**NOTICE OF ANNUAL MEETING
AND PROXY STATEMENT
2013**

April 29, 2013

TO OUR SHAREHOLDERS:

You are cordially invited to attend our 2013 Annual Shareholders Meeting, which will be held at our headquarters, Cypress Commons, 5300 West Cypress Street, Suite 105, Tampa, Florida 33607, on Wednesday, May 22, 2013, at 3 p.m., local time. Shareholders will be admitted beginning at 2:30 p.m.

We look forward to reporting to you and discussing with you our achievements during the past year.

Please read these materials carefully. Of particular importance is the proposal to change the name of the company to HCI Group, Inc. We believe this change will be beneficial to the company in several ways.

The name HCI Group, Inc. will better represent the company's diversified business activities, which include information technology, real estate and reinsurance as well as property and casualty insurance.

The new name will provide greater clarity to the company's identity, avoiding confusion between the company and its largest subsidiary, Homeowners Choice Property & Casualty Insurance Company, Inc. We have seen news media, vendors and others confuse the companies and their activities.

Finally, the new name will distinguish the company and the brands of its non-property and casualty insurance enterprises from the Homeowners Choice brand, thereby enhancing and strengthening the value of all our brands.

We remain committed to the Homeowners Choice brand, which will continue to represent our homeowners property and casualty insurance business. We believe a name change at the parent company will enhance and strengthen that brand.

Your vote is very important. Please sign and return the accompanying proxy card, or follow the instructions on the card for voting by telephone or Internet. That way, your shares will be voted as you direct.

ABOUT THE ANNUAL MEETING

What is the purpose of the meeting?

The principal purposes of the Annual Meeting are to elect three directors to the company's Board of Directors, to approve an amendment to the company's articles of incorporation changing its name to HCI Group, Inc., to ratify the appointment of Dixon Hughes Goodman LLP as the company's independent registered public accounting firm for the year ending December 31, 2013, and to approve, on an advisory basis, the compensation of our named executive officers as well as the frequency of holding an advisory vote on the compensation of our named executive officers. The named executive officers are our chief executive officer, our chief financial officer and our three other most highly compensated executives. In addition, our management will report on our performance during 2012, discuss challenges ahead and respond to questions from shareholders.

When were these materials mailed?

We began mailing this proxy statement on or about April 29, 2013.

Who is entitled to vote?

Shareholders of record at the close of business on the record date, April 16, 2013, are entitled to vote in person or by proxy at the Annual Meeting. In general, shareholders are entitled to one vote per share on each matter voted upon. In an election for directors, however, shareholders are entitled to vote the number of shares they own for as many director candidates as there are directors to be elected. The Board of Directors has determined that the Board of Directors should include three Class B directorships. Accordingly, since three directors are to be elected at this Annual Meeting, in electing directors, each share will entitle the shareholder to three votes, one per director. Shareholders may not cumulate their votes. As of April 16, 2013 there were 10,905,918 common shares outstanding.

What constitutes a quorum?

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the shares outstanding will constitute a quorum, permitting us to conduct the business of the meeting. Proxies received but marked as "WITHHOLD AUTHORITY" and broker non-votes will be included in the calculation of the number of shares considered to be present at the Annual Meeting, but will not be counted for any other purpose. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power for that particular proposal and has not received instructions as to that proposal from the beneficial owner.

What is the difference between a shareholder of record and a beneficial owner?

If your shares are registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, then you are a shareholder of record. This Notice of Meeting and proxy statement has been provided directly to you by Homeowners Choice, Inc. You may vote by ballot at the meeting or vote by proxy. To vote by proxy, sign, date and return the enclosed proxy card or follow the instructions on the proxy card for voting by telephone or Internet.

