To the Stockholders of Realty Income Corporation and the Stockholders of American Realty Capital Trust, Inc.:

Realty Income Corporation, which we refer to as Realty Income, and American Realty Capital Trust, Inc., which we refer to as ARCT, have entered into an agreement and plan of merger dated as of September 6, 2012, as it may be amended from time to time, which we refer to as the merger agreement and which is attached as Annex A to this joint proxy statement/prospectus and incorporated herein by reference. Pursuant to the merger agreement, ARCT will merge with and into a direct wholly owned subsidiary of Realty Income, which we refer to as Merger Sub, at which time the separate existence of ARCT will cease, and Realty Income will be the parent company of Merger Sub and ARCT's subsidiaries. The obligations of Realty Income and ARCT to effect the merger are subject to the satisfaction or waiver of several conditions set forth in the merger agreement. If the merger is completed pursuant to the merger agreement, each ARCT stockholder will receive 0.2874 of a share of Realty Income common stock for each share of ARCT common stock held immediately prior to the effective time. The exchange ratio is fixed and will not be adjusted to reflect changes in the stock price of Realty Income common stock or ARCT common stock. Realty Income common stock is listed on the New York Stock Exchange under the symbol **O** and ARCT common stock is listed on the NASDAQ Global Select Market under the symbol **ARCT**.

In connection with the proposed merger, Realty Income and ARCT will each hold a special meeting of their respective stockholders. At Realty Income's special meeting, Realty Income stockholders will be asked to vote on (i) a proposal to approve the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement, and (ii) a proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the proposal to approve the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement. At ARCT's special meeting, ARCT stockholders will be asked to vote on (i) a proposal to approve the merger and the other transactions contemplated by the merger agreement, (ii) on a non-binding, advisory basis, the compensation that may be paid or become payable to ARCT's named executive officers in connection with the merger and (iii) a proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the proposal to approve the merger and the other transactions contemplated by the merger agreement.

The record date for determining the stockholders entitled to receive notice of, and to vote at, the Realty Income special meeting and the ARCT special meeting is December 6, 2012. The merger cannot be completed unless (i) Realty Income stockholders approve the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement by the affirmative vote of the holders of at least a majority of the votes cast on the proposal, provided that the total votes cast on the proposal represent at least a majority of the outstanding shares of Realty Income common stock, and (ii) ARCT stockholders approve the merger and the other transactions contemplated by the merger agreement by the affirmative vote of the holders of at least a majority of the outstanding shares of ARCT common stock entitled to vote.

Realty Income's board of directors has unanimously (i) determined that the merger agreement and the merger, including the issuance of Realty Income common stock in connection with the merger, are advisable and in the best interests of Realty Income and its stockholders, (ii) approved the merger agreement, the merger and the other transactions contemplated thereby, and (iii) approved the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement. Realty Income's board of directors unanimously recommends that Realty Income stockholders vote FOR the proposal to approve the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement and FOR the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the proposal to approve the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement.

ARCT's board of directors has unanimously (i) determined that the merger agreement, the merger and the other transactions contemplated thereby are advisable, fair to, and in the best interests of ARCT and its stockholders, and (ii) approved the merger agreement, the merger and the other transactions contemplated thereby. ARCT's board of directors unanimously recommends that ARCT stockholders vote FOR the proposal to approve the merger and the other transactions contemplated by the merger agreement, FOR the proposal to approve, on a non-binding, advisory basis, the compensation that may be paid or become payable to ARCT's named executive officers in connection with the merger, and FOR the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the proposal to approve the merger and the other transactions contemplated by the merger agreement.

This joint proxy statement/prospectus contains important information about Realty Income, ARCT, the merger, the merger agreement and the special meetings. This document is also a prospectus for the shares of Realty Income common stock that will be issued to ARCT stockholders pursuant to the merger agreement. **We encourage you to read this joint proxy statement/prospectus carefully before voting, including the section entitled **Risk Factors** beginning on page 23.**

Your vote is important. Whether or not you plan to attend Realty Income's special meeting or ARCT's special meeting, as applicable, please submit a proxy to vote your shares as promptly as possible. To submit a proxy, complete, sign, date and mail your proxy card in the preaddressed postage-paid envelope provided or submit your proxy by one of the other methods specified in this joint proxy statement/prospectus or the accompanying notices. QUESTIONS AND ANSWERS

The following are some questions that Realty Income stockholders and ARCT stockholders may have regarding the proposals being considered at Realty Income's special meeting and ARCT's special meeting and brief answers to those questions. Realty Income and ARCT urge you to read carefully this entire joint proxy statement/prospectus, including the Annexes, and the other documents to which this joint proxy statement/prospectus refers or incorporates by reference because the information in this section does not provide all the information that might be important to you. Unless stated otherwise, all references in this joint proxy statement/prospectus to Realty Income are to Realty Income Corporation, a Maryland corporation; all references to ARCT are to American Realty Capital Trust, Inc., a Maryland corporation; all references to Merger Sub or the surviving company are to Tau Acquisition LLC, a Delaware limited liability company and a direct wholly owned subsidiary of Realty Income; all references to the merger agreement are to the Agreement and Plan of Merger, dated as of September 6, 2012, by and among Realty Income, Merger Sub and ARCT, as it may be amended from time to time, a copy of which is attached as Annex A to this joint proxy statement/prospectus and is incorporated herein by reference; and all references to the merger are to the merger of ARCT with and into Merger Sub pursuant to the terms of the merger agreement.

Q: What is the proposed transaction?

A: Realty Income and ARCT have entered into a merger agreement pursuant to which ARCT will merge with and into Merger Sub, with Merger Sub surviving the merger as a direct wholly owned subsidiary of Realty Income. At the effective time of the merger, each issued and outstanding share of ARCT common stock will be converted automatically into the right to receive 0.2874 of a share of Realty Income common stock, par value \$0.01 per share, as described under "The Merger Agreement—Merger Consideration; Conversion or Cancellation of Shares in the Merger" beginning on page 132.

Q: Why are Realty Income and ARCT proposing the merger?

A: Among other reasons, the board of directors of Realty Income believes that the merger will enhance the credit quality of Realty Income's real estate portfolio, immediately increase and be accretive to Realty Income's funds from operations and further diversify Realty Income's real estate portfolio generally. Similarly, the board of directors of ARCT believes that the merger will provide a premium over the current implied value of ARCT's common stock and permit ARCT's stockholders to benefit from a combined company of increased size and scale, with access to multiple forms of capital and an investment grade balance sheet, as well as a more diversified portfolio by asset class. To review the reasons of the boards of directors of Realty Income and ARCT for the merger in greater detail, see "The Merger—Recommendation of Realty Income's Board of Directors and Its Reasons for the Merger" beginning on page 64 and "The Merger—Recommendation of ARCT's Board of Directors and Its Reasons for the Merger" beginning on page 66.

Q: Why am I receiving this joint proxy statement/prospectus?

A: Realty Income's and ARCT's boards of directors are using this joint proxy statement/prospectus to solicit proxies of Realty Income and ARCT stockholders in connection with the merger agreement and the merger. In addition, Realty Income is using this joint proxy statement/prospectus as a prospectus for ARCT stockholders because Realty Income is offering shares of its common stock to be issued in exchange for shares of ARCT common stock in the merger.

In order to complete the merger, Realty Income stockholders must vote to approve the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement, and ARCT stockholders must vote to approve the merger and the other transactions contemplated by the merger agreement. ARCT stockholders will also vote on a non-binding, advisory proposal to approve the compensation that may be paid or become payable to ARCT's named executive officers in connection with the merger.

Table of Contents

Realty Income and ARCT will hold separate special meetings of their respective stockholders to obtain these approvals. This joint proxy statement/prospectus contains important information about the merger and the special meetings of the stockholders of Realty Income and ARCT, and you should read it carefully. The enclosed voting materials allow you to vote your shares of Realty Income common stock and/or ARCT common stock, as applicable, without attending the applicable special meeting.

We encourage you to submit your proxy as promptly as possible.

Q: When and where is the special meeting of Realty Income stockholders?

A: Realty Income's special meeting will be held at Rancho Valencia Resort, located at 5921 Valencia Circle, Rancho Santa Fe, CA 92067, on January 16, 2013, commencing at 9 a.m., local time.

Q: When and where is the special meeting of ARCT stockholders?

A: ARCT's special meeting will be held at The Core Club, located at 66 East 55th Street, New York, New York 10022, on January 16, 2013, commencing at 9 a.m., local time.

Q: Who can vote at the special meetings?

A: All Realty Income stockholders of record as of the close of business on December 6, 2012, the record date for determining stockholders entitled to notice of and to vote at Realty Income's special meeting, are entitled to receive notice of and to vote at Realty Income's special meeting. As of the record date, there were 133,452,411 shares of Realty Income common stock outstanding and entitled to vote at the Realty Income special meeting, held by approximately 8,057 holders of record. Each share of Realty Income common stock is entitled to one vote on each proposal presented at Realty Income's special meeting.

All ARCT stockholders of record as of the close of business on December 6, 2012, the record date for determining stockholders entitled to notice of and to vote at ARCT's special meeting, are entitled to receive notice of and to vote at ARCT's special meeting. As of the record date, there were 158,478,679 shares of ARCT common stock outstanding and entitled to vote at the ARCT special meeting, held by approximately 2,213 holders of record. Each share of ARCT common stock is entitled to one vote on each proposal presented at ARCT's special meeting.

Q: What constitutes a quorum?

A: Realty Income's bylaws provide that the presence in person or by proxy of stockholders entitled to cast a majority of all the votes entitled to be cast at such meeting shall constitute a quorum.

ARCT's bylaws provide that the presence in person or by proxy of stockholders entitled to cast a majority of all the votes entitled to be cast constitutes a quorum at a meeting of its stockholders.

Shares that are voted and shares abstaining from voting are treated as being present at each of the Realty Income special meeting and the ARCT special meeting, as applicable, for purposes of determining whether a quorum is present.

Q: What vote is required to approve the proposals at Realty Income's special meeting and ARCT's special meeting?

Edgar Filing: American Realty Capital Trust, Inc. - Form DEFM14A

- A: Approval of the proposal of Realty Income to approve the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement requires the affirmative vote of the holders of at least a majority of the votes cast on such proposal, provided that the total votes cast on the proposal represent at least a majority of the outstanding shares of Realty Income common stock entitled to vote on such proposal. Approval of the proposal of Realty Income to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the proposal to approve the issuance of shares of Realty

Income common stock pursuant to the merger agreement requires the affirmative vote of a majority of the votes cast on such proposal. Approval of the proposal of ARCT to approve the merger and the other transactions contemplated by the merger agreement requires the affirmative vote of the holders of at least a majority of the outstanding shares of ARCT common stock entitled to vote on such proposal. Approval of (i) the non-binding, advisory proposal to approve the compensation that may be paid or become payable to ARCT's named executive officers in connection with the merger and (ii) the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the proposal to approve the merger and the other transactions contemplated by the merger agreement each requires the affirmative vote of a majority of the votes cast on such proposal.

Your vote is important. We encourage you to submit your proxy as promptly as possible.

Q: If my shares of Realty Income common stock or ARCT common stock are held in street name by my broker or other nominee, will my broker or other nominee vote my shares of Realty Income common stock or ARCT common stock for me? What happens if I do not vote for a proposal?

A: Unless you instruct your broker or other nominee how to vote your shares of Realty Income common stock or ARCT common stock, as applicable, held in street name, your shares will **NOT** be voted. This is referred to as a broker non-vote. If you hold your shares in a stock brokerage account or if your shares are held by a bank or other nominee (that is, in street name), you must provide your broker or other nominee with instructions on how to vote your shares. Please follow the voting instructions provided by your broker or other nominee on the enclosed voting instruction card. You should also be aware that you may not vote shares of Realty Income common stock or ARCT common stock held in street name by returning a proxy card directly to Realty Income or ARCT or by voting in person at Realty Income or ARCT's special meetings unless you provide a legal proxy, which you must obtain from your broker or other nominee.

If you are a Realty Income stockholder, abstentions will be counted in determining the presence of a quorum, but broker non-votes will not be counted in determining the presence of a quorum. Abstentions will have the same effect as a vote cast AGAINST the proposal to approve the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement. Broker non-votes will not be counted as votes cast on such proposal, and as such, broker non-votes could result in there not being sufficient votes cast on such proposal. Abstentions will have no effect on the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the proposal to approve the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement. Broker non-votes will also have no effect on such proposal as long as a quorum is present at the meeting.

If you are an ARCT stockholder, abstentions will be counted in determining the presence of a quorum, but broker non-votes will not be counted in determining the presence of a quorum. Abstentions will have the same effect as votes cast AGAINST the proposal to approve the merger and the other transactions contemplated by the merger agreement but will have no effect on the non-binding, advisory proposal to approve the compensation that may be paid or become payable to ARCT's named executive officers in connection with the merger or the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the proposal to approve the merger and the other transactions contemplated by the merger agreement. Broker non-votes will have the same effect as votes cast AGAINST the approval of the merger and the other transactions contemplated by the merger agreement, but will have no effect on the non-binding, advisory proposal to approve the compensation that may be paid or become payable to ARCT's named executive officers in connection with the merger or the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the proposal to approve the merger and the other transactions contemplated by the merger agreement as long as a quorum is present at the meeting.

Q: If I am an ARCT stockholder, should I send in my stock certificates with my proxy card?

A: **NO.** Please **DO NOT** send your ARCT stock certificates with your proxy card. If the merger and the other transactions contemplated by the merger agreement are approved, you will be sent written instructions for exchanging your stock certificates.

Q: What are the anticipated U.S. federal income tax consequences to me of the proposed merger?

A: It is expected that the merger will qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended, and the completion of the merger is conditioned on the receipt by each of ARCT and Realty Income of an opinion from its outside counsel to the effect that the merger will qualify as a reorganization. If the merger qualifies as a reorganization, ARCT stockholders generally will not recognize gain or loss for U.S. federal income tax purposes upon the receipt of Realty Income common stock in exchange for ARCT common stock in connection with the merger, except with respect to cash received in lieu of fractional shares of Realty Income common stock. ARCT stockholders should read the discussion under the heading **The Merger Material U.S. Federal Income Tax Consequences of the Merger** beginning on page 111 of this joint proxy statement/prospectus and consult their tax advisors as to the U.S. federal income tax consequences of the merger, as well as the effects of state, local and non-U.S. tax laws.

Q: Are ARCT stockholders entitled to appraisal rights?

A: No. Under Section 3-202 of the Maryland General Corporation Law, ARCT stockholders are not entitled to exercise the right of objecting stockholders to receive fair value of their shares because, among other things, shares of ARCT common stock are listed on the NASDAQ Global Select Market.

Q: How does Realty Income's board of directors recommend that Realty Income stockholders vote?

A: Realty Income's board of directors has unanimously (i) determined that the merger agreement and the merger, including the issuance of Realty Income common stock in connection with the merger, are advisable and in the best interests of Realty Income and its stockholders; (ii) approved the merger agreement, the merger and the other transactions contemplated thereby; and (iii) approved the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement.

Realty Income's board of directors unanimously recommends that Realty Income stockholders vote FOR the proposal to approve the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement and FOR the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the proposal to approve the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement. For a more complete description of the recommendation of Realty Income's board of directors, see **The Merger Recommendation of Realty Income's Board of Directors and Its Reasons for the Merger** beginning on page 64.

Q: How does ARCT's board of directors recommend that ARCT stockholders vote?

A: ARCT's board of directors has unanimously (i) determined that the merger agreement, the merger and the other transactions contemplated thereby are advisable, fair to, and in the best interests of ARCT and its stockholders, and (ii) approved the merger agreement, the merger and the other transactions contemplated by the merger agreement.

ARCT's board of directors unanimously recommends that ARCT stockholders vote FOR the proposal to approve the merger and the other transactions contemplated by the merger agreement, FOR the proposal to approve, on a non-binding, advisory basis, the compensation that may be paid or become payable to ARCT's named executive officers in connection with the merger, and FOR the

proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the proposal to approve the merger and the other transactions contemplated by the merger agreement. For a more complete description of the recommendation of ARCT's board of directors, see The Merger Recommendation of ARCT's Board of Directors and Its Reasons for the Merger beginning on page 66.

Q: Do any of ARCT's executive officers or directors have interests in the merger that may differ from those of ARCT stockholders?

A: ARCT's executive officers and directors have interests in the merger that are different from, or in addition to, their interests as ARCT stockholders. The members of the ARCT board of directors were aware of and considered these interests, among other matters, in evaluating the merger agreement and the merger, and in recommending that ARCT stockholders vote FOR the proposal to approve the merger and the other transactions contemplated by the merger agreement. For a description of these interests, refer to the section entitled The Merger Interests of ARCT's Directors and Executive Officers in the Merger beginning on page 100.

Q: How will Realty Income stockholders be affected by the merger and share issuance?

A: After the merger, each Realty Income stockholder will continue to own the shares of Realty Income common stock that the stockholder held immediately prior to the merger. As a result of the merger, each Realty Income stockholder will own shares in a larger company with more assets. However, because Realty Income will be issuing new shares of Realty Income common stock to ARCT stockholders in the merger, each outstanding share of Realty Income common stock immediately prior to the merger will represent a smaller percentage of the aggregate number of shares of Realty Income common stock outstanding after the merger.

Q: What do I need to do now?

A: After you have carefully read this joint proxy statement/prospectus, please respond by completing, signing and dating your proxy card or voting instruction card and returning it in the enclosed preaddressed postage-paid envelope or, if available, by submitting your proxy by one of the other methods specified in your proxy card or voting instruction card as promptly as possible so that your shares of Realty Income common stock or ARCT common stock will be represented and voted at Realty Income's special meeting or ARCT's special meeting, as applicable.

Please refer to your proxy card or voting instruction card forwarded by your broker or other nominee to see which voting options are available to you.

The method by which you submit a proxy will in no way limit your right to vote at Realty Income's special meeting or ARCT's special meeting if you later decide to attend the meeting in person. However, if your shares of Realty Income common stock or ARCT common stock are held in the name of a broker or other nominee, you must obtain a legal proxy, executed in your favor, from your broker or other nominee, to be able to vote in person at Realty Income's special meeting or ARCT's special meeting.

Q: How will my proxy be voted?

A: All shares of Realty Income common stock entitled to vote and represented by properly completed proxies received prior to Realty Income's special meeting, and not revoked, will be voted at Realty Income's special meeting as instructed on the proxies. If you properly sign, date and return a proxy card, but do not indicate how your shares of Realty Income common stock should be voted on a matter, the shares of Realty Income common stock represented by your proxy will be voted as Realty Income's board of directors recommends and therefore FOR the approval of the issuance of shares of Realty Income common stock to ARCT.

stockholders pursuant to the merger agreement and FOR the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the proposal to approve the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement. If you do not provide voting instructions to your broker or other nominee, your shares of Realty Income common stock will NOT be voted at the meeting and will be considered broker non-votes.

All shares of ARCT common stock entitled to vote and represented by properly completed proxies received prior to ARCT's special meeting, and not revoked, will be voted at ARCT's special meeting as instructed on the proxies. If you properly sign, date and return a proxy card, but do not indicate how your shares of ARCT common stock should be voted on a matter, the shares of ARCT common stock represented by your proxy will be voted as ARCT's board of directors recommends and therefore FOR the proposal to approve the merger and the other transactions contemplated by the merger agreement, FOR the proposal to approve, on a non-binding, advisory basis, the compensation that may be paid or become payable to ARCT's named executive officers in connection with the merger and FOR the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the proposal to approve the merger and the other transactions contemplated by the merger agreement. If you do not provide voting instructions to your broker or other nominee, your shares of ARCT common stock will NOT be voted at the meeting and will be considered broker non-votes.

Q: Can I revoke my proxy or change my vote after I have delivered my proxy?

A: Yes. You may revoke your proxy or change your vote at any time before your proxy is voted at Realty Income's special meeting or ARCT's special meeting, as applicable. If you are a holder of record, you can do this in any of the three following ways:

by sending a written notice to the Secretary of Realty Income or the Secretary of ARCT, as applicable, at the address set forth below, in time to be received before Realty Income's special meeting or ARCT's special meeting, as applicable, stating that you would like to revoke your proxy;

by completing, signing and dating another proxy card and returning it by mail in time to be received before Realty Income's special meeting or ARCT's special meeting, as applicable, or by submitting a later dated proxy by the Internet or telephone in which case your later-submitted proxy will be recorded and your earlier proxy revoked; or

by attending the Realty Income special meeting or the ARCT special meeting, as applicable, and voting in person. Simply attending Realty Income's special meeting or ARCT's special meeting without voting will not revoke your proxy or change your vote.

If your shares of Realty Income common stock or ARCT common stock are held in an account at a broker or other nominee and you desire to change your vote or vote in person, you should contact your broker or other nominee for instructions on how to do so.

Q: What should I do if I receive more than one set of voting materials for Realty Income's special meeting or ARCT's special meeting?

A: You may receive more than one set of voting materials for Realty Income's special meeting or ARCT's special meeting, including multiple copies of this joint proxy statement/prospectus and multiple proxy cards or voting instruction cards. For example, if you hold your shares of Realty Income common stock or ARCT common stock in more than one brokerage account, you will receive a separate voting instruction card for each brokerage account in which you hold shares of Realty Income common stock or ARCT common stock. If you are a holder of record and your shares of Realty Income common stock or ARCT common stock are registered in more than one name, you may receive more than one proxy card. Please complete, sign, date and return each proxy card and voting instruction card that you receive or, if available, please submit your proxy by telephone or over the Internet.

Q: What happens if I am a stockholder of both Realty Income and ARCT?

A: You will receive separate proxy cards for each company and must complete, sign and date each proxy card and return each proxy card in the appropriate preaddressed postage-paid envelope or, if available, by submitting a proxy by one of the other methods specified in your proxy card or voting instruction card for each company.

Q: Who can answer my questions?

The Companies

Realty Income Corporation

Realty Income is The Monthly Dividend Company®. Realty Income is a Maryland corporation which is organized to operate as an equity real estate investment trust, commonly referred to as a REIT. Realty Income's primary business objective is to generate dependable monthly cash distributions from a consistent and predictable level of funds from operations, which we refer to as FFO, per share. Additionally, Realty Income seeks to increase distributions to common stockholders and FFO per share through both active portfolio management and the acquisition of additional properties.

Realty Income is a fully integrated, self-administered real estate company with in-house acquisition, leasing, legal, credit research, real estate research, portfolio management and capital markets expertise. As of September 30, 2012, Realty Income owned a diversified portfolio of 2,838 properties located in 49 states, with over 34.3 million square feet of leasable space leased to 144 different retail and other commercial enterprises doing business in 44 separate industries. Of the 2,838 properties in the portfolio at that date, 2,822, or 99.4%, were single-tenant properties, and the remaining 16 were multi-tenant properties. At September 30, 2012, of the 2,822 single-tenant properties, 2,739, or 97.1%, were leased with a weighted average remaining lease term (excluding rights to extend a lease at the option of the tenant) of approximately 11.0 years.

Realty Income common stock is listed on the New York Stock Exchange, which we refer to as the NYSE, and trades under the symbol "O".

Realty Income's principal executive offices are located at 600 La Terraza Boulevard, Escondido, California 92025-3873, and its telephone number is (760) 741-2111.

Tau Acquisition LLC, which we refer to as Merger Sub, is a Delaware limited liability company and a direct wholly owned subsidiary of Realty Income that was formed for the purpose of entering into the merger agreement.

American Realty Capital Trust, Inc.

ARCT is a Maryland corporation incorporated in August 2007 that qualifies as a REIT for federal income tax purposes. ARCT was formed to acquire a diversified portfolio of commercial real estate, which consists primarily of freestanding single tenant properties net leased to credit worthy tenants on a long-term basis. In January 2008, ARCT commenced an initial public offering on a "best efforts" basis to sell up to 150.0 million shares of common stock, excluding 25.0 million shares issuable pursuant to a distribution reinvestment plan, offered at a price of \$10.00 per share, subject to certain volume and other discounts, which we refer to as the ARCT IPO. In March 2008, ARCT commenced real estate operations. The ARCT IPO closed in July 2011 and ARCT operated as a non-traded REIT through February 29, 2012.

Table of Contents

Effective as of March 1, 2012, ARCT internalized the management services previously provided by American Realty Capital Advisors, LLC and its affiliates, which we refer to as the Internalization, as a result of which ARCT became a self-administered REIT managed full-time by its own management team.

Concurrent with the Internalization, ARCT listed its common stock on the NASDAQ Global Select Market, which we refer to as NASDAQ, and commenced trading under the symbol ARCT, which we refer to as the Listing, and ARCT's common stock continues to be so listed and trades under such symbol.

Substantially all of ARCT's business is conducted through American Realty Capital Operating Partnership, L.P., a Delaware limited partnership, which we refer to as the ARCT OP, of which ARCT is the sole general partner.

As of September 30, 2012, ARCT owned 507 properties with 15.8 million square feet of leasable area, 100% leased with a weighted average remaining lease term of 12.7 years. In constructing the portfolio, ARCT has been committed to diversification by industry, tenant and geography.

ARCT's principal executive offices are located at 405 Park Avenue, 14th Floor, New York, New York 10022, and its telephone number is (646) 937-6900.

The Merger and the Merger Agreement

Subject to the terms and conditions of the merger agreement, at the effective time of the merger, ARCT will merge with and into Merger Sub, with Merger Sub surviving the merger as a direct wholly owned subsidiary of Realty Income. In the merger, each share of ARCT common stock issued and outstanding immediately prior to the effective time of the merger will be converted into the right to receive 0.2874 of a share of Realty Income common stock, which we refer to as the merger consideration, as described under The Merger Agreement Merger Consideration; Conversion or Cancellation of Shares in the Merger. Cash will be paid in lieu of any fractional shares.

Based on the closing price of Realty Income common stock on November 27, 2012, the aggregate value of the merger consideration to be received by ARCT stockholders is expected to be approximately \$1.8 billion, based on the number of shares of outstanding ARCT common stock on November 27, 2012. The market value of the merger consideration ultimately received by ARCT stockholders will depend on the closing price of Realty Income common stock on the day that the merger is consummated. See Risk Factors Risk Factors Relating to the Merger beginning on page 23. Because the merger consideration is fixed and the market price of shares of Realty Income common stock may fluctuate, ARCT stockholders cannot be sure of the value of the merger consideration they will receive.

A copy of the merger agreement is attached as Annex A to this joint proxy statement/prospectus and is incorporated herein by reference. Realty Income and ARCT encourage you to carefully read the merger agreement in its entirety because it is the principal document governing the merger.

Voting Agreement

Realty Income and ARCT have entered into a voting agreement with Nicholas S. Schorsch and William M. Kahane, which we refer to as the voting agreement. In the voting agreement, each of Messrs. Schorsch and Kahane has agreed to vote all of his shares of ARCT common stock in favor of approval of the merger and the other transactions contemplated by the merger agreement, subject to certain limitations, and to vote against certain actions that would reasonably be expected to impede the merger.

A copy of the voting agreement is attached as Annex B to this joint proxy statement/prospectus and is incorporated herein by reference.

Side Letter

Realty Income has entered into a side letter agreement, which we refer to as the side letter, with AR Capital, LLC, which we refer to as AR Capital, and Mr. Schorsch. In the side letter, each of AR Capital and Mr. Schorsch has agreed, among other things, to (i) reimburse Realty Income for certain transaction expenses of ARCT in excess of \$15 million, (ii) indemnify Realty Income and the surviving entity against costs and expenses resulting from the termination of ARCT employees and certain leases and personal property of ARCT and (iii) not purchase certain real properties that are currently contemplated to be purchased by ARCT. AR Capital has also agreed to use commercially reasonable efforts to unwind all joint ventures of ARCT and to waive all fees in connection with the unwinding of certain joint ventures to which ARCT is a party.

A copy of the side letter is attached as Annex C to this joint proxy statement/prospectus and is incorporated herein by reference.

Recommendation of Realty Income's Board of Directors

Realty Income's board of directors has unanimously (i) determined that the merger agreement and the merger, including the issuance of Realty Income common stock in connection with the merger, are advisable and in the best interests of Realty Income and its stockholders; (ii) approved the merger agreement, the merger and the other transactions contemplated thereby and (iii) approved the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement.

Realty Income's board of directors unanimously recommends that Realty Income stockholders vote FOR the proposal to approve the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement FOR the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the proposal to approve the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement.

Recommendation of ARCT's Board of Directors

ARCT's board of directors has unanimously (i) determined that the merger agreement, the merger and the other transactions contemplated thereby are advisable, fair to, and in the best interests of ARCT and its stockholders, and (ii) approved the merger agreement, the merger and the other transactions contemplated thereby.

ARCT's board of directors unanimously recommends that ARCT stockholders vote FOR the proposal to approve the merger and the other transactions contemplated by the merger agreement, FOR the proposal to approve, on a non-binding, advisory basis, the compensation that may be paid or become payable to ARCT's named executive officers in connection with the merger, which we at times refer to as merger-related compensation, and FOR the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the proposal to approve the merger and the other transactions contemplated by the merger agreement.

Summary of Risk Factors Related to the Merger

You should consider carefully all the risk factors together with all of the other information included in this joint proxy statement/prospectus before deciding how to vote. The risks related to the merger and the related transactions are described under the caption "Risk Factors" "Risks Relating to the Merger" beginning on page 23.

The exchange ratio is fixed and will not be adjusted in the event of any change in either Realty Income's or ARCT's stock price.

Table of Contents

The merger and related transactions are subject to approval by stockholders of both Realty Income and ARCT.

Realty Income and ARCT stockholders will be diluted by the merger.

If the merger does not occur, one of the companies may incur payment obligations to the other.

Failure to complete the merger could negatively impact the stock prices and the future business and financial results of Realty Income and ARCT.

The pendency of the merger could adversely affect the business and operations of Realty Income and ARCT.

Some of the directors and executive officers of ARCT have interests in seeing the merger completed that are different from, or in addition to, those of the other ARCT stockholders.

The merger agreement contains provisions that could discourage a potential competing acquirer of ARCT or could result in any competing proposal being at a lower price than it might otherwise be.

If the merger is not consummated by March 6, 2013 (unless extended), either Realty Income or ARCT may terminate the merger agreement.

The merger will likely result in a reduction in per share equivalent dividend payments for holders of ARCT common stock after the merger.

Treatment of ARCT Stock Options, Restricted Shares and LTIP Units

Treatment of Stock Options. Pursuant to, and as further described in the merger agreement, each option to purchase ARCT common stock that is outstanding and unexercised at the effective time of the merger will be deemed subject to a cashless exercise and the holder of such option will be deemed to receive a number of shares of ARCT common stock equal to (i) the number of shares of ARCT common stock subject to such option, less (ii) the number of shares of ARCT common stock equal in value to the aggregate exercise price of such option, assuming a fair market value of a share of ARCT common stock equal to the closing price of ARCT common stock on the last completed trading day immediately prior to the consummation of the merger, which shares of ARCT common stock will be converted into the right to receive the merger consideration.

Treatment of Restricted Shares. Pursuant to, and as further described in the merger agreement, each share of ARCT restricted stock outstanding as of immediately prior to the effective time of the merger will become fully vested and will convert into the right to receive the merger consideration.

Treatment of LTIP Units. Pursuant to, and as further described in the merger agreement, each award of long term incentive plan units in ARCT OP, which we refer to as LTIP Units, that is outstanding at the effective time of the merger will become fully vested immediately prior to the merger and will be adjusted as set forth in the merger agreement.

Directors and Management of Realty Income After the Merger

Realty Income currently anticipates that the directors and officers of Realty Income prior to the merger will continue as directors and officers of Realty Income after the merger.

Share Ownership of Directors and Executive Officers of Realty Income

At the close of business on December 6, 2012, the directors and executive officers of Realty Income and their affiliates held and were entitled to vote 1,441,788 shares of Realty Income common stock, collectively representing approximately 1.08% of the shares of Realty Income common stock outstanding and entitled to vote on that date. The directors and executive officers of Realty Income have each indicated that they expect to vote **FOR** the proposal to approve the issuance of Realty Income common stock to ARCT stockholders pursuant to the merger agreement and **FOR** the proposal to adjourn the special meeting to a later date or dates, if necessary or appropriate, to solicit additional proxies in favor of the proposal to approve the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement.

Share Ownership of Directors and Executive Officers of ARCT

At the close of business on December 6, 2012, the directors and executive officers of ARCT and their affiliates held and were entitled to vote 1,467,135 shares of ARCT common stock (including shares held by AR Capital), collectively representing approximately 0.9% of the shares of ARCT common stock outstanding and entitled to vote on that date. The directors and executive officers of ARCT have each indicated that they expect to vote **FOR** the proposal to approve the merger and the other transactions contemplated by the merger agreement, **FOR** the proposal to approve, on a non-binding, advisory basis, the compensation that may be paid or become payable to ARCT's named executive officers in connection with the merger, and **FOR** the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the proposal to approve the merger and the other transactions contemplated by the merger agreement. In addition, under the terms of the voting agreement, each of Messrs. Schorsch and Kahane has agreed to vote all of his shares of

ARCT common stock in favor of approval of the merger and the other transactions contemplated by the merger agreement, subject to certain limitations.

Interests of ARCT's Directors and Executive Officers in the Merger

In considering the recommendation of ARCT's board of directors to approve the merger and the other transactions contemplated by the merger agreement, ARCT stockholders should be aware that ARCT's directors and executive officers have certain interests in the merger that may be different from, or in addition to, the interests of ARCT stockholders generally. These interests include those discussed below.

In connection with the Listing, and prior to any revisions made as a result of ARCT's negotiations with Realty Income in connection with the merger, AR Capital, an entity majority-owned and controlled by Nicholas S. Schorsch, chairman of the board of directors of ARCT, and William M. Kahane, ARCT's chief executive officer, president and a director, was entitled to a subordinated incentive listing fee, payable in the form of a promissory note, equal to 15% of the amount, if any, by which (a) the market value of ARCT's outstanding common stock plus distributions paid by ARCT prior to the Listing exceeded (b) the sum of the total amount of capital raised from stockholders during the ARCT IPO and the amount of cash flow necessary to generate a 6% annual cumulative, non-compounded return to such stockholders. For this purpose, (i) the market value of ARCT's common stock was to be calculated based on the average market value of the shares issued and outstanding at Listing over the 30 trading days beginning 180 days after the shares are first listed or included for quotation, and (ii) the promissory note would be non-transferrable with a maturity of three years, bearing interest at the applicable federal rate established by the Internal Revenue Service on the date the note is issued, and subject to mandatory amortization payments from any sale proceeds (except for the interest imputed for tax purposes). Further, the promissory note was to be convertible by AR Capital, at its option, into shares of ARCT common stock and, if AR Capital elected to convert any unpaid portion of the note into shares of ARCT common stock, the number of shares of ARCT common stock that would be issued upon such conversion would be valued for this purpose at the average market value of ARCT's shares over the 30 trading days beginning 180 days after ARCT's shares were first listed. We refer herein to such promissory note as the Subordinated Incentive Listing Fee Note.

In connection with the merger, ARCT and the ARCT OP (acting through and at the direction of ARCT's independent directors) and AR Capital, entered into an Incentive Listing Fee Note Agreement, dated as of September 6, 2012, by and among ARCT, ARCT OP, and AR Capital, as amended by a First Amendment to Incentive Listing Fee Note Agreement on September 10, 2012 which, as amended, we refer to as the Incentive Listing Fee Note Agreement, and a letter agreement, dated September 6, 2012, between Realty Income and AR Capital, pursuant to which the parties agreed to modify the terms of the Subordinated Incentive Listing Fee Note, if and to the extent issued, to (i) add a cap of \$76,000,000 on its principal amount, (ii) add a floor of \$58,600,000 on its principal amount, (iii) provide that, until October 31, 2012, such note shall be due and payable upon demand on not less than five (5) business days' prior written notice by AR Capital, (iv) eliminate AR Capital's right to convert the principal amount of the Subordinated Incentive Listing Fee Note into shares of ARCT's common stock at maturity and (v) clarify that the average market value of ARCT's common stock for purposes of the calculation of the amount of the Subordinated Incentive Listing Fee Note would be based on the volume-weighted average of the daily volume-weighted average price, as reported by Bloomberg Financial, increased by the cumulative ARCT dividends paid during the measurement period for each day following the ex-dividend date of each respective dividend on September 5, 2012 and October 3, 2012, as declared by NASDAQ, of the shares issued and outstanding at the Listing over the 30 trading days beginning 180 days after the Listing (which measurement period commenced August 28, 2012 and ended on October 9, 2012). Other than the modifications listed above, the Incentive Listing Fee Note Agreement did not modify the terms of the Subordinated Incentive Listing Fee Note.

Table of Contents

Pursuant to the terms of the Incentive Listing Fee Note Agreement, the Subordinated Incentive Listing Fee Note was issued to AR Capital on October 9, 2012, the end of the calculation period, with a principal amount of \$63,189,091. On October 12, 2012, the outstanding principal amount, plus \$1,201.25 in accrued interest, was paid to AR Capital in full satisfaction of the Subordinated Incentive Listing Fee Note. Messrs. Schorsch and Kahane own 63.6% and 13.5%, respectively, of the equity interests in AR Capital and, accordingly, indirectly received \$40.2 million and \$8.5 million, respectively, of such payment. Such payment represented gross income to AR Capital, not net income distributable to the equity holders of AR Capital.

In connection with the merger, on September 5, 2012, ARCT entered into a letter agreement, which we refer to as the letter agreement, with Realty Capital Securities, LLC, which we refer to as RC Securities, and ARC Advisory Services, LLC, which we refer to as ARC Advisory Services, to act as non-exclusive financial advisor and information agent, respectively, to ARCT in connection with the merger and the related proxy solicitation seeking approval of the merger by ARCT's stockholders and to pay an aggregate amount of \$1,500,000 in consideration for the services provided under the letter agreement and such fee will be payable upon the closing of the merger; provided that if the merger is not consummated, ARCT will be responsible for the payment of such fee. The letter agreement is subject to the expense cap under the terms of the side letter. See Side Letter on page 150 and The Merger Interests of ARCT's Directors and Executive Officers in the Merger Letter Agreement on page 102.

In connection with the merger, on September 5, 2012, ARCT and the ARCT OP entered into a certain Legal Services Agreement, which we refer to as the Legal Services Agreement, with ARC Advisory Services, pursuant to which ARCT, on its own behalf and, as general partner of the ARCT OP, on behalf of the ARCT OP, retained ARC Advisory Services to perform legal support services in connection with the merger agreement. ARCT and the ARCT OP will pay to ARC Advisory Services an aggregate amount of \$350,000 in consideration for the services provided under the Legal Services Agreement; provided that if the merger does not occur, ARCT will be responsible for the payment of such fee. The Legal Services Agreement is subject to the expense cap under the terms of the side letter. See Side Letter on page 150 and The Merger Interests of ARCT's Directors and Executive Officers in the Merger Legal Services Agreement on page 102.

In connection with the merger, on September 5, 2012, ARCT and the ARCT OP entered into a certain Legal Services Reimbursement Agreement, which we refer to as the Legal Services Reimbursement Agreement, with ARC Advisory Services, pursuant to which ARCT, on its own behalf and, as general partner of the ARCT OP, on behalf of the ARCT OP, reaffirmed the retention of ARC Advisory Services for the performance of legal support services in connection with the merger agreement rendered prior to the date of the Legal Services Reimbursement Agreement. ARCT and the ARCT OP will pay to ARC Advisory Services an aggregate amount of \$1,200,000 in consideration for the services provided under the Legal Services Reimbursement Agreement. The Legal Services Reimbursement Agreement is subject to the expense cap under the terms of the side letter. See Side Letter on page 150 and The Merger Interests of ARCT's Directors and Executive Officers in the Merger Legal Services Reimbursement Agreement on page 103.

In connection with the merger, on September 5, 2012, ARCT and the ARCT OP entered into a certain Transition Services Agreement, which we refer to as the Transition Services Agreement, with ARC Advisory Services, pursuant to which ARC Advisory Services and ARCT, on its own behalf and, as general partner of the ARCT OP, on behalf of the ARCT OP, memorialized ARC Advisory Services' obligation to perform the following services, which it has historically performed for, and for which it has historically been compensated by, ARCT and the ARCT OP: legal support, accounting support, marketing support, acquisition support, investor relations support, public relations support, event coordination, human resources and administration, general human resources duties, payroll services, benefits services, insurance and risk management, information technology services, telecom and internet services and services relating to office supplies. The Transition Services Agreement does not govern any legal support services rendered in connection with the merger

agreement and its related transactions, which will be governed by the Legal Services Agreement and the Legal Services Reimbursement Agreement. ARCT and the ARCT OP will pay to ARC Advisory Services the actual costs and expenses incurred by ARC Advisory Services in connection with providing the services contemplated by the Transition Services Agreement. See The Merger Interests of ARCT's Directors and Executive Officers in the Merger Transition Services Agreement on page 103.

RC Securities and ARC Advisory Services are each wholly owned by AR Capital, and Messrs. Schorsch and Kahane own 63.6% and 13.5%, respectively, of the equity interests in AR Capital. Payments under the letter agreement, the Legal Services Agreement, the Legal Services Reimbursement Agreement and the Transition Services Agreement represent gross income to the applicable affiliate of AR Capital, not net income distributable to the equity holders of such affiliate of AR Capital.

Some of the directors and executive officers of ARCT are entitled to certain contractual change of control payments, benefits and incentive awards in connection with the merger, as described below.

Summary of Accelerated Vesting of Incentive Compensation

OPP Agreements

Messrs. Schorsch and Kahane were each granted LTIP Units in ARCT OP under 2012 Outperformance Award Agreements between them, ARCT and ARCT OP made as of March 1, 2012 and August 29, 2012, which we collectively refer to as the OPP Agreements. Under the terms of the OPP Agreements, the LTIP Units may be earned at the end of a three-year performance period ending on February 28, 2015, and thereafter vest as to 25% of the earned LTIP Units on each of February 28, 2015 and February 28, 2016, and as to 50% of the earned LTIP Units on February 28, 2017, based on continued service. Under the OPP Agreements, Messrs. Schorsch and Kahane will be eligible to earn and vest in LTIP Units in connection with a change in control (as defined in the OPP Agreements) under certain circumstances. The consummation of the transactions contemplated by the merger agreement will constitute a change in control under the OPP Agreements.

In connection with entering into the merger agreement, ARCT and Messrs. Schorsch and Kahane agreed, subject to the consummation of the merger, that the value of the awards under the OPP Agreements and the ARCT Annual Incentive Compensation Plan (as discussed below, which we refer to as the ARCT Annual Plan, and together with the OPP Agreements as the ARCT Incentive Plans) will be capped and reduced to an aggregate value not to exceed \$22,000,000 (which we refer to as the Incentive Cap). Accordingly, in connection with the Incentive Cap and as required under the merger agreement, on September 6, 2012, ARCT and ARCT OP entered into amendments to the OPP Agreements with Messrs. Schorsch and Kahane (which we refer to as the OPP Amendments) pursuant to which, subject to the consummation of the transactions contemplated by the merger agreement, effective as of immediately prior to the effective time of the merger the number of vested and earned LTIP Units under the OPP Agreements in connection with the change in control would be based on a reduced aggregate value of \$19,000,000, allocated \$14,825,000 for Mr. Schorsch and \$4,175,000 for Mr. Kahane, divided by \$11.506 (the average closing trading price of ARCT's common stock during the ten-day trading period ending August 31, 2012). As a result, under the OPP Amendments, Messrs. Schorsch and Kahane would have earned an aggregate of 1,288,458 and 362,854 fully vested LTIP Units, respectively, in connection with the consummation of the merger. Subsequent to the execution of the merger agreement, the amounts that will be earned by Messrs. Schorsch and Kahane under the OPP Agreements in connection with the consummation of the merger were further reduced to an aggregate of 1,255,080 and 353,454 fully vested LTIP Units, respectively, and the remainder of their LTIP Units granted under the OPP Agreements will be automatically cancelled and forfeited without payment of any consideration. Messrs. Schorsch and Kahane have acknowledged and agreed to these further reductions.

Table of Contents

Annual Incentive Compensation Plan

Under the ARCT Annual Plan Messrs. Schorsch and Kahane have the opportunity to earn annual awards from a bonus pool that is funded through both a discretionary component and a formulaic performance component. Upon a change in control of ARCT under the ARCT Annual Plan, they will be eligible to receive cash bonus awards as equitably adjusted in accordance with the ARCT Annual Plan to reflect the shortened plan year (ending on the date of the change in control), paid in one lump-sum within 45 days following the change in control. The consummation of the transactions contemplated by the merger agreement will constitute a change in control under the ARCT Annual Plan. In connection with the Incentive Cap and as required under the merger agreement, under the OPP Amendments, on the date on which the effective time of the merger occurs, ARCT will pay a reduced lump-sum cash payment in the amount of \$1,500,000 to each of Messrs. Schorsch and Kahane in full satisfaction of any rights they may have under the ARCT Annual Plan, less any applicable tax withholdings.

Listing of Shares of Realty Income Common Stock; Delisting and Deregistration of Shares of ARCT Common Stock

Approval of the listing on the NYSE of the shares of Realty Income common stock to be issued to ARCT stockholders pursuant to the merger agreement, subject to official notice of issuance, is a condition to each party's obligation to complete the merger. Realty Income has agreed to use its reasonable best efforts to cause the shares of Realty Income common stock to be issued to ARCT stockholders pursuant to the merger agreement to be approved for listing on the NYSE prior to the effective time of the merger, subject to official notice of issuance. If the merger is completed, shares of ARCT common stock will be delisted from NASDAQ and deregistered under the Securities Exchange Act of 1934, as amended, which we refer to as the Exchange Act.

No Stockholder Appraisal Rights in the Merger

Under the Maryland General Corporation Law, neither Realty Income stockholders nor ARCT stockholders are entitled to exercise appraisal rights in connection with the merger. See No Appraisal Rights beginning on page 150.

Conditions to Completion of the Merger

A number of conditions must be satisfied or waived, where legally permissible, before the merger can be consummated. These include, among others:

the approval by Realty Income's stockholders of the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement;

the approval by ARCT's stockholders of the merger and the other transactions contemplated by the merger agreement;

the absence of injunction or law prohibiting the merger;

the effectiveness of the Form S-4 registration statement, of which this joint proxy statement/prospectus is a part;

the approval for listing on the NYSE of the shares of Realty Income common stock to be issued to ARCT stockholders pursuant to the merger agreement, subject to official notice of issuance;

the accuracy of all representations and warranties made by the parties in the merger agreement and performance by the parties of their obligations under the merger agreement (subject in each case to certain materiality standards);

the absence of any material adverse effect being experienced by either party;

the receipt of a legal opinion from each party's legal counsel regarding such party's qualification as a REIT;

the receipt by each party of an opinion from such party's legal counsel to the effect that the merger will be treated as a reorganization within the meaning of section 368(a) of the Internal Revenue Code of 1986, as amended, which we refer to as the Code; and

receipt by ARCT of certain debt consents.

Neither Realty Income nor ARCT can give any assurance as to when or if all of the conditions to the consummation of the merger will be satisfied or waived or that the merger will occur.

For more information regarding the conditions to the consummation of the merger and a complete list of such conditions, see "The Merger Agreement" "Conditions to Completion of the Merger" beginning on page 136.

Regulatory Approvals Required for the Merger

The merger may be subject to the regulatory requirements of municipal, state and federal, domestic or foreign, governmental agencies and authorities. Nevertheless, neither Realty Income nor ARCT is aware of any regulatory approvals that are expected to prevent the consummation of the merger. See "The Merger" "Regulatory Approvals Required for the Merger" beginning on page 111.

No Solicitation and Change in Recommendation

Under the merger agreement, ARCT has agreed not to, and to cause its subsidiaries not to (and not authorize and use reasonable best efforts to cause its officers, directors, managers and other representatives not to), directly or indirectly, (i) solicit, initiate, knowingly encourage or facilitate any inquiry, discussion, offer or request that constitutes, or could reasonably be expected to lead to, a competing acquisition proposal, (ii) engage in any discussions or negotiations regarding, or furnish to any third party any nonpublic information in connection with, or knowingly facilitate in any way any effort by, any third party in furtherance of any competing acquisition proposal or inquiry, (iii) approve or recommend a competing acquisition proposal, or enter into any letter of intent, memorandum of understanding, agreement in principle, acquisition agreement, merger agreement, share purchase agreement, asset purchase agreement, share exchange agreement, option agreement or other similar definitive agreement providing for or relating to a competing acquisition proposal, or (iv) propose or agree to do any of the foregoing.

However, prior to the approval of the merger and the other transactions contemplated by the merger agreement by ARCT stockholders, ARCT may, under certain specified circumstances, engage in discussions or negotiations with and provide nonpublic information regarding itself to a third party making an unsolicited, bona fide written competing acquisition proposal. Under the merger agreement, ARCT is required to notify Realty Income promptly if it receives any competing acquisition proposal or inquiry or any request for nonpublic information in connection with a competing acquisition proposal.

Before the approval of the merger and the other transactions contemplated by the merger agreement by ARCT stockholders, ARCT's board of directors may, under certain specified circumstances, withdraw its recommendation of the merger if ARCT's board of directors determines in good faith, after consultation with

outside legal counsel, that failure to take such action would be inconsistent with the directors' duties under applicable law. For more information regarding the limitations on ARCT and its board of directors to consider other proposals, see The Merger Agreement Covenants and Agreements No Solicitation of Transactions by ARCT beginning on page 140.

Termination of the Merger Agreement

Realty Income and ARCT may mutually agree to terminate the merger agreement before completing the merger, even after approval of the Realty Income stockholders or approval of the ARCT stockholders.

In addition, either Realty Income or ARCT (so long as it is not at fault) may decide to terminate the merger agreement if:

the merger is not consummated by March 6, 2013, unless as of March 6, 2013, all conditions to closing have been satisfied or waived other than the obligation of ARCT to obtain certain debt consents, in which case this date will be extended to April 8, 2013;

there is a final, non-appealable order or injunction prohibiting the merger;

ARCT stockholders fail to approve the merger and the other transactions contemplated by the merger agreement;

Realty Income stockholders fail to approve the issuance of shares of Realty Income common stock to ARCT stockholders in connection with the merger; or

the other party materially breaches the merger agreement and does not cure such breach within a specified period. ARCT may also terminate the merger agreement prior to the ARCT stockholder approval in order to enter into an alternative acquisition agreement with respect to a superior proposal provided that ARCT concurrently pays the termination fee. Realty Income may also terminate the merger agreement if (i) the ARCT board of directors has made an adverse recommendation change, (ii) ARCT materially breaches its obligations regarding the preparation of the Form S-4 and the joint proxy statement/prospectus and the holding of ARCT's stockholder meeting, or (iii) ARCT enters into a definitive agreement with respect to an alternative acquisition proposal. For more information regarding the rights of Realty Income and ARCT to terminate the merger agreement, see The Merger Agreement Termination of the Merger Agreement beginning on page 146.

Expenses and Termination Fees

Generally, all fees and expenses incurred in connection with the merger and the transactions contemplated by the merger agreement will be paid by the party incurring those expenses. However, under the side letter, AR Capital and Mr. Schorsch have agreed to reimburse Realty Income for certain transaction expenses of ARCT in excess of \$15 million. In addition, the merger agreement provides that if the merger agreement is terminated under certain circumstances, ARCT may be obligated to pay Realty Income a termination fee of \$51 million plus \$4 million in expense reimbursement. In certain other circumstances, Realty Income or ARCT may be required to pay \$4 million in expense reimbursement to the other party, even if, in the case of payment by ARCT, the termination fee is not payable.

For more information regarding the termination fee and expense reimbursement, see The Merger Agreement Termination of the Merger Agreement Termination Fee and Expenses Payable by ARCT to Realty Income beginning on page 147 and The Merger Agreement Termination of the Agreement Expenses Payable by Realty Income to ARCT beginning on page 148.

Material U.S. Federal Income Tax Consequences of the Merger

It is expected that the merger will qualify as a reorganization within the meaning of Section 368(a) of the Code, and it is a condition to the completion of the merger that Realty Income and ARCT receive written opinions from their respective counsel to the effect that the merger will be treated as a reorganization within the meaning of Section 368(a) of the Code. Assuming the merger qualifies as such a reorganization, U.S. holders of ARCT common stock generally will not recognize gain or loss for U.S. federal income tax purposes upon the exchange of their ARCT common stock for Realty Income common stock pursuant to the merger, except with respect to cash received in lieu of fractional shares of Realty Income common stock.

For further discussion of the material U.S. federal income tax consequences of the merger, see *The Merger* *Material U.S. Federal Income Tax Consequences of the Merger* beginning on page 111.

Holders of ARCT common stock should consult their tax advisors to determine the tax consequences to them (including the application and effect of any state, local or non-U.S. income and other tax laws) of the merger.

Accounting Treatment of the Merger

Realty Income will account for the merger using the purchase method of accounting under U.S. generally accepted accounting principles, which we refer to as GAAP. The merger will be accounted for by applying the purchase method, with Realty Income treated as the acquiror.

Comparison of Rights of Realty Income Stockholders and ARCT Stockholders

At the effective time of the merger, ARCT stockholders will become Realty Income stockholders. Realty Income's charter and bylaws contain provisions that are different from ARCT's charter and bylaws as currently in effect.

For a summary of certain differences between the rights of Realty Income stockholders and ARCT stockholders, see *Comparison of Rights of Realty Income Stockholders and ARCT Stockholders* beginning on page 151.

Recent Developments

During the first nine months of 2012, Realty Income acquired properties with an aggregate purchase price of approximately \$717.6 million. Moreover, in addition to the transactions contemplated by the merger agreement, Realty Income has entered into agreements to acquire additional properties with an aggregate purchase price of approximately \$283 million. The total acquired properties and contracted property acquisitions for the second half of 2012 consist of approximately 145 single-tenant properties net leased to 26 different tenants, and all are of property types that Realty Income already has in its portfolio. In aggregate, during all of 2012, Realty Income anticipates acquiring in excess of \$1.0 billion of new properties. On an aggregate basis, no single tenant of the properties that Realty Income has acquired or anticipates acquiring during 2012 will account for more than 10% of Realty Income's assets as of December 31, 2011, which is the date of the last audited balance sheet.

Similarly, ARCT has acquired or entered into agreements to acquire properties with an aggregate purchase price of approximately \$78 million during the second half of 2012 and first half of 2013. These acquisitions consist of approximately 40 single-tenant properties net leased to 12 different tenants, and all are in industries and of property types that ARCT already has in its portfolio. On an aggregate basis, no single tenant of the properties that ARCT has acquired or anticipates acquiring during 2012 and the first half of 2013 will account for more than 10% of ARCT's assets as of December 31, 2011, which is the date of ARCT's last audited balance sheet.

Table of Contents

The acquisitions that have not closed yet are subject to various customary conditions to closing, the failure of which could delay the closing of one or more of these proposed acquisitions or result in one or more of these proposed transactions not closing or closing on terms that are different from those currently contemplated. Realty Income expects to fund any of these acquisitions that close in the future (including any ARCT acquisitions that close after the merger) with borrowings under its acquisition credit facility or possible issuances of additional securities. ARCT is expected to fund any of its acquisitions that are to close before the merger closes with borrowings under its credit facility.

On October 2, 2012, Realty Income issued \$350 million in aggregate principal amount of 2.00% senior unsecured notes due January 2018, or the 2018 Notes, and \$450 million in aggregate principal amount of 3.25% senior unsecured notes due October 2022, or the 2022 Notes. The price to the investors for the 2018 Notes was 99.910% of the principal amount for an effective yield of 2.017% per annum. The price to the investors for the 2022 Notes was 99.382% of the principal amount for an effective yield of 3.323% per annum. The total net proceeds of approximately \$790.7 million from these offerings were used to repay all outstanding borrowings under Realty Income's acquisition credit facility, and the remaining proceeds will be used for general corporate purposes, which may include additional property acquisitions.

interest rates, general market and economic conditions and other factors generally affecting the price of Realty Income's and ARCT's common stock;

federal, state and local legislation, governmental regulation and legal developments in the businesses in which ARCT and Realty Income operate; and

other factors beyond the control of Realty Income and ARCT, including those described or referred to elsewhere in this **Risk Factors** section.

The price of Realty Income common stock at the closing of the merger may vary from its price on the date the merger agreement was executed, on the date of this joint proxy statement/prospectus and on the date of the special meetings of Realty Income and ARCT. As a result, the market value of the merger consideration represented by the exchange ratio will also vary. For example, based on the range of closing prices of Realty Income common stock during the period from September 5, 2012, the last trading day before public announcement of the merger, through

November 27, 2012, the latest practicable date before the date of this joint

Table of Contents

proxy statement/prospectus, the exchange ratio of 0.2874 shares of Realty Income common stock represented a market value ranging from a low of \$10.77 to a high of \$12.29.

Because the merger will be completed after the date of the special meetings, at the time of your special meeting, you will not know the exact market value of the Realty Income common stock that ARCT stockholders will receive upon completion of the merger. You should consider the following two risks:

If the price of Realty Income common stock increases between the date the merger agreement was signed or the date of the Realty Income special meeting and the effective time of the merger, ARCT stockholders will receive shares of Realty Income common stock that have a market value upon completion of the merger that is greater than the market value of such shares calculated pursuant to the exchange ratio when the merger agreement was signed or the date of the Realty Income special meeting, respectively. Therefore, while the number of shares of Realty Income common stock to be issued per share of ARCT common stock is fixed, Realty Income stockholders cannot be sure of the market value of the consideration that will be paid to ARCT stockholders upon completion of the merger.

If the price of Realty Income common stock declines between the date the merger agreement was signed or the date of the ARCT special meeting and the effective time of the merger, including for any of the reasons described above, ARCT stockholders will receive shares of Realty Income common stock that have a market value upon completion of the merger that is less than the market value of such shares calculated pursuant to the exchange ratio on the date the merger agreement was signed or on the date of the ARCT special meeting, respectively. Therefore, while the number of shares of Realty Income common stock to be issued per share of ARCT common stock is fixed, ARCT stockholders cannot be sure of the market value of the Realty Income common stock they will receive upon completion of the merger or the market value of Realty Income common stock at any time after the completion of the merger.

The merger and related transactions are subject to approval by stockholders of both Realty Income and ARCT.

In order for the merger to be completed, ARCT stockholders must approve the merger and the other transactions contemplated by the merger agreement, which requires the affirmative vote of the holders of at least a majority of the outstanding shares of ARCT common stock entitled to vote on such proposal. In addition, while a vote of Realty Income stockholders is not required to approve the merger, Realty Income stockholders' approval is required under applicable NYSE rules in order for Realty Income to be authorized to issue the shares of Realty Income common stock to ARCT stockholders as part of the merger consideration. Approval of the issuance of shares of Realty Income common stock to ARCT stockholders under NYSE rules requires approval by holders of at least a majority of the total votes cast, provided that the total votes cast represent at least a majority of the outstanding shares of Realty Income common stock entitled to vote on such proposal.

Realty Income and ARCT stockholders will be diluted by the merger.

The merger will dilute the ownership position of the current Realty Income stockholders, and result in ARCT stockholders having an ownership stake in Realty Income that is smaller than their current stake in ARCT. Following the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement, Realty Income stockholders and the former ARCT stockholders are expected to hold approximately 74.4% and 25.6%, respectively, of the combined company's common stock outstanding immediately after the merger, based on the number of shares of common stock of each of Realty Income and ARCT currently outstanding and various assumptions regarding share issuances by each of Realty Income and ARCT prior to the effective time of the merger. Consequently, Realty Income stockholders and ARCT stockholders, as a general matter, will have less influence over the management and policies of Realty Income after the merger than each currently exercise over the management and policies of Realty Income and ARCT, as applicable.

Table of Contents

If the merger does not occur, one of the companies may incur payment obligations to the other.

If the merger agreement is terminated under certain circumstances, ARCT may be obligated to pay Realty Income a termination fee of \$51 million plus \$4 million in expense reimbursement, or Realty Income may be required to pay ARCT \$4 million in expense reimbursement. See

The Merger Agreement Termination of the Merger Agreement Termination Fee and Expenses Payable by ARCT to Realty Income beginning on page 147 and The Merger Agreement Termination of the Agreement Expenses Payable by Realty Income to ARCT beginning on page 148.

Failure to complete the merger could negatively impact the stock prices and the future business and financial results of Realty Income and ARCT.

If the merger is not completed, the ongoing businesses of Realty Income and ARCT could be adversely affected and each of Realty Income and ARCT will be subject to several risks, including the following:

ARCT being required, under certain circumstances, to pay to Realty Income a termination fee of \$51 million and/or \$4 million in expense reimbursement or Realty Income being required, under certain circumstances, to pay to ARCT \$4 million in expense reimbursement;

having to pay certain costs relating to the proposed merger, such as legal, accounting, financial advisor, filing, printing and mailing fees; and

diversion of management focus and resources from operational matters and other strategic opportunities while working to implement the merger.

If the merger is not completed, these risks could materially affect the business, financial results and stock prices of Realty Income or ARCT.

The pendency of the merger could adversely affect the business and operations of Realty Income and ARCT.

In connection with the pending merger, some customers or vendors of each of Realty Income and ARCT may delay or defer decisions, which could negatively impact the revenues, earnings, cash flows and expenses of Realty Income and ARCT, regardless of whether the merger is completed. In addition, due to operating covenants in the merger agreement, each of Realty Income and ARCT may be unable, during the pendency of the merger, to pursue certain strategic transactions, undertake certain significant capital projects, undertake certain significant financing transactions and otherwise pursue other actions that are not in the ordinary course of business, even if such actions would prove beneficial.

Some of the directors and executive officers of ARCT have interests in seeing the merger completed that are different from, or in addition to, those of the other ARCT stockholders.

Some of the directors and executive officers of ARCT have arrangements that provide them with interests in the merger that are different from, or in addition to, those of the stockholders of ARCT. These interests include, among other things, an incentive listing fee note agreement, a financial advisory and information letter agent agreement, a legal services agreement, a legal services reimbursement agreement, a transition services agreement, a facilities license agreement, certain change of control payments, benefits and certain incentive awards. These interests, among other things, may influence the directors and executive officers of ARCT to support or approve the merger. See The Merger Interests of ARCT's Directors and Executive Officers in the Merger beginning on page 100.

In addition, Realty Income and ARCT have entered into a voting agreement with Nicholas S. Schorsch, the chairman of the board of directors of ARCT, and William M. Kahane, the chief executive officer, president and a director of ARCT, in their capacities as stockholders of ARCT. The voting agreement requires Messrs. Schorsch and Kahane to vote in favor of the proposals to be voted on at the ARCT special meeting of stockholders and to vote against certain actions. The voting agreement specifically does not limit or restrict the rights and obligations of Mr. Schorsch as a director of ARCT or Mr. Kahane as a director and officer of ARCT, and it in no way

Table of Contents

restricts Messrs. Schorsch and Kahane from exercising their fiduciary duties to ARCT. However, the voting agreement does limit the rights of Messrs. Schorsch and Kahane, solely in their capacity as stockholders, to vote against the proposals to be voted on at ARCT's special meeting of stockholders and for certain other actions. A copy of the voting agreement can be found attached to this joint proxy statement/prospectus as Annex B and is incorporated herein by reference.

The merger agreement contains provisions that could discourage a potential competing acquirer of ARCT or could result in any competing proposal being at a lower price than it might otherwise be.

The merger agreement contains no shop provisions that, subject to limited exceptions, restrict ARCT's ability to solicit, encourage, facilitate or discuss competing third-party proposals to acquire all or a significant part of ARCT. In addition, Realty Income generally has an opportunity to offer to modify the terms of the proposed merger in response to any competing acquisition proposals that may be made before the ARCT board of directors may withdraw or qualify its recommendation. Upon termination of the merger agreement in certain circumstances, ARCT may be required to pay a termination fee and/or expense reimbursement to Realty Income, and in certain other circumstances, Realty Income may be required to pay an expense reimbursement to ARCT. See The Merger Agreement Covenants and Agreements No Solicitation of Transactions by ARCT beginning on page 140, The Merger Agreement Termination of the Merger Agreement Termination Fee and Expenses Payable by ARCT to Realty Income beginning on page 147, and The Merger Agreement Termination of the Merger Agreement Expenses Payable by Realty Income to ARCT beginning on page 148.

These provisions could discourage a potential competing acquirer that might have an interest in acquiring all or a significant part of ARCT from considering or proposing that acquisition, even if it were prepared to pay consideration with a higher per share cash or market value than the market value proposed to be received or realized in the merger, or might result in a potential competing acquirer proposing to pay a lower price than it might otherwise have proposed to pay because of the added expense of the termination fee and/or expense reimbursement that may become payable in certain circumstances.

If the merger is not consummated by March 6, 2013 (unless extended), either Realty Income or ARCT may terminate the merger agreement.

Either Realty Income or ARCT may terminate the merger agreement if the merger has not been consummated by March 6, 2013, unless as of March 6, 2013, all conditions to closing have been satisfied or waived other than the obligation of ARCT to obtain certain debt consents, in which case this date will be extended to April 8, 2013. However, this termination right will not be available to a party if that party failed to fulfill its obligations under the merger agreement and that failure was a principle cause of, or resulted in, the failure to consummate the merger. For more information, please see the section titled The Merger Agreement Termination of the Merger Agreement beginning on page 146.

Risk Factors Relating to Realty Income Following the Merger

Realty Income expects to incur substantial expenses related to the merger.

Realty Income expects to incur substantial expenses in connection with completing the merger and integrating the business, operations, networks, systems, technologies, policies and procedures of ARCT with those of Realty Income. There are several systems that must be integrated, including accounting and finance and asset management. While Realty Income has assumed that a certain level of transaction and integration expenses would be incurred, there are a number of factors beyond its control that could affect the total amount or the timing of its integration expenses. Many of the expenses that will be incurred, by their nature, are difficult to estimate accurately at the present time. As a result, the transaction and integration expenses associated with the merger could, particularly in the near term, exceed the savings that Realty Income expects to achieve from the elimination of duplicative expenses and the realization of economies of scale and cost savings related to the integration of the businesses following the completion of the merger.

Table of Contents

Following the merger, the combined company may be unable to integrate successfully the businesses of Realty Income and ARCT and realize the anticipated benefits of the merger or do so within the anticipated timeframe.

The merger involves the combination of two companies which currently operate as independent public companies. Even though the companies are operationally similar, the combined company will be required to devote significant management attention and resources to integrating the business practices and operations of Realty Income and ARCT. In addition, ARCT's real estate portfolio includes a number of U.S. General Services Administration assets, among others, and Realty Income has less experience with this type of property than with its historical property base. It is possible that the integration process could result in the distraction of the combined company's management, the disruption of the combined company's ongoing business or inconsistencies in the combined company's operations, services, standards, controls, procedures and policies, any of which could adversely affect the ability of the combined company to maintain relationships with customers, vendors and employees or to fully achieve the anticipated benefits of the merger.

The future results of the combined company will suffer if the combined company does not effectively manage its expanded operations following the merger.

Following the merger, the combined company may continue to expand its operations through additional acquisitions and other strategic transactions, some of which may involve complex challenges. The future success of the combined company will depend, in part, upon its ability to manage its expansion opportunities, integrate new operations into its existing business in an efficient and timely manner, successfully monitor its operations, costs, regulatory compliance and service quality, and maintain other necessary internal controls. The combined company cannot assure you that its expansion or acquisition opportunities will be successful, or that the combined company will realize its expected operating efficiencies, cost savings, revenue enhancements, synergies or other benefits.

The market price of Realty Income common stock may decline as a result of the merger.

The market price of Realty Income common stock may decline as a result of the merger if the combined company does not achieve the perceived benefits of the merger as rapidly or to the extent anticipated by financial or industry analysts, or the effect of the merger on Realty Income's financial results is not consistent with the expectations of financial or industry analysts.

In addition, following the effective time of the merger, Realty Income stockholders and former ARCT stockholders will own interests in a combined company operating an expanded business with a different mix of properties, risks and liabilities. Current stockholders of Realty Income and ARCT may not wish to continue to invest in the combined company, or for other reasons may wish to dispose of some or all of their shares of Realty Income common stock. If, following the effective time of the merger, large amounts of Realty Income common stock are sold, the price of Realty Income common stock could decline.

After the merger is completed, ARCT stockholders who receive Realty Income common stock in the merger will have different rights that may be less favorable than their current rights as ARCT stockholders.

After the closing of the merger, ARCT stockholders who receive Realty Income common stock in the merger will have different rights than they currently have as ARCT stockholders. For a detailed discussion of the significant differences between your rights as a stockholder of ARCT and your rights as a stockholder of Realty Income, see "Comparison of Rights of Realty Income Stockholders and ARCT Stockholders" beginning on page 151.

Table of Contents

Realty Income cannot assure you that it will be able to continue paying dividends at the current rate.

As noted elsewhere in this joint proxy statement/prospectus, Realty Income plans to continue its current monthly dividend practices following the merger. However, Realty Income stockholders may not receive the same dividends following the merger for various reasons, including the following:

as a result of the merger and the issuance of shares of Realty Income common stock in connection with the merger, the total amount of cash required for Realty Income to pay dividends at its current rate will increase;

Realty Income may not have enough cash to pay such dividends due to changes in Realty Income's cash requirements, capital spending plans, cash flow or financial position;

decisions on whether, when and in which amounts to make any future distributions will remain at all times entirely at the discretion of the Realty Income board of directors, which reserves the right to change Realty Income's dividend practices at any time and for any reason;

Realty Income may desire to retain cash to maintain or improve its credit ratings; and

the amount of dividends that Realty Income's subsidiaries may distribute to Realty Income may be subject to restrictions imposed by state law, restrictions that may be imposed by state regulators, and restrictions imposed by the terms of any current or future indebtedness that these subsidiaries may incur.

Realty Income's stockholders have no contractual or other legal right to dividends that have not been declared.

The merger will likely result in a reduction in per share equivalent dividend payments for holders of ARCT common stock after the merger.

If Realty Income continues to pay monthly cash dividends at the rate of \$0.1514375 per share after the merger, this dividend, from the perspective of a holder of ARCT common stock, would be equivalent to a monthly dividend of approximately \$0.04352 per share of ARCT common stock, based on the exchange ratio of 0.2874, which is approximately 27% less than ARCT's most recent monthly dividend of \$0.05958 per share of ARCT common stock.

In connection with the announcement of the merger agreement, nine lawsuits have been filed and are pending, as of December 6, 2012, seeking, among other things, to enjoin the merger and rescind the merger agreement, and an adverse judgment in any of the lawsuits may prevent the merger from becoming effective within the expected timeframe (if at all).

As of December 6, 2012, purported stockholders of ARCT have filed nine lawsuits against ARCT, its directors, Realty Income and Merger Sub, challenging the merger. The complaints allege that ARCT's directors breached their fiduciary duties to ARCT stockholders and/or to ARCT itself in connection with the merger, and further claim that Realty Income and Merger Sub aided and abetted those alleged breaches of fiduciary duty. The various amended complaints add allegations that disclosures regarding the proposed merger in the joint proxy statement/prospectus filed on October 1, 2012 are inadequate. The complaints seek injunctive relief, including enjoining or rescinding the merger, and an award of unspecified attorneys' and other fees and costs, in addition to other relief (including damages). We may also be the target of similar litigation in the future.

While Realty Income and ARCT management believe that the allegations in the complaints are without merit and intend to defend vigorously against these allegations, we cannot assure you as to the outcome of these, or any similar future lawsuits, including the costs associated with defending these claims or any other liabilities that may be incurred in connection with the litigation or settlement of these claims. If plaintiffs are successful in obtaining an injunction prohibiting the parties from completing the merger on the agreed-upon terms, such an injunction may prevent the completion of the merger in the expected time frame, or may prevent it from being

Table of Contents

completed altogether. Whether or not the plaintiffs' claims are successful, this type of litigation is often expensive and diverts management's attention and resources, which could adversely affect the operation of our businesses. For more information about litigation related to the merger, see "The Merger—Litigation Relating to the Merger" beginning on page 130.

Counterparties to certain significant agreements with ARCT may have consent rights in connection with the merger.

ARCT is party to certain agreements that give the counterparty certain rights, including consent rights, in connection with a change in control transactions. Under certain of these agreements, the merger will constitute a change in control and, therefore, the counterparty may assert its rights in connection with the merger. Any such counterparty may request modifications of its agreements as a condition to granting a waiver or consent under those agreements and there can be no assurance that such counterparties will not exercise their rights under the agreements, including termination rights where available.

Realty Income may incur adverse tax consequences if ARCT has failed or fails to qualify as a REIT for U.S. federal income tax purposes.

If ARCT has failed or fails to qualify as a REIT for U.S. federal income tax purposes and the merger is completed, Realty Income may inherit significant tax liabilities, and Realty Income could lose its REIT status should disqualifying activities continue after the merger.

REITs are subject to a range of complex organizational and operational requirements.

In order to qualify as a REIT, each of Realty Income and ARCT must distribute with respect to each taxable year at least 90% of its net income (excluding capital gains) to its stockholders. A REIT must also meet certain requirements with respect to the nature of its income and assets, and the ownership of its stock. For any taxable year that Realty Income or ARCT fails to qualify as a REIT, it will not be allowed a deduction for dividends paid to its stockholders in computing taxable income and thus would become subject to U.S. federal income tax as if it were a regular taxable corporation. In such an event, Realty Income or ARCT, as the case may be, could be subject to potentially significant tax liabilities. Unless entitled to relief under certain statutory provisions, Realty Income or ARCT, as the case may be, would also be disqualified from treatment as a REIT for the four taxable years following the year in which it lost its qualification. If Realty Income or ARCT failed to qualify as a REIT, the market price of Realty Income common stock may decline, and Realty Income may need to reduce substantially the amount of distributions to its stockholders because of its increased tax liability.

Realty Income's anticipated level of indebtedness will increase upon completion of the merger and will increase the related risks Realty Income now faces.

