Officer Compensation. The Committee reviews the performance of the Chief Executive Officer, and other executive officers of the Company, generally on an annual basis. In December 2001, the Company entered into a three-year employment agreement with David Schick, the Company's Chief Executive Officer, supplanting the prior employment agreement between the Company and Mr. Schick, entered into in February 2000. Prior to entering into the agreement, the Committee conducted a review of Mr. Schick's compensation. The Committee considered salary data for other companies and the Company's earnings and financial position in comparison to preceding years. The terms of Mr. Schick's employment agreement are discussed above. See "Employment Agreements," supra page 12.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Company's Board of Directors is currently composed of three Directors, Messrs. Hood, Rocca and Blank, all of whom are independent Directors as such term is defined in Rule 4200(a)(15) of the National Association of Securities Dealers' independent director and audit committee listing standards. In addition, the Company's Board of Directors has determined that Messrs. Hood and Rocca are "audit committee financial experts," as those terms are defined by the Securities and Exchange Commission. The Audit Committee operates under a written charter that was adopted by the Board of Directors on June 30, 2002 and amended on April 9, 2003. (A copy of the Audit Committee charter, as amended, is annexed to this proxy statement as Appendix A.) The Audit Committee met five times during fiscal 2003.

Pursuant to the Audit Committee charter, the Audit Committee's responsibilities include monitoring the Company's financial reporting process and internal control systems, as well as complaints or concerns relating thereto; pre-approving all services to be performed by the Company's independent accountants; reviewing and appraising the performance of the Company's independent accountants; overseeing the performance of the Company's independent accountants; providing an open avenue of communication between the Company's independent accountants, Management and the Board of Directors; and recommending to the Board of Directors the yearly selection of the Company's independent accountants and approving the fees and other compensation to be paid to them.

In executing its responsibilities, the Audit Committee has reviewed and discussed the audited financial statements with Management of the Company. The Audit Committee has discussed with the Company's independent accountants the matters required to be discussed by SAS 61, as amended. In addition, the Audit Committee has received the written disclosures and a letter from the Company's independent accountants delineating all relationships between it and the Company, consistent with Independence Standards Board Standard No. 1 ("Independence Discussions with Audit Committee"), as may be modified or supplemented, and has discussed with the independent accountants matters pertaining to their independence. The Audit Committee also considered whether the additional services unrelated to Audit Services performed by Grant Thornton LLP were compatible with maintaining their independence in performing their Audit Services. Based upon the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for 2003 for

Edgar Filing: SCHICK TECHNOLOGIES INC - Form DEF 14A

APPENDIX A

CHARTER OF THE
AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

I. PURPOSE

The primary function of the Audit Committee of the Schick Technologies Board of Directors (the "Audit Committee") is to provide assistance to the Directors of Schick Technologies, Inc. (the "Company") in fulfilling their responsibility to the Company's shareholders, potential shareholders, and investment community relating to corporate accounting, reporting practices of the Company, and the quality and integrity of the financial reports of the Company.

The Audit Committee's primary duties and responsibilities are to:

- (i) Serve as an independent and objective party to monitor the Company's financial reporting process and internal control system and complaints or concerns relating thereto.
- (ii) Pre-approve all auditing services as well as non-audit services to be provided by the auditor.
- (iii) Review and appraise the audit efforts of the Company's independent accountants, who shall ultimately be accountable to the Audit Committee and the Board of Directors.
- (iv) Provide an open avenue of communication among the independent accountants, financial and senior Management and the Board of Directors.
- (v) If deemed necessary and appropriate, make periodic proposals to the Board of Directors concerning the adoption of changes to the Company's accounting and internal control environment.

II. COMPOSITION

The Audit Committee shall be appointed by the Board and shall be comprised of three or more directors (the precise number to be determined by the Board), all of whom shall be independent (i.e., a Committee member may not accept any consulting, advisory, or other compensatory fee from the Company, other than in his or her capacity as a Board or Committee member and may not be an "affiliated person" of the Company or any subsidiary thereof). Such members shall also be free from any relationship that, in the opinion of the Board, would interfere with the exercise of their independent judgment as members of the Audit Committee. III. MEETINGS

The Audit Committee shall meet at least four times annually (in person or telephonically), or more frequently as circumstances dictate, as follows:

(i) Once annually, or more frequently as circumstances dictate, prior to the release of the Company's Annual Report on Form 10-K (or 10-KSB), with Company Management, the Company's principal accounting officer, and with the Company's independent accountants outside the presence of Company Management, consistent with Section IV (ii) below;

(ii) Once each quarter: (a) prior to the release of the Company's Quarterly Report on Form 10-Q, with the Company's independent accountants and Company Management to review the Company's financials, consistent with Section IV(iii) below. The Chair of the Audit Committee may represent the entire Committee for purposes of these meetings; (b) with the Company's Chief Executive Officer; (c) with the Company's Chief Financial Officer ("CFO") or, in the absence of a CFO, with the Company's principal accounting officer; and (d) with the Company's Chief Operating Officer.