If your shares are held for you in a brokerage, bank or other institutional account (that is, held in street name), then you are not a shareholder of record. Rather, the institution is the shareholder of record and you are the beneficial owner of the shares. The accompanying Notice of Meeting and this proxy statement have been forwarded to you by that institution. If you complete and properly sign the accompanying proxy card and return it in the enclosed envelope, or follow the instructions on the proxy card for voting by telephone or Internet, the institution will cause your shares to be voted in accordance with your instructions. If you are a beneficial owner of shares and wish to vote in person at the Annual Meeting, then you must obtain a proxy, executed in your favor, from the holder of record (the institution).

How do I vote?

By Ballot at the Meeting. If you are a shareholder of record and attend the Annual Meeting, you may vote in person by ballot at the Annual Meeting. To vote by ballot, you must register and confirm your shareholder status at the meeting. If the shareholder of record is a corporation, partnership, limited liability company or other entity of which you are an officer or other authorized person, then you should bring evidence of your authority to vote the shares on behalf of the entity. If

your shares are held for you in a brokerage, bank or other institutional account (that is, in street name), you must obtain a proxy, executed in your favor, from that institution (the holder of record) to vote your beneficially-owned shares by ballot at the Annual Meeting. In the election of directors (Matter No. 1), each share held by a shareholder of record will be entitled to three votes, one for each director to be elected. Your option with respect to each director will be to vote FOR the director or to abstain from voting. With respect to the vote related to the company's proposed name change (Matter No. 2), each share held by a shareholder of record will be entitled to one vote. Your options will be to vote FOR or AGAINST or to ABSTAIN. In the vote to ratify the appointment of Dixon Hughes Goodman LLP as the company's independent registered public accounting firm for the year ending December 31, 2013 (Matter No. 3), each share held by a shareholder of record will be entitled to one vote. Your options will be to vote FOR or AGAINST or to ABSTAIN. With respect to the advisory vote related to the compensation of our named executive officers (Matter No. 4), each share held by a shareholder of record will be entitled to one vote. Your options will be to vote FOR or AGAINST or to ABSTAIN. With respect to the advisory vote on the frequency of holding an advisory vote on executive compensation (Matter No. 5), each share held by a shareholder of record will be entitled to one vote. Your options will be to vote FOR a frequency of one year, two years or three years or to ABSTAIN.

By Proxy. If you complete, sign and return the accompanying proxy card or follow the instructions on the proxy card for voting by telephone or Internet, then your shares will be voted as you direct. In the election of directors (Matter No. 1), your options with respect to each director are to direct a vote FOR or to WITHHOLD AUTHORITY. With respect to the vote related to the company's proposed name change (Matter No. 2), your options will be to direct votes FOR or AGAINST or to direct the proxy to ABSTAIN from voting on that proposal. In the proposal to ratify the appointment of Dixon Hughes Goodman LLP as the company's independent registered public accounting firm for the year ending December 31, 2013 (Matter No. 3), your options will be to direct votes FOR or AGAINST or to direct the proxy to ABSTAIN from voting on that proposal. With respect to the advisory vote related to the compensation of our named executive officers (Matter No. 4), your options will be to direct votes FOR or AGAINST or to direct the proxy to ABSTAIN from voting on that matter. With respect to the advisory vote on the frequency of holding an advisory vote on executive compensation (Matter No. 5), your options will be to direct votes FOR a frequency of one year, two years or three years or to direct the proxy to ABSTAIN from voting on that matter.

If you are a shareholder of record, then you may opt to deliver your completed proxy card in person at the Annual Meeting.

Can I vote by telephone or Internet?

Yes. If you follow the instructions on the proxy card for voting by telephone or Internet, your shares will be voted as you direct.

What does it mean if I receive more than one proxy card?

You will receive separate proxy cards when you own shares in different ways. For example, you may own shares individually, as a joint tenant, in an individual retirement account, in trust or in one or more brokerage accounts. You should complete, sign and return each proxy card you receive or follow the telephone or Internet instructions on each card. The instructions on each proxy card may differ. Be sure to follow the instructions on each card.

Can I change my vote or instruction?

Yes. You may follow the instructions on the proxy card to change your votes or instructions any time before midnight the day before the meeting.