In connection with the merger, Realty Income will assume certain indebtedness of ARCT and will be subject to increased risks associated with debt financing, including an increased risk that the combined company's cash flow could be insufficient to meet required payments on its debt. At September 30, 2012, Realty Income had indebtedness of \$2.5 billion, including \$609.0 million of outstanding borrowings under its acquisition credit facility, a total of \$1.75 billion of outstanding unsecured senior debt securities and \$133.4 million of outstanding mortgage debt. Taking into account Realty Income's existing indebtedness and the assumption of indebtedness in the merger, Realty Income's pro forma consolidated indebtedness as of September 30, 2012, after giving effect to the merger, would be approximately \$3.5 billion, including \$660.5 million of mortgage debt and \$800 million of notes issued by Realty Income in October 2012, the proceeds of which were used to pay down the line of credit.

Realty Income's increased indebtedness could have important consequences to holders of its common stock and preferred stock, including ARCT stockholders who receive Realty Income common stock in the merger, including:

increasing Realty Income's vulnerability to general adverse economic and industry conditions;

Table of Contents

limiting Realty Income's ability to obtain additional financing to fund future working capital, capital expenditures and other general corporate requirements;

requiring the use of a substantial portion of Realty Income's cash flow from operations for the payment of principal and interest on its indebtedness, thereby reducing its ability to use its cash flow to fund working capital, acquisitions, capital expenditures and general corporate requirements;

limiting Realty Income's flexibility in planning for, or reacting to, changes in its business and its industry; and

putting Realty Income at a disadvantage compared to its competitors with less indebtedness.

If Realty Income defaults under a mortgage loan, it will automatically be in default under any other loan that has cross-default provisions, and it may lose the properties securing these loans. Although Realty Income anticipates that it will pay off its mortgage payables as soon as prepayment penalties and other costs make it economically feasible to do so, Realty Income cannot anticipate when such payment will occur.

Realty Income and ARCT Face Other Risks.

The risks listed above are not exhaustive, and you should be aware that following the merger, Realty Income and ARCT will face various other risks, including those discussed in reports filed by Realty Income and ARCT with the SEC. See **Where You Can Find More Information; Incorporation by Reference beginning on page 156.**

Realty Income Corporation and Tau Acquisition LLC

Realty Income is The Monthly Dividend Company®. Realty Income is a Maryland corporation organized to operate as an equity real estate investment trust, commonly referred to as a REIT. Realty Income's primary business objective is to generate dependable monthly cash distributions from a consistent and predictable level of FFO per share. American Realty Capital Trust, Inc.

ARCT is a Maryland corporation incorporated in August 2007 that qualifies as a REIT for federal income tax purposes. ARCT was formed to acquire a diversified portfolio of commercial real estate, which consists primarily of freestanding single tenant properties net leased to credit worthy tenants on a long-term basis. In January 2008, ARCT commenced an initial public offering on a **best efforts** basis to sell up to 150.0 million shares of common stock, excluding 25.0 million shares issuable pursuant to a distribution reinvestment plan, offered at a price of \$10.00 per share, subject to certain volume and other discounts. In March 2008, ARCT commenced real estate operations. The ARCT IPO closed in July 2011 and ARCT operated as a non-traded REIT through February 29, 2012.

Effective as of March 1, 2012, ARCT internalized the management services previously provided by American Realty Capital Advisors, LLC and its affiliates, as a result of which ARCT became a self-administered REIT managed full-time by its own management team.

Substantially all of ARCT's business is conducted through ARCT OP, of which ARCT is the sole general partner.

As of September 30, 2012, ARCT owned 507 properties with 15.8 million square feet of leasable area, 100% leased with a weighted average remaining lease term of 12.7 years. In constructing the portfolio, ARCT has been committed to diversification by industry, tenant and geography.

Recommendation of the Board of Directors of Realty Income

Realty Income's board of directors has unanimously (i) determined that the merger agreement and the merger, including the issuance of Realty Income common stock in connection with the merger, are advisable and in the best interests of Realty Income and its stockholders; (ii) approved the merger agreement, the merger and the other transactions contemplated thereby; and (iii) approved the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement. Realty Income's board of directors unanimously recommends that you vote FOR the proposal to approve the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement and FOR the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the proposal to approve the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement. For the reasons for this recommendation, see The Merger Recommendation of Realty Income's Board of Directors and Its Reasons for the Merger beginning on page 64.

Record Date; Who Can Vote at Realty Income's Special Meeting

Realty Income's board of directors has fixed the close of business on December 6, 2012 as the record date for determination of Realty Income stockholders entitled to receive notice of, and to vote at, Realty Income's special meeting and any adjournments of the special meeting. Only holders of record of Realty Income common stock at the close of business on the record date are entitled to receive notice of, and to vote at, Realty Income's special meeting. As of the record date, there were 133,452,411 shares of Realty Income common stock outstanding and entitled to vote at Realty Income's special meeting, held by approximately 8,057 stockholders of record.

Each share of Realty Income common stock is entitled to one vote on the proposals to approve issuance of shares of Realty Income common stock pursuant to the merger agreement and to solicit additional proxies.

Vote Required for Approval; Quorum

Approval of the proposal to approve the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement requires the affirmative vote of at least a majority of the votes cast on the proposal, provided that the total votes cast on the proposal represent at least a majority of the outstanding shares of Realty Income common stock entitled to vote on such proposal. Approval of the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies requires the affirmative vote of a majority of the votes cast on such proposal.

Realty Income's bylaws provide that the presence in person or by proxy of stockholders entitled to cast a majority of all the votes entitled to be cast at such meeting constitutes a quorum at a meeting of its stockholders. Shares that are voted and shares abstaining from voting are treated as being present at Realty Income's special meeting for purposes of determining whether a quorum is present.

Abstentions and Broker Non-Votes

Abstentions will be counted in determining the presence of a quorum, but broker non-votes will not be counted in determining the presence of a quorum. Abstentions will have the same effect as a vote cast AGAINST the proposal to approve the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement. Broker non-votes will not be counted as votes cast on such proposal, and as such, broker non-votes could result in there not being sufficient votes cast on such proposal. Abstentions will have no effect on the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the proposal to approve the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement. Broker non-votes will also have no effect on such proposal as long as a quorum is present at the meeting.

If you submit a proxy over the Internet or by telephone, then you need not return a written proxy card or voting instruction card by mail. The Internet and telephone facilities available to record holders will close at 11:59 p.m. eastern time on January 15, 2013.

The method by which Realty Income stockholders submit a proxy will in no way limit their right to vote at Realty Income's special meeting if they later decide to attend the meeting and vote in person. If shares of Realty Income common stock are held in the name of a broker or other nominee, Realty Income stockholders must obtain a proxy, executed in their favor, from the broker or other nominee, to be able to vote in person at Realty Income's special meeting.

All shares of Realty Income common stock entitled to vote and represented by properly completed proxies received prior to Realty Income's special meeting, and not revoked, will be voted at Realty Income's special meeting as instructed on the proxies. **If Realty Income stockholders of record do not indicate how their shares of Realty Income common stock should be voted on a proposal, the shares of Realty Income common stock represented by their properly executed proxy will be voted as Realty Income's board of directors recommends and therefore FOR the proposal to approve the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement and FOR the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the proposal to approve the issuance of shares of Realty Income common stock pursuant to the merger agreement.** If you do not provide voting instructions to your broker or other nominee, your shares of Realty Income common stock will NOT be voted and will be considered broker non-votes.

Table of Contents

Revocation of Proxies or Voting Instructions

Realty Income stockholders of record may revoke their proxy at any time before it is exercised by timely sending written notice to Realty Income's Secretary that they would like to revoke their proxy, by timely delivering a properly executed, later-dated proxy (including over the Internet or telephone) or by voting by ballot at Realty Income's special meeting. Simply attending Realty Income's special meeting without voting will not revoke your proxy. Realty Income stockholders who hold shares of Realty Income common stock in an account of a broker or other nominee may revoke their voting instructions by following the instructions provided by their broker or other nominee.

Tabulation of the Votes

Realty Income will appoint an Inspector of Election for Realty Income's special meeting to tabulate affirmative and negative votes and abstentions.

Solicitation of Proxies

Realty Income will pay the cost of soliciting proxies. Directors, officers and employees of Realty Income may solicit proxies on behalf of Realty Income in person or by telephone, facsimile or other means, for which they will not receive any additional compensation. Realty Income has engaged Georgeson Inc. to assist it in the solicitation of proxies. Realty Income has agreed to pay Georgeson Inc. a fee not expected to exceed \$65,500, which includes the payment of certain fees and expenses for its services to solicit proxies.

In accordance with the regulations of the SEC and the NYSE, Realty Income also will reimburse brokerage firms, and other custodians, nominees and fiduciaries for their expenses incurred in sending proxies and proxy materials to beneficial owners of shares of Realty Income common stock.

PROPOSALS SUBMITTED TO REALTY INCOME STOCKHOLDERS

Share Issuance Proposal

(Proposal 1 on the Realty Income Proxy Card)

If the merger is consummated pursuant to the merger agreement, ARCT stockholders will receive 0.2874 of a share of Realty Income common stock for each share of ARCT common stock held by ARCT stockholders at the effective time of the merger. The exchange ratio is fixed and will not be adjusted to reflect changes in the stock price of Realty Income common stock or ARCT common stock.

Under the NYSE Listed Company Manual, a company listed on the NYSE is required to obtain stockholder approval prior to the issuance of common stock, or of securities convertible into or exercisable for common stock, in any transaction or series of related transactions if the number of shares of common stock to be issued is, or will be upon issuance, equal to or in excess of twenty percent (20%) of the number of shares of common stock outstanding before the issuance of the common stock or of securities convertible into or exercisable for common stock. If the merger is completed pursuant to the merger agreement, we estimate that Realty Income will issue or reserve for issuance approximately 45,893,290 shares of Realty Income common stock in connection with the merger. On an as-converted basis, the aggregate number of shares of Realty Income common stock that Realty Income will issue in the merger will exceed 20% of the shares of Realty Income common stock outstanding before such issuance, and for this reason Realty Income must obtain the approval of Realty Income stockholders for the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement.

The approval of this proposal by Realty Income stockholders is a condition to the closing of the merger. In the event this proposal is not approved by Realty Income stockholders, the merger cannot be consummated. In the event this proposal is approved by Realty Income stockholders, but the merger agreement is terminated (without the merger being completed) prior to the issuance of shares of Realty Income common stock to ARCT

The Realty Income Adjournment Proposal

(Proposal 2 on the Realty Income Proxy Card)

If, at Realty Income's special meeting, the number of shares of Realty Income common stock present or represented and voting in favor of the proposal to approve the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement is insufficient to approve the proposal, Realty Income intends to move to adjourn Realty Income's special meeting in order to enable Realty Income's board of directors to solicit additional proxies for approval of the proposal.

Realty Income is asking Realty Income stockholders to approve the adjournment of the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the proposal to approve the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement.

Approval of the proposal to approve the merger and the other transactions contemplated by the merger agreement requires the affirmative vote of the holders of at least a majority of the outstanding shares of ARCT common stock entitled to vote on such proposal.

Advisory Vote Regarding Merger-Related Compensation

(Proposal 2 on the ARCT Proxy Card)

Merger-Related Compensation. In accordance with SEC requirements, ARCT is required to include in this joint proxy statement/prospectus a non-binding, advisory vote on the compensation that may be paid or become payable to each of ARCT's named executive officers, as determined in accordance with Item 402(t) of Regulation S-K, in connection with the proposed merger pursuant to arrangements entered into with ARCT, and ARCT therefore is asking its stockholders to adopt the following resolution:

RESOLVED, that the compensation that will or may be paid or become payable to American Realty Capital Trust's named executive officers in connection with the merger, as disclosed in the table entitled "Golden Parachute Compensation" pursuant to Item 402(t) of Regulation S-K, including the associated narrative discussion and the agreements or understandings pursuant to which such compensation may be paid or become payable, as set forth in this proposal titled "Advisory Vote Regarding Merger-Related Compensation" is hereby APPROVED.

The information set forth in the table below is intended to comply with Item 402(t) of Regulation S-K, which requires disclosure of information about certain compensation for each of ARCT's named executive officers, which we refer to as the NEOs, that is based on or otherwise relates to the transactions contemplated under the merger agreement. For this purpose, ARCT's NEOs are Nicholas Schorsch, ARCT's non-executive chairman, William Kahane, ARCT's chief executive officer, and Brian Jones, ARCT's chief financial officer. No other executive officer of ARCT is entitled to receive any payments or benefits in connection with the transactions contemplated under the merger agreement.

Please note that the amounts indicated below are estimates based on the material assumptions described in the notes to the table below, which may or may not actually occur. Some of these assumptions are based on information currently available and, as a result, the actual amounts, if any, that may become payable to a NEO may differ in material respects from the amounts set forth below. Furthermore, for purposes of calculating such amounts, we have assumed:

A closing date for the merger of November 27, 2012, the latest practicable date prior to the filing of this joint proxy statement/prospectus;

The consummation of the merger constitutes a "change in control" for purposes of the applicable plan or agreement;

A qualifying termination of the NEO's employment in connection with a change in control on November 27, 2012; and

Table of Contents

A price per share of ARCT common stock of \$12.18, which equals the average closing price of ARCT common stock over the first five business days following September 6, 2012.

The amounts reported in the table below are estimates based on multiple assumptions that may or may not actually occur, including the assumptions described above, and elsewhere in this joint proxy statement/prospectus. These estimates will not be used to determine actual benefits paid or provided which will be calculated in accordance with terms of the merger agreement, the NEO's agreements with ARCT or any other related agreement, plan or arrangement, as applicable, and may materially differ from these estimates. As a result, the compensation, if any, to be received by an NEO may materially differ from the amounts set forth below.

Schorsch and Kahane this amount reflects a lump sum cash payment under the ARCT Annual Incentive Compensation Plan and in accordance with the Omnibus Amendments to the OPP Agreements, which we refer to as the OPP Amendments, payable on the date that the effective time of the merger occurs. For Mr. Jones this amount reflects a lump severance payment equal to his annual base salary, payable six months and one day following the consummation of the merger, assuming Mr. Jones does not accept employment with AR Capital or its affiliates within six months following the consummation of the merger. Mr. Jones is not currently a participant in the ARCT Annual Incentive Compensation Plan and ARCT's board of directors has not set, nor do they currently intend to set, an amount for his 2012 discretionary bonus under his employment agreement. Accordingly, the table above does not reflect a pro-rated bonus for Mr. Jones for 2012.

Schorsch and Kahane this amount reflects the value of the LTIP Units in ARCT OP that would become earned and fully vested in connection with the consummation of the merger, assuming the conversion thereof into shares of ARCT common stock immediately prior to the merger. For Mr. Jones this amount reflects the value of the acceleration of 13,502 unvested shares of ARCT restricted stock as of the effective time of the merger. Under the OPP Amendments, Messrs. Schorsch and Kahane agreed and acknowledged that, from and after the effective time of the merger, they will have no right to additional amounts under the ARCT Annual Incentive Compensation Plan or the OPP Agreements, including the right to (i) earn any additional LTIP Units or (ii) receive any other amounts under the OPP Agreements and the ARCT Annual Incentive Compensation Plan.
- (3) Amounts represent ARCT's costs for continued health and welfare benefits and life insurance premiums for a period of 18 months following a termination without cause, for good reason or due to the executive's death or disability. Life insurance policies have not been purchased on the lives of Messrs. Kahane and Jones; accordingly, the table above does not reflect the continued payment of life insurance premiums.

Narrative Disclosure to Golden Parachute Compensation Table. ARCT has entered into employment agreements with Messrs. Kahane and Jones which provide for severance payments and/or benefits upon a qualifying termination of employment or in connection with a change in control. For more information related to these agreements, see "The Merger" Interests of ARCT's Directors and Executive Officers in the Merger Employment Agreements on page 108.

Messrs. Schorsch and Kahane participate in the ARCT Annual Incentive Compensation Plan pursuant to which they are eligible to earn a bonus award in connection with a change in control of ARCT. They also are party to OPP Agreements with ARCT and ARCT OP, pursuant to which they were granted and are eligible to earn and vest in LTIP Units in ARCT OP. Schorsch and Kahane entered into an Omnibus Amendment to their respective OPP Agreements, pursuant to which the parties determined the amounts that would be earned by each of Mr. Schorsch and Mr. Kahane under the ARCT Annual Incentive Compensation Plan and their respective OPP Agreements in connection with the merger. Subsequent to the execution of the merger agreement, the amounts that will be earned by Messrs. Schorsch and Kahane under the OPP Agreements in connection with the consummation of the merger were further reduced, pursuant to that certain letter agreement between ARCT and each of Messrs. Schorsch and Kahane dated September 28, 2012, which we refer to as the OPP letter. For additional information related to these arrangements, see *The Merger Interests of ARCT's Directors and Executive Officers in the Merger OPP Agreements, Treatment of LTIP Units and ARCT Annual Plan Payments* on page 105.

In connection with the merger, all outstanding ARCT restricted stock held by Mr. Jones will accelerate and vest in full. For more information, see *The Merger Interests of ARCT's Directors and Executive Officers in the Merger Treatment of ARCT Restricted Stock* on page 105.

Vote Required and Board of Directors Recommendation

The vote regarding this proposal on merger-related compensation is a vote separate and apart from the vote on the proposal to approve the merger and the other transactions contemplated by the merger agreement. Because the vote regarding merger-related compensation is advisory only, it will not be binding on either ARCT or the surviving company regardless of whether the merger is completed. Accordingly, if the merger is completed, the merger-related compensation will become payable in connection with the merger and a qualifying termination of employment, subject only to the conditions applicable thereto, regardless of the outcome of this non-binding, advisory vote.

Approval of the merger-related compensation requires the affirmative vote of a majority of the votes cast on such proposal.

Recommendation of ARCT's Board of Directors

ARCT's board of directors unanimously recommends that ARCT stockholders vote **FOR the proposal to approve, on a non-binding, advisory basis, the compensation that may become payable to ARCT's named executive officers in connection with the merger.**

ARCT Adjournment Proposal

(Proposal 3 on the ARCT Proxy Card)

ARCT's special meeting may be adjourned to another time or place, if necessary or appropriate, to permit, among other things, further solicitation of proxies, if necessary or appropriate, to obtain additional votes in favor of the proposal to approve the merger and the other transactions contemplated by the merger agreement.

If, at ARCT's special meeting, the number of shares of ARCT common stock present or represented by proxy and voting in favor of the merger proposal is insufficient to approve the proposal to approve the merger and the other transactions contemplated by the merger agreement, ARCT intends to move to adjourn ARCT's special meeting in order to enable ARCT's board of directors to solicit additional proxies for approval of the proposal.

ARCT is requesting that ARCT stockholders approve the adjournment of ARCT's special meeting, if necessary or appropriate, to another time and place for the purpose of soliciting additional proxies in favor of the proposal to approve the merger and the other transactions contemplated by the merger agreement.

If, however, any other matters properly come before ARCT's special meeting, the persons named in the enclosed proxy, or their duly constituted substitutes, acting at ARCT's special meeting or any adjournment or postponement thereof will be deemed authorized to vote the shares represented thereby in accordance with the judgment of management on any such matter.

THE MERGER

The following is a description of the material aspects of the merger. While Realty Income and ARCT believe that the following description covers the material terms of the merger, the description may not contain all of the information that is important to Realty Income stockholders and ARCT stockholders. Realty Income and ARCT encourage Realty Income stockholders and ARCT stockholders to carefully read this entire joint proxy statement/prospectus, including the merger agreement attached to this joint proxy statement/prospectus as Annex A and incorporated herein by reference, for a more complete understanding of the merger.

General

Each of Realty Income's and ARCT's boards of directors has unanimously approved the merger agreement, the merger and the other transactions contemplated thereby. In the merger, ARCT will merge with and into Merger Sub, with Merger Sub surviving the merger as a direct wholly owned subsidiary of Realty Income. ARCT stockholders will receive the merger consideration described below under "The Merger Agreement—Merger Consideration; Conversion or Cancellation of Shares in the Merger."

Background of the Merger

Realty Income's board of directors and its management have periodically, and in the ordinary course of business, evaluated and considered a variety of strategic opportunities as part of its long term strategy to maximize Realty Income's stockholder value. In particular, the Realty Income board of directors and management have considered opportunities that would, among other things, (i) enhance the credit quality of Realty Income's real estate portfolio, (ii) increase Realty Income's funds from operations and adjusted funds from operations, (iii) allow Realty Income to increase its dividend, (iv) provide Realty Income with higher occupancy rates and average lease terms, (v) further diversify Realty Income's real estate portfolio by industry, tenant and asset class and (vi) increase Realty Income's size and scale, while maintaining the strength of its balance sheet.

ARCT was founded in 2007 by AR Capital as a non-exchange traded, externally-advised REIT to focus on the acquisition and operation of free standing, single tenant commercial real estate properties net leased on a long-term basis to investment grade credit rated and other creditworthy tenants. AR Capital is majority-owned and controlled by Nicholas S. Schorsch, the chairman of ARCT's board of directors, which we sometimes refer to as the ARCT Board, and William M. Kahane, ARCT's chief executive officer, president, and a member of the ARCT Board. Between 2008 and 2011, ARCT raised equity capital to finance its real estate investment activities primarily through a continuous initial public offering of its common stock for aggregate gross proceeds of approximately \$1.8 billion.

Table of Contents

Because of the relatively stable nature of the assets owned and operated by ARCT, including the fact that such assets were primarily net leased to tenants subject to long-term leases, ARCT's management was of the view that continuing to hold ARCT's assets and maintaining ARCT's status as a non-traded REIT following the completion of its offering of common stock would not likely maximize value for its stockholders. In light of the foregoing, it was the view of ARCT's management that ARCT should undertake an evaluation of strategic alternatives with a view toward increasing stockholder value. Accordingly, the ARCT Board directed management to identify financial advisors who would be appropriate to assist in an analysis of the potential strategic alternatives available to ARCT. Proskauer Rose LLP, which we refer to as Proskauer, ARCT's outside legal counsel, gave advice to the ARCT Board regarding its obligations as this process evolved.

In furtherance of the foregoing, on April 21, 2011, 10 investment banks with significant experience advising REITs, including Goldman, Sachs & Co., which we refer to as Goldman Sachs, met with ARCT's management and presented materials relating to their capabilities. ARCT's management's criteria for selecting an investment bank to act as ARCT's financial advisor included, among other things, the investment bank's institutional knowledge of the non-traded and traded REIT industries, its capacity to provide the functions of a full service investment bank and the investment banking team's past experience advising other companies in connection with similar transactions. Based upon these criteria, four of those banks, including Goldman Sachs, were selected to attend a meeting of the ARCT Board held on May 17, 2011, and give separate presentations regarding their qualifications to represent ARCT. At this meeting, each investment banking team delivered a presentation to the ARCT Board that described the bank's experience in the non-traded and traded REIT industries and its views on the current state of the financial markets. The investment banking teams also discussed various strategic alternatives for consideration by the ARCT Board with the goal of maximizing ARCT's stockholder value.

After due and careful consideration, at a meeting of the ARCT Board held on May 23, 2011, the ARCT Board approved the engagement of Goldman Sachs to act as ARCT's financial advisor in connection with its strategic review process, and Goldman Sachs was so engaged on May 27, 2011.

Beginning in early June 2011, Goldman Sachs, at the direction of ARCT, reached out to over 40 third parties regarding their interest in engaging in a strategic transaction with ARCT. Such third parties included REITs, financial sponsors, life insurance companies, sovereign wealth funds and pension funds, and were selected based on, among other things, ability to consummate a transaction of the size suggested by ARCT's value, strategic imperative, liquidity, perceived decision making efficiency, experience and track record. Of the third parties contacted by Goldman Sachs, 18 (including nine REITs) executed confidentiality agreements and were provided access to ARCT's online data room, which contained certain non-public information concerning ARCT's business and operations. In early June 2011, members of Realty Income's management and ARCT's management met in person in New York, along with representatives of Goldman Sachs, at which meeting the parties discussed their respective companies' strategies and the strategic review process being run by Goldman Sachs for ARCT. Realty Income executed a confidentiality agreement with ARCT on June 13, 2011.

On June 23, 2011, at the direction of ARCT, Goldman Sachs provided interested third party bidders, including Realty Income, with a process letter requesting that bids for a potential transaction be submitted by June 28, 2011.

Goldman Sachs continued to actively manage this process through mid-September 2011. Six of the third parties previously contacted by Goldman Sachs submitted non-binding indications of interest regarding a potential strategic transaction with ARCT, including Realty Income, as described below. ARCT's board of directors and its management thoroughly considered each of these proposals, including the fact that none of the third parties that had submitted proposals valued ARCT at or above its initial public offering price of \$10.00 per share, one of the proposals was solely to provide financing to other acquirers in connection with a potential transaction, and several of the proposals only related to the acquisition of a portion of ARCT's real estate portfolio rather than the complete portfolio. The ARCT Board felt it was important that any sale transaction (i) provide an adequate consideration price based on cost and current market conditions; (ii) provide an attractive

Table of Contents

mix of consideration if other than cash; (iii) not include lock-ups of ARCT's stockholders; (iv) not result in negative tax repercussions for ARCT's stockholders; and (v) provide for the sale of the entire company. Accordingly, ARCT's board of directors and its management ultimately concluded that none of these proposals would result in a strategic transaction that would maximize stockholder value.

On June 29, 2011, Realty Income submitted a preliminary non-binding indicative proposal, which proposal remained subject to approval by Realty Income's investment committee and the Realty Income board of directors, to acquire the real estate portfolio held by ARCT as of May 31, 2011 (which consisted of 350 properties) at a price based on an enterprise value for such assets of \$1.474 billion, with similar valuation metrics to be applied for any properties purchased by ARCT after May 31, 2011. Realty Income proposed using consideration in the form of an unspecified mix of cash, restricted and unrestricted common stock and convertible preferred stock. After discussion and due consultation with ARCT's management and the members of the ARCT Board, Mr. Schorsch communicated to John Case, the Chief Investment Officer of Realty Income, that ARCT did not view Realty Income's proposal as a bona fide proposal to engage in a strategic transaction with ARCT because, among other things, it: (i) failed to provide an adequate consideration price based on cost and current market conditions; (ii) included a mix of consideration other than cash or Realty Income unrestricted common stock, including a difficult to value convertible security; (iii) included lock-ups of ARCT's stockholders; and (iv) provided for an asset sale, instead of a sale of the entire company. Each of the foregoing reasons contributed to a proposal that was problematic and not favorable to ARCT's stockholders and which did not deliver maximum value to ARCT's stockholders. Mr. Schorsch also communicated to Mr. Case that ARCT had significant equity that it had yet to invest in new properties and before considering further a strategic transaction ARCT intended to deploy the funds.

Following Realty Income's initial preliminary proposal, Realty Income responded orally to an inquiry by Goldman Sachs in early July 2011 that Realty Income would be interested in possibly acquiring the portfolio of 258 properties held by ARCT as of December 31, 2010, at a price of \$905 million. Later in the summer of 2011, Realty Income orally indicated to Goldman Sachs a price range for the portfolio of 258 properties of \$930 million to \$950 million, payable in an unspecified mix of cash, restricted and unrestricted common stock and convertible preferred stock. After consultation with ARCT's management and members of the ARCT Board, Goldman Sachs informed Mr. Case that ARCT did not view Realty Income's revised proposal to acquire the portfolio of 258 properties as being in the best interest of ARCT's stockholders and that at the present time ARCT intended to continue to execute on its current business plan of investing its existing equity in the acquisition of additional properties.

On August 25, 2011, Mr. Case updated Realty Income's board of directors on current strategic acquisition opportunities, including a potential transaction with ARCT. Mr. Case provided an overview of ARCT and discussed the strategic rationale for, benefits of, and considerations for a possible transaction with ARCT.

In September 2011, at the direction of ARCT, Goldman Sachs again informed Mr. Case that ARCT intended to invest its existing equity, which ARCT anticipated would occur in late 2011 or early 2012, prior to considering further any strategic transaction. ARCT's management and Goldman Sachs believed that, out of all the previously interested parties, Realty Income showed the greatest level of interest in engaging in a strategic transaction with ARCT, due to, among other things, its size, demonstrated access to and cost of capital, and strategic objectives of increasing its revenue generated by investment grade tenants and further diversifying its portfolio outside of the retail industry.

U.S. financial market conditions worsened in the fall of 2011, and it became clear to the ARCT Board that none of the discussions or proposals arising out of the 2011 strategic process managed by Goldman Sachs would result in a transaction that would maximize ARCT's stockholder value. ARCT management turned its attention to the consideration of other strategic alternatives. In conjunction with the foregoing, during the fall of 2011, ARCT, with the assistance of Goldman Sachs, evaluated potential leveraged recapitalization scenarios, but concluded that it was not feasible to execute a recapitalization that would return sufficient proceeds to ARCT's stockholders while at the same time maintaining the safety of ARCT's dividend. In addition, ARCT management

Table of Contents

continued to focus on completing the acquisition of ARCT's real estate portfolio, thereby demonstrating its ability to close on ARCT's pipeline of proposed acquisitions, improving its credit ratings, and building and improving ARCT's balance sheet through the restructuring of debt and lowering of financing costs.

In late December 2011, ARCT management informed Goldman Sachs that it was evaluating a potential strategic transaction with American Realty Capital Properties, Inc., which we refer to as ARCP, a NASDAQ-listed REIT that is externally advised by an affiliate of AR Capital.

On January 12, 2012, Goldman Sachs provided an update of the status of the ARCT strategic review process. Such discussion included an update of the marketed process of ARCT, status of dialogues with potential third parties, the continuing growth of ARCT's portfolio through 2011 and a review of current market conditions. In addition, Goldman Sachs provided a financial review of the proposed merger with ARCP. After a thorough deliberation, the ARCT Board agreed to further consider the proposed merger with ARCP and requested that Goldman Sachs continue to review this potential transaction.

On January 23, 2012, at a meeting of the ARCT Board, Goldman Sachs provided a further financial review of the proposed merger with ARCP. At this meeting, the ARCT Board agreed to form a special committee to be composed of each independent director of the ARCT Board, which committee would be charged with deliberating on ARCT's strategic alternatives. The next day, ARCT's management informed Goldman Sachs that the special committee had determined not to move forward with the proposed merger with ARCP because of the significant debt leverage that would be associated with such transaction, and the fact that ARCP had indicated that it had decided to pursue an independent strategy. Furthermore, ARCT's management, upon consultation with the ARCT Board, instead began to explore a direct listing of ARCT's shares of common stock on a national securities exchange.

In late January 2012, at the direction of the ARCT Board, Goldman Sachs contacted Realty Income to gauge Realty Income's interest in a possible transaction with ARCT for the entire company. Based on ARCT's understanding that Realty Income would consider submitting a revised proposal to engage in a strategic transaction with ARCT subject to further due diligence, on January 24, 2012, Realty Income was granted access to ARCT's online data room with updated information to conduct further due diligence. No other interested parties contacted Goldman or ARCT with respect to a strategic transaction involving ARCT or its assets at this time.

On January 27, 2012, at a meeting of the ARCT Board, ARCT's management presented an additional strategic alternative for consideration by the ARCT Board, specifically (i) the exploration of an internalization of ARCT's management, (ii) the filing of a registration statement with the SEC relating to an underwritten offering of shares of ARCT common stock, (iii) the listing of the outstanding ARCT common stock on a national securities exchange and (iv) the implementation of a share repurchase by ARCT. After a thorough deliberation, the ARCT Board agreed to consider this proposed strategic alternative further. At this meeting the ARCT Board also disbanded the special committee that had previously been established to consider a transaction with ARCP.

On February 2, 2012, at a meeting of the ARCT Board, Goldman Sachs reviewed various strategic alternatives, including maintaining the status quo, pursuing an institutionally oriented public offering and an associated listing of ARCT's common stock, and a potential transaction with Realty Income. After due and careful deliberation, the ARCT Board approved ARCT management's plan to provide ARCT's stockholders an opportunity to either take advantage of a full liquidity opportunity or remain with ARCT and ARCT's management and grow with ARCT by listing ARCT's common stock on a national exchange. Accordingly, on February 15, 2012, ARCT publicly announced its plan to internalize ARCT's management, list ARCT's shares of common stock on NASDAQ, effect a public offering of its shares of common stock, and commence a self-tender offer for a portion of its shares of common stock.

Table of Contents

On February 7, 2012, the Realty Income board of directors held a regularly scheduled meeting at which Realty Income's management updated the Realty Income board of directors on current strategic acquisition opportunities, including a potential strategic transaction with ARCT.

Shortly after ARCT's February 15, 2012 announcement, Party A, one of the third parties that had not originally submitted a proposal after being contacted by Goldman Sachs as part of the 2011 strategic process, contacted Goldman Sachs to inquire about the announced listing. After conducting a reevaluation of the ARCT real estate portfolio, Party A indicated that it could not value ARCT at or above its initial public offering price of \$10.00 per share, which would make any offer less favorable to ARCT's stockholders and not maximize value to ARCT's stockholders.

On February 20, 2012, at a meeting of the ARCT Board, ARCT's management informed the ARCT Board that a proposal from Realty Income to engage in a strategic transaction with ARCT might be forthcoming.

On February 21, 2012, the Realty Income board of directors held a meeting. At the meeting, Realty Income's management reviewed for the Realty Income board of directors the progress of negotiations with ARCT and provided an updated summary of the current proposal, including the anticipated benefits and considerations of the proposed transaction to Realty Income's stockholders. Following such review and discussion, the Realty Income board of directors authorized Realty Income's management to continue to discuss a possible transaction with ARCT.

On February 21, 2012, ARCT received a new written non-binding indicative proposal from Realty Income, subject to final approval of the Realty Income board of directors, at a price of \$10.25 per share, composed of a fixed exchange ratio of 0.168 shares of Realty Income common stock and \$4.10 in cash. Realty Income's proposal contemplated that 50% of the stock consideration would be subject to a 45-day lock-up and that the remaining 50% would be subject to an additional six month lock-up. Realty Income's proposal contemplated a four week exclusivity and due diligence standstill period that would require the termination of ARCT's internalization and listing process, which process ARCT's management believed would create value for ARCT's stockholders through the market's determination of a more accurate enterprise value. Realty Income's proposal included a per share purchase price significantly lower than ARCT's management's estimates of ARCT's trading price once listed on NASDAQ, based on ARCT's anticipated operating performance, trading levels of comparable companies and a dividend discount analysis.

Goldman Sachs, at the direction of ARCT, engaged in multiple discussions with Realty Income to better understand the indication of interest and explore improvements in the proposed terms.

On February 22, 2012, ARCT communicated to Realty Income that it declined to proceed with further discussions with Realty Income because, among other things, it viewed the proposed consideration as inadequate since it: (i) failed to provide an adequate consideration price based on cost and current market conditions; (ii) included a mix of consideration other than cash or Realty Income unrestricted common stock; (iii) failed to take into consideration any negative tax repercussions to ARCT's stockholders resulting from such form of consideration; (iv) included lock-ups of ARCT's stockholders, and (v) included exclusivity and due diligence standstill provisions that made the proposal too speculative, as Realty Income's previous proposal had been. Each of the foregoing reasons contributed to a proposal that was problematic and less favorable to ARCT's stockholders and which did not deliver maximum value to ARCT's stockholders. ARCT and Realty Income were unable to agree on terms for a potential transaction. As a result, in its ongoing effort to maximize value for its stockholders, the ARCT Board chose to focus on the listing of its common stock on NASDAQ, internalizing its management and completing the proposed underwritten offering and common stock repurchase, and thereby providing immediate liquidity to its non-traded REIT investors.

On March 1, 2012, ARCT internalized the management services previously provided to it by its former sponsor, AR Capital and its affiliates, listed its common stock on NASDAQ, which we refer to as the Listing, and

Table of Contents

commenced a Dutch auction self tender offer at a price range of \$10.50 to \$11.00 per share. At the time of Listing, 100% of ARCT's common stock was held by retail investors, rather than institutional holders.

In connection with the Listing, pursuant to ARCT's charter that had been adopted in connection with ARCT's initial public offering in January 2008, AR Capital was entitled to a subordinated incentive listing fee equal to 15% of the amount, if any, by which (a) the market value of ARCT's outstanding common stock plus distributions paid by ARCT prior to listing exceeds (b) the sum of the total amount of capital raised from stockholders during ARCT's initial public offering and the amount of cash flow necessary to generate a 6% annual cumulative, non-compounded return to such stockholders. For this purpose, (i) the market value of ARCT's common stock is calculated based on the average market value, adjusted to add back any dividends declared during the applicable period, of the shares issued and outstanding at listing over the 30 trading days beginning 180 days after the shares are first listed or included for quotation, and (ii) ARCT had agreed with the Ohio Division of Securities that such fee would be paid by the issuance of a non-interest bearing, non-transferrable promissory note with a maturity of three years that would be subject to mandatory amortization payments from any sale proceeds (except for the interest imputed for tax purposes). Further, if AR Capital elected to convert any unpaid portion of the note into shares of ARCT common stock, the number of shares of ARCT common stock that would be issued upon such conversion would be valued for this purpose at the average market value, adjusted to add back any dividends declared during the applicable period, of ARCT's shares over the 30 trading days beginning 180 days after ARCT's shares were first listed.

In connection with the Listing, the compensation committee of the ARCT Board (consisting entirely of independent directors) approved a performance-based multi-year Outperformance Plan, which we refer to as the OPP. For a description of the OPP Agreements and the amendment thereof, see the section entitled Interests of ARCT's Directors and Executive Officers in the Merger beginning on page 100 of this proxy statement/prospectus.

On March 29, 2012, ARCT publicly announced the repurchase of approximately 11.7% of its outstanding shares of common stock at a price of \$10.50 per share pursuant to the self-tender offer. Due to the oversubscription of the tender offer and pursuant to the terms thereof, ARCT accepted for purchase on a pro rata basis approximately 73.3% of tendered shares. On April 4, 2012, ARCT completed its self-tender offer.

In addition to the completion of the self-tender offer, in the months following the Listing, ARCT's management focused on several initiatives as a listed REIT to improve ARCT's stockholder value, including: (i) increasing sell-side research analyst coverage; (ii) recapitalizing certain high cost mortgage indebtedness; (iii) exercising the accordion feature of its revolving line of credit and obtaining a new term loan facility to increase ARCT's access to growth capital; (iv) meeting with institutional investors; and (v) operating and expanding its investment portfolio. By early August 2012, approximately 46% of ARCT's common stock was held by institutional holders, rather than by retail investors, reflecting the transformative effect of the Listing and the resulting immediate liquidity offered to ARCT's initial non-traded REIT investors. From the time of the Listing to July 31, 2012, approximately 234 million shares of ARCT's common stock traded on NASDAQ with an average daily trading volume of 2.2 million shares. From the period beginning with the Listing through August 21, 2012, ARCT's stock price ranged from \$10.23 to \$11.21.

On August 9, 2012, Mr. Case contacted Mr. Schorsch and indicated Realty Income's interest in revisiting a possible strategic transaction with ARCT. Prior to Mr. Case's contact, no other third party, whether one of the original third parties previously involved in the strategic transaction process led by Goldman Sachs or otherwise, had contacted ARCT or Goldman Sachs in respect of a possible strategic transaction since the Listing. During this discussion, Mr. Case recalled Realty Income's earlier proposals that had been deemed unacceptable by ARCT, and stated that Realty Income was interested in discussing a revised offer to purchase ARCT. Mr. Schorsch stated that any offer must, among other things, be a proposal that (i) included a mix of consideration of only cash or Realty Income unrestricted common stock, (ii) included no lock-ups of ARCT's stockholders, (iii) provided for the sale of the entire company, and (iv) included a premium to ARCT's stockholders. Mr. Case

Table of Contents

informed Mr. Schorsch that any transaction would need to be consistent with Realty Income's strategic objectives, including, increasing Realty Income's funds from operations and adjusted funds from operations on a per share basis and being essentially balance sheet neutral for Realty Income. Mr. Schorsch and Mr. Case discussed that the size and scale of the combined company following a transaction could make it eligible for inclusion in additional indices and provide the combined company with a better cost of capital, which in turn would benefit ARCT's and Realty Income's respective stockholders. Mr. Schorsch and Mr. Case also discussed the fact that there would be no issues relating to integration of the employees of the two entities, as none of ARCT's management or employees would become employees of Realty Income in connection with the proposed transaction despite the Internalization that had previously taken place. Mr. Schorsch and Mr. Case discussed potential synergies and cost savings that might be realized by the combined company as a result of the proposed transaction and the fact that the proposed transaction would result in a larger, more profitable combined company. Mr. Schorsch and Mr. Case agreed that the parties would need to further discuss the Subordinated Incentive Listing Fee Note and the OPP. Mr. Schorsch and Mr. Case discussed that any negotiations between the parties must be conducted confidentially on an expedited basis in order to avoid leaks of material non-public information.

The next day, Mr. Case and Mr. Schorsch continued to discuss a possible strategic transaction between Realty Income and ARCT. Mr. Schorsch reiterated that any transaction must be at a premium to ARCT's stockholders. Mr. Case and Mr. Schorsch also discussed the attractiveness of adding ARCT's real estate portfolio to Realty Income's existing portfolio and strong balance sheet. Mr. Case and Mr. Schorsch also agreed that a stock-for-stock transaction would be beneficial to both ARCT's stockholders and Realty Income's stockholders. The same day, Mr. Schorsch advised ARCT's management and members of the ARCT Board of his conversations with Mr. Case and of Realty Income's interest in a transaction with ARCT. From August 9, 2012 through September 5, 2012, Mr. Case and Mr. Schorsch had numerous discussions with each other and with their respective boards of directors and management, regarding various aspects of the proposed transaction.

On August 11, 2012, ARCT had internal calls with ARCT's management, ARCT's internal legal counsel and Proskauer to discuss the possible transaction with Realty Income.

On August 13, 2012, the ARCT Board held a meeting during which the ARCT Board discussed the indication of interest by Realty Income, with considerable attention paid to the potential that such proposal might result in substantial long-term value creation for ARCT's stockholders. The ARCT Board also discussed that the indication of interest by Realty Income (i) provided an adequate consideration price based on cost and current market conditions; (ii) provided an attractive mix of consideration; (iii) did not include lock-ups of ARCT's stockholders; (iv) did not result in negative tax repercussions for ARCT's stockholders; and (v) provided for the sale of the entire company. After due and careful deliberation, the ARCT Board granted ARCT's management approval to initiate discussions with Realty Income and agreed to entertain a possible proposal from Realty Income, subject to conducting a thorough due diligence review and analysis of Realty Income and the terms and conditions of any proposal, further discussions and deliberations with ARCT's management, and the discharge of the ARCT Board's fiduciary duties to its stockholders. On the same day, ARCT and Realty Income executed an amendment to the existing mutual nondisclosure agreement.

On August 16, 2012, the Realty Income board of directors held a meeting. At the meeting, Realty Income's management provided an overview of ARCT's business and an update on the status of due diligence and negotiations with ARCT's management regarding the proposed transaction. Realty Income's management also reviewed with the Realty Income board of directors financial information and analysis regarding ARCT, the proposed merger, various issues pertaining to ARCT and the strategic rationale, the anticipated benefits and the considerations of the proposed transaction to Realty Income's stockholders. Additionally, the Realty Income board of directors discussed formally engaging BofA Merrill Lynch and Wells Fargo Securities as financial advisors, which investment banking firms have had longstanding relationships with Realty Income, are familiar with Realty Income and its business and are considered premier financial advisory firms for REIT merger and acquisition transactions. Accordingly, Realty Income decided to engage both investment banking firms as

Table of Contents

financial advisors to provide greater depth and diversity of financial advice and no distinction was made as to specific roles of each financial advisor. The engagements of BofA Merrill Lynch and Wells Fargo Securities were finalized by the end of August 2012.

On August 16, 2012, Mr. Case contacted Mr. Schorsch regarding the exchange ratio in a stock for stock transaction. Mr. Case initially proposed an exchange ratio of 0.2841 shares of Realty Income common stock in exchange for each share of ARCT common stock, which would equate \$11.80 per share of ARCT common stock based on the closing price of Realty Income's common stock of \$41.54 per share on August 16, 2012. Mr. Schorsch indicated to Mr. Case that the proposed exchange ratio of 0.2841 was not acceptable as it did not maximize ARCT's stockholder value.

On August 17, 2012 after further discussion by Mr. Case with Realty Income's management and with Mr. Schorsch, Mr. Case proposed to Mr. Schorsch a revised exchange ratio of 0.2874, which at Realty Income's after market price on August 17, 2012 of \$41.75 per share, would equate to \$12.00 per share of ARCT common stock, and based on the closing price for ARCT's common stock of \$11.30, represented a 6.2% premium. Mr. Schorsch and Mr. Case also discussed the reduction of management compensation contractually due under existing obligations, including forgoing a portion of the amounts payable under the OPP Agreements and creating a cap and a floor of the Subordinated Incentive Listing Fee Note. Finally, Mr. Schorsch and Mr. Case discussed the potential positive impact that the proposed transaction would have on each of ARCT's stockholders and Realty Income's stockholders. The same day, Mr. Schorsch advised ARCT management of the discussions with Mr. Case.

Also on that date, at a meeting of the ARCT Board, Goldman Sachs presented a review of the 2011 strategic process, including Realty Income's participation in the process, and Realty Income's earlier proposals in 2012. Goldman Sachs also discussed ARCT's and Realty Income's stock market performance since March 1, 2012, and the premium represented by the proposed exchange ratio of 0.2874. After due and careful deliberation, the ARCT Board concluded that it was in the best interests of ARCT's stockholders to authorize ARCT management, with the advice of counsel and its financial advisor, to continue discussions with Realty Income. Accordingly, the Board approved authorizing ARCT management to negotiate a proposed transaction with Realty Income on the terms presented to the Board, subject to conducting thorough and extensive due diligence on Realty Income, further detailed analysis by the ARCT Board, management and its advisors of the terms of the proposal, and a complete analysis of the benefits and risks of any merger, and customary conditions for transactions of this size and scope. The ARCT Board viewed this proposal as compelling because, among other things, Realty Income was willing to acquire ARCT as a whole, the exchange ratio implied a capitalization rate for ARCT's assets of 5.9%, the transaction could be effectuated on a tax-free basis, and Realty Income possessed, in the view of ARCT management, a strong balance sheet and the most attractive common stock currency in the publicly-traded net lease REIT market. The ARCT Board also approved the engagement of Proskauer to begin work related to the proposed transaction.

On August 18, 2012, Mr. Case and Mr. Schorsch continued to have discussions regarding the structure of the transaction and the OPP Agreements. These discussions also covered a proposed floor and cap on the amount of the Subordinated Incentive Listing Fee and cap on certain of ARCT's transaction expenses. On the same day, ARCT received from Realty Income a draft indicative non-binding term sheet, subject to final approval of the Realty Income board of directors, reflecting a stock-for-stock merger pursuant to which ARCT's stockholders would receive Realty Income shares at a fixed exchange ratio of 0.2874 shares of Realty Income common stock for each share of ARCT common stock, as well as an exclusivity agreement that contemplated a four week due diligence and exclusivity period. The draft indicative non-binding term sheet also contemplated a floor and a cap to amounts payable under the Subordinated Incentive Listing Fee Note and caps on certain of ARCT's transaction expenses and change of control payments under management agreements and company plans.

On August 19, 2012, after multiple internal calls over the weekend between ARCT's management, Goldman Sachs, ARCT's internal legal counsel and Proskauer, the exchange of multiple drafts of the term sheet and

exclusivity agreement between Proskauer and Latham & Watkins LLP, which we refer to as Latham & Watkins, outside legal counsel to Realty Income, and a call between Proskauer and Latham & Watkins, the term sheet was finalized and agreed to by the parties and ARCT signed an exclusivity agreement providing for a due diligence and exclusivity period through September 7, 2012.

Later that day, at a meeting of the ARCT Board, after due and careful discussion, the ARCT Board unanimously (i) reaffirmed, ratified and approved the execution of the exclusivity agreement and the agreement on the term sheet as consistent with its previously provided authorization, and (ii) affirmed, ratified and approved the engagement of Proskauer and Venable LLP, which we refer to as Venable, as ARCT's external New York and Maryland legal counsel, respectively, and the continued engagement of Goldman Sachs as ARCT's financial advisor. Venable also made a presentation to the members of the ARCT Board regarding the duties of directors under Maryland law. In addition, Goldman Sachs reviewed the anticipated next steps relating to financial and property due diligence for the proposed transaction with Realty Income.

On August 21, 2012, at a meeting of the ARCT Board, Goldman Sachs provided an overview of Realty Income's business, dividend history, management and board composition, current types of securities outstanding, share price performance and historical and current trading multiples. Proskauer also reviewed a due diligence memorandum provided to the ARCT Board prior to the meeting regarding its review of Realty Income's recent public filings, and ARCT's management made a presentation to the ARCT Board regarding its preliminary due diligence review. ARCT's management also presented to the ARCT Board materials prepared by FTI Consulting, which we refer to as FTI, and their materials, which we refer to as the FTI Report, an independent consulting firm that advised ARCT and the independent directors of the ARCT Board in connection with the OPP, summarizing amounts due to ARCT's management in connection with a transaction that would be deemed to be a change of control transaction under the ARCT's existing incentive plans. Such analysis determined that approximately \$31.573 million would be due to ARCT's management under the existing incentive plans (assuming the maximum amount of LTIP Units under the OPP Agreements were issued under such plans) if a contractually defined change of control or similar transaction were to occur. Under the agreed upon term sheet with Realty Income, change of control payments under management agreements and company plans, including under ARCT's incentive plans, would be capped at \$22 million.

Also on that day, ARCT and its advisors were provided access to Realty Income's online data room, which contained certain non-public information concerning Realty Income's business and operations.

On August 22, 2012, Latham & Watkins circulated to ARCT, Goldman Sachs and Proskauer an initial draft of the merger agreement in connection with the possible transaction.

On August 23, 2012, at a meeting of the ARCT Board, Goldman Sachs reviewed Realty Income's stock price movements relative to ARCT's stock price movements, as well as illustrative share price calculations. In addition, ARCT's management presented updated due diligence materials regarding Realty Income's portfolio and the combined portfolio of Realty Income and ARCT following the proposed merger.

On August 23, 2012, the Realty Income board of directors held a regularly scheduled meeting at which it discussed the proposed merger with ARCT. At the meeting, Realty Income management reviewed the strategic rationale and the anticipated benefits and considerations of the proposed transaction to Realty Income's stockholders, the history of negotiations with ARCT and an updated summary of the negotiations regarding the proposed merger. BofA Merrill Lynch and Wells Fargo Securities then discussed financial information regarding ARCT, Realty Income and the proposed merger.

On August 24, 2012, Proskauer circulated to Latham & Watkins comments to the draft merger agreement. Also on that day, at a meeting of the ARCT Board, Goldman Sachs reviewed further background information on Realty Income's and ARCT's respective portfolios and financial condition, and ARCT's management reported on the status of negotiations with Realty Income.

In addition, on August 24, 2012, at a meeting of the independent directors of the ARCT Board, the independent directors considered two conditions of the proposed transaction that Realty Income required of ARCT. First, the independent directors considered the requirement that the maximum amount payable under ARCT's annual plan and the vested value of any LTIP Units issued pursuant to the OPP Agreements be capped at \$22 million. The independent directors discussed the FTI Report and FTI's determination that \$31.573 million would be the minimum amount due under ARCT's incentive plans as of August 17, 2012. The independent directors pointed out that management was accepting a substantial reduction in the amount of the payments in respect of their OPP awards and a change in the structure of the OPP to satisfy Realty Income's requirements. Based upon the FTI Report, the fact that the cap had been requested by Realty Income, management's willingness to accept the capped payments in respect of their OPP awards, and the positive effect of the changes on ARCT's stockholders, the independent directors unanimously approved a contingent resolution, effective only if the proposed transaction with Realty Income was consummated, to cap the amounts payable under ARCT's incentive plans at \$22 million for 2012. Second, the independent directors considered Realty Income's requirement that the Subordinated Incentive Listing Fee Note be changed to include a cap of \$76 million and its agreement to a floor of \$58.6 million, its requirement that the conversion feature be eliminated, and its requirement that the Subordinated Incentive Listing Fee Note be fully paid at or before the closing of the proposed merger. The independent directors considered a sensitivity analysis prepared by management and discussed the possibility that the 30-day trading price of ARCT's common stock during the applicable measurement period (August 28, 2012 through October 8, 2012) could produce a lower or higher face amount for the Subordinated Incentive Listing Fee Note than the floor and cap discussed with Realty Income. The independent directors also discussed the fact that the modification requires AR Capital, as the holder of the note, to forgo significant potential upside given the fact that it had the right to exchange the note three years after issuance for common stock based on the exchange price that equals the average price of ARCT's common stock during the 30 trading days between August 28, 2012 and October 8, 2012. Based upon those considerations, the independent directors provisionally supported the proposed modification with the ultimate approval being subject to final approval by the independent directors of the proposed transaction in its entirety. For a further description of the ARCT Incentive Plans and the Subordinated Incentive Listing Fee Note, see the section entitled "Interests of ARCT's Directors and Executive Officers in the Merger" beginning on page 100 of this proxy statement/prospectus.

On August 26, 2012, Latham & Watkins circulated to Proskauer comments to the revised draft of the merger agreement.

The next day, Proskauer, Latham & Watkins and representatives from ARCT had a conference call to discuss the revised draft of the merger agreement that Latham & Watkins had circulated to Proskauer.

On August 27, 2012, at a meeting of the ARCT Board, Goldman Sachs provided further background information on Realty Income, and ARCT's management reported on the status of negotiations with Realty Income.

On August 29, 2012, Proskauer circulated to Latham & Watkins comments to the revised draft of the merger agreement as well as an initial draft of ARCT's disclosure letter to the merger agreement. Also on that day, at a meeting of the Board, ARCT's management reported on the status of negotiations with Realty Income. When the LTIP unit pool was adopted by the independent directors of the ARCT Board on March 1, 2012, it was their intention that 100% of the LTIP pool be allocated to eligible participants. In connection with the agreement that the incentive payments to Messrs. Schorsch and Kahane be reduced and limited to the Incentive Cap, the ARCT Board determined that to the extent possible such amounts should be paid from the LTIP unit pool because (i) since the LTIP units subject to pool were already reserved for issuance, they would not further dilute ARCT stockholders, and (ii) it would not require any additional cash payments from ARCT. Accordingly, the ARCT Board determined that the remaining LTIP unit pool should be allocated to Messrs. Schorsch and Kahane, subject to the Incentive Cap. After taking into account the grant of the remaining LTIP unit pool to Messrs. Schorsch and Kahane, the amounts that they will be eligible to receive, subject to the Incentive Cap, will still be less than the

Table of Contents

amounts that they otherwise would have been entitled to receive pursuant to their original LTIP units under the Incentive Plans absent the Incentive Cap.

In addition, on August 29, 2012, at a meeting of the independent directors of the ARCT Board, the independent directors unanimously approved the grant of the remaining 30% of the LTIP Units under the OPP that had not been granted to date, which additional awards would also be subject to the \$22 million cap required by Realty Income. The independent directors also considered further Realty Income's requirement that the Subordinated Incentive Listing Fee Note be changed to have a cap of \$76 million and Realty Income's agreement to a floor of \$58.6 million.

On August 30, 2012, at a meeting of the independent directors of the ARCT Board, the independent directors further discussed Realty Income's required changes to the Subordinated Incentive Listing Fee Note. After discussion, the independent directors unanimously approved the following modifications to the Subordinated Incentive Listing Fee Note: (i) a maximum principal amount of \$76 million; (ii) the note would be payable on demand in cash upon five days' written notice of AR Capital, the holder of the note; (iii) AR Capital would relinquish its right to convert the principal amount of the note into ARCT common stock; and (iv) the floor amount of the note would be the lesser of \$58.6 million or the implied average trading price for ARCT's common stock based on applying the exchange ratio of 0.2874 to the average trading price of Realty Income's common stock, commencing on August 28, 2012, and ending on the day before the merger agreement is executed and publicly announced.

On August 31, 2012, Proskauer, Latham & Watkins and representatives from ARCT had multiple conference calls to discuss, among other things, the revised draft of the merger agreement that Proskauer had circulated to Latham & Watkins.

On September 2, 2012, Proskauer, Latham & Watkins, representatives from ARCT and representatives from Realty Income had a conference call to discuss the revised draft of the merger agreement that Proskauer had circulated to Latham, including, among other things, the restrictions on ARCT's and Realty Income's operations between the execution of the merger agreement and the closing, the force-the-vote provision that had been requested by Realty Income (which provision was not included in the final version of the merger agreement, at ARCT's insistence), and the provisions regarding the termination fee and expense reimbursement, including the amounts thereof, and the instances in which they would be payable.

On September 3, 2012, Latham & Watkins circulated to Proskauer comments to the revised draft of the merger agreement and an initial draft of the voting agreement.

On September 4, 2012, Proskauer circulated to Latham & Watkins comments to the revised draft of the merger agreement. On the same day, Latham & Watkins circulated to Proskauer an initial draft of Realty Income's disclosure letter and an initial draft of the side letter relating to, among other things, certain of ARCT's transaction expenses.

On September 5, 2012, Latham & Watkins circulated to Proskauer comments to the revised draft of the merger agreement. On each of September 5, 2012 and September 6, 2012, representatives of ARCT and Realty Income, as well as their respective counsel, continued to negotiate the terms of the merger agreement and the other transaction documents and continued to exchange drafts of such.

On September 5, 2012, at a meeting of the ARCT Board, Goldman Sachs presented its financial analysis of the transaction, Proskauer provided the ARCT Board a detailed review of the merger agreement and a detailed update of its legal due diligence review with respect to Realty Income, and management made another presentation regarding its due diligence review with respect to Realty Income. In addition, at a meeting of the independent directors of the ARCT Board, the independent directors considered a modification requested by AR Capital with respect to the Subordinated Incentive Listing Fee Note, which modification would remove the cap of

Table of Contents

\$76 million on the principal amount of the note if the proposed transaction with Realty Income was not consummated. The independent directors agreed to this request, but AR Capital later withdrew it, and it did not become a part of the ultimate agreement concerning the Subordinated Incentive Listing Fee Note.

Also on September 5, 2012, the Realty Income board of directors held a special meeting to discuss the proposed merger with ARCT. At the meeting, Realty Income's management provided an update to the Realty Income board of directors on the negotiation of the proposed merger and summarized the results of its due diligence review of ARCT. Representatives of Latham & Watkins then reviewed the material terms of the proposed merger agreement and addressed and discussed the results of its due diligence review of ARCT. Also at this meeting, BofA Merrill Lynch and Wells Fargo Securities each separately reviewed with the Realty Income board of directors its financial analysis of the 0.2874 exchange ratio provided for in the merger and each separately delivered to the Realty Income board of directors an oral opinion, which was confirmed by delivery of a written opinion dated September 5, 2012, to the effect that, as of that date and based on and subject to various assumptions and limitations described in its opinion, such exchange ratio was fair, from a financial point of view, to Realty Income. Following discussions and deliberations by Realty Income's board of directors, the Realty Income board of directors unanimously approved the merger agreement and the transactions contemplated by the merger agreement.

On the morning of September 6, 2012, at a meeting of the ARCT Board, Goldman Sachs rendered to the ARCT Board its oral opinion, which was subsequently confirmed in writing, that, as of September 6, 2012, and based upon and subject to the limitations and assumptions set forth in the written opinion, the exchange ratio of 0.2874 shares of Realty Income common stock to be paid for each share of ARCT common stock pursuant to the merger agreement was fair from a financial point of view to the holders (other than Realty Income and its affiliates) of ARCT common stock. Following deliberations, the ARCT Board determined it was in the best interests of ARCT and its stockholders to enter into the merger agreement with Realty Income. Accordingly, the ARCT Board (i) unanimously determined that the merger agreement, merger and the other transactions contemplated thereby are advisable, fair to, and in the best interests of ARCT and its stockholders and approved the merger agreement, the merger and the other transactions contemplated thereby and (ii) recommended that the stockholders approve the merger and the other transactions contemplated by the merger agreement.

On the morning of September 6, 2012, before the U.S. stock markets opened, ARCT and Realty Income executed and delivered the merger agreement and certain ancillary documents and issued a joint press release announcing the merger.

Recommendation of Realty Income's Board of Directors and Its Reasons for the Merger

By vote at a meeting held on September 5, 2012, Realty Income's board of directors unanimously (i) determined that the merger agreement and the merger, including the issuance of Realty Income common stock in connection with the merger, are advisable and in the best interests of Realty Income and its stockholders; (ii) approved the merger agreement, the merger and the other transactions contemplated thereby; and (iii) approved the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement. **Realty Income's board of directors unanimously recommends that Realty Income stockholders vote FOR the proposal to approve the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement and FOR the proposal to adjourn the special meeting, if necessary or appropriate, to solicit additional proxies in favor of the proposal to approve the issuance of shares of Realty Income common stock to ARCT stockholders pursuant to the merger agreement.**

In evaluating the merger agreement, Realty Income's board of directors consulted with Realty Income's management and legal and financial advisors and, in deciding to approve the merger agreement and to recommend that Realty Income stockholders vote to approve the issuance of Realty Income common stock to

ARCT stockholders pursuant to the merger agreement, Realty Income's board of directors considered several factors that it viewed as supporting its decision, including the following material factors:

because a substantial portion of the rental revenue added by the merger will be generated by investment-grade tenants, the merger is expected to significantly advance Realty Income's strategic objective to further enhance the credit quality of its real estate portfolio;

the belief that the merger will immediately increase and be accretive to Realty Income's funds from operations and adjusted funds from operations and that, following the merger, Realty Income will be able to increase its dividend, while maintaining a conservative payout ratio;

following the merger, Realty Income's real estate portfolio will be more diversified by industry, tenant and asset class;

the combined real estate portfolio will have higher occupancy rates and average lease term, and the merger is expected to reduce Realty Income's exposure to near-term lease expirations;

based on current stock prices, the merger will create the largest publicly traded net lease REIT by equity value, which is expected to enhance Realty Income's ability to execute large, accretive transactions;

the expectation that the merger will be essentially balance sheet neutral, despite substantially growing the overall size of Realty Income's balance sheet;

because none of the employees of ARCT will remain with the combined company and all of the properties owned by ARCT are net leased properties similar to Realty Income's existing property portfolio, any integration, additional resources or ongoing expenses required to integrate the ARCT properties are expected to be minimal;

the exchange ratio is fixed and will not fluctuate as a result of changes in the price of Realty Income common stock or ARCT common stock, and a fixed exchange ratio limits the impact of external factors on the transaction;

the Realty Income board of directors' and management's strong understanding of the business, operations, financial condition, earnings and prospects of Realty Income and ARCT, taking into account the results of Realty Income's due diligence review of ARCT, as well as of the current and prospective environment in which Realty Income and ARCT operate, including economic and market conditions;

the separate opinions, each dated September 5, 2012, of BofA Merrill Lynch and Wells Fargo Securities to Realty Income's board of directors as to the fairness, from a financial point of view and as of such date, to Realty Income of the exchange ratio provided for in the merger pursuant to the merger agreement, which opinions were based on and subject to the assumptions made, procedures followed, factors considered and limitations on the review undertaken as more fully described below in the section entitled "Opinions of Realty Income's Financial Advisors"; and

the commitment of both parties to complete the merger pursuant to their respective obligations under the terms of the merger agreement, and the likelihood that the stockholder approvals needed to complete the merger will be obtained in a timely manner,

which is supported in part by the voting agreement entered into by Nicholas S. Schorsch, the chairman of the board of directors of ARCT, and William M. Kahane, the chief executive officer, president and a director of ARCT, with Realty Income and ARCT to vote in favor of the transactions contemplated by the merger agreement.

Realty Income's board of directors also considered a variety of risks and other potentially negative factors concerning the merger agreement and the transactions contemplated by it, including the merger. These factors included:

the possibility that the merger may not be completed, or that completion may be unduly delayed, including because ARCT stockholders may not approve the merger and the other transactions

contemplated by the merger agreement, Realty Income stockholders may not approve the issuance of shares of Realty Income common stock to ARCT stockholders in connection with the merger or because of reasons beyond the control of Realty Income and/or ARCT;

the risk that failure to complete the merger could negatively affect the price of Realty Income common stock and future business and financial results of Realty Income;

the potential risk of diverting management focus and resources from operational matters and other strategic opportunities while working to implement the merger;

the risk of not capturing all of the anticipated operational synergies and cost savings between Realty Income and ARCT and the risk that other anticipated benefits might not be realized in the expected timeframe or at all;

the substantial costs to be incurred in connection with the transaction, including the costs of integrating the businesses of Realty Income and ARCT and the transaction expenses arising from the merger;

the restrictions on the conduct of Realty Income's business between the date of the merger agreement and the date of the closing of the merger;

the obligation to pay to ARCT \$4 million in expense reimbursement if the merger agreement is terminated under certain circumstances; and

other matters described under the caption "Risk Factors."

This discussion of the information and factors considered by Realty Income's board of directors in reaching its conclusion and recommendations is not intended to be exhaustive and is not provided in any specific order or ranking. In view of the wide variety of factors considered by Realty Income's board of directors in evaluating the merger agreement and the transactions contemplated by it, including the merger, and the complexity of these matters, Realty Income's board of directors did not find it practicable to, and did not attempt to, quantify, rank or otherwise assign relative weight to those factors. In addition, different members of Realty Income's board of directors may have given different weight to different factors. Realty Income's board of directors did not reach any specific conclusion with respect to any of the factors considered and instead conducted an overall review of such factors and determined that, in the aggregate, the potential benefits considered outweighed the potential risks or possible negative consequences of approving the merger agreement and the issuance of shares of Realty Income common stock thereunder.

This explanation of the reasoning of Realty Income's board of directors and all other information presented in this section is forward-looking in nature and, therefore, should be read in light of the factors discussed under the heading "Cautionary Statement Concerning Forward-Looking Statements."

Recommendation of ARCT's Board of Directors and Its Reasons for the Merger

The ARCT board of directors has unanimously approved the merger agreement and determined that the merger agreement and the transactions contemplated by the merger agreement, including the merger, are advisable, fair to and in the best interests of ARCT and its stockholders. The decision of the ARCT board of directors to enter into the merger agreement was the result of careful consideration by the ARCT board of directors of numerous factors, including the following material factors:

Edgar Filing: American Realty Capital Trust, Inc. - Form DEFM14A

the value of the merger consideration, which, based on the closing price per Realty Income common share on September 5, 2012 (the last full trading day before announcement of the proposed merger), implied a value of \$12.21 per share of ARCT common stock, representing a premium of approximately 6.8% over the average closing price per share of ARCT common stock over the 30 calendar days prior to September 5, 2012 and a premium of approximately 12.3% over the average closing price per share of ARCT common stock since March 1, 2012, the date that ARCT's common stock was listed on the NASDAQ;

Table of Contents

as a result of its increased size and scale, the combined company, which will be the largest publicly traded net lease REIT by enterprise value and equity market capitalization and one of the largest publicly traded REITs in the U.S., is expected to have a strategic advantage over its competitors in successfully executing on large acquisition opportunities;

the expectation that after the closing of the merger, ARCT's former stockholders will benefit from improved liquidity as a result of the increased equity capitalization and the increased stockholder base of the combined company;

the combined company will have a property portfolio with greater diversification by asset class and tenant/operator than ARCT currently possesses;

as a result of its larger size, access to multiple forms of capital and investment grade balance sheet, the combined company will have lower cost of debt capital than ARCT on a stand-alone basis and substantially all of its competitors operating in the net lease real estate market, thereby enabling the combined company to fund its external acquisition growth strategy at a lower cost;

as shareholders of the combined company, former ARCT shareholders will immediately benefit from the investment grade credit rating of the combined company without the time and risk that would be associated with ARCT potentially achieving an investment grade rating on its own;

as an experienced issuer of public securities, the combined company should be able to raise capital in the public capital markets more easily and cheaply than would ARCT which has not previously completed an underwritten offering of equity or debt securities;

the combined company will be able to achieve greater economies of scale than ARCT on a stand-alone basis by allocating Realty Income's operating platform over a larger portfolio;

the combination of ARCT and Realty Income is expected to result in the realization of annual general and administrative cost savings of approximately \$4 million;

because the merger consideration consists of Realty Income common stock and the exchange ratio is fixed, ARCT stockholders will benefit from any increase in the trading price of Realty Income common shares between the announcement of the merger and the closing of the merger and any increases following the closing of the merger, whether from future growth in funds from operations per share or as a result of any premium paid to Realty Income stockholders in connection with a future acquisition of Realty Income;

the merger is expected to be immediately accretive to Realty Income's funds from operations and funds available for distribution, and that the combined company's stockholders after the closing of the merger will benefit from a stable and secure dividend with above-average growth potential;

the ARCT board of directors' understanding of the information concerning ARCT's and Realty Income's respective businesses, financial performance, condition, operations, management, competitive positions, prospects and stock performance, including the report of ARCT's management on the results of ARCT's due diligence review of Realty Income and its assets, liabilities, earnings, financial condition, business and prospects, which confirmed the positive view of Realty Income's business and supported the ARCT board of directors' determination that the combined company would have a strong foundation for growth and improved performance;

Edgar Filing: American Realty Capital Trust, Inc. - Form DEFM14A

in light of the review of potential strategic alternatives conducted by ARCT in May 2011 (see the section entitled "Background of the Merger" beginning on page 53 of this proxy statement/prospectus), the ARCT board of directors did not believe that it was likely that another party would make or accept an offer to engage in a transaction with ARCT that would be more favorable to ARCT and its stockholders than the merger;

the oral opinion of Goldman Sachs rendered to the ARCT board of directors, which was subsequently confirmed in writing, to the effect that as of September 4, 2012, and subject to the limitations and

assumptions set forth in Goldman Sachs' written opinion, the exchange ratio of 0.2874 shares of Realty Income common stock to be paid for each share of ARCT common stock pursuant to the merger agreement was fair from a financial point of view to the holders (other than Realty Income and its affiliates) of shares of ARCT common stock. For a discussion of Goldman Sachs' opinion and the financial analyses presented by Goldman Sachs to the ARCT board of directors in connection with the delivery of its opinion, please refer to the section entitled "Opinion of ARCT's Financial Advisor" beginning on page 88 of this proxy statement/prospectus.

the ability to complete the merger within a reasonable period of time, including the likelihood of receiving the Realty Income and ARCT stockholder approvals necessary to complete the transaction in a timely manner and the necessary third party consents and other approvals in light of the efforts ARCT and Realty Income agreed to use in order to complete the transaction;

the merger agreement provisions permitting ARCT to furnish non-public information to, and engage in discussions with, a third party that makes an unsolicited bona fide written proposal to engage in a business combination transaction, provided that the ARCT board of directors determines in good faith, (i) after consultation with outside legal counsel and financial advisors, that the proposal is reasonably likely to result in a transaction that, if consummated, would be more favorable to ARCT stockholders than the merger, and (ii) after consultation with outside legal counsel, that failure to take such action would be inconsistent with the directors' duties under applicable law (see the section entitled "The Merger Agreement, Covenants and Agreements, No Solicitation of Transactions by ARCT" beginning on page 140 of this proxy statement/prospectus);

the merger agreement provisions permitting the ARCT board of directors to, under certain circumstances, withhold, withdraw, modify or qualify its recommendation with respect to the merger if (i) the ARCT board of directors receives an unsolicited bona fide written proposal to engage in a business combination transaction that, in the good faith determination of the ARCT board of directors, after consultation with outside legal counsel and financial advisors, constitutes a transaction that, if consummated, would be more favorable to ARCT stockholders than the merger, and (ii) the ARCT board of directors determines in good faith, after consultation with outside legal counsel, that failure to take such action would be inconsistent with the directors' duties under applicable law, and, subject to the requirement to pay the termination fee and expense reimbursement referenced below, terminate the merger agreement (see the section entitled "The Merger Agreement, Covenants and Agreements, No Solicitation of Transactions by ARCT" beginning on page 140 of this proxy statement/prospectus);

the structure of the transaction and the terms of the merger agreement, including the fact that the merger is intended to qualify as a reorganization within the meaning of the Code and is, therefore, not expected to be taxable to ARCT stockholders, other than with respect to cash received in lieu of fractional Realty Income common shares;

the fact that the amounts under the OPP Agreements and ARCT's Annual Incentive Plan were subject to a maximum threshold which will result in a significant reduction in the amounts earned thereunder (see the section entitled "Interests of ARCT's Directors and Executive Officers in the Merger" beginning on page 100 of this proxy statement/prospectus); and

the fact that the principal amount payable under the Subordinated Incentive Listing Fee Note was subject to a maximum threshold and provisions relating to future exchanges were eliminated.

