Fiscal 2007. The Company's Chief Executive Officer will be the sole participant in the Executive Officer Plan for 2007. The other executive officers participate in the Management Plan. Under both plans, the bonuses will be based on objective Company performance measures contained in the plans. Capital is charged at a rate equal to the weighted average cost of debt and equity. The bonuses earned under the Management Plan also have a subjective individual performance component. The

target award

under the Executive Officer Plan is set at 120% of base salary and the target award under the Management Plan for executive officers is set at 95% of base salary. The plan award levels are intended to recognize the risk/reward component of the Company's overall compensation program.
