### Notes to the consolidated interim financial statements

#### 1 Basis of preparation

The financial information set out in this press release does not constitute statutory financial statements for the half year ended 31 December 2007, for the purpose of the Companies Act 1985, but is extracted from the condensed consolidated interim financial statements prepared in accordance with IAS 34 'Interim Financial Reporting' ("IAS 34") as presented in the unaudited Interim Management Report dated 31 December 2007. Copies of the Interim Management Report are available from the British Sky Broadcasting web page at [www.sky.com/corporate](http://www.sky.com/corporate). The financial information for the full year ended 30 June 2007 is extracted from the statutory financial statements for that year. A copy of the statutory accounts has been delivered to the Registrar of Companies. The Group's auditors have reported on those accounts; their reports were unqualified and did not contain statements under s. 237(2) or (3) Companies Act 1985.

Whilst the financial information included in this press release has been prepared in accordance with the recognition and measurement principles of International Financial Reporting Standards ("IFRS"), this announcement does not itself contain sufficient information to comply with IFRS.

The Group maintains a 52 or 53 week fiscal year ending on the Sunday nearest to 30 June in each year. In fiscal year 2008, this date will be 29 June 2008, this being a 52 week year (fiscal year 2007: 1 July 2007, 52 week year). Similarly, the condensed consolidated interim financial statements are based on the Sunday nearest to 31 December in each year. In fiscal year 2008, this date was 30 December 2007 (fiscal year 2007: 31 December 2006) For convenience purposes, the Group continues to date its consolidated financial statements as at 30 June, and its condensed consolidated interim financial statements as at 31 December.

Included within programming for the full year ended 30 June 2007 and half year ended 31 December 2006 is a GBP65 million credit due to the Group arising from certain contractual rights under one of the Group's channel distribution agreements. This item was previously disclosed as a contingent asset in the Group's June 2006 financial statements.

Included within administration for the half year ended 31 December 2007 is GBP12 million (2007: half year GBP6 million; full year GBP16 million) of expense relating to legal costs incurred on the Group's ongoing claim against EDS (the information and technology solutions provider (see note 10b)).

4 Profit on disposal of joint venture

On 12 December 2007, the Group sold its 100% stake in BSkyB Nature Limited, the investment holding company for the Group's 50% interest in the NGC-UK Partnership. As consideration for the disposal, the Group received 21% interests in both NGC Network International LLC and NGC Network Latin America LLC (in effect, 21% of National Geographic Channel's television operations outside of the US). This realised a profit on disposal of GBP67 million.

5 Impairment of available-for-sale investment

The impairment of available-for-sale investment relates to the Group's investment in ITV plc ("ITV"). As required by IAS 39, following a review of the carrying value of the investment in ITV at 31 December 2007, the Group has recognised an impairment loss of GBP343 million in the current period. The impairment loss was determined with reference to ITV's closing equity share price of GBP0.87 at 28 December 2007, the last trading day of the Group's fiscal half year, and is attributable to the significant and prolonged decline in the ITV equity share price.

In accordance with IAS 39, the effect of any further decline in the value of the equity share price of ITV will be recognised in the income statement at the relevant future balance sheet date. On 4 February 2008, the equity share price of ITV was GBP0.79.

Basic and diluted (loss) earnings per share is calculated by dividing loss or profit for the period into the weighted average number of shares for the period. In order to provide a measure of underlying performance, management have chosen to present an adjusted profit for the year which excludes items that may distort comparability. Such items arise from events or transactions that fall within the ordinary activities of the Group but which management believe should be separately identified to help explain underlying performance.

### 10 Other matters

#### a) Contingent liabilities

In April 2007, Virgin Media Communications Limited, Virgin Media Television Limited and Virgin Media Limited issued proceedings in the High Court in England and Wales against British Sky Broadcasting Group plc and British Sky Broadcasting Limited, alleging that the Group has infringed Article 82 EC and the Chapter II prohibition by pursuing an anticompetitive strategy designed to weaken Virgin Media group, which allegedly entailed: (i) a constructive refusal to supply the Group's basic pay television channels to Virgin Media group for supply via Virgin Media group's cable network in the UK; (ii) a refusal to pay fair prices for the right to carry Virgin Media group's television channels as part of the Group's retail channel offering; and (iii) the Group's purchase of a significant shareholding in ITV (which purchase was, it is alleged, designed principally to damage Virgin Media group's ability to compete in the supply of pay television services, by preventing Virgin Media group from obtaining access to attractive programming content). Virgin Media group seeks from the Court a declaration that the Group occupies a dominant market position in specified pay TV retail and purchasing markets in the UK and that the Group has, by its conduct as alleged, abused its dominant position(s) contrary to Article 82 EC and the Chapter II prohibition on these relevant markets. Virgin Media group also seeks mandatory injunctions requiring the Group to transact with Virgin

## Edgar Filing: BRITISH SKY BROADCASTING GROUP PLC - Form 6-K

Media group on fair and/or non-discriminatory terms for the supply of the Group's basic pay television channels to Virgin Media and for the licensing of Virgin Media group's television channels, for on-supply to the Group's subscribers. Virgin Media group also seeks damages to compensate it for its alleged losses arising from the Group's alleged conduct.

The Group intends to defend the proceedings vigorously and submitted its defence to the High Court on 2 July 2007 denying Virgin Media group's allegations that it had infringed Article 82 EC or Chapter II prohibition. A start date for trial has been provisionally set for February 2009. It is, at this stage, too early to estimate the likely outcome of the proceedings.

### b) Contingent assets

The Group has served a claim, which is currently being heard in the High Court of Justice, for a material amount against EDS (an information and technology solutions provider) which provided services to the Group as part of the Group's investment in customer management systems software and infrastructure. The amount which may be recovered by the Group will not be finally determined until resolution of the claim.