The ARCT board of directors also identified and considered the following potentially negative factors in its deliberations:

because the merger consideration is Realty Income stock and the exchange ratio is fixed, ARCT stockholders will be adversely affected by any decrease in the trading price of Realty Income common shares between the announcement of the transaction and the completion of the merger, which would not have been the case had the consideration been based solely on a fixed value (that is, a fixed dollar

Table of Contents

amount of value per share in all cases); and the fact that ARCT is not permitted to terminate the merger agreement solely because of changes in the market price of Realty Income common shares;

based on the exchange ratio and the monthly dividend most recently announced by Realty Income of \$0.1514375 per share, the pro forma equivalent dividend to be paid to ARCT stockholders is approximately \$0.04352 per share, which is less than the monthly dividend of \$0.05958 per share most recently paid by ARCT;

the possible disruption to ARCT's or Realty Income's business that may result from the announcement of the transaction;

the risk that the cost savings, operational synergies and other benefits expected result from the transaction might not be fully realized or not realized at all;

the terms of the merger agreement regarding the restrictions on the operation of ARCT's business during the period between the signing of the merger agreement and the completion of the merger;

the \$51 million termination fee and/or \$4 million expense reimbursement to be paid to Realty Income if the merger agreement is terminated under circumstances specified in the merger agreement, which is approximately 2.8% of the net equity value of the merger based on the closing price per share of Realty Income's common stock on September 5, 2012, the last full trading day immediately preceding the announcement of the transaction, may discourage other parties that may otherwise have an interest in a business combination with, or an acquisition of, ARCT (see the section entitled "The Merger Agreement Termination of the Merger Agreement" beginning on page 146 of this proxy statement/prospectus);

the terms of the merger agreement placing limitations on the ability of ARCT to solicit, initiate, knowingly encourage or facilitate any inquiry, discussion, offer or request that would reasonably be expected to result in alternative business combination transactions and to furnish non-public information to, or engage in discussions or negotiations with, a third party interested in pursuing an alternative business combination transaction (see the section entitled "The Merger Agreement Covenants and Agreements No Solicitation of Transactions by ARCT" beginning on page 140 of this proxy statement/prospectus);

the possibility that the merger may not be completed or may be unduly delayed because the ARCT stockholders may not approve the merger and the other transactions contemplated by the merger agreement, the Realty Income stockholders may not approve the issuance of shares of Realty Income common stock to ARCT stockholders in connection with the merger, or other factors outside of ARCT's control;

the risk that the merger might not be completed and the effect of the resulting public announcement of termination of the merger agreement on:

the market price of ARCT common stock,

ARCT's operating results, particularly in light of the costs incurred in connection with the transaction, and

the fact that a portion of the LTIP Units issued under the OPP Agreements will vest immediately in connection with the merger which may accelerate the rights the LTIP Unit holders have with respect thereto (see the section entitled **Interests of ARCT's Directors and Executive Officers in the Merger** beginning on page 100 of this proxy statement/prospectus);

The ARCT board of directors also considered the interests that certain executive officers and directors of ARCT may have with respect to the merger in addition to their interests as stockholders of ARCT generally (see the section entitled **Interests of ARCT's Directors and Executive Officers in the Merger** beginning on page 100 of this proxy statement/prospectus), which the ARCT board of directors considered as being neutral in its evaluation of the proposed transaction.

Although the foregoing discussion sets forth the material factors considered by the ARCT board of directors in reaching its recommendation, it may not include all of the factors considered by the ARCT board of directors, and each director may have considered different factors or given different weights to different factors. In view of the variety of factors and the amount of information considered, the ARCT board of directors did not find it practicable to, and did not, make specific assessments of, quantify or otherwise assign relative weights to the specific factors considered in reaching its recommendation. The ARCT board of directors realized that there can be no assurance about future results, including results expected or considered in the factors above. However, the ARCT board of directors concluded that the potential positive factors described above significantly outweighed the neutral and negative factors described above. The recommendation was made after consideration of all of the factors as a whole. This explanation of ARCT's reasons for the merger and the other information presented in this section are forward-looking in nature and, therefore, should be read in light of the factors discussed in the section entitled **Cautionary Statement Regarding Forward-Looking Statements** beginning on page 31 of this proxy statement/prospectus.

THE ARCT BOARD OF DIRECTORS HAS UNANIMOUSLY APPROVED THE MERGER AGREEMENT AND DETERMINED THAT THE MERGER AGREEMENT AND THE TRANSACTIONS CONTEMPLATED BY THE MERGER AGREEMENT, INCLUDING THE MERGER, ARE ADVISABLE, FAIR TO AND IN THE BEST INTERESTS OF ARCT AND ITS STOCKHOLDERS. ACCORDINGLY, THE ARCT BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE ARCT STOCKHOLDERS VOTE FOR APPROVAL OF THE MERGER AND THE OTHER TRANSACTIONS CONTEMPLATED BY THE MERGER AGREEMENT.

In considering the recommendation of the ARCT board of directors with respect to the merger agreement, you should be aware that certain of ARCT's directors and officers have arrangements that cause them to have interests in the transaction that are different from, or are in addition to, the interests of ARCT stockholders generally. See the section entitled **Interests of ARCT's Directors and Executive Officers in the Merger** beginning on page 100 of this proxy statement/prospectus.

The explanation of the reasoning of ARCT's board of directors and all other information presented in this section is forward-looking in nature and, therefore, should be read in light of the factors discussed under the heading **Cautionary Statement Concerning Forward-Looking Statements**.

Opinions of Realty Income's Financial Advisors

BofA Merrill Lynch

Realty Income has retained BofA Merrill Lynch to act as one of its financial advisors in connection with the merger. BofA Merrill Lynch is an internationally recognized investment banking firm which is regularly engaged in the valuation of businesses and securities in connection with mergers and acquisitions, negotiated underwritings, secondary distributions of listed and unlisted securities, private placements and valuations for corporate and other purposes. Realty Income selected BofA Merrill Lynch to act as one of its financial advisors in connection with the merger on the basis of BofA Merrill Lynch's experience in transactions similar to the merger, its reputation in the investment community and its familiarity with Realty Income and its business.

On September 5, 2012, at a meeting of Realty Income's board of directors held to evaluate the merger, BofA Merrill Lynch delivered to Realty Income's board of directors an oral opinion, which was confirmed by delivery of a written opinion dated September 5, 2012, to the effect that, as of the date of the opinion and based on and subject to various assumptions and limitations described in its opinion, the exchange ratio provided for in the merger was fair, from a financial point of view, to Realty Income.

The full text of BofA Merrill Lynch's written opinion to Realty Income's board of directors, which describes, among other things, the assumptions made, procedures followed, factors considered and limitations on the review undertaken, is attached as Annex D to this document and is incorporated by reference herein in its entirety. In arriving at its opinion, BofA Merrill Lynch assumed and relied upon, without independent verification, the accuracy and completeness of the financial and other information and data publicly available or provided to or otherwise reviewed by or discussed with it and relied upon the assurances of the managements of Realty Income and ARCT that they were not aware of any facts or circumstances that would make such information or data inaccurate or misleading in any material respect. With respect to the ARCT Forecasts, BofA Merrill Lynch was advised by ARCT, and assumed, that they were reasonably prepared on bases reflecting the best currently available estimates and good faith judgments of the management of ARCT as to the future financial performance of ARCT. With respect to the Adjusted ARCT Forecasts, the Realty Income Forecasts and the Cost Savings, BofA Merrill Lynch assumed, at the direction of Realty Income, that they were reasonably prepared on bases reflecting the best currently available estimates and good faith judgments of the management of Realty Income as to the future financial performance of ARCT taking into account the adjustments reflected therein and as to the future financial performance of Realty Income, as the case may be, and other matters covered thereby. At the direction of Realty Income and based on the assessments of the management of Realty Income as to the relative likelihood of achieving the future financial results reflected in the ARCT Forecasts and the Adjusted ARCT Forecasts for the periods reflected therein, BofA Merrill Lynch relied on the Adjusted ARCT Forecasts for purposes of its opinion.

BofA Merrill Lynch did not make and was not provided with any independent evaluation or appraisal of the assets or liabilities (contingent or otherwise) of ARCT or Realty Income, nor did it make any physical inspection of the properties or assets of ARCT or Realty Income. BofA Merrill Lynch did not evaluate the solvency or fair value of ARCT or Realty Income under any state, federal or other laws relating to bankruptcy, insolvency or similar matters. BofA Merrill Lynch assumed, at the direction of Realty Income, that the merger would be consummated in accordance with its terms, without waiver, modification or amendment of any material term, condition or agreement and that, in the course of obtaining the necessary governmental, regulatory and other approvals, consents, releases and waivers for the merger, no delay, limitation, restriction or condition, including any divestiture requirements or amendments or modifications, would be imposed that would have an adverse

effect on ARCT, Realty Income or the contemplated benefits of the merger. BofA Merrill Lynch also assumed, at the direction of Realty Income, that the final executed merger agreement would not differ in any material respect from the Draft Agreement reviewed by BofA Merrill Lynch. BofA Merrill Lynch also assumed, at the direction of Realty Income, that the merger will qualify for federal income tax purposes as a reorganization under the provisions of Section 368(a) of the Code. BofA Merrill Lynch was advised by the managements of ARCT and Realty Income, respectively, that each of ARCT and Realty Income has operated in conformity with the requirements for qualification as a real estate investment trust, referred to herein as a REIT, for federal income tax purposes since its formation as a REIT and further assumed, at the direction of Realty Income, that the merger will not adversely affect the status or operation of Realty Income as a REIT. In addition, BofA Merrill Lynch assumed, at the direction of Realty Income, that the surviving entity in the merger will constitute a qualified REIT subsidiary within the meaning of section 856(i)(2) of the Code.

BofA Merrill Lynch expressed no view or opinion as to any terms or other aspects of the merger (other than the exchange ratio to the extent expressly specified in its opinion), including, without limitation, the form or structure of the merger. BofA Merrill Lynch's opinion was limited to the fairness, from a financial point of view, to Realty Income of the exchange ratio provided for in the merger and no opinion or view was expressed with respect to any consideration received in connection with the merger by the holders of any other class of securities, creditors or other constituencies of any party. In addition, no opinion or view was expressed with respect to the fairness (financial or otherwise) of the amount, nature or any other aspect of any compensation to any of the officers, directors or employees of any party to the merger, or class of such persons, relative to the exchange ratio. Furthermore, no opinion or view was expressed as to the relative merits of the merger in comparison to other strategies or transactions that might be available to Realty Income or in which Realty Income might engage or as to the underlying business decision of Realty Income to proceed with or effect the merger. BofA Merrill Lynch did not express any opinion as to what the value of Realty Income common stock actually would be when issued or the prices at which Realty Income common stock or ARCT common stock would trade at any time, including following announcement or consummation of the merger. In addition, BofA Merrill Lynch expressed no opinion or recommendation as to how any stockholder should vote or act in connection with the merger or any related matter. Except as described above, Realty Income imposed no other limitations on the investigations made or procedures followed by BofA Merrill Lynch in rendering its opinion.

BofA Merrill Lynch's opinion was necessarily based on financial, economic, monetary, market and other conditions and circumstances as in effect on, and the information made available to BofA Merrill Lynch as of, the date of its opinion. It should be understood that subsequent developments may affect its opinion, and BofA Merrill Lynch does not have any obligation to update, revise or reaffirm its opinion. The issuance of BofA Merrill Lynch's opinion was approved by BofA Merrill Lynch's Americas Fairness Opinion Review Committee.

The following represents a brief summary of the material financial analyses presented by BofA Merrill Lynch to Realty Income's board of directors in connection with its opinion. **The financial analyses summarized below include information presented in tabular format. In order to fully understand the financial analyses performed by BofA Merrill Lynch, the tables must be read together with the text of each summary. The tables alone do not constitute a complete description of the financial analyses performed by BofA Merrill Lynch. Considering the data set forth in the tables below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of the financial analyses performed by BofA Merrill Lynch.**

Financial Analyses.

Selected Companies Analyses. BofA Merrill Lynch reviewed publicly available financial and stock market information for ARCT and the following four companies, referred to as the selected REITs, based on the criteria that each (i) was a publicly traded REIT, (ii) operated in the net lease sector, (iii) had an enterprise value that was meaningful for purposes of comparison to ARCT, (iv) had an appropriate capital structure for purposes of

comparison to ARCT, and (v) was otherwise deemed relevant for purposes of comparison to ARCT based on BofA Merrill Lynch's professional judgment:

Realty Income Corporation

National Retail Properties, Inc.

Entertainment Properties Trust

Lexington Realty Trust

BofA Merrill Lynch reviewed, among other things, closing stock prices of the selected REITs on August 31, 2012 as a multiple of both calendar year 2013 estimated FFO and calendar year 2013 estimated Adjusted FFO, which we refer to as AFFO. BofA Merrill Lynch further reviewed annualized quarterly and monthly dividends, as applicable, of the selected REITs as a percentage of the closing stock prices of the selected REITs on August 31, 2012, referred to as dividend yield. BofA Merrill Lynch observed low to high calendar year 2013 FFO and AFFO multiples for the selected REITs to be 9.2x to 19.7x and 12.3x to 19.3x, respectively, and low to high dividend yields for the selected REITs to be 4.3% to 6.6%. BofA Merrill Lynch then applied to corresponding data of ARCT (adjusted to reflect the payment due to ARCT's external management company, which we refer to as Adjusted FFO and Adjusted AFFO, respectively) a selected range of multiples of 14.5x to 16.5x derived from the selected REITs in respect of both calendar year 2013 estimated Adjusted FFO and calendar year 2013 estimated Adjusted AFFO. In addition, BofA Merrill Lynch applied a selected range of dividend yields of 5.5% to 6.0% derived from the selected REITs to ARCT's annualized dividend per share. Estimated financial data of the selected REITs other than Realty Income were based on publicly available research analysts' estimates, estimated financial data of ARCT were based on the Adjusted ARCT Forecasts, and estimated financial data of Realty Income were based on the Realty Income Forecasts. This implied the following approximate per share equity value reference ranges for ARCT on a standalone basis, as compared to the implied consideration value of \$12.11 per share:

Implied Per Share Equity Value Reference Ranges Based On

			Implied Consideration Value
2013E Adjusted AFFO	2013E Adjusted FFO	Annualized Dividend Yield	
\$11.45 - \$13.05	\$11.45 - \$13.05	\$11.90 - \$13.00	\$12.11

No company used in this analysis is identical or directly comparable to ARCT. Accordingly, an evaluation of the results of this analysis is not entirely mathematical. Rather, this analysis involves complex considerations and judgments concerning differences in financial and operating characteristics and other factors that could affect the public trading or other values of the companies to which ARCT was compared.

Based on the standalone implied per share equity value reference ranges for ARCT described above and Realty Income's closing stock price of \$42.13 on August 31, 2012, BofA Merrill Lynch calculated implied exchange ratio reference ranges. The implied reference ranges derived from the calendar year 2013 Adjusted FFO and Adjusted AFFO multiples described above indicated, in each case, an implied exchange ratio reference range of 0.2718x to 0.3098x, while the implied reference ranges derived from the annual dividend yield described above indicated an implied exchange ratio reference range of 0.2825x to 0.3086x, as compared to the 0.2874x exchange ratio in the merger.

BofA Merrill Lynch reviewed publicly available financial and stock market information for Realty Income and the other selected REITs (including ARCT), including the multiple of closing stock price on August 31, 2012 to forward 12 months FFO, the premium/discount of closing stock price on August 31, 2012 to net asset value per share, and the trading history for Realty Income common stock as compared with the trading histories of the other selected REITs (including ARCT) and based on this review in its professional judgment BofA Merrill Lynch determined to use Realty Income's closing stock price of \$42.13 on August 31, 2012 as the per share equity value of Realty Income for purposes of its analyses. Estimated financial data of Realty Income and the selected REITs were based on publicly available research analysts' estimates.

Selected Precedent Transactions Analysis. BofA Merrill Lynch reviewed, to the extent publicly available, financial information relating to the following six transactions which of BofA Merrill Lynch selected based on the criteria that each (i) involved the acquisition of a publicly traded REIT in the net lease sector, (ii) had a transaction value that was meaningful for purposes of comparison to the merger and (iii) was otherwise deemed relevant for purposes of comparison to the merger based on BofA Merrill Lynch's professional judgement:

Acquiror	Target
Gramercy Capital Corp.	American Financial Realty Trust
Investor Group led by Macquarie Bank	Spirit Finance Corporation
General Electric Capital Corporation	Truststreet Properties, Inc.
Record Realty Trust	Government Properties Trust, Inc.
Lexington Realty Trust	Newkirk Realty Trust, Inc.
DRA Advisors LLC	Capital Automotive REIT

BofA Merrill Lynch reviewed transaction values, based on the consideration payable in the selected transaction, as a multiple of the target company's one-year forward FFO. After adjusting the one-year forward FFO multiples based on the difference between the yield of a Baa corporate bond index at the time of announcement of the transaction and the current yield of such Baa corporate bond index (based on publicly available research analyst reports), BofA Merrill Lynch observed that the overall low to high multiples for the selected transactions were 8.8x to 20.3x. Based on its professional judgment and after taking into consideration, among other things, the observed data for the selected transactions, BofA Merrill Lynch applied one-year forward FFO multiples of 15.0x to 17.0x, derived from the selected transactions to ARCT's calendar year 2013 estimated Adjusted FFO. Estimated financial data of the selected transactions were based on publicly available information at the time of announcement of the relevant transaction. Estimated financial data of ARCT were based on the Adjusted ARCT Forecasts. This analysis indicated the following approximate implied per share equity value reference range for ARCT, as compared to the implied consideration value of \$12.11 per share:

Implied Per Share Equity Value Reference

Range Based On 2013E Adjusted FFO	Implied Consideration Value
\$11.85 - \$13.45	\$12.11

No company, business or transaction used in this analysis is identical or directly comparable to ARCT or the merger. Accordingly, an evaluation of the results of this analysis is not entirely mathematical. Rather, this analysis involves complex considerations and judgments concerning differences in financial and operating characteristics and other factors that could affect the acquisition or other values of the companies, business segments or transactions to which ARCT and the merger were compared.

Discounted Cash Flow Analysis. BofA Merrill Lynch performed a discounted cash flow analysis of ARCT to calculate the estimated present value of standalone unlevered, after-tax free cash flows that ARCT was forecasted to generate during ARCT's fiscal years 2013E through 2017E based on the Adjusted ARCT Forecasts both with and without taking into account synergies and transaction expenses related to the merger. BofA Merrill Lynch calculated terminal values for ARCT by applying a range of perpetuity growth rates of 0.75% to 1.25% to ARCT's fiscal year 2017 projected unlevered free cash flows. The cash flows and terminal values were then discounted to present value as of December 31, 2012 using discount rates ranging from 6.75% to 7.75%, which were based on an estimate of ARCT's weighted average cost of capital. This analysis indicated the following

Table of Contents

approximate implied per share equity value reference ranges for ARCT as compared to the implied consideration value of \$12.11 per share:

Implied Per Share Equity Value

Reference Ranges		
Without Synergies	With Synergies and Transaction Expenses	Implied Consideration Value
\$9.05 - \$12.90	\$9.30 - \$13.30	\$12.11

Based on the standalone implied per share equity value reference ranges for ARCT described above (both with and without synergies) and Realty Income's closing stock price of \$42.13 on August 31, 2012, BofA Merrill Lynch calculated an implied exchange ratio reference range of 0.2148x to 0.3157x, as compared to the 0.2874x exchange ratio in the merger.

Dividend Discount Analysis. BofA Merrill Lynch performed a dividend discount analysis of ARCT's common stock for the purpose of determining the per share equity value. Based on ARCT's annualized dividend per share, BofA Merrill Lynch applied a perpetual dividend growth rate ranging from 1.5% to 2.5%, which was chosen by BofA Merrill Lynch based upon a review of historical dividend growth of the selected REITs (other than Lexington Realty Trust, which was excluded because it materially reduced its dividend during the recent financial crisis) and taking into consideration ARCT's projected growth rate, amongst other things. BofA Merrill Lynch discounted the perpetual dividend stream to present values by applying a range of discount rates from 8.0% to 9.0%, chosen by BofA Merrill Lynch based upon an analysis of the cost of equity for ARCT. This analysis indicated the following approximate implied per share equity value reference range for ARCT as compared to the implied consideration value of \$12.11 per share:

Implied Per Share Equity Value

Reference Range	Implied Consideration Value
\$9.70 - \$13.30	\$12.11

Based on the standalone implied per share equity value reference range for ARCT described above and Realty Income's closing stock price of \$42.13 on August 31, 2012, BofA Merrill Lynch calculated an implied exchange ratio reference range of 0.2302x to 0.3157x, as compared to the 0.2874x exchange ratio in the merger.

Contribution Analyses.

Net Asset Value Analysis. BofA Merrill Lynch performed a per share net asset value analysis using ARCT's calendar year 2013 estimated cash net operating income and asset and liability balances as of June 30, 2012, adjusted to include the impact of certain acquisitions and financing transactions by ARCT and anticipated to close prior to December 31, 2012, based on the Adjusted ARCT Forecasts. BofA Merrill Lynch applied a range of capitalization rates of 6.50% to 7.00% to the calendar year 2013 estimated cash net operating income, excluding net operating income from acquisitions made after June 30, 2012, for the portfolio to arrive at an aggregate value for the property portfolio. The capitalization rate range applied was selected by BofA Merrill Lynch in its professional judgment based on reported capitalization rates for property transactions in the private real estate market, as provided by publicly available sources. BofA Merrill Lynch then added the value of ARCT's acquisitions since June 30, 2012 at the applicable purchase price and the value of other tangible assets of ARCT to derive an estimate of gross asset value of ARCT. BofA Merrill Lynch then deducted debt balances and other tangible liabilities of ARCT, including debt associated with certain acquisitions since June 30, 2012 and debt associated with payments due to ARCT's external management company. This analysis implied a net asset value of \$9.14 to \$10.30 per share.

Based on the standalone implied per share equity value reference range for ARCT described above and the equity research analyst average net asset value per share of \$28.91 for Realty Income, BofA Merrill Lynch

Table of Contents

calculated an implied exchange ratio reference range of 0.3165x to 0.3563x, as compared to the 0.2874x exchange ratio in the merger.

Profit & Loss Contribution Analysis. BofA Merrill Lynch performed an analysis of the contribution of each of Realty Income and ARCT to the profits and losses of the pro forma combined company with respect to calendar year 2013 estimated cash net operating income, cash EBITDA (defined as earnings before interest, taxes, depreciation and amortization), Adjusted FFO and Adjusted AFFO. Equity value contributions and relative ownership interests were then derived by adjusting firm value contributions for outstanding net debt, preferred equity, cash and non-controlling interests of both companies (and adjusting ARCT's firm value for the payment due ARCT's external management company and certain change of control payments due to ARCT management as a result of the merger), as applicable. This analysis indicated the following pro forma diluted equity value contributions and ownership interests with respect to cash net operating income, cash EBITDA, Adjusted FFO and Adjusted AFFO:

Pro Forma Contribution Based On	Realty Income % Contribution	Realty Income % Ownership	ARCT % Contribution	ARCT % Ownership
Cash NOI	73.7%	74.0%	26.3%	26.0%
Cash EBITDA	73.4%	73.5%	26.6%	26.5%
Adjusted FFO	69.0%	69.0%	31.0%	31.0%
Adjusted AFFO	69.5%	69.5%	30.5%	30.5%

Based on the range of the contribution percentages described above, BofA Merrill Lynch calculated an implied exchange ratio reference range of 0.2959x to 0.3695x, as compared to the 0.2874x exchange ratio in the merger.

Other Factors.

In rendering its opinion, BofA Merrill Lynch also reviewed and considered other factors, including:

historical trading prices and trading volumes of ARCT common stock during the 26-week period ended August 31, 2012, which reflected low and high closing prices for ARCT common stock during such period of \$10.23 to \$11.80 per share;

publicly available Wall Street research analyst reports relating to ARCT, including stock price targets for ARCT common stock, which indicated a range of approximately \$12.00 to \$13.00 per share; and

potential pro forma financial effects of the merger on Realty Income's calendar year 2013 estimated AFFO per share and annualized monthly dividend per share based on the Adjusted ARCT Forecasts, the Realty Income Forecasts, their respective public filings and other publicly available information, which indicated that the merger would likely be accretive to Realty Income's calendar year 2013 estimated AFFO per share and accretive to Realty Income's annualized monthly dividend per share.

Miscellaneous

As noted above, the discussion set forth above is a summary of the material financial analyses presented by BofA Merrill Lynch to Realty Income's board of directors in connection with its opinion and is not a comprehensive description of all analyses undertaken by BofA Merrill Lynch in connection with its opinion. The preparation of a financial opinion is a complex analytical process involving various determinations as to the most appropriate and relevant methods of financial analysis and the application of those methods to the particular circumstances and, therefore, a financial opinion is not readily susceptible to partial analysis or summary description. BofA Merrill Lynch believes that its analyses summarized above must be considered as a whole. BofA Merrill Lynch further believes that selecting portions of its analyses and the factors considered or focusing on information presented in tabular format, without considering all analyses and factors or the narrative description of the analyses, could create a misleading or incomplete view of the processes underlying BofA

Table of Contents

Merrill Lynch's analyses and opinion. The fact that any specific analysis has been referred to in the summary above is not meant to indicate that such analysis was given greater weight than any other analysis referred to in the summary.

In performing its analyses, BofA Merrill Lynch considered industry performance, general business and economic conditions and other matters, many of which are beyond the control of ARCT and Realty Income. The estimates of the future performance of ARCT and Realty Income in or underlying BofA Merrill Lynch's analyses are not necessarily indicative of actual values or actual future results, which may be significantly more or less favorable than those estimates or those suggested by BofA Merrill Lynch's analyses. These analyses were prepared solely as part of BofA Merrill Lynch's analysis of the fairness, from a financial point of view, of the exchange ratio and were provided to Realty Income's board of directors in connection with the delivery of BofA Merrill Lynch's opinion. The analyses do not purport to be appraisals or to reflect the prices at which a company might actually be sold or the prices at which any securities have traded or may trade at any time in the future. Accordingly, the estimates used in, and the ranges of valuations resulting from, any particular analysis described above are inherently subject to substantial uncertainty and should not be taken to be BofA Merrill Lynch's view of the actual values of ARCT or Realty Income.

The type and amount of consideration payable in the merger was determined through negotiations between ARCT and Realty Income, rather than by any financial advisor, and was approved by Realty Income's board of directors. The decision to enter into the merger agreement was solely that of Realty Income's board of directors. As described above, BofA Merrill Lynch's opinion and analyses were only one of many factors considered by Realty Income's board of directors in its evaluation of the proposed merger and should not be viewed as determinative of the views of Realty Income's board of directors or management with respect to the merger or the exchange ratio.

Realty Income has agreed to pay BofA Merrill Lynch for its services in connection with the merger an aggregate fee of \$3,500,000, a portion of which was payable in connection with its opinion and a significant portion of which is contingent upon the completion of the merger. Realty Income also has agreed to reimburse BofA Merrill Lynch for its expenses incurred in connection with BofA Merrill Lynch's engagement and to indemnify BofA Merrill Lynch, any controlling person of BofA Merrill Lynch and each of their respective directors, officers, employees, agents and affiliates against specified liabilities, including liabilities under the federal securities laws.

BofA Merrill Lynch and its affiliates comprise a full service securities firm and commercial bank engaged in securities, commodities and derivatives trading, foreign exchange and other brokerage activities, and principal investing as well as providing investment, corporate and private banking, asset and investment management, financing and financial advisory services and other commercial services and products to a wide range of companies, governments and individuals. In the ordinary course of their businesses, BofA Merrill Lynch and its affiliates invest on a principal basis or on behalf of customers or manage funds that invest, make or hold long or short positions, finance positions or trade or otherwise effect transactions in the equity, debt or other securities or financial instruments (including derivatives, bank loans or other obligations) of ARCT, Realty Income and certain of their respective affiliates.

BofA Merrill Lynch and its affiliates have, during the two years preceding the date of its opinion, provided, currently are providing, and in the future may provide investment banking, commercial banking and other financial services to Realty Income and have received or in the future may receive compensation for the rendering of these services, including having acted or acting as (i) joint bookrunner or co-manager for various high grade debt and follow-on equity offerings of Realty Income and (ii) lender under Realty Income's \$1 billion revolving credit facility due 2016. From January 1, 2010 through September 30, 2012, BofA Merrill Lynch and its affiliates received aggregate revenues from Realty Income of approximately \$12.5 million for commercial, corporate and investment banking services.

Wells Fargo Securities, LLC

Realty Income engaged Wells Fargo Securities as one of its financial advisors in connection with the merger. As part of that engagement, Realty Income's board of directors requested that Wells Fargo Securities evaluate the fairness, from a financial point of view, to Realty Income of the exchange ratio provided for in the merger pursuant to the merger agreement. On September 5, 2012, at a meeting of Realty Income's board of directors held to evaluate the merger, Wells Fargo Securities rendered to Realty Income's board of directors an oral opinion, confirmed by delivery of a written opinion dated September 5, 2012, to the effect that, as of that date and based on and subject to various qualifications, limitations and assumptions stated in such opinion, the exchange ratio provided for in the merger pursuant to the merger agreement was fair, from a financial point of view, to Realty Income.

The full text of Wells Fargo Securities' written opinion, dated September 5, 2012, is attached as Annex E to this joint proxy statement/prospectus. The written opinion sets forth, among other things, the assumptions made, procedures followed, factors considered and limitations on the review undertaken by Wells Fargo Securities in rendering its opinion. The following summary is qualified in its entirety by reference to the full text of such opinion. The opinion was addressed to Realty Income's board of directors (in its capacity as such) for its information and use in connection with its evaluation of the exchange ratio from a financial point of view to Realty Income and Wells Fargo Securities expressed no opinion or view with regard to any other terms, aspects or implications of the merger. Wells Fargo Securities' opinion did not address the merits of the underlying decision by Realty Income to enter into the merger agreement or the relative merits of the merger compared with other business strategies or transactions available or that have been or might be considered by Realty Income's management or board of directors or in which Realty Income might engage. The opinion does not constitute a recommendation to Realty Income's board of directors or any other person or entity in respect of the merger, including as to how any stockholder should vote or act in connection with the merger or any other matters.

The terms of the merger were determined through negotiations between Realty Income and ARCT, rather than by any financial advisor, and the decision to enter into the merger was solely that of Realty Income's board of directors. Wells Fargo Securities did not recommend any specific form of consideration to Realty Income's board of directors or that any specific form of consideration constituted the only appropriate consideration for the merger. The opinion was only one of many factors considered by Realty Income's board of directors in its evaluation of the merger and should not be viewed as determinative of the views of Realty Income's board of directors, management or any other party with respect to the merger or the consideration payable in the merger.

In arriving at its opinion, Wells Fargo Securities, among other things:

reviewed a draft, dated September 5, 2012, of the merger agreement, including the financial terms of the merger;

reviewed certain publicly available business, financial and other information regarding Realty Income and ARCT, including information set forth in their respective annual reports to stockholders and annual reports on Form 10-K for the fiscal years ended December 31, 2009, 2010 and 2011 and quarterly reports on Form 10-Q for the period ended June 30, 2012;

reviewed certain other business and financial information regarding Realty Income and ARCT furnished to Wells Fargo Securities by and discussed with the managements of Realty Income and ARCT, including financial forecasts and estimates relating to Realty Income for the fiscal years ending December 31, 2012 and 2013 prepared by Realty Income's management and financial forecasts and estimates relating to ARCT for the fiscal years ending December 31, 2012 and 2013 prepared by ARCT's management as extended for the fiscal years ending December 31, 2014 through 2016 based upon assumptions of ARCT's management;

reviewed reported prices and trading activity for Realty Income common stock and ARCT common stock;

compared certain financial data of Realty Income and ARCT with similar data of certain other publicly traded companies that Wells Fargo Securities deemed relevant in evaluating Realty Income and ARCT;

analyzed the estimated net asset value of ARCT's real estate portfolio based upon financial forecasts and estimates referred to above and related assumptions discussed with and confirmed as reasonable by the managements of Realty Income and ARCT;

analyzed the estimated present value of the future dividends per share of ARCT based upon financial forecasts and estimates referred to above and related assumptions discussed with and confirmed as reasonable by the managements of Realty Income and ARCT;

reviewed the relative financial contributions of Realty Income and ARCT to the financial performance of the combined company on a pro forma basis based upon financial forecasts and estimates referred to above and related assumptions discussed with and confirmed as reasonable by the managements of Realty Income and ARCT; and

considered other information, such as financial studies, analyses, and investigations, as well as financial, economic and market criteria, that Wells Fargo Securities deemed relevant.

In connection with its review, Wells Fargo Securities assumed and relied upon the accuracy and completeness of the financial and other information provided, discussed with or otherwise made available to Wells Fargo Securities, including all accounting, tax, regulatory and legal information, and Wells Fargo Securities did not make (and assumed no responsibility for) any independent verification of such information. Wells Fargo Securities relied upon assurances of the managements of Realty Income and ARCT that they were not aware of any facts or circumstances that would make such information inaccurate or misleading. With respect to the financial forecasts and estimates and other information utilized in Wells Fargo Securities' analyses, Wells Fargo Securities was advised by the managements of Realty Income and ARCT and, at Realty Income's direction, Wells Fargo Securities assumed that they were reasonably prepared and reflected the best currently available estimates, judgments and assumptions of such managements as to the future financial performance of Realty Income and ARCT. Wells Fargo Securities assumed no responsibility for, and expressed no view as to, such forecasts, estimates or other information utilized in Wells Fargo Securities' analyses or the judgments or assumptions upon which they were based. Wells Fargo Securities also assumed that there were no material changes in the condition (financial or otherwise), results of operations, business or prospects of Realty Income or ARCT since the respective dates of the most recent financial statements and other information provided to Wells Fargo Securities and that the financial forecasts relating to ARCT reviewed by Wells Fargo Securities reflected all assets and liabilities to be acquired or assumed by Realty Income in the merger, including from pending acquisitions expected to be consummated and joint ventures expected to be wholly owned by ARCT at the closing date of the merger as referenced in the merger agreement. Wells Fargo Securities relied, at Realty Income's direction, upon the assessments of the managements of Realty Income and ARCT as to (i) certain market trends and recent developments in, and prospects for, the commercial real estate market and (ii) the terms upon which properties and joint ventures would be acquired by ARCT as of the closing date of the merger. Wells Fargo Securities assumed, with Realty Income's consent, that there would be no developments with respect to any of the foregoing that would be material to its analyses or opinion. In arriving at Wells Fargo Securities' opinion, Wells Fargo Securities did not conduct physical inspections of the properties or assets of Realty Income, ARCT or any other entity and did not make, and was not provided with, any evaluations or appraisals of the

properties, assets or liabilities (contingent or otherwise) of Realty Income, ARCT or any other entity. Wells Fargo Securities was advised by the managements of Realty Income and ARCT and, with Realty Income's consent, assumed that there were no material undisclosed liabilities of Realty Income or ARCT for which appropriate reserves or other provisions have not been made.

In rendering its opinion, Wells Fargo Securities assumed, at Realty Income's direction, that the final form of the merger agreement, when signed by the parties thereto, would not differ from the draft reviewed by Wells Fargo Securities in any respect material to its analyses or opinion, that the merger would be consummated in accordance with the terms described in the merger agreement and in compliance with all applicable laws, without amendment or waiver of any material terms or conditions and that, in the course of obtaining any necessary legal, regulatory or third party consents, approvals or agreements for the merger, no delay, limitation or restriction would be imposed or action would be taken that would have an adverse effect on Realty Income, ARCT or the merger (including the contemplated benefits to Realty Income). Wells Fargo Securities also assumed, at Realty Income's direction, that the merger would qualify for federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Code. Wells Fargo Securities was advised by the respective managements of Realty Income and ARCT that each of Realty Income and ARCT has operated in conformity with the requirements for qualification as a REIT for federal income tax purposes since its formation as a REIT and

further assumed, at Realty Income's direction, that the merger would not adversely affect the status or operations of Realty Income or ARCT. Wells Fargo Securities did not express any opinion as to what the value of Realty Income common stock actually would be when issued pursuant to the merger or the prices at which securities of Realty Income or ARCT would trade at any time. Wells Fargo Securities' opinion was necessarily based on economic, market, financial and other conditions existing, and information made available to Wells Fargo Securities, as of the date of its opinion. The credit, financial and stock markets have been experiencing unusual volatility and Wells Fargo Securities expressed no opinion or view as to any potential effects of such volatility on Realty Income, ARCT or the merger (including the contemplated benefits to Realty Income). Although subsequent developments may affect the matters set forth in its opinion, Wells Fargo Securities does not have any obligation to update, revise, reaffirm or withdraw its opinion or otherwise comment on or consider any such events occurring or coming to Wells Fargo Securities' attention after the date of its opinion.

Wells Fargo Securities' opinion only addressed the fairness, from a financial point of view and as of the date of its opinion, to Realty Income of the exchange ratio provided for in the merger pursuant to the merger agreement to the extent expressly specified in its opinion and did not address any other terms, aspects or implications of the merger, including, without limitation, the form or structure of the merger, any fees or other amounts payable or assumed by Realty Income in connection with the merger or any other agreement, arrangement or understanding entered into in connection with or contemplated by the merger or otherwise. In addition, Wells Fargo Securities' opinion did not address the fairness of the amount or nature of, or any other aspects relating to, any compensation to be received by any officers, directors or employees of any parties to the merger, or class of such persons, relative to the exchange ratio or otherwise. Wells Fargo Securities also did not express any view or opinion with respect to, and with Realty Income's consent relied upon the assessments of Realty Income's representatives regarding, accounting, tax, regulatory, legal or similar matters and Wells Fargo Securities understood that Realty Income obtained such advice as it deemed necessary from qualified professionals. Except as described in this summary, Realty Income imposed no other instructions or limitation on Wells Fargo Securities with respect to the investigations made or procedures followed by Wells Fargo Securities in rendering its opinion.

In connection with rendering its opinion, Wells Fargo Securities performed certain financial, comparative and other analyses as summarized below. This summary is not a complete description of the financial analyses performed and factors considered in connection with such opinion. In arriving at its opinion, Wells Fargo Securities did not ascribe a specific value to Realty Income common stock or ARCT common stock but rather made its determinations as to the fairness, from a financial point of view, to Realty Income of the exchange ratio on the basis of various financial and comparative analyses taken as a whole. The preparation of a financial opinion is a complex process and involves various determinations as to the most appropriate and relevant

Table of Contents

methods of financial and comparative analyses and the application of those methods to the particular circumstances. Therefore, a financial opinion is not readily susceptible to summary description.

In arriving at its opinion, Wells Fargo Securities did not attribute any particular weight to any single analysis or factor considered but rather made qualitative judgments as to the significance and relevance of each analysis and factor relative to all other analyses and factors performed and considered and in the context of the circumstances of this particular transaction. Accordingly, the analyses must be considered as a whole, as considering any portion of such analyses and factors, without considering all analyses and factors as a whole, could create a misleading or incomplete view of the process underlying such opinion. The fact that any specific analysis has been referred to in the summary below is not meant to indicate that such analysis was given greater weight than any other analysis referred to in the summary. No company or transaction is identical to Realty Income, ARCT or the merger and an evaluation of Wells Fargo Securities' analyses is not entirely mathematical; rather, such analyses involve complex considerations and judgments concerning financial and operating characteristics and other factors that could affect the public trading or other values of the companies reviewed.

In performing its analyses, Wells Fargo Securities considered industry performance, general business and economic conditions and other matters existing as of the date of its opinion, many of which are beyond the control of Realty Income, ARCT or any other parties to the merger. None of Realty Income, ARCT, Wells Fargo Securities or any other person assumes responsibility if future results are different from those discussed, whether or not any such difference is material. Any estimates contained in these analyses and the ranges of valuations resulting from any particular analysis are not necessarily indicative of actual values or predictive of future results or values, which may be significantly more or less favorable than as set forth below. In addition, analyses relating to the value of properties, businesses or securities do not purport to be appraisals or necessarily reflect the prices at which properties, businesses or securities may actually be sold or acquired. Accordingly, the assumptions and estimates used in, and the results derived from, the following analyses are inherently subject to substantial uncertainty.

The following is a summary of the material financial analyses provided on September 5, 2012 to Realty Income's board of directors by Wells Fargo Securities in connection with its opinion. **Certain financial analyses summarized below include information presented in tabular format. In order to fully understand the financial analyses, the tables must be read together with the text of each summary, as the tables alone do not constitute a complete description of the financial analyses. Considering the data in the tables below without considering the full narrative description of the financial analyses, including the methodologies and assumptions underlying the analyses, could create a misleading or incomplete view of such financial analyses.** In connection with the ARCT financial analyses described below, the total number of outstanding fully diluted shares of ARCT common stock utilized was 158,579,730 per ARCT's management.

ARCT Financial Analyses

Net Asset Value Analysis. Wells Fargo Securities performed a net asset valuation of ARCT's real estate portfolio based on internal estimates of ARCT's management. Wells Fargo Securities calculated the estimated net asset value of ARCT's retail, office and industrial income-producing properties acquired prior to June 30, 2012 on an asset-by-asset basis by applying, depending on the tenant credit quality, remaining lease term and type of property, selected calendar year 2013 capitalization rate ranges based on an overall range of 5.75% to 8.25% to the calendar year 2013 estimated cash net operating income of such property. In the case of such properties acquired after June 30, 2012 and acquisitions under contract that are anticipated to close in the second half of calendar year 2012 and in advance of the expected closing of the merger, estimated net asset value was based on the acquisition price for such properties. Wells Fargo Securities also took into account for purposes of such analysis (i) the estimated net asset value of ARCT's non-real estate assets and other investments based on market values, to the extent publicly available, as of August 31, 2012 and internal estimates of ARCT's management, (ii) ARCT's cash and liabilities as reflected on its balance sheet as of June 30, 2012, including ARCT's outstanding indebtedness (which was marked to market utilizing estimated market rates for similar types of indebtedness) and excluding intangibles and other non-cash GAAP-specific balance sheet items, (iii) the

minimum fee payable to ARCT's former manager and (iv) the estimated amount payable by ARCT for remaining equity interests in certain joint ventures not wholly owned by ARCT. Implied per share equity values for ARCT were calculated as ARCT's implied net asset value divided by the number of ARCT's fully diluted common stock. This analysis indicated an approximate per share equity value reference range for ARCT of \$9.21 to \$10.43. Based on this implied per share equity value reference range for ARCT and Realty Income's closing stock price of \$42.13 per share on August 31, 2012, Wells Fargo Securities calculated the following implied exchange ratio reference range, as compared to the exchange ratio provided for in the merger:

Implied Exchange Ratio Reference Range	Merger Exchange Ratio
0.2186 - 0.2475	0.2874

For informational purposes, Wells Fargo Securities also calculated the illustrative impact of the maximum fee payable to ARCT's former manager, which indicated an approximate per share equity value reference range for ARCT of \$9.10 to 10.32 and an implied exchange ratio reference range of 0.2160x to 0.2449x.

Selected Publicly Traded Companies Analysis. Wells Fargo Securities reviewed and compared financial and operating data relating to ARCT and the following four selected companies, which generally were selected because, as is the case with ARCT, they are publicly traded net lease REITs with certain financial and operating characteristics that Wells Fargo Securities deemed relevant, including total market capitalization and leverage, referred to as the ARCT selected REITs:

Entertainment Properties Trust

Lexington Realty Trust

National Retail Properties, Inc.

Realty Income Corporation

Wells Fargo Securities reviewed closing stock prices of the ARCT selected REITs on August 31, 2012 as a multiple of calendar year 2013 estimated FFO per share and AFFO per share, which was adjusted for certain items, including primarily straight-line rent revenues, recurring capital expenditures, above market and below market lease amortization and non-cash employee compensation. The overall low to high calendar year 2013 estimated FFO per share and AFFO per share multiples observed for the ARCT selected REITs were 9.2x to 19.5x (with a mean multiple of 14.4x) and 12.1x to 19.4x (with a mean multiple of 15.0x), respectively. Wells Fargo Securities then applied selected ranges of calendar year 2013 estimated FFO per share and AFFO per share multiples of 13.5x to 16.5x and 14.0x to 17.0x, respectively, derived from the ARCT selected REITs to corresponding data of ARCT. Financial data of the ARCT selected REITs were based on publicly available research analysts' estimates, public filings and other publicly available information. Financial data of ARCT were based on internal estimates of ARCT's management. This analysis indicated an approximate per share equity value reference ranges for ARCT of \$10.84 to \$13.25 and \$11.42 to \$13.86 based on calendar year 2013 estimated FFO per share and AFFO per share, respectively. Based on these implied per share equity value reference ranges for ARCT and Realty Income's closing stock price of \$42.13 per share on August 31, 2012, Wells Fargo Securities calculated the following implied exchange ratio reference ranges, as compared to the exchange ratio provided for in the merger:

Implied Exchange Ratio Reference Ranges Based On:		Merger
2013 FFO	2013 AFFO	Exchange Ratio
0.2572 - 0.3144	0.2710 - 0.3291	0.2874

Dividend Discount Analysis. Wells Fargo Securities performed a dividend discount analysis of ARCT to calculate a range of implied present values of the distributable cash flows that ARCT was forecasted to generate during the second half of the fiscal year ending December 31, 2012 through the full fiscal year ending December 31, 2015 utilizing internal estimates of ARCT's management for fiscal years ending December 31, 2012 and 2013 as

Table of Contents

extended for fiscal years ending December 31, 2014 through 2016 per Realty Income's management based upon assumptions of ARCT's management. Implied terminal values were derived by applying to ARCT's fiscal year 2016 estimated AFFO per share a range of terminal AFFO multiples of 14.0x to 17.0x. Present values (as of June 30, 2012) of distributable cash flows and terminal values were then calculated using a discount rate range of 9.0% to 10.0%. This indicated an approximate per share equity value reference range for ARCT of \$11.30 to \$13.65. Based on this implied per share equity value reference range for ARCT and Realty Income's closing stock price of \$42.13 per share on August 31, 2012, Wells Fargo Securities calculated the following implied exchange ratio reference range, as compared to the exchange ratio provided for in the merger:

Implied Exchange Ratio Reference Range	Merger Exchange Ratio

Certain Prospective Financial Information Reviewed by Realty Income

Realty Income does not as a matter of course make public long-term projections as to future revenues, earnings or other results due to, among other reasons, the uncertainty of the underlying assumptions and estimates. However, Realty Income is including unaudited prospective financial information that was made available to the Realty Income board of directors and the ARCT board of directors in connection with the evaluation of the merger. This information also was provided to Realty Income's and ARCT's respective financial advisors. The inclusion of this information should not be regarded as an indication that any of Realty Income, ARCT, their respective financial advisors or any other recipient of this information considered, or now considers, it to be necessarily predictive of actual future results.

The unaudited prospective financial information was, in general, prepared solely for internal use and is subjective in many respects. As a result, the prospective results may not be realized and the actual results may be significantly higher or lower than estimated. Since the unaudited prospective financial information covers multiple years, that information by its nature becomes less predictive with each successive year. Realty Income stockholders and ARCT stockholders are urged to review Realty Income's SEC filings for a description of risk factors with respect to Realty Income's business. See Cautionary Statement Concerning Forward-Looking Statements beginning on page 31 and Where You Can Find More Information; Incorporation by Reference beginning on page 156. The unaudited prospective financial information was not prepared with a view toward public disclosure, nor was it prepared with a view toward compliance with GAAP, published guidelines of the SEC or the guidelines established by the American Institute of Certified Public Accountants for

preparation and presentation of prospective financial information. In addition, the unaudited prospective financial information requires significant estimates and assumptions that make it inherently less comparable to the similarly titled GAAP measures in Realty Income's historical GAAP financial statements. Neither Realty Income's independent registered public accounting firm, nor any other independent accountants, have compiled, examined or performed any procedures with respect to the unaudited prospective financial information contained herein, nor have they expressed any opinion or any other form of assurance on the information or its achievability. The report of Realty Income's independent registered public accounting firm contained in Realty Income's Annual Report on Form 10-K for the year ended December 31, 2011, as amended by the Current Report on Form 8-K dated November 1, 2012, which is incorporated by reference into this joint proxy statement/prospectus, relates to Realty Income's historical financial information. It does not extend to the unaudited prospective financial information and should not be read to do so. Furthermore, the unaudited prospective financial information does not take into account any circumstances or events occurring after the date it was prepared.

The following table presents selected unaudited prospective financial data for the fiscal years ending 2012 through 2014 for Realty Income on a standalone basis including potential projected acquisitions.

	2012	2013	2014
	(\$ in millions)		
Revenue	\$ 479.3	\$ 572.6	\$ 561.9
Funds from Operations (FFO)	\$ 269.0	\$ 296.5	\$ 327.2
Adjusted Funds from Operations (AFFO)	\$ 276.4	\$ 306.8	\$ 340.4

For purposes of the unaudited prospective financial information presented herein, FFO is calculated as net income available to common stockholders, plus depreciation and amortization of real estate assets, plus impairment of real estate assets, reduced by gains on sales of investment properties and extraordinary items and AFFO is calculated as FFO adjusted for (i) capitalized leasing costs and commissions, (ii) capitalized building improvements, (iii) certain other adjustments for straight line rent revenue and the amortization of above or below-market leases and other non-cash expenses, plus (i) amortization of share-based compensation, (ii) amortization of deferred financing costs and (iii) provision or impairment on real estate acquired for resale by Crest.

In addition to the summary metrics presented above, Realty Income also provided estimates of Revenue, FFO and AFFO on a twelve-month run-rate basis effective November 1, 2012, which estimates included identified acquisitions that Realty Income determined were likely to close by October 31, 2012. The estimates provided by Realty Income for Revenue, FFO and AFFO on this basis was \$503.3 million, \$285.5 million and \$291.8 million, respectively.

ARCT and Realty Income calculate certain non-GAAP financial metrics including FFO and AFFO using different methodologies. The differences relate to the treatment of acquisition-related fees and expenses and other non-recurring expenses. Realty Income has made conforming methodology changes to the financial data received from ARCT. Consequently, the financial metrics presented in each company's prospective financial information disclosures may not be directly comparable to one another.

In preparing the foregoing unaudited projected financial information, Realty Income made a number of assumptions regarding, among other things, interest rates, corporate financing activities, Realty Income common stock price appreciation and the timing and amount of common stock issuances, annual dividend levels, occupancy and customer retention levels of its owned and managed portfolios, changes in rent, the amount, timing and cost of existing and planned development properties, lease-up rates of existing and planned developments, the amount and timing of asset sales and asset acquisitions, including the return on those acquisitions, the amount of income taxes paid, and the amount of general and administrative costs.

The assumptions made in preparing the above unaudited prospective financial information may not accurately reflect future conditions. The estimates and assumptions underlying the unaudited prospective financial information involve judgments with respect to, among other things, future economic, competitive, regulatory and financial market conditions and future business decisions which may not be realized and that are inherently subject to significant business, economic, competitive and regulatory uncertainties and contingencies, including, among others, risks and uncertainties described under Risk Factors beginning on page 23 and Cautionary Statement Concerning Forward-Looking Statements beginning on page 31, all of which are difficult to predict and many of which are beyond the control of Realty Income and/or ARCT and will be beyond the control of the combined company. The underlying assumptions may not prove to be accurate and the projected results may not be realized, and actual results likely will differ, and may differ materially, from those reflected in the unaudited prospective financial information, whether or not the merger is completed.

In addition, although presented with numerical specificity, the above unaudited prospective financial information reflects numerous assumptions and estimates as to future events made by Realty Income management that Realty Income management believes were reasonably prepared. The above unaudited prospective financial information does not give effect to the merger. certain cost savings and operating synergies projected by the management of Realty Income to result from the proposed merger, which we refer to as the synergies, as approved for Goldman Sachs' use by ARCT.

Goldman Sachs held discussions with members of the senior managements of ARCT and Realty Income regarding their assessment of the strategic rationale for, and the potential benefits of, the proposed merger and the past and current business operations, financial condition and future prospects of ARCT and Realty Income; reviewed the reported price and trading activity for the shares of ARCT common stock and the shares of Realty Income common stock; compared certain financial and stock market information for ARCT and Realty Income with similar information for certain other companies the securities of which are publicly traded; reviewed the financial terms of certain recent business combinations in the real estate industry and in other industries; and performed such other studies and analyses, and considered such other factors, as it deemed appropriate.

For purposes of rendering its opinion, Goldman Sachs, with the consent of ARCT, relied upon and assumed the accuracy and completeness of all of the financial, legal, regulatory, tax, accounting and other information provided to, discussed with or reviewed by it without assuming any responsibility for independent verification thereof. In that regard, Goldman Sachs assumed, with ARCT's consent, that the ARCT management forecasts, the Realty Income management forecasts and the synergies have been reasonably prepared on a basis reflecting the best currently available estimates and judgments of the management of ARCT. Goldman Sachs did not make an independent evaluation or appraisal of the assets and liabilities (including any contingent, derivative or other off-balance-sheet assets and liabilities) of ARCT or Realty Income or any of their respective subsidiaries and except for the third party appraisals, was not furnished with any such evaluation or appraisal. Goldman Sachs assumed that all governmental, regulatory or other consents and approvals necessary for the consummation of the proposed transaction will be obtained without any adverse effect on ARCT or Realty Income or on the expected benefits of the proposed transaction in any way meaningful to its analysis. Goldman Sachs assumed that the proposed transaction will be consummated on the terms set forth in the merger agreement, without the waiver or modification of any term or condition the effect of which would be in any way meaningful to its analysis.

Goldman Sachs' opinion did not address the underlying business decision of ARCT to engage in the proposed transaction, or the relative merits of the proposed transaction as compared to any strategic alternatives that may be available to ARCT; nor did it address any legal, regulatory, tax or accounting matters. Since February 2012, Goldman Sachs was not requested to solicit, and did not solicit, interest from other parties with respect to an acquisition of, or other business combination with, ARCT or any other alternative transaction. Goldman Sachs' opinion addressed only the fairness from a financial point of view to the holders (other than Realty Income and its affiliates) of ARCT common stock, as of the date hereof, of the exchange ratio pursuant to the merger agreement. Goldman Sachs did not express any view on, and its opinion did not address, any other term or aspect of the merger agreement or proposed transaction or any term or aspect of any other agreement or instrument contemplated by the merger agreement or entered into or amended in connection with the proposed transaction, and the fairness of the proposed transaction to, or any consideration received in connection therewith by, the holders of any other class of securities, creditors, or other constituencies of ARCT; nor as to the fairness of the amount or nature of any compensation to be paid or payable to AR Capital or any of its affiliates or any of the officers, directors or employees of ARCT, or class of such persons, in connection with the proposed merger, whether relative to the exchange ratio pursuant to the merger agreement or otherwise. Goldman Sachs also did not express any view on, and its opinion did not address, any term or aspect of any of the arrangements with AR Capital or the chairman or chief executive officer of ARCT or any consideration or compensation to be paid or payable pursuant such arrangements. Goldman Sachs did not express any opinion as to the prices at which shares of Realty Income common stock will trade at any time or as to the impact of the proposed merger on the solvency or viability of ARCT or Realty Income or the ability of ARCT or Realty Income to pay their respective

obligations when they come due. Goldman Sachs' written opinion was necessarily based on economic, monetary, market and other conditions as in effect on, and the information made available to it as of September 6, 2012, and Goldman Sachs assumed no responsibility for updating, revising or reaffirming its opinion based on circumstances, developments or events occurring after such date. Goldman Sachs' advisory services and its opinion were provided for the information and assistance of the board of directors of ARCT in connection with its consideration of the proposed merger and such opinion does not constitute a recommendation as to how any holder of ARCT common stock should vote with respect to such proposed merger or any other matter. Goldman Sachs' opinion was approved by a fairness committee of Goldman Sachs.

The following is a summary of the material financial analyses presented by Goldman Sachs to the board of directors of ARCT on September 5, 2012 in connection with rendering the opinion described above. Goldman Sachs' analyses and the summary below must be considered as a whole and selecting portions of its analyses and factors could create a misleading or incomplete view of Goldman Sachs' analyses and opinion. Some of the summaries of the financial analyses include information presented in tabular format. The tables must be read together with the full text of each summary and are alone not a complete description of Goldman Sachs' financial analyses. Except as otherwise noted, the following quantitative information, to the extent that it is based on market data, is based on market data as it existed on or before September 4, 2012, the last trading day before Goldman Sachs presented its financial analyses to the board of directors of ARCT on September 5, 2012, and is not necessarily indicative of current market conditions.

Implied Premia and Multiples Analysis

Based upon the closing price of \$42.72 per share of Realty Income common stock on September 4, 2012, Goldman Sachs calculated that the exchange ratio of 0.2874 shares of Realty Income common stock reflected an implied value of \$12.28 per share of ARCT common stock. By multiplying this implied value per share by the total number of fully diluted outstanding shares of ARCT common stock as provided by ARCT management, Goldman Sachs derived an implied equity value of ARCT of approximately \$1,947.0 million. Goldman Sachs then added to this implied equity value ARCT's net debt amount of approximately \$889.5 million as of August 17, 2012 as provided by ARCT management and the aggregate buy-out value of minority interests in entities controlled by ARCT of approximately \$22.6 million as provided by ARCT's management and derived an implied enterprise value of ARCT of approximately \$2,859.1 million.

Using the results of the calculations described above and the most recent median estimates for ARCT's financial results for 2012 and 2013 published by Institutional Brokers' Estimate System, or IBES, Goldman Sachs calculated the following premia and multiples:

the implied value of the per share merger consideration as a premium to the closing price of ARCT common stock on September 4, 2012;

the implied value of the per share merger consideration as a premium to the volume weighted average share price of ARCT common stock over the 20-day period ended September 4, 2012;

the implied value of the per share merger consideration as a premium to the average of the closing prices of ARCT common stock over the 30-day period ended September 4, 2012;

the implied value of the per share merger consideration as a premium to the closing price of ARCT common stock on March 1, 2012, the date on which the common stock of ARCT began trading on the NASDAQ;

Selected Companies Analysis

Goldman Sachs calculated and compared certain financial information and multiples for ARCT to corresponding financial information and multiples for Realty Income and the following selected companies in the real estate industry:

National Retail Properties, Inc.

Entertainment Properties Trust

Lexington Realty Trust

CapLease, Inc.

Although none of Realty Income or the selected companies is directly comparable to ARCT, the companies included were chosen because they are publicly real estate investment trusts that predominantly own net lease assets that are similar to those owned by ARCT, and therefore, for purposes of analysis, may be considered similar to ARCT.

Edgar Filing: American Realty Capital Trust, Inc. - Form DEFM14A

With respect to ARCT, Realty Income and each of the selected companies, Goldman Sachs calculated:

enterprise value as a multiple of estimated EBITDA for 2012 and 2013; and

closing share price on September 4, 2012, as a multiple of estimated AFFO per share for 2012 and 2013.

For purposes of these calculations, Goldman Sachs calculated an implied equity value for each company derived by multiplying the number of fully diluted outstanding shares of that company as reported in its most

Table of Contents

recent SEC filings by the company's closing share price on September 4, 2012. By adding the net debt amount of each company as reported in its most recent public filings to the equity value of such company derived from the foregoing calculations, Goldman Sachs determined an implied enterprise value for each company. The multiples for ARCT were calculated using both the ARCT management forecasts and the most recent median estimates for ARCT published by IBES, respectively. The multiples for Realty Income and each of the selected companies were calculated using the most recent median estimates for each company published by IBES. The following table presents the results of these calculations:

	American Realty IBES	Realty Management	Income	High	Selected Companies		
					Low	Mean	Median
Enterprise Value/EBITDA							
2012E	16.8x	16.9x	19.4x	18.1x	13.8x	15.2x	14.3x
2013E	15.0x	15.2x	17.8x	16.6x	13.2x	14.2x	13.5x
Price/AFFO per Share							
2012E	15.5x	16.4x	20.6x	17.3x	7.0x	12.4x	12.7x
2013E	13.9x	14.7x	19.5x	16.6x	7.8x	12.3x	12.3x

Based on its review of the foregoing calculations:

Goldman Sachs applied illustrative Price/AFFO per share multiples ranging from 7.8x to 16.6x to estimated AFFO per share of ARCT for 2013 contained in the ARCT management forecasts to derive illustrative standalone implied values per share of ARCT common stock ranging from \$6.35 to \$13.51.

Goldman Sachs applied illustrative enterprise value/EBITDA multiples ranging from 13.2x to 16.6x to estimated EBITDA of ARCT for 2013 contained in the ARCT management forecasts to derive illustrative standalone implied values per share of ARCT common stock ranging from \$9.64 to \$13.60.

Illustrative Present Value of Future Return Analysis

Goldman Sachs calculated an illustrative range of implied standalone present values per share of ARCT common stock based on hypothetical share prices for ARCT common stock as of the beginning of each of the years 2013 through 2017 and the estimated dividends per share to be paid by ARCT in each of the years 2013 through 2017 as reflected in the ARCT management forecasts. For purposes of this analysis, Goldman Sachs derived these hypothetical future share prices for ARCT common stock by applying an illustrative range of price/AFFO multiples of 12.0x to 15.0x to ARCT's estimated AFFO per share for each of the years 2013 through 2017 as reflected in the ARCT management forecasts. This illustrative range of price/AFFO multiples was derived by Goldman Sachs utilizing its professional judgment and experience, taking into account current and historical price/AFFO multiples for the selected companies referred to above under **Selected Companies Analysis**. By applying a discount rate of 8.76% to the derived hypothetical future share prices and the estimated future dividends, Goldman Sachs derived an illustrative range of present values per share of ARCT common stock of \$9.76 to \$12.27. The 8.76% discount rate reflected an estimate of ARCT's cost of equity derived using the Capital Asset Pricing Model taking into account the average historical beta of Realty Income and the selected companies referred to above under **Selected Companies Analysis** as well as certain financial metrics for the United States financial markets generally.

Illustrative Dividend Discount Analysis

Goldman Sachs performed an illustrative dividend discount analysis to determine the present value per share of ARCT common stock. By applying a discount rate of 8.76%, reflecting an estimate of ARCT's cost of equity, to (a) ARCT's estimated dividends per share for the years 2013 through 2017 as reflected in ARCT's management forecasts, and (b) an illustrative terminal value for ARCT derived by applying a perpetuity growth rate of 2.0% (as provided by ARCT's management) to ARCT's estimated dividend per share for the year 2017, Goldman Sachs derived an illustrative present value per share of ARCT common stock of \$10.34.

Table of Contents

Using the same methodologies described above, Goldman Sachs performed a sensitivity analysis by applying discount rates ranging from 8.25% to 9.25% to (a) ARCT's estimated dividends per share for the years 2013 through 2017 as reflected in ARCT's management forecasts, and (b) illustrative terminal values for ARCT derived by applying perpetuity growth rates ranging from 1.0% to 3.0% to ARCT's estimated dividend per share for the year 2017. This analysis resulted in a range of illustrative present values per share of ARCT common stock of \$8.76 to \$12.86.

Although none of the selected transactions is directly comparable to the proposed merger, the target companies in the selected transactions are such that, for purposes of analysis, the selected transactions may be considered similar to the proposed merger.

With respect to each of the selected transactions, Goldman Sachs calculated the implied premium represented by the announced per share transaction price to the closing price of the target company's common stock on the last trading day before the public announcement of the transaction. The calculation of the mean and median values excluded the premium applicable to the acquisition of American Land Lease, Inc. announced on December 10, 2008 which represented a 1-day premium of 264.1%. The results of this analysis are as follows:

Selected Transactions	1 Day Premium

Based on the foregoing calculations, Goldman Sachs applied the range of premia represented by selected transactions announced since January 1, 2011 to the closing price of ARCT's common stock on September 4, 2012 to derive a range of illustrative implied values per share of ARCT's common stock of \$11.93 to \$13.80.

Illustrative Accretion/Dilution Analysis

Goldman Sachs calculated an illustrative pro forma AFFO for the combined company for 2013 by adding the estimated AFFO for ARCT for 2013 reflected in the ARCT management forecasts to the estimated AFFO for Realty Income for 2013 contained in Realty Income's management forecasts, and adding to the result the synergies estimated by Realty Income's management to result from the merger, additional AFFO estimated by ARCT management to result from the buyout of certain ARCT's joint venture partners and the refinancing of certain ARCT indebtedness, incremental net operating income estimated by ARCT management to result from additional properties identified to be acquired as of August 31, 2012, interest from cash and interest savings under ARCT's credit facilities (each as estimated by management of ARCT) and subtracting from the result expected interest expense with respect to new debt expected to be incurred by Realty Income as estimated by management of Realty Income. This analysis resulted in an illustrative pro forma AFFO for the combined

Table of Contents

company for 2013 of approximately \$433.1 million. By dividing this illustrative pro forma AFFO by the estimated total number of shares of Realty Income common stock outstanding after giving effect to the proposed merger, Goldman Sachs calculated an illustrative pro forma AFFO per share for the combined company for 2013 of approximately \$2.33, representing an illustrative accretion of \$0.142, or 6.5%, to the Realty Income shareholders on an AFFO per share basis.

Based on the estimated AFFO for Realty Income for 2013 reflected in the Realty Income management forecasts and an illustrative AFFO payout ratio of 85% for Realty Income provided by management of Realty Income, Goldman Sachs calculated an illustrative dividend per share of Realty Income common stock for 2013 of \$1.86. By applying the exchange ratio under the merger agreement to this illustrative Realty Income dividend per share for 2013, Goldman Sachs derived an illustrative dividend of \$0.54 to be received by ARCT shareholders in 2013 with respect to each share of ARCT common stock, representing illustrative dilution of \$(0.17), or (24.6)%, to the ARCT shareholders on a dividend per share basis. Using the foregoing methodologies, Goldman Sachs performed a sensitivity analysis by applying illustrative 2013 AFFO per share for Realty Income ranging from \$2.09 to \$2.49 and illustrative AFFO per share payout ratios for Realty Income ranging from 80.0% to 90.0%. This analysis indicated that the proposed merger would be dilutive to ARCT shareholders by (9.2)% to (32.3)% on a dividend per share basis.

In addition, based upon the closing price of Realty Income common stock on September 4, 2012 and the exchange ratio under the merger agreement, Goldman Sachs derived an implied enterprise value of ARCT of approximately \$2,859.1 million. By subtracting tangible assets of approximately \$23.0 million and adding tangible liabilities of approximately \$12.1 million based on information reflected on ARCT's balance sheet as of June 30, 2012 contained in its SEC filings, Goldman Sachs derived an illustrative implied pre-transaction expense value of ARCT's real estate portfolio of approximately \$2,848.2 million. By adding ARCT management's estimate of transaction expenses of \$128.0 million (reflecting an incentive listing fee of \$76.0 million), Goldman Sachs derived an illustrative implied post-transaction expense value of ARCT's real estate portfolio of approximately \$2,976.2 million. Based on the estimated cash net operating income for 2013 reflected in the ARCT management forecasts, Goldman Sachs calculated an implied capitalization rate of 5.6% for the implied post-transaction expense real estate portfolio value.

Illustrative Pro Forma Transaction Analysis

Goldman Sachs calculated an implied pro forma equity value for the combined company by multiplying the closing price of Realty Income common stock on September 4, 2012 by the total number of Realty Income common stock outstanding after giving effect to the proposed merger. By adding the pro forma net debt and preferred equity of the combined company as provided by Realty Income management to this implied pro forma equity value, Goldman Sachs calculated an implied pro forma enterprise value for the combined company of approximately \$11,433.1 million. Based on the foregoing calculations and an illustrative pro forma 2013 EBITDA for the combined company (calculated by adding the estimated 2013 EBITDA for ARCT reflected in the ARCT management forecasts, the estimated 2013 EBITDA for Realty Income reflected in the Realty Income management forecasts and the synergies estimated by Realty Income's management to result from the merger), Goldman Sachs calculated the implied pro forma enterprise value as a multiple of the illustrative pro forma 2013 EBITDA for the combined company of 17.1x.

Based on the closing price of the Realty Income common stock on September 4, 2012 and the illustrative pro forma 2013 AFFO per share for the combined company described under *Illustrative Accretion/Dilution Analysis* above, Goldman Sachs calculated a current share price as a multiple of illustrative pro forma 2013 AFFO per share for the combined company of 18.3x.

Based on the foregoing calculations and applying its professional judgment, Goldman Sachs applied illustrative price/AFFO per share multiples ranging from 17.0x to 21.0x to the illustrative pro forma 2013 AFFO per share for the combined company to derive a range of illustrative implied values per share of the Realty

Table of Contents

Income common stock of \$39.68 to \$49.01. This illustrative range of price/AFFO multiples was derived by Goldman Sachs utilizing its professional judgment and experience taking into account current and historical price/AFFO multiples for Realty Income. By multiplying the derived range of illustrative implied values per share of the Realty Income common stock by the total number of shares of Realty Income common stock outstanding after giving effect to the proposed merger, Goldman Sachs calculated an illustrative range of implied equity values of the combined company of approximately \$7,138.5 million to \$8,818.1 million. Goldman Sachs added to this illustrative range of implied equity values of the combined company the value of the pro forma net debt and preferred equity of the combined company to derive an illustrative range of implied enterprise values of the combined company of approximately \$10,885.5 million to \$12,565.1 million. Using the illustrative pro forma 2013 EBITDA for the combined company calculated as described in the first paragraph under *Illustrative Pro Forma Transaction Analysis*, Goldman Sachs calculated this range of illustrative implied enterprise values of the combined company as a multiple of the illustrative pro forma 2013 EBITDA ranging from 16.3x to 18.8x.

In addition, using illustrative pro forma 2013 cash net operating income for the combined company (calculated by adding the estimated 2013 cash net operating income for ARCT and Realty Income reflected in the ARCT management forecasts and Realty Income management forecasts, respectively, including, in the case of Realty Income estimated 2013 cash net operating income expected by Realty Income management to result from acquisitions in 2012) and a range of illustrative implied values of the combined company's real estate portfolio (calculated by adjusting the illustrative range of implied enterprise values of the combined company described above by the amount of net tangible assets of ARCT and Realty Income calculated based on information reflected on their respective balance sheets as of June 30, 2012 contained in their SEC filings), Goldman Sachs calculated a range of illustrative implied capitalization rates of 6.1% to 5.3% for the combined company.

The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. Selecting portions of the analyses or of the summary set forth above, without considering the analyses as a whole, could create an incomplete view of the processes underlying Goldman Sachs' opinion. In arriving at its fairness determination, Goldman Sachs considered the results of all of its analyses and did not attribute any particular weight to any factor or analysis considered by it. Rather, Goldman Sachs made its determination as to fairness on the basis of its experience and professional judgment after considering the results of all of its analyses. No company or transaction used in the above analyses as a comparison is directly comparable to ARCT, Realty Income or the proposed transaction.

Goldman Sachs prepared these analyses for purposes of providing its opinion to the ARCT board of directors as to the fairness from a financial point of view to the holders (other than Realty Income and its affiliates) of ARCT common stock, as of September 6, 2012, of the exchange ratio pursuant to the merger agreement. These analyses do not purport to be appraisals nor do they necessarily reflect the prices at which businesses or securities actually may be sold. Analyses based upon projections of future results are not necessarily indicative of actual future results, which may be significantly more or less favorable than suggested by these analyses. Because these analyses are inherently subject to uncertainty, being based upon numerous factors or events beyond the control of the parties or their respective advisors, none of ARCT, Realty Income, Goldman Sachs or any other person assumes responsibility if future results are materially different from those forecast.

The exchange ratio was determined through arm's-length negotiations between ARCT and Realty Income and was approved by the ARCT board of directors. Goldman Sachs provided advice to ARCT during these negotiations. Goldman Sachs did not, however, recommend any specific exchange ratio to ARCT or its board of directors or that any specific exchange ratio constituted the only appropriate exchange ratio for the proposed merger.

As described above, Goldman Sachs' opinion was one of many factors taken into consideration by the board of directors of ARCT in making its determination to approve the merger agreement. The foregoing summary does not purport to be a complete description of the analyses performed by Goldman Sachs in connection with

the delivery of its fairness opinion to the board of directors of ARCT and is qualified in its entirety by reference to the written opinion of Goldman Sachs attached as Annex F to this joint proxy statement/prospectus.

Goldman Sachs and its affiliates are engaged in commercial and investment banking and financial advisory services, market making and trading, research and investment management (both public and private investing), principal investment, financial planning, benefits counseling, risk management, hedging, financing, brokerage activities and other financial and non-financial activities and services for various persons and entities. Goldman Sachs and its affiliates, and funds or other entities in which they invest or with which they co-invest, may at any time purchase, sell, hold or vote long or short positions and investments in securities, derivatives, loans, commodities, currencies, credit default swaps and other financial instruments of ARCT, Realty Income, any of their respective affiliates and third parties, including AR Capital, a company controlled by the chairman and the chief executive officer of ARCT and the former sponsor of ARCT, and affiliates of, and other entities sponsored by, AR Capital, or any currency or commodity that may be involved in the transaction contemplated by the merger agreement for the accounts of Goldman Sachs and its affiliates and their customers. Goldman Sachs has acted as financial advisor to ARCT in connection with, and has participated in certain of the negotiations leading to, the proposed merger. In addition, Goldman Sachs has provided certain investment banking services to ARCT and its affiliates from time to time for which Goldman Sachs Investment Banking Division has received, and may receive, compensation, including having acted as a lender (with a commitment of \$65,000,000) under ARCT's unsecured revolving credit facility (aggregate principal amount \$115,000,000) in August 2011. During the two year period ended September 6, 2012, the Investment Banking Division of Goldman Sachs did not receive any compensation from ARCT other than the fees described in the next paragraph. During that period, the Investment Banking Division of Goldman Sachs did not receive any compensation from Realty Income. Goldman Sachs may also in the future provide investment banking services to ARCT, Realty Income, AR Capital, their respective affiliates and entities sponsored by AR Capital for which Goldman Sachs Investment Banking Division may receive compensation.

The board of directors of ARCT selected Goldman Sachs as its financial advisor because it is an internationally recognized investment banking firm that has substantial experience in transactions similar to the proposed transaction. Pursuant to a letter agreement, dated May 27, 2011, as amended by letter agreements dated May 4, 2012 and September 5, 2012, ARCT engaged Goldman Sachs to act as its financial advisor in connection with the transaction contemplated by the merger agreement as well as a sale of ARCT to any third party. Pursuant to the terms of this engagement letter, as amended, ARCT has paid Goldman Sachs fees of \$2.5 million in the aggregate and has agreed to pay Goldman Sachs a transaction fee of \$12 million (less the fees previously paid) if the proposed merger is consummated. In addition, ARCT has agreed to reimburse Goldman Sachs for its expenses, including attorneys' fees and disbursements, and to indemnify Goldman Sachs and related persons against certain liabilities that may arise out of its engagement.

