(1) The two reported transactions involved amendments of outstanding options that are deemed to result in the cancellation of options and the grant of replacement options. Options were originally granted on August 18, 2003 to acquire an aggregate of 41,500 shares of common stock, and provided for vesting in 16 equal quarterly installments commencing on December 31, 2003. On May 9, 2007, options to acquire 15,563 shares of common stock were amended such that the original options to acquire those shares were deemed to be cancelled, and replacement options were deemed to be issued, as of that date. The reported transactions relate only to the option amendments involving shares vesting on or after January 1, 2005.
