Notes to Financial Statements

1 Basis of preparation

The interim accounts for the half year ended 31 December 2003 have been prepared in accordance with accounting policies consistent with those applied in the accounts for the year ended 30 June 2003, which were approved by the Directors on 11 August 2003, with the exception of the change in accounting policy following the adoption of UITF abstract 38 "Accounting for ESOP trusts", for which the half year and full year results for 2002/03 have been restated (see note 10 (iv)). The interim accounts for the six months ended 31 December 2003 do not constitute statutory accounts and are unaudited, but have been formally reviewed by Deloitte & Touche LLP. Their report is not modified in any respect. The interim accounts were approved by the board on 10 February 2004.

Edgar Filing: BRITISH SKY BROADCASTING GROUP PLC - Form 6-K

The financial information for the 2002/2003 full year is extracted from the financial statements for that year, with the exception of the restatement arising from the change in accounting policy described above, which have been filed with the Registrar of Companies. The auditors' report on those financial statements was unqualified and did not contain any statement under section 237(2) or (3) of the Companies Act 1985.

(i) Profit on disposal of fixed asset investments

On 7 October 2003, the Group disposed of its listed investment in Manchester United plc, realising a profit on disposal of GBP2 million (see note 9).

(ii) Amounts (written back to) written off fixed asset investments, net

2003

The Group reduced its provision against its minority equity investments in football clubs by GBP33 million, following the disposal of its investment in Manchester United plc in October 2003 for GBP62 million in cash. The Group also increased its provision against its remaining minority equity investments in football clubs by a further GBP9 million.

2002

At 31 December 2002, the Group made a provision against its minority investments in football clubs, leading to a non-cash exceptional charge of GBP21 million.

At 31 December 2002, the Group reduced its deferred revenue balance relating to minority investments in new media companies by GBP5 million, and reduced both its investment and its provision against the investment in these companies accordingly.

At 31 December 2002, the Group made a provision against its investment in Open TV shares, leading to a non-cash exceptional charge of GBP3 million, bringing the carrying value of the Group's investment in Open TV to nil.

In addition to the items noted above, the Group reduced its provision against its investment in Chelsea Village plc at 30 June 2003 by GBP3 million, following the agreement to sell its minority investment in July 2003.

(iii) Release of provision against ITV Digital programming debtors

The Group had provided in full against all unprovided balances owed by ITV

Digital, following the announcement by the administrators of ITV Digital on 30 April 2002 to close the pay television services on the ITV Digital platform and close the administration. During 2003, the Group received GBP5 million from ITV Digital's administrators and released GBP5 million of its exceptional operating provision accordingly (GBP3 million net of tax charge).

(iv) Recognition of deferred tax asset

Following a review of the forecast utilisation of tax losses within the Group, and as a consequence of a planned reorganisation of certain assets within the Group, there was sufficient evidence at 30 June 2003 to support the recognition of a deferred tax asset arising on losses incurred in the Company. Accordingly, a deferred tax credit of GBP123 million was recognised as an exceptional item.

5 Tax on profit on ordinary activities

Analysis of charge (credit) in period:

(i) The current tax charge for the half year to 31 December 2003 includes an exceptional charge of nil (2002/2003 half year: GBP2 million; 2002/2003 full year: GBP2 million). The deferred tax charge for the half year to 31 December 2003 includes an exceptional charge of nil (2002/2003 half year: nil; 2002/2003 full year: credit of GBP123 million).

(ii) At 31 December 2003, a deferred tax asset of GBP18 million (2002/2003: half year GBP134 million; full year GBP17 million) principally arising from UK losses in the Group has not been recognised. These losses can be offset only against taxable profits generated in the entities concerned. Although the Directors ultimately expect sufficient profits to arise, there is

Edgar Filing: BRITISH SKY BROADCASTING GROUP PLC - Form 6-K

currently insufficient evidence to support recognition of a deferred tax asset relating to these losses. The losses are available to be carried forward indefinitely under current law.

7 Earnings (loss) per share

Basic earnings (loss) per share represents the profit (loss) on ordinary activities after taxation attributable to the equity shareholders, divided by the weighted average number of Ordinary Shares in issue during the period, less the weighted average number of shares held in the Group's employee Share Ownership Plan ("ESOP") trust during the period.

Diluted earnings (loss) per share represents the profit (loss) on ordinary activities after taxation attributable to the equity shareholders, divided by the weighted average number of Ordinary Shares in issue during the period, less the weighted average number of shares held in the Group's ESOP trust during the period plus the weighted average number of dilutive shares resulting from share options and other potential shares outstanding during the period (see below).

The weighted average number of shares in the period was:

	2003/2004 Half year millions of shares (unaudited)	2002 Half m of (unaudited)
Ordinary Shares	1,938	
ESOP trust shares	(2)	
Basic shares	1,936	
Dilutive Ordinary Shares from share options and other potential Ordinary Shares outstanding	6	
Diluted shares	1,942	

Edgar Filing: BRITISH SKY BROADCASTING GROUP PLC - Form 6-K

8 Intangible assets

The movement in the period was as follows:

	Goodwill GBPm (unaudited)
Net book value at 1 July 2003	536
Amortisation	(58)
Net book value at 31 December 2003	478

Goodwill of GBP272 million, GBP542 million and GBP5 million, arising on the acquisitions of Sports Internet Group ("SIG"), British Interactive Broadcasting ("BiB") and WAPTV Limited respectively, is being amortised over periods of seven years on a straight-line basis.