Certain Prospective Financial Information Reviewed by ARCT

ARCT does not as a matter of course make public long-term projections as to future revenues, earnings or other results due to, among other reasons, the uncertainty of the underlying assumptions and estimates. However, ARCT is including these projections that were made available to the ARCT board of directors, the Realty Income board of directors and management in connection with the evaluation of the merger. This information also was provided to ARCT's and Realty Income's respective financial advisors to the extent noted below. The inclusion of this information should not be regarded as an indication that any of ARCT, Realty Income, their respective advisors or any other recipient of this information considered, or now considers, it to be predictive of actual future results.

The unaudited prospective financial information was, in general, prepared solely for internal use and is subjective in many respects. As a result, there can be no assurance that the prospective results will be realized or that actual results will not be significantly higher or lower than estimated. Since the unaudited prospective financial results cover multiple years, such information by its nature becomes less predictive with each

successive year. ARCT stockholders and Realty Income stockholders are urged to review the SEC filings of ARCT for a description of risk factors with respect to the business of ARCT. See **Cautionary Statement Regarding Forward-Looking Statements** beginning on page 31 and **Where You Can Find More Information; Incorporation by Reference** beginning on page 156. The unaudited prospective financial results were not prepared with a view toward public disclosure, nor were they prepared with a view toward compliance with published guidelines of the SEC, the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of prospective financial information, which we refer to as GAAP.

Neither the independent registered public accounting firm of ARCT nor any other independent accountants have compiled, examined, or performed any audit or other procedures with respect to the unaudited prospective financial results contained herein, nor have they expressed any opinion or any other form of assurance on such information or its achievability. The report of the independent registered public accounting firm of ARCT contained in ARCT's Annual Report on Form 10-K/A for the year ended December 31, 2011, which is incorporated by reference into this joint proxy statement/prospectus, relates to the historical financial information of ARCT. It does not extend to the unaudited prospective financial results and should not be read to do so. Furthermore, the unaudited prospective financial results do not take into account any circumstances or events occurring after the respective dates on which they were prepared.

In August 2012, ARCT's management prepared unaudited prospective financial results for ARCT's internal use, which were provided to Realty Income and its financial advisors. The August 2012 unaudited prospective financial results set forth below were not used by Goldman Sachs in connection with the preparation of Goldman Sachs' financial analyses described above under **The Merger Opinion of ARCT's Financial Advisor**. The following table presents selected unaudited prospective financial information for the fiscal year ending 2013 for ARCT on a standalone basis including identified acquisitions:

	2013 (\$ in thousands)
Funds from operations (FFO)	128,397
Adjusted Funds from operations (AFFO)	128,007

Later in August 2012, ARCT's management updated the early August 2012 unaudited prospective financial results to reflect current information and assumptions and to include prospective financial results for the fiscal years ending 2014 through 2017. In updating the unaudited prospective financial results, ARCT's management assumed external growth and debt recapitalization plans. The external growth and debt recapitalization assumptions include assumptions about ARCT's access to debt and equity capital markets and the future issuance of senior unsecured debt and ARCT common stock. The issuance of ARCT common stock is dilutive to ARCT's unaudited prospective financial results on a per share basis. These unaudited prospective financial results were provided to Goldman Sachs and used by Goldman Sachs in connection with the preparation of its financial analyses described above under **The Merger Opinion of ARCT's Financial Advisor**. These unaudited prospective financial results were not provided to Realty Income or its financial advisors. The following table presents revised selected unaudited prospective financial information for the fiscal years ending 2013 through 2017 that was prepared in late August 2012:

	2012	2013	2014	2015	2016	2017
	(\$ in thousands)					
EBITDA	\$ 165,827	\$ 184,904	\$ 210,354	\$ 244,496	\$ 284,806	\$ 330,217
Funds from operations (FFO)	118,435	137,534	156,411	183,133	214,767	241,876
Adjusted Funds from operations (AFFO)	118,921	141,048	162,794	190,938	223,563	251,733

For purposes of the unaudited prospective financial information presented herein, EBITDA is calculated as net earnings plus (i) depreciation and amortization (ii) debt extinguishment costs (iii) consolidated interest expense (iv) loss on derivative instruments (v) net earnings attributable to non-controlling interests (vi) fees to a former affiliate, and (vii) listing and internalization expenses and funds from operations is calculated as net

Table of Contents

income adjusted for non-cash items, including (i) real estate depreciation and amortization and (ii) mark-to-market adjustments, and non-recurring items, including (iii) listing and internalization expenses and (iv) debt extinguishment costs. Adjusted funds from operations is calculated as funds from operations plus (i) acquisition expenses (ii) non-cash interest expense (iii) non-cash compensation and (iv) FAS 13 straight line rent adjustments and (v) FAS 141 above-market lease adjustments.

EBITDA, FFO and AFFO are non-GAAP measures that ARCT believes are important to understanding ARCT's operations. ARCT believes EBITDA is an important supplemental measure of operating performance as it allows comparison of ARCT's operating results without regard to financing methods and capital structure. ARCT believes FFO is an important supplemental measure of operating performance because it excludes the effects of depreciation and amortization (which is based on historical costs and which may be of limited relevance in evaluating current performance). ARCT believes AFFO is an important supplemental measure of operating performance because, in addition to the items excluded in calculating FFO, it excludes straight-lined rent and other non-cash items that have become more significant for ARCT and ARCT's competitors over the last several years. AFFO also excludes acquisition costs, which are dependent on acquisitions made and can fluctuate significantly from period to period. ARCT believes that net income is the most directly comparable GAAP measure to FFO and AFFO.

In preparing the foregoing unaudited prospective financial results, ARCT made a number of assumptions and estimates regarding, among other things, future interest rates, ARCT's future stock price, the level of future investments by ARCT and the yield to be achieved on such investments, financing of future investments, including leverage ratios, future property sales by ARCT, future mortgage and receivable loan payoffs to ARCT, the ability to refinance certain of ARCT's outstanding secured and unsecured debt and the terms of any such refinancing, and future capital expenditures and dividend rates. ARCT management believes these assumptions and estimates were reasonably prepared, but these assumptions and estimates may not be realized and are inherently subject to significant business, economic, competitive and regulatory uncertainties and contingencies, including, among others, the risks and uncertainties described under Risk Factors and Cautionary Statement Regarding Forward-Looking Statements beginning on pages 23 and 31, respectively, and in ARCT's Annual Report on Form 10-K/A for the year ended December 31, 2011, which is incorporated by reference into this joint proxy statement/prospectus. All of these uncertainties and contingencies are difficult to predict and many are beyond the control of ARCT and/or Realty Income and will be beyond the control of the combined company.

Readers of this joint proxy statement/prospectus are cautioned not to place undue reliance on the unaudited prospective financial results set forth above. The inclusion of the above unaudited prospective financial results in this joint proxy statement/prospectus should not be regarded as an indication that ARCT, Realty Income, or their respective officers, directors, affiliates or other representatives consider such information to be necessarily predictive of actual future events. There can be no assurance that the underlying assumptions will prove to be accurate or that the projected results will be realized, and actual results likely will differ, and may differ materially, from those reflected in the unaudited prospective financial results, whether or not the merger is completed. In addition, the above unaudited prospective financial results do not give effect to the merger. None of ARCT, Realty Income, or their respective officers, directors, affiliates or other representatives has made any representations regarding the performance of ARCT compared to the information included in the above unaudited prospective financial results.

ARCT stockholders and Realty Income stockholders are urged to review ARCT's most recent SEC filings for a description of ARCT's results of operations and financial condition and capital resources during 2011, including Management's Discussion and Analysis of Financial Condition and Results of Operations in ARCT's Annual Report on Form 10-K/A for the year ended December 31, 2011, which is incorporated by reference into this joint proxy statement/prospectus.

ARCT DOES NOT INTEND TO UPDATE OR OTHERWISE REVISE THE ABOVE UNAUDITED PROSPECTIVE FINANCIAL RESULTS TO REFLECT CIRCUMSTANCES EXISTING AFTER THE DATE WHEN MADE OR TO REFLECT THE OCCURRENCE OF FUTURE EVENTS, EVEN IN THE EVENT THAT ANY OR ALL OF THE ASSUMPTIONS UNDERLYING SUCH UNAUDITED PROSPECTIVE FINANCIAL RESULTS ARE NO LONGER APPROPRIATE, EXCEPT AS MAY BE REQUIRED BY APPLICABLE LAW.

Interests of Realty Income's Directors and Executive Officers in the Merger

None of Realty Income's executive officers or the members of its board of directors is party to an agreement with Realty Income, or participates in any Realty Income plan, program or arrangement that provides such executive officer or board member with financial incentives that are contingent upon the consummation of the merger.

Interests of ARCT's Directors and Executive Officers in the Merger

In considering the recommendation of ARCT's board of directors to approve the merger and the other transactions contemplated by the merger agreement, ARCT stockholders should be aware that executive officers and directors of ARCT have certain interests in the merger that may be different from, or in addition to, the interests of ARCT stockholders generally. These interests may create potential conflicts of interest. The ARCT board of directors was aware of those interests and considered them, among other matters, in reaching its decision to approve the merger agreement and the transactions contemplated thereby. These interests include the following:

Incentive Listing Fee Note Agreement

ARCT and the ARCT OP, which we refer to collectively as the Obligors, entered into the Incentive Listing Fee Note Agreement with AR Capital. AR Capital is majority-owned and controlled by Nicholas S. Schorsch, the chairman of the board of directors of ARCT, and William M. Kahane, ARCT's chief executive officer, president and a director.

AR Capital was the sponsor of ARCT. Prior to March 1, 2012, ARCT operated as a non-exchange-traded REIT and its day-to-day business and operations were managed by American Realty Capital Advisors, LLC, a Delaware limited liability company wholly-owned by AR Capital, which we refer to as the Former Advisor. On March 1, 2012, ARCT internalized its management and provided notice of termination of its advisory agreement with the Former Advisor and listed its shares of common stock on The NASDAQ Global Select Market, or the Listing. In connection with the ARCT IPO, (i) pursuant to ARCT's charter that had been adopted in January 2008, ARCT agreed to pay to AR Capital a subordinated incentive listing fee, which we refer to as the Subordinated Incentive Listing Fee, if the investors in the ARCT IPO received certain returns from ARCT following the Listing (as described below) and (ii) ARCT separately agreed to pay the Subordinated Incentive Listing Fee to AR Capital in the form of a promissory note in a form that was previously agreed to by ARCT and AR Capital, which we refer to as the Subordinated Incentive Listing Fee Note (as described below), and the ARCT OP agreed to be jointly and severally liable with ARCT in respect of the issuance of, and payment with respect to, the Subordinated Incentive Listing Fee Note if and when such note is issued.

In connection with the Listing, and prior to any revisions made as a result of ARCT's negotiations with Realty Income in connection with the merger, AR Capital was entitled to the Subordinated Incentive Listing Fee, payable in the form of the Subordinated Incentive Listing Fee Note, equal to 15% of the amount, if any, by which (a) the market value of ARCT's outstanding common stock plus distributions paid by ARCT prior to the Listing exceeds (b) the sum of the total amount of capital raised from stockholders during the ARCT IPO and the amount of cash flow necessary to generate a 6% annual cumulative, non-compounded return to such stockholders. For this purpose, (i) the market value of ARCT's common stock was to be calculated based on the average market

Table of Contents

value of the shares issued and outstanding at Listing over the 30 trading days beginning 180 days after the shares are first listed or included for quotation, and (ii) the Subordinated Incentive Listing Fee Note would be non-transferrable with a maturity of three years, bearing interest at the applicable federal rate established by the Internal Revenue Service on the date the note is issued, and subject to mandatory amortization payments from any sale proceeds (except for the interest imputed for tax purposes). Further, the Subordinated Incentive Listing Fee Note was to be convertible by AR Capital, at its option, into shares of ARCT common stock and, if AR Capital elected to convert any unpaid portion of the note into shares of ARCT common stock, the number of shares of ARCT common stock that would be issued upon such conversion would be valued for this purpose at the average market value of ARCT's shares over the 30 trading days beginning 180 days after ARCT's shares were first listed.

In connection with certain requests and negotiation related to ARCT's entry into the merger agreement, the Obligors (acting through and at the direction of ARCT's independent directors) and AR Capital agreed to modify the terms of the Subordinated Incentive Listing Fee Note, if and to the extent issued, to (i) add a cap of \$76,000,000 on its principal amount, (ii) add a floor of \$58,600,000 on its principal amount, (iii) provide that, until October 31, 2012, such note shall be due and payable upon demand on not less than five business days' prior written notice by AR Capital, (iv) eliminate AR Capital's right to convert the principal amount of the Subordinated Incentive Listing Fee Note into shares of ARCT's common stock at maturity and (v) clarify that the average market value of ARCT's common stock for purposes of the calculation of the amount of the Subordinated Incentive Listing Fee Note would be based on the Seasoned Average Market Value (as defined below). In connection with and as a result of the Listing and the negotiations among Realty Income, AR Capital and the Obligors regarding the revised terms of the Subordinated Incentive Listing Fee Note, the Obligors and AR Capital memorialized the Obligors' obligation to issue, and AR Capital's right to receive, the Subordinated Incentive Listing Fee Note, upon the terms and subject to the conditions set forth in the Incentive Listing Fee Note Agreement. Other than the modifications listed above, the Incentive Listing Fee Note Agreement did not modify the terms of the Subordinated Incentive Listing Fee Note.

Pursuant to the Incentive Listing Fee Note Agreement, if the excess of (I) the sum of (a) the market value of ARCT's common stock, based on the volume-weighted average of the daily volume-weighted average price, as reported by Bloomberg Financial, increased by the cumulative ARCT dividends paid during the measurement period for each day following the ex-dividend date of each respective dividend on September 5, 2012 and October 3, 2012, as declared by NASDAQ, of the shares issued and outstanding at the Listing over the 30 trading days beginning 180 days after the Listing (which measurement period commenced August 28, 2012 and ended on October 9, 2012), which we refer to as the Seasoned Average Market Value, plus (b) distributions paid by ARCT from and after May 21, 2008 and prior to the Listing exceeds (II) the sum of (c) the total amount of capital raised from stockholders during the ARCT IPO and (d) the amount of cash flow necessary to generate a 6.0% annual cumulative, non-compounded return to such stockholders through the date of the Listing (we refer to the excess of clause (I) over clause (II) as the Excess Value Amount), then the Obligors, jointly and severally, agreed to issue to AR Capital the Subordinated Incentive Listing Fee Note, in a principal amount equal to 15% of the Excess Value Amount; provided, however, that the principal amount of the Subordinated Incentive Listing Fee Note (x) would not be less than \$58,600,000 and (y) would not be more than \$76,000,000.

On October 9, 2012, the Excess Value Amount was \$421.3 million resulting in the issuance of the Subordinated Incentive Listing Fee Note in the principal amount of \$63,189,091. On October 12, 2012, the outstanding principal amount, plus \$1,201.25 in accrued interest, was paid to AR Capital in full satisfaction of the Subordinated Incentive Listing Fee Note. Messrs. Schorsch and Kahane own 63.6% and 13.5%, respectively, of the equity interests in AR Capital and, accordingly, indirectly received \$40.2 million and \$8.5 million, respectively, of such payment. Such payment represented gross income to AR Capital, not net income distributable to the equity holders of AR Capital.

Table of Contents

Messrs. Schorsch and Kahane, as holders of more than a majority of the equity interests in AR Capital, had material financial interests in the calculation, timing and form of payment of the Subordinated Incentive Listing Fee.

Letter Agreement

On September 5, 2012, ARCT entered into the letter agreement with RC Securities and ARC Advisory Services, pursuant to which ARCT retained each of RC Securities and ARC Advisory Services to act as non-exclusive financial advisor and information agent, respectively, to ARCT in connection with the merger and the related proxy solicitation seeking approval of the merger by ARCT's stockholders. The term of the letter agreement will automatically expire upon the earlier to occur of (i) June 5, 2013 and (ii) the consummation of the merger and the services described in the letter agreement; provided, however, that ARCT only (and not RC Securities nor ARC Advisory Services) may terminate the letter agreement prior to the end of the term (except for certain surviving provisions), with or without cause, by giving RC Securities at least five days' prior written notice thereof.

Pursuant to the letter agreement, ARCT will pay to RC Securities and ARC Advisory Services an aggregate amount of \$1,500,000 in consideration for the services provided under the letter agreement and such fee will be payable upon the closing of the merger; provided that if the merger is not consummated, ARCT will be responsible for the payment of such fee. Additionally, ARCT will reimburse, irrespective of whether the merger is consummated, each of RC Securities and ARC Advisory Services for reasonable and actually incurred direct out-of-pocket expenses of RC Securities or ARC Advisory Services (including actually incurred reasonable legal fees in respect of any legal services incurred at the specific written request of ARCT) and for reasonable and actually incurred direct out-of-pocket expenses of third-party vendors, to the extent such vendors have been approved in writing by ARCT, incurred by RC Securities or ARC Advisory Services, as the case may be, in connection with the merger. RC Securities shall not mark-up any of such expenses and, to the extent any such expenses (i.e., travel and lodging) are incurred on behalf of ARCT and some other party unrelated to ARCT, RC Securities and ARC Advisory Services shall apportion such expenses in good faith, in a reasonable manner and advise ARCT thereof. At its sole discretion, ARCT may also directly pay any expenses of third party vendors. Amounts payable under the letter agreement are subject to reimbursement to Realty Income by AR Capital and Mr. Schorsch pursuant to a side letter (see Side Letter on page 150) to the extent aggregate transaction expenses, which include payments due under the Letter Agreement, exceed the \$15 million expense cap of the side letter. ARCT has agreed, subject to certain conditions, to indemnify RC Securities and ARC Advisory Services, together with their respective officers, directors, shareholders, employees, agents, and other controlling persons, against certain liabilities in connection with the letter agreement. Each of RC Securities and ARC Advisory Services is directly or indirectly wholly-owned by AR Capital.

Legal Services Agreement

On September 5, 2012, ARCT and the ARCT OP entered into the Legal Services Agreement with ARC Advisory Services, pursuant to which ARCT, on its own behalf and, as general partner of the ARCT OP, on behalf of the ARCT OP, retained ARC Advisory Services to perform legal support services in connection with the merger agreement. The Legal Services Agreement does not govern any legal support services (i) rendered by ARC Advisory Services before September 5, 2012 in connection with the merger agreement and its related transactions or (ii) not rendered in connection with the merger agreement and its related transactions, which, in each case, will be governed by the Legal Services Reimbursement Agreement and the Transition Services Agreement (each as further described below), respectively. Amounts payable under the Legal Services Agreement are subject to reimbursement to Realty Income by AR Capital and Mr. Schorsch pursuant to a side letter (see Side Letter on page 150) to the extent aggregate transaction expenses, which include payments due under the Legal Services Agreement, the \$15 million expense cap of the side letter. The Legal Services Agreement will expire on the earlier of (a) the closing date of the merger and (b) September 5, 2013, and thereafter it may be renewed from year to year by written consent of the parties thereto. Additionally, the Legal

Table of Contents

Services Agreement is terminable by any party thereto (upon determination of the majority of the independent directors of ARCT) at any time upon 60 days prior written notice to the non-terminating parties.

Pursuant to the Legal Services Agreement, ARCT and the ARCT OP will pay to ARC Advisory Services an aggregate amount of \$350,000 in consideration for the services provided under the Legal Services Agreement; provided that if the merger does not occur, ARCT will be responsible for the payment of such fee. Additionally, expenses of ARCT and the ARCT OP will be paid by the ARCT OP and ARCT and will not be borne by ARC Advisory Services unless any such expense constitutes or is part of a fee which ARC Advisory Services is otherwise receiving from ARCT or the ARCT OP. ARCT and the ARCT OP have agreed, subject to certain conditions, to indemnify ARC Advisory Services and its affiliates against certain liabilities in connection with the Legal Services Agreement and advance legal expenses and other costs incurred in connection therewith.

Legal Services Reimbursement Agreement

On September 5, 2012, ARCT and the ARCT OP entered into the Legal Services Reimbursement Agreement with ARC Advisory Services, pursuant to which ARCT, on its own behalf and, as general partner of the ARCT OP, on behalf of the ARCT OP, reaffirmed the retention of ARC Advisory Services for the performance of legal support services in connection with the merger agreement rendered prior to the date of the Legal Services Reimbursement Agreement. The Legal Services Reimbursement Agreement does not govern any legal support services (i) rendered by ARC Advisory Services from and after September 5, 2012 in connection with the merger agreement and its related transactions or (ii) not rendered in connection with the merger agreement and its related transactions, which, in each case, will be governed by the Legal Services Agreement and the Transition Services Agreement, respectively. Amounts payable under the Legal Services Reimbursement Agreement are subject to reimbursement to Realty Income by AR Capital and Mr. Schorsch pursuant to a side letter (see Side Letter on page 150) to the extent aggregate transaction expenses, which include payments due under the Legal Services Reimbursement Agreement, exceed the \$15 million expense cap of the side letter. The Legal Services Reimbursement Agreement will expire on the earlier of (a) the closing date of the merger and (b) September 5, 2013, and thereafter it may be renewed from year to year by written consent of the parties thereto. Additionally, the Legal Services Reimbursement Agreement is terminable by any party thereto (upon determination of the majority of the independent directors of ARCT) at any time upon 60 days prior written notice to the non-terminating parties.

Pursuant to the Legal Services Reimbursement Agreement, ARCT and the ARCT OP will pay to ARC Advisory Services an aggregate amount of \$1,200,000 in consideration for the services provided under the Legal Services Reimbursement Agreement. Additionally, expenses of ARCT and the ARCT OP will be paid by the ARCT OP and ARCT and will not be borne by ARC Advisory Services unless any such expense constitutes or is part of a fee which ARC Advisory Services is otherwise receiving from ARCT or the ARCT OP. ARCT and the ARCT OP have agreed, subject to certain conditions, to indemnify ARC Advisory Services and its affiliates against certain liabilities in connection with the Legal Services Reimbursement Agreement and advance legal expenses and other costs incurred in connection therewith.

Transition Services Agreement

On September 5, 2012, ARCT and the ARCT OP entered into a certain Transition Services Agreement with ARC Advisory Services, pursuant to which ARC Advisory Services and ARCT, on its own behalf and, as general partner of the ARCT OP, on behalf of the ARCT OP, memorialized ARC Advisory Services' obligation to perform the following services, which it has historically performed for, and for which it has historically been compensated by, ARCT and the ARCT OP: legal support, accounting support, marketing support, acquisition support, investor relations support, public relations support, event coordination, human resources and administration, general human resources duties, payroll services, benefits services, insurance and risk management, information technology services, telecom and internet services and services relating to office supplies. The Transition Services Agreement does not govern any legal support services rendered in connection with the merger agreement and its related transactions, which will be governed by the Legal Services Agreement

Table of Contents

and the Legal Services Reimbursement Agreement. The Transition Services Agreement will expire on the earlier of (i) the closing date of the merger and (ii) September 5, 2013, and thereafter it may be renewed from year to year by written consent of the parties thereto. Additionally, the Transition Services Agreement is terminable by any party thereto (upon determination of the majority of the independent directors of ARCT) at any time upon 60 days' prior written notice to the non-terminating parties; provided, however, that, prior to the closing date of the merger, ARCT may elect to extend the term of the Transition Services Agreement on a monthly basis up to and including September 5, 2013.

Pursuant to the Transition Services Agreement, ARCT and the ARCT OP will pay to ARC Advisory Services the actual costs and expenses incurred by ARC Advisory Services in connection with providing the services contemplated by the Transition Services Agreement (which costs and expenses range from \$90 to \$325 per employee per hour). Additionally, expenses of ARCT and the ARCT OP will be paid by the ARCT OP and ARCT and will not be borne by ARC Advisory Services unless any such expense constitutes or is part of a fee which ARC Advisory Services is otherwise receiving from ARCT or the ARCT OP. ARCT and the ARCT OP have agreed, subject to certain conditions, to indemnify ARC Advisory Services and its affiliates against certain liabilities in connection with the Transition Services Agreement and advance legal expenses and other costs incurred in connection therewith.

RC Securities and ARC Advisory Services are each wholly owned by AR Capital, and Messrs. Schorsch and Kahane own 63.6% and 13.5%, respectively, of the equity interests in AR Capital. Payments under the letter agreement, the Legal Services Agreement, the Legal Services Reimbursement Agreement and the Transition Services Agreement represent gross income to the applicable affiliate of AR Capital, not net income distributable to the equity holders of such affiliate of AR Capital.

Facilities License Agreement

ARCT is party to a certain License Agreement, dated as of March 1, 2012, with American Realty Capital, LLC, the Former Advisor and American Realty Capital, each of which we refer to as a Licensor and collectively as the Licensors, pursuant to which ARCT licenses office space in New York, New York, Dresher, Pennsylvania and Palo Alto, California. Pursuant to the License Agreement, ARCT pays an aggregate fee of \$12,083.33 per month to the Licensors. ARCT has agreed to indemnify the Licensors against liabilities resulting from ARCT's use and/or occupancy of the licensed space, including attorney's fees and costs. The License Agreement will be terminated concurrently with the closing of the merger. Each Licensor is wholly-owned, directly or indirectly, or otherwise controlled by, AR Capital.

Transfer of Furniture, Fixtures, Equipment and Other Personal Property

Neither Realty Income nor Merger Sub will occupy any of the facilities leased by ARCT following the consummation of the merger. As a result, pursuant to the merger agreement, ARCT will transfer to AR Capital, in consideration of \$1.00, the furniture, fixtures, equipment and other personal property used by ARCT in its New York, New York, Dresher, Pennsylvania and Palo Alto, California offices.

Conversion of Outstanding Shares Pursuant to the Merger

Shares of ARCT common stock owned by executive officers and directors of ARCT will be converted into the right to receive shares of Realty Income common stock on the same terms and conditions as the other stockholders of ARCT. As of November 27, 2012, the executive officers and directors of ARCT beneficially owned, in the aggregate, 1,467,135 shares of ARCT common stock (including shares held by AR Capital), excluding shares of ARCT common stock issuable upon (i) exercise of stock options to acquire shares of ARCT common stock, which we refer to as ARCT stock options, granted under ARCT's 2007 Non-Employee Director Stock Option Plan, which we refer to as the ARCT Stock Option Plan, (ii) settlement of ARCT restricted stock awards granted under ARCT's Amended and Restated Employee and Director Incentive Restricted Share Plan,

Table of Contents

which we refer to as the ARCT Restricted Stock Plan, and collectively with the ARCT Stock Option Plan, the ARCT Stock Plans, and (iii) the conversion of LTIP Units of ARCT OP granted under the 2012 Outperformance Award Agreements, as amended, between ARCT, ARCT OP and each of Nicholas S. Schorsch and William M. Kahane, which we refer to as the OPP Agreements. If all of the shares of ARCT common stock beneficially owned by the executive officers and directors as of November 27, 2012 (other than shares of ARCT common stock issuable with respect to ARCT stock options, ARCT restricted stock and upon conversion of LTIP Units of ARCT OP) were converted to shares of Realty Income common stock in connection with the merger, then the executive officers and directors would receive an aggregate of 421,654 shares of Realty Income common stock pursuant to the merger, which based on the closing price of Realty Income common stock on November 27, 2012, would have an aggregate value of \$16,634,250.

Treatment of ARCT Stock Options

Under the merger agreement, each ARCT stock option that is outstanding and unexercised at the effective time of the merger, whether or not then exercisable, will be deemed subject to a cashless exercise and the holder of the ARCT stock option will be deemed to receive by virtue of such deemed cashless exercise a number of shares of ARCT common stock equal to (i) the number of shares of ARCT common stock subject to each ARCT stock option, less (ii) the number of shares of ARCT common stock equal in value to the aggregate exercise price of each ARCT stock option, assuming a fair market value of a share of ARCT common stock equal to the closing price of ARCT common stock on the last completed trading day immediately prior to the closing of the merger. Immediately following such deemed cashless exercise, the net number of shares of ARCT common stock deemed issued in connection with the deemed cashless exercise of each ARCT stock option will be converted into the right of the holder of the corresponding ARCT stock option to receive the merger consideration payable with respect to ARCT common stock in the merger.

As a result of the transactions contemplated under the merger agreement, ARCT's directors would receive an aggregate of 3,042 shares of ARCT common stock in connection with the deemed exercise of the directors' ARCT stock options outstanding as of November 27, 2012 and based on the closing price of ARCT's common stock on that date. Such shares of ARCT common stock would be convertible into 874 shares of Realty Income common stock pursuant to the merger, which based on the closing price of Realty Income common stock on November 27, 2012, would have an aggregate value of \$34,479.

Treatment of ARCT Restricted Stock

Under the merger agreement, immediately prior to the effective time of the merger, each then-outstanding share of ARCT restricted stock will fully vest. All shares of ARCT common stock then-outstanding as a result of the full vesting of shares of ARCT restricted stock (and on the satisfaction of any applicable withholding taxes) will have the right to receive the merger consideration to be received by ARCT stockholders with respect to ARCT common stock in the merger.

As a result of the transactions contemplated under the merger agreement, 35,567 shares of ARCT restricted stock held by ARCT's executive officers and directors would vest and, subject to shares withheld for tax withholding, would be convertible into 10,221 shares of Realty Income common stock pursuant to the merger, which based on the closing price of Realty Income common stock on November 27, 2012, would have an aggregate value of \$403,218.

OPP Agreements, Treatment of LTIP Units and ARCT Annual Plan Payments

Under the OPP Agreements, Messrs. Schorsch and Kahane were each granted LTIP Units in ARCT OP which may be earned at the end of a three-year performance period ending on February 28, 2015, and which vest as to 25% of the earned LTIP Units on each of February 28, 2015 and February 28, 2016, and as to 50% of the earned LTIP Units on February 28, 2017, based on continued service. The number of LTIP Units that ultimately

Table of Contents

are earned, and thus eligible for vesting, is determined by reference to each individual's percentage opportunity in a bonus pool that is funded based upon ARCT's performance over the performance period. Under the OPP Agreements, upon a termination without cause or by Mr. Schorsch or Mr. Kahane for good reason (each, as defined in the OPP Agreements) prior to the end of the performance period, the individual is entitled to earn LTIP Units that will be subject to transfer restrictions through the original vesting dates. The OPP Agreements also provide for the eligibility to earn and vest in LTIP Units in connection with a change in control (as defined in the OPP Agreements) under certain circumstances. The consummation of the transactions contemplated by the merger agreement will constitute a change in control under the OPP Agreements.

The ARCT Annual Plan provides Messrs. Schorsch and Kahane the opportunity to earn annual awards from a bonus pool that is funded through both a discretionary component and a formulaic performance component. Upon a change in control of ARCT under the ARCT Annual Plan, participants will be eligible to receive cash bonus awards as equitably adjusted in accordance with the ARCT Annual Plan to reflect the shortened plan year (ending on the date of the change in control), paid in one lump-sum within 45 days following the change in control. The consummation of the transactions contemplated by the merger agreement will constitute a change in control under the ARCT Annual Plan.

Based on performance as of August 21, 2012 and measured based on an assumed transaction price in the merger of \$12.05 per share of ARCT's common stock, a third party independent compensation consulting firm has determined that the current aggregate estimated value of the OPP Agreements is approximately \$22,200,000 and the current aggregate estimated value of the ARCT Annual Plan is approximately \$9,300,000. In connection with entering into the merger agreement, ARCT and Messrs. Schorsch and Kahane agreed, subject to the consummation of the merger, that the value of the awards under the ARCT Incentive Plans will be capped and reduced to an aggregate value not to exceed the Incentive Cap of \$22,000,000.

In connection with the Incentive Cap and as required under the merger agreement, on September 6, 2012, ARCT and ARCT OP entered into the OPP Amendments with Messrs. Schorsch and Kahane. Pursuant to the OPP Amendments subject to the consummation of the transactions contemplated under the merger agreement, effective as of immediately prior to the effective time of the merger the number of vested and earned LTIP Units under the OPP Agreements would be based on a reduced aggregate value of \$19,000,000 (an aggregate reduction of approximately \$3,200,000 from the estimated value determined by ARCT's compensation consulting firm), allocated \$14,825,000 for Mr. Schorsch and \$4,175,000 for Mr. Kahane, divided by \$11.506 (the average closing trading price of ARCT's common stock during the ten-day trading period ending August 31, 2012). As a result, under the OPP Amendments, Messrs. Schorsch and Kahane would have earned an aggregate of 1,288,458 and 362,854 fully vested LTIP Units, respectively, in connection with the consummation of the merger. Subsequent to the execution of the merger agreement, the amounts that will be earned by Messrs. Schorsch and Kahane under the OPP Agreements in connection with the consummation of the merger were further reduced, pursuant to the OPP letter, to an aggregate of 1,255,080 and 353,454 fully vested LTIP Units, respectively, which we refer to as the Earned LTIP Units, and the remainder of their LTIP Units granted under the OPP Agreements will be automatically cancelled and forfeited without payment of any consideration. Messrs. Schorsch and Kahane have acknowledged these further reductions, which we refer to as the Second LTIP Reduction.

In addition, pursuant to the OPP Amendments, on September 6, 2012, Messrs. Schorsch and Kahane transferred and assigned 830,002 and 234,660 unearned and unvested LTIP Units awarded to them under the OPP Agreements, respectively, to ARC Real Estate Partners, LLC, which we refer to as AREP, an entity controlled by Messrs. Schorsch and Kahane, which transfers were approved by ARCT's compensation committee. In connection with the Second LTIP Reduction, the number of unearned and unvested LTIP Units transferred and assigned by Messrs. Schorsch and Kahane to AREP was adjusted to 808,500 and 228,581, respectively, which adjustments were acknowledged by Messrs. Schorsch and Kahane. As of the effective time of the merger, these LTIP Units will become earned and fully vested and not subject to forfeiture, and will be deemed Earned LTIP Units, thus resulting in AREP holding a total of 1,037,081 Earned LTIP Units, thus

Table of Contents

reducing the number of Earned LTIP Units held by Messrs. Schorsch and Kahane to 446,580 and 124,873 Earned LTIP Units, respectively.

Pursuant to the merger agreement, as of the effective time of the merger, each Earned LTIP Unit will be automatically converted into such number of Earned LTIP Units that, assuming a one-for-one exchange of such Earned LTIP Units for OP Units of ARCT OP, would give the Earned LTIP Unit holder the right to redeem or exchange his Earned LTIP Units (assuming a prior conversion of such Earned LTIP Units for an equal number of OP Units) for a number of shares of Realty Income common stock (or, at the discretion of Realty Income, cash equivalents thereof) equal to the number of shares of Realty Income common stock that such Earned LTIP Unit holder (assuming a prior conversion of such Earned LTIP Units for an equal number of OP Units) would have been entitled to receive if the Earned LTIP Units held immediately prior to the merger had been converted in OP Units, on a one-for-one basis, and such OP Units had been converted into ARCT common stock, on a one-for-one basis, immediately prior to the effective time of the merger. As a result of the merger, AREP will be treated as holding a total of 298,057 Earned LTIP Units and Messrs. Schorsch and Kahane will be treated as holding 128,347 and 35,888 Earned LTIP Units, respectively.

As of the effective time of the merger, ARCT OP will enter into the Second Amended and Restated Agreement of Limited Partnership of ARCT OP, (the "Second Amended OP LPA"), pursuant to which the Earned LTIP Units held by AREP will be converted into an equal number of common units of ARCT OP, or Class A Common Units, and the Earned LTIP Units held by and Messrs. Schorsch and Kahane will be converted into 5,275 and 1,475 preferred units of ARCT OP, or Preferred Units, respectively. Subject to limitations in the Second Amended OP LPA, the Class A Common Units will be convertible into an amount of cash equal to the value of a corresponding number of shares of Realty Income common stock, or, at the option of Realty Income, the corresponding number of shares of Realty Income common stock. However, subject to limitations in the Second Amended OP LPA, the Preferred Units will be convertible only into an amount of cash equal to the liquidation preference on such Preferred Units (equal to \$1,000 per Preferred Unit) plus any accrued but unpaid preferred return on such Preferred Units (equal to a 2% non-compounded annual return on the liquidation preference).

The OPP Amendments also provide that on the date on which the effective time of the merger occurs, ARCT will pay a reduced lump-sum cash payment in the amount of \$1,500,000 to each of Messrs. Schorsch and Kahane (an aggregate reduction of approximately \$6,300,000 from the estimated value determined by ARCT's compensation consulting firm) in full satisfaction of any rights they may have under the ARCT Annual Plan, less any applicable tax withholdings.

Messrs. Schorsch and Kahane agreed to release ARCT, ARCT OP, Realty Income, Merger Sub and other related parties from any claims relating to the OPP Agreements and the ARCT Annual Plan other than their rights under the OPP Amendments. Messrs. Schorsch and Kahane also agreed and acknowledged that, from and after the effective time of the merger, they will have no right to (i) earn any additional LTIP Units or (ii) receive any other amounts under the OPP Agreements and ARCT Annual Plan.

Special Allocation of Deductions

Prior to entering into the merger agreement, AREP, an entity controlled by Messrs. Schorsch and Kahane, was admitted to ARCT OP as a limited partner in exchange for a cash contribution. In connection with such contribution, the partnership agreement of ARCT OP was amended in order to reflect the economic arrangement amongst the partners of ARCT OP, including AREP. The amendment to the partnership agreement of ARCT OP provided for, among other things, a special allocation of the deductions relating to the issuance of the Subordinated Incentive Listing Fee Note to AREP, if available, and AREP agreed that, in the event of a liquidation of ARCT OP, AREP will be obligated to restore a deficit balance in its capital account, subject to certain limitations. Furthermore, AREP was provided with the opportunity to guaranty a portion of ARCT OP's indebtedness, and ARCT OP agreed to maintain a certain amount of indebtedness for AREP to guaranty. ARCT OP agreed to indemnify AREP for

Table of Contents

certain breaches by ARCT OP with respect to these arrangements. Pursuant to the merger agreement and a tax matter agreement to be entered into concurrent with the effective time of the merger, the parties to the merger have agreed to maintain the arrangements with respect to this special allocation to AREP.

Employment Agreements

ARCT has entered into employment agreements with each of Messrs. Kahane and Jones, which we refer to collectively as the Employment Agreements. The Employment Agreements provide that in the event of the executive's termination due to death, disability, by ARCT without cause (as defined in the Employment Agreements), or, solely with respect to Mr. Kahane, upon a non-renewal of his Employment Agreement (the current term of which is scheduled to expire on March 1, 2015 unless renewed) or his resignation for good reason (as defined in his Employment Agreement), the executive will be entitled to receive:

subject to his execution of a release, amounts earned but unpaid under the ARCT Incentive Plans, any earned and unpaid base salary, expenses up to the date of termination (including pay in lieu of accrued, but unused vacation), and, solely in the case of Mr. Jones, any portion of his annual cash bonus earned but unpaid for the prior year and pro rata portion of his annual cash bonus for the year of termination;

to the extent not vested, full vesting of all restricted stock, stock options and awards held under the ARCT Incentive Plans;

a grant of any award the executive would have received under the ARCT Incentive Plans had he remained employed for the entire year, prorated to reflect the partial year's service;

continued participation, at ARCT's cost, in ARCT's healthcare, dental, vision, prescription drug, and in the case of Mr. Jones, disability plans in which the executive participated prior to termination, for a period of 18 months following termination, which we refer to as the Severance Period, to the extent permitted or otherwise practicable under such plans. To the extent not permitted or otherwise practicable, ARCT will take such actions as may be necessary to provide the executive with comparable benefits (without additional cost to the executive). If the executive engages in regular employment after termination, then any benefits received by him which are similar in nature to any of the forgoing plans will relieve ARCT of its obligation to provide such comparable benefit to the extent of benefits so received; and

during the Severance Period, ARCT will also continue to pay the premium payments on the life insurance policies purchased by ARCT on the lives of Messrs. Kahane and Jones and owned by the executives.

In the event of a change of control (as defined in the Employment Agreements), the executive's equity awards in ARCT will become fully vested and the executive will vest in any outstanding awards under the ARCT Incentive Plans. In addition, if Mr. Jones does not accept employment with AR Capital or its affiliates within six months following the consummation of a change of control, he will be entitled to a lump sum severance payment equal to his then current annual base salary, paid six months and one day following the change of control.

It is currently contemplated that at the effective time of the merger, Messrs. Kahane and Jones will terminate employment with ARCT and will become employed by AR Capital or one of its affiliates. In connection with such subsequent employment it is expected that Messrs. Kahane and Jones would receive employee health and welfare benefits similar in nature to those provided by ARCT. Accordingly, it is anticipated that they will not be entitled to receive continued coverage under such ARCT plans or comparable benefits following the termination of their employment with ARCT and Mr. Jones will not be entitled to receive the cash severance payment described in the immediately preceding paragraph. In addition, under the OPP Amendments, Messrs. Schorsch and Kahane agreed and acknowledged that, from and after the effective time of the merger, they will have no right to additional amounts under the ARCT Incentive Plans, including the right to (i) earn any additional LTIP Units or (ii) receive any other amounts under the OPP Agreements and ARCT Annual Plan.

Section 16 Matters

Pursuant to the merger agreement, ARCT has agreed to take all steps as may be required to cause to be exempt under Rule 16b-3 under the Exchange Act any dispositions of shares of ARCT common stock (including derivative securities with respect to such shares) that are treated as dispositions under Rule 16b-3 and result from the transactions contemplated under the merger agreement by each officer or director of ARCT who is or will be subject to the reporting requirements of Section 16(a) of the Exchange Act with respect to ARCT.

Indemnification and Insurance

For a period of six years after the effective time of the merger, pursuant to the terms of the merger agreement and subject to certain limitations, the surviving entity will indemnify, defend and hold harmless among others, each officer and director of ARCT, for actions at or prior to the effective time of the merger, including with respect to the transactions contemplated by the merger agreement. In addition, pursuant to the terms of the merger agreement and subject to certain limitations, prior to the effective time of the merger, ARCT has agreed to (or, if ARCT is unable to, Realty Income has agreed to cause the surviving entity in the merger to) obtain and pay for a non-cancelable extension of the coverage afforded by ARCT's existing directors' and officers' liability insurance policies and ARCT's existing fiduciary liability insurance policies covering at least six years after the effective time of the merger with respect to any claim related to any period or time at or prior to the effective time of the merger, and if ARCT or the surviving entity does not obtain a tail policy as of the effective time of the merger, the surviving entity will maintain in effect, for a period of at least six years after the effective time of the merger, ARCT's existing policies in effect on September 6, 2012 on terms and limits of liability that are no less favorable in the aggregate than the coverage provided on that date. These interests are described in detail below at The Merger Agreement Covenants and Agreements Indemnification of Directors and Officers; Insurance .

The ARCT board of directors was aware of the interests described in this section and considered them, among other matters, in approving the merger agreement and making its recommendation that ARCT stockholders approve the merger and the other transactions contemplated by the merger agreement. See The Merger Recommendation of ARCT's Board of Directors and Its Reasons for the Merger.

Regulatory Approvals Required for the Merger

The merger may be subject to certain regulatory requirements of municipal, state and federal, domestic or foreign, governmental agencies and authorities, including those relating to the offer and sale of securities. Realty Income and ARCT are currently working to evaluate and comply in all material respects with these requirements, as appropriate, and do not currently anticipate that they will hinder, delay or restrict completion of the merger.

It is possible that one or more of the regulatory approvals required to complete the merger will not be obtained on a timely basis or at all. In addition, it is possible that any of the governmental entities with which filings are made may seek regulatory concessions as conditions for granting approval of the merger. Under the merger agreement, Realty Income and ARCT have each agreed to use its reasonable best efforts to take all actions necessary, proper or advisable to complete the merger and the other transactions contemplated by the merger agreement.

Although Realty Income and ARCT do not expect any regulatory authorities to raise any significant objections to the merger that would result in the failure to satisfy the conditions to closing the merger by the termination date, Realty Income and ARCT can provide no assurance that all required regulatory approvals will be obtained or that these approvals will not contain terms, conditions or restrictions that would be detrimental to Realty Income after the effective time of the merger. Realty Income and ARCT have not yet obtained any of the regulatory approvals required to complete the merger.

Material U.S. Federal Income Tax Consequences of the Merger

The following discussion summarizes the material U.S. federal income tax consequences of the merger to U.S. holders (as defined below) of ARCT common stock that hold such common stock as a capital asset within the meaning of Section 1221 of the Code.

This discussion is based upon the Code, Treasury regulations promulgated under the Code, which we refer to as the Treasury Regulations, judicial decisions and published administrative rulings, all as currently in effect and all of which are subject to change, possibly with retroactive effect. This discussion does not address (i) U.S. federal taxes other than income taxes, (ii) state, local or non-U.S. taxes or (iii) tax reporting requirements applicable to the merger. In addition, this discussion does not address U.S. federal income tax considerations applicable to holders of ARCT common stock that are subject to special treatment under U.S. federal income tax law, including, for example:

financial institutions;

pass-through entities;

insurance companies;

tax-exempt organizations;

dealers in securities or currencies;

Table of Contents

traders in securities that elect to use a mark to market method of accounting;

persons that hold ARCT common stock as part of a straddle, hedge, constructive sale or conversion transaction;

regulated investment companies;

real estate investment trusts;

certain U.S. expatriates;

U.S. holders whose functional currency is not the U.S. dollar;

persons who acquired their ARCT common stock through the exercise of an employee stock option or otherwise as compensation;
and

persons who are not U.S. holders.

For purposes of this discussion, a U.S. holder means a beneficial owner of ARCT common stock that is:

an individual who is a citizen or resident of the United States for U.S. income tax purposes;

a corporation (or other entity taxable as a corporation for U.S. federal income tax purposes) created or organized in or under the laws of the United States or any political subdivision thereof;

an estate the income of which is subject to U.S. federal income taxation regardless of its source; or

a trust that (A) is subject to the supervision of a court within the United States and the control of one or more U.S. persons or (B) has a valid election in place under the Treasury Regulations to be treated as a U.S. person.

If a partnership (or an entity or arrangement treated as a partnership for U.S. federal income tax purposes) holds ARCT common stock, the tax treatment of a partner in the partnership generally will depend on the status of the partner and the activities of the partnership. Any partnership or entity or arrangement treated as a partnership for U.S. federal income tax purposes that holds ARCT common stock, and the partners in such partnership, should consult their tax advisors.

This discussion of material U.S. federal income tax consequences of the merger is not binding on the Internal Revenue Service, which we refer to as the IRS. No assurance can be given that the IRS would not assert, or that a court would not sustain, a position contrary to any described herein.

HOLDERS OF ARCT COMMON STOCK ARE URGED TO CONSULT THEIR TAX ADVISORS REGARDING THE SPECIFIC TAX CONSEQUENCES TO THEM OF THE MERGER, INCLUDING THE APPLICABILITY AND EFFECT OF U.S. FEDERAL, STATE, LOCAL AND NON-U.S. INCOME AND OTHER TAX LAWS IN LIGHT OF THEIR PARTICULAR CIRCUMSTANCES.

Tax Opinions from Outside Counsel

Edgar Filing: American Realty Capital Trust, Inc. - Form DEFM14A

It is a condition to the consummation of the merger that outside counsel to Realty Income and outside counsel to ARCT each renders a tax opinion to its client to the effect that, for U.S. federal income tax purposes, the merger will constitute a reorganization within the meaning of Section 368(a) of the Code. Such opinions will be based on factual representations and covenants made by Realty Income and ARCT (including those contained in tax representation letters provided by Realty Income and ARCT), and on customary assumptions. If any assumption or representation is inaccurate in any way, or any covenant is not complied with, the tax consequences of the merger could differ from those described in the tax opinions. The tax opinions represent the legal judgment of outside counsel to Realty Income and outside counsel to ARCT and are not binding on the IRS. No ruling from the IRS has been or will be requested in connection with the merger, and there can be no assurance that the IRS would not assert, or that a court would not sustain, a position contrary to the conclusions

Table of Contents

set forth in the tax opinions. If the condition relating to either tax opinion to be delivered at closing is waived, this joint proxy statement/prospectus will be amended and recirculated.

Material U.S. Federal Income Tax Consequences of the Merger

In the opinion of Latham & Watkins LLP and Proskauer Rose LLP, the merger of ARCT with and into Merger Sub will qualify as a reorganization within the meaning of Section 368(a) of the Code. Accordingly:

a U.S. holder will not recognize any gain or loss upon receipt of Realty Income common stock in exchange for its ARCT common stock in connection with the merger, except with respect to cash received in lieu of fractional shares of Realty Income common stock, as discussed below.

a U.S. holder will have an aggregate tax basis in the Realty Income common stock received in the merger equal to the U.S. holder's aggregate tax basis in its ARCT shares surrendered pursuant to the merger, reduced by the portion of the U.S. holder's tax basis in its ARCT shares surrendered in the merger that is allocable to a fractional share of Realty Income common stock. If a U.S. holder acquired any of its shares of ARCT common stock at different prices or at different times, Treasury Regulations provide guidance on how such U.S. holder may allocate its tax basis to shares of Realty Income common stock received in the merger. U.S. holders that hold multiple blocks of ARCT common stock should consult their tax advisors regarding the proper allocation of their basis among shares of Realty Income common stock received in the merger under these Treasury Regulations.

the holding period of the Realty Income common stock received by a U.S. holder in connection with the merger will include the holding period of the ARCT common stock surrendered in connection with the merger.

cash received by a U.S. holder in lieu of a fractional share of Realty Income common stock in the merger will be treated as if such fractional share had been issued in connection with the merger and then redeemed by Realty Income, and such U.S. holder generally will recognize capital gain or loss with respect to such cash payment, measured by the difference, if any, between the amount of cash received and the U.S. holder's tax basis in such fractional share. Such capital gain or loss will be long-term capital gain or loss if the U.S. holder's holding period in respect of such fractional share is greater than one year. Non-corporate U.S. holders are generally subject to tax on long-term capital gains at reduced rates under current law. The deductibility of capital losses is subject to certain limitations.

Backup Withholding

Certain U.S. holders of ARCT common stock may be subject to backup withholding of U.S. federal income tax with respect to any cash received in lieu of fractional shares pursuant to the merger. Backup withholding will not apply, however, to a U.S. holder of ARCT common stock that furnishes a correct taxpayer identification number and certifies that it is not subject to backup withholding on IRS Form W-9 (or substitute Form W-9) or is otherwise exempt from backup withholding and provides appropriate proof of the applicable exemption. While this discussion does not otherwise address the United States federal income tax considerations applicable to non-U.S. holders, a non-U.S. holder may be subject to backup withholding unless such holder establishes an exemption, for example, by properly certifying its non-U.S. status on an IRS Form W-8BEN or another appropriate version of IRS Form W-8. Notwithstanding the foregoing, backup withholding may apply if either we have or our paying agent has actual knowledge, or reason to know, that such holder is not a non-U.S. holder. Backup withholding is not an additional tax and any amounts withheld will be allowed as a refund or credit against the holder's U.S. federal income tax liability, if any, provided that the holder timely furnishes the required information to the IRS.

REIT Qualification of Realty Income and ARCT

It is a condition to the obligation of ARCT to complete the merger that Realty Income receive an opinion from Latham & Watkins LLP (or other Realty Income counsel reasonably satisfactory to ARCT) to the effect that, commencing with the taxable year of Realty Income ended December 31, 1994, Realty Income has been organized and operated in conformity with the requirements for qualification and taxation as a REIT under the Code, and its proposed method of operation will enable Realty Income to continue to meet the requirements for qualification and taxation as a REIT under the Code. The opinion of Latham & Watkins LLP will be subject to customary exceptions, assumptions and qualifications and be based on customary representations made by Realty Income about factual matters relating to the organization and operation of Realty Income and its subsidiaries.

It is a condition to the obligation of Realty Income to complete the merger that ARCT receive an opinion from Proskauer Rose LLP to the effect that, commencing with the taxable year of ARCT ended December 31, 2008, ARCT has been organized and operated in conformity with the requirements for qualification and taxation as a REIT under the Code and its actual method of operation has enabled ARCT to meet, through the effective time of the merger, the requirements for qualification and taxation as a REIT under the Code. The opinion of Proskauer Rose LLP will be subject to customary exceptions, assumptions and qualifications and be based on customary representations made by ARCT about factual matters relating to the organization and operation of ARCT and its subsidiaries.

Neither of the opinions described above will be binding on the IRS. Realty Income intends to continue to operate in a manner to qualify as a REIT following the merger, but there is no guarantee that it will qualify or remain qualified as a REIT. Qualification and taxation as a REIT depend upon the ability of Realty Income to meet, through actual annual (or, in some cases, quarterly) operating results, requirements relating to income, asset ownership, distribution levels and diversity of share ownership, and the various REIT qualification requirements imposed under the Code. Given the complex nature of the REIT qualification requirements, the ongoing importance of factual determinations and the possibility of future changes in the circumstances of Realty Income, it cannot be guaranteed that the actual operating results of Realty Income will satisfy the requirements for taxation as a REIT under the Code for any particular tax year.

Tax Liabilities and Attributes Inherited from ARCT

If ARCT failed to qualify as a REIT for any of its taxable years, ARCT would be liable for (and Realty Income would be obligated to pay) U.S. federal income tax on its taxable income at regular corporate rates. Furthermore, after the merger, the asset and income tests will apply to all of the assets of Realty Income, including the assets Realty Income acquires from ARCT, and to all of the income of Realty Income, including the income derived from the assets Realty Income acquires from ARCT. As a result, the nature of the assets that Realty Income acquires from ARCT and the income Realty Income derives from those assets may have an effect on the tax status of Realty Income as a REIT.

Qualification as a REIT requires ARCT to satisfy numerous requirements, some on an annual and others on a quarterly basis, as described below with respect to Realty Income. There are only limited judicial and administrative interpretations of these requirements, and qualification as a REIT involves the determination of various factual matters and circumstances which were not entirely within the control of ARCT.

Material U.S. Federal Income Tax Considerations Applicable to Holders of Realty Income Common Stock

This section summarizes the material U.S. federal income tax consequences generally resulting from the election of Realty Income to be taxed as a REIT.

The sections of the Code and the corresponding Treasury regulations that relate to the qualification and taxation as a REIT are highly technical and complex. You are urged to consult your tax advisor regarding the specific tax consequences to you of ownership of the securities of Realty Income and of the

election of Realty Income to be taxed as a REIT. Specifically, you should consult your tax advisor regarding the federal, state, local, foreign and other tax consequences of such ownership and election, and regarding potential changes in applicable tax laws.

Taxation of REITs in General

General.

Realty Income elected to be taxed as a REIT under Sections 856 through 860 of the Code commencing with its taxable year ended December 31, 1994. Realty Income believes it has been organized and has operated in a manner which allows it to qualify for taxation as a REIT under the Code commencing with its taxable year ended December 31, 1994. Realty Income currently intends to continue to be organized and operate in this manner. However, its qualification and taxation as a REIT depend upon its ability to meet the various qualification tests imposed under the Code, including through actual annual operating results, asset composition, distribution levels and diversity of stock ownership.

Accordingly, no assurance can be given that Realty Income has been organized and has operated, or will continue to be organized and operate, in a manner so as to qualify or remain qualified as a REIT. See the section below entitled **Failure to Qualify**.

The sections of the Code and the corresponding Treasury Regulations that relate to qualification and operation as a REIT are highly technical and complex. The following sets forth the material aspects of the sections of the Code that govern the United States federal income tax treatment of a REIT and the holders of certain of its securities. This summary is qualified in its entirety by the applicable Code provisions, relevant rules and regulations promulgated under the Code, and administrative and judicial interpretations of the Code and these rules and regulations.

Provided Realty Income qualifies for taxation as a REIT, Realty Income generally will not be required to pay federal corporate income taxes on its net income that is currently distributed to its stockholders. This treatment substantially eliminates the **double taxation** that typically results from investment in a C corporation. A C corporation is a corporation that generally is required to pay tax at the corporate level. Double taxation generally means taxation that occurs once at the corporate level when income is earned and once again at the stockholder level when the income is distributed. Realty Income will be required to pay United States federal income tax, however, as follows:

first, Realty Income will be required to pay tax at regular corporate tax rates on any undistributed net taxable income, including undistributed net capital gains.

second, Realty Income may be required to pay the **alternative minimum tax** on its items of tax preference under some circumstances.

third, if Realty Income has (a) net income from the sale or other disposition of **foreclosure property** which is held primarily for sale to customers in the ordinary course of business or (b) other nonqualifying income from foreclosure property, Realty Income will be required to pay tax at the highest corporate rate on this income. Foreclosure property is generally defined as property acquired through foreclosure or after a default on a loan secured by the property or a lease of the property and for which an election is made.

fourth, Realty Income will be required to pay a 100% tax on any net income from prohibited transactions. Prohibited transactions are, in general, sales or other taxable dispositions of property, other than foreclosure property, held as inventory or primarily for sale to customers in the ordinary course of business.

fifth, if Realty Income fails to satisfy the 75% or the 95% gross income tests, as described below, but has otherwise maintained its qualification as a REIT because certain other requirements are met, Realty

Table of Contents

Income will be required to pay a tax equal to (a) the greater of (i) the amount by which 75% of its gross income exceeds the amount qualifying under the 75% gross income test described below and (ii) the amount by which 95% of its gross income exceeds the amount qualifying under the 95% gross income test, multiplied by (b) a fraction intended to reflect its profitability.

sixth, if Realty Income fails to satisfy any of the REIT asset tests (other than a de minimis failure of the 5% or 10% asset tests), as described below, due to reasonable cause and not due to willful neglect, and Realty Income nonetheless maintains its REIT qualification because of specified cure provisions, it will be required to pay a tax equal to the greater of \$50,000 or the highest corporate tax rate multiplied by the net income generated by the nonqualifying assets that caused it to fail such test.

seventh, if Realty Income fails to satisfy any provision of the Code that would result in its failure to qualify as a REIT (other than a violation of the REIT gross income tests or certain violations of the asset tests described below) and the violation is due to reasonable cause and not due to willful neglect, it may retain its REIT qualification but will be required to pay a penalty of \$50,000 for each such failure.

eighth, Realty Income will be required to pay a 4% excise tax to the extent it fails to distribute during each calendar year at least the sum of (a) 85% of its REIT ordinary income for the year, (b) 95% of its REIT capital gain net income for the year, and (c) any undistributed taxable income from prior periods. Such excise tax would not be deductible by Realty Income.

ninth, if Realty Income acquires any asset from a corporation which is or has been a C corporation in a transaction in which the basis of the asset in Realty Income's hands is less than the fair market value of the asset, in each case determined at the time it acquired the asset, and it subsequently recognizes gain on the disposition of the asset during the ten-year period beginning on the date on which it acquired the asset, then it will be required to pay tax at the highest regular corporate tax rate on this gain to the extent of the excess of (a) the fair market value of the asset over (b) its adjusted basis in the asset, in each case determined as of the date on which it acquired the asset. The results described in this paragraph with respect to the recognition of gain assume that the C corporation will refrain from making an election to receive different treatment under applicable Treasury Regulations on its tax return for the year in which Realty Income acquires the asset from the C corporation. The IRS has issued Proposed Treasury Regulations which would exclude from the application of this built-in gains tax any gain from the sale of property acquired by Realty Income in an exchange under Section 1031 (a like kind exchange) or 1033 (an involuntary conversion) of the Code. The Proposed Treasury Regulations described above will not be effective unless they are issued in their final form, and as of the date of this joint proxy statement/prospectus it is not possible to determine whether the proposed regulations will be finalized in their current form or at all.

tenth, entities Realty Income owns that are C corporations, including its taxable REIT subsidiaries, generally will be required to pay federal corporate income tax on their earnings.

eleventh, Realty Income will be subject to a 100% tax on any redetermined rents, redetermined deductions or excess interest. In general, redetermined rents are rents from real property that are overstated as a result of services furnished by a taxable REIT subsidiary of Realty Income to any of its tenants. Redetermined deductions and excess interest generally represent amounts that are deducted by a taxable REIT subsidiary of Realty Income for amounts paid to it that are in excess of the amounts that would have been deducted based on arm's length negotiations. See Penalty Tax below.

Requirements for Qualification as a Real Estate Investment Trust.

The Code defines a REIT as a corporation, trust or association:

- (1) that is managed by one or more trustees or directors;
- (2) that issues transferable shares or transferable certificates to evidence its beneficial ownership;

Table of Contents

- (3) that would be taxable as a domestic corporation but for special Code provisions applicable to REITs;
- (4) that is not a financial institution or an insurance company within the meaning of the Code;
- (5) that is beneficially owned by 100 or more persons;
- (6) not more than 50% in value of the outstanding stock of which is owned, actually or constructively, by five or fewer individuals, including specified entities, during the last half of each taxable year;
- (7) that makes an election to be taxable as a REIT for the current taxable year, or has made this election for a previous taxable year, which election has not been revoked or terminated, and satisfies all relevant filing and other administrative requirements established by the IRS that must be met to maintain qualification as a REIT; and
- (8) that meets other tests, described below, regarding the nature of its income and assets and the amount of its distributions.

The Code provides that conditions (1) to (4), inclusive, must be met during the entire taxable year and that condition (5) must be met during at least 335 days of a taxable year of twelve months, or during a proportionate part of a taxable year of less than twelve months. Conditions (5) and (6) do not apply until after the first taxable year for which an election is made to be taxed as a REIT. For purposes of condition (6), the term individual generally includes a supplemental unemployment compensation benefit plan, a private foundation or a portion of a trust permanently set aside or used exclusively for charitable purposes, but does not include a qualified pension plan or profit sharing trust.

Realty Income believes that it has been organized, has operated and has issued sufficient shares of capital stock with sufficient diversity of ownership to allow it to satisfy conditions (1) through (8), inclusive, during the relevant time periods. In addition, Realty Income's charter provides for restrictions regarding the ownership and transfer of its shares which are intended to assist it in continuing to satisfy the share ownership requirements described in conditions (5) and (6) above. These restrictions, however, may not ensure that Realty Income will, in all cases, be able to satisfy the share ownership requirements described in conditions (5) and (6) above. If Realty Income fails to satisfy these share ownership requirements, except as provided in the next sentence, Realty Income's status as a REIT will terminate. If, however, Realty Income complies with the rules contained in the applicable Treasury Regulations that require it to ascertain the actual ownership of its shares, and Realty Income does not know, and would not have known through the exercise of reasonable diligence, that it failed to meet the requirement described in condition (6) above, Realty Income will be treated as having met this requirement. See Failure to Qualify.

In addition, Realty Income may not maintain its status as a REIT unless its taxable year is the calendar year. Realty Income has and will continue to have a calendar taxable year.

Ownership of Partnership and Limited Liability Company Interests. Realty Income may from time to time own and operate one or more properties through partnerships and limited liability companies, including the properties it acquired from ARCT, which will be operated through ARCT OP. Treasury Regulations generally provide that, in the case of a REIT which is a partner in a partnership or a member in a limited liability company that is treated as a partnership for United States federal income tax purposes, the REIT will be deemed to own its proportionate share of the assets of the partnership or limited liability company, as the case may be, based on its interest in partnership capital, subject to special rules relating to the 10% REIT asset test described below. Also, pursuant to Treasury Regulations, the REIT will be deemed to be entitled to its proportionate share of the income of that entity. The assets and gross income of the partnership or limited liability company retain the same character in the hands of the REIT, including for purposes of satisfying the gross income tests and the asset tests. In addition, for these purposes, the assets and items of income of any partnership or limited liability company treated as a partnership or disregarded entity for United States federal income tax purposes in which Realty Income directly or indirectly owns an interest include such entity's share of assets and items of income of any

Table of Contents

partnership or limited liability company in which it owns an interest. Realty Income has included a brief summary of the rules governing the United States federal income taxation of partnerships and limited liability companies below in Tax Aspects of the Partnerships.

Realty Income has direct or indirect control of certain partnerships and limited liability companies and intends to continue to operate them in a manner consistent with the requirements for its qualification as a REIT. From time to time Realty Income may be a limited partner or non-managing member in certain partnerships and limited liability companies. If any such partnership or limited liability company were to take actions that could jeopardize Realty Income's status as a REIT or require it to pay tax, Realty Income could be forced to dispose of its interest in such entity. In addition, it is possible that a partnership or limited liability company could take an action which could cause Realty Income to fail a REIT income or asset test, and that Realty Income would not become aware of such action in time to dispose of its interest in the applicable entity or take other corrective action on a timely basis. In such a case, unless Realty Income were entitled to relief, as described below, it could fail to qualify as a REIT.

Ownership of Interests in Qualified REIT Subsidiaries. Realty Income currently owns and may from time to time own and operate certain properties through wholly-owned subsidiaries that Realty Income intends to be treated as qualified REIT subsidiaries under the Code. A corporation will qualify as Realty Income's qualified REIT subsidiary if Realty Income owns 100% of the corporation's outstanding stock and Realty Income does not elect with the corporation to treat it as a taxable REIT subsidiary, as described below. A qualified REIT subsidiary is not treated as a separate corporation, and all assets, liabilities and items of income, gain, loss, deduction and credit of a qualified REIT subsidiary are treated as assets, liabilities and items of income, gain, loss, deduction and credit (as the case may be) of the parent REIT for all purposes under the Code (including all REIT qualification tests). Thus, in applying the United States federal income tax requirements described in this joint proxy statement/prospectus, the subsidiaries in which Realty Income owns a 100% interest (other than any taxable REIT subsidiaries) are ignored, and all assets, liabilities and items of income, gain, loss, deduction and credit of such subsidiaries are treated as Realty Income's assets, liabilities, and items of income, gain, loss, deduction and credit. A qualified REIT subsidiary is not required to pay United States federal income tax, and Realty Income's ownership of the stock of such a qualified REIT subsidiary does not violate the restrictions on ownership of securities, as described below under Asset Tests.

Ownership of Interests in Taxable REIT Subsidiaries. A taxable REIT subsidiary is a corporation other than a REIT in which a REIT directly or indirectly holds stock and that has made a joint election with the REIT to be treated as a taxable REIT subsidiary. A taxable REIT subsidiary also includes any corporation other than a REIT with respect to which a taxable REIT subsidiary owns, directly or indirectly, securities possessing more than 35% of the total voting power or value of the outstanding securities of such corporation. Other than some activities relating to lodging and health care facilities, a taxable REIT subsidiary generally may engage in any business, including the provision of customary or non-customary services to tenants of its parent REIT. A taxable REIT subsidiary is subject to income tax as a regular C corporation. In addition, a taxable REIT subsidiary may be prevented from deducting interest on debt that Realty Income directly or indirectly funds if certain tests regarding the taxable REIT subsidiary's debt-to-equity ratio and interest expense are satisfied. Realty Income currently owns 100% of the stock of a taxable REIT subsidiary, will acquire 100% of the stock of one or more additional taxable REIT subsidiaries upon its acquisition of ARCT and may from time to time acquire interests in additional taxable REIT subsidiaries. Realty Income's ownership of securities of taxable REIT subsidiaries will not be subject to the 10% or 5% asset tests described below. See Asset Tests.

Income Tests. Realty Income must satisfy two gross income requirements annually to maintain its qualification as a REIT:

first, in each taxable year, Realty Income must derive directly or indirectly at least 75% of its gross income (excluding gross income from prohibited transactions, certain hedging transactions entered into after July 30, 2008, and certain foreign currency gains recognized after July 30, 2008) from

Table of Contents

investments relating to real property or mortgages on real property, including rents from real property, interest on obligations adequately secured by mortgages on real property, gains from the sale or other disposition of real property (including interests in real property and interests in mortgages on real property) other than property held primarily for sale to customers in the ordinary course of our trade or business, and certain types of temporary investments; and

second, in each taxable year, Realty Income must derive at least 95% of its gross income (excluding gross income from prohibited transactions, certain designated hedges of indebtedness, and certain foreign currency gains recognized after July 30, 2008) from (a) the real property investments described above, and (b) dividends, interest and gain from the sale or disposition of stock or securities, or from any combination of the foregoing.

For these purposes, the term interest generally does not include any amount received or accrued, directly or indirectly, if the determination of all or some of the amount depends in any way on the income or profits of any person. An amount received or accrued generally will not be excluded from the term interest, however, solely by reason of being based on a fixed percentage or percentages of receipts or sales.

Rents Realty Income receives from a tenant will qualify as rents from real property for the purpose of satisfying the gross income requirements for a REIT described above only if all of the following conditions are met:

the amount of rent must not be based in whole or in part on the income or profits of any person. However, an amount received or accrued generally will not be excluded from the term rents from real property solely by reason of being based on a fixed percentage or percentages of receipts or sales;

Realty Income, or an actual or constructive owner of 10% or more of Realty Income's stock, must not actually or constructively own 10% or more of the interests in the assets or net profits of the tenant, or, if the tenant is a corporation, 10% or more of the total combined voting power of all classes of stock entitled to vote or 10% or more of the total value of all classes of stock of the tenant. Rents Realty Income receives from a tenant that is its taxable REIT subsidiary, however, will not be excluded from the definition of rents from real property if at least 90% of the space at the property to which the rents relate is leased to third parties, and the rents paid by the taxable REIT subsidiary are substantially comparable to rents paid by Realty Income's other tenants for comparable space. Whether rents paid by a taxable REIT subsidiary are substantially comparable to rents paid by other tenants is determined at the time the lease with the taxable REIT subsidiary is entered into, extended, and modified, if such modification increases the rents due under such lease. Notwithstanding the foregoing, however, if a lease with a controlled taxable REIT subsidiary is modified and such modification results in an increase in the rents payable by such taxable REIT subsidiary, any such increase will not qualify as rents from real property. For purposes of this rule, a controlled taxable REIT subsidiary is a taxable REIT subsidiary in which Realty Income owns stock possessing more than 50% of the voting power or more than 50% of the total value of the outstanding stock of such taxable REIT subsidiary;

rent attributable to personal property leased in connection with a lease of real property must not be greater than 15% of the total rent Realty Income receives under the lease. If this condition is not met, then the portion of the rent attributable to personal property will not qualify as rents from real property; and

Realty Income generally must not operate or manage its property or furnish or render services to the tenants of the property, subject to a 1% de minimis exception and except as provided below. Realty Income may, however, directly perform certain services that are usually or customarily rendered in connection with the rental of space for occupancy only and are not otherwise considered rendered to the occupant of the property. Examples of such services include the provision of light, heat, or other utilities, trash removal and general maintenance of common areas. In addition, Realty Income may employ an independent contractor from whom it derives no revenue to provide customary services, or a

Table of Contents

taxable REIT subsidiary, which may be wholly or partially owned by Realty Income, to provide both customary and non-customary services, to Realty Income's tenants without causing the rent Realty Income receives from those tenants to fail to qualify as rents from real property. Any amounts Realty Income receives from a taxable REIT subsidiary with respect to its provision of non-customary services will, however, be nonqualifying income under the 75% gross income test and, except to the extent received through the payment of dividends, the 95% gross income test.

Realty Income generally does not intend to receive rent which fails to satisfy any of the above conditions. Notwithstanding the foregoing, Realty Income may have taken and may in the future take actions which fail to satisfy one or more of the above conditions to the extent that Realty Income determines, based on the advice of its tax counsel, that those actions will not jeopardize its tax status as a REIT.

From time to time, Realty Income may enter into hedging transactions with respect to one or more of its assets or liabilities. Realty Income's hedging activities may include entering into interest rate swaps, caps, and floors, options to purchase these items, and futures and forward contracts. Income from a hedging transaction, including gain from the sale or disposition of such a transaction, that is clearly identified as a hedging transaction as specified in the Code will not constitute gross income and thus will be exempt from the 95% gross income test to the extent such a hedging transaction is entered into on or after January 1, 2005, and will not constitute gross income and thus will be exempt from the 75% gross income test to the extent such hedging transaction is entered into after July 30, 2008. Income and gain from a hedging transaction, including gain from the sale or disposition of such a transaction, entered into on or prior to July 30, 2008 will be treated as nonqualifying income for purposes of the 75% gross income test. Income and gain from a hedging transaction, including gain from the sale or disposition of such a transaction, entered into prior to January 1, 2005 will be qualifying income for purposes of the 95% gross income test. The term hedging transaction, as used above, generally means any transaction Realty Income enters into in the normal course of its business primarily to manage risk of (1) interest rate changes or fluctuations with respect to borrowings made or to be made by Realty Income to acquire or carry real estate assets, or (2) for hedging transactions entered into after July 30, 2008, currency fluctuations with respect to an item of qualifying income under the 75% or 95% gross income test. To the extent that Realty Income does not properly identify such transactions as hedges or it hedges with other types of financial instruments, the income from those transactions is not likely to be treated as qualifying income for purposes of the gross income tests. Realty Income intends to structure any hedging transactions in a manner that does not jeopardize its status as a REIT.

Realty Income believes that the aggregate amount of its nonqualifying income, from all sources, in any taxable year will not exceed the limits on nonqualifying income under the gross income tests. Realty Income will monitor the amount of the dividend and other income from its taxable REIT subsidiaries and will take actions intended to keep this income, and any other nonqualifying income, within the limitations of the REIT income tests. While Realty Income expects these actions will prevent a violation of the REIT income tests, it cannot guarantee that such actions will in all cases prevent such a violation. If Realty Income fails to satisfy one or both of the 75% or 95% gross income tests for any taxable year, it may nevertheless qualify as a REIT for the year if it is entitled to relief under certain provisions of the Code. Realty Income generally may avail itself of the relief provisions if:

following its identification of the failure to meet the 75% or 95% gross income test for any taxable year, Realty Income files a schedule with the IRS setting forth each item of its gross income for purposes of the 75% or 95% gross income test for such taxable year in accordance with Treasury Regulations to be issued; and

the failure to meet these tests was due to reasonable cause and not due to willful neglect.

It is not possible, however, to state whether in all circumstances Realty Income would be entitled to the benefit of these relief provisions. For example, if Realty Income fails to satisfy the gross income tests because nonqualifying income that it intentionally accrues or receives exceeds the limits on nonqualifying income, the

Table of Contents

IRS could conclude that Realty Income's failure to satisfy the tests was not due to reasonable cause. If these relief provisions do not apply to a particular set of circumstances, Realty Income will not qualify as a REIT. As discussed above in General, even if these relief provisions apply, and Realty Income retains its status as a REIT, a tax would be imposed with respect to its nonqualifying income. Realty Income may not always be able to comply with the gross income tests for REIT qualification despite its periodic monitoring of its income.

