Shmuel Koren President and CEO

Dated: July 31, 2007

B.O.S Better Online Solutions Reports Second Quarter 2007 Financial Results

Quarterly non GAAP income from operations and first time break even at the bottom line.

RISHON LEZION, Israel, July 31, 2007 /PRNewswire-FirstCall/ B.O.S. Better Online Solutions Ltd. (the Company or BOS) (NASDAQ: BOSC; TASE: BOSC) reported today its results for the second quarter ended June 30, 2007.

Second Quarter 2007 Financial Highlights:

Quarterly non - GAAP - operating income and break even at the bottom line

Revenues of \$5.7 million, up 27.6% as compared to revenues of second quarter of 2006

Backlog of \$7.8 million, 28% higher than the backlog at the beginning of the year 2007

Reduction in operation expenses to \$1.4 million from \$1.6 million in the second quarter of 2006

Financial expenses include non cash expenses related to the conversion of convertible notes in the amount of \$611 thousand

Shmuel Koren, BOS s President and CEO, said: I m very proud in the Q2 results that reflect the implementation of our operating strategy to increase sales of existing products and expand our product offerings. After many years of losses, we show a non GAAP operating income and break even at the bottom line. In Q2, we were also able to significantly increase our product offerings, and are now well positioned to continue pursuing our objectives and implementing our strategy

Edouard Cukierman, BOS's Chairman of the Board added: "We are very pleased with the Company's Q2 results and look forward to the continuation of our positive trend and to the future sales of our new product offerings."

Revenues for the second quarter of 2007 amounted to \$5.7 million, a 27.6% increase over the revenues in the second quarter of 2006 and a 5.6% increase over the revenues of the first quarter of 2007.

Our backlog as of June 30, 2007 amounted to a record number of \$7.8 million, reflecting a 28% increase over backlog as of the end of year 2006 and a 20% growth over the backlog as of the end of the first quarter of 2007.

Operating results show profits of \$126 thousand on a non GAAP basis (excluding option compensation and amortization of intangible assets) in the second quarter of 2007 as compared to a non GAAP operating loss of \$71 thousand in the second quarter of the year 2006. Operating loss in the second quarter of the year 2007, on a GAAP basis, was \$90 thousand as compared to operating loss of \$457 thousand in the second quarter of 2006.

On June 21, 2007, we announced that Laurus Master Fund Ltd., the holder of our convertible notes, converted the entire outstanding principal amount of the notes, of approximately \$ 2.2 million, into BOS Ordinary Shares. The conversion is expected to result in savings in financial expenses of approximately \$250 thousand in the second half of 2007 and of approximately a total of \$350 thousand in the years 2008 and 2009. As a result of the conversion, the Company recorded a one-time non-cash expense in the second quarter of 2007, in the amount of \$611 thousand.

Financial expenses in the second quarter of 2007 were \$159 thousand, of which \$113 thousand are related to the aforementioned convertible notes and will not recur in the next quarters.

Income from continuing operations on a non GAAP basis for the second quarter of year 2007 amounted to \$3 thousand as compared to a non GAAP loss of \$186 thousand in the second quarter of the year 2006.

Net loss on a GAAP basis for the second quarter of 2007 amounted to \$824 thousand (or \$0.09 per share) as compared to a net loss of \$572 thousand (or \$0.09 per share) in the second quarter of 2006 (excluding a gain of \$609 thousand from discontinued operations).

Net loss for the six months period ending June 30, 2007, amounted to \$1,150 thousand (or \$0.15 per share) compared to net loss of \$732 thousand (or \$0.10 per share) in the six month period ending June 30, 2006 (excluding a gain of \$906 thousand from discontinued operations).

Information with respect to non-GAAP reconciliation to GAAP accompanies the condensed financial statements in this release.

Liquidity and Capital Resources

As of June 30, 2007, our shareholders equity amounted to \$18.5 million compared to \$12.3 million in December 31, 2006. During the second quarter of 2007 we raised \$4.4 million through a rights offering to our shareholders, \$600 thousand through a private placement and \$2.2 million of our debt was converted into equity.

As of June 30, 2007 cash and cash equivalents increased to \$5.6 million from \$2 million in December 31, 2006.

Loans were reduced to \$4.4 million in June 30, 2007 from \$5.3 million in December 31, 2006.

Product Highlights

We are focused on providing RFID and Software based solutions for the Enterprise market and were recently able to significantly expand our product offerings.

Below is a list of our products and solutions, which were developed and enhanced in the first half of 2007:

RFID solutions by leveraging our expertise in enterprise connectivity and RFID technology, we are developing a fully integrated RFID solution that combines a seamless interface with business applications, system management, data transfer, hardware and support services.

Data management our next-generation tools help manage and control digital documents throughout the enterprise, providing a reliable and revolutionary solution for transferring encrypted data, and for backup recovery and retrieval.

License management a unique new solution for automatically monitoring concurrent license utilization, allowing enterprises to optimally load balance their license pools and increase ROI per license.

Mobile Connectivity solutions our workforce mobility solutions allow remote users to access and interact with enterprise applications and resources, anywhere and anytime. We support mobile connectivity solutions for IBM System i, UNIX and Blackberry environments.

Bosanova System i This family of branded middleware extends the compatibility of IBM s System i Servers with a variety of networks, mobile, printing and web-based applications and with RFID application environments.

The forward-looking statements contained herein reflect management s current views with respect to future events and financial performance. These forward-looking statements are subject to certain risks and uncertainties that could cause the actual results to differ materially from those in the forward-looking statements, all of which are difficult to predict and many of which are beyond the control of BOS. These risk factors and uncertainties include, amongst others, the dependency of sales being generated from one or few major customers, the uncertainty of our being able to maintain current gross profit margins, inability to keep up or ahead of technology and to succeed in a highly competitive industry, inability to maintain marketing and distribution arrangements and to expand our overseas markets, uncertainty with respect to the prospects of legal claims against BOS; and additional risks and uncertainties detailed in BOS s periodic reports and registration statements filed with the U.S. Securities Exchange Commission. BOS undertakes no obligation to publicly update or revise any such forward-looking statements to reflect any change in its expectations or in events, conditions or circumstances on which any such statements may be based, or that may affect the likelihood that actual results will differ from those set forth in the forward-looking statements.

Reconciliation of Non-GAAP Financial Measures in Accordance with SEC Regulation G

BOS reports financial results in accordance with U.S. GAAP and herein provides some non-GAAP measures. These non-GAAP measures are not in accordance with, nor are they a substitute for, GAAP measures. These non-GAAP measures are intended to supplement the Company s presentation of its financial results that are prepared in accordance with GAAP. The Company uses the non-GAAP measures presented to evaluate and manage the Company s operations internally. The Company is also providing this information to assist investors in performing additional financial analysis that is consistent with financial models developed by research analysts who follow the Company.

The reconciliation set forth below is provided in accordance with Regulation G and reconciles the non-GAAP financial measures with the most directly comparable GAAP financial measures.
