Gilat Satellite Networks Announces Receipt of Nasdaq Letter Regarding Listing Status

Company requests hearing and continues trading on the Nasdaq National Market

Petah Tikvah, Israel, December 11, 2002 - Gilat Satellite Networks Ltd. (Nasdaq: GILTF) announced today that on December 4, 2002, it received notice from the Nasdaq National Market (the "NNM") advising the company that it is not in compliance with Nasdaq's minimum bid Marketplace Rule 4450(a)(5). The letter further stipulates that the Company must request a hearing with the Nasdaq Listing Qualifications Panel by December 11, 2002, to review its listing status, in order to avoid potential action by the panel. The Company has requested a hearing, staying any potential action pending a decision by the Nasdaq Listing Qualifications Panel.

The Company states that it has anticipated this issue and plans to address it as part of its debt restructuring plan. The Company believes that it can take measures to ensure that it is in compliance with NNM's requirements for continued listing on the NNM, although there can be no assurance that this will be the case.

"We expect to meet with the Nasdaq listing panel in late January as our debt restructuring process nears its completion", said Yoel Gat, Chairman and CEO of Gilat. We have anticipated this issue, and as part of our restructuring process, we are contemplating taking certain steps to ensure that we comply with NNM's requirements."

"We have used the appropriate channels to request a hearing and we fully intend to stay listed on the Nasdaq National Market," he added.

The Company also states that its debt restructuring plan remains on-track and expects to bring the process to closure in January 2003. The Company operations continue as normal throughout this process.