Prohibited Transaction Income. Any gain that Realty Income realizes on the sale of property held as inventory or otherwise held primarily for sale to customers in the ordinary course of business will be treated as income from a prohibited transaction that is subject to a 100% penalty tax. Realty Income's gain would include any gain realized by its qualified REIT subsidiaries and its share of any gain realized by any of the partnerships or limited liability companies in which it owns an interest. This prohibited transaction income may also adversely affect Realty Income's ability to satisfy the income tests for qualification as a REIT. Under existing law, whether property is held as inventory or primarily for sale to customers in the ordinary course of a trade or business is a question of fact that depends on all the facts and circumstances surrounding the particular transaction. Realty Income intends to hold its properties for investment with a view to long-term appreciation and to engage in the business of acquiring, developing and owning its properties. Realty Income has made, and may in the future make, occasional sales of the properties as are consistent with its investment objectives. Realty Income does not intend to enter into any sales that are prohibited transactions. The IRS may successfully contend, however, that one or more of these sales is a prohibited transaction subject to the 100% penalty tax.

Penalty Tax. Any redetermined rents, redetermined deductions or excess interest Realty Income generates will be subject to a 100% penalty tax. In general, redetermined rents are rents from real property that are overstated as a result of any services furnished by one of its taxable REIT subsidiaries to any of Realty Income's tenants, and redetermined deductions and excess interest represent amounts that are deducted by a taxable REIT subsidiary for amounts paid to Realty Income that are in excess of the amounts that would have been deducted based on arm's length negotiations. Rents Realty Income receives will not constitute redetermined rents if they qualify for certain safe harbor provisions contained in the Code.

Realty Income does not believe that it has been, and does not expect to be, subject to this penalty tax, although its rental or service arrangements may not satisfy the safe-harbor provisions described above. These determinations are inherently factual, and the IRS has broad discretion to assert that amounts paid between related parties should be reallocated to clearly reflect their respective incomes. If the IRS successfully made such an assertion, Realty Income would be required to pay a 100% penalty tax on the excess of an arm's length fee for tenant services over the amount actually paid.

Asset Tests. At the close of each quarter of its taxable year, Realty Income also must satisfy four tests relating to the nature and diversification of its assets:

First, at least 75% of the value of its total assets, including assets held by its qualified REIT subsidiaries and its allocable share of the assets held by the partnerships and limited liability companies treated as partnerships for United States federal income tax purposes, in which it owns an interest, must be represented by real estate assets, cash, cash items and government securities. For purposes of this test, the term "real estate assets" generally means real property (including interests in real property and interests in mortgages on real property) and shares (or transferable certificates of beneficial interest) in other REITs, as well as any stock or debt instrument attributable to the investment of the proceeds of a stock offering or a public offering of debt with a term of at least five years, but only for the one-year period beginning on the date the REIT receives such proceeds.

Second, not more than 25% of the value of its total assets may be represented by securities (including securities of one or more taxable REIT subsidiaries) other than those securities includable in the 75% asset test.

Third, of the investments included in the 25% asset class and except for investments in other REITs, its qualified REIT subsidiaries and taxable REIT subsidiaries, the value of any one issuer's securities may

Table of Contents

not exceed 5% of the value of its total assets, and it may not own more than 10% of the total vote or value of the outstanding securities of any one issuer except, in the case of the 10% value test, securities satisfying the straight debt safe-harbor or securities issued by a partnership that itself would satisfy the 75% income test if it were a REIT. Certain types of securities Realty Income may own are disregarded as securities solely for purposes of the 10% value test, including, but not limited to, any loan to an individual or an estate, any obligation to pay rents from real property and any security issued by a REIT. In addition, solely for the purposes of the 10% value test, the determination of its interest in the assets of a partnership or limited liability company in which it owns an interest will be based on its proportionate interest in any securities issued by the partnership or limited liability company, excluding for this purpose certain securities described in the Code.

Fourth, not more than 25% (20% for taxable years beginning before January 1, 2009) of the value of its total assets may be represented by the securities of one or more taxable REIT subsidiaries.

As of the date of this joint proxy statement/prospectus, Realty Income owns 100% of the outstanding stock of Crest. Crest has elected, together with Realty Income, to be treated as a taxable REIT subsidiary. So long as Crest qualifies as Realty Income's taxable REIT subsidiary, Realty Income will not be subject to the 5% asset test, the 10% voting securities limitation or the 10% value limitation with respect to its ownership of Crest's securities. Realty Income or Crest may acquire securities in other taxable REIT subsidiaries in the future, and Realty Income expects to acquire one or more additional taxable REIT subsidiaries from ARCT in the merger. Realty Income believes that the aggregate value of its taxable REIT subsidiaries has not exceeded and will not exceed 25% (or 20% for taxable years beginning before January 1, 2009) of the aggregate value of its gross assets. With respect to each issuer in which Realty Income currently owns an interest that does not qualify as a REIT, a qualified REIT subsidiary or a taxable REIT subsidiary, Realty Income believes that its ownership of the securities of any such issuer has complied with the 5% asset test, the 10% voting securities limitation, the 10% value limitation, and the 75% asset test. No independent appraisals have been obtained to support these conclusions. In addition, there can be no assurance that the IRS will not disagree with Realty Income's determinations of value.

The asset tests described above must be satisfied at the close of each calendar quarter of Realty Income's taxable year in which it (directly or through its qualified REIT subsidiaries, partnerships or limited liability companies) acquires securities in the applicable issuer, and also at the close of each calendar quarter in which it increases its ownership of securities of such issuer, including as a result of increasing its interest in a partnership or limited liability company which owns such securities, or acquiring other assets. For example, Realty Income's indirect ownership of securities of an issuer may increase as a result of its capital contributions to, or the redemption of other partners' or members' interests in, a partnership or limited liability company in which it has an ownership interest. After initially meeting the asset tests at the close of any quarter, Realty Income will not lose its status as a REIT for failure to satisfy the asset tests at the end of a later quarter solely by reason of changes in asset values. If it fails to satisfy an asset test because it acquires securities or other property during a quarter (including as a result of an increase in its interests in a partnership or limited liability company), it may cure this failure by disposing of sufficient nonqualifying assets within 30 days after the close of that quarter. Realty Income believes that it has maintained and intends to maintain adequate records of the value of its assets to ensure compliance with the asset tests. In addition, it intends to take such actions within 30 days after the close of any quarter as may be required to cure any noncompliance.

Certain relief provisions may be available to Realty Income if it fails to satisfy the asset tests described above after the 30-day cure period. Under these provisions, it will be deemed to have met the 5% and 10% asset tests if the value of its nonqualifying assets (i) does not exceed the lesser of (a) 1% of the total value of its assets at the end of the applicable quarter and (b) \$10,000,000, and (ii) it disposes of the nonqualifying assets or otherwise satisfies such asset tests within (a) six months after the last day of the quarter in which the failure to satisfy the asset tests is discovered or (b) the time period prescribed by Treasury Regulations to be issued. For violations of any of the asset tests due to reasonable cause and not due to willful neglect and that are, in the case

Table of Contents

of the 5% and 10% asset tests, in excess of the *de minimis* exception described above, it may avoid disqualification as a REIT after the 30-day cure period by taking steps including (i) the disposition of sufficient nonqualifying assets, or the taking of other actions which allow it to meet the asset tests within (a) six months after the last day of the quarter in which the failure to satisfy the asset tests is discovered or (b) the time period prescribed by Treasury Regulations to be issued, and (ii) disclosing certain information to the IRS. In such case, Realty Income will be required to pay a tax equal to the greater of (a) \$50,000 or (b) the highest corporate tax rate multiplied by the net income generated by the nonqualifying assets.

Although Realty Income believes that it has satisfied the asset tests described above and it plans to take steps to ensure that it satisfies such tests for any quarter with respect to which retesting is to occur, there can be no assurance that such steps will always be successful or will not require a reduction in its overall interest in an issuer (including in a taxable REIT subsidiary). If it fails to cure any noncompliance with the asset tests in a timely manner, and the relief provisions described above are not available, Realty Income will cease to qualify as a REIT.

Annual Distribution Requirements. To maintain its qualification as a REIT, Realty Income is required to distribute dividends, other than capital gain dividends, to its stockholders in an amount at least equal to the sum of:

90% of its REIT taxable income ; and

90% of its after tax net income, if any, from foreclosure property; minus

the excess of the sum of specified items of its non-cash income items over 5% of REIT taxable income as described below. For these purposes, Realty Income's REIT taxable income is computed without regard to the dividends paid deduction and its net capital gain. In addition, for purposes of this test, non-cash income means income attributable to leveled stepped rents, original issue discount on purchase money debt, cancellation of indebtedness, or a like-kind exchange that is later determined to be taxable.

Also, Realty Income's REIT taxable income will be reduced by any taxes it is required to pay on any gain it recognizes from the disposition of any asset it acquires from a corporation which is or has been a C corporation in a transaction in which Realty Income's basis in the asset is less than the fair market value of the asset, in each case determined at the time it acquired the asset, within the ten-year period following its acquisition of such asset. See *Taxation of REITs in General* General.

Realty Income generally must pay, or be treated as paying, the distributions described above in the taxable year to which they relate. At its election, a distribution will be treated as paid in a taxable year if it is declared before it timely files its tax return for such year and is paid on or before the first regular dividend payment following the declaration, provided such payment is made during the 12-month period following the close of such year. These distributions generally are taxable to its stockholders, other than tax-exempt entities, in the year in which paid. This is so even though these distributions relate to the prior year for purposes of the 90% distribution requirement. The amount distributed must not be preferential (i.e., every stockholder of the class of stock to which a distribution is made must be treated the same as every other stockholder of that class, and no class of stock may be treated other than according to its dividend rights as a class). To the extent that it does not distribute all of its net capital gain, or distribute at least 90%, but less than 100%, of its real estate investment trust taxable income, as adjusted, it will be required to pay tax on the undistributed amount at regular corporate tax rates. Realty Income believes it has made, and intends to continue to make, timely distributions sufficient to satisfy these annual distribution requirements and to minimize its corporate tax obligations.

Realty Income anticipates that it will generally have sufficient cash or liquid assets to enable it to satisfy the distribution requirements described above. However, from time to time, it may not have sufficient cash or other liquid assets to meet these distribution requirements because of timing differences between the actual receipt of

Table of Contents

income and actual payment of deductible expenses, and the inclusion of income and deduction of expenses in determining its taxable income. If these timing differences occur, it may borrow funds to pay dividends or pay dividends through the distribution of other property in order to meet the distribution requirements.

Under certain circumstances, Realty Income may be able to rectify an inadvertent failure to meet the 90% distribution requirement for a year by paying deficiency dividends to its stockholders in a later year, which may be included in its deduction for dividends paid for the earlier year. Thus, it may be able to avoid being taxed on amounts distributed as deficiency dividends, subject to the 4% excise tax described below. However, it will be required to pay interest to the IRS based upon the amount of any deduction claimed for deficiency dividends.

In addition, Realty Income will be required to pay a 4% excise tax to the extent it fails to distribute during each calendar year at least the sum of 85% of its ordinary income for such year, 95% of its capital gain for such year and any undistributed taxable income from prior periods. Any ordinary income and net capital gain on which this excise tax is imposed for any year is treated as an amount distributed during that year for purposes of calculating such tax.

For purposes of the distribution requirements and excise tax described above, dividends declared during the last three months of the calendar year payable to stockholders of record on a specified date during such period, and paid during January of the following year, will be treated as paid by Realty Income and received by its stockholders on December 31 of the year in which they are declared.

Like-Kind Exchanges. Realty Income may dispose of properties in transactions intended to qualify as like-kind exchanges under the Code. Like-kind exchanges are intended to result in the deferral of gain for United States federal income tax purposes. The failure of any such transaction to qualify as a like-kind exchange could subject Realty Income to United States federal income tax, possibly including the 100% prohibited transaction tax, depending on the facts and circumstances surrounding the particular transaction.

Failure to Qualify

Specified cure provisions are available to Realty Income in the event that it discovers a violation of a provision of the Code that would result in its failure to qualify as a REIT. Except with respect to violations of the REIT income tests and asset tests (for which the cure provisions are described above), and provided the violation is due to reasonable cause and not due to willful neglect, these cure provisions generally impose a \$50,000 penalty for each violation in lieu of a loss of REIT status.

If Realty Income fails to qualify for taxation as a REIT in any taxable year, and the relief provisions do not apply, it will be required to pay tax, including any applicable alternative minimum tax, on its taxable income at regular corporate tax rates. Distributions to its stockholders in any year in which it fails to qualify as a REIT will not be deductible by it, and it will not be required to distribute any amounts to its stockholders. As a result, Realty Income anticipates that its failure to qualify as a REIT would reduce the cash available to it for distribution to its stockholders. In addition, if it fails to qualify as a REIT, all distributions to stockholders will be taxable as regular corporate dividends to the extent of its current and accumulated earnings and profits. In this event, corporate distributees may be eligible for the dividends-received deduction. In addition, individuals may be eligible for the preferential rates on the qualified dividend income. Unless entitled to relief under specific statutory provisions, Realty Income will also be disqualified from taxation as a REIT for the four taxable years following the year in which it loses its qualification. It is not possible to state whether in all circumstances Realty Income would be entitled to this statutory relief.

Tax Aspects of the Partnerships

General. From time to time, Realty Income may own, directly or indirectly, interests in various partnerships and limited liability companies, including an interest in ARCT OP, which it expects to acquire in the merger.

Table of Contents

Realty Income expects these partnerships and limited liability companies will be treated as partnerships (or disregarded entities) for United States federal income tax purposes. In general, entities that are classified as partnerships (or disregarded entities) for United States federal income tax purposes are treated as pass-through entities which are not required to pay United States federal income tax. Rather, partners or members of such entities are allocated their share of the items of income, gain, loss, deduction and credit of the entity, and are potentially required to pay tax on that income without regard to whether the partners or members receive a distribution of cash from the entity. Realty Income includes in its income its allocable share of the foregoing items for purposes of computing its REIT taxable income, based on the applicable partnership agreement. For purposes of applying the REIT income and asset tests, Realty Income includes its pro rata share of the income generated by and the assets held by the partnerships and limited liability companies treated as partnerships for United States federal income tax purposes in which it owns an interest, including their shares of the income and assets of any subsidiary partnerships and limited liability companies treated as partnerships for United States federal income tax purposes based on its capital interests. See *Taxation of REITs in General*.

Realty Income's ownership interests in such partnerships and limited liability companies involve special tax considerations, including the possibility that the IRS might challenge the status of these entities as partnerships (or disregarded entities), as opposed to associations taxable as corporations, for United States federal income tax purposes. If a partnership or limited liability company in which it owns an interest, or one or more of its subsidiary partnerships or limited liability companies, were treated as an association, it would be taxable as a corporation and would be required to pay an entity-level tax on its income. In this situation, the character of its assets and items of gross income would change, and could prevent Realty Income from satisfying the REIT asset tests and/or the REIT income tests (see *Requirements for Qualification as a Real Estate Investment Trust Asset Tests* and *Requirements for Qualification as a Real Estate Investment Trust Income Tests*). This, in turn, could prevent it from qualifying as a REIT. See *Failure to Qualify* for a discussion of the effect of its failure to meet these tests for a taxable year. In addition, a change in the tax status of one or more of the partnerships or limited liability companies in which it owns an interest might be treated as a taxable event. If so, it might incur a tax liability without any related cash distributions.

Realty Income believes that these partnerships and limited liability companies will be classified as partnerships or disregarded entities for United States federal income tax purposes, and the remainder of the discussion under this section *Tax Aspects of the Partnerships* is based on such classification.

Allocations of Income, Gain, Loss and Deduction. A partnership or limited liability company agreement will generally determine the allocation of income and losses among partners or members. These allocations, however, will be disregarded for tax purposes if they do not comply with the provisions of Section 704(b) of the Code and the related Treasury Regulations. Generally, Section 704(b) of the Code and the related Treasury Regulations require that partnership and limited liability company allocations respect the economic arrangement of their partners or members. If an allocation is not recognized by the IRS for United States federal income tax purposes, the item subject to the allocation will be reallocated according to the partners' or members' interests in the partnership or limited liability company, as the case may be. This reallocation will be determined by taking into account all of the facts and circumstances relating to the economic arrangement of the partners or members with respect to such item. The allocations of taxable income and loss in each of the partnerships and limited liability companies in which Realty Income owns an interest are intended to comply with the requirements of Section 704(b) of the Code and the Treasury Regulations promulgated thereunder.

Tax Allocations With Respect to the Properties. Under Section 704(c) of the Code, income, gain, loss and deduction attributable to appreciated or depreciated property that is contributed to a partnership or limited liability company in exchange for an interest in the partnership or limited liability company must be allocated in a manner so that the contributing partner or member is charged with the unrealized gain or benefits from the unrealized loss associated with the property at the time of the contribution, as adjusted from time to time. The amount of the unrealized gain or unrealized loss is generally equal to the difference between the fair market value or book value and the adjusted tax basis of the contributed property at the time of contribution. These allocations are solely for United States federal income tax purposes and do not affect the book capital accounts or other

Table of Contents

economic or legal arrangements among the partners or members. Some of the partnerships and/or limited liability companies in which Realty Income owns an interest were formed by way of contributions of appreciated property. The relevant partnership and/or limited liability company agreements require that allocations be made in a manner consistent with Section 704(c) of the Code.

United States Federal Income Tax Considerations for Holders of Realty Income's Common Stock

The following summary describes the principal United States federal income tax consequences to you of purchasing, owning and disposing of Realty Income's common stock. You should consult your tax advisors concerning the application of United States federal income tax laws to your particular situation as well as any consequences of the acquisition, ownership and disposition of Realty Income's common stock arising under the laws of any state, local or foreign taxing jurisdiction.

Taxation of Taxable U.S. Holders Generally

Distributions Generally. Distributions out of Realty Income's current or accumulated earnings and profits, other than capital gain dividends and certain amounts subject to corporate level taxation as discussed below, will constitute dividends taxable to its taxable U.S. holders as ordinary income when actually or constructively received. See *Tax Rates* below. As long as Realty Income qualifies as a REIT, these distributions will not be eligible for the dividends-received deduction in the case of U.S. holders that are corporations or, except to the extent provided in *Tax Rates* below, the preferential rates on qualified dividend income applicable to non-corporate U.S. holders, including individuals. For purposes of determining whether distributions to holders of common stock are out of Realty Income's current or accumulated earnings and profits, its earnings and profits will be allocated first to its outstanding preferred stock and then to its outstanding common stock.

To the extent that Realty Income makes distributions on its common stock in excess of its current and accumulated earnings and profits, these distributions will be treated first as a tax-free return of capital to a U.S. holder. This treatment will reduce the adjusted tax basis which the U.S. holder has in its shares of common stock by the amount of the distribution, but not below zero. Distributions in excess of Realty Income's current and accumulated earnings and profits and in excess of a U.S. holder's adjusted tax basis in its shares of common stock will be taxable as capital gain. Such gain will be taxable as long-term capital gain if the shares of common stock have been held for more than one year. Dividends Realty Income declares in October, November or December of any year and which are payable to a stockholder of record on a specified date in any of these months will be treated as both paid by Realty Income and received by the stockholder on December 31 of that year, provided Realty Income actually pays the dividend on or before January 31 of the following year. U.S. holders may not include in their own income tax returns any of Realty Income's net operating losses or capital losses.

Capital Gain Dividends. Dividends that Realty Income properly designates as capital gain dividends will be taxable to its taxable U.S. holders as a gain from the sale or disposition of a capital asset held for more than one year, to the extent that such gain does not exceed its actual net capital gain for the taxable year. If it properly designates any portion of a dividend as a capital gain dividend then, except as otherwise required by law, it presently intends to allocate a portion (the capital gains amount) of the total capital gain dividends paid or made available to holders of all classes of its common stock for the year to the holders of each class of its common stock in proportion to the amount that its total dividends, as determined for United States federal income tax purposes, paid or made available to holders of such class of common stock for the year bears to the total dividends paid or made available for that year to holders of all classes of its stock. In addition, except as otherwise required by law, Realty Income will make a similar allocation with respect to any undistributed long-term capital gains which are to be included in its stockholders' long-term capital gains, based on the allocation of the capital gains amount which would have resulted if those undistributed long-term capital gains had been distributed as capital gain dividends by Realty Income to its stockholders.

Table of Contents

Retention of Net Capital Gains. Realty Income may elect to retain, rather than distribute as a capital gain dividend, all or a portion of its net capital gains. If it makes this election, it would pay tax on its retained net capital gains. In addition, to the extent it so elects, a U.S. holder generally would:

include its pro rata share of Realty Income's undistributed net capital gains in computing its long-term capital gains in its return for its taxable year in which the last day of Realty Income's taxable year falls, subject to certain limitations as to the amount that is includable;

be deemed to have paid the capital gains tax imposed on Realty Income on the designated amounts included in the U.S. holder's long-term capital gains;

receive a credit or refund for the amount of tax deemed paid by it;

increase the adjusted basis of its common stock by the difference between the amount of includable gains and the tax deemed to have been paid by it; and

in the case of a U.S. holder that is a corporation, appropriately adjust its earnings and profits for the retained capital gains in accordance with Treasury Regulations to be promulgated by the IRS.

Passive Activity Losses and Investment Interest Limitations. Distributions Realty Income makes and gain arising from the sale or exchange by a U.S. holder of its common stock will not be treated as passive activity income. As a result, U.S. holders generally will not be able to apply any passive losses against this income or gain. A U.S. holder may elect to treat capital gain dividends, capital gains from the disposition of common stock and qualified dividend income as investment income for purposes of computing the investment interest limitation, but in such case, the stockholder will be taxed at ordinary income rates on such amount. Other distributions made by Realty Income, to the extent they do not constitute a return of capital, generally will be treated as investment income for purposes of computing the investment interest limitation.

Dispositions of Realty Income's Common Stock. If a U.S. holder sells or disposes of shares of common stock, it will recognize gain or loss for United States federal income tax purposes in an amount equal to the difference between the amount of cash and the fair market value of any property received on the sale or other disposition and the holder's adjusted basis in the shares of common stock for tax purposes. This gain or loss, except as provided below, will be long-term capital gain or loss if the holder has held such common stock for more than one year at the time of such sale or disposition. However, if a U.S. holder recognizes loss upon the sale or other disposition of common stock that it has held for six months or less, after applying certain holding period rules, the loss recognized will be treated as a long-term capital loss to the extent the U.S. holder received distributions from Realty Income which were required to be treated as long-term capital gains.

Tax Rates. The maximum tax rate for non-corporate taxpayers for capital gains, including certain capital gain dividends, is generally 15% (although depending on the characteristics of the assets which produced these gains and on designations which Realty Income may make, certain capital gain dividends may be taxed at a 25% rate). Capital gain dividends will only be eligible for the rates described above to the extent that they are properly designated by the REIT as capital gain dividends. The maximum tax rate for non-corporate taxpayers for income that the REIT properly designates as qualified dividend income is generally 15%. In general, dividends payable by REITs are not eligible for the reduced tax rate on qualified dividend income, except to the extent that certain holding requirements have been met with respect to the REIT's stock and the REIT's dividends are attributable to dividends received from taxable corporations (such as its taxable REIT subsidiaries) or to income that was subject to tax at the corporate/REIT level (for example, if it distributed taxable income that it retained and paid tax on in the prior taxable year). The currently applicable provisions of the United States federal income tax laws relating to the 15% tax rate are currently scheduled to sunset or revert to the provisions of prior law effective for taxable years beginning after December 31, 2012, at which time the capital gains tax rate will be increased to 20% and the rate applicable to dividends will be increased to the tax rate then applicable to ordinary income. In addition, U.S. holders that are corporations may be required to treat up to 20% of some capital gain dividends as ordinary income.

Table of Contents

Medicare Tax on Unearned Income. Certain U.S. holders that are individuals, estates or certain trusts will be required to pay an additional 3.8% tax on, among other things, dividends, interest on and capital gains from the sale or other disposition of stock for taxable years beginning after December 31, 2012. U.S. holders should consult their tax advisors regarding the effect, if any, of this additional tax on their ownership and disposition of Realty Income's common stock.

Backup Withholding and Information Reporting. Realty Income reports to its U.S. holders and the IRS the amount of dividends paid during each calendar year, and the amount of any tax withheld. Under the backup withholding rules, a U.S. holder may be subject to backup withholding with respect to dividends paid unless the U.S. holder is a corporation or comes within certain other exempt categories and, when required, demonstrates this fact, or provides a taxpayer identification number, certifies as to no loss of exemption from backup withholding, and otherwise complies with applicable requirements of the backup withholding rules. A U.S. holder that does not provide Realty Income with its correct taxpayer identification number may also be subject to penalties imposed by the IRS. Backup withholding is not an additional tax. Any amount paid as backup withholding will be creditable against the U.S. holder's United States federal income tax liability, provided the required information is timely furnished to the IRS. In addition, Realty Income may be required to withhold a portion of capital gain distributions to any stockholders who fail to certify their non-foreign status.

Taxation of Tax Exempt Stockholders

Dividend income from Realty Income and gain arising upon a sale of shares of common stock generally will not be unrelated business taxable income to a tax-exempt stockholder, except as described below. This income or gain will be unrelated business taxable income, however, if a tax-exempt stockholder holds its shares of common stock as debt-financed property within the meaning of the Code or if the shares are used in a trade or business of the tax-exempt stockholder. Generally, debt-financed property is property the acquisition or holding of which was financed through a borrowing by the tax-exempt stockholder.

For tax-exempt stockholders which are social clubs, voluntary employee benefit associations, supplemental unemployment benefit trusts or qualified group legal services plans exempt from United States federal income taxation under Sections 501(c)(7), (c)(9), (c)(17) or (c)(20) of the Code, respectively, income from an investment in shares of Realty Income's common stock will constitute unrelated business taxable income unless the organization is able to properly claim a deduction for amounts set aside or placed in reserve for specific purposes so as to offset the income generated by its investment in shares of Realty Income's common stock. These prospective investors should consult their tax advisors concerning these set aside and reserve requirements.

Notwithstanding the above, however, a portion of the dividends paid by a pension-held REIT may be treated as unrelated business taxable income as to certain trusts that hold more than 10%, by value, of the interests in the REIT. A REIT will not be a pension-held REIT if it is able to satisfy the not closely held requirement without relying on the look-through exception with respect to certain trusts or if such REIT is not predominantly held by qualified trusts. As a result of limitations on the transfer and ownership of shares of common stock contained in Realty Income's charter, it does not expect to be classified as a pension-held REIT, and as a result, the tax treatment described in this paragraph should be inapplicable to its stockholders. However, because its shares of common stock are publicly traded, it cannot guarantee that this will always be the case.

Foreign Accounts

Withholding taxes may apply to certain types of payments made to foreign financial institutions (as specially defined in the Code) and certain other non-United States entities. The failure to comply with additional certification, information reporting and other specified requirements could result in a withholding tax being imposed on payments of dividends, interest and sales proceeds to foreign intermediaries. A 30% withholding tax may be imposed on dividends and interest on, and gross proceeds from the sale or other disposition of, Realty Income's common stock paid to a foreign financial institution or to a non-financial foreign entity, unless (1) the

Table of Contents

foreign financial institution undertakes certain diligence and reporting, (2) the non-financial foreign entity either certifies it does not have any substantial United States owners or furnishes identifying information regarding each substantial United States owner, or (3) the foreign financial institution or non-financial foreign entity otherwise qualifies for an exemption from these rules. If the payee is a foreign financial institution and is subject to the diligence and reporting requirements in clause (1) above, it must enter into an agreement with the United States Treasury requiring, among other things, that it undertake to identify accounts held by certain United States persons or United States-owned foreign entities, annually report certain information about such accounts, and withhold 30% on payments to non-compliant foreign financial institutions and certain other account holders.

Although these rules currently apply to applicable payments made after December 31, 2012, Proposed Treasury Regulations and subsequent IRS guidance provide that such rules will generally apply to payments of dividends made on or after January 1, 2014 and to payments of gross proceeds from a sale or other disposition of common stock on or after January 1, 2017.

The guidance described above will not be effective until it is reflected in final Treasury Regulations. Prospective investors should consult their tax advisors regarding these withholding provisions.

Other Tax Consequences

State, local and foreign income tax laws may differ substantially from the corresponding United States federal income tax laws, and this discussion does not purport to describe any aspect of the tax laws of any state, local or foreign jurisdiction. You should consult your tax advisors regarding the effect of state, local and foreign tax laws with respect to Realty Income's tax treatment as a REIT and on an investment in Realty Income's common stock.

Accounting Treatment

Realty Income will account for the merger under the acquisition method of accounting for business combinations under GAAP with Realty Income being deemed to have acquired ARCT. This means that the assets and liabilities of ARCT will be recorded, as of the completion of the merger, at their fair values and added to those of Realty Income, including an amount for goodwill, if applicable, representing the difference between the purchase price and fair value of the identifiable net assets. Financial statements of Realty Income issued after the merger will reflect only the operations of ARCT's business after the merger and will not be restated retroactively to reflect the historical financial position or results of operations of ARCT.

All unaudited pro forma consolidated financial information contained in this joint proxy statement/prospectus was prepared using the acquisition method of accounting for business combinations. The final allocation of the purchase price will be determined after the merger is completed and after completion of an analysis to determine the fair value of the assets and liabilities of ARCT's business. Accordingly, the final acquisition accounting adjustments may be materially different from the unaudited pro forma adjustments. Any decrease in the fair value of the assets or increase in the fair value of the liabilities of ARCT's business as compared to the unaudited pro forma consolidated financial information included in this joint proxy statement/prospectus will have the effect of increasing the amount of the purchase price allocable to goodwill.

Listing of Realty Income Common Stock

Realty Income will use its reasonable best efforts to cause the shares of Realty Income common stock to be issued in the merger to be approved for listing on the NYSE prior to the completion of the merger, subject to official notice of issuance. Approval of the listing on the NYSE of the shares of Realty Income common stock to be issued in the merger, subject to official notice of issuance, is a condition to each party's obligation to complete the merger.

Table of Contents

Delisting and Deregistration of ARCT Common Stock

If the merger is completed, ARCT common stock will be delisted from NASDAQ and deregistered under the Exchange Act, and ARCT will no longer file periodic reports with the SEC.

Restrictions on Sales of Shares of Realty Income Common Stock Received in the Merger

Shares of Realty Income common stock issued in the merger will not be subject to any restrictions on transfer arising under the Securities Act of 1933, as amended, which we refer to as the Securities Act, or the Exchange Act, except for shares of Realty Income common stock issued to any ARCT stockholder who may be deemed to be an affiliate of Realty Income after the completion of the merger. This joint proxy statement/prospectus does not cover resales of Realty Income common stock received by any person upon the completion of the merger, and no person is authorized to make any use of this joint proxy statement/prospectus in connection with any resale.

Litigation Relating to the Merger

Since the announcement of the merger on September 6, 2012, six putative class actions and/or shareholder derivative actions have been filed on behalf of alleged ARCT stockholders and/or ARCT itself in the Circuit Court for Baltimore City, Maryland, under the following captions: *Quaal v. American Realty Capital Trust Inc., et al.*, No. 24-C1-2005306, filed September 7, 2012; *Hill v. American Realty Capital Trust, Inc., et al.*, No. 24-C-005502, filed September 19, 2012; *Goldwurm v. American Realty Capital Trust, Inc., et al.*, No. 24-C-005524, filed September 20, 2012; *Gordon v. Schorsch, et al.*, No. 24-C-12-5571, filed September 21, 2012; *Gregor v. Kahane, et al.*, No. 24-C-12-5563, filed September 21, 2012; and *Rooker v. American Realty Capital Trust Inc., et al.*, filed October 5, 2012. On November 16, 2012, the court consolidated these actions into a single action captioned *In re American Capital Realty Trust, Inc. Shareholder Litigation*, No. 24-C-12-005306 (the Maryland Action), and, on November 21, 2012, appointed Brower Piven, P.C. as lead counsel for plaintiffs.

After plaintiff Sydelle Goldwurm's motion for appointment of lead plaintiff and lead counsel was denied by the Circuit Court for Baltimore City, Maryland, she filed a class action and shareholder derivative action in the United States District Court for the District of Maryland, captioned *Goldwurm v. American Realty Capital Trust, Inc., et al.*, No. 1:12-cv-03516-JKB (the Federal Action). On December 3, 2012, she voluntarily dismissed her case in the Circuit Court for Baltimore City, Maryland.

Two putative class actions also have been filed on behalf of alleged ARCT stockholders in the Supreme Court of the State of New York for New York, New York, under the following captions: *The Carol L. Possehl Living Trust v. American Realty Capital Trust, Inc., et al.*, No. 653300-2012, filed September 20, 2012; and *Salenger v. American Realty Capital Trust, Inc. et al.*, No. 353355-2012, filed September 25, 2012. On October 19, 2012, the court consolidated these actions into a single action captioned *In re American Realty Capital Trust Shareholders Litigation*, No. 653300-2012 (the New York Action), and appointed Robbins Geller Rudman & Dowd LLP as lead counsel for plaintiffs. Plaintiffs filed an amended complaint in the consolidated New York Action on October 23, 2012.

All of these complaints name as defendants ARCT, members of the ARCT board of directors, Realty Income and Merger Sub. In each case, the plaintiffs allege that the ARCT directors breached their fiduciary duties to ARCT and/or its stockholders in negotiating and approving the merger agreement, that the merger consideration negotiated in the merger agreement improperly values ARCT, that the ARCT stockholders will not receive fair value for their ARCT common stock in the merger, and that the terms of the merger agreement impose improper deal-protection devices that purportedly preclude competing offers. The complaints further allege that Realty Income, Merger Sub, and, in some cases, ARCT aided and abetted those alleged breaches of fiduciary duty. The various amended complaints add allegations that disclosures regarding the proposed merger in the joint proxy statement/prospectus filed on October 1, 2012 are inadequate. Plaintiffs seek injunctive relief, including enjoining or rescinding the merger, and an award of other unspecified attorneys' and other fees and costs, in addition to other relief.

On November 9, 2012, the Court granted defendants' motion to stay the New York Action pending the Maryland Action. Defendants do not anticipate further developments in the New York Action until the Maryland Action has been resolved.

In the Maryland Action, the Court ordered plaintiffs to file a consolidated amended complaint by December 14, 2012. Prior to consolidation, plaintiffs in *Quaal, Hill, Gordon, Gregor, and Rooker* filed a motion for a temporary restraining order and defendants filed motions to dismiss each of the complaints. On December 3, 2012, plaintiffs voluntarily withdrew their motion for a temporary restraining order. A hearing on the motion to dismiss is currently scheduled for February 12, 2013. Realty Income and ARCT management believe that these actions have no merit and continue to defend vigorously against them.

THE MERGER AGREEMENT

This section of this joint proxy statement/prospectus describes the material provisions of the merger agreement, which is attached as Annex A to this joint proxy statement/prospectus and is incorporated herein by reference. As a stockholder, you are not a third party beneficiary of the merger agreement and therefore you may not directly enforce any of its terms and conditions.

*This summary may not contain all of the information about the merger agreement that is important to you. Realty Income and ARCT urge you to carefully read the full text of the merger agreement because it is the legal document that governs the merger. The merger agreement is not intended to provide you with any factual information about Realty Income or ARCT. In particular, the assertions embodied in the representations and warranties contained in the merger agreement (and summarized below) are qualified by information each of Realty Income and ARCT filed with the SEC prior to the effective date of the merger agreement, as well as by certain disclosure letters each of the parties delivered to the other in connection with the signing of the merger agreement, that modify, qualify and create exceptions to the representations and warranties set forth in the merger agreement. Moreover, some of those representations and warranties may not be accurate or complete as of any specified date, may apply contractual standards of materiality in a way that is different from what may be viewed as material by investors or that is different from standards of materiality generally applicable under the U.S. federal securities laws or may not be intended as statements of fact, but rather as a way of allocating risk among the parties to the merger agreement. The representations and warranties and other provisions of the merger agreement and the description of such provisions in this document should not be read alone but instead should be read in conjunction with the other information contained in the reports, statements and filings that each of Realty Income and ARCT file with the SEC and the other information in this joint proxy statement/prospectus. See *Where You Can Find More Information; Incorporation by Reference* beginning on page 156.*

Realty Income and ARCT acknowledge that, notwithstanding the inclusion of the foregoing cautionary statements, each of them is responsible for considering whether additional specific disclosures of material information regarding material contractual provisions are required to make the statements in this joint proxy statement/prospectus not misleading.

Form, Effective Time and Closing of the Merger

The merger agreement provides for the merger of ARCT with and into Merger Sub, upon the terms and subject to the conditions set forth in the merger agreement. Merger Sub will be the surviving entity in the merger and, following completion of the merger, will continue to exist under the name Tau Acquisition LLC as a direct wholly owned subsidiary of Realty Income. The merger will become effective upon the filing of articles of merger with the State Department of Assessments and Taxation of the State of Maryland and a certificate of merger with the Secretary of State of the State of Delaware or at a later date and time agreed to by Realty Income and ARCT and specified in the articles of merger and certificate of merger.

Table of Contents

The merger agreement provides that the closing of the merger will take place on the third business day following the date on which the last of the conditions to closing of the merger (described under "The Merger Agreement - Conditions to Completion of the Merger") have been satisfied or waived (other than the conditions that by their terms are to be satisfied at the closing of the merger, but subject to the satisfaction or waiver of those conditions).

Organizational Documents of the Surviving Entity

Upon completion of the merger, the certificate of formation and limited liability company agreement of Merger Sub in effect as of immediately prior to the effective time will be the certificate of formation and limited liability company agreement of the surviving entity.

Merger Consideration; Conversion or Cancellation of Shares in the Merger

Merger Consideration

If the merger is completed, each share of ARCT common stock (other than shares of ARCT common stock owned by any wholly owned subsidiary of ARCT, Realty Income or any subsidiary of Realty Income, which will be cancelled) will be converted automatically into the right to receive 0.2874 shares of Realty Income common stock, which we refer to as the exchange ratio. No fractional shares of Realty Income common stock will be issued. Instead of fractional shares, ARCT stockholders will receive cash, without interest, in an amount determined by multiplying the fractional interest to which such holder would otherwise be entitled by the volume weighted average price of Realty Income common stock for the 10 trading days immediately prior to the closing date, starting with the opening of trading on the first trading day to the closing of the second to last trading day prior to the closing date, as reported by Bloomberg.

Procedures for Surrendering ARCT Stock Certificates

The conversion of ARCT common stock into the right to receive the merger consideration will occur automatically at the effective time of the merger. In accordance with the merger agreement, Realty Income will appoint an exchange agent to handle the payment and delivery of the merger consideration and the cash payments to be delivered in lieu of fractional shares. On or before the effective time of the merger, Realty Income will deliver to the exchange agent certificates representing shares of Realty Income common stock sufficient to pay the merger consideration and the cash to be delivered in lieu of fractional shares. As promptly as practicable after the effective time, but in no event later than two business days thereafter, the surviving entity will cause the exchange agent to send to each record holder of ARCT common stock at the effective time of the merger, a letter of transmittal and instructions explaining how to surrender ARCT stock certificates to the exchange agent.

Each ARCT stockholder that surrenders its stock certificate to the exchange agent together with a duly completed letter of transmittal, and each ARCT stockholder that holds book-entry shares of ARCT common stock, will receive the merger consideration due to such stockholder (including cash in lieu of any fractional shares). After the effective time of the merger, each certificate that previously represented shares of ARCT common stock will only represent the right to receive the merger consideration into which those shares of ARCT common stock have been converted.

Treatment of ARCT Stock Options, Restricted Shares and LTIP Units

As of the effective time of the merger, each ARCT stock option to purchase ARCT common stock then-outstanding, whether or not exercisable at such time, will be deemed subject to a cashless exercise and the holder of each ARCT stock option will be deemed to receive by virtue of such deemed cashless exercise a number of shares of ARCT common stock equal to (i) the number of shares of ARCT common stock subject to each ARCT stock option, less (ii) the number of shares of ARCT common stock equal in value to the aggregate exercise price of each ARCT stock option, assuming a fair market value of a share of ARCT common stock equal to the closing price of ARCT common stock on the last completed trading day immediately prior to the closing of the merger. Immediately following such deemed cashless exercise, the net number of shares of ARCT common stock deemed

Table of Contents

issued in connection with the deemed cashless exercise of each ARCT stock option will be converted into the right of the holder of the corresponding ARCT stock option to receive the merger consideration payable with respect to ARCT common stock under the merger agreement.

Immediately prior to the effective time of the merger, each then-outstanding share of ARCT restricted stock will fully vest (and ARCT will be entitled to deduct and withhold the number of shares of ARCT common stock otherwise deliverable upon such acceleration to satisfy any applicable withholding taxes, assuming a fair market value of a share of ARCT common stock equal to the closing price of ARCT common stock on the last completed trading day immediately prior to the closing of the merger). All shares of ARCT common stock then-outstanding as a result of the full vesting of shares of ARCT restricted stock, and the satisfaction of any applicable withholding taxes, will have the right to receive a number of shares of Realty Income common stock based on the exchange ratio.

At the effective time of the merger, each LTIP Unit in ARCT OP that is then-outstanding will become fully vested and will be subject to adjustment as described in the merger agreement.

Withholding

All payments under the merger agreement are subject to applicable withholding requirements.

Definition of Material Adverse Effect

Many of the representations of ARCT, Realty Income and Merger Sub are qualified by a material adverse effect standard (that is, they will not be deemed to be untrue or incorrect unless their failure to be true or correct, individually or in the aggregate, has not had and would not reasonably be expected to have a material adverse effect). For the purposes of the merger agreement, material adverse effect means any event, circumstance, change or effect (i) that is material and adverse to the business, assets, properties, liabilities, financial condition or results of operations of ARCT and its subsidiaries, taken as a whole, or Realty Income and its subsidiaries (including Merger Sub), taken as a whole, as the case may be or (ii) that will, or would reasonably be expected to, prevent or materially impair the ability of ARCT or Realty Income or Merger Sub, as the case may be, to consummate the merger before March 6, 2013. However, any event, circumstance, change or effect will not be considered a material adverse effect to the extent arising out of or resulting from the following:

any failure of ARCT or Realty Income, as applicable, to meet any projections or forecasts or any decrease in the market price of the ARCT common stock or Realty Income common stock, as applicable (except any event, circumstance, change or effect giving rise to such failure or decrease is taken into account in determining whether there has been a material adverse effect);

any events, circumstances, changes or effects that affect the commercial real estate REIT industry generally;

any changes in the United States or global economy or capital, financial or securities markets generally, including changes in interest or exchange rates;

any changes in the legal or regulatory conditions;

earthquakes, hurricanes or other natural disasters;

any damage or destruction of any property that is substantially covered by insurance; or

changes in law or GAAP;

except to the extent, (i) in the case of the second, third, fourth, fifth and tenth bullet points above, that such changes do not disproportionately affect ARCT and its subsidiaries, taken as a whole, or Realty Income and its subsidiaries, taken as a whole, as applicable, relative to other similarly situated participants in the commercial real estate REIT industry in the United States and (ii) in the case of the eighth bullet point

Edgar Filing: American Realty Capital Trust, Inc. - Form DEFM14A

above, that such changes do not disproportionately affect ARCT and its subsidiaries, taken as a whole, or Realty Income and its subsidiaries, taken as a whole, as applicable, relative to other participants in the commercial real estate REIT industry in the geographic regions in which ARCT and its subsidiaries, or Realty Income and its subsidiaries, as applicable, operate, own or lease properties.

Proposal, (ii) engage in any discussions or negotiations regarding, or furnish to any third party any non-public information in connection with, or knowingly facilitate in any way any effort by, any third party in furtherance of any ARCT Acquisition Proposal or inquiry, (iii) approve or recommend an ARCT Acquisition Proposal, or enter into any letter of intent, memorandum of understanding, agreement in principle, acquisition agreement, merger agreement, share purchase agreement, asset purchase agreement, share exchange agreement, option agreement or any other similar agreement (other than a confidentiality agreement containing provisions as to the treatment of confidential information that are no less favorable in any material respect to ARCT than the terms of ARCT's confidentiality agreement with Realty Income entered into in accordance with the limitations described below) providing for or relating to an ARCT Acquisition Proposal, or (iv) propose or agree to do any of the foregoing.

For the purposes of the merger agreement, ARCT Acquisition Proposal means, subject to certain exceptions, any proposal or offer for (or expression by a third party that it is considering or may engage in), whether in one transaction or a series of related transactions, (i) any merger, consolidation, share exchange, business combination or similar transaction involving ARCT or any of its subsidiaries, (ii) any sale, lease, exchange, mortgage, pledge, license, transfer or other disposition, directly or indirectly, by merger, consolidation, sale of equity interests, share exchange, joint venture, business combination or otherwise, of any assets of ARCT or any of its subsidiaries representing 20% or more of the consolidated assets of ARCT and its subsidiaries, taken as a whole as determined on a book-value basis, (iii) any issue, sale or other disposition of (including by way of merger, consolidation, joint venture, business combination, share exchange or any similar transaction) securities (or options, rights or warrants to purchase, or securities convertible into, such securities) representing 20% or more of the voting power of ARCT, (iv) any tender offer or exchange offer in which any person or group (as defined in Rule 13d-3 promulgated under the Exchange Act) seeks to acquire beneficial ownership (as defined in Rule 13d-3 promulgated under the Exchange Act), or the right to acquire beneficial ownership, of 20% or more of the outstanding shares of any class of voting securities of ARCT, or (v) any recapitalization, restructuring, liquidation, dissolution or other similar type of transaction with respect to ARCT in which a third party acquires beneficial ownership of 20% or more of the outstanding shares of any class of voting securities of ARCT.

Notwithstanding the restrictions set forth above, the merger agreement provides that, at any time prior to the approval of the merger by ARCT stockholders, ARCT may, directly or indirectly, in response to an unsolicited bona fide written ARCT Acquisition Proposal from a third party made after September 6, 2012 that did not result from a breach of the merger agreement, (i) furnish non-public information to such third party pursuant to a confidentiality agreement containing provisions as to the treatment of confidential information that are no less favorable to ARCT than the terms of ARCT's confidentiality agreement with Realty Income (provided that all such information is provided to Realty Income substantially at the same time that such information is provided to such third party if it has not been provided previously) and (ii) engage in discussions or negotiations with such third party and its representatives if the ARCT board of directors determines in good faith, after consultation with outside legal counsel and financial advisors, that the ARCT Acquisition Proposal constitutes, or is reasonably likely to result in, a superior proposal (as defined below) and the ARCT board of directors determines in good faith, after consultation with outside legal counsel, that (x) such ARCT Acquisition Proposal constitutes or is reasonably likely to result in a superior proposal and (y) the failure to take such action would be inconsistent with the directors' duties under applicable law.

ARCT must notify Realty Income promptly (but in no event later than 24 hours) after receipt of any ARCT Acquisition Proposal or any request for nonpublic information relating to ARCT or any of its subsidiaries by any third party, or any inquiry from any person or entity seeking to have discussions or negotiations with ARCT relating to a possible ARCT Acquisition Proposal. ARCT must also promptly, and in any event within 24 hours, notify Realty Income if it enters into discussions or negotiations concerning any ARCT Acquisition Proposal or provides nonpublic information or data to any person and keep Realty Income informed of the status and material terms of any proposals, offers, discussions or negotiations on a current basis, including by providing a copy of all related material documentation or material correspondence.

Table of Contents

Except as described below, the ARCT board of directors may not (i) withhold, withdraw, modify or qualify (or publicly propose to withhold, withdraw, modify or qualify), in a manner adverse to Realty Income or Merger Sub, the ARCT board's recommendation to ARCT stockholders that they approve the merger and the other transactions contemplated by the merger agreement, (ii) approve, adopt or recommend (or publicly propose to approve, adopt or recommend) any ARCT Acquisition Proposal, (iii) fail to include the ARCT board's recommendation in this joint proxy statement/prospectus, (iv) fail to publicly recommend against any ARCT Acquisition Proposal within 10 business days of the request of Realty Income and/or to reaffirm the ARCT board's recommendation within 10 business days of the request of Realty Income, or (v) approve, adopt, declare advisable or recommend, or cause or permit ARCT to enter into, an alternative acquisition agreement (other than a confidentiality agreement containing provisions as to the treatment of confidential information that are no less favorable in any material respect to ARCT than the terms of ARCT's confidentiality agreement with Realty Income entered into in accordance with the limitations described above). In this joint proxy statement/prospectus, we refer to (i) through (iv) above as an adverse recommendation change. Notwithstanding the foregoing, at any time prior to obtaining the approval of ARCT's stockholders, the ARCT board of directors may effect an adverse recommendation change if it (a) has received an unsolicited bona fide ARCT Acquisition Proposal that, in the good faith determination of the ARCT board of directors, after consultation with outside legal counsel and financial advisors, constitutes a superior proposal (subject to the matching right described below), and such ARCT Acquisition Proposal is not withdrawn, and (b) determines in good faith, after consultation with outside legal counsel, that failure to take such action would be inconsistent with the directors' duties under applicable law, and in such case ARCT may also terminate the merger agreement (subject to ARCT's obligations upon such termination to pay the termination fee and expense amount as described below) and/or approve or recommend such superior proposal to the ARCT stockholders.

For the purposes of the merger agreement, superior proposal means any bona fide written ARCT Acquisition Proposal (except that, for purposes of this definition, the references in the definition of ARCT Acquisition Proposal to 20% are replaced by 50%) made by a third party on terms that the ARCT board of directors determines in good faith, after consultation with ARCT's outside legal counsel and financial advisors, taking into account all financial, legal, regulatory and any other aspects of the transaction described in such proposal, including the identity of the person or entity making the proposal, any break-up fees, expense reimbursement provisions and conditions to consummation, as well as any changes to the financial terms of the merger agreement proposed by Realty Income and Merger Sub in response to such proposal or otherwise, to be (i) more favorable to ARCT and its stockholders (solely in their capacity as stockholders) from a financial point of view than the transactions contemplated by the merger agreement and (ii) reasonably likely to receive all required governmental approvals on a timely basis and otherwise reasonably capable of being completed on the terms proposed.

The ARCT board of directors is not entitled to effect an adverse recommendation change unless (i) ARCT has provided a written notice to Realty Income that ARCT intends to take such action, specifying in reasonable detail the reasons therefor and describing the material terms and conditions of (and attaching a complete copy of) the superior proposal that is the basis of such action, (ii) during the following five business days, ARCT negotiates with Realty Income in good faith (if desired by Realty Income) to adjust the terms of the merger agreement so that the superior proposal giving rise to the notice is no longer a superior proposal and (iii) the ARCT board of directors has subsequently determined in good faith, after consultation with its outside legal counsel and financial advisors, that the superior proposal giving rise to the notice continues to constitute a superior proposal and, after consultation with outside legal counsel, that failure to take such action would be inconsistent with the directors' duties under applicable law. Upon any material amendment to the superior proposal giving rise to the notice, ARCT is required to deliver a new notice and commence a new negotiation period of three business days.

The merger agreement required ARCT to immediately cease any existing discussions, negotiations or communications conducted before the execution of the merger agreement with respect to any ARCT Acquisition Proposal and requires ARCT to enforce any confidentiality provisions or provisions of similar effect that ARCT

may have against third parties. ARCT must also use all reasonable efforts to cause third parties who were furnished confidential information regarding ARCT in connection with the solicitation of or discussions regarding an ARCT Acquisition Proposal within the six months prior to the execution of the merger agreement to promptly return or destroy such information.

Form S-4, Joint Proxy Statement/Prospectus; Stockholders Meetings

ARCT and Realty Income agreed to prepare and cause to be filed with the SEC the joint proxy statement included in this joint proxy statement/prospectus and Realty Income agreed to prepare and file a registration statement on Form S-4 with respect to the merger, which includes this joint proxy statement/prospectus, in each case as promptly as reasonably practicable. ARCT and Realty Income also agreed to use their reasonable best efforts to (i) have the Form S-4 declared effective under the Securities Act as promptly as practicable after filing, (ii) ensure that the Form S-4 complies in all material respects with the applicable provisions of the Exchange Act or Securities Act, and (iii) to keep the Form S-4 effective for so long as necessary to complete the merger.

ARCT and Realty Income each agreed to use their reasonable best efforts to cause this joint proxy statement/prospectus to be mailed to their stockholders entitled to vote at their respective stockholder meetings and to hold their respective stockholder meetings as soon as practicable after the Form S-4 is declared effective. ARCT further agreed to include in the joint proxy statement/prospectus its recommendation to its stockholders that they approve the merger and the other transactions contemplated by the merger agreement and to use its reasonable best efforts to obtain its stockholder approval. Realty Income also agreed to include its recommendation that the Realty Income stockholders approve the issuance of shares of Realty Income common stock to ARCT stockholders in connection with the merger and to use its reasonable best efforts to obtain such approval.

Efforts to Complete Transactions; Consents

Both Realty Income and ARCT have agreed to use their reasonable best efforts to take all actions and do all things necessary, proper or advisable under applicable laws or pursuant to any contract or agreement to consummate and make effective, as promptly as practicable, the merger, including obtaining all necessary actions or nonactions, waivers, consents and approvals from governmental authorities or other persons or entities in connection with the merger and the other transactions contemplated by the merger agreement and defending any lawsuits or other legal proceedings challenging the merger agreement or the merger or other transactions contemplated by the merger agreement.

Realty Income and ARCT have agreed to provide any necessary notices to third parties and to use their reasonable best efforts to obtain any third-party consents that are necessary, proper or advisable to consummate the merger.

Access to Information; Confidentiality

The merger agreement requires both ARCT and Realty Income to provide to the other, upon reasonable notice and during normal business hours, reasonable access to its properties, offices, books, contracts, commitments, personnel and records, and each of ARCT and Realty Income are required to furnish reasonably promptly to the other a copy of each report, schedule, registration statement and other document filed prior to closing pursuant to federal or state securities laws and all other information concerning its business, properties and personnel as the other party may reasonably request.

Each of ARCT and Realty Income has agreed to hold, and to cause its representatives and affiliates to hold, any non-public information in confidence to the extent required by the terms of its existing confidentiality agreements.

Each of ARCT and Realty Income has agreed to give prompt written notice to the other upon becoming aware of the occurrence or impending occurrence of any event or circumstance relating to it or to any of its subsidiaries which could reasonably be expected to have, individually or in the aggregate, a material adverse effect.

Notification of Certain Matters; Transaction Litigation

ARCT and Realty Income have agreed to provide prompt notice to the other of any notice received from any governmental authority in connection with the merger agreement or the transactions contemplated by the merger agreement, including the merger, or from any person or entity alleging that its consent is or may be required in connection with any such transaction.

Each of ARCT and Realty Income has agreed to provide prompt notice to the other if any representation or warranty made by it in the merger agreement becomes untrue or inaccurate such that the applicable closing conditions would reasonably be expected to be incapable of being satisfied by March 6, 2013, or if it fails to comply with or satisfy in any material respect any covenant, condition or agreement contained in the merger agreement.

Each of ARCT and Realty Income has agreed to provide prompt notice to the other of any actions, suits, claims, investigations or proceedings commenced or threatened against, relating to or involving such party or any of its subsidiaries in connection with the merger agreement, the merger or the other transactions contemplated by the merger agreement. Each has agreed to allow the other the opportunity to reasonably participate in the defense and settlement of any stockholder litigation and not to agree to a settlement of any stockholder litigation without the other's consent (not to be unreasonably withheld).

Stock Exchange Listing

Realty Income has agreed to use its reasonable best efforts to cause the shares of its common stock to be issued in connection with the merger to be approved for listing on the NYSE, subject to official notice of issuance, prior to the effective time of the merger.

Indemnification of Directors and Officers; Insurance

For a period of six years after the effective time of the merger, pursuant to the terms of the merger agreement and subject to certain limitations, the surviving entity will indemnify, defend and hold harmless among others, each officer and director of ARCT, for actions at or prior to the effective time of the merger, including with respect to the transactions contemplated by the merger agreement.

Prior to the effective time of the merger, ARCT has agreed to (or, if ARCT is unable to, Realty Income has agreed to cause the surviving entity in the merger to) obtain and pay for a non-cancelable extension of the coverage afforded by ARCT's existing directors' and officers' liability insurance policies and ARCT's existing fiduciary liability insurance policies covering at least six years after the effective time of the merger with respect to any claim related to any period or time at or prior to the effective time of the merger from one or more insurance carriers with terms and retentions that are no less favorable in the aggregate than the coverage provided under ARCT's existing policies, as long as the annual premium does not exceed 125% of the annual aggregate premium(s) under ARCT's existing policies.

If ARCT or the surviving entity does not obtain a tail policy as of the effective time of the merger, the surviving entity will maintain in effect, for a period of at least six years after the effective time of the merger, ARCT's existing policies in effect on September 6, 2012 on terms and limits of liability that are no less favorable in the aggregate than the coverage provided on that date. Notwithstanding the foregoing, (i) neither Realty Income nor the surviving entity will be required to pay annual premiums in excess of 300% of the current annual premium paid by ARCT for such insurance, and (ii) if the annual premiums exceed 300%, Realty Income or the surviving entity will be obligated to obtain a policy with the greatest coverage available for a cost not exceeding 300% of the current annual premium.

Termination of the Merger Agreement

Termination by Mutual Agreement

The merger agreement may be terminated at any time before the effective time of the merger by the mutual written agreement of Realty Income and ARCT.

Termination by Either Realty Income or ARCT

The merger agreement may also be terminated prior to the effective time of the merger by either Realty Income or ARCT if:

the merger has not been consummated on or before March 6, 2013, unless as of March 6, 2013, all conditions to closing have been satisfied or waived other than the obligation of ARCT to obtain certain debt consents, in which case this date will be extended to April 8, 2013 (provided that this termination right will not be available to a party if that party failed to fulfill its obligations under the merger agreement and that failure was a principle cause of, or resulted in, the merger not closing);

a governmental authority of competent jurisdiction has issued a final and non-appealable order permanently restraining, enjoining or otherwise prohibiting the transactions contemplated by the merger agreement (provided that this termination right will not be available to a party if the issuance of such order was primarily due to the failure of such party to perform any of its obligations under the merger agreement);

ARCT stockholders fail to approve the merger and the other transactions contemplated by the merger agreement at a duly convened meeting (provided that this termination right will not be available to ARCT if the failure to obtain such ARCT stockholder approval was primarily due to ARCT's failure to perform any of its obligations under the merger agreement); or

Realty Income stockholders fail to approve the issuance of shares of Realty Income common stock to ARCT stockholders in connection with the merger at a duly convened meeting (provided that this termination right will not be available to Realty Income if the failure to obtain such Realty Income stockholder approval was primarily due to Realty Income's failure to perform any of its obligations under the merger agreement).

Termination by Realty Income

The merger agreement may also be terminated prior to the effective time of the merger by Realty Income if:

ARCT has breached in any material respect any of its representations, warranties, covenants or agreements in the merger agreement that would, or would reasonably be expected to, result in a failure of Realty Income's condition to closing the

merger related to the accuracy of ARCT's representations and warranties or ARCT's material performance of or compliance with its obligations under the merger agreement and such breach either (i) cannot be cured by March 6, 2013 or (ii) if curable, has not been cured by ARCT within 20 days after receiving written notice of such breach (provided that this termination right will not be available to Realty Income if Realty Income or Merger Sub is then in breach of the merger agreement and such breach would result in the failure of ARCT's condition to closing the merger related to the accuracy of Realty Income's and Merger Sub's representations and

warranties or Realty Income's and Merger Sub's material performance of or compliance with their obligations under the merger agreement); or

(i) the ARCT board of directors has made an adverse recommendation change, (ii) ARCT has materially breached any of its obligations under the provisions of the merger agreement regarding (a) the preparation of the Form S-4 and the joint proxy statement/prospectus and the holding of ARCT's stockholder meeting or (b) no solicitation of transactions by ARCT, or (iii) ARCT enters into an agreement providing for or relating to an ARCT Acquisition Proposal other than a confidentiality agreement containing provisions as to the treatment of confidential information that are no less favorable to ARCT than the terms of ARCT's confidentiality agreement with Realty Income entered into in accordance with the limitations described above under "No Solicitation of Transactions by ARCT" (provided that the termination right under clauses (i) and (ii) will not be available after ARCT's stockholders approve the transaction).

Termination by ARCT

The merger agreement may also be terminated prior to the effective time of the merger by ARCT:

if Realty Income or Merger Sub has breached in any material respect any of its representations, warranties, covenants or agreements in the merger agreement that would, or would reasonably be expected to, result in a failure of ARCT's condition to closing the merger related to the accuracy of Realty Income's and Merger Sub's representations and warranties or Realty Income's and Merger Sub's material performance of or compliance with their obligations under the merger agreement and such breach either (i) cannot be cured by March 6, 2013 or (ii) if curable, has not been cured by Realty Income within 20 days after receiving written notice of such breach (provided that this termination right will not be available to ARCT if ARCT is then in breach of the merger agreement and such breach would result in the failure of Realty Income's condition to closing the merger related to the accuracy of ARCT's representations and warranties or ARCT's material performance of or compliance with its obligations under the merger agreement); or

at any time prior to the approval of the merger and the other transactions contemplated by the merger agreement by the ARCT stockholders in order to enter into an alternative acquisition agreement with respect to a superior proposal; provided, that such termination will be null and void unless ARCT concurrently pays the termination fee of \$51 million plus an expense amount of \$4 million as described below under "Termination Fee and Expenses Payable by ARCT to Realty Income."

Termination Fee and Expenses Payable by ARCT to Realty Income

ARCT has agreed to pay a termination fee of \$51 million plus \$4 million as an expense reimbursement to Realty Income (unless the expense amount is previously paid as described below) if:

all of the following events have occurred:

ARCT receives an ARCT Acquisition Proposal (provided that the references to "20%" in the definition of "ARCT Acquisition Proposal" will be replaced with "50%" for purposes of determining whether a termination fee is due and payable) after the date of the merger agreement that has been publicly announced;

the merger agreement is terminated (i) by either ARCT or Realty Income because (a) the merger has not occurred by March 6, 2013 (and, prior to termination, the Realty Income stockholders have approved the issuance of shares of Realty Income common stock to ARCT stockholders in connection with the merger, but the ARCT stockholders have not approved the merger and the other transactions contemplated by the merger agreement), or (b) the ARCT stockholders fail to approve the merger and the other transactions contemplated by the merger agreement at a duly convened meeting and the ARCT Acquisition Proposal referenced in the preceding bullet has been withdrawn

Table of Contents

prior to the date of the ARCT stockholder meeting or (ii) by Realty Income upon a material uncured breach by ARCT of its representations, warranties, covenants or agreements set forth in the merger agreement; and

within 12 months after such termination, ARCT consummates a transaction regarding, or enters into a definitive agreement which is later consummated with respect to, an ARCT Acquisition Proposal; or

the merger agreement is terminated by Realty Income because (i) the ARCT board of directors has made an adverse recommendation change, (ii) ARCT has materially breached any of its obligations under the provisions of the merger agreement regarding (a) the preparation of the Form S-4 and the joint proxy statement/prospectus and the holding of ARCT's stockholder meeting or (b) ARCT Acquisition Proposals, or (iii) ARCT enters into an alternative acquisition agreement other than a confidentiality agreement containing provisions as to the treatment of confidential information that are no less favorable to ARCT than the terms of ARCT's confidentiality agreement with Realty Income entered into in accordance with the limitations described above under No Solicitation of Transactions by ARCT; or

(i) the merger agreement is terminated by either ARCT or Realty Income because the ARCT stockholders fail to approve the merger and the other transactions contemplated by the merger agreement at a duly convened meeting, (ii) ARCT receives or has received an ARCT Acquisition Proposal after September 6, 2012, which proposal has been publicly announced and not withdrawn prior to the date of the ARCT stockholder meeting, (iii) the ARCT board of directors did not make an adverse recommendation change, and (iv) ARCT subsequently enters into an acquisition agreement, merger agreement, share purchase agreement, asset purchase agreement or other similar definitive agreement with respect to an ARCT Acquisition Proposal within 12 months of the termination of the merger agreement (provided that references to provided that the references to 20% in the definition of ARCT Acquisition Proposal will be replaced with 50% for purposes of determining whether a termination fee is due and payable); or

the merger agreement is terminated by ARCT at any time prior to the approval of the merger and the other transactions contemplated by the merger agreement by the ARCT stockholders in order to enter into an alternative acquisition agreement with respect to a superior proposal.

ARCT has also agreed to pay the expense amount of \$4 million to Realty Income, if Realty Income or ARCT terminates the merger agreement due to the failure of ARCT's stockholders to approve the merger and the other transactions contemplated by the merger agreement, within two business days after such termination (rather than when a termination fee, if any, becomes payable to Realty Income).

Expenses Payable by Realty Income to ARCT

Realty Income has agreed to pay \$4 million as an expense reimbursement to ARCT if ARCT or Realty Income terminates the merger agreement due to the failure of Realty Income's stockholders to approve the issuance of shares of Realty Income common stock to ARCT stockholders in connection with the merger within two business days after such termination.

Miscellaneous Provisions

Payment of Expenses

Other than as described above under Termination Fee and Expenses Payable by ARCT to Realty Income and Expenses Payable by Realty Income to ARCT, the merger agreement provides that each party will pay its own fees and expenses in connection with the merger agreement, except that ARCT and Realty Income will share equally all expenses related to the printing, filing and distribution of this joint proxy statement/prospectus and the registration statement on Form S-4, of which this joint proxy statement/prospectus forms a part (other than

Table of Contents

attorneys' and accountants' fees). Nevertheless, under the side letter, AR Capital and Mr. Schorsch have agreed to reimburse Realty Income for certain transaction expenses of ARCT in excess of \$15 million.

Specific Performance

The parties to the merger agreement are entitled to injunctions, specific performance and other equitable relief to prevent breaches of the merger agreement and to enforce specifically the terms and provisions of the merger agreement in addition to any and all other remedies at law or in equity.

Amendment

The parties to the merger agreement may amend the merger agreement by written agreement executed and delivered by their duly authorized officers, provided that, after approval of the merger and the other transactions contemplated by the merger agreement by ARCT's stockholders or the approval of the issuance of shares of Realty Income common stock to ARCT stockholders in connection with the merger by Realty Income's stockholders, no amendment may be made which changes the form or amount of the consideration to be delivered to the holders of ARCT common stock or which by law or in accordance with the rules of any stock exchange requires further approval by ARCT's or Realty Income's stockholders, without the approval of such stockholders.

Waiver

Prior to the effective time of the merger, Realty Income or ARCT may extend the time for performance of any obligation of the other or waive any inaccuracy in the representations and warranties of the other or the other party's compliance with any agreement or condition contained in the merger agreement to the extent permitted by law.

Governing Law

The merger agreement is governed by the laws of the State of Maryland (without giving effect to choice of law principles thereof).

VOTING AGREEMENT

Concurrently with the execution of the merger agreement on September 6, 2012, Realty Income and ARCT entered into a voting agreement with Nicholas S. Schorsch and William M. Kahane. In the voting agreement, each of Messrs. Schorsch and Kahane has agreed to vote all of his shares of ARCT common stock in favor of approval of the merger and the other transactions contemplated by the merger agreement, subject to certain limitations. Messrs. Schorsch and Kahane have also agreed to vote against certain actions or proposals that would reasonably be expected to impede, impair or materially interfere with, delay or postpone the consummation of the merger or any other transaction contemplated by the merger agreement. The voting agreement also restricts each of Messrs. Schorsch's and Kahane's ability to sell, transfer, pledge, encumber, dispose of or enter into any contract or other arrangement with respect to the transfer of his shares of ARCT common stock, subject to certain exceptions.

Approximately 1,269,771 shares (993,240 shares beneficially owned by Mr. Schorsch, 261,451 shares beneficially owned by Mr. Kahane and 15,080 shares held by AR Capital), or approximately 0.9% of the ARCT common stock outstanding as of ARCT's record date, are subject to the voting agreement.

The voting agreement will terminate upon the earliest to occur of (i) the effectiveness of the merger, (ii) the date of termination of the merger agreement in accordance with its terms, (iii) any adverse recommendation change and (iv) at the option of each of Messrs. Schorsch and Kahane, any change or modification to the terms of the merger agreement that results in a decrease in the consideration to be paid per share of ARCT common stock.

SIDE LETTER

Concurrently with the execution of the merger agreement on September 6, 2012, Realty Income entered into a side letter agreement with AR Capital and Nicholas S. Schorsch. In the side letter, each of AR Capital and Mr. Schorsch has agreed, among other things, to (i) reimburse Realty Income for certain transaction expenses of ARCT in excess of \$15 million, (ii) indemnify Realty Income and the surviving entity against costs and expenses resulting from the termination of ARCT employees and certain leases and personal property of ARCT and (iii) not purchase certain properties subject to pending acquisition by ARCT. NO APPRAISAL RIGHTS

Under Section 3-202 of the Maryland General Corporation Law, holders of ARCT common stock may not exercise the rights of objecting stockholders to receive the fair value of their shares in connection with the merger because, among other things, the shares of ARCT are listed on NASDAQ.

Under the Maryland General Corporation Law, the holders of Realty Income common stock are not entitled to appraisal rights in connection with the merger.

**COMPARISON OF RIGHTS OF REALTY INCOME STOCKHOLDERS
AND ARCT STOCKHOLDERS**

The rights of ARCT stockholders are governed by ARCT's charter and bylaws and the laws of the State of Maryland, and the rights of Realty Income stockholders are governed by Realty Income's charter and bylaws and the laws of the State of Maryland. As a result of the merger, ARCT stockholders will become stockholders of Realty Income and, accordingly, their rights will be governed by Realty Income's charter and bylaws and the laws of the State of Maryland. While the rights and privileges of ARCT stockholders are, in many instances, comparable to those of Realty Income stockholders, there are some differences. The following is a summary of the material differences as of the date of this joint proxy statement/prospectus between the rights of ARCT stockholders and the rights of Realty Income stockholders. These differences arise from differences between the respective charters and bylaws of ARCT and Realty Income.

The following discussion of these differences is only a summary of the material differences and does not purport to be a complete description of all the differences. Please consult the Maryland General Corporation Law and the respective charters and bylaws, each as amended, restated, supplemented or otherwise modified from time to time, of Realty Income and ARCT for a more complete understanding of these differences.

Pre-Merger and Post Merger:

Under Maryland law, certain business combinations (which include a merger, consolidation, share exchange and certain transfers, issuances or reclassifications of equity securities) between a Maryland corporation and any person who beneficially owns ten percent or more of the voting power of the corporation's outstanding voting stock, or an affiliate or associate of the corporation who beneficially owned ten percent or more of the voting power at any time within the preceding two years, in each case referred to as an interested stockholder, or an affiliate thereof, are prohibited for five years after the most recent date on which the interested stockholder becomes an interested stockholder. Thereafter, any such business combination must be recommended by the board of directors and approved by the affirmative vote of at least (i) 80% of the votes entitled to be cast by holders of outstanding shares of voting stock of the corporation and (ii) two-thirds of the votes entitled to be cast by holders of voting stock of the corporation other than shares held by the interested stockholder or its affiliates or associates. The super-majority vote requirements do not apply, however, to business combinations that are approved or exempted by the board of directors prior to the time that the interested stockholder becomes an interested stockholder or the business combination satisfies certain minimum price, form of consideration and procedural requirements. Although Maryland law permits Realty Income to elect not to be subject to these business combination provisions, Realty Income has not made this election.

REALTY INCOME CORPORATION AND SUBSIDIARIES

UNAUDITED PRO FORMA CONDENSED CONSOLIDATED FINANCIAL STATEMENTS

As of and for the Nine Months ended September 30, 2012 and for the Year Ended December 31, 2011

On September 6, 2012, Realty Income Corporation, a Maryland corporation (the *Company* or *Realty Income*), entered into an Agreement and Plan of Merger (the *Merger Agreement*) with Tau Acquisition LLC, a Delaware limited liability company and wholly owned subsidiary of the Company (*Merger Sub*), and American Realty Capital Trust, Inc., a Maryland corporation (*ARCT*). The Merger Agreement provides for the merger of ARCT with and into Merger Sub (the *Merger*), with Merger Sub surviving as a wholly owned subsidiary of the Company.

The following tables present unaudited pro forma condensed consolidated financial condition and results of operations of the Company, after giving effect to the Merger. The Merger transaction includes issuance of Realty Income common stock to ARCT shareholders, issuance of operating partnership and preferred units, and assumption of ARCT's outstanding debt obligations. The pro formas assume the immediate repayment of ARCT's notes payable and lines of credit payable using Realty Income's unsecured credit facility. The repayment of these obligations is not a condition of closing the Merger. The unaudited pro forma condensed consolidated statement of operations for the nine months ended September 30, 2012 and year ended December 31, 2011 give effect to the Merger as if the Merger had occurred on January 1, 2011. The unaudited pro forma condensed consolidated balance sheet gives effect to the Merger as if it had occurred on September 30, 2012.

The following unaudited pro forma condensed consolidated financial information has been prepared by applying the purchase method of accounting with the Company treated as the acquirer. These unaudited pro forma condensed consolidated financial statements are prepared for informational purposes only and are based on assumptions and estimates considered appropriate by the Company's management; however, they are not necessarily indicative of what the Company's financial condition or results of operations actually would have been if the Merger had been consummated as of the dates indicated, nor do they purport to represent the consolidated financial position or results of operations for future periods. These unaudited pro forma condensed consolidated financial statements do not include the impact of all the potential synergies that may be achieved in the transactions or any strategies that management may consider in order to continue to efficiently manage the Company's operations. Additionally, these unaudited pro forma condensed consolidated financial statements do not include any adjustments associated with: (1) ARCT or Realty Income acquisitions closed after September 30, 2012 or the related financing of those acquisitions, (2) ARCT or Realty Income acquisitions currently under contract or the related financing of those proposed acquisitions, (3) ARCT or Realty Income near-term future CPI rental rate increases in the existing property portfolios, (4) the purchase of ARCT's minority partners' interest in the eight joint ventures during the year ended December 31, 2011 and part of the nine months ended September 30, 2012, six of which are outstanding at September 30, 2012, which are anticipated to be eliminated prior to the Merger, (5) the termination of the ARCT asset management agreement, which occurred in the first quarter of 2012, and the elimination of the associated asset management fees, (6) Internalization and listing costs of ARCT incurred in 2012, and (7) overall savings in general and administrative expense since the extent of such synergies is not certain. Further, no adjustment has been made for other nonrecurring costs of ARCT in these unaudited pro forma consolidated financial statements as they are unrelated to the Merger.