In accordance with FRS 11, impairment reviews were performed on the carrying values of BiB and SIG goodwill balances at the end of the first full financial year after acquisition, at 30 June 2002. These reviews showed that no impairment was identified in either case. Consistent with the Group strategy, the business plans on which these reviews were based reflected significant projected increases in betting and other interactive revenues over the subsequent five years and the carrying value of the goodwill is therefore heavily dependent on the forecast performance of and projections for these businesses.

Other investments

2003

On 7 October 2003, the Group announced that it had sold its entire holding in Manchester United plc for GBP62 million, recognising a profit on disposal of GBP2 million following the release of GBP33 million provision previously held against the investment, effective as at 30 September 2003.

The Group has increased its provision against its remaining minority equity investments in football clubs by a further GBP9 million.

2002

At 31 December 2002, the Group made a further provision against its minority equity investments in football clubs leading to a non-cash exceptional charge of GBP21 million.

At 31 December 2002, the Group reduced its deferred revenue balance relating to minority investments in new media companies by GBP5 million, and reduced both its investment and provision against the investment in these companies

Edgar Filing: BRITISH SKY BROADCASTING GROUP PLC - Form 6-K

accordingly.

At 31 December 2002, the Group made a provision against its investment in Open TV shares, leading to a non-cash exceptional charge of GBP3 million. This reduced the carrying value of the Group's investment in Open TV to nil.

In addition to the items noted above, the Group reduced its provision against its investment in Chelsea Village plc at 30 June 2003 by GBP3 million, following the agreement to sell its minority investment in July 2003.

(ii) On 30 September 2003, the Company issued 338,755 Ordinary Shares to satisfy the remaining contingent consideration in respect of the acquisition of the remaining 5% interest in WAPTV Limited which occurred in May 2001.

Edgar Filing: BRITISH SKY BROADCASTING GROUP PLC - Form 6-K

(iii) On 10 December 2003, the High Court approved a reduction in the Company's share premium account of GBP1,120 million, as approved by the Company's shareholders at the Annual General Meeting held on 14 November 2003. The reduction had the effect of eliminating the Company's deficit on its profit and loss account at 30 September 2003 of GBP1,106 million, and creating a non-distributable special reserve of GBP14 million, which represents the excess of the share premium reduction over the deficit. The Company's balance sheet and profit and loss account are not presented within this interim statement.

(iv) At 31 December 2003, the Group's ESOP held 1,280,337 Ordinary Shares in the Company at an average value of GBP6.72 per share. The 4,176,675 shares utilised during the period relate to the exercise of Long Term Incentive Plan ("LTIP") and Key Contributor Plan ("KCP") awards. As a result of the adoption of UITF abstract 38, the Group's ESOP shares, which were previously held within investments, are now presented as a deduction from shareholders' funds. In addition the brought forward profit and loss reserve at 1 July 2003 was reduced by GBP12 million. The impact of adopting UITF abstract 38 was accordingly to reduce net assets at 1 July 2003 by GBP47 million, and to reduce profit for the year to 30 June 2003 by GBP6 million (profit for the 6 months to 31 December 2002: GBP4 million decrease).

12 Regulatory update

EC Investigation - FAPL

The European Commission has undertaken investigations into a number of agreements, decisions or practices leading to the acquisition of broadcast rights to football events within the EEA, including the sale of exclusive broadcast rights to Premier League football by the Football Association Premier League Limited ("FAPL"). On 21 June 2002, BSkyB Limited and the FAPL notified BSkyB Limited's current agreements for the broadcast of FAPL football matches to the European Commission seeking either a clearance or an exemption from Article 81 of the EC Treaty. The FAPL has also notified the rules of the FAPL to the European Commission. On 20 December 2002, the European Commission issued a Statement of Objections to the FAPL outlining certain concerns in respect of the FAPL's joint selling of broadcast rights to Premier League football. Since June 2003, the Group has received several requests for information from the European Commission concerning the bidding process undertaken by the FAPL in relation to the sale of Premier League football rights in respect of the three year period 2004-2007. In August and October 2003, the FAPL announced that the Group has been awarded (subject to contract) all four packages of exclusive live UK rights to FAPL football and two "near live" packages of UK rights to FAPL football (both on a delayed basis), four of the five packages of live rights in Ireland and two "near live" packages of rights in Ireland from the beginning of the 2004/2005 season to the end of the 2006/07 season. On 16 December 2003 the European Commission announced that a provisional agreement had been reached with the FAPL regarding the joint selling of the media rights to Premier League matches and that a provisional agreement had been reached with BSkyB regarding its recent acquisition of TV rights to those matches. Under the provisional agreement with BSkyB, BSkyB has agreed to offer to sublicense a set of up to eight premier league matches each season to another broadcaster. These provisional agreements will be submitted for third party comments as the European Commission formalises its position.

EC Investigation - Movie Contracts

The European Commission is investigating the terms on which movies produced by major US movie studios are supplied to distributors, including pay TV operators, throughout the European Union. The Group is co-operating with this investigation. At this stage, the Group is unable to determine whether it will have a material effect on the Group and its financial results.