This unaudited pro forma condensed consolidated financial information should be read in conjunction with (1) the Company's audited consolidated financial statements and the related notes thereto as of and for the year ended December 31, 2011 included in the Company's Annual Report on Form 10-K, filed with the Securities and Exchange Commission (the *SEC*) on February 13, 2012, (2) the Company's updated 2011 consolidated financial statements included on Form 8-K, filed with the SEC on November 1, 2012, (3) the Company's unaudited financial statements and the related notes thereto as of and for the nine months ended September 30, 2012 included in the Company's Quarterly Report on Form 10-Q, filed with the SEC on October 25, 2012, (4) ARCT's audited consolidated financial statements and the related notes thereto as of and for the year ended

Table of Contents

December 31, 2011 included in ARCT's Annual Report on Form 10-K/A, filed with the SEC on May 11, 2012, and (5) ARCT's unaudited consolidated financial statements and the related notes thereto as of and for the nine months ended September 30, 2012 included in ARCT's Quarterly Report on Form 10-Q, filed with the SEC on October 29, 2012.

The total purchase price, based on an exchange ratio of the Company's common stock, will be allocated to the assets ultimately acquired and liabilities ultimately assumed based on their respective fair values. The allocations of the purchase price reflected in these unaudited pro forma condensed consolidated financial statements have not been finalized and are based upon preliminary estimates of these fair values, which is the best available information at the current time. A final determination of the fair values of the assets and liabilities, which cannot be made prior to the completion of the Merger and which is anticipated to occur during the first quarter of 2013, will be based on the actual valuations of the tangible and intangible assets and liabilities that exist as of the date of completion of the Merger. The completion of the final valuations, the allocations of the purchase price, the impact of ongoing integration activities, the timing of the completion of the Merger and other changes in tangible and intangible assets and liabilities that occur prior to completion of the Merger could cause material differences in the information presented.

- (1) Represents adjustments to record the acquisition of ARCT by Realty Income based upon the estimated purchase price of approximately \$2.8 billion. The calculation of the estimated purchase price to be allocated is as follows (in thousands, except shares, units and per share amounts):

Equity to be issued(a)	\$ 1,797,986
Operating partnership (OP) units (316,972 units)(b)	13,000
Preferred units(b)	6,750
Anticipated borrowings on unsecured credit facility	251,800
Notes payable	235,000

Estimated purchase price	\$ 2,816,436

- (a) ARCT's 158.6 million common shares outstanding (which includes all outstanding shares, shares to be issued as a result of the vesting of the ARCT restricted shares and the shares to be issued as a result of the cashless exercise of common stock options) are to be converted to Realty Income common shares at a fixed conversion rate of 0.2874 per ARCT share. The per share closing price of Realty Income's common stock on November 27, 2012 was \$39.45, which was used in the calculation of equity to be issued. The final purchase price is subject to change based upon Realty Income's common stock share price on the effective date of the Merger. For every \$1 change in the share price of Realty Income's common stock, the purchase price will change by approximately \$45.6 million.

- (b) These units are required to be issued per the terms of the Merger Agreement; accordingly, they are included in the estimated purchase price.

The purchase price will be adjusted based on the share price of Realty Income's common stock at closing consistent with the requirements of ASC 805, *Business Combinations*. The preliminary purchase price allocation to assets acquired and liabilities assumed is provided throughout these notes. The following provides a summary of the preliminary purchase price allocation by major categories of assets and liabilities in the unaudited pro forma condensed consolidated balance sheet as of September 30, 2012 (in thousands):

- (2) The pro forma amounts for land, buildings and improvements reflect adjustments to record the estimated increase over ARCT's historical investment in real estate based upon the preliminary estimated fair value for the tangible and intangible real estate assets to be acquired. The fair values of the assets were estimated, in part, based upon ARCT's existing allocation of real estate and intangible lease assets and liabilities, and adjusted to reflect reasonable estimations for above and below-market in-place lease values and to incorporate estimates for the mark-to-market (i.e. premiums) of mortgage debt to be assumed in the transaction, all of which are based on Realty Income's historical experience with similar assets. ARCT acquired a majority of its assets over the last three years, including \$1.2 billion of ARCT's \$2.0 billion in real estate in 2011, which were subject to purchase price allocations. In determining the estimated fair value of its tangible assets, ARCT utilized customary methods, including data from appraisals, comparable sales and discounted cash flow analysis, to determine values for land, buildings, equipment and tenant improvements, on an as-if vacant basis. Amounts allocated to land, buildings, equipment and fixtures were based on cost segregation studies performed by independent third-parties or on ARCT's analysis of comparable properties in its portfolio. The aggregate estimated value of ARCT's intangible assets related to in-place leases is primarily the difference between the property valued with existing in-place leases adjusted to market rental rates and the property valued as-if vacant. Accordingly, ARCT's existing allocation was a significant factor in our preliminary purchase price allocation to the real estate assets acquired and related liabilities assumed for our acquisition of ARCT. The increase in the fair value of the ARCT assets results primarily from the substantial decrease in capitalization rates for acquisitions of similar assets in the current marketplace, compared to when ARCT acquired the assets. While fair values have increased, there has been no discernible change in the rate that land versus building values increased; accordingly, the proportionate allocations of fair value between land and buildings as estimated by ARCT provide a reasonable basis for our preliminary purchase price allocation. The estimate of above-market rents increased as a result of comparing our estimate of current market rents to market rents at the time ARCT acquired the assets. The final determination of the allocation of the purchase price will be based on the fair value of such assets and liabilities as of the actual consummation date of the Merger and will be completed after the Merger is consummated. These final fair values will be determined based on management's judgment, which is based on various factors, including (1) market conditions, (2) the industry in which the tenant operates, (3) the characteristics of the real estate (i.e. location, size, demographics, value and comparative rental rates), (4) the tenant credit profile, (5) store profitability metrics and the importance of the location of the real estate to the operations of the tenant's business, and/or (6) real estate valuations, prepared by an independent valuation firm or via in-house expertise. The final determination of the purchase price may be significantly different from the preliminary estimates used in the unaudited pro forma financial statements.

The estimated values are as follows (in thousands):

	Pro forma Adjustment	ARCT Pro Forma
Land	\$ 110,230	\$ 444,700
Buildings and improvements	446,895	2,005,000
In-place lease assets	120,717	360,500
Above-market lease assets	66,500	66,500
Below-market lease liabilities	4,178	(12,100)
Estimated fair value of net real estate investments	\$ 748,520	\$ 2,864,600

- (3) Accumulated depreciation and amortization was adjusted to eliminate ARCT's historical accumulated depreciation and amortization. ARCT historical in-place lease accumulated amortization of \$37.0 million was reclassified to Acquired intangible lease assets, net.
- (4) Acquired intangible lease assets, net, adds purchase price allocation of in-place lease and above-market lease assets see Note 2 for preliminary fair value estimates. ARCT's historical in-place lease accumulated amortization of \$37.0 million was reclassified to Acquired intangible lease assets, net from Accumulated depreciation and amortization.
- (5) Cash and cash equivalents, Accounts receivable, net and Other assets adjustments to ARCT's historical balances of accounts receivable and other assets are as follows (in thousands):

Elimination of ARCT deferred financing costs, net	\$ (14,471)
Recognition of deferred financing costs incurred	1,500
Elimination of straight-line rent receivable	(15,989)
Elimination of goodwill	(2,248)
Elimination of corporate assets excluded from transaction, net	(3,289)
	\$ (34,497)

The recognition of deferred financing costs is a reflection of the fees associated with assuming ARCT's mortgages.

Liabilities

- (6) Other liabilities adjustments to ARCT's historical balances are as follows (in thousands):

Recognition of value of acquired leases that have below-market rents (see Note 2)	\$ 4,178
Recognition of preferred units in Merger	6,750
Other	28
	\$ 10,956

The recognition of preferred units reflects the issuance of \$6.75 million of preferred units that we are required to issue per the terms of the Merger Agreement. These units have certain characteristics that result in the classification as a liability in this unaudited pro forma balance sheet.

- (7) Lines of credit payable adjustments reflect the following:

(a)

Edgar Filing: American Realty Capital Trust, Inc. - Form DEFM14A

In the Pro Forma Fair Value Adjustments column, the adjustment of \$24.3 million represents ARCT Merger transaction costs and change of control costs that will occur at the time of the Merger (the Closing), financed using Realty Income's unsecured credit facility.

- (b) In the Pro Forma Merger Adjustments column, the adjustment of \$25.2 million represents Realty Income's estimated Merger transaction costs related to the Merger, financed using Realty Income's unsecured credit facility.
- (c) The Pro Forma Other Adjustments column includes the following adjustments:

NOTES TO UNAUDITED PRO FORMA

CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

- i. An increase in credit line borrowings due to the assumed repayment of ARCT's \$235 million of outstanding notes at Closing using Realty Income's unsecured credit facility, although this transaction is not a condition of the Merger.
 - ii. A decrease in the credit line borrowings of \$790.7 million due to the assumed repayment of borrowings from the net proceeds of Realty Income's \$800 million of notes issued in October 2012, although this transaction is not a condition of the Merger.
- (8) Mortgages payable, net reflects adjustment from historical ARCT mortgage payable balance for the fair value of debt assumed. The fair value debt adjustment of \$15.2 million is to reflect the increase in mortgage discount and premium, net from \$756,000 to \$16.0 million. The mortgage premium has been estimated by discounting the future cash flows using an interest rate based upon the current 5-year or 7-year Treasury yield curve, plus an applicable credit-adjusted spread. The mortgage discount and premium amortization is estimated to be \$2.5 million per year, based on the \$16.0 million pro forma balance.
- (9) Notes payable adjustments reflect the following:
- (a) A decrease in ARCT's \$235 million of outstanding notes, which are assumed to be repaid at Closing using Realty Income's unsecured credit facility, although this transaction is not a condition of the Merger.
 - (b) An increase in notes payable to reflect the \$800 million of notes issued by Realty Income in October 2012, although this transaction is not a condition of the Merger. The net proceeds of these notes were assumed to be used to repay credit line borrowings of \$790.7 million. In addition, deferred financing costs of \$9.3 million associated with these notes were recorded to other assets, which is part of cash and cash equivalents, accounts receivable, net, and other assets, although this transaction is not a condition of the Merger.

Equity

- (10) Common stock and paid-in capital represents the adjustment to convert ARCT's historical equity into Realty Income common stock. This calculation was based on 158.6 million ARCT shares outstanding times the fixed conversion rate of 0.2874 per share times Realty Income share price of \$39.45 on November 27, 2012.
- (11) Elimination of ARCT's distributions in excess of net income and to reflect Realty Income's estimated Merger transaction costs of \$30.7 million, less the \$5.5 million paid or accrued by Realty Income during the first nine months of 2012. Merger transaction costs include, but are not limited to, advisor fees, debt assumptions costs, legal fees, accounting fees, printing fees and transfer taxes.
- (12) Elimination of ARCT's accumulated other comprehensive income.
- (13) Noncontrolling interest was adjusted to reflect the \$13.0 million of Operating Partnerships Units (OP Units) issued as part of the Merger (316,972 OP units). The OP Units are non-voting ownership units.

Income Statements

General

- (14) Adjustments reflect the effect on Realty Income's and ARCT's historical consolidated statements of operations and shares used in computing earnings per common share as if the ARCT acquisitions

occurred on January 1, 2011. These unaudited pro forma condensed consolidated financial statements include adjustments as if ARCT had consummated its 2011 and 2012 (through September 30th) property acquisitions on January 1, 2011. These adjustments primarily relate to the acquisition of 224 properties in 2011 for \$1.24 billion and 25 properties acquired in the first nine months of 2012 for \$43.2 million.

Revenue**(15) Rental**

- a. The ARCT pro forma reflects rental revenue generated on a straight-line basis as if ARCT had consummated each of its 2011 and 2012 (through September 30th) property acquisitions on January 1, 2011. The ARCT pro forma rental revenue is calculated as follows (in thousands):

	For the nine months ended September 30, 2012	For the year ended December 31, 2011
Cash rental	\$ 127,674	\$ 170,239
Straight-line rent adjustment	5,526	7,368
(Above) and Below market lease amortization, net	(3,220)	(4,300)
 ARCT Pro forma Rental revenue	 \$ 129,980	 \$ 173,307

- b. The pro forma adjustment is the difference between the ARCT pro forma amount and the ARCT historical amount.

- (16) Operating expense reimbursements adjustment represents the additional operating expense reimbursements generated as if ARCT had consummated each of its 2011 and 2012 property acquisitions on January 1, 2011.

Expense

- (17) The pro forma adjustment is the difference between the ARCT pro forma amount and the ARCT historical amount. The pro forma depreciation and amortization expense is based upon the estimated preliminary purchase price allocations and estimated useful lives as follows (in thousands):

	Preliminary Purchase Price Allocation	Estimated Useful Lives (in years)	For the nine months ended September 30, 2012	For the year ended December 31, 2011
Buildings and improvements	\$ 2,005,000	25.0	\$ 60,150	\$ 80,200
In-place lease assets	360,500	12.7	21,290	28,390

Total depreciation and amortization	\$ 81,440	\$ 108,590
-------------------------------------	-----------	------------

F-12

Table of Contents**NOTES TO UNAUDITED PRO FORMA****CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)**

- a. Depreciation for building and improvements was calculated on a straight-line basis, assuming an estimated useful life of 25 years. In-place lease asset amortization was calculated on a straight-line basis, assuming a useful life of 12.7 years. The basis for the estimated useful life of the in-place leases is the weighted average remaining lease term of ARCT's portfolio as of September 30, 2012. The preliminary purchase price allocation and useful lives are estimates which will be revised when the purchase price allocation is completed.

(18) The following is regarding interest expense:
The ARCT Pro Forma column includes the following (in thousands):

	For the nine months ended September 30, 2012	For the year ended December 31, 2011
Interest on mortgages assumed	\$ 20,011	\$ 26,937
Interest on incremental credit facility financing	3,068	10,369
Mortgage premium amortization	(1,875)	(2,500)
Amortization of deferred financing costs	176	234
	\$ 21,380	\$ 35,040

- a. The ARCT Pro Forma interest expense adjustment in the acquisition column is the difference between the ARCT pro forma amount and the ARCT historical amount.
- b. Interest on mortgages assumed in the Merger is based on ARCT's average mortgage interest rates of 5.27% for 2011 and 5.22% for the first nine months of 2012. Of the \$511.1 million of mortgages assumed, only \$4.2 million are subject to variable interest rates. Consequently, a 1% change in interest rates on the assumed mortgages would result in a change to interest expense of approximately \$42,000 for 2011 and \$32,000 for the first nine months of 2012.
- c. Interest expense on incremental credit facility financing is based on the application of the average interest rate of Realty Income's unsecured credit facility of 2.1% from 2011 and 1.6% for the first nine months of 2012, to the increase in credit line borrowings resulting from the merger transaction costs and repayment of ARCT's credit line and notes payable balance, aggregating \$251.8 million. Of the \$251.8 million:
- i. \$202.3 million represents the assumption of ARCT's credit line balance
 - ii. \$24.3 million represents ARCT change of control costs and Merger costs,
 - iii. \$25.2 million represents Realty Income Merger transaction costs,

- d. The mortgage premium amortization reflects the amortization of the \$16.0 million premium amortized over the remaining weighted-average term of the assumed mortgages of approximately 6.4 years. Similarly, the amortization of deferred financing costs adjustment reflects the amortization of the costs associated with assuming ARCT's mortgages over the same time period.

F-13

Table of Contents**NOTES TO UNAUDITED PRO FORMA****CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)**

The Pro Forma Other Adjustments column includes the following (in thousands):

	For the nine months ended September 30, 2012	For the year ended December 31, 2011
Interest on notes payable	\$ 16,219	\$ 21,625
Net savings on credit line financing	(6,579)	(6,825)
Amortization of deferred financing costs	960	1,280
	\$ 10,600	\$ 16,080

- a. Interest on notes payable reflects the interest expense on the \$800 million of notes payable, which bear interest at 2.7%, issued by Realty Income in October 2012 and the reduced interest expense on the assumed pay off of the ARCT notes payable, neither of which are a condition of the Merger. ARCT's notes payable accrued interest at an average effective rate of 2.62% for the nine months ended September 30, 2012. Both the issuance of the notes and the pay off of the notes are assumed to have occurred on January 1, 2011.
- b. Net savings on credit line financing results in a net decrease in interest expense for the nine months ended September 30, 2012 and for 2011. These savings are a result of: (1) the assumed repayment of \$790.7 million on Realty Income's unsecured credit line, using the net proceeds from Realty Income's issuance of \$800 million of notes payable in October 2012, partially offset by (2) the assumed credit facility borrowings to pay off the ARCT's notes payable. Both the credit line repayment and the credit line borrowing are assumed to have occurred on January 1, 2011. A 1% change in interest rates on the \$305.1 million of unsecured credit facility in the Realty Income Pro Forma column would change our interest expense by approximately \$3.1 million for 2011 and \$2.3 million for the first nine months of 2012.
- c. Amortization of deferred financing costs reflects the amortization of the \$9.3 million in costs associated with Realty Income's issuance of \$800 million of notes payable in October 2012.

- (19) We believe that the Merger will create an overall savings in general and administrative expense, such as costs associated with corporate administration and infrastructure. However, the extent of these synergies is not certain, and therefore we have not incorporated them into our pro forma adjustments.
- (20) Property adjustment represents the property expenses as if ARCT had consummated each of its 2011 and 2012 property acquisitions on January 1, 2011. The ARCT pro forma property expense amounts are based on ARCT's property expenses for the third quarter of 2012, annualized for 2011 and multiplied by 3 quarters for the nine months ended September 30, 2012, as these costs are representative of the applicable maintenance, utilities and property taxes on ARCT's properties that would have been incurred had all of these acquired properties been owned on January 1, 2011.

Edgar Filing: American Realty Capital Trust, Inc. - Form DEFM14A

(21) A pro forma adjustment was made for ARCT income taxes based on an estimate of income taxes associated with properties acquired in the Merger.

(22) Other was adjusted to reflect the 2% payments on the \$6.75 million of preferred units issued at Closing.

(23) Our Merger transaction costs of \$5.5 million and ARCT's Merger transaction costs of \$4.9 million have been eliminated, as these represent non-recurring costs that are directly related to the Merger.

Shares used in computing earnings per common share:

(24) Income (loss) from continuing operations was adjusted to allocate the ARCT historical loss to the OP Units.

CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

- (25) Weighted average common shares outstanding – basic, reflects the adjustment from ARCT's historical common shares outstanding to the Realty Income shares issued at Closing. This is calculated by taking the 158.6 million shares of ARCT common stock assumed outstanding at Closing, multiplied by the fixed conversion rate of .2874 ARCT per share, which represents 45.6 million shares of Realty Income common stock.
- (26) ARCT's historical earnings diluted per share calculation excludes the effect of 27,000 stock options and 1.5 million of restricted shares that were outstanding at December 31, 2011, and 27,000 stock options and 0.1 million of restricted shares that were outstanding at September 30, 2012, as the effect of their inclusion would be anti-dilutive.
- (27) Weighted average common shares outstanding – diluted. In addition to the calculation of the basic weighted average common shares outstanding (see note 25), the diluted weighted average common shares outstanding are adjusted to represent the number of OP Units issued and outstanding as part of the Merger transaction, totaling 316,972. These OP units are economically equivalent to Realty Income common stock for purposes of calculating diluted earnings per share.

Funds from operations (FFO) and adjusted funds from operations (AFFO)

NOTES TO UNAUDITED PRO FORMA

CONDENSED CONSOLIDATED FINANCIAL STATEMENTS (CONTINUED)

Pro forma FFO and AFFO are presented for information purposes only, and are based on available information and assumptions that the Company's management believes to be reasonable; however they are not necessarily indicative of what Realty Income's FFO or AFFO actually would have been assuming the transactions had occurred as of the dates indicated.

Realty Income defines FFO, a non-GAAP measure, consistent with the National Association of Real Estate Investment Trust's definition, as net income available to common stockholders, plus depreciation and amortization of real estate assets, plus impairments of real estate assets, reduced by gains on sales of investment properties and extraordinary items. Realty Income defines normalized FFO, a non-GAAP measure, as FFO excluding one-time costs for our proposed acquisition of ARCT, and expenses previously incurred by ARCT that will not have a continuing impact on Realty Income.

Realty Income considers FFO and normalized FFO to be appropriate supplemental measures of a REIT's operating performance as they are based on a net income analysis of property portfolio performance that adds back items such as depreciation and impairments for FFO, and adds back merger-related costs and expenses incurred by ARCT that will not have a continuing impact on Realty Income, for normalized FFO. These non-GAAP measures are reconciled to GAAP net income available to common stockholders, which we believe is the most appropriate GAAP performance metric. The historical accounting convention used for real estate assets requires straight-line depreciation of buildings and improvements, which implies that the value of real estate assets diminishes predictably over time. Since real estate values historically rise and fall with market conditions, presentations of operating results for a REIT, using historical accounting for depreciation, could be less informative. The use of FFO is recommended by the REIT industry as a supplemental performance measure. In addition, FFO is used as a measure of our compliance with the financial covenants of our credit facility.

Realty Income believes the non-GAAP financial measure AFFO provides useful information to investors because it is a widely accepted industry measure of the operating performance of real estate companies that is used by industry analysts and investors who look at and compare those companies. In particular, AFFO provides an additional measure to compare the operating performance of different REITs without having to account for differing depreciation assumptions and other unique revenue and expense items that are not pertinent to measuring a particular company's on-going operating performance. Therefore, we believe that AFFO is an appropriate supplemental performance metric, and that the most appropriate GAAP performance metric to which AFFO should be reconciled is net income available to common stockholders.

Presentation of the information regarding FFO, normalized FFO and AFFO is intended to assist the reader in comparing the operating performance of different REITs, although it should be noted that not all REITs calculate FFO, normalized FFO and AFFO in the same way, so comparisons with other REITs may not be meaningful. Furthermore, FFO, normalized FFO and AFFO are not necessarily indicative of cash flow available to fund cash needs and should not be considered as an alternative to net income as an indication of our performance. FFO, normalized FFO and AFFO should not be considered as an alternative to reviewing our cash flows from operating, investing and financing activities. In addition, FFO, normalized FFO and AFFO should not be considered as a measure of liquidity, of our ability to make cash distributions, or of our ability to pay interest payments.

Section 3.2 Exchange Fund; Exchange Agent.

(a) As soon as practicable following the date of this Agreement and in any event not less than five (5) days prior to dissemination of the Joint Proxy Statement, Parent shall appoint a bank or trust company reasonably satisfactory to the Company to act as exchange agent (the Exchange Agent) for the payment and delivery of the Merger Consideration and the Fractional Share Consideration, as provided in Section 3.1(b) and Section 3.7. On or before the Effective Time, Parent shall deposit, or cause to be deposited, with the Exchange Agent (i) certificates representing the shares of Parent Common Stock sufficient to pay the Merger Consideration and (ii) cash in immediately available funds in an amount sufficient to pay the Fractional Share Consideration and any dividends under Section 3.2(d) (such certificates representing shares of Parent Common Stock and cash amounts, together with any dividends or other distributions with respect thereto, the Exchange Fund), in each case, for the sole benefit of the holders of shares of Company Common Stock. Parent shall cause the Exchange Agent to make, and the Exchange Agent shall make, payments of the Merger Consideration and any amounts payable in respect of dividends or other distributions on shares of Parent Common Stock in accordance with Section 3.2(d) out of the Exchange Fund in accordance with this Agreement, the Articles of Merger and the Certificate of Merger. The Exchange Fund shall not be used for any other purpose. Any and all interest earned on cash deposited in the Exchange Fund shall be paid to the Surviving Entity.

(b) Share Transfer Books. At the Effective Time, the share transfer books of the Company shall be closed, and thereafter there shall be no further registration of transfers of shares of Company Common Stock. From and after the Effective Time, Persons who held shares of Company Common Stock immediately prior to the Effective Time shall cease to have rights with respect to such shares, except as otherwise provided for herein. On or after the Effective Time, any Certificates presented to the Exchange Agent or the Surviving Entity for any reason shall be exchanged for the Merger Consideration with respect to the shares of Company Common Stock formerly represented thereby.

(c) Exchange Procedures.

(i) As promptly as practicable following the Effective Time (but in no event later than two (2) Business Days thereafter), the Surviving Entity shall cause the Exchange Agent to mail (and to make available for collection by hand) to each holder of record of a Certificate (A) a letter of transmittal (a Letter of Transmittal), which shall specify that delivery shall be effected, and risk of loss and title to the Certificates shall pass only upon proper delivery of the Certificates (or affidavits of loss in lieu thereof) to

the Exchange Agent, and which Letter of Transmittal shall be in such form and have such other customary provisions as the Company and Parent may reasonably agree upon, and (B) instructions for use in effecting the surrender of the Certificates in exchange for the Merger Consideration into which the number of shares of Company Common Stock previously represented by such Certificate shall have been converted pursuant to this Agreement, together with any amounts payable in respect of dividends or other distributions on shares of Parent Common Stock in accordance with Section 3.2(d) (which instructions shall provide that, at the election of the surrendering holder, (1) Certificates may be surrendered by hand delivery or otherwise or (2) the Merger Consideration in exchange therefor, together with any amounts payable in respect of dividends or other distributions on shares of Parent Common Stock in accordance with Section 3.2(d), may be collected by check or wire transfer to the surrendering holder).

(ii) Upon surrender of a Certificate (or affidavit of loss in lieu thereof) to the Exchange Agent, together with a Letter of Transmittal duly completed and validly executed in accordance with the instructions thereto, and such other documents as may reasonably be required by the Exchange Agent, the holder of such Certificate shall be entitled to receive in exchange therefor the Merger Consideration for each share of Company Common Stock formerly represented by such Certificate pursuant to the provisions of this Article III plus a check or wire transfer representing the amount of cash such holder is entitled to receive in lieu of fractional shares of Parent Common Stock that such holder has the right to receive pursuant to the provisions of Section 3.1(b) and any amounts that such holder has the right to receive in respect of dividends or other distributions on shares of Parent Common Stock in accordance with Section 3.2(d), to be mailed or delivered by wire transfer, within two (2) Business Days following the later to occur of (A) the Effective Time or (B) the Exchange Agent's receipt of such Certificate (or affidavit of loss in lieu thereof), and the Certificate (or affidavit of loss in lieu thereof) so surrendered shall be forthwith cancelled. The Exchange Agent shall accept such Certificates (or affidavits of loss in lieu thereof) upon compliance with such reasonable terms and conditions as the Exchange Agent may impose to effect an orderly exchange thereof in accordance with customary exchange practices. Until surrendered as contemplated by this Section 3.2, each Certificate shall be deemed, at any time after the Effective Time, to represent only the right to receive, upon such surrender, the Merger Consideration as contemplated by this Article III. No interest shall be paid or accrued for the benefit of holders of the Certificates on the Merger Consideration payable upon the surrender of the Certificates.

(iii) As promptly as practicable following the Effective Time (but in no event later than two (2) Business Days thereafter), the Surviving Entity shall cause the Exchange Agent (A) to issue to each holder of Book-Entry Shares that number of uncertificated shares of Parent Common Stock that such holder is entitled to receive pursuant to Section 3.1(b) in respect of such Book-Entry Shares, and (B) to issue and deliver to each holder of Book-Entry Shares a check or wire transfer for any amounts payable in respect of dividends or other distributions on shares of Parent Common Stock in accordance with Section 3.2(d) and any other amount such holder is entitled to receive in lieu of fractional shares of Parent Common Stock that such holder has the right to receive pursuant to the provisions of Section 3.1(b), in each case without such holder being required to deliver a Certificate or an executed Letter of Transmittal to the Exchange Agent, and such Book-Entry Shares shall then be canceled. No interest shall be paid or accrued for the benefit of holders of Book-Entry Shares on the Merger Consideration payable in respect of the Book-Entry Shares.

(iv) In the event of a transfer of ownership of shares of Company Common Stock that is not registered in the transfer records of the Company, it shall be a condition of payment that any Certificate surrendered in accordance with the procedures set forth in this Section 3.2(c) shall be properly endorsed or shall be otherwise in proper form for transfer, or any Book-Entry Share shall be properly transferred, and that the Person requesting such payment shall have paid any transfer Taxes and other Taxes required by reason of the payment of the Merger Consideration to a Person other than the registered holder of the Certificate or Book-Entry Share surrendered or shall have established to the reasonable satisfaction of Parent that such Tax either has been paid or is not applicable.

(d) Dividends with Respect to Parent Common Stock. No dividends or other distributions with respect to Parent Common Stock with a record date after the Effective Time shall be paid to the holder of any unsurrendered Certificate with respect to the shares of Parent Common Stock issuable hereunder, and all such dividends and other distributions shall be paid by Parent to the Exchange Agent and shall be included in the Exchange Fund, in each case until the surrender of such Certificate (or affidavit of loss in lieu thereof) in accordance with this Agreement. Subject to applicable Laws, following surrender of any such Certificate (or affidavit of loss in lieu thereof) there shall be paid to the holder thereof, without interest, (i) the amount of dividends or other distributions with a record date after the Effective Time theretofore paid with respect to such shares of Parent Common Stock to which such holder is entitled pursuant to this Agreement and (ii) at the appropriate payment date, the amount of dividends or other distributions with a record date after the Effective Time but prior to such surrender and with a payment date subsequent to such surrender payable with respect to such shares of Parent Common Stock.

(e) Termination of Exchange Fund. Any portion of the Exchange Fund (including any interest and other income received with respect thereto) which remains undistributed to the former holders of shares of Company Common Stock on the first (1st) anniversary of the Effective Time shall be delivered to Parent, upon demand, and any former holders of shares of Company Common Stock who have not theretofore received any Merger Consideration (including any cash in lieu of fractional shares and any applicable dividends or other distributions with respect to Parent Common Stock) to which they are entitled under this Article III shall thereafter look only to Parent and the Surviving Entity for payment of their claims with respect thereto.

(f) No Liability. None of Parent, Merger Sub, the Company, the Surviving Entity or the Exchange Agent, or any employee, officer, director, agent or Affiliate of any of them, shall be liable to any holder of shares of Company Common Stock in respect of any part of the Merger Consideration delivered to a public official pursuant to any applicable abandoned property, escheat or similar Law. Any amounts remaining unclaimed by holders of any such shares immediately prior to the time at which such amounts would otherwise escheat to, or become property of, any Governmental Authority shall, to the extent permitted by applicable Law, become the property of the Surviving Entity, free and clear of any claims or interest of any such holders or their successors, assigns or personal representatives previously entitled thereto.

Section 3.3 Equity Awards.

(a) Company Options. At the Effective Time, each then outstanding Company Option, whether or not exercisable at the Effective Time, shall, by virtue of the transactions contemplated by this Agreement and without any action on the part of the holders thereof, be deemed subject to a cashless exercise and the holder of each Company Option shall be deemed to receive by virtue of such deemed cashless exercise a number of shares of Company Common Stock equal to (i) the number of shares of Company Common Stock subject to each Company Option, less (ii) the number of shares of Company Common Stock equal in value to the aggregate exercise price of each Company Option, assuming a fair market value of a share of Company Common Stock equal to the closing price of the Company Common Stock on the last completed trading day immediately prior to the Closing. Immediately following such deemed cashless exercise, the net number of shares of Company Common Stock deemed issued in connection with the deemed cashless exercise of each Company Option hereunder shall be converted into the right of the holder of the corresponding Company Option to receive the Merger Consideration payable with respect to the Company Common Stock in accordance with Section 3.1(b) of this Agreement.

(b) Company Restricted Stock. Immediately prior to the Effective Time, any then-outstanding shares of Company Restricted Stock shall become fully vested and the Company shall be entitled to deduct and withhold such number of shares of Company Common Stock otherwise deliverable upon such acceleration to satisfy any applicable income and employment withholding Taxes (assuming a fair market value of a share of Company Common Stock equal to the closing price of the Company Common Stock on the last completed trading day

immediately prior to the Closing). All shares of Company Common Stock then-outstanding as a result of the full vesting of the shares of Company Restricted Stock and the satisfaction of any applicable income and employment withholding Taxes shall have the right to receive the Merger Consideration in accordance with the terms and conditions of this Agreement.

(c) Notwithstanding anything to the contrary contained herein, prior to the Effective Time, the Company shall take all actions necessary to effectuate the provisions of this Section 3.3.

Section 3.4 Withholding Rights. Parent, the Surviving Entity or the Exchange Agent, as applicable, shall be entitled to deduct and withhold from the Merger Consideration and any amounts otherwise payable pursuant to this Agreement to any holder of shares of Company Common Stock such amounts as Parent, the Surviving Entity or the Exchange Agent is required to deduct and withhold with respect to the making of such payment under the Code, and the rules and regulations promulgated thereunder, or any provision of applicable Tax Law. To the extent that amounts are so deducted or withheld and paid over to the appropriate Governmental Authority by Parent, the Surviving Entity or the Exchange Agent, as applicable, such withheld amounts shall be treated for all purposes of this Agreement as having been paid to the Person in respect of which such deduction and withholding was made by Parent, the Surviving Entity or the Exchange Agent, as applicable.

Section 3.5 Lost Certificates. If any Certificate shall have been lost, stolen or destroyed, then upon the making of an affidavit of that fact by the Person claiming such Certificate to be lost, stolen or destroyed and, if required by the Surviving Entity, the posting by such Person of a bond in such reasonable amount as the Surviving Entity may direct, as indemnity against any claim that may be made against it with respect to such Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Certificate the Merger Consideration to which the holder thereof is entitled pursuant to this Article III.

Section 3.6 Dissenters' Rights. No dissenters' or appraisal rights shall be available with respect to the Merger or the other transactions contemplated by this Agreement.

Section 3.7 Fractional Shares. No certificate or scrip representing fractional shares of Parent Common Stock shall be issued upon the surrender for exchange of Certificates or with respect to Book-Entry Shares, and such fractional share interests shall not entitle the owner thereof to vote or to any other rights of a stockholder of Parent. Notwithstanding any other provision of this Agreement, each holder of shares of Company Common Stock converted pursuant to the Merger who would otherwise have been entitled to receive a fraction of a share of Parent Common Stock shall receive, in lieu thereof, cash, without interest, in an amount equal to such fractional part of a share of Parent Common Stock multiplied by the VWAP of Parent Common Stock.

Section 3.8 LTIP Units. Parent and the Company acknowledge that at the Effective Time all outstanding LTIP Units shall be fully vested and that the capital accounts of the holders of such LTIP Units shall be adjusted as provided in clause (iii) of Section 6.20 hereof.

(i) amend or propose to amend the Parent Charter or Parent Bylaws (or such equivalent organizational or governing documents of any Parent Subsidiary material to Parent and the Parent Subsidiaries, considered as a whole, if such amendment would be adverse to Parent or the Company);

(ii) split, combine, reclassify or subdivide any shares of stock or other equity securities or ownership interests of Parent, Merger Sub or any other Parent Subsidiary;

(iii) except (A) for transactions among Parent and one or more wholly owned Parent Subsidiaries or among one or more wholly owned Parent Subsidiaries, (B) in the ordinary course of business consistent with past practice and (C) for issuances of Parent Common Stock equal to up to 20% of the outstanding Parent Common Stock as of the date hereof, issue, sell, pledge, dispose, encumber or grant any shares of Parent's or any of Parents Subsidiaries' capital stock, or any options, warrants, convertible securities or other rights of any kind to acquire any shares of Parent's or any of Parent Subsidiaries' capital stock or other equity interests, provided, however, that Parent may issue shares of Parent Common Stock pursuant to the Parent Benefit Plans to the extent required under the terms of such Parent Benefit Plans as in effect as of the date of this Agreement;

(iv) acquire or agree to acquire (including by merger, consolidation or acquisition of stock or assets) any real property, corporation, partnership, limited liability company, other business organization or any division or material amount of assets thereof, if such transaction would reasonably be expected to prevent or materially delay the consummation of the Merger or the other transactions contemplated by this Agreement;

(v) take any action that could, or fail to take any action, the failure of which could, reasonably be expected to cause (A) Parent to fail to qualify as a REIT, (B) any Parent Subsidiary to cease to be treated as any of (1) a partnership or disregarded entity for federal income tax purposes or (2) a Qualified REIT Subsidiary, a Taxable REIT Subsidiary or a REIT under the applicable provisions of Section 856 of the Code, as the case may be or (C) Merger Sub to be treated as other than an entity disregarded from Parent for federal income tax purposes;

(vi) make any material change to its methods of accounting in effect as of the date hereof, except as required by a change in GAAP (or any interpretation thereof) or in applicable Law, or make any change, other than in the ordinary course of business consistent with past practice, with respect to accounting policies, unless required by GAAP or the SEC;

(vii) adopt a complete or partial liquidation or a dissolution, consolidation, recapitalization or bankruptcy reorganization if such transaction would reasonably be expected to prevent or materially delay the consummation of the Merger or the other transactions contemplated by this Agreement; or

(viii) authorize, or enter into any contract, agreement, commitment or arrangement to do any of the foregoing.

(d) Notwithstanding anything to the contrary set forth in this Agreement, nothing in this Agreement shall prohibit Parent from taking any action, at any time or from time to time, that in the reasonable judgment of the Parent Board, upon advice of counsel to Parent, is reasonably necessary for Parent to continue to maintain its qualification as a REIT under the Code for any period or portion thereof ending on or prior to the Effective Time, including making dividend or other distribution payments to stockholders of Parent in accordance with this Agreement or otherwise.

Section 6.3 Preparation of Form S-4 and Joint Proxy Statement; Stockholder Meetings.

(a) As promptly as reasonably practicable following the date of this Agreement, (i) the Company and Parent shall jointly prepare and cause to be filed with the SEC the Joint Proxy Statement in preliminary form, and (ii) Parent shall prepare and cause to be filed with the SEC, the Form S-4, which will include the Joint Proxy Statement as a prospectus. Each of the Company and Parent shall use its reasonable best efforts to (x) have the Form S-4 declared effective under the Securities Act as promptly as practicable after such filing, (y) ensure that the Form S-4 complies in all material respects with the applicable provisions of the Exchange Act or Securities Act, and (z) keep the Form S-4 effective for so long as necessary to complete the Merger. Each of the Company and Parent shall furnish all information concerning itself, its Affiliates and the holders of its capital stock to the other and provide such other assistance as may be reasonably requested in connection with the preparation, filing and distribution of the Form S-4 and Joint Proxy Statement. The Form S-4 and Joint Proxy Statement shall include all information reasonably requested by such other party to be included therein. Each of the Company and Parent shall promptly notify the other upon the receipt of any comments from the SEC or any request from the SEC for amendments or supplements to the Form S-4 or Joint Proxy Statement, and shall, as promptly as practicable after receipt thereof, provide the other with copies of all correspondence between it and its Representatives, on one hand, and the SEC, on the other hand, and all written comments with respect to the Joint Proxy Statement or the Form S-4 received from the SEC and advise the other party or any oral comments with respect to the Joint Proxy Statement or the Form S-4 received from the SEC. Each of the Company and Parent shall use its reasonable best efforts to respond as promptly as practicable to any comments from the SEC with respect to the Joint Proxy Statement, and Parent shall use its reasonable best efforts to respond as promptly as practicable to any comment from the SEC with respect to the Form S-4. Notwithstanding the foregoing, prior to filing the Form S-4 (or any amendment or supplement thereto) or mailing the Joint Proxy Statement (or any amendment or supplement thereto) or responding to any comments of the SEC with respect thereto, each of the Company and Parent shall cooperate and provide the other a reasonable opportunity to review and comment on such document or response (including the proposed final version of such document or response). Parent shall advise the Company, promptly after it receives notice thereof, of the time of effectiveness of the Form S-4, the issuance of any stop order relating thereto or the suspension of the qualification of the Parent Common Stock issuable in connection with the Merger for offering or sale in any jurisdiction, and Parent and the Company shall use their reasonable best efforts to have any such stop order or suspension lifted, reversed or otherwise terminated. Parent shall also take any other action required to be taken under the Securities Act, the Exchange Act, any applicable foreign or state securities or blue sky Laws and the rules and regulations thereunder in connection with the issuance of the Parent Common Stock in the Merger, and the Company shall furnish all information concerning the Company and the holders of the Company Common Stock as may be reasonably requested in connection with any such actions.

(b) If, at any time prior to the receipt of the Company Stockholder Approval or the Parent Stockholder Approval, any information relating to the Company or Parent, or any of their respective Affiliates, should be

discovered by the Company or Parent which, in the reasonable judgment of the Company or Parent, should be set forth in an amendment of, or a supplement to, any of the Form S-4 or the Joint Proxy Statement, so that any of such documents would not include any misstatement of a material fact or omit to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, the party which discovers such information shall promptly notify the other parties hereto, and the Company and Parent shall cooperate in the prompt filing with the SEC of any necessary amendment of, or supplement to, the Joint Proxy Statement or the Form S-4 and, to the extent required by Law, in disseminating the information contained in such amendment or supplement to stockholders of the Company and the stockholders of Parent. Nothing in this Section 6.3(b) shall limit the obligations of any party under Section 6.3(a). For purposes of Section 4.8, Section 5.8 and this Section 6.3, any information concerning or related to the Company, its Affiliates or the Company Stockholder Meeting will be deemed to have been provided by the Company, and any information concerning or related to Parent, its Affiliates or the Parent Stockholder Meeting will be deemed to have been provided by Parent.

(c) As promptly as practicable following the date of this Agreement, the Company shall, in accordance with applicable Law and the Company Charter and Company Bylaws, establish a record date for, duly call, give notice of, convene and hold the Company Stockholder Meeting. The Company shall use its reasonable best efforts to cause the Joint Proxy Statement to be mailed to the stockholders of the Company entitled to vote at the Company Stockholder Meeting and to hold the Company Stockholder Meeting as soon as practicable after the Form S-4 is declared effective under the Securities Act. The Company shall, through the Company Board, recommend to its stockholders that they give the Company Stockholder Approval, include such recommendation in the Joint Proxy Statement and solicit and use its reasonable best efforts to obtain the Company Stockholder Approval, except to the extent that the Company Board shall have made an Adverse Recommendation Change as permitted by Section 6.5(d). Notwithstanding the foregoing provisions of this Section 6.3(c), if, on a date for which the Company Stockholder Meeting is scheduled, the Company has not received proxies representing a sufficient number of shares of Company Common Stock to obtain the Company Stockholder Approval, whether or not a quorum is present, the Company shall have the right to make one or more successive postponements or adjournments of the Company Stockholder Meeting; provided that the Company Stockholder Meeting is not postponed or adjourned to a date that is more than thirty (30) days after the date for which the Company Stockholder Meeting was originally scheduled (excluding any adjournments or postponements required by applicable Law).

(d) As promptly as practicable following the date of this Agreement, Parent shall, in accordance with applicable Law and the Parent Charter and Parent Bylaws, establish a record date for, duly call, give notice of, convene and hold the Parent Stockholder Meeting. Parent shall use its reasonable best efforts to cause the Joint Proxy Statement to be mailed to the stockholders of Parent entitled to vote at the Parent Stockholder Meeting and to hold the Parent Stockholder Meeting as soon as practicable after the Form S-4 is declared effective under the Securities Act. Parent shall, through the Parent Board, recommend to its stockholders that they give the Parent Stockholder Approval, include such recommendation in the Joint Proxy Statement, and solicit and use its reasonable best efforts to obtain the Parent Stockholder Approval. Notwithstanding the foregoing provisions of this Section 6.3(d), if, on a date for which the Parent Stockholder Meeting is scheduled, Parent has not received proxies representing a sufficient number of shares of Parent Common Stock to obtain the Parent Stockholder Approval, whether or not a quorum is present, Parent shall have the right to make one or more successive postponements or adjournments of the Parent Stockholder Meeting; provided that the Parent Stockholder Meeting is not postponed or adjourned to a date that is more than thirty (30) days after the date for which the Parent Stockholder Meeting was originally scheduled (excluding any adjournments or postponements required by applicable Law). Nothing contained in this Agreement shall be deemed to relieve Parent of its obligation to submit the Merger to its stockholders for a vote on the approval thereof.

(e) The Company and Parent will use their respective reasonable best efforts to hold the Company Stockholder Meeting and the Parent Stockholder Meeting on the same date and as soon as reasonably practicable after the date of this Agreement.

Section 6.4 Access to Information; Confidentiality.

(a) During the Interim Period, to the extent permitted by applicable Law and contracts, and subject to the reasonable restrictions imposed from time to time upon advice of counsel, each of the Company and Parent shall, and shall cause each of the Parent Subsidiaries and the Company Subsidiaries, respectively, to, afford to the other party and to the Representatives of such other party reasonable access during normal business hours and upon reasonable advance notice to all of their respective properties, offices, books, contracts, commitments, personnel and records and, during such period, each of the Company and Parent shall, and shall cause each of the Company Subsidiaries and the Parent Subsidiaries, respectively, to, furnish reasonably promptly to the other party (i) a copy of each report, schedule, registration statement and other document filed by it during such period pursuant to the requirements of federal or state securities Laws, and (ii) all other information (financial or otherwise) concerning its business, properties and personnel as such other party may reasonably request. Notwithstanding the foregoing, neither the Company nor Parent shall be required by this Section 6.4 to provide the other party or the Representatives of such other party with access to or to disclose information (x) that is subject to the terms of a confidentiality agreement with a third party entered into prior to the date of this Agreement or entered into after the date of this Agreement in the ordinary course of business consistent with past practice (provided, however, that the withholding party shall use its reasonable best efforts to obtain the required consent of such third party to such access or disclosure), (y) the disclosure of which would violate any Law or fiduciary duty (provided, however, that the withholding party shall use its reasonable best efforts to make appropriate substitute arrangements to permit reasonable disclosure not in violation of any Law or fiduciary duty) or (z) that is subject to any attorney-client, attorney work product or other legal privilege (provided, however, that the withholding party shall use its reasonable best efforts to allow for such access or disclosure to the maximum extent that does not result in a loss of any such attorney-client, attorney work product or other legal privilege). Each of the Company and Parent will use its reasonable best efforts to minimize any disruption to the businesses of the other party that may result from the requests for access, data and information hereunder. Prior to the Effective Time, each of Parent and Merger Sub shall not, and shall cause their respective Representatives and Affiliates not to, contact or otherwise communicate with the employees of the Company or any Company Subsidiary (other than those employees set forth on Section 6.4(a) of the Company Disclosure Letter) or other parties with which the Company or any Company Subsidiary has a business relationship regarding the business of the Company and the Company Subsidiaries or this Agreement and the transactions contemplated hereby without the prior written consent of the Company.

(b) Each of the Company and Parent will hold, and will cause its Representatives and Affiliates to hold, any nonpublic information, including any information exchanged pursuant to this Section 6.4, in confidence to the extent required by and in accordance with, and will otherwise comply with, the terms of the Confidentiality Agreements.

(c) Each of the Company and Parent agree to give prompt written notice to the other upon becoming aware of the occurrence or impending occurrence of any event or circumstance relating to it or any of the Company Subsidiaries or the Parent Subsidiaries, respectively, which could reasonably be expected to have, individually or in the aggregate, a Company Material Adverse Effect or a Parent Material Adverse Effect, as the case may be.

Section 6.5 Company Acquisition Proposals.

(a) Subject to the other provisions of this Section 6.5, during the Interim Period, the Company agrees that it shall not, and shall cause each of the Company Subsidiaries not to, and shall not authorize and shall use reasonable best efforts to cause its and their officers and directors, managers or equivalent, and other Representatives not to, directly or indirectly through another Person, (i) solicit, initiate, knowingly encourage or facilitate any inquiry, discussion, offer or request that constitutes, or could reasonably be expected to lead to, a Company Acquisition Proposal (an Inquiry), (ii) engage in any discussions or negotiations regarding, or furnish to any Third Party any non-public information in connection with, or knowingly facilitate in any way any effort by, any Third Party in furtherance of any Company Acquisition Proposal or Inquiry, (iii) approve or

recommend a Company Acquisition Proposal, or enter into any letter of intent, memorandum of understanding, agreement in principle, acquisition agreement, merger agreement, share purchase agreement, asset purchase agreement, share exchange agreement, option agreement or other similar definitive agreement (other than an Acceptable Confidentiality Agreement entered into in accordance with this Section 6.5) providing for or relating to a Company Acquisition Proposal (an Alternative Acquisition Agreement), or (iv) propose or agree to do any of the foregoing.

(b) Notwithstanding anything to the contrary in this Section 6.5, at any time prior to obtaining the Company Stockholder Approval, the Company may, directly or indirectly through any Representative, in response to an unsolicited *bona fide* written Company Acquisition Proposal by a Third Party made after the date of this Agreement (that did not result from a breach of this Section 6.5) (i) furnish non-public information to such Third Party (and such Third Party's Representatives) making a Company Acquisition Proposal (provided, however, that (A) prior to so furnishing such information, the Company receives from the Third Party an executed Acceptable Confidentiality Agreement, and (B) any non-public information concerning the Company or the Company Subsidiaries that is provided to such Third Party shall, to the extent not previously provided to Parent or Merger Sub, be provided to Parent or Merger Sub prior to or substantially at the same time that such information is provided to such Third Party), and (ii) engage in discussions or negotiations with such Third Party (and such Third Party's Representatives) with respect to the Company Acquisition Proposal if, in the case of each of clauses (i) and (ii): (x) the Company Board determines in good faith, after consultation with outside legal counsel and financial advisors, that such Company Acquisition Proposal constitutes, or is reasonably likely to result in, a Superior Proposal, and (y) the Company Board determines in good faith, after consultation with outside legal counsel, that failure to take such action would be inconsistent with the directors' duties under applicable Law; provided, however, that in each of the foregoing clauses (i) and (ii), such Company Acquisition Proposal was not solicited in violation of Section 6.5.

(c) The Company shall notify Parent promptly (but in no event later than 24 hours) after receipt of any Company Acquisition Proposal or any request for nonpublic information relating to the Company or any Company Subsidiary by any Third Party, or any Inquiry from any Person seeking to have discussions or negotiations with the Company relating to a possible Company Acquisition Proposal. Such notice shall be made orally and confirmed in writing, and shall indicate the identity of the Third Party making the Company Acquisition Proposal, request or Inquiry and the material terms and conditions of any Company Acquisition Proposals, Inquiries, proposals or offers (including a copy thereof if in writing and any related documentation or correspondence). The Company shall also promptly, and in any event within 24 hours, notify Parent orally and in writing, if it enters into discussions or negotiations concerning any Company Acquisition Proposal or provides nonpublic information or data to any Person in accordance with this Section 6.5(c) and keep Parent informed of the status and material terms of any such proposals, offers, discussions or negotiations on a current basis, including by providing a copy of all material documentation or material correspondence relating thereto.

(d) Except as permitted by this Section 6.5(d), neither the Company Board nor any committee thereof shall (i) withhold, withdraw, modify or qualify (or publicly propose to withhold, withdraw, modify or qualify), in a manner adverse to Parent or Merger Sub, the Company Recommendation, (ii) approve, adopt or recommend (or publicly propose to approve, adopt or recommend) any Company Acquisition Proposal, (iii) fail to include the Company Recommendation in the Joint Proxy Statement or any Schedule 14D-9, as applicable, (iv) fail to publicly recommend against any Company Acquisition Proposal within ten (10) Business Days of the request of Parent and/or reaffirm the Company Recommendation within ten (10) Business Days of the request of Parent (any of the actions described in clauses (i), (ii), (iii) and (iv) of this Section 6.5(d), an Adverse Recommendation Change), or (v) approve, adopt, declare advisable or recommend (or agree to, resolve or propose to approve, adopt, declare advisable or recommend), or cause or permit the Company to enter into, any Alternative Acquisition Agreement (other than an Acceptable Confidentiality Agreement entered into in accordance with this Section 6.5). Notwithstanding anything to the contrary set forth in this Agreement, at any time prior to obtaining the Company Stockholder Approval, the Company Board shall be permitted to effect an Adverse

Recommendation Change if the Company Board (x) has received an unsolicited *bona fide* Company Acquisition Proposal (that did not result from a breach of this Section 6.5) that, in the good faith determination of the Company Board, after consultation with outside legal counsel and financial advisors, constitutes a Superior Proposal, after having complied with, and giving effect to all of the adjustments which may be offered by Parent and Merger Sub pursuant to Section 6.5(e), and such Company Acquisition Proposal is not withdrawn, and (y) determines in good faith, after consultation with outside legal counsel, that failure to take such action would be inconsistent with the directors' duties under applicable Law, and in such case the Company may (i) terminate this Agreement pursuant to Section 8.1(c)(ii), (ii) make an Adverse Recommendation Change and/or (iii) approve or recommend such Superior Proposal to the Company's stockholders and, in the case of a termination, the Company may immediately prior to or concurrently with such termination of this Agreement, enter into an Alternative Acquisition Agreement with respect to such Superior Proposal (provided, that in the event of any such termination, the Company complies with its obligation to pay the Termination Payment pursuant to Section 8.3(a)).

(e) The Company Board shall not be entitled to effect an Adverse Recommendation Change pursuant to Section 6.5(d) unless (i) the Company has provided a written notice (a Notice of Superior Proposal) to Parent and Merger Sub that the Company intends to take such action, specifying in reasonable detail the reasons therefor and describing the material terms and conditions of, and attaching a complete copy of, the Superior Proposal that is the basis of such action (it being understood that such material terms shall include the identity of the Third Party), (ii) during the five (5) Business Day period following Parent's and Merger Sub's receipt of the Notice of Superior Proposal, the Company shall, and shall cause its Representatives to, negotiate with Parent and Merger Sub in good faith (to the extent Parent and Merger Sub desire to negotiate) to make such adjustments in the terms and conditions of this Agreement so that such Superior Proposal ceases to constitute a Superior Proposal, and (iii) following the end of the five (5) Business Day period, the Company Board shall have determined in good faith, after consultation with outside legal counsel and financial advisors, taking into account any changes to this Agreement proposed in writing by Parent and Merger Sub in response to the Notice of Superior Proposal or otherwise, that the Superior Proposal giving rise to the Notice of Superior Proposal continues to constitute a Superior Proposal and, after consultation with outside legal counsel, that failure to take such action would be inconsistent with the directors' duties under applicable Law. Any amendment to the financial terms or any other material amendment of such Superior Proposal shall require a new Notice of Superior Proposal, and the Company shall be required to comply again with the requirements of this Section 6.5(e); provided, however, that references to the five (5) Business Day period above shall then be deemed to be references to a three (3) Business Day period.

(f) Nothing contained in this Section 6.5 or elsewhere in this Agreement shall prohibit the Company or the Company Board, directly or indirectly through its Representatives, from disclosing to the Company's stockholders a position contemplated by Rule 14e-2(a) or Rule 14d-9 promulgated under the Exchange Act or making any disclosure to its stockholders if the Company Board has determined, after consultation with outside legal counsel, that the failure to do so would be inconsistent with applicable Law; provided, however, that any disclosure other than a stop, look and listen or similar communication of the type contemplated by Rule 14d-9(f) promulgated under the Exchange Act, an express rejection of any applicable Company Acquisition Proposal or an express reaffirmation of the Company Recommendation to the Company's stockholders in favor of the Merger shall be deemed to be an Adverse Recommendation Change.

(g) The Company shall, and shall cause each of the Company Subsidiaries, and its and their officers and directors, managers or equivalent, and other Representatives to (i) immediately cease any existing discussions, negotiations or communications with any Person conducted heretofore with respect to any Company Acquisition Proposal and (ii) take such action as is necessary to enforce any confidentiality provisions or provisions of similar effect to which the Company or any of the Company Subsidiaries is a party or of which the Company or any of the Company Subsidiaries is a beneficiary. The Company shall use all reasonable efforts to cause all Third Parties who have been furnished confidential information regarding the Company in connection

with the solicitation of or discussions regarding a Company Acquisition Proposal within the six (6) months prior to the date of this Agreement to promptly return or destroy such information (to the extent that the Company is entitled to have such information returned or destroyed).

(h) For purposes of this Agreement:

(i) Company Acquisition Proposal shall mean any proposal or offer for (or expression by a Third Party that it is considering or may engage in), whether in one transaction or a series of related transactions, (i) any merger, consolidation, share exchange, business combination or similar transaction involving the Company or any of the Company Subsidiaries, (ii) any sale, lease, exchange, mortgage, pledge, license, transfer or other disposition, directly or indirectly, by merger, consolidation, sale of equity interests, share exchange, joint venture, business combination or otherwise, of any assets of the Company or any Company Subsidiary representing twenty percent (20%) or more of the consolidated assets of the Company and the Company Subsidiaries, taken as a whole as determined on a book-value basis, (iii) any issue, sale or other disposition of (including by way of merger, consolidation, joint venture, business combination, share exchange or any similar transaction) securities (or options, rights or warrants to purchase, or securities convertible into, such securities) representing twenty percent (20%) or more of the voting power of the Company, (iv) any tender offer or exchange offer in which any Person or group (as such term is defined in Rule 13d-3 promulgated under the Exchange Act) shall seek to acquire beneficial ownership (as such term is defined in Rule 13d-3 promulgated under the Exchange Act), or the right to acquire beneficial ownership, of twenty percent (20%) or more of the outstanding shares of any class of voting securities of the Company, or (v) any recapitalization, restructuring, liquidation, dissolution or other similar type of transaction with respect to the Company in which a Third Party shall acquire beneficial ownership of twenty percent (20%) or more of the outstanding shares of any class of voting securities of the Company; provided, however, that the term Company Acquisition Proposal shall not include the Merger or the other transactions contemplated by this Agreement.

(ii) Superior Proposal shall mean a *bona fide* written Company Acquisition Proposal (except that, for purposes of this definition, the references in the definition of Company Acquisition Proposal to twenty percent (20%) shall be replaced by fifty percent (50%)) made by a Third Party on terms that the Company Board determines in good faith, after consultation with the Company's outside legal counsel and financial advisors, taking into account all financial, legal, regulatory and any other aspects of the transaction described in such proposal, including the identity of the Person making such proposal, any break-up fees, expense reimbursement provisions and conditions to consummation, as well as any changes to the financial terms of this Agreement proposed by Parent and Merger Sub in response to such proposal or otherwise, to be (A) more favorable to the Company and the Company's stockholders (solely in their capacity as such) from a financial point of view than the transactions contemplated by this Agreement and (B) reasonably likely to receive all required governmental approvals on a timely basis and otherwise reasonably capable of being completed on the terms proposed.

Section 6.6 Appropriate Action; Consents; Filings.

(a) Upon the terms and subject to the conditions set forth in this Agreement, each of the Company and Parent shall and shall cause the Company Subsidiaries and the Parent Subsidiaries, respectively, to use its reasonable best efforts to take, or cause to be taken, all actions, and to do, or cause to be done, and to assist and cooperate with the other party in doing, all things necessary, proper or advisable under applicable Law or pursuant to any contract or agreement to consummate and make effective, as promptly as practicable, the Merger and the other transactions contemplated by this Agreement, including (i) the taking of all actions necessary to cause the conditions to Closing set forth in Article VII to be satisfied, (ii) the obtaining of all necessary actions or nonactions, waivers, consents and approvals from Governmental Authorities or other Persons necessary in connection with the consummation of the Merger and the other transactions contemplated by this Agreement and

the making of all necessary registrations and filings (including filings with Governmental Authorities, if any) and the taking of all reasonable steps as may be necessary to obtain an approval or waiver from, or to avoid an action or proceeding by, any Governmental Authority or other Persons necessary in connection with the consummation of the Merger and the other transactions contemplated by this Agreement, (iii) the defending of any lawsuits or other legal proceedings, whether judicial or administrative, challenging this Agreement or the consummation of the Merger or the other transactions contemplated by this Agreement, including seeking to have any stay or temporary restraining order entered by any court or other Governmental Authority vacated or reversed, the avoidance of each and every impediment under any antitrust, merger control, competition or trade regulation Law that may be asserted by any Governmental Authority with respect to the Merger so as to enable the Closing to occur as soon as reasonably possible, and (iv) the execution and delivery of any additional instruments necessary to consummate the Merger and the other transactions contemplated by this Agreement and to fully carry out the purposes of this Agreement.

(b) In connection with and without limiting the foregoing, each of Parent and the Company shall give (or shall cause the Parent Subsidiaries or the Company Subsidiaries, respectively, to give) any notices to Third Parties, and each of Parent and the Company shall use, and cause each of their respective Affiliates to use, its reasonable best efforts to obtain any Third Party consents not covered by Section 6.6(a) that are necessary, proper or advisable to consummate the Merger. Each of the parties hereto will furnish to the other such necessary information and reasonable assistance as the other may request in connection with the preparation of any required governmental filings or submissions and will cooperate in responding to any inquiry from a Governmental Authority, including promptly informing the other party of such inquiry, consulting in advance before making any presentations or submissions to a Governmental Authority, and supplying each other with copies of all material correspondence, filings or communications between either party and any Governmental Authority with respect to this Agreement. To the extent reasonably practicable, the parties or their Representatives shall have the right to review in advance and each of the parties will consult the others on, all the information relating to the other and each of their Affiliates that appears in any filing made with, or written materials submitted to, any Governmental Authority in connection with the Merger and the other transactions contemplated by this Agreement, except that confidential competitively sensitive business information may be redacted from such exchanges. To the extent reasonably practicable, neither the Company nor Parent shall, nor shall they permit their respective Representatives to, participate independently in any meeting or engage in any substantive conversation with any Governmental Authority in respect of any filing, investigation or other inquiry without giving the other party prior notice of such meeting or conversation and, to the extent permitted by applicable Law, without giving the other party the opportunity to attend or participate (whether by telephone or in person) in any such meeting with such Governmental Authority. Notwithstanding the foregoing, obtaining any approval or consent from any third party pursuant to this Section 6.6(b) shall not be a condition to the obligations of Parent and Merger Sub to consummate the Merger.

(c) Notwithstanding anything to the contrary in this Agreement, in connection with obtaining any approval or consent from any Person (other than any Governmental Authority) with respect to the Merger, none of the Company, Parent, any of the Company Subsidiaries, any of the Parent Subsidiaries or any of the their respective Representatives, shall be obligated to pay or commit to pay to such Person whose approval or consent is being solicited any cash or other consideration, make any accommodation or commitment or incur any liability or other obligation to such Person. The parties shall cooperate with respect to accommodations that may be requested or appropriate to obtain such consents.

Section 6.7 Notification of Certain Matters; Transaction Litigation.

(a) The Company shall give prompt notice to Parent, and Parent shall give prompt notice to the Company, of any notice or other communication received by such party from any Governmental Authority in connection with this Agreement, the Merger or the other transactions contemplated by this Agreement, or from any Person alleging that the consent of such Person is or may be required in connection with the Merger or the other transactions contemplated by this Agreement.

(b) The Company shall give prompt notice to Parent, and Parent shall give prompt notice to the Company, if (i) any representation or warranty made by it contained in this Agreement becomes untrue or inaccurate such that the applicable closing conditions would reasonably expected to be incapable of being satisfied by the Outside Date or (ii) it fails to comply with or satisfy in any material respect any covenant, condition or agreement to be complied with or satisfied by it under this Agreement; provided, however, that no such notification shall affect the representations, warranties, covenants or agreements of the parties or the conditions to the obligations of the parties under this Agreement; provided, further, that the failure to provide such prompt notice under this Section 6.7(b) pursuant to clause (i) above shall not constitute a breach of a covenant for purposes of Section 7.2(b).

(c) The Company shall give prompt notice to Parent, and Parent shall give prompt notice to the Company, of any Action commenced or, to such party's knowledge, threatened against, relating to or involving such party or any of the Company Subsidiaries or the Parent Subsidiaries, respectively, which relate to this Agreement, the Merger or the other transactions contemplated by this Agreement. The Company shall give Parent the opportunity to reasonably participate in the defense and settlement of any stockholder litigation against the Company and/or its directors relating to this Agreement and the transactions contemplated hereby, and no such settlement shall be agreed to without Parent's prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed). Parent shall give the Company the opportunity to reasonably participate in the defense and settlement of any stockholder litigation against Parent and/or its directors relating to this Agreement and the transactions contemplated hereby, and no such settlement shall be agreed to without the Company's prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed).

Section 6.8 Public Announcements. The Company, Parent and Merger Sub shall, to the extent reasonably practicable, consult with each other before issuing any press release or otherwise making any public statements or filings with respect to this Agreement or any of the transactions contemplated hereby, and none of the parties shall issue any such press release or make any such public statement or filing prior to obtaining the other parties' consent (which consent shall not be unreasonably withheld, conditioned or delayed); provided, however, that a party may, without obtaining the other parties' consent, issue such press release or make such public statement or filing as may be required by Law, Order or the applicable rules of any stock exchange or the applicable provisions of any listing agreement of any party hereto. If for any reason it is not practicable to consult with the other party before making any public statement with respect to this Agreement or any of the transactions contemplated hereby, then the party making such statement shall not make a statement that is inconsistent with public statements or filings to which the other party had previously consented; provided, further, that such consultation and consent shall not be required with respect to any release, communication or announcement specifically permitted by Section 6.5.

Section 6.9 Directors and Officers Indemnification and Insurance.

(a) From and after the Effective Time, the Surviving Entity shall provide exculpation, indemnification and advancement of expenses for each Indemnitee, which is at least as favorable in scope and amount to such Indemnitee as the exculpation, indemnification and advancement of expenses provided to such Indemnitee by the Company and the Company Subsidiaries immediately prior to the Effective Time in the Company Charter and the Company Bylaws or each of the Company Subsidiaries' respective articles or certificates of incorporation or bylaws (or comparable organizational or governing documents), as in effect on the date of this Agreement; provided that such exculpation, indemnification and advancement of expenses covers actions at or prior to the Effective Time, including all transactions contemplated by this Agreement.

(b) Without limiting the provisions of Section 6.9(a), during the period commencing as of the Effective Time and ending on the sixth (6th) anniversary of the Effective Time, Parent and the Surviving Entity shall (and Parent shall cause the Surviving Entity to): (i) indemnify, defend and hold harmless each Indemnitee against and from any costs or expenses (including attorneys' fees), judgments, fines, losses, claims, damages, liabilities and

amounts paid in settlement in connection with any Action, whether civil, criminal, administrative or investigative, to the extent such Action arises out of or pertains to (x) any action or omission or alleged action or omission in such Indemnitee's capacity as a director, officer, partner, member, trustee, employee or agent of the Company or any of the Company Subsidiaries, or (y) this Agreement or any of the transactions contemplated hereby, including the Merger; and (ii) pay in advance of the final disposition of any such Action the expenses (including attorneys fees and any expenses incurred by any Indemnitee in connection with enforcing any rights with respect to indemnification) of any Indemnitee upon receipt of an undertaking by or on behalf of such Indemnitee to repay such amount if it shall ultimately be determined that such Indemnitee is not entitled to be indemnified. Notwithstanding anything to the contrary set forth in this Agreement, Parent or the Surviving Entity (i) shall not be liable for any settlement effected without their prior written consent (which consent shall not be unreasonably withheld, delayed or conditioned) and (ii) shall not have any obligation hereunder to any Indemnitee to the extent that a court of competent jurisdiction shall determine in a final and non-appealable order that such indemnification is prohibited by applicable Law, in which case the Indemnitee shall promptly refund to Parent or the Surviving Entity the amount of all such expenses theretofore advanced pursuant hereto.

(c) Prior to the Effective Time, the Company shall or, if the Company is unable to, Parent shall cause the Surviving Entity as of the Effective Time to, obtain and fully pay the premium for the non-cancellable extension of the coverage afforded by the Company's existing directors' and officers' liability insurance policies and the Company's existing fiduciary liability insurance policies (collectively, the D&O Insurance), in each case, for a claims reporting or discovery period of at least six (6) years from and after the Effective Time with respect to any claim related to any period or time at or prior to the Effective Time from one or more insurance carriers with the same or better credit rating as the Company's current insurance carrier with respect to D&O Insurance with terms, conditions and retentions that are no less favorable in the aggregate than the coverage provided under the Company's existing policies and with limits of liability that are no lower than the limits on the Company's existing policies as long as the annual premium in the aggregate does not exceed 125% of the annual aggregate premium(s) under the Company's existing policies. If the Company or the Surviving Entity for any reason fails to obtain such tail insurance policies as of the Effective Time, (i) the Surviving Entity shall continue to maintain in effect, for a period of at least six (6) years from and after the Effective Time, the D&O Insurance in place as of the date hereof with the Company's current insurance carrier or with an insurance carrier with the same or better credit rating as the Company's current insurance carrier with respect to D&O Insurance with terms, conditions, retentions and limits of liability that are no less favorable in the aggregate than the coverage provided under the Company's existing policies as of the date hereof, or (ii) Parent shall provide, or shall cause the Surviving Entity to provide, for a period of not less than six (6) years after the Effective Time, the Indemnitees who are insured under the Company's D&O Insurance with comparable D&O Insurance that provides coverage for events occurring at or prior to the Effective Time from an insurance carrier with the same or better credit rating as the Company's current insurance carrier, that is no less favorable in the aggregate than the existing policy of the Company (which may be provided under Parent's D&O Insurance policy) or, if substantially equivalent insurance coverage is unavailable, the best available coverage; provided, however, that Parent and the Surviving Entity shall not be required to pay an annual premium for the D&O Insurance in excess of 300% of the annual premium currently paid by the Company for such insurance; and provided, further, that if the annual premiums of such insurance coverage exceed such amount, Parent or the Surviving Entity shall be obligated to obtain a policy with the greatest coverage available, with respect to matters occurring prior to the Effective Time, for a cost not exceeding such amount.

(d) The Indemnitees to whom this Section 6.9 applies are intended to be third-party beneficiaries of this Section 6.9. The provisions of this Section 6.9 are intended to be for the benefit of each Indemnitee and his or her successors, heirs, executors, trustees, fiduciaries, administrators or representatives. Parent shall pay all reasonable expenses, including attorneys' fees, that may be incurred by any Indemnitee in successfully enforcing the indemnity and other obligations provided in this Section 6.9.

(e) The rights of each Indemnitee under this Section 6.9 shall be in addition to any rights such Person or any employee of the Company or any Company Subsidiary may have under the Company Charter, the Company Bylaws or the certificate of incorporation or bylaws (or equivalent organizational or governing

documents) of any of the Company Subsidiaries, or the Surviving Entity or any of its subsidiaries, or under any applicable Law or under any agreement of any Indemnitee or any employee with the Company or any of the Company Subsidiaries listed in Section 4.12 the Company Disclosure Letter. Nothing in this Agreement is intended to, shall be construed to or shall release, waive or impair any rights to directors and officers insurance claims under any policy that is or has been in existence with respect to the Company or its officers, directors and employees, it being understood and agreed that the indemnification provided for in this Section 6.9 is not prior to, or in substitution for, any such claims under any such policies.

(f) Notwithstanding anything contained in Section 9.1 or Section 9.7 to the contrary, this Section 6.9 shall survive the consummation of the Merger indefinitely and shall be binding, jointly and severally, on all successors and assigns of Parent, the Surviving Entity and its subsidiaries, and shall be enforceable by the Indemnitees and their successors, heirs or representatives. In the event that Parent or the Surviving Entity or any of its successors or assigns consolidates with or merges into any other Person and shall not be the continuing or surviving corporation or entity of such consolidation or merger, or transfers or conveys all or a majority of its properties and assets to any Person, then, and in each such case, proper provision shall be made so that the successors and assigns of Parent or the Surviving Entity, as applicable, shall succeed to the obligations set forth in this Section 6.9. The parties acknowledge and agree that Parent guarantees the payment and performance of the Surviving Entity's obligations pursuant to this Section 6.9.

Section 6.10 Termination of Certain Obligations. Unless otherwise notified by Parent in writing, prior to the Effective Time, the Company shall (a) take all actions necessary to terminate the employment of each Company Employee, effective as of immediately preceding the Effective Time, with the Company, the Company Subsidiaries and each of their respective Affiliates, including for purposes of all Company Benefit Plans, and (b) terminate and discharge all obligations of the Company and any Company Subsidiary with respect to each lease or other agreement set forth in Section 6.10 of the Company Disclosure Letter.

Section 6.12 Certain Tax Matters.

(a) Each of Parent and the Company shall use their reasonable best efforts to cause the Merger to qualify as a reorganization within the meaning of Section 368(a) of the Code, including by executing and delivering the officers' certificates referred to therein. None of Parent or the Company shall take any action, or fail to take any action, that could reasonably be expected to cause the Merger to fail to qualify as a reorganization within the meaning of Section 368(a) of the Code.

(b) Parent shall prepare, or cause to be prepared, and file, or cause to be filed, any income Tax Returns of the Operating Partnership for the short taxable year ending on the Closing Date (the Short-Period Returns). Such Short Period Returns shall be prepared consistent with past practice taking into account any amendments to the Partnership Agreement subsequent to the filing of the income Tax Returns for the Operating Partnership for the prior taxable year, to the extent Parent reasonably determines such preparation is reasonably consistent with the Code. Parent shall provide to AR Capital, LLC a copy of such Short Period Returns within forty-five (45) days prior to the filing of such Short Period Returns for AR Capital, LLC's review and comment. Within twenty (20) days of receipt of such Short Period Returns AR Capital, LLC shall provide any comments to such Short Period Returns, and Parent shall incorporate such comments that it reasonably determines are consistent with the Code and provide AR Capital, LLC with a copy of the final Short Period Returns.

Section 6.20 Operating Partnership.

(a) As of the Effective Time, Parent agrees to (i) cause the Operating Partnership to enter into a Tax Matters Agreement with certain of the limited partners of the Operating Partnership in form and substance as set forth in Exhibit C, (ii) guarantee the obligations of the Operating Partnership under the Tax Matters Agreement, (iii) amend the Partnership Agreement of the Operating Partnership in form and substance as set forth in Exhibit D (the Parent OP Agreement), (iv) the book-up of the capital accounts of the holders of LTIP Units in connection with the contribution of cash to the Operating Partnership pursuant to the Contribution Agreement, dated as of August 30, 2012, between the Company, the Operating Partnership and the Additional Limited Partner, so that, to the extent possible, the Economic Capital Account Balances of the LTIP Unit holders are equal to the OP Unit Economic Balance. Parent hereby gives its consent to permit holders of LTIP Units, to the extent not reduced as described in Section 6.20(b), to convert such LTIP Units into OP Units to the extent the LTIP Units qualify for conversion under the terms of the Partnership Agreement. Any defined terms used in this Section 6.20(a) not otherwise defined in this Agreement shall have the same meaning ascribed to such terms in the Partnership Agreement. Such OP Units shall be common OP Units or preferred OP Units, as described in the Parent OP Agreement.

(b) As of the Effective Time, in accordance with the terms of the Omnibus OPP Agreement Amendments, the aggregate number of issued and outstanding LTIP Units will be reduced to an aggregate of 1,651,312 LTIP Units. Each right of a limited partner in the Operating Partnership to redeem or exchange his or its OP Units for Company Common Stock (or cash equivalents thereof) pursuant to the Partnership Agreement outstanding immediately prior to the Effective Time shall be automatically converted into the right to redeem or exchange such OP Units for a number of shares of Parent Common Stock (or cash equivalents thereof) equal to the number of shares of Company Common Stock that such limited partner would have received if the redemption or exchange occurred immediately prior to the Effective Time and each LTIP Unit after taking into account the Omnibus OPP Agreement Amendments shall be automatically converted into such number of LTIP Units that, assuming a one-for-one exchange of LTIP Units for OP Units, would have given the LTIP Unitholder the right to redeem or exchange his or its LTIP Units (assuming a prior conversion of such LTIP Units for an equal number of OP Units) for a number of shares of Parent Common Stock (or cash equivalents thereof) equal to the number of shares of Company Common Stock that such LTIP Unitholder (assuming a prior conversion of such LTIP Units for an equal number of OP Units) would have received if the redemption or exchange occurred immediately prior to the Effective Time. For avoidance of doubt, from and after the Effective Time, each common OP Unit shall be redeemable or exchangeable for one share of Parent Common Stock and each LTIP Unit (after taking into account the Omnibus OPP Agreement Amendments) will, subject to the terms of the amended Operating Partnership Agreement, as set forth in clause (a) above, be convertible into one OP Unit. Notwithstanding the foregoing, any exchange of common OP units in for Parent stock or cash equivalents thereof shall be subject to the limitations set forth in the Parent OP Agreement (including with respect to the limited partner's capital account balance).

Section 6.21 Pending Acquisitions. The Company shall use its (a) reasonable best efforts to consummate each of the pending acquisitions contemplated by the agreements listed on Section 6.1(c)(vii)(Part I) of the Company Disclosure Letter (collectively, the Pending Acquisitions), and (b) reasonable efforts to consummate any of the acquisitions contemplated by the agreements listed on Section 6.1(c)(vii)(Part II) of the Company Disclosure Letter (collectively, the Additional Acquisitions), in each case on or prior to the Closing Date and on the terms and subject to the conditions set forth in such agreements as of the date hereof, as the same may be amended in accordance with their terms; provided, however, that the Company's obligations under this Section 6.21 shall not require the Company to consummate any Pending Acquisitions or Additional Acquisitions if doing so would not be in the best interests of the Company.

Section 6.22 Joint Ventures. Subject to the Parent complying with its obligations as set forth in the following sentence of this Section 6.22 and subject to the final proviso of this sentence, the Company shall, and shall cause each applicable Company Subsidiary to, use its reasonable best efforts to eliminate the minority

interests in the joint ventures (collectively, the Joint Venture Unwind Transactions) set forth in Section 1.1 of the Company Disclosure Letter; provided, however, with respect to the joint ventures listed as items three through and including eight of Section 1.1 of the Company Disclosure Letter, if the Company and the applicable Company Subsidiaries are unable to eliminate the minority interests in one or more of such joint ventures by acquiring or redeeming such minority interests, the Company agrees to use its reasonable best efforts to sell, or cause its applicable Subsidiary to sell, and Parent agrees to, and shall cause a Parent Subsidiary to, purchase, the properties held by each such joint venture where the applicable minority interests have not been so eliminated (the JV Sale Properties) at the price set forth opposite the name of each such JV Sale Property in Section 6.22 of the Company Disclosure Letter, the closing of which shall occur concurrently with the Effective Time; provided, further, however, any such sale of the JV Sale Property owned by the joint venture listed as item four on Section 1.1 of the Company Disclosure Letter shall be subject to a right of first offer to acquire the applicable Company Subsidiary's interest in such joint venture in accordance with the terms of the organizational documents of such joint venture. Subject to the Parent complying with its obligations as set forth in the preceding sentence in this Section 6.22, the Company shall use its reasonable best efforts to effectuate the Joint Venture Unwind Transactions at an aggregate net cost to the Company (without regard to closing costs and closing adjustments) and/or the applicable Company Subsidiaries (after taking into account any property sale proceeds that would be distributed to the Company and/or the applicable Company Subsidiaries in respect of its interests in the applicable joint ventures) not to exceed \$21,500,000 without the prior consent of Parent (not to be unreasonably withheld, conditioned or delayed). To the extent any JV Sale Properties will be sold by a Company Subsidiary to Parent or a Parent Subsidiary in accordance with this Section 6.22, (i) the Company shall, and it shall cause the applicable Company Subsidiary to, and (ii) the Parent shall, and it shall cause the applicable Parent Subsidiary to, enter into a Purchase and Sale Agreement, substantially in the form attached as Section 6.22 to the Company Disclosure Letter, which Purchase and Sale Agreement shall govern the other terms and conditions of such sale.

Section 6.23 Termination of Annual Incentive Compensation Plan. Unless otherwise notified by Parent in writing, prior to the Effective Time, the Company shall take or cause to be taken any and all actions (including plan amendments) necessary or appropriate to terminate, without any payment or payments thereunder in excess of \$3,000,000 in the aggregate, the Company's Annual Incentive Compensation Plan (the Annual Incentive Plan), effective no later than immediately prior to the Effective Time. The Company acknowledges and agrees that upon the termination of the Annual Incentive Plan, other than as set forth in the Omnibus OPP Agreement Amendments, no past or current Annual Incentive Plan participant shall be entitled to any payment, right, title or interest with respect to any amounts under the Annual Incentive Plan, including without limitation in connection with the termination of the Annual Incentive Plan.

Section 6.24 Termination of Plan Participation. Unless otherwise notified by Parent in writing, prior to the Effective Time, the Company shall take or cause to be taken any and all actions necessary or appropriate to terminate each Company Benefit Plan that is designated in Section 4.10(a) of the Company Disclosure Letter as an Equity Plan or Health and Welfare Plan, effective no later than immediately prior to the Effective Time.

Section 6.25 Substitution of Guaranties. Promptly following the Effective Time, Parent shall use reasonable efforts, at no cost to Parent or the Surviving Entity, to substitute or replace the guaranties provided by Nicholas S. (a) by mutual written agreement of each of Parent and the Company; or

(b) by either Parent or the Company, if:

(i) the Effective Time shall not have occurred on or before March 6, 2013 (the Outside Date); provided, however, the Outside Date will automatically be extended to April 8, 2013 if as of March 6, 2013 all of the conditions set forth in Article VII (other than those conditions that by their terms are required to be satisfied or waived at the Closing) shall have been satisfied or waived by the party entitled to the benefit of the same, other than the condition contained in Section 7.2(g); provided, further, that the right to terminate this Agreement pursuant to this Section 8.1(b)(i) shall not be available to any party if the failure of such party (and in the case of Parent, including the failure of Merger Sub) to perform any of its obligations under this Agreement has been a principal cause of, or resulted in, the failure of the Merger to be consummated on or before such date; or

(ii) any Governmental Authority of competent jurisdiction shall have issued an Order permanently restraining, enjoining or otherwise prohibiting the transactions contemplated by this Agreement, and such Order or other action shall have become final and non-appealable; provided, however, that the right to terminate this Agreement under this Section 8.1(b)(ii) shall not be available to a party if the issuance of such final, non-appealable Order was primarily due to the failure of such party (and in the case of Parent, including the failure of Merger Sub) to perform any of its obligations under this Agreement, including pursuant to Section 6.6; or

(iii) the Company Stockholder Approval shall not have been obtained at a duly held Company Stockholder Meeting (including any adjournment or postponement thereof) at which the Merger and the other transactions contemplated hereby have been voted upon, provided that the right to terminate this Agreement under this Section 8.1(b)(iii) shall not be available to the Company if the failure to obtain such Company Stockholder Approval was primarily due to the Company's failure to perform any of its obligations under this Agreement; or

(c) by the Company:

(i) if Parent or Merger Sub shall have breached or failed to perform in any material respect any of its representations, warranties, covenants or other agreements set forth in this Agreement, which breach or failure to perform (x) would, or would reasonably be expected to, result in a failure of a condition set forth in Section 7.3(a) or Section 7.3(b) and (y) cannot be cured on or before the Outside Date or, if curable, is not cured by Parent within twenty (20) days of receipt by Parent of written notice of such breach or failure; provided that the Company shall not have the right to terminate this Agreement pursuant to this Section 8.1(c) if the Company is then in breach of any of its respective representations, warranties, covenants or agreements set forth in this Agreement such that the conditions set forth in either Section 7.2(a) or Section 7.2(b) would not be satisfied; or

(ii) at any time prior to the receipt of the Company Stockholder Approval in order to enter into an Alternative Acquisition Agreement with respect to a Superior Proposal in accordance with Section 6.5(d); provided, that such termination shall be null and void unless the Company shall concurrently pay the Termination Payment in accordance with Section 8.3.

(d) by Parent, if:

(i) the Company shall have breached or failed to perform in any material respect any of its representations, warranties, covenants or other agreements set forth in this Agreement, which breach or failure to perform (x) would, or would reasonably be expected to, result in a failure of a condition set forth in Section 7.2(a) or Section 7.2(b) and (y) cannot be cured on or before the Outside Date or, if curable, is not cured by the Company within twenty (20) days of receipt by the Company of written notice of such breach or failure; provided that Parent shall not have the right to terminate this Agreement pursuant to this Section 8.1(d)(i) if Parent or Merger Sub are then in breach of any of their respective representations, warranties, covenants or agreements set forth in this Agreement such that the conditions set forth in either Section 7.3(a) or Section 7.3(b) would not be satisfied; or

(ii) (x) the Company Board shall have made an Adverse Recommendation Change, (y) the Company shall have materially breached any of its obligations under Section 6.3 or Section 6.5 or (z) the Company enters into an Alternative Acquisition Agreement (other than an Acceptable Confidentiality Agreement entered into in accordance with Section 6.5), provided that the right to terminate under Section 8.1(d)(ii)(x) and (y) shall not be available after the receipt of the Company Stockholder Approval.

Section 8.2 Effect of Termination. In the event that this Agreement is terminated and the Merger and the other transactions contemplated by this Agreement are abandoned pursuant to Section 8.1, written notice thereof shall be given to the other party or parties, specifying the provisions hereof pursuant to which such termination is

made and describing the basis therefor in reasonable detail, and this Agreement shall forthwith become null and void and of no further force or effect whatsoever without liability on the part of any party hereto (or any of the Company Subsidiaries, Parent Subsidiaries or any of the Company's or Parent's respective Representatives), and all rights and obligations of any party hereto shall cease; provided, however, that, notwithstanding anything in the foregoing to the contrary (a) no such termination shall relieve any party hereto of any liability or damages resulting from or arising out of any willful or intentional breach of this Agreement; and (b) the Confidentiality Agreements, this Section 8.2, Section 8.3, Section 8.6, Article IX and the definitions of all defined terms appearing in such sections shall survive any termination of this Agreement pursuant to Section 8.1. If this Agreement is terminated as provided herein, all filings, applications and other submissions made pursuant to this Agreement, to the extent practicable, shall be withdrawn from the Governmental Authority or other Person to which they were made.

Section 8.3 Termination Fee.

(a) If, but only if, the Agreement is terminated:

(i) by either the Company or Parent pursuant to Section 8.1(b)(i) or Section 8.1(b)(iii) or by Parent pursuant to Section 8.1(d)(i) and (A) in the case of a termination pursuant to Section 8.1(b)(i), the Parent Stockholder Approval shall have been obtained and the Company Stockholder Approval shall not have been obtained prior to such termination, (B) in any such case the Company (x) receives or has received a Company Acquisition Proposal after the date of this Agreement, which proposal has been publicly announced and (y) within twelve (12) months of the termination of this Agreement, consummates a transaction regarding, or executes a definitive agreement which is later consummated with respect to, a Company Acquisition Proposal, and (C) in the case of termination pursuant to Section 8.1(b)(iii), such Company Acquisition Proposal has been withdrawn prior to the date of the Company Stockholder Meeting (or any adjournment thereof), then the Company shall pay, or cause to be paid, to Parent a fee equal to \$51,000,000 (the Termination Fee) plus, if not previously paid pursuant to Section 8.3(a)(ii) below, the Expense Amount, by wire transfer of same day funds to an account designated by Parent, not later than the consummation of such transaction arising from such Company Acquisition Proposal; provided, however, that for purposes of this Section 8.3(a)(i), the references to twenty percent (20%) in the definition of Company Acquisition Proposal shall be deemed to be references to fifty percent (50%);

(ii) by either the Company or Parent pursuant to Section 8.1(b)(iii), the Company shall pay, or cause to be paid, to Parent the Expense Amount (by wire transfer to an account designated by Parent) within two (2) Business Days of such termination; or

(iii) by either the Company or Parent pursuant to Section 8.1(b)(iv), then Parent shall pay, or cause to be paid, to the Company the Expense Amount (by wire transfer to an account designated by the Company) within two (2) Business Days of such termination; or

(iv) by either the Company or Parent pursuant to Section 8.1(b)(iii), and the Company receives or has received a Company Acquisition Proposal after the date of this Agreement, which proposal has been publicly announced and not withdrawn prior to the date of the Company Stockholder Meeting and the Company Board did not make an Adverse Recommendation Change, if the Company subsequently enters into an acquisition agreement, merger agreement, share purchase agreement, asset purchase agreement or other similar definitive agreement with respect to a Company Acquisition Proposal within twelve (12) months of the termination of this Agreement, the Company shall pay, or cause to be paid, to Parent the Termination Fee plus, if not previously paid pursuant to Section 8.3(a)(ii) above, the Expense Amount, by wire transfer of same day funds to an account designated by Parent, within two (2) Business Days of entering into any such definitive agreement; provided, however, that for purposes of this Section 8.3(a)(iv), the references to twenty percent (20%) in the definition of Company Acquisition Proposal shall be deemed to be references to fifty percent (50%); or

(v) by the Company pursuant to Section 8.1(c)(ii) then the Company shall pay, or cause to be paid, to Parent the Termination Fee together with the Expense Amount, by wire transfer of same day funds to an account designated by Parent as a condition to the effectiveness of such termination; or

(vi) by Parent pursuant to Section 8.1(d)(ii) , then the Company shall pay, or cause to be paid, to Parent the Termination Fee together with the Expense Amount, by wire transfer of same day funds to an account designated by Parent, within two (2) Business Days of such termination.

(b) Notwithstanding anything to the contrary set forth in this Agreement, the parties agree that:

(i) under no circumstances shall the Company or Parent be required to pay the Termination Fee or Expense Amount, as applicable, earlier than one (1) full Business Day after receipt of appropriate wire transfer instructions from the party entitled to payment; and

(ii) under no circumstances shall the Company or Parent be required to pay the Termination Fee or Expense Amount, as applicable, on more than one occasion.

(c) Each of the parties hereto acknowledges that (i) the agreements contained in this Section 8.3 are an integral part of the transactions contemplated by this Agreement, (ii) the Termination Payment is not a penalty, but is liquidated damages, in a reasonable amount that will compensate the Company or Parent, as the case may be, in the circumstances in which such fee is payable for the efforts and resources expended and opportunities foregone while negotiating this Agreement and in reliance on this Agreement and on the expectation of the consummation of the transactions contemplated hereby, which amount would otherwise be impossible to calculate with precision, and (iii) without these agreements, the parties would not enter into this Agreement; accordingly, if the Company or Parent, as the case may be, fails to timely pay any amount due pursuant to this Section 8.3 and, in order to obtain such payment, either the Company or Parent, as the case may be, commences a suit that results in a judgment against the other party for the payment of any amount set forth in this Section 8.3, such paying party shall pay the other party its costs and Expenses in connection with such suit, together with interest on such amount at the annual rate of five percent (5%) for the period from the date such payment was required to be made through the date such payment was actually received, or such lesser rate as is the maximum permitted by applicable Law.

(d) (i) If one party to this Agreement (the Termination Fee Payor) is required to pay another party to this Agreement (the Termination Fee Payee) a Termination Payment, such Termination Payment shall be paid into escrow on the date such payment is required to be paid by the Termination Fee Payor pursuant to this Agreement by wire transfer of immediately available funds to an escrow account designated in accordance with this Section 8.3(d). In the event that the Termination Fee Payor is obligated to pay the Termination Fee Payee the Termination Payment, the amount payable to the Termination Fee Payee in any tax year of the Termination Fee Payee shall not exceed the lesser of (i) the Termination Payment of the Termination Fee Payee, and (ii) the sum of (A) the maximum amount that can be paid to the Termination Fee Payee without causing the Termination Fee Payee to fail to meet the requirements of Section 856(c)(2) and (3) of the Code for the relevant tax year, determined as if the payment of such amount did not constitute income described in Sections 856(c)(2) or 856(c)(3) of the Code (Qualifying Income) and the Termination Fee Payee has \$1,000,000 of income from unknown sources during such year which is not Qualifying Income (in addition to any known or anticipated income which is not Qualifying Income), in each case, as determined by the Termination Fee Payee's independent accountants, plus (B) in the event the Termination Fee Payee receives either (x) a letter from the Termination Fee Payee's counsel indicating that the Termination Fee Payee has received a ruling from the IRS as described below in this Section 8.3(d) or (y) an opinion from the Termination Fee Payee's outside counsel as described below in this Section 8.3(d), an amount equal to the excess of the Termination Payment less the amount payable under clause (A) above.

(ii) To secure the Termination Fee Payor's obligation to pay these amounts, the Termination Fee Payor shall deposit into escrow an amount in cash equal to the Termination Payment with an escrow agent selected by the Termination Fee Payor on such terms (subject to this Section 8.3(d)) as shall be mutually agreed upon by the Termination Fee Payor, the Termination Fee Payee and the escrow agent. The payment or deposit into escrow of the Termination Payment pursuant to this Section 8.3(d) shall be made at the time the Termination Fee Payor is obligated to pay the Termination Fee Payee such amount pursuant to

Section 8.3 by wire transfer. The escrow agreement shall provide that the Termination Payment in escrow or any portion thereof shall not be released to the Termination Fee Payee unless the escrow agent receives any one or combination of the following: (i) a letter from the Termination Fee Payee's independent accountants indicating the maximum amount that can be paid by the escrow agent to the Termination Fee Payee without causing the Termination Fee Payee to fail to meet the requirements of Sections 856(c)(2) and (3) of the Code determined as if the payment of such amount did not constitute Qualifying Income and the Termination Fee Payee has \$1,000,000 of income from unknown sources during such year which is not Qualifying Income (in addition to any known or anticipated income which is not Qualifying Income), in which case the escrow agent shall release such amount to the Termination Fee Payee, or (ii) a letter from the Termination Fee Payee's counsel indicating that (A) the Termination Fee Payee received a ruling from the IRS holding that the receipt by the Termination Fee Payee of the Termination Payment would either constitute Qualifying Income or would be excluded from gross income within the meaning of Sections 856(c)(2) and (3) of the Code or (B) the Termination Fee Payee's outside counsel has rendered a legal opinion to the effect that the receipt by the Termination Fee Payee of the Termination Payment should either constitute Qualifying Income or should be excluded from gross income within the meaning of Sections 856(c)(2) and (3) of the Code, in which case the escrow agent shall release the remainder of the Termination Payment to the Termination Fee Payee. The Termination Fee Payor agrees to amend this Section 8.3(d) at the reasonable request of the Termination Fee Payee in order to (i) maximize the portion of the Termination Payment that may be distributed to the Termination Fee Payee hereunder without causing the Termination Fee Payee to fail to meet the requirements of Sections 856(c)(2) and (3) of the Code, (ii) improve the Termination Fee Payee's chances of securing a favorable ruling described in this Section 8.3(d) or (iii) assist the Termination Fee Payee in obtaining a favorable legal opinion from its outside counsel as described in this Section 8.3(d). Any amount of the Termination Payment that remains unpaid as of the end of a taxable year shall be paid as soon as possible during the following taxable year, subject to the foregoing limitations of this Section 8.3(d), provided that the obligation of the Termination Fee Payor to pay the unpaid portion of the Termination Payment shall terminate on the December 31 following the date which is five (5) years from the date of this Agreement.

Section 8.4 Amendment. Subject to compliance with applicable Law, this Agreement may be amended by mutual agreement of the parties hereto by action taken or authorized by their respective boards of directors (or similar governing body or entity) at any time before or after receipt of the Company Stockholder Approval or the Parent Stockholder Approval and prior to the Effective Time; provided, however, that after the Company Stockholder Approval or the Parent Stockholder Approval has been obtained, there shall not be (a) any amendment of this Agreement that changes the amount or the form of the consideration to be delivered under this Agreement to the holders of Company Common Stock, or which by applicable Law or in accordance with the rules of any stock exchange requires the further approval of the stockholders of the Company or Parent without such further approval of such stockholders, or (b) any amendment or change not permitted under applicable Law. This Agreement may not be amended except by an instrument in writing signed by each of the parties hereto.

Section 8.5 Waiver. At any time prior to the Effective Time, subject to applicable Law, any party hereto may (a) extend the time for the performance of any obligation or other act of any other party hereto, (b) waive any inaccuracy in the representations and warranties of the other party contained herein or in any document delivered pursuant hereto, and (c) subject to the proviso of Section 8.4, waive compliance with any agreement or condition contained herein. Any agreement on the part of a party hereto to any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the party or parties to be bound thereby. Notwithstanding the foregoing, no failure or delay by the Company, Parent or Merger Sub in

exercising any right hereunder shall operate as a waiver thereof nor shall any single or partial exercise thereof preclude any other or further exercise of any other right hereunder.

Section 8.6 Fees and Expenses. Except as otherwise provided in this Agreement, all Expenses incurred in connection with this Agreement and the transactions contemplated by this Agreement shall be paid by the party incurring such expenses, whether or not the transactions contemplated by this Agreement are consummated;

provided, however, that the Company and Parent shall share equally all Expenses related to the printing and filing of the Form S-4 and the printing, filing and distribution of the Joint Proxy Statement, other than attorneys' and accountants' fees.

Section 8.7 Transfer Taxes. Parent and the Company shall cooperate in the preparation, execution and filing of all returns, questionnaires, applications or other documents regarding any real property transfer or gains, sales, use, transfer, value added, stock transfer or stamp taxes, any transfer, recording, registration and other fees and any similar taxes that become payable in connection with the transactions contemplated by this Agreement (together with any related interests, penalties or additions to Tax, Transfer Taxes), and shall cooperate in attempting to minimize the amount of Transfer Taxes. From and after the Effective Time, the Surviving Entity shall pay or cause to be paid, without deduction or withholding from any consideration or amounts payable to holders of the Company Common Stock, all Transfer Taxes.

Section 9.3 Interpretation: Certain Definitions. The parties hereto have participated jointly in the negotiation and drafting of this Agreement. Consequently, in the event an ambiguity or question of intent or interpretation arises, this Agreement shall be construed as if drafted jointly by the parties hereto, and no presumption or burden of proof shall arise favoring or disfavoring any party by virtue of the authorship of any provision of this Agreement. References to this Agreement shall include the Company Disclosure Letter and the Parent Disclosure Letter. When a reference is made in this Agreement to an Article, Section, Appendix or Exhibit, such reference shall be to an Article or Section of, or an Appendix or Exhibit to, this Agreement, unless otherwise indicated. The table of contents and headings for this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement. Whenever the words include, includes or including are used in this Agreement, they shall be deemed to be followed by the words without limitation. The words hereof, herein and hereunder and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement. All terms defined in this Agreement shall have the defined meanings when used in any certificate or other instrument made or delivered pursuant hereto unless otherwise defined therein. The definitions contained in this Agreement are applicable to the singular as well as the plural forms of such terms and to the masculine as well as to the feminine and neuter genders of such term. Any Law defined or referred to herein or in any agreement or instrument that is referred to herein means such Law as from time to time amended, modified or supplemented, including (in the case of statutes) by succession of comparable successor Laws. References to a Person are also to its successors and permitted assigns. All references to dollars or \$ refer to currency of the United States of America.

Section 9.4 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced under any present or future Law, or public policy, (a) such term or other provision shall be fully separable, (b) this Agreement shall be construed and enforced as if such invalid, illegal or unenforceable provision had never comprised a part hereof, and (c) all other conditions and provisions of this Agreement shall remain in full force and effect and shall not be affected by the illegal, invalid or unenforceable term or other provision or by its severance herefrom so long as the economic or legal substance of the transactions contemplated by this Agreement is not affected in any manner materially

adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that transactions contemplated by this Agreement be consummated as originally contemplated to the fullest extent possible.

Section 9.5 Assignment; Delegation. Other than to the Surviving Entity, neither this Agreement nor any rights, interests or obligations hereunder shall be assigned or delegated, in whole or in part, by any of the parties hereto (whether by operation of Law or otherwise) without the prior written consent of the other parties hereto.

Section 9.6 Entire Agreement. This Agreement (including the exhibits, annexes and appendices hereto) constitutes, together with the Confidentiality Agreements, the entire agreement between the parties with respect to the subject matter hereof and thereof and supersedes all prior agreements and understandings, both written and oral, among the parties, or any of them, with respect to the subject matter hereof and thereof.

Section 9.7 No Third-Party Beneficiaries. This Agreement is not intended to and shall not confer any rights or remedies upon any Person other than the parties hereto and their respective successors and permitted assigns, except for the provisions of Section 6.9 and Section 6.18 (which shall be to the benefit of the parties referred to in such sections). The representations and warranties in this Agreement are the product of negotiations among the parties hereto and are for the sole benefit of the parties hereto. Any inaccuracies in such representations and warranties are subject to waiver by the parties hereto in accordance with Section 8.5 without notice or liability to any other Person. The representations and warranties in this Agreement may represent an allocation among the parties hereto of risks associated with particular matters regardless of the knowledge of any of the parties hereto. Accordingly, Persons other than the parties hereto may not rely upon the representations and warranties in this Agreement as characterizations of actual facts or circumstances as of the date of this Agreement or as of any other date.

Section 9.8 Specific Performance. The parties hereto agree that irreparable damage, for which monetary damages (even if available) would not be an adequate remedy, would occur in the event that the parties hereto do not perform the provisions of this Agreement (including failing to take such actions as are required of it hereunder to consummate the Merger and the other transactions contemplated by this Agreement) in accordance with its specified terms or otherwise breach such provisions. Accordingly, the parties acknowledge and agree that the parties shall be entitled to an injunction, specific performance and other equitable relief to prevent breaches of this Agreement and to enforce specifically the terms and provisions hereof, in addition to any other remedy to which they are entitled at Law or in equity. Each of the parties agrees that it will not oppose the granting of an injunction, specific performance and other equitable relief on the basis that any other party has an adequate remedy at Law or that any award of specific performance is not an appropriate remedy for any reason at Law or in equity. Any party seeking an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement shall not be required to provide any bond or other security in connection with any such order or injunction.

Section 9.9 Counterparts. This Agreement may be executed in one or more counterparts, and by the different parties hereto in separate counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of a signature page to this Agreement by facsimile transmission or by e-mail of a pdf attachment shall be effective as delivery of a manually executed counterpart of this Agreement.

Section 9.10 Governing Law. This Agreement and all Actions (whether based on contract, tort or otherwise), directly or indirectly, arising out of or relating to this Agreement or the actions of Parent, Merger Sub or the Company in the negotiation, administration, performance and enforcement thereof, shall be governed by, and construed in accordance with, the laws of the State of Maryland, without giving effect to any choice or conflict of Laws provision or rule (whether of the State of Maryland or any other jurisdiction) that would cause the application of the Laws of any jurisdiction other than the State of Maryland.

Section 9.11 Consent to Jurisdiction.

(a) Each of the parties hereto hereby irrevocably submits to the exclusive jurisdiction of the courts of the State of Maryland and to the jurisdiction of the United States District Court for the State of Maryland, for the

purpose of any Action (whether based on contract, tort or otherwise), directly or indirectly, arising out of or relating to this Agreement or the actions of the parties hereto in the negotiation, administration, performance and enforcement thereof, and each of the parties hereto hereby irrevocably agrees that all claims in respect to such Action may be heard and determined exclusively in any Maryland state or federal court.

(b) Each of the parties hereto (i) irrevocably consents to the service of the summons and complaint and any other process in any other Action relating to the transactions contemplated by this Agreement, on behalf of itself or its property, by personal delivery of copies of such process to such party and nothing in this Section 9.11 shall affect the right of any party to serve legal process in any other manner permitted by Law, (ii) consents to submit itself to the personal jurisdiction of any United States federal court located in the State of Maryland or any Maryland state court in the event any dispute arises out of this Agreement or the transactions contemplated by this Agreement, (iii) agrees that it will not attempt to deny or defeat such personal jurisdiction by motion or other request for leave from any such court and (iv) agrees that it will not bring any Action relating to this Agreement or the transactions contemplated by this Agreement in any court other than any United States federal court located in the State of Maryland or any Maryland state court. Each of Parent, Merger Sub and the Company agrees that a final judgment in any Action shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by Law.

Section 9.12 **WAIVER OF JURY TRIAL**. EACH OF THE PARTIES HERETO ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY WHICH MAY ARISE OUT OF OR RELATING TO THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES, AND THEREFORE EACH SUCH PARTY HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT SUCH PARTY MAY HAVE TO A TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE), DIRECTLY OR INDIRECTLY, ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY, OR THE ACTIONS OF THE PARTIES HERETO IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE AND ENFORCEMENT THEREOF. EACH OF THE PARTIES HERETO CERTIFIES AND ACKNOWLEDGES THAT (A) NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER, (B) EACH SUCH PARTY UNDERSTANDS AND HAS CONSIDERED THE IMPLICATIONS OF THIS WAIVER, (C) EACH SUCH PARTY MAKES THIS WAIVER VOLUNTARILY, AND (D) EACH SUCH PARTY HAS BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.12.

FORM OF COMPANY TAX

REPRESENTATION LETTER

American Realty Capital Trust, Inc.

OFFICER'S CERTIFICATE

The undersigned officer of American Realty Capital Trust, Inc., a Maryland corporation (ARCT), in connection with the opinions as to certain tax matters to be delivered by Proskauer Rose LLP and Latham & Watkins LLP, pursuant to Sections 7.3(f) and 7.2(f), respectively, of the Agreement and Plan of Merger (the Merger Agreement)* dated as of September 6, 2012, by and among ARCT, Realty Income Corporation, a Maryland corporation (Realty), and Tau Acquisition LLC, a Delaware limited liability company and a wholly owned subsidiary of Realty Income (Merger Sub), and recognizing that said counsel will rely on this Officer's Certificate in delivering their opinions, hereby certifies and represents that (i) the facts that relate to the Merger and related transactions, as described in the Merger Agreement and the Form S-4 filed in connection with the Merger, including the Joint Proxy Statement contained therein, each as amended or supplemented through the date hereof, are true, correct, and complete in all material respects, and (ii) the following statements and representations stated herein are true, correct, and complete:

1. The Merger will be consummated in compliance with the material terms and conditions of the Merger Agreement and in accordance with applicable state corporation and limited liability company laws. The Merger Agreement, the Form S-4 and the other documents described in the Form S-4 represent the entire understanding of ARCT with respect to the Merger. None of the terms and conditions contained in the Merger Agreement, the Form S-4 and the other documents described in the Form S-4 have been or will be waived or modified and each of the representations relating to the Merger and contained in the Merger Agreement, the Form S-4 and the other documents described in the Form S-4 is true, correct and complete in all material respects. The terms of the Merger Agreement and all other agreements entered into in connection therewith are the result of arm's length negotiations. ARCT has bona fide business reasons for engaging in the Merger, in particular, to combine the business operations of Realty Income and ARCT.
2. The fair market value of the Realty Income Common Stock (together with any cash paid in lieu of fractional shares, the Merger Consideration) received by each ARCT shareholder will be approximately equal to the fair market value of the ARCT Common Stock surrendered by such ARCT shareholder in the Merger.
3. Commencing with its taxable year ended December 31, 2008, ARCT has been organized and has operated in conformity with the requirements for qualification and taxation as a real estate investment trust within the meaning of Section 856 for all taxable periods ending before the Merger. ARCT intends to continue to so qualify for its taxable year that will end with the Merger.
4. Pursuant to the Merger, no holder of ARCT Common Stock will receive in exchange for ARCT Common Stock, directly or indirectly, any consideration other than the Merger Consideration. No ARCT shareholder will retain any rights in the ARCT Common Stock transferred to Realty Income or cancelled pursuant to the Merger. To the best knowledge of ARCT, neither Realty Income nor any person related (as defined in Treasury Regulation Section 1.368-1(e)(4)) to Realty Income has acquired ARCT Common Stock with consideration other than Realty Income Common Stock either directly or through any transaction, agreement or arrangement with any other person. Neither ARCT nor any person related (as defined in Treasury Regulation Section 1.368-1(e)(4) but without regard to Treasury Regulation Section 1.368-1(e)(4)(i)(A)) to ARCT has acquired ARCT Common Stock prior to and in connection with the Merger or otherwise as part of a plan of which the Merger is a part. No

* Terms used herein shall have the meanings ascribed to them in, and shall be interpreted in accordance with, the applicable federal income tax law and regulations. Except as otherwise provided, capitalized terms used but not defined herein have the meaning ascribed to them in the Merger Agreement. Except as otherwise indicated, all Section references contained herein refer to sections of the Internal Revenue Code of

1986, as amended.

distribution has been made with respect to ARCT Common Stock (other than normal, regular, dividend distributions made pursuant to the historic dividend paying practice of ARCT), either directly or through any transaction, agreement or arrangement with any other person, except for distributions described in Section 857 as required for ARCT's continued treatment as a REIT (and in order to avoid any income or excise tax imposed on ARCT). For purposes of this representation, redeem, purchase, or acquire will include a redemption, purchase, or acquisition, as the case may be, actually or in substance, including through derivative transactions such as collars or put protection arrangements, which have the economic effect of a transfer of the burdens, benefits, or other aspects of ownership. ARCT has not made any distributions with respect to its stock prior to and in connection with the Merger or otherwise as part of a plan of which the Merger is a part, other than regular, normal dividends or distributions made to all holders of ARCT Common Stock on the relevant record date with respect to such dividends or distributions. To the knowledge of ARCT, Realty Income has no plan or intention to, after the Merger, make a dividend or other distribution with respect to Realty Income Common Stock to holders of Realty Income Common Stock who are former stockholders of ARCT other than regular, normal dividends or distributions made to all holders of ARCT Common Stock on the relevant record date with respect to such dividends or distributions.

5. To the knowledge of ARCT, none of the ARCT stockholders will cause their shares of Realty Income Common Stock issued in the Merger to be redeemed or reacquired by Realty Income, or caused any person related to Realty Income (within the meaning of Treasury Regulation Section 1.368-1(e)(4)) or any person acting as an intermediary for Realty Income or such related person to acquire such shares. For purposes of this representation, the term redeem, reacquire, or acquire includes a redemption, reacquisition, or acquisition, as the case may be, actually or in substance, including through derivative transactions such as collars or put protection arrangements, which have the economic effect of a transfer of the burdens, benefits, or other aspects of ownership.
6. No equity interests, or other rights or interests that could be treated as equity interests for U.S. federal income tax purposes, in ARCT are outstanding except for ARCT Common Stock.
7. The liabilities of ARCT assumed by Merger Sub (as determined under Section 357(d)) and the liabilities to which the transferred assets of ARCT are subject were incurred by ARCT in the ordinary course of its business.
8. ARCT conducts a historic business for purposes of Treasury Regulation Section 1.368-1(d), and no assets of ARCT have been sold, transferred, or otherwise disposed of that would prevent Realty Income from continuing such historic business or from using a significant portion of ARCT's historic business assets in a business following the Merger (as such terms are used in Treasury Regulation Section 1.368-1(d)).
9. Except (i) as otherwise provided in Section 8.3 of the Merger Agreement, (ii) as otherwise provided in that certain side letter dated September 6, 2012 by and among Realty Income, AR Capital, LLC and Nicholas S. Schorsch, and (iii) for certain fees for printing, filing and distribution services relating to the Form S-4 and Joint Proxy Statement, which Realty Income and ARCT have agreed to share equally, Realty Income, Merger Sub, ARCT, and the shareholders of ARCT will each pay their respective expenses, if any, incurred in connection with the Merger and the other transactions contemplated by the Merger Agreement.
10. There is no intercorporate indebtedness existing between Realty Income (or any of its subsidiaries, including Merger Sub), on the one hand, and ARCT (or any of its subsidiaries), on the other hand, that was issued, acquired or will be settled at a discount.

13. The payment of cash, if any, in lieu of fractional shares of Realty Income Common Stock is solely for the purpose of avoiding the expense and inconvenience to Realty Income of issuing fractional shares and does not represent separately bargained-for consideration. The total cash consideration that will be paid in the Merger to ARCT shareholders instead of issuing fractional shares of Realty Income Common Stock will not exceed one percent of the total consideration that will be issued in the Merger to ARCT shareholders in exchange for their shares of ARCT Common Stock. The fractional share interests of each ARCT shareholder will be aggregated, and no ARCT shareholder, with the possible exception of shareholders whose holdings are in multiple accounts, held under separate names, held jointly or with multiple brokers, will receive cash in an amount equal to or greater than the value of one full share of Realty Income Common Stock.
14. None of the payments received (or to be received) by any shareholder-employee or shareholder-independent contractor of ARCT that are designated as compensation will be separate consideration for, or allocable to, any ARCT Common Stock held by such shareholder-employee or shareholder-independent contractor; none of the shares of Realty Income Common Stock received by any shareholder-employees or shareholder-independent contractor was (or will be) separate consideration for, or allocable to, any employment, consulting or similar arrangement or agreement; and the compensation paid (or to be paid) to any shareholder-employees or shareholder-independent contractor was (or will be) for services actually rendered or to be rendered and was (or will be) commensurate with amounts paid to third parties bargaining at arm's length for similar services. No portion of the Merger Consideration will be received by a ARCT shareholder as a creditor, employee, or in any other capacity other than as a ARCT shareholder.
15. The Merger Agreement and the transactions contemplated therein represent the full and complete agreement among Realty Income, Merger Sub and the ARCT regarding the Merger, and there are no other written or oral agreements regarding the Merger other than those expressly referred to or contemplated in the Merger Agreement.
16. ARCT is an investment company as defined in Section 368(a)(2)(F)(iii) and Section 368(a)(2)(F)(iv). ARCT meets the requirements of Section 368(a)(2)(F)(i) because it is a REIT.
17. The Merger is effected pursuant to Maryland and Delaware statutes as a result of which the following events will occur simultaneously at the Effective Time: (i) all of the assets and liabilities of ARCT become the assets and liabilities of Merger Sub and (ii) ARCT's separate legal existence ceases.
18. ARCT will not take any position on any federal, state or local income or franchise tax return, or any other tax reporting position, that is inconsistent with the treatment of the Merger as a reorganization within the meaning of Section 368(a) and the Treasury Regulations promulgated thereunder.
19. The undersigned is authorized to make all of the representations set forth herein on behalf of ARCT.

For purposes of this representation, the term redeem, reacquire, or acquire includes a redemption, reacquisition or acquisition, as the case may be, actually or in substance, including through derivative transactions such as collars or put protection arrangements, which have the economic effect of a transfer of the burdens, benefits, or other aspects of ownership.

Section 2.2 Indemnification for Failure to Specially Allocate.

(a) In the event the Operating Partnership breaches its obligation to make the Fee Allocation in Section 2.1(a), the Operating Partnership shall promptly pay the Special LP an amount of cash equal to the estimated Make Whole Amount applicable to such breach. If it is later determined that the true Make Whole Amount applicable to the Special LP exceeds the estimated Make Whole Amount, then the Operating Partnership shall pay such excess to the Special LP promptly after such determination, and if such estimated Make Whole Amount exceeds the true Make Whole Amount, then the Special LP shall promptly refund such excess to the Operating Partnership, but only to the extent such excess was actually received by the Special LP or its direct or indirect owners.

(b) Notwithstanding any provision of this Agreement to the contrary, the sole and exclusive rights and remedies of the Special LP under Section 2.1(a) shall be a claim against the Operating Partnership for the Make Whole Amount as set forth in this Section 2.2, and the Special LP shall not be entitled to pursue a claim for specific performance of the covenants set forth in Section 2.1(a). Furthermore, the Operating Partnership makes no representation or warranty to the Special LP concerning the treatment or effect of the Fee Allocation, and bears no responsibility for any tax liability of the Special LP or Affiliate thereof that is attributable to a reallocation through a Final Determination of the Fee Allocation (other than a reallocation that results from any act or omission taken by REIT or one of its Affiliates in violation of Section 2.1 of this Agreement).

Section 2.3 Liquidation and Net Worth Maintenance.

(a) If the REIT or its successor (or an affiliate of REIT or its successor) causes the Operating Partnership to liquidate prior to the expiration of the Tax Protection Period, immediately prior to such liquidation, the Units held by the Special LP shall be treated as exchanged for a number of shares of the REIT or the cash equivalent, as set forth in the OP Agreement, and the Special LP shall not have a DRO in connection with such exchange or liquidation.

(b) (i) The Operating Partnership will not make any distributions of cash or other property to Merger Sub or its Affiliates to the extent that, after such distribution, the Net Value would be less than \$750 million.

(ii) To the extent the Operating Partnership makes a distribution in violation of the above limitation, any future DRO of the Special LP shall be reduced to the extent attributable to such violation.

(iii) If the Special LP disagrees with Merger Sub's determination of Net Value, it may demand by written notice to the Merger Sub to engage in an appraisal process as follows: Merger Sub and the Special LP shall each pick a Qualified Appraiser to value the Operating Partnership's assets and liabilities and determine their Net Value. If the lower of the two appraisals is at least 90% of the higher appraisal, then the Net Value of the Operating Partnership shall equal the average of the two appraisals. If the lower of the two appraisals is less than 90% of the higher appraisal, then (A) the two Qualified Appraisers shall select a third Qualified Appraiser to determine the Net Value of the Operating Partnership, (B) such third Appraiser shall select from the two existing appraisals the one that is closer to the third Qualified Appraiser's determination of the Net Value of the Operating Partnership, and (C) the Net Value of the Operating Partnership shall be equal to the amount of such selected appraisal that is closest to the third Qualified Appraiser's determination. Such appraisal process shall be conducted at the expense of the Special LP. As used herein, Qualified Appraiser shall mean (A) an individual and/or firm that is not, as of the date of appointment, and has not been within five (5) years prior to such date, employed by such party or any of its affiliates, either directly or as a consultant, in connection with any other matter, (B) be a Member of the Appraisal Institute (or any successor organization thereto) and (C) have been active over the five (5) year period ending on the date of such appointment in the appraisal of assets and liabilities comparable to the assets and liabilities of the Operating Partnership.

(iv) In the event the Net Value determined pursuant to the above appraisal process is less than \$750m, and if the Net Value does not increase (through property contributions to the Operating Partnership or otherwise) within 30 days after the date of such determination, any future DRO of the Special LP shall be reduced to the extent attributable to such violation.

(c) In the event the REIT or its successor (or an affiliate of REIT or its successor) causes the Operating Partnership to liquidate under Section 2.3(a), or there is a reduction in the Special LP's DRO under Section 2.3(b), the Operating Partnership shall promptly pay the Special LP an amount of cash equal to the estimated Make Whole Amount applicable to such breach. If it is later determined that the true Make Whole Amount applicable to the Special LP exceeds the estimated Make Whole Amount, then the Operating Partnership

shall pay such excess to the Special LP promptly after such determination, and if such estimated Make Whole Amount exceeds the true Make Whole Amount, then the Special LP shall promptly refund such excess to the Operating Partnership, but only to the extent such excess was actually received by the Special LP or its direct or indirect owners.

Section 2.4 Approved Liability Maintenance and Guaranty.

(a) During the Tax Protection Period, the Operating Partnership shall: (1) maintain on a continuous basis an amount of Approved Liabilities at least equal to the Required Liability Amount; and (2) prior to the repayment of any Guaranteed Liabilities, provide the Special LP, promptly upon request, with a description of the nature and amount of any Approved Liabilities that are available to be guaranteed by the Special LP pursuant to Section 2.4(b) of this Agreement. For the avoidance of doubt, and notwithstanding any other provision of this Agreement, the Operating Partnership shall not be required to maintain any amount of Approved Liabilities in excess of the Required Liability Amount.

(b)(i) During the Tax Protection Period, the Operating Partnership shall provide the Special LP with the opportunity to provide one or more bottom dollar guaranties, substantially in the form of a Guaranty, or otherwise in a form and manner that is reasonably acceptable to the Special LP and Merger Sub, of one or more Approved Liabilities in an amount up to the Required Liability Amount (each such opportunity and each opportunity required by Section 2.4(c), a Guaranty Opportunity. The Operating Partnership shall have the discretion to identify the Approved Liability or Approved Liabilities that shall be made available for guaranty by the Special LP. The Special LP shall bear the costs incurred by it in connection with the execution of any Guaranty to which it is a party. To the extent the Special LP executes a Guaranty, the Operating Partnership shall deliver a copy of such guaranty to the lender under the Guaranteed Liability promptly after receiving such copy from the Special LP.

(c) During the Tax Protection Period, the Operating Partnership shall not allow a Debt Notification Event to occur unless the Operating Partnership provides at least forty-five (45) days' written notice (a Section 2.4 Notice) to the Special LP. The Section 2.4 Notice shall describe the Debt Notification Event and designate one or more Approved Liabilities that may be guaranteed by the Special LP pursuant to Section 2.4(b) of this Agreement in an amount equal to the amount of the refinanced or repaid Approved Liability that was guaranteed by the Special LP immediately prior to the date of the refinancing or repayment. If the Special LP desires to execute a guaranty following the receipt of a Section 2.4 Notice, it shall provide the Operating Partnership with notice thereof within twenty-two (22) days after the date of the Section 2.4 Notice.

(d) Provided the Operating Partnership satisfies its obligations under Section 2.4(a), (b) and (c) of this Agreement, it shall have no liability to the Special LP under Section 2.4(e) for breach of Section 2.4, whether or not the Special LP accepts its Guaranty Opportunity. Furthermore, the Operating Partnership makes no representation or warranty to the Special LP concerning the treatment or effect of any guaranty under Federal, state, local, or foreign tax law, and bears no responsibility for any tax liability of the Special LP or Affiliate thereof that is attributable to a reallocation, by a Final Determination, of debt subject to a guaranty (other than a reallocation that results from any act or omission taken by the Operating Partnership or one of its Affiliates in violation of this Section 2.4 or an act or omission that is indemnifiable under Section 2.4(e) of this Agreement).

(e) If the Operating Partnership shall fail to comply with any provision of this Section 2.4, the Operating Partnership shall pay, promptly after such failure, a Make Whole Payment to the Special LP as a result of such failure equal to the estimated Make Whole Amount applicable to such failure. If it is determined that the true Make Whole Amount applicable to the Special LP exceeds the estimated Make Whole Amount applicable to the Special LP, then the Operating Partnership shall pay such excess to the Special LP promptly after the date of such determination, and if such estimated Make Whole Amount exceeds the true Make Whole Amount, then the Special LP shall pay such excess to the Operating Partnership promptly after the date of such determination, but only to the extent such excess was actually received by the Special LP.

(f) If the Operating Partnership's failure to comply with any provision of this Section 2.4 results in the Special LP having the opportunity to Guaranty Approved Liabilities which are less than the Required Liability Amount, then the Special LP shall be permitted to exchange for a number of shares of the REIT or the cash equivalent, as set forth in the OP Agreement, a number of Units which is proportionate to the shortfall in Guaranty Approved Liabilities. Furthermore, in the case of any such exchange, the Special LP's DRO shall be proportionately reduced, based on the number of Units so exchanged.

(g) Notwithstanding any provision of this Agreement to the contrary, the sole and exclusive rights and remedies of the Special LP for a breach or violation of the covenants set forth in Section 2.4 shall be a claim against the Operating Partnership for the Make Whole Amount as set forth in Section 2.4(e) and the adjustments described in Section 2.4(f), and the Special LP shall not be entitled to pursue a claim for specific performance of the covenants set forth in Section 2.4.

Section 2.5 Gross Asset Value Adjustment. The Special LP may request that the Operating Partnership undertake a transaction that is expected to result in the adjustment to the Gross Asset Value (as defined in the OP Agreement) of the assets of the Operating Partnership. In such case, the Operating Partnership shall be entitled to select such transaction in its sole and absolute discretion, but shall engage in such transaction within forty-five days after its receipt of such request.

Section 2.6 Dispute Resolution. Any controversy, dispute, or claim of any nature arising out of, in connection with, or in relation to the interpretation, performance, enforcement or breach of this Agreement (and any closing document executed in connection herewith) shall be governed by Section 9.11 and 9.12 of the Merger Agreement.

In addition, it is the intent of the parties hereto that no distribution to any Limited Partner shall be deemed a return of money or other property in violation of the Act. However, if any court of competent jurisdiction holds that, notwithstanding the provisions of this Agreement, any Limited Partner is obligated to return such money or property, such obligation shall, to the fullest extent permitted by law, be the obligation of such Limited Partner and not of the General Partner. Without limiting the generality of the foregoing, a deficit Capital Account of a Partner shall not be deemed to be a liability of such Partner nor an asset or property of the Partnership.

Except as otherwise provided in Section 1.704-2(f) of the Regulations, if there is a net decrease in Partnership Minimum Gain for any Partnership fiscal year, each Partner shall be specially allocated items of Partnership income and gain for such year (and, if necessary, subsequent years) in an amount equal to such Partner's share of the net decrease in Partnership Minimum Gain to the extent required by Section 1.704-2(f) of the Regulations. The items to be so allocated shall be determined in accordance with Sections 1.704-2(f) and (i) of the Regulations. This Section 5.01(c)(i) is intended to comply with the minimum gain chargeback requirement in Section 1.704-2(f) of the Regulations and shall be interpreted consistently therewith. Allocations pursuant to this Section 5.01(c)(i) shall be made in proportion to the respective amounts required to be allocated to each Partner pursuant hereto.

(ii) Partnership Minimum Gain Chargeback. Except as otherwise provided in Section 1.704-2(i)(4) of the Regulations or in Section 5.01(c)(i) hereof, if there is a net decrease in Partnership Minimum Gain attributable to Partner Nonrecourse Debt Minimum Gain during any fiscal year, each Partner who has a share of the Partnership Minimum Gain attributable to such Partner Nonrecourse Debt Minimum Gain, determined in accordance with Section 1.704-2(i)(5) of the Regulations, shall be specially allocated items of Partnership income and gain for such year (and, if necessary, subsequent years) in an amount equal to that Partner's share of the net decrease in the Partnership Minimum Gain attributable to such Partner Nonrecourse Debt to the extent and in the manner required by Section 1.704-2(i) of the Regulations. The items to be so allocated shall be determined in accordance with Sections 1.704-2(i)(4) and (j)(2) of the Regulations. (iv) Nonrecourse Deductions. Nonrecourse Deductions for any fiscal year or other applicable period shall be allocated to the Partners in accordance with their respective Percentage Interests.

(v) Partner Nonrecourse Deductions. (vi) Section 754 Adjustment. To the extent an adjustment to the adjusted tax basis of any asset of the Partnership pursuant to Section 734(b) of the Code or Section 743(b) of the Code is required, pursuant to Section 1.704-1(b)(2)(iv)(m) of the Regulations, to be taken into account in determining Capital Accounts, the amount of such adjustment to the Capital Accounts shall be treated as an item of gain (if the adjustment increases the basis of the asset) or loss (if the adjustment decreases such basis) and such gain or loss shall be specially allocated among the Partners in a manner consistent with the manner in which each of their respective Capital Accounts are required to be adjusted pursuant to such section of the Regulations.

(vii) Capital Account Deficits. If any Partner has an Adjusted Capital Account Deficit at the end of any fiscal year or other applicable period, such Partner shall be specially allocated items of Partnership income and gain in the amount of such excess as quickly as possible, provided that an allocation pursuant to this Section 5.01(c)(vii) shall be made only if and to the extent that such Partner would have an Adjusted Capital Account Deficit in excess of such amount after all other allocations provided for under this Agreement have been made as if Section 5.01(c)(iii) and this Section 5.01(c)(vii) were not in this Agreement.

(viii) Curative Allocations. The allocations set forth in Sections 5.01(c)(i), (ii), (iii), (iv), (v), (vi) and (vii) hereof (the **Regulatory Allocations**) are intended to comply with certain regulatory requirements, including the requirements of Sections 1.704-1(b) and 1.704-2 of the Regulations. Notwithstanding the provisions of Sections 5.01(a) and 5.01(b) hereof, the Regulatory Allocations shall be taken into account in allocating other items of income, gain, loss and deduction among the Partners so that to the extent possible without violating the requirements giving rise to the Regulatory Allocations, the net amount of such allocations of other items and the Regulatory Allocations to each Partner shall be equal to the net amount that would have been allocated to each such Partner if the Regulatory Allocations had not occurred.

(d) Special Allocation of Liquidating Gain and Net Property Gain. After giving effect to the special allocations in Section 5.01(c) but prior to the allocations set forth in Section 5.01(a) and (b), Liquidating Gain, and starting with the first January after the fifth anniversary of the Effective Date, Net Property Gain shall be allocated to AREP in respect of its Class A Common Units until AREP has a Capital Account balance of \$13 million.

(e) Allocations Between Transferor and Transferee. If a Partner transfers any part or all of its Partnership Interest, the distributive shares of the various items of Net Income and Net Loss allocable among the Partners during such fiscal year of the Partnership shall be allocated between the transferor and the transferee Partner either (i) as if the Partnership's fiscal year had ended on the date of the transfer or (ii) based on the number of days of such fiscal year that each was a Partner without regard to the results of Partnership activities in the respective portions of such fiscal year in which the transferor and the transferee were Partners. The General Partner, in its sole and absolute discretion, shall determine which method shall be used to allocate the distributive shares of the various items of Net Income and Net Loss between the transferor and the transferee Partner.

(f) Tax Allocations.

(i) Items of Income or Loss. Except as is otherwise provided in this Section 5.01, an allocation of Partnership Net Income, Net Loss, Liquidating Gain or Net Property Gain to a Partner shall be treated

as an allocation to such Partner of the same share of each item of income, gain, loss, deduction and item of tax-exempt income or Section 705(a)(2)(B) expenditure (or item treated as such expenditure pursuant to Section 1.704-1(b)(2)(iv)(i) of the Regulations) (**Tax Items**) that is taken into account in computing Net Income, Net Loss, Liquidating Gain or Net Property Gain.

(ii) **Section 1245/1250 Recapture**. Subject to Section 5.01(f)(iii) below, if any portion of gain from the sale of Partnership assets is treated as gain which is ordinary income by virtue of the application of Sections 1245 or 1250 of the Code (**Affected Gain**), then such Affected Gain shall be allocated among the Partners in the same proportion that the depreciation and amortization deductions giving rise to the Affected Gain were allocated. This Section 5.01(f)(ii) shall not alter the amount of Net Income, Liquidating Gain or Net Property Gain (or items thereof) allocated among the Partners, but merely the character of such Net Income, Liquidating Gain or Net Property Gain (or items thereof). For purposes hereof, in order to determine the proportionate allocations of depreciation and amortization deductions for each fiscal year or other applicable period, such deductions shall be deemed allocated on the same basis as Net Income, Net Loss, Liquidating Gain and Net Property Gain for such respective period.

(iii) **Precontribution Gain, Revaluations**. With respect to any Contributed Property, the Partnership shall use the traditional method contained in the Regulations promulgated under Section 704(c) of the Code, in its sole discretion, to take into account any variation between the adjusted basis of such asset and the fair market value of such asset as of the time of the contribution (**Precontribution Gain**). Each Partner hereby agrees to report income, gain, loss and deduction on such Partner's federal income tax return in a manner consistent with the method used by the Partnership. If any asset has a Gross Asset Value which is different from the Partnership's adjusted basis for such asset for federal income tax purposes because the Partnership has revalued such asset pursuant to Section 1.704-1(b)(2)(iv)(f) of the Regulations, the allocations of Tax Items shall be made in accordance with the principles of Section 704(c) of the Code and the Regulations and the methods of allocation promulgated thereunder. The intent of this Section 5.01(f)(iii) is that each Partner who contributed to the capital of the Partnership a Contributed Property will bear, through reduced allocations of depreciation, increased allocations of gain or other items, the tax detriments associated with any Precontribution Gain. This Section 5.01(f)(iii) is to be interpreted consistently with such intent.

(iv) **Excess Nonrecourse Liability Safe Harbor**. Pursuant to Section 1.752-3(a)(3) of the Regulations, solely for purposes of determining each Partner's proportionate share of the excess nonrecourse liabilities of the Partnership (as defined in Section 1.752-3(a)(3) of the Regulations), the Partners' respective interests in Partnership profits shall be determined under any permissible method reasonably determined by the General Partner; **provided, however**, that each Partner who has contributed an asset to the Partnership shall be allocated, to the extent possible, a share of excess nonrecourse liabilities of the Partnership which results in such Partner being allocated nonrecourse liabilities in an amount which is at least equal to the amount of income pursuant to Section 704(c) of the Code and the Regulations promulgated thereunder (the **Liability Shortfall**). If there is an insufficient amount of nonrecourse liabilities to be able to allocate to each Partner nonrecourse liabilities equal to the Liability Shortfall, nonrecourse liabilities shall be allocated to each Partner in pro rata in accordance with each such Partner's Liability Shortfall.

5.02 Distribution of Cash.

(a) **Distributions Generally**. Subject to the other provisions of this Section 5.02 and to the provisions of Section 5.06 hereof, the Partnership shall distribute cash at such times and in such amounts as are, subject to the terms and conditions of this Agreement, determined by the General Partner in its sole and absolute discretion, to the Partners who are Partners on the Partnership Record Date with respect to such month (or other distribution period) on the Partnership Record Date in the following order of priority:

(i) first, to the holders of Preferred Units in accordance with each such holder's Preferred Return Per Preferred Unit with respect to all Preferred Units held by such holder, less that aggregate amount previously distributed with respect to such holder's Preferred Units pursuant to this Section 5.02(a)(i);

(ii) Second, to the holders of Class A Common Units in accordance with each such holder's Preferred Return Per Class A Unit with respect to all Class A Common Units held by such holder, less the aggregate amount previously distributed with respect to such holder's Class A Common Units pursuant to this Section 5.02(a)(ii); and

(iii) Third, to the holders of Class B Common Units in proportion to the total number of Partnership Units held by them on the Partnership Record Date.

(b) Reserved.

(c) Notwithstanding any other provision of this Agreement, the General Partner is authorized to take any action that it determines to be necessary or appropriate to cause the Partnership to comply with any withholding requirements established under the Code or any other federal, state or local law including, without limitation, pursuant to Sections 1441, 1442, 1445 and 1446 of the Code. To the extent that the Partnership is required to withhold and pay over to any taxing authority any amount resulting from the allocation or distribution of income to a Partner or assignee (including by reason of Section 1446 of the Code), either (i) if the actual amount to be distributed to the Partner (the **Distributable Amount**) equals or exceeds the Withheld Amount, the entire Distributable Amount shall be treated as a distribution of cash to such Partner, or (ii) if the Distributable Amount is less than the Withheld Amount, the excess of the Withheld Amount over the Distributable Amount shall be treated as a Partnership Loan from the Partnership to the Partner on the day the Partnership pays over such amount to a taxing authority. A Partner shall repay a Partnership Loan upon the demand of the Partnership or, alternatively, through withholding by the Partnership with respect to subsequent distributions to the applicable Partner or assignee. In the event that a Limited Partner fails to pay any amount owed to the Partnership with respect to the Partnership Loan within 15 days after demand for payment thereof is made by the Partnership on the Limited Partner, the General Partner, in its sole and absolute discretion, may elect to make the payment to the Partnership on behalf of such Defaulting Limited Partner. In such event, on the date of payment, the General Partner shall be deemed to have extended a General Partner Loan to the Defaulting Limited Partner in the amount of the payment made by the General Partner and the General Partner shall succeed to all rights and remedies of the Partnership against the Defaulting Limited Partner as to that amount. Without limitation, the General Partner shall have the right to receive any distributions that otherwise would be made by the Partnership to the Defaulting Limited Partner until such time as the General Partner Loan has been paid in full, and any such distributions so received by the General Partner shall be treated as having been received by the Defaulting Limited Partner and immediately paid to the General Partner.

Any amounts treated as a Partnership Loan or a General Partner Loan pursuant to this Section 5.02(c) shall bear interest at the lesser of (i) 300 basis points above the base rate on corporate loans at large United States money center commercial banks, as published from time to time in The Wall Street Journal, or (ii) the maximum lawful rate of interest on such obligation, such interest to accrue from the date the Partnership or the General Partner, as applicable, is deemed to extend the loan until such loan is repaid in full.

(d) In no event may a Partner receive a distribution of cash with respect to a Partnership Unit if such Partner is entitled to receive a cash dividend as the holder of record of a REIT Share for which all or part of such Partnership Unit has been or will be redeemed.

5.03 Reserved.

5.04 No Right to Distributions in Kind. No Partner shall be entitled to demand property other than cash in connection with any distributions by the Partnership. Notwithstanding anything to the contrary in this Agreement, the General Partner shall have the right to make distributions in kind to the General Partner.

5.05 Limitations on Distributions. Notwithstanding any of the provisions of this Agreement, no Partner shall have the right to receive, and the Partnership and the General Partner shall not have the right to make, a distribution that violates the Act or other applicable law.

(iv) to borrow or lend money for the Partnership, issue or receive evidences of indebtedness in connection therewith, refinance, increase the amount of, modify, amend or change the terms of, or extend the time for the payment of, any such indebtedness, and secure indebtedness by mortgage, deed of trust, pledge or other lien on the Partnership's assets;

(v) to pay, either directly or by reimbursement, for all operating costs and general administrative expenses of the Partnership to third parties or to the General Partner or its Affiliates as set forth in this Agreement;

(vi) to guarantee or become a co-maker of indebtedness of the Company and any Subsidiary of the Company, including the General Partner or the Partnership, refinance, increase the amount of, modify, amend or change the terms of, or extend the time for the payment of, any such guarantee or indebtedness, and secure such guarantee or indebtedness by mortgage, deed of trust, pledge or other lien on the Partnership's assets;

(vii) to use assets of the Partnership (including, without limitation, cash on hand) for any purpose consistent with this Agreement, including, without limitation, payment, either directly or by reimbursement, of all operating costs and general and administrative expenses of the General Partner, the Company, the Partnership or any Subsidiary of either, to third parties or to the General Partner as set forth in this Agreement;

(viii) to lease all or any portion of any of the Partnership's assets, whether or not the terms of such leases extend beyond the termination date of the Partnership and whether or not any portion of the Partnership's assets so leased are to be occupied by the lessee, or, in turn, subleased in whole or in part to others, for such consideration and on such terms as the General Partner may determine;

(ix) to prosecute, defend, arbitrate or compromise any and all claims or liabilities in favor of or against the Partnership, on such terms and in such manner as the General Partner may reasonably determine, and similarly to prosecute, settle or defend litigation with respect to the Partners, the Partnership or the Partnership's assets;

- (xxiv) to take such other action, execute, acknowledge, swear to or deliver such other documents and instruments, and perform any and all other acts that the Company or the General Partner deems necessary or appropriate such that the Company shall continue to satisfy the requirements for qualification as a REIT under the Code and Regulations (**REIT Requirements**) and avoid any federal income or excise tax liability; provided, however, the General Partner shall not be bound to comply with this covenant to the extent any distributions required to be made in order to satisfy the

Table of Contents

REIT Requirements would violate the Act or other applicable law or contravene the terms of any notes, mortgages or other types of debt obligations to which the Partnership may be subject in conjunction with borrowed funds.

(b) Except as otherwise provided herein or in the Act, to the extent the duties of the General Partner require expenditures of funds to be paid to third parties, the General Partner shall not have any obligations hereunder except to the extent that Partnership funds are reasonably available to it for the performance of such duties, and nothing herein contained shall be deemed to authorize or require the General Partner, in its capacity as such, to expend its individual funds for payment to third parties or to undertake any individual liability or obligation on behalf of the Partnership.

6.02 Delegation of Authority. The General Partner may delegate any or all of its powers, rights and obligations hereunder, and may appoint, employ, contract or otherwise deal with any Person for the transaction of the business of the Partnership, which Person may, under supervision of the General Partner, perform any acts or services for the Partnership as the General Partner may approve.

6.03 Indemnification and Exculpation of Indemnitees.

(a) To the fullest extent permitted by law, the Partnership shall indemnify an Indemnatee from and against any and all losses, claims, damages, liabilities, joint or several, expenses (including reasonable legal fees and expenses), judgments, fines, settlements, and other amounts arising from any and all claims, demands, actions, suits or proceedings, civil, criminal, administrative or investigative, that relate to the operations of the Partnership as set forth in this Agreement in which any Indemnatee may be involved, or is threatened to be involved, as a party or otherwise, unless it is established that: (i) the act or omission of the Indemnatee was material to the matter giving rise to the proceeding and either was committed in bad faith or was the result of active and deliberate dishonesty; (ii) the Indemnatee actually received an improper personal benefit in money, property or services; or (iii) in the case of any criminal proceeding, the Indemnatee had reasonable cause to believe that the act or omission was unlawful. The parties hereto agree, that the termination of any proceeding by judgment, order or settlement does not create a presumption that the Indemnatee did not meet the requisite standard of conduct set forth in this Section 6.03(a). The parties hereto agree, that the termination of any proceeding by conviction or upon a plea of nolo contendere or its equivalent, or an entry of an order of probation prior to judgment, creates a rebuttable presumption that the Indemnatee acted in a manner contrary to that specified in this Section 6.03(a). Any indemnification pursuant to this Section 6.03 shall be made only out of the assets of the Partnership.

(b) The Partnership shall reimburse an Indemnatee for reasonable expenses incurred by an Indemnatee who is a party to a proceeding in advance of the final disposition of the proceeding upon receipt by the Partnership of (i) a written affirmation by the Indemnatee of the Indemnatee's good faith belief that the standard of conduct necessary for indemnification by the Partnership as authorized in this Section 6.03 has been met, and (ii) a written undertaking by or on behalf of the Indemnatee to repay the amount if it shall ultimately be determined that the standard of conduct has not been met.

(c) The indemnification provided by this Section 6.03 shall be in addition to any other rights to which an Indemnatee or any other Person may be entitled under any agreement, pursuant to any vote of the Partners, as a matter of law or otherwise, and shall continue as to an Indemnatee who has ceased to serve in such capacity.

(d) The Partnership may purchase and maintain insurance, as an expense of the Partnership, on behalf of the Indemnitees and such other Persons as the General Partner shall determine, against any liability that may be asserted against or expenses that may be incurred by such Person in connection with the Partnership's activities, regardless of whether the Partnership would have the power to indemnify such Person against such liability under the provisions of this Agreement.

Table of Contents

(e) For purposes of this Section 6.03, the Partnership shall be deemed to have requested an Indemnitee to serve as fiduciary of an employee benefit plan whenever the performance by it of its duties to the Partnership also imposes duties on, or otherwise involves services by, it to the plan or participants or beneficiaries of the plan; excise taxes assessed on an Indemnitee with respect to an employee benefit plan pursuant to applicable law shall constitute fines within the meaning of this Section 6.03; and actions taken or omitted by the Indemnitee with respect to an employee benefit plan in the performance of its duties for a purpose reasonably believed by it to be in the interest of the participants and beneficiaries of the plan shall be deemed to be for a purpose that is not opposed to the best interests of the Partnership.

(f) In no event may an Indemnitee subject the Limited Partners to personal liability by reason of the indemnification provisions set forth in this Agreement.

(g) An Indemnitee shall not be denied indemnification in whole or in part under this Section 6.03 because the Indemnitee had an interest in the transaction with respect to which the indemnification applies if the transaction was otherwise permitted by the terms of this Agreement.

(h) The provisions of this Section 6.03 are for the benefit of the Indemnitees, their heirs, successors, assigns and administrators and shall not be deemed to create any rights for the benefit of any other Persons.

(i) Any amendment, modification or repeal of this Section 6.03 or any provision hereof shall be prospective only and shall not in any way affect the indemnification of an Indemnitee by the Partnership under this Section 6.03 as in effect immediately prior to such amendment, modification or repeal with respect to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when claims relating to such matters may arise or be asserted.

6.04 Liability of the General Partner.

(a) Notwithstanding anything to the contrary set forth in this Agreement, no Indemnitee shall be liable for monetary damages to the Partnership or any Partners for losses sustained or liabilities incurred as a result of errors in judgment or mistakes of fact or law or of any act or omission if any such party acted in good faith. Notwithstanding any provision of this Agreement or otherwise applicable provision of law or equity, the General Partner shall not be in breach of any duty (fiduciary or otherwise) that the General Partner may owe to the Limited Partners or the Partnership or any other Persons bound by this Agreement provided the General Partner, acting in good faith, abides by the terms of this Agreement.

(b) Notwithstanding any provision of this Agreement or otherwise applicable provision of law or equity, the Limited Partners expressly acknowledge that the General Partner is acting for the benefit of the Partnership, the Limited Partners and the Company's stockholders collectively, and that, to the fullest extent permitted by law, the General Partner has no duty (fiduciary or otherwise) and is under no obligation to consider the separate interests of the Limited Partners (including, without limitation, the tax consequences to Limited Partners or the tax consequences of some, but not all, of the Limited Partners) in deciding whether to cause the Partnership to take (or decline to take) any actions. In the event of a conflict between the interests of the stockholders of the Company on the one hand and the Limited Partners on the other, the General Partner shall endeavor in good faith to resolve the conflict in a manner not adverse to either the stockholders of the Company or the Limited Partners; provided, however, that for so long as the General Partner owns a controlling interest in the Partnership, any such conflict that the General Partner, in its sole and absolute discretion, determines cannot be resolved in a manner not adverse to either the stockholders of the Company or the Limited Partners shall be resolved in favor of the stockholders of the Company. The General Partner shall not be liable to the Partners or the Partnership for monetary damages for losses sustained, liabilities incurred or benefits not derived by the Limited Partners or the Partnership in connection with such decisions.

(c) Subject to its obligations and duties as General Partner set forth in Section 6.01 hereof, the General Partner may exercise any of the powers granted to it under this Agreement and perform any of the duties imposed upon it hereunder either directly or by or through its agents. The General Partner shall not be responsible or liable to the Limited Partners or the Partnership for any misconduct or negligence on the part of any such agent appointed by it in good faith.

(d) Notwithstanding any other provisions of this Agreement or the Act, any action of the General Partner on behalf of the Partnership or any decision of the General Partner to refrain from acting on behalf of the Partnership, undertaken in the good faith belief that such action or omission is necessary or advisable in order (i) to protect the ability of the Company to continue to qualify as a REIT or (ii) to prevent the Company from incurring any taxes under Section 857, Section 4981 or any other provision of the Code, is expressly authorized under this Agreement and is deemed approved by all of the Limited Partners.

(e) Any amendment, modification or repeal of this Section 6.04 or any provision hereof shall be prospective only and shall not in any way affect the limitations on the General Partner's or any of its officer's, director's, agent's or employee's liability to the Partnership and the Limited Partners under this Section 6.04 as in effect immediately prior to such amendment, modification or repeal with respect to matters occurring, in whole or in part, prior to such amendment, modification or repeal, regardless of when claims relating to such matters may arise or be asserted.

6.05 Partnership Obligations.

(a) Except as provided in this Section 6.05 and elsewhere in this Agreement (including the provisions of Articles V and VI hereof regarding distributions, payments and allocations to which it may be entitled), the General Partner shall not be compensated for its services as general partner of the Partnership.

(b) All Administrative Expenses shall be obligations of the Partnership, and the General Partner and the Company shall be entitled to reimbursement by the Partnership for any expenditure (including Administrative Expenses) incurred on behalf of the Partnership that shall be made other than out of the funds of the Partnership.

6.06 Outside Activities. Subject to Section 6.08 hereof, the Charter and any agreements entered into by the General Partner, the Company or any of their respective Affiliates with the Partnership or a Subsidiary, any officer, director, employee, agent, trustee, Affiliate or stockholders of the Company, the General Partner and the Company shall be entitled to and may have business interests and engage in business activities in addition to those relating to the Partnership, including business interests and activities substantially similar or identical to those of the Partnership, and the doctrine of corporate opportunity or any analogous doctrine shall not apply to such business interest or activities. Neither the Partnership nor any of the Limited Partners shall have any rights by virtue of this Agreement in any such business ventures, interest or activities. None of the Limited Partners nor any other Person bound by this Agreement shall have any rights by virtue of this Agreement or the partnership relationship established hereby in any such business ventures, interests or activities, and the General Partner and the Company, (i) shall have no duty or obligation (fiduciary or otherwise) pursuant to this Agreement to offer any interest in any such business ventures, interests and activities to the Partnership or any Limited Partner, even if such opportunity is of a character that, if presented to the Partnership or any Limited Partner, could be taken by such Person, and (ii) shall not be liable to the Partnership or to the Limited Partners for breach of any fiduciary or other duty existing at law, in equity or otherwise by reason of the fact that the General Partner or the Company pursues or acquires for, or directs such business ventures, interests or activities to another Person or does not communicate such opportunity or information to the Partnership.

6.07 Employment or Retention of Affiliates.

(a) Any Affiliate of the General Partner may be employed or retained by the Partnership and may otherwise deal with the Partnership (whether as a buyer, lessor, lessee, manager, furnisher of goods or services, broker, agent, lender or otherwise) and may receive from the Partnership any compensation, price or other payment therefor that the General Partner determines to be fair and reasonable.

Table of Contents

(b) The Partnership may lend or contribute to its Subsidiaries or other Persons in which it has an equity investment, and such Persons may borrow funds from the Partnership, on terms and conditions established in the sole and absolute discretion of the General Partner. The foregoing authority shall not create any right or benefit in favor of any Subsidiary or any other Person.

(c) The Partnership may transfer assets to joint ventures, other partnerships, corporations or other business entities in which it is or thereby becomes a participant upon such terms and subject to such conditions as the General Partner deems are consistent with this Agreement and applicable law.

6.08 Company and General Partner Activities. Consistent with Section 6.06, the Limited Partners understand and agree that, generally, all business activities of the General Partner and the Company, including activities pertaining to the acquisition, development, ownership of or investment in single tenant freestanding commercial real estate and related assets, have not been and will not be conducted through the Partnership or one or more Subsidiary Partnerships.

6.09 Title to Partnership Assets. Title to Partnership assets, whether real, personal or mixed and whether tangible or intangible, shall be deemed to be owned by the Partnership as an entity, and no Partner, individually or collectively, shall have any ownership interest in such Partnership assets or any portion thereof. Title to any or all of the Partnership assets may be held in the name of the Partnership, the General Partner or one or more nominees, as the General Partner may determine, including Affiliates of the General Partner. The General Partner hereby declares and warrants that any Partnership assets for which legal title is held in the name of the General Partner or any nominee or Affiliate of the General Partner shall be held by the General Partner for the use and benefit of the Partnership in accordance with the provisions of this Agreement; provided, however, that the General Partner shall use its best efforts to cause beneficial and record title to such assets to be vested in the Partnership as soon as reasonably practicable. All Partnership assets shall be recorded as the property of the Partnership in its books and records, irrespective of the name in which legal title to such Partnership assets is held.

ARTICLE VII.

CHANGES IN THE COMPANY OR THE GENERAL PARTNER

7.01 Transfer of the General Partner's Partnership Interest.

(a) The General Partner shall not transfer all or any portion of its General Partner Interests, and the General Partner shall not withdraw as General Partner, except as provided in or in connection with a transaction contemplated by Section 7.01(c) hereof.

(b) The General Partner agrees that its General Partner Interest will at all times be in the aggregate at least 0.1% of the Partnership Interests.

(c) Notwithstanding anything in this Section 7.01, the General Partner may transfer all or any portion of its General Partner Interest to the Company or any wholly owned Subsidiary of the Company, and following a transfer of all of its General Partner Interest, may withdraw as General Partner. In the event that the General Partner transfers its entire General Partner Interest and the transferee is admitted to the Partnership as a substitute General Partner in accordance with this Agreement, such transferee shall be deemed admitted to the Partnership as a General Partner immediately prior to the transfer and such transferee shall continue the business of the Partnership without dissolution.

7.02 Merger of Company.

(a) Except as otherwise provided in Section 7.02(b) or (c) hereof, the Company shall not engage in any merger, consolidation or other combination with or into another Person or sale of all or substantially all of its

assets (other than in connection with a change in the Company's state of incorporation or organizational form), in each case which results in a Change of Control of the Company (a **Transaction**), unless at least one of the following conditions is met:

(i) the Consent of the Class A Limited Partners is obtained;

(ii) as a result of such Transaction, (x) all Limited Partners holding Class A Common Units will receive, or have the right to receive, for each such Class A Common Unit held by such Limited Partners an amount of cash, securities or other property equal in value to the product of the Conversion Factor and the greatest amount of cash, securities or other property paid in the Transaction to a holder of one REIT Share in consideration of one REIT Share, provided that if, in connection with such Transaction, a purchase, tender or exchange offer (**Offer**) shall have been made to and accepted by the holders of more than 50% of the outstanding REIT Shares, each holder of Class A Common Units (other than the General Partner and any Subsidiary of the General Partner) shall be given the option to exchange its Class A Common Units for the greatest amount of cash, securities or other property that such Limited Partner would have received had it (A) exercised its Common Unit Redemption Right pursuant to Section 8.04 hereof and (B) sold, tendered or exchanged pursuant to the Offer the REIT Shares received upon exercise of the Common Unit Redemption Right immediately prior to the expiration of the Offer and (y) all Limited Partners holding Preferred Units have the option of receiving per Preferred Unit a cash amount equal to the Preferred Cash Amount; or

(iii) the General Partner or the Company is the surviving entity in the Transaction and (x) either (A) the holders of REIT Shares do not receive cash, securities or other property in the Transaction or (B) all Limited Partners holding Class A Common Units receive for each Class A Common Unit held by such Limited Partners an amount of cash, securities or other property (expressed as an amount per REIT Share) that is no less in value than the product of the Conversion Factor and the greatest amount of cash, securities or other property (expressed as an amount per REIT Share) received in the Transaction by any holder of REIT Shares and (y) all Limited Partners holding Preferred Units have the option of receiving per Preferred Unit a cash amount equal to the Preferred Cash Amount.

(b) Notwithstanding Section 7.02(a) hereof, the General Partner or the Company may merge with or into or consolidate with another entity, or sell substantially all of its assets to another entity, if immediately after such merger, consolidation or sale, the surviving or acquiring entity (the **Survivor**) expressly agrees to assume all obligations of the General Partner and the Company hereunder. Notwithstanding any provision of this Agreement and without the consent of any other person, upon such assumption, (i) for all purposes of this Agreement, if the General Partner or the Company is not the Survivor, the Survivor, shall be deemed to be the General Partner hereunder and shall be deemed to be admitted as the general partner of the Partnership, upon its execution of a counterpart to this Agreement, effective simultaneously with the merger or consolidation, (ii) the Survivor shall continue the business of the Partnership without dissolution, and (iii) the Survivor shall have the right and duty to amend this Agreement as set forth in this Section 7.02(b) or in any other manner, if applicable, to reflect the change in the general partner of the Partnership. The Survivor shall in good faith arrive at a new method for the calculation of the Common Cash Amount, the Common REIT Shares Amount and Conversion Factor for a Class A Common Unit after any such merger or consolidation so as to approximate the existing method for such calculation as closely as reasonably possible. Such calculation shall take into account, among other things, the kind and amount of securities, cash and other property that was receivable upon such merger or consolidation by a holder of REIT Shares or options, warrants or other rights relating thereto, and which a holder of Class A Common Units could have acquired had such Class A Common Units been exchanged immediately prior to such merger or consolidation. Such amendment to this Agreement shall provide for adjustment to such method of calculation, which shall be as nearly equivalent as may be practicable to the adjustments provided for with respect to the Conversion Factor. The Survivor also shall in good faith modify the definition of REIT Shares and make such amendments to Section 8.04 or Section 8.05 hereof so as to approximate the existing rights and obligations set forth in Section 8.04 or Section 8.05 hereof as closely as reasonably possible. The above provisions of this Section 7.02(b) shall similarly apply to successive mergers or consolidations permitted hereunder.

Table of Contents

Notwithstanding anything in this Section 7.02, the General Partner or the Company may engage in a transaction required by law or by the rules of any national securities exchange or over-the-counter interdealer quotation system on which the REIT Shares are listed or traded.

7.03 Admission of a Substitute or Additional General Partner. A Person shall be admitted as a substitute or additional General Partner of the Partnership only if the following terms and conditions are satisfied:

(a) the Person to be admitted as a substitute or additional General Partner shall have accepted and agreed to be bound by all the terms and provisions of this Agreement by executing a counterpart hereof, and an amendment to the Certificate of Limited Partnership of the Partnership evidencing the admission of such Person as a General Partner shall have been filed with the office of the Secretary of State of the State of Delaware;

(b) if the Person to be admitted as a substitute or additional General Partner is a corporation or a partnership, it shall have provided the Partnership with evidence satisfactory to counsel for the Partnership of such Person's authority to become a General Partner and to be bound by the terms and provisions of this Agreement; and

(c) counsel for the Partnership shall have rendered an opinion (relying on such opinions from other counsel as may be necessary) that the admission of the Person to be admitted as a substitute or additional General Partner is in conformity with the Act, that none of the actions taken in connection with the admission of such Person as a substitute or additional General Partner will cause (i) the Partnership to be classified other than as a partnership for federal income tax purposes, or (ii) the loss of any Limited Partner's limited liability.

7.04 Effect of Bankruptcy, Withdrawal, Death or Dissolution of General Partner.

(a) Upon the occurrence of an Event of Bankruptcy as to the General Partner (and its removal pursuant to Section 7.05(a) hereof) or the withdrawal, removal or dissolution of the General Partner or any other event that results in the General Partner ceasing to be a general partner of the Partnership under the Act, the Partnership shall be dissolved and its affairs wound up unless the business of the Partnership is continued pursuant to Section 7.04(b) hereof. Notwithstanding anything in this Agreement to the contrary, any successor to the General Partner by merger or consolidation in compliance with Section 7.02(b) shall, without further act of any Person, be the General Partner hereunder, and such merger or consolidation shall not constitute a transfer for purposes of this Agreement and the Partnership shall continue without dissolution.

(b) Following the occurrence of an Event of Bankruptcy as to the General Partner (and its removal pursuant to Section 7.05(a) hereof) or the withdrawal, removal or dissolution of the General Partner or any other event that results in the General Partner ceasing to be a general partner of the Partnership under the Act, the Partnership shall not be dissolved or wound up if the Limited Partners, within 90 days after such occurrence, elect to continue the business of the Partnership for the balance of the term specified in Section 2.04 hereof by selecting effective as of such occurrence, subject to Section 7.03 hereof in writing or vote, a substitute General Partner by the Consent of the Class A Limited Partners. Any substitute General Partner selected by the Limited Partners in accordance with this Section 7.05(b) and admitted to the Partnership in accordance with Section 7.03, shall be deemed admitted to the Partnership effective simultaneously with the occurrence of the event that caused the General Partner to cease to be a general partner of the Partnership. If the Limited Partners elect to continue the business of the Partnership and admit a substitute General Partner, the relationship with the Partners and of any Person who has acquired an interest of a Partner in the Partnership shall be governed by this Agreement.

7.05 Removal of General Partner.

(a) Upon the occurrence of an Event of Bankruptcy as to, or the dissolution of, the General Partner, the General Partner shall be deemed to be removed automatically. To the fullest extent permitted by law, the Limited Partners may not remove the General Partner, with or without cause.

Table of Contents

(b) If the General Partner has been removed pursuant to this Section 7.05 and the Partnership is continued pursuant to Section 7.04 hereof, the General Partner shall promptly transfer and assign its General Partner Interest in the Partnership to the substitute General Partner approved by the Consent of the Class A Limited Partners in accordance with Section 7.04(b) hereof and otherwise be admitted to the Partnership in accordance with Section 7.03 hereof. At the time of assignment, the removed General Partner shall be entitled to receive from the substitute General Partner the fair market value of the General Partner Interest of such removed General Partner as reduced by any damages caused to the Partnership by such General Partner. Such fair market value shall be determined by an appraiser mutually agreed upon by the General Partner and the Class A Limited Partners (exercised through the Consent of the Class A Limited Partners) within ten days following the removal of the General Partner. In the event that the parties are unable to agree upon an appraiser, the removed General Partner and the Class A Limited Partners (exercised through the Consent of the Class A Limited Partners) each shall select an appraiser. Each such appraiser shall complete an appraisal of the fair market value of the removed General Partner's General Partner Interest within 30 days of the General Partner's removal, and the fair market value of the removed General Partner's General Partner Interest shall be the average of the two appraisals; provided, however, that if the higher appraisal exceeds the lower appraisal by more than 20% of the amount of the lower appraisal, the two appraisers, no later than 40 days after the removal of the General Partner, shall select a third appraiser who shall complete an appraisal of the fair market value of the removed General Partner's General Partner Interest no later than 60 days after the removal of the General Partner. In such case, the fair market value of the removed General Partner's General Partner Interest shall be the average of the two appraisals closest in value.

(c) The General Partner Interest of a removed General Partner, during the time after default until transfer under Section 7.05(b) hereof, shall be converted to that of a special Limited Partner; provided, however, such removed General Partner shall not have any rights to participate in the management and affairs of the Partnership, and shall not be entitled to any portion of the income, expense, profit, gain or loss allocations or cash distributions allocable or payable, as the case may be, to the Limited Partners. Instead, such removed General Partner shall receive and be entitled only to retain distributions or allocations of such items that it would have been entitled to receive in its capacity as General Partner, until the transfer is effective pursuant to Section 7.05(b) hereof.

(d) All Partners shall have given and hereby do give such consents, shall take such actions and shall execute such documents as shall be legally necessary and sufficient to effect all the foregoing provisions of this Section 7.05.

ARTICLE VIII.

RIGHTS AND OBLIGATIONS OF THE LIMITED PARTNERS

8.01 Management of the Partnership. The Limited Partners shall not participate in the management or control of Partnership business nor shall they transact any business for the Partnership, nor shall they have the power to sign for or bind the Partnership, such powers being vested solely and exclusively in the General Partner. Notwithstanding anything to the contrary contained in this Agreement, none of the actions taken by any of the Limited Partners hereunder shall constitute participation in the control of the business of the Partnership within the meaning of the Act.

8.02 Power of Attorney. Each Limited Partner hereby irrevocably appoints the General Partner its true and lawful attorney-in-fact, who may act for each Limited Partner and in its name, place and stead, and for its use and benefit, to sign, acknowledge, swear to, deliver, file or record, at the appropriate public offices, any and all documents, certificates and instruments as may be deemed necessary or desirable by the General Partner to carry out fully the provisions of this Agreement and the Act in accordance with their terms, including duly adapted amendments hereto, which power of attorney is coupled with an interest and shall survive and not be affected by

the subsequent death, dissolution or legal incapacity of the Limited Partner, or the transfer by the Limited Partner of any part or all of its Partnership Interest. This power of attorney may be exercised by such attorney-in-fact for all Limited Partners (or any of them) by a single signature of the General Partner acting as attorney-in-fact with or without listing all of the Limited Partners executing an instrument.

8.03 Limitation on Liability of Limited Partners. No Limited Partner, in its capacity as such, shall be liable for any debts, liabilities, contracts or obligations of the Partnership. Except as otherwise provided in this Agreement or under the Act, a Limited Partner shall be liable to the Partnership only to make payments of its Capital Contribution, if any, as and when due hereunder. After its Capital Contribution is fully paid, no Limited Partner shall, except as otherwise required by the Act or as otherwise provided for herein, be required to make any further Capital Contributions or other payments or lend any funds to the Partnership.

8.04 Common Unit Redemption Right.

(a) Subject to Sections 8.04(b), (c), (d), (e) and (f) hereof and the provisions of any agreements between the Partnership and one or more Limited Partners with respect to Class A Common Units held by them, each holder of Class A Common Units shall have the right (the **Common Unit Redemption Right**), for a period of 90 days beginning 30 days after the Chargeback Allocation has occurred in full (the **Initial Common Put Window**) or any time beginning one year after the expiration of the Common Call Window if the General Partner has not delivered a Call Notice pursuant to Section 8.06(a), to require the Company to convert on a Specified Redemption Date all of the Class A Common Units held by such Limited Partner at a redemption price equal to and in the form of the Common Unit Redemption Amount to be paid by the Company. The Common Unit Redemption Right shall be exercised pursuant to a Notice of Exercise of Redemption Right in substantially the form attached hereto as Exhibit B-1 delivered to the Company (with a copy to the General Partner) by the Limited Partner who is exercising the Common Unit Redemption Right (the **Redeeming Common Limited Partner**); provided, however, that the Company shall, in its sole and absolute discretion, have the option to deliver either the Common Cash Amount or the Common REIT Shares Amount; provided, further, that the Company shall not be obligated to satisfy such Common Unit Redemption Right if the Company elects to purchase the Class A Common Units subject to the Notice of Redemption. The Redeeming Common Limited Partner shall have no right, with respect to any Class A Common Units so redeemed, to receive any distribution paid with respect to Class A Common Units if the record date for such distribution is on or after the Specified Redemption Date.

(b) Notwithstanding the provisions of Section 8.04(a) hereof, a Limited Partner that exercises the Common Unit Redemption Right shall be deemed to have offered to sell the Class A Common Units described in the Notice of Redemption to the Company, and the Company may, in its sole and absolute discretion, elect to purchase directly and acquire such Class A Common Units by paying to the Redeeming Common Limited Partner either the Common Cash Amount or the Common REIT Shares Amount, as elected by the Company (in its sole and absolute discretion), on the Specified Redemption Date, whereupon the Company shall acquire the Class A Common Units offered for redemption by the Redeeming Common Limited Partner and shall be treated for all purposes of this Agreement as the owner of such Class A Common Units. If the Company shall elect to exercise its right to purchase Class A Common Units under this Section 8.04(b) with respect to a Notice of Redemption, it shall so notify the Redeeming Common Limited Partner within five business days after the receipt by the Company of such Notice of Redemption.

In the event the General Partner shall exercise its right to purchase Class A Common Units with respect to the exercise of a Common Unit Redemption Right, the Partnership shall have no obligation to pay any amount to the Redeeming Common Limited Partner with respect to such Redeeming Common Limited Partner's exercise of such Common Unit Redemption Right, and each of the Redeeming Common Limited Partner, the Partnership and the General Partner shall treat the transaction between the General Partner and the Redeeming Common Limited Partner for federal income tax purposes as a sale of the Redeeming Common Limited Partner's Class A

Common Units to the General Partner. Each Redeeming Common Limited Partner agrees to execute such documents as the General Partner may reasonably require in connection with the issuance of REIT Shares upon exercise of the Common Unit Redemption Right.

(c) Notwithstanding the provisions of Section 8.04(a) and 8.04(b) hereof, a Limited Partner shall not be entitled to exercise the Common Unit Redemption Right if the delivery of REIT Shares to such Limited Partner on the Specified Redemption Date by the Company pursuant to Section 8.04(b) hereof (regardless of whether or not the Company would in fact exercise its rights under Section 8.04(b) hereof) would (i) result in such Limited Partner or any other Person (as defined in the Charter) owning, directly or indirectly, REIT Shares in excess of the Ownership Limit and calculated in accordance therewith, except as provided in the Charter, (ii) result in REIT Shares being owned by fewer than 100 persons (determined without reference to any rules of attribution), (iii) result in the Company being closely held within the meaning of Section 856(h) of the Code, (iv) cause the Company to own, actually or constructively, 10% or more of the ownership interests in a tenant (other than a TRS) of the Company, the Partnership or a Subsidiary Partnership's real property, within the meaning of Section 856(d)(2)(B) of the Code, (v) otherwise cause the Company to fail to qualify as a REIT under the Code, or (vi) cause the acquisition of REIT Shares by such Limited Partner to be integrated with any other distribution of REIT Shares or Class A Common Units for purposes of complying with the registration provisions of the Securities Act. The Company agrees to maintain an effective registration statement for the issuance or resale of REIT Shares. The General Partner, in its sole and absolute discretion and without the consent of any other Partner or Person, may waive the restriction on redemption set forth in this Section 8.04(c).

(d) Any Common Cash Amount to be paid to a Redeeming Common Limited Partner pursuant to this Section 8.04 shall be paid on the Specified Redemption Date.

(e) Notwithstanding any other provision of this Agreement, the General Partner is authorized to take any action that it determines to be necessary or appropriate to cause the Partnership to comply with any withholding requirements established under the Code or any other federal, state or local law that apply upon a Redeeming Common Limited Partner's exercise of the Common Unit Redemption Right. If a Redeeming Common Limited Partner believes that it is exempt from such withholding upon the exercise of the Common Unit Redemption Right, such Partner must furnish the General Partner with a FIRPTA Certificate in substantially the form attached hereto as Exhibit C-1 or Exhibit C-2. If the Partnership or the General Partner is required to withhold and pay over to any taxing authority any amount upon a Redeeming Common Limited Partner's exercise of the Common Unit Redemption Right and if the Common Unit Redemption Amount equals or exceeds the Withheld Amount, the Withheld Amount shall be treated as an amount received by such Partner in redemption of its Class A Common Units. If, however, the Common Unit Redemption Amount is less than the Withheld Amount, the Redeeming Common Limited Partner shall not receive any portion of the Common Unit Redemption Amount, the Common Unit Redemption Amount shall be treated as an amount received by such Partner in redemption of its Class A Common Units, and the Partner shall contribute the excess of the Withheld Amount over the Common Unit Redemption Amount to the Partnership before the Partnership is required to pay over such excess to a taxing authority.

(f) Notwithstanding any other provision of this Agreement, the General Partner shall place appropriate restrictions on the ability of the Limited Partners to exercise their Common Unit Redemption Rights as and if deemed necessary to ensure that the Partnership does not constitute a publicly traded partnership taxable as a corporation under Section 7704 of the Code. If and when the General Partner determines that imposing such restrictions is necessary, the General Partner shall give prompt written notice thereof (a **Restriction Notice**) to each of the Limited Partners, which notice shall be accompanied by a copy of an opinion of counsel to the Partnership that states that, in the opinion of such counsel, restrictions are necessary in order to avoid the Partnership being treated as a publicly traded partnership under Section 7704 of the Code.

8.05 Preferred Unit Redemption Right.

(a) Subject to Sections 8.05(b), (c), (d) and (e) hereof and the provisions of any agreements between the Partnership and one or more Limited Partners with respect to Preferred Units held by them, for a period of 90 days beginning April 1, 2014 (the **Initial Preferred Put Window**) or any time beginning one year after the expiration of the Preferred Call Window if the General Partner has not delivered a Call Notice pursuant to Section 8.06(b), each holder of Preferred Units shall have the right (the **Preferred Unit Redemption Right**) to require the Partnership to redeem on a Specified Redemption Date all of the Preferred Units held by such Limited Partner at a redemption price equal to and in the form of the Preferred Unit Redemption Amount to be paid by the Partnership. The Preferred Unit Redemption Right shall be exercised pursuant to a Notice of Exercise of Redemption Right in substantially the form attached hereto as Exhibit B-2 delivered to the Partnership (with a copy to the General Partner) by the Limited Partner who is exercising the Preferred Unit Redemption Right (the **Redeeming Preferred Limited Partner**); provided, however, that the Partnership shall not be obligated to satisfy such Preferred Unit Redemption Right if the General Partner elects to purchase the Preferred Units subject to the Notice of Redemption. The Redeeming Preferred Limited Partner shall have no right, with respect to any Preferred Units so redeemed, to receive any distribution paid with respect to Preferred Units if the record date for such distribution is on or after the Specified Redemption Date.

(b) Notwithstanding the provisions of Section 8.05(a) hereof, a Limited Partner that exercises the Preferred Unit Redemption Right shall be deemed to have offered to sell the Preferred Units described in the Notice of Redemption to the General Partner, and the General Partner may, in its sole and absolute discretion, elect to purchase directly and acquire such Preferred Units by paying to the Redeeming Preferred Limited Partner the Preferred Cash Amount on the Specified Redemption Date, whereupon the General Partner shall acquire the Preferred Units offered for redemption by the Redeeming Preferred Limited Partner and shall be treated for all purposes of this Agreement as the owner of such Preferred Units. If the General Partner shall elect to exercise its right to purchase Preferred Units under this Section 8.05(b) with respect to a Notice of Redemption, it shall so notify the Redeeming Preferred Limited Partner within five business days after the receipt by the General Partner of such Notice of Redemption.

In the event the General Partner shall exercise its right to purchase Preferred Units with respect to the exercise of a Preferred Unit Redemption Right, the Partnership shall have no obligation to pay any amount to the Redeeming Preferred Limited Partner with respect to such Redeeming Preferred Limited Partner's exercise of such Preferred Unit Redemption Right, and each of the Redeeming Preferred Limited Partner, the Partnership and the General Partner shall treat the transaction between the General Partner and the Redeeming Preferred Limited Partner for federal income tax purposes as a sale of the Redeeming Preferred Limited Partner's Preferred Units to the General Partner.

(c) Any Preferred Cash Amount to be paid to a Redeeming Preferred Limited Partner pursuant to this Section 8.05 shall be paid on the Specified Redemption Date.

(d) Notwithstanding any other provision of this Agreement, the General Partner is authorized to take any action that it determines to be necessary or appropriate to cause the Partnership to comply with any withholding requirements established under the Code or any other federal, state or local law that apply upon a Redeeming Preferred Limited Partner's exercise of the Preferred Unit Redemption Right. If a Redeeming Preferred Limited Partner believes that it is exempt from such withholding upon the exercise of the Preferred Unit Redemption Right, such Partner must furnish the General Partner with a FIRPTA Certificate in substantially the form attached hereto as Exhibit C-1 or Exhibit C-2. If the Partnership or the General Partner is required to withhold and pay over to any taxing authority any amount upon a Redeeming Preferred Limited Partner's exercise of the Preferred Unit Redemption Right and if the Preferred Unit Redemption Amount equals or exceeds the Withheld Amount, the Withheld Amount shall be treated as an amount received by such Partner in redemption of its Preferred Units. If, however, the Preferred Unit Redemption Amount is less than the Withheld Amount, the Redeeming Preferred Limited Partner shall not receive any portion of the Preferred Unit

Redemption Amount, the Preferred Unit Redemption Amount shall be treated as an amount received by such Partner in redemption of its Preferred Units, and the Partner shall contribute the excess of the Withheld Amount over the Preferred Unit Redemption Amount to the Partnership before the Partnership is required to pay over such excess to a taxing authority.

(e) Notwithstanding any other provision of this Agreement, the General Partner shall place appropriate restrictions on the ability of the Limited Partners to exercise their Preferred Unit Redemption Rights as and if deemed necessary to ensure that the Partnership does not constitute a publicly traded partnership taxable as a corporation under Section 7704 of the Code. If and when the General Partner determines that imposing such restrictions is necessary, the General Partner shall give a Restriction Notice to each of the Limited Partners, which notice shall be accompanied by a copy of an opinion of counsel to the Partnership that states that, in the opinion of such counsel, restrictions are necessary in order to avoid the Partnership being treated as a publicly traded partnership under Section 7704 of the Code.

8.06 Redemption of Units at General Partner's Option.

(a) Notwithstanding anything in this Agreement to the contrary, for a period of 30 days beginning one year after the expiration of the Initial Common Put Window (the **Common Call Window**), the General Partner may, in its sole and absolute discretion, require any holder of Class A Common Units (by delivering a Call Notice to such holder of Class A Common Units) to tender all of its Class A Common Units to the General Partner in exchange for, at the election of and in the sole and absolute discretion of the General Partner, either the Common Cash Amount or a number of REIT Shares equal to the Common REIT Shares Amount payable on the Specified Redemption Date and otherwise in accordance with the procedures and provisions set forth in 8.04(a) and 8.04(b).

(b) Notwithstanding anything in this Agreement to the contrary, for a period of 30 days beginning one year after the expiration of the Initial Preferred Put Window (the **Preferred Call Window**), the General Partner may, in its sole and absolute discretion, require any holder of Preferred Units (by delivering a Call Notice to such holder of Preferred Units) to tender all of its Preferred Units outstanding to the General Partner in exchange for the Preferred Cash Amount payable on the Specified Redemption Date and otherwise in accordance with the procedures and provisions set forth in 8.05(a) and 8.05(b).

ARTICLE IX.

9.01 Purchase for Investment.

(a) Each Limited Partner, by its signature below or by its subsequent admission to the Partnership, hereby represents and warrants to the General Partner and to the Partnership that the acquisition of such Limited Partner's Partnership Units is made for investment purposes only and not with a view to the resale or distribution of such Partnership Units.

(b) Subject to the provisions of Section 9.02 hereof, each Limited Partner agrees that such Limited Partner will not Transfer such Limited Partner's Partnership Units or any fraction thereof, whether voluntarily or by operation of law or at judicial sale or otherwise, to any Person who does not make the representations and warranties to the General Partner set forth in Section 9.01(a) hereof.

9.02 Restrictions on Transfer of Partnership Units.

(a) Except as provided herein and subject to the provisions of Sections 9.02(b), (c) and (d) hereof, to the fullest extent permitted by law, no Limited Partner may offer, sell, assign, hypothecate, pledge or otherwise

transfer all or any portion of such Limited Partner's Partnership Units, or any of such Limited Partner's economic rights as a Limited Partner, whether voluntarily or by operation of law or at judicial sale or otherwise (collectively, a **Transfer**) without the consent of the General Partner, which consent may be granted or withheld in its sole and absolute discretion. The General Partner may require, as a condition of any Transfer to which it consents, that the transferor assume all costs incurred by the Partnership in connection therewith.

(b) No Limited Partner may withdraw from the Partnership other than as a result of a permitted Transfer (i.e., a Transfer consented to as contemplated by clause (a) above or clause (c) below or a Transfer pursuant to Section 9.05 hereof) of all of such Limited Partner's Partnership Units pursuant to this Article IX or pursuant to a redemption of all of such Limited Partner's Class A Common Units and Preferred Units pursuant to Sections 8.04 and 8.05 hereof. Upon the permitted Transfer or redemption of all of a Limited Partner's Partnership Units, such Limited Partner shall cease to be a Limited Partner.

(c) Subject to Sections 9.02(d), (e) and (f) hereof, a Limited Partner may Transfer, with the consent of the General Partner, all or a portion of such Limited Partner's Partnership Units to such Limited Partner's (i) parent or parent's spouse, (ii) spouse, (iii) natural or adopted descendant or descendants, (iv) spouse of such Limited Partner's descendant, (v) brother or sister, (vi) trust created by such Limited Partner for the primary benefit of such Limited Partner and/or any such Person(s) described in (i) through (v) above, of which trust such Limited Partner or any such Person(s) or bank or other commercial entity in the business of acting as a fiduciary in its ordinary course of business and having an equity capitalization of at least \$100,000,000 is a trustee, (vii) a corporation, partnership or limited liability company controlled by such Limited Partner and/or a Person or Persons named in (i) through (v) above, or (viii) if the Limited Partner is an entity, its beneficial owners.

(d) No Limited Partner may effect a Transfer of its Partnership Units, in whole or in part, if, in the opinion of legal counsel for the Partnership, such proposed Transfer would require the registration of the Partnership Units under the Securities Act or would otherwise violate any applicable federal or state securities or blue sky law (including investment suitability standards).

(e) No Transfer by a Limited Partner of its Partnership Units, in whole or in part, may be made to any Person if the General Partner determine, in their commercially reasonable discretion, that (i) such Transfer would result in the Partnership being treated as an association taxable as a corporation (other than a qualified REIT subsidiary within the meaning of Section 856(i) of the Code), (ii) it would adversely affect the ability of the Company to continue to qualify as a REIT or subject the Company to any additional taxes under Section 857 or Section 4981 of the Code or (iii) such Transfer is effectuated through an established securities market or a secondary market (or the substantial equivalent thereof) within the meaning of Section 7704 of the Code; provided, that if the General Partner secures an opinion of nationally recognized United States tax counsel that the Partnership would, if such Transfer were completed, satisfy one or more provisions under Section 7704 of the Code and the Regulations promulgated thereunder such that the Partnership would not be treated as a publicly traded partnership for U.S. federal income tax purposes, then such Transfer shall not be prohibited by this Section 9.02(e).

(f) To the fullest extent permitted by law, any purported Transfer in contravention of any of the provisions of this Article IX shall be void ab initio and ineffectual and shall not be binding upon, or recognized by, the General Partner or the Partnership.

(g) Prior to the consummation of any Transfer under this Article IX, the transferor and/or the transferee shall deliver to the General Partner such opinions, certificates and other documents as the General Partner shall request in connection with such Transfer.

(h) Notwithstanding anything to the contrary in this Agreement, AREP shall not Transfer any of its Class A Common Units until the Chargeback Allocation has occurred in full.

9.03 Admission of Substitute Limited Partner.

(a) Subject to the other provisions of this Article IX, an assignee of the Partnership Units of a Limited Partner (which shall be understood to include any purchaser, transferee, donee or other recipient of any disposition of such Partnership Units) shall be deemed admitted as a Limited Partner of the Partnership only with the consent of the General Partner, which consent may be given or withheld by the General Partner in its sole and absolute discretion, and upon the satisfactory completion of the following:

(i) The assignee shall have accepted and agreed to be bound by the terms and provisions of this Agreement by executing a counterpart or an amendment thereof, including a revised Exhibit A, and such other documents or instruments as the General Partner may require in order to effect the admission of such Person as a Limited Partner.

(ii) The assignee shall have delivered a letter containing the representation set forth in Section 9.01(a) hereof and the representations and warranties set forth in Section 9.01(b) hereof.

(iv) The assignee shall have executed a power of attorney containing the terms and provisions set forth in Section 8.02 hereof.

(v) The assignee shall have paid all legal fees and other expenses of the Partnership and the General Partner and filing and publication costs in connection with its substitution as a Limited Partner.

(vi) The assignee shall have obtained the prior written consent of the General Partner to its admission as a Substitute Limited Partner, which consent may be given or denied in the exercise of the General Partner's sole and absolute discretion.

(b) For the purpose of allocating Net Income and Net Loss and distributing cash received by the Partnership, a Substitute Limited Partner shall be treated as having become, and appearing in the records of the Partnership as, a Limited Partner on the later of the date specified in the transfer documents or the date on which the General Partner has received all necessary instruments of transfer and substitution.

(c) The General Partner and the Substitute Limited Partner shall cooperate with each other by preparing the documentation required by this Section 9.03 and making all official filings and publications. The Partnership shall take all such action as promptly as practicable after the satisfaction of the conditions in this Article IX to the admission of such Person as a Limited Partner of the Partnership.

9.04 Rights of Assignees of Partnership Units.

(a) Subject to the provisions of Sections 9.01 and 9.02 hereof, except as required by operation of law, the Partnership shall not be obligated for any purposes whatsoever to recognize the assignment by any Limited Partner of its Partnership Units until the Partnership has received notice thereof.

(b) Any Person who is the assignee of all or any portion of a Limited Partner's Partnership Units, but does not become a Substitute Limited Partner and desires to make a further assignment of such Partnership Units, shall be subject to all the provisions of this Article IX to the same extent and in the same manner as any Limited Partner desiring to make an assignment of its Partnership Units.

9.05 Effect of Bankruptcy, Death, Incompetence or Termination of a Limited Partner. To the fullest extent permitted by law, the occurrence of an Event of Bankruptcy as to a Limited Partner, the death of a Limited Partner or a final adjudication that a Limited Partner is incompetent (which term shall include, but not be limited to, insanity) shall not, in and of itself, cause the termination or dissolution of the Partnership, and the business of

9.06 Joint Ownership of Partnership Units. A Partnership Unit may be acquired by two individuals as joint tenants with right of survivorship, provided that such individuals either are married or are related and share the same home as tenants in common. The written consent or vote of both owners of any such jointly held Partnership Unit shall be required to constitute the action of the owners of such Partnership Unit; provided, however, that the written consent of only one joint owner will be required if the Partnership has been provided with evidence satisfactory to the counsel for the Partnership that the actions of a single joint owner can bind both owners under the applicable laws of the state of residence of such joint owners. Upon the death of one owner of a Partnership Unit held in a joint tenancy with a right of survivorship, the Partnership Unit shall become owned solely by the survivor as a Limited Partner and not as an assignee. The Partnership need not recognize the death of one of the owners of a jointly-held Partnership Unit until it shall have received notice of such death. Upon notice to the General Partner from either owner, the General Partner shall cause the Partnership Unit to be divided into two equal Partnership Units, which shall thereafter be owned separately by each of the former owners.

The Merger will be consummated pursuant to the Agreement and Plan of Merger dated as of September 6, 2012 (the Merger Agreement). Capitalized terms not defined herein have the meanings specified in the Merger Agreement unless otherwise indicated.

In acting as counsel to Realty Income in connection with the Merger, we have participated in the preparation of the Merger Agreement, and pursuant to Section 7.2(f) of the Merger Agreement, you have requested our opinion regarding whether, on the basis of the facts, representations and assumptions set forth herein, the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended (the Code). In rendering our opinion, we have examined and, with your consent, are expressly relying upon (without any independent investigation or review thereof) the truth and accuracy of the factual statements, representations and warranties contained in (i) the Merger Agreement (including any Exhibits and Schedules thereto), (ii) the Registration Statement and the Joint Proxy Statement/Prospectus, (iii) the respective tax representation letters of Realty Income and Merger Sub and of ARCT delivered to us for purposes of this opinion (the Officers' Certificates), and (iv) such other documents and corporate records as we have deemed necessary or appropriate for purposes of our opinion.

In addition, we have assumed, with your consent, that:

5. The parties have complied with and, if applicable, will continue to comply with, the covenants contained in the Merger Agreement, the Registration Statement and the Joint Proxy Statement/Prospectus.

Based upon and subject to the foregoing, and subject to the qualifications and limitations stated herein, we are of the opinion that, for United States federal income tax purposes, the Merger will be treated as a reorganization within the meaning of Section 368(a) of the Code.

In addition to the matters set forth above, this opinion is subject to the exceptions, limitations and qualifications set forth below.

1. This opinion represents our best judgment regarding the application of United States federal income tax laws arising under the Code, existing judicial decisions, administrative regulations and published rulings and procedures, but does not address all of the United States federal income tax consequences of the Merger. We express no opinion as to United States federal, state, local, foreign, or other tax consequences, other than as set forth herein. Our opinion is not binding upon the Internal Revenue Service or the courts, and there is no assurance that the Internal Revenue Service will not assert a contrary position. Furthermore, no assurance can be given that future legislative, judicial or administrative changes, on either a prospective or retroactive basis, would not adversely affect the accuracy of the conclusions stated herein. Nevertheless, we undertake no responsibility to advise you of any new developments in the application or interpretation of the United States federal income tax laws.
2. No opinion is expressed as to any transaction other than the Merger as described in the Merger Agreement, or to any transaction whatsoever, including the Merger, if, to the extent relevant to our opinion, either all the transactions described in the Merger Agreement are not consummated in accordance with the terms of the Merger Agreement and without waiver or breach of any provisions thereof or all of the factual statements, representations, warranties and assumptions upon which we have relied are not true and accurate at all relevant times.

This VOTING AGREEMENT, dated as of September 6, 2012 (this Agreement), is made and entered into by and among American Realty Capital Trust, Inc., a Maryland corporation (the Company), Realty Income Corporation, a Maryland corporation (Parent), Nicholas S. Schorsch and William M. Kahane (each a Stockholder and, collectively, the Stockholders).

RECITALS

WHEREAS, concurrently with the execution and delivery of this Agreement, the Company, Parent and Tau Acquisition LLC, a Delaware limited liability company and wholly owned subsidiary of Parent (Merger Sub), are entering into an Agreement and Plan of Merger (the Merger Agreement), which provides, among other things, for the merger of the Company with and into Merger Sub (the Merger), upon the terms and subject to the conditions set forth in the Merger Agreement;

WHEREAS, capitalized terms used but not defined herein shall have the meanings set forth in the Merger Agreement;

WHEREAS, as of the date hereof, each Stockholder is the record and/or beneficial owner of the number of shares of Company Common Stock set forth across from such Stockholder's name on Schedule A attached hereto and has the voting and dispositive power in connection with the Merger with respect to such shares (with respect to each Stockholder, such Stockholder s Existing Shares and, together with any shares of Company Common Stock acquired after the date hereof, whether upon the exercise of options, conversion of convertible securities or otherwise, such Stockholder s Shares); and

WHEREAS, as an inducement and a condition to entering into the Merger Agreement, Parent and the Company have required that the Stockholders agree, and the Stockholders have agreed, to enter into this Agreement.

NOW, THEREFORE, to implement the foregoing and in consideration of the mutual agreements contained herein, the parties agree as follows:

AGREEMENT

1. Agreement to Vote; Irrevocable Proxy; Etc.

(a) Agreement to Vote. Subject to the terms and conditions hereof, each Stockholder hereby irrevocably and unconditionally agrees that, from and after the date hereof and until the Termination Date, at any meeting of the holders of Company Common Stock, however called, or in connection with any written consent of the holders of Company Common Stock, such Stockholder shall (x) appear at such meeting or otherwise cause all of such Stockholder's Shares to be counted as present thereat for purposes of calculating a quorum and respond to any other request by the Company or Parent for written consent, if any, and (y) vote (or cause to be voted) such Stockholder's Shares (i) in favor of (A) approval of the Merger and the other transactions contemplated by the Merger Agreement and (B) any other matter that is required to facilitate the consummation of the Merger and the other transactions contemplated by the Merger Agreement and (ii) against the following actions: (A) any Company Acquisition Proposal, (B) any other action involving the Company or any Company Subsidiary that would reasonably be expected to have the effect of impeding, materially interfering with, materially delaying, materially postponing, or impairing (I) the ability of the Company to consummate the Merger or (II) any other transaction contemplated by the Merger Agreement or (C) any action or agreement that would reasonably be expected to result in any condition to the consummation of the Merger set forth in Article VII of the Merger

Table of Contents

Agreement not being fulfilled on or prior to the Outside Date. Subject to the terms and conditions hereof, no Stockholder shall enter into any agreement or understanding with any Person prior to the termination of this Agreement to vote in any manner inconsistent herewith. Subject to the terms and conditions hereof, the obligations of each Stockholder specified in this Section 1(a) shall not be affected by the commencement, public proposal, public disclosure or communication to the Company of any Company Acquisition Proposal prior to the Termination Date.

(b) Irrevocable Proxy. Each Stockholder hereby revokes any and all previous proxies and powers of attorney granted with respect to such Stockholder's Shares, and no Stockholder shall grant any subsequent proxy or power of attorney with respect to such Stockholder's Shares, except as set forth in this Agreement or required by a Letter of Transmittal. By entering into this Agreement, subject to the last sentence of this Section 1(b), each Stockholder hereby grants, or agrees to cause the applicable record holder to grant, a proxy appointing Parent, any designee of Parent and each of Parent's officers, with full power of substitution and resubstitution, as such Stockholder's attorney-in-fact and proxy, for and in such Stockholder's name, to be counted as present, vote, express consent or dissent with respect to such Stockholder's Shares for the purposes set forth in Section 1(a). The proxy granted by each Stockholder pursuant to this Section 1(b) is, subject to the last sentence of this Section 1(b), irrevocable and is coupled with an interest, in accordance with Section 2-507(d) of the Maryland General Corporation Law, and is granted in order to secure such Stockholder's performance under this Agreement and also in consideration of Parent entering into this Agreement and the Merger Agreement. If either Stockholder fails for any reason to be counted as present, consent or vote such Stockholder's Shares in accordance with the requirements of Section 1(a), then Parent shall have the right to cause to be present, consent or vote such Stockholder's Shares in accordance with the provisions of Section 1(a). The proxy granted by each Stockholder shall be automatically revoked upon the valid termination of this Agreement in accordance Section 6.

(c) Restriction on Transfer. From the date of this Agreement until the Termination Date and except as otherwise contemplated in the Merger Agreement, neither Stockholder shall (i) sell, transfer, pledge, encumber, assign or otherwise dispose of, or enter into any contract, option or other arrangement or understanding with respect to the sale, transfer, pledge, encumbrance, assignment or other disposition of, or limitation on the voting rights of, any of such Stockholder's Shares (any such action, a Transfer); provided that nothing in this Agreement shall prohibit the exercise by either Stockholder of any options to purchase Shares, (ii) deposit any of such Stockholder's Shares into a voting trust or enter into a separate voting agreement with respect to such Stockholder's Shares, (iii) take any action that would cause any representation or warranty of such Stockholder contained herein to become untrue or incorrect, in each case, in any material respect, or would reasonably be expected to have the effect of preventing or disabling such Stockholder from performing his obligations under this Agreement or (iv) commit or agree to take any of the foregoing actions. Any action taken in violation of the foregoing sentence shall be null and void ab initio. Notwithstanding the foregoing, each Stockholder may make Transfers of Shares by will, for estate or tax planning purposes, for charitable purposes or as charitable gifts or donations; provided, that, each transferee agrees in writing to be bound by the terms of this Agreement applicable to such Stockholder and to hold such Shares subject to all the terms and provisions of this Agreement to the same extent as such terms and provisions bound such Stockholder. If any involuntary Transfer of any of the Shares shall occur, the transferee (which term, as used herein, shall include the initial transferee and any and all subsequent transferees of the initial transferee) shall take and hold such Shares subject to all of the restrictions, liabilities and rights under this Agreement, which shall continue in full force and effect until the Termination Date.

(d) Additional Shares. Each Stockholder hereby agrees, during the term of this Agreement, to promptly notify Parent and the Company of any new Shares acquired by such Stockholder, if any, after the execution of this Agreement. Any such Shares shall be subject to the terms of this Agreement as though owned by such Stockholder on the date of this Agreement. In the event of a stock split, stock dividend or distribution, or any change in the Company Common Stock by reason of any split-up, reverse stock split, recapitalization, combination, reclassification, reincorporation, exchange of shares or the like, the terms Existing Shares and Shares shall be deemed to refer to and include such shares as well as all such stock dividends and distributions

and any securities into which or for which any or all of such shares may be changed or exchanged or which are received in such transaction.

(e) **Ownership Interest.** Nothing contained in this Agreement shall be deemed to vest in the Company, Parent, any of the Persons identified in **Section 1(b)** or any other Person any direct or indirect ownership or incidence of ownership of or with respect to, or pecuniary interest in, any of the Shares. (a) **Authorization: Validity of Agreement: Necessary Action.** Such Stockholder has full power and authority to execute and deliver this Agreement, to perform his obligations hereunder and to consummate the transactions contemplated hereby. Such Stockholder's Existing Shares constitute all of the shares of Company Common Stock owned of record or beneficially by such Stockholder, and, except for such Stockholder's Existing Shares, such Stockholder does not beneficially own or have any right to acquire (whether currently, upon lapse of time, following the satisfaction of any conditions, upon the occurrence of any event or any combination of the foregoing) any shares of Company Common Stock or any securities convertible into shares of Company Common Stock (other than pursuant to any option, stock award or similar compensation plan adopted by the Company). Such Stockholder has the voting power, sole power of disposition, sole power to issue instructions with respect to the matters set forth in **Section 1** hereof and power to agree to all of the matters set forth in this Agreement with respect to each of such Stockholder's Existing Shares as set forth on **Schedule A** attached hereto, with no other limitations, qualifications or restrictions on such rights, subject to applicable federal securities Laws and the terms of this Agreement and the Merger Agreement. Such Stockholder has good and valid title to such Stockholder's Existing Shares, free and clear of all liens, claims, security interests or other charges or encumbrances.

(c) **No Conflicts.** The execution and delivery of this Agreement by such Stockholder do not, and the performance of the terms of this Agreement by such Stockholder will not, (a) require such Stockholder to obtain the consent or approval of, or make any filing with or notification to, any Governmental Authority, (b) require the consent or approval of any other Person pursuant to any agreement, obligation or instrument binding on such Stockholder or his properties or assets, (c) except as may otherwise be required by federal securities Laws, conflict with or violate any Law applicable to such Stockholder or pursuant to which any of his properties or assets are bound or (d) violate any other agreement to which such Stockholder is a party, including any voting agreement, stockholders agreement, irrevocable proxy or voting trust. Re: Agreement and Plan of Merger Between American Realty Capital Trust, Inc. and Realty Income Corporation

Reference is made to that certain Agreement and Plan of Merger, dated as of the date hereof (the Merger Agreement), by and among Realty Income Corporation, a Maryland corporation (Parent), Tau Acquisition LLC, a Delaware limited liability company and a direct wholly owned subsidiary of Parent (Merger Sub), and American Realty Capital Trust, Inc., a Maryland corporation (the Company), pursuant to which the Company will merge with and into Merger Sub. Any term not otherwise defined herein shall have the meaning given such term in the Merger Agreement.

Each of Parent, AR Capital, LLC (ARC) and Nicholas S. Schorsch (Schorsch), as applicable, represent and warrant that (a) each has the necessary power and authority to enter into this side letter and to carry out its obligations hereunder, including, if applicable, paying to Parent the Excess Amount, if any, (b) no consents, approvals, authorizations and other actions are required for Parent, ARC or Schorsch to execute, deliver and perform their respective obligations under this side letter and (c) each of ARC and Schorsch has sufficient funds to pay the Excess Amount (as defined below), if any, when and if such amount is due.

A. Reimbursement of Specified Expenses in Excess of \$15,000,000

1. Within 60 days after the Closing, to the extent that Parent determines that the Company has incurred Specified Expenses that exceed \$15,000,000, Parent shall deliver to ARC and Schorsch a written statement along with copies of available supporting documentation (the Statement) setting forth Parent's determination of the Specified Expenses. ARC shall have 15 Business Days following the receipt of the Statement to review the Statement and if ARC fails to deliver written notice to Parent setting forth in reasonable detail the particulars of any disagreement (the Dispute Notice) with respect to the Statement within such 15 Business Day period, the Specified Expenses set forth in the Statement shall be deemed final (absent manifest error) (such amount, or any amount agreed to by the parties or any amount as determined by the Auditor as set forth below, the Final Specified Expenses). In the event that ARC delivers a Dispute Notice, Parent and ARC shall negotiate in good faith for 10 Business Days following the receipt of the Dispute Notice to agree to the Specified Expenses. If Parent and ARC fail to agree to the Specified Expenses within such 10 Business Day period, then either party may submit the dispute to an independent accounting firm of regionally recognized standing (the Auditor) to resolve any such dispute. The costs of such Auditor shall be borne equally by Parent and

Edgar Filing: American Realty Capital Trust, Inc. - Form DEFM14A

ARC. The determination of the Auditor as to the Specified Expenses shall be final, conclusive and binding on ARC, Schorsch and Parent (absent manifest error).

2. In the event that the Final Specified Expenses exceed \$15,000,000 (such excess, the Excess Amount), then, unless directed by Schorsch that either ARC or Schorsch will pay the Excess Amount in cash and such payment is made within 10 Business Days of the determination of the Final Specified Expenses, Parent shall be entitled to offset the Excess Amount against the preferred OP Units held by Schorsch (with any attendant tax consequences of such forfeiture to be for Schorsch account), and to the extent the Excess Amount is greater than the value of such preferred OP Units, then ARC shall pay, or cause to be paid, to Parent within 10 Business Days by wire transfer of same day funds to an account designated by Parent, such Excess Amount that is not offset against the preferred OP Units. Any forfeiture of preferred OP Units shall be valued at their liquidation preference. Schorsch hereby agrees that neither Parent nor any of its affiliates shall be liable for any tax consequences attributable to any forfeiture of OP Units under this Agreement notwithstanding any agreement to the contrary in an instrument.

3. For purposes of this side letter, Specified Expenses shall mean (a) all fees, costs, expenses, change of control payments to Company Employees or affiliates of ARC (not including the value of the LTIP Units) and severance payments and (b) 75% of the first \$2,000,000 of any assumption or consent fees or costs (but expressly excluding principal, interest and exit fees) associated with Indebtedness assumption, in each case, incurred by, or on behalf of, the Company or any Company Subsidiary (or that become payable or are paid by the Company or any Company Subsidiary) in connection with or related to any due diligence investigation and the authorization, preparation, negotiation, execution and performance of the Merger Agreement and the consummation of the transactions contemplated thereby (including fees, costs and expenses of legal counsel, investment bankers, brokers or other representatives and consultants and appraisal fees, costs and expenses), including, but not limited to, the services provided by Goldman Sachs, Proskauer Rose LLP, Venable LLP, Grant Thornton LLP, WeiserMazars LLP and FTI Consulting; provided, however, that (i) to the extent the Company, any Company Subsidiary or any director or officer of the Company or any Company Subsidiary incurs legal fees and expenses in connection with any litigation pertaining to the Merger Agreement and the transactions contemplated thereby that are payable or have been paid by the Company or any Company Subsidiary, such fees and expenses shall not be included in the Specified Expenses and (ii) any prepayment penalties, defeasance costs, make whole payments or similar amounts associated with Indebtedness shall also not be included in the Specified Expenses.

B. Books and Records and Transition Services

1. Subject to applicable Law, promptly (but in any event, within 30 calendar days) following the Closing, ARC shall deliver, at ARC's sole cost and expense, to Parent all of the Books and Records to a place designated by Parent.

2. Following the Closing for a period of one year, ARC will make available, at reasonable times and upon reasonable request, to Parent and the Surviving Entity at Parent's expense with respect to third parties, its employees, agents, consultants, advisors and other personnel with knowledge of the business of the Company and the Company Subsidiaries to assist Parent in the transition of the business and introductions to third parties doing business with the Surviving Entity; provided, however, that such requests shall not unduly interfere with the operations of ARC.

3. For purposes of this side letter, Books and Records means all of the books, records, files, data and information, whether in hard copy or digital format, including, without limitation, organizational documents, leases, debt related documents, title policies, environmental reports, financial and accounting records, Tax records, credit and collection records, correspondence and miscellaneous records with respect to tenants and all other general correspondence, in each case relating to the Company, a Company Subsidiary or their respective businesses.

C. Indemnification Regarding Certain Matters

ARC and Schorsch shall, jointly and severally, indemnify, save and hold harmless Parent, the Surviving Entity and their respective subsidiaries and affiliates from and against any and all costs, losses, Taxes, liabilities,

obligations, damages, claims, demands and expenses (whether or not arising out of third-party claims) incurred in connection with, arising out of, or resulting from (1) the termination of any Company Employees, (2) the leases on Section 6.11(a) of the Company Disclosure Letter (for lease payments and other liabilities on and after the Closing Date), and (3) the personal property on Section 6.11(b) of the Company Disclosure Letter (including with respect to any leases related thereto).

D. Waiver of Fees, Unwinding of Joint Ventures and Pending Acquisitions

1. ARC hereby waives, on its behalf and on behalf of each of its affiliates, any and all fees, commissions or other compensation (other than any reimbursement of expenses) to which any such Person could be entitled after the date hereof in connection with the Joint Venture Unwind Transactions as set forth in Section 6.22 of the Merger Agreement.

2. ARC shall use commercially reasonable efforts to take all actions reasonably necessary to unwind the applicable joint ventures set forth in Section 1.1 of the Company Disclosure Letter, including taking all such actions required by the applicable joint venture agreements and applicable law.

3. ARC, on its behalf and on behalf of each of its affiliates, and Schorsch each hereby agree that to the extent that any of the Pending Acquisitions are not consummated by the Company, neither ARC, any of its affiliates or Schorsch (or any Person whom he controls (as such term is defined in the Merger Agreement)) shall purchase or be permitted to purchase the applicable property related to the Pending Acquisition that was not so consummated.

This side letter may be amended, modified or supplemented only by a written instrument executed by each of the parties hereto. This letter may be executed in two or more counterparts, each of which shall be deemed to be an original and together with this letter shall be deemed to be one and the same instrument. This letter shall be governed by and interpreted and enforced in accordance with the laws of the State of Maryland (without reference to the choice of law provisions).

Members of the Board of Directors:

We understand that Realty Income Corporation ("Realty Income") proposes to enter into a Merger Agreement (the "Agreement"), among Realty Income, Tau Acquisition LLC, a wholly owned subsidiary of Realty Income ("Merger Sub"), and American Realty Capital Trust Inc. ("ARCT"), pursuant to which, among other things, ARCT will merge with and into Merger Sub (the "Transaction") and each outstanding share of the common stock, par value \$0.01 per share, of ARCT ("ARCT Common Stock") will be converted into the right to receive 0.2874 (the "Exchange Ratio") of a share of the common stock, par value \$0.01 per share, of Realty Income ("Realty Income Common Stock"). The terms and conditions of the Transaction are more fully set forth in the Agreement.

You have requested our opinion as to the fairness, from a financial point of view, to Realty Income of the Exchange Ratio provided for in the Transaction.

In connection with this opinion, we have, among other things:

- (c) reviewed an alternative version of the ARCT Forecasts prepared by the management of Realty Income, which extended the ARCT Forecasts to include calendar years ending December 31, 2014 through December 31, 2018 and incorporated certain other adjustments thereto (such adjusted and extended forecasts, the "Adjusted ARCT Forecasts") and discussed with the management of Realty Income its assessments as to the relative likelihood of achieving the future financial results reflected in the ARCT Forecasts and the Adjusted ARCT Forecasts for the periods reflected therein;

its terms, without waiver, modification or amendment of any material term, condition or agreement and that, in the course of obtaining the necessary governmental, regulatory and other approvals, consents, releases and waivers for the Transaction, no delay, limitation, restriction or condition, including any divestiture requirements or amendments or modifications, will be imposed that would have an adverse effect on ARCT, Realty Income or the contemplated benefits of the Transaction. We also have assumed, at the direction of Realty Income, that the final executed Agreement will not differ in any material respect from the Draft Agreement reviewed by us. We also have assumed, at the direction of Realty Income, that the Transaction will qualify for federal income tax purposes as a reorganization under the provisions of Section 368(a) of the Internal Revenue Code of 1986, as amended (the "Code"). We have been advised by the managements of ARCT and Realty Income, respectively, that each of ARCT and Realty Income has operated in conformity with the requirements for qualification as a real estate investment trust ("REIT") for federal income tax purposes since its formation as a REIT and have further assumed, at the direction of Realty Income, that the Transaction will not adversely affect the status or operation of Realty Income as a REIT. In addition, we have assumed, at the direction of Realty Income, that the surviving entity in the Transaction will constitute a "qualified REIT subsidiary" within the meaning of section 856(i)(2) of the Code.

We express no view or opinion as to any terms or other aspects of the Transaction (other than the Exchange Ratio to the extent expressly specified herein), including, without limitation, the form or structure of the Transaction. Our opinion is limited to the fairness, from a financial point of view, to Realty Income of the Exchange Ratio provided for in the Transaction and no opinion or view is expressed with respect to any consideration received in connection with the Transaction by the holders of any class of securities, creditors or other constituencies of any party. In addition, no opinion or view is expressed with respect to the fairness (financial or otherwise) of the amount, nature or any other aspect of any compensation to any of the officers, directors or employees of any party to the Transaction, or class of such persons, relative to the Exchange Ratio. Furthermore, no opinion or view is expressed as to the relative merits of the Transaction in comparison to other strategies or transactions that might be available to Realty Income or in which Realty Income might engage or as to the underlying business decision of Realty Income to proceed with or effect the Transaction. We are not expressing any opinion as to what the value of Realty Income Common Stock actually will be when issued or the prices at which Realty Income Common Stock or ARCT Common Stock will trade at any time, including following announcement or consummation of the Transaction. In addition, we express no opinion or recommendation as to how any stockholder should vote or act in connection with the Transaction or any related matter.

We have acted as financial advisor to Realty Income in connection with the Transaction and will receive a fee for our services, a portion of which is payable in connection with/upon the rendering of this opinion and a significant portion of which is contingent upon consummation of the Transaction. We and certain of our affiliates also may be participating in financing related to the Transaction, for which services we and our affiliates would receive compensation. In addition, Realty Income has agreed to reimburse our expenses and indemnify us against certain liabilities arising out of our engagement.

We and our affiliates comprise a full service securities firm and commercial bank engaged in securities, commodities and derivatives trading, foreign exchange and other brokerage activities, and principal investing as well as providing investment, corporate and private banking, asset and investment management, financing and financial advisory services and other commercial services and products to a wide range of companies, governments and individuals. In the ordinary course of our businesses, we and our affiliates may invest on a principal basis or on behalf of customers or manage funds that invest, make or hold long or short positions, finance positions or trade or

otherwise effect transactions in equity, debt or other securities or financial instruments (including derivatives, bank loans or other obligations) of Realty Income, ARCT and certain of their respective affiliates.

We and our affiliates in the past have provided, currently are providing, and in the future may provide, investment banking, commercial banking and other financial services to Realty Income and have received or in the future may receive compensation for the rendering of these services, including (i) having acted as joint bookrunner or co-manager for various high grade debt and follow-on equity offerings of Realty Income and (ii) having acted or acting as lender under Realty Income's \$1 billion revolving credit facility due 2016.

It is understood that this letter is for the benefit and use of the Board of Directors of Realty Income (in its capacity as such) in connection with and for purposes of its evaluation of the Transaction.

Our opinion is necessarily based on financial, economic, monetary, market and other conditions and circumstances as in effect on, and the information made available to us as of, the date hereof. As you are aware, the credit, financial and stock markets have been experiencing unusual volatility and we express no opinion or view as to any potential effects of such volatility on Realty Income, ARCT or the Transaction. It should be understood that subsequent developments may affect this opinion, and we do not have any obligation to update, revise, or reaffirm this opinion. The issuance of this opinion was approved by our Americas Fairness Opinion Review Committee.

Based upon and subject to the foregoing, including the various assumptions and limitations set forth herein, we are of the opinion on the date hereof that the Exchange Ratio provided for in the Transaction is fair, from a financial point of view, to Realty Income.

In connection with our review, we have assumed and relied upon the accuracy and completeness of the financial and other information provided, discussed with or otherwise made available to us, including all accounting, tax, regulatory and legal information, and we have not made (and have not assumed any responsibility for) any independent verification of such information. We have relied upon assurances of the managements of Realty Income and ARCT that they are not aware of any facts or circumstances that would make such information inaccurate or misleading. With respect to the financial forecasts and estimates and other information utilized in our analyses, we have been advised by the managements of Realty Income and ARCT and, at the direction of Realty Income, we have assumed that they have been reasonably prepared and reflect the best currently available estimates, judgments and assumptions of such managements as to the future financial performance of Realty Income and ARCT. We assume no responsibility for, and express no view as to, such forecasts, estimates or other information utilized in our analyses or the judgments or assumptions upon which they are based. We also have assumed that there have been no material changes in the condition (financial or otherwise), results of operations, business or prospects of Realty Income or ARCT since the respective dates of the most recent financial statements and other information provided to us and that the financial forecasts relating to ARCT reviewed by us reflect all assets and liabilities to be acquired or assumed by Realty Income in the Merger, including from pending acquisitions expected to be consummated and joint ventures expected to be wholly owned by ARCT at the closing date of the Merger as referenced in the Agreement. We have relied, at the direction of Realty Income, upon the assessments of the managements of Realty Income and ARCT as to (i) certain market trends and recent developments in, and prospects for, the commercial real estate market and (ii) the terms upon which properties and joint ventures will be acquired by ARCT as of the closing date of Merger. We have assumed, with the consent of Realty Income, that there will be no developments with respect to any of the foregoing that would be material to our analyses or opinion.

In arriving at our opinion, we have not conducted physical inspections of the properties or assets of Realty Income, ARCT or any other entity, nor have we made or been provided with any evaluations or appraisals of the properties, assets or liabilities (contingent or otherwise) of Realty Income, ARCT or any other entity. We have been advised by the managements of Realty Income and ARCT and, with the consent of the Realty Income, have assumed, that there are no material undisclosed liabilities of Realty Income or ARCT for which appropriate reserves or other provisions have not been made.

In rendering our opinion, we have assumed, at the direction of Realty Income, that the final form of the Agreement, when signed by the parties thereto, will not differ from the draft reviewed by us in any respect material to our analyses or opinion, that the Merger will be consummated in accordance with the terms described

in the Agreement and in compliance with all applicable laws, without amendment or waiver of any material terms or conditions and that, in the course of obtaining any necessary legal, regulatory or third party consents, approvals or agreements for the Merger, no delay, limitation or restriction will be imposed or action will be taken that will have an adverse effect on Realty Income, ARCT or the Merger (including the contemplated benefits to Realty Income thereof). We also have assumed, at the direction of Realty Income, that the Merger will qualify for federal income tax purposes as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended. We have been advised by the respective managements of Realty Income and ARCT that each of Realty Income and ARCT has operated in conformity with the requirements for qualification as a real estate investment trust (REIT) for federal income tax purposes since its formation as a REIT and further have assumed, at the direction of Realty Income, that the Merger will not adversely affect the status or operations of Realty Income or ARCT.

We are not expressing any opinion as to what the value of Realty Income Common Stock actually will be when issued pursuant to the Merger or the prices at which securities of Realty Income or ARCT will trade at any time. Our opinion is necessarily based on economic, market, financial and other conditions existing, and information made available to us, as of the date hereof. As the Board is aware, the credit, financial and stock markets have been experiencing unusual volatility and we express no opinion or view as to any potential effects of such volatility on Realty Income, ARCT or the Merger (including the contemplated benefits to Realty Income thereof). Although subsequent developments may affect the matters set forth in this opinion, we do not have any obligation to update, revise, reaffirm or withdraw this opinion or otherwise comment on or consider any such events occurring or coming to our attention after the date hereof.

Our opinion only addresses the fairness, from a financial point of view and as of the date hereof, to Realty Income of the Exchange Ratio provided for in the Merger pursuant to the Agreement to the extent expressly specified herein, and does not address any other terms, aspects or implications of the Merger, including, without limitation, the form or structure of the Merger, any fees or other amounts payable or assumed by Realty Income in connection with the Merger or any other agreement, arrangement or understanding entered into in connection with or contemplated by the Merger or otherwise. In addition, our opinion does not address the fairness of the amount or nature of, or any other aspects relating to, any compensation to be received by any officers, directors or employees of any parties to the Merger, or class of such persons, relative to the Exchange Ratio or otherwise. Our opinion also does not address the merits of the underlying decision by Realty Income to enter into the Agreement or the relative merits of the Merger compared with other business strategies or transactions available or that have been or might be considered by the management or the Board or in which Realty Income might engage. We also are not expressing any view or opinion with respect to, and with the consent of Realty Income have relied upon the assessments of representatives of Realty Income regarding, accounting, tax, regulatory, legal or similar matters as to which we understand that Realty Income obtained such advice as it deemed necessary from qualified professionals.

The issuance of this opinion was approved by an authorized committee of Wells Fargo Securities. Wells Fargo Securities is the trade name for certain capital markets and investment banking services of Wells Fargo & Company and its subsidiaries, including Wells Fargo Securities, LLC. Wells Fargo Securities has been engaged to act as financial advisor to Realty Income in connection with the Merger and will receive a fee for such services, a portion of which will be payable upon delivery of this opinion and the principal portion of which will be payable upon consummation of the Merger. Realty Income has agreed to reimburse certain of Wells Fargo Securities' expenses and to indemnify us and certain related parties against certain liabilities that may arise out of our engagement. In connection with unrelated matters, Wells Fargo Securities and our affiliates in the past have provided, currently are providing and in the future may provide banking and financial services to Realty Income, ARCT and certain of their respective affiliates, for which Wells Fargo Securities and such affiliates have received and expect to receive fees, including (i) having acted or currently acting as administrative agent, sole lead arranger and sole bookrunner for, and as a lender under, certain credit facilities of Realty Income, ARCT and certain of their respective affiliates, (ii) having acted as joint book-running or co-lead manager for certain equity and debt offerings of Realty Income and (iii) having acted or currently acting as transfer agent and registrar for certain securities of Realty Income. In the ordinary course of business, Wells Fargo Securities and our affiliates may actively trade, hold or otherwise effect transactions in the securities or financial instruments (including bank loans or other obligations) of Realty Income, ARCT and their respective affiliates for our and our affiliates own account and for the accounts of customers and, accordingly, may at any time hold a long or short position in such securities or financial instruments.

It is understood that this opinion is for the information and use of the Board (in its capacity as such) in connection with its evaluation of the Merger. Our opinion does not constitute a recommendation to the Board or to any other person or entity in respect of the Merger, including as to how any stockholder should vote or act in connection with the Merger or any other matters.

Based upon and subject to the foregoing, our experience as investment bankers, our work as described above and other factors we deemed relevant, it is our opinion that, as of the date hereof, the Exchange Ratio provided for in the Merger pursuant to the Agreement is fair, from a financial point of view, to Realty Income.

Gentlemen:

You have requested our opinion as to the fairness from a financial point of view to the holders (other than Realty Income Corporation ("Realty Income") and its affiliates) of the outstanding shares of common stock, par value \$0.01 per share (the "Shares"), of American Realty Capital Trust, Inc. (the "Company") of the exchange ratio of 0.2874 shares of common stock, par value \$0.01 per share (the "Realty Income Common Stock"), of Realty Income to be paid for each Share (the "Exchange Ratio") pursuant to the Agreement and Plan of Merger, dated as of September 6, 2012 (the "Agreement"), by and among Realty Income, Tau Acquisition LLC, a direct wholly owned subsidiary of Realty Income ("Acquisition Sub"), and the Company.

Goldman, Sachs & Co. and its affiliates are engaged in commercial and investment banking and financial advisory services, market making and trading, research and investment management (both public and private investing), principal investment, financial planning, benefits counseling, risk management, hedging, financing, brokerage activities and other financial and non-financial activities and services for various persons and entities. We have acted as financial advisor to the Company in connection with, and have participated in certain of the negotiations leading to, the Transaction. We have received fees and expect to receive additional fees for our services in connection with the Transaction, the principal portion of which is contingent upon consummation of the Transaction, and the Company has agreed to reimburse our expenses arising, and indemnify us against certain liabilities that may arise, out of our engagement. We have provided certain investment banking services to the Company and its affiliates from time to time for which our Investment Banking Division has received, and may receive, compensation, including having acted as a lender (with a commitment of \$65,000,000) under the Company's unsecured revolving credit facility (aggregate principal amount \$115,000,000) in August 2011. We may also in the future provide investment banking services to the Company, Realty Income, ARC, their respective affiliates and entities sponsored by ARC for which our Investment Banking Division may receive compensation.

We have also held discussions with members of the senior managements of the Company and Realty Income regarding their assessment of the strategic rationale for, and the potential benefits of, the Transaction and the past and current business operations, financial condition and future prospects of the Company and Realty Income; reviewed the reported price and trading activity for the Shares and the shares of Realty Income Common Stock; compared certain financial and stock market information for the Company and Realty Income with similar information for certain other companies the securities of which are publicly traded; reviewed the financial terms of certain recent business combinations in the real estate industry and in other industries; and performed such other studies and analyses, and considered such other factors, as we deemed appropriate.

For purposes of rendering this opinion, we have, with your consent, relied upon and assumed the accuracy and completeness of all of the financial, legal, regulatory, tax, accounting and other information provided to, discussed with or reviewed by, us without assuming any responsibility for independent verification thereof. In that regard, we have assumed with your consent that the Forecasts and the Synergies have been reasonably prepared on a basis reflecting the best currently available estimates and judgments of the management of the Company. We have not made an independent evaluation or appraisal of the assets and liabilities (including any contingent, derivative or other off-balance-sheet assets and liabilities) of the Company or Realty Income or any of their respective subsidiaries and except for the Appraisals, we have not been furnished with any such evaluation or appraisal. We have assumed that all governmental, regulatory or other consents and approvals necessary for the consummation of the Transaction will be obtained without any adverse effect on the Company or Realty Income or on the expected benefits of the Transaction in any way meaningful to our analysis. We have assumed that the Transaction will be consummated on the terms set forth in the Agreement, without the waiver or modification of any term or condition the effect of which would be in any way meaningful to our analysis.

Our opinion does not address the underlying business decision of the Company to engage in the Transaction, or the relative merits of the Transaction as compared to any strategic alternatives that may be available to the Company; nor does it address any legal, regulatory, tax or accounting matters. Since February 2012, we were not requested to solicit, and did not solicit, interest from other parties with respect to an acquisition of, or other business combination with, the Company or any other alternative transaction. This opinion addresses only the fairness from a financial point of view to the holders (other than Realty Income and its affiliates) of Shares, as of the date hereof, of the Exchange Ratio pursuant to the Agreement. We do not express any view on, and our

opinion does not address, any other term or aspect of the Agreement or Transaction or any term or aspect of any other agreement or instrument contemplated by the Agreement or entered into or amended in connection with the Transaction, and the fairness of the Transaction to, or any consideration received in connection therewith by, the holders of any other class of securities, creditors, or other constituencies of the Company; nor as to the fairness of the amount or nature of any compensation to be paid or payable to ARC or any of its affiliates or any of the officers, directors or employees of the Company, or class of such persons, in connection with the Transaction, whether relative to the Exchange Ratio pursuant to the Agreement or otherwise. We also do not express any view on, and our opinion does not address, any term or aspect of any of the ARC/Management Arrangements or any consideration or compensation to be paid or payable pursuant such arrangements. We are not expressing any opinion as to the prices at which shares of Realty Income Common Stock will trade at any time or as to the impact of the Transaction on the solvency or viability of the Company or Realty Income or the ability of the Company or Realty Income to pay their respective obligations when they come due. Our opinion is necessarily based on economic, monetary, market and other conditions as in effect on, and the information made available to us as of, the date hereof and we assume no responsibility for updating, revising or reaffirming this opinion based on circumstances, developments or events occurring after the date hereof. Our advisory services and the opinion expressed herein are provided for the information and assistance of the Board of Directors of the Company in connection with its consideration of the Transaction and such opinion does not constitute a recommendation as to how any holder of Shares should vote with respect to such Transaction or any other matter. This opinion has been approved by a fairness committee of Goldman, Sachs & Co.

Based upon and subject to the foregoing, it is our opinion that, as of the date hereof, the Exchange Ratio pursuant to the Agreement is fair from a financial point of view to the holders (other than Realty Income and its affiliates) of Shares.