In addition, if you are a shareholder of record, you may revoke your proxy any time before your shares are voted by filing with the secretary of the company a written notice of revocation or submitting a duly executed proxy bearing a later date. If you file a notice of revocation, you may then vote (or abstain from voting) your shares in person at the Annual Meeting. If you submit a later dated proxy, then your shares will be voted in accordance with that later dated proxy. No such notice of revocation or later dated proxy, however, will be effective unless received by us at or before the Annual Meeting and before your shares have been voted. Unless the proxy is revoked, the shares represented thereby will be voted at the Annual Meeting or any adjournment thereof as indicated on the proxy card. Sending in a proxy does not affect your right to vote in person if you attend the meeting, although attendance at the meeting will not by itself revoke a previously granted proxy.

If I submit a proxy card, how will my shares be voted?

Your shares will be voted as you instruct on the proxy card.

What happens if I submit a proxy card and do not give specific voting instructions?

If you are a shareholder of record and sign and return the proxy card without indicating your instructions, your shares will be voted in accordance with the recommendations of the Board of Directors. With respect to any other matter that properly comes before the meeting, the proxy holders will vote as recommended by the Board of Directors or, if no recommendation is given, in their own discretion. As of the date this proxy statement went to print, we did not know of any other matter to be raised at the Annual Meeting.

If you are a beneficial owner and you sign and return your proxy card without indicating your instructions, then your broker or nominee will vote, or not vote, in accordance with the rules of the New York Stock Exchange (provided the broker or nominee is a member of the New York Stock Exchange). If a voting matter is designated by the New York Stock Exchange as routine then your broker or nominee may vote or not vote in its own discretion. If a voting matter is designated non-routine by the New York Stock Exchange, then your broker or nominee cannot vote without your instructions.

Which voting matters are considered routine or non-routine?

In general, uncontested matters and matters not involving a merger or consolidation or affecting substantially the rights or privileges of the stock are considered routine under the rules of the New York Stock Exchange. Accordingly we expect the New York Stock Exchange will designate as routine the proposal to ratify the appointment of Dixon Hughes Goodman LLP as the company's independent registered public accounting firm for the year ending December 31, 2013 (Matter No. 3) and brokers and other nominees will be permitted to vote on that matter. On the other hand, the New York Stock Exchange views matters involving, the election of directors, amendments to articles of incorporation and matters involving executive compensation to be non-routine. Accordingly, the election of directors (Matter No. 1), the proposed name change (Matter No. 2), approval, on an advisory basis, of the compensation of our named executive officers (Matter No. 4) and the advisory vote on the frequency of holding an advisory vote on executive compensation (Matter No. 5) will be designated by the New York Stock Exchange as non-routine and brokers and other nominees will not be permitted to vote on those matters without instructions from the beneficial owner.

What happens if I do not submit a proxy card and do not vote by telephone or Internet?

If you are a shareholder of record and you neither designate a proxy nor attend the Annual Meeting, your shares will not be represented at the meeting. If you are the beneficial owner of shares held in the name of a member of the New York Stock Exchange, that member may vote in its discretion on matters deemed routine by the New York Stock Exchange. The member may not vote on matters considered non-routine.

What are the Board's recommendations?

The Board's recommendations are set forth elsewhere in this proxy statement. In summary, the Board recommends votes

Ø FOR election of the following nominees for director positions:

George Apostolou

Paresh Patel

Gregory Politis

Ø FOR approval of an amendment to the company's articles of incorporation to change the company's name from Homeowners Choice, Inc. to HCI Group, Inc.

Ø FOR ratification of the appointment of Dixon Hughes Goodman LLP as the company's independent registered public accounting firm for the year ending December 31, 2013.

Ø FOR approval of the advisory vote related to the compensation of our named executive officers.

Ø FOR the option of once every three years for the frequency of holding an advisory vote on executive compensation.

What vote is required to approve each item?

Election of directors. In the election of directors, the three highest recipients of FOR votes will be elected. A properly executed proxy card marked WITHHOLD AUTHORITY with respect to the election of one or more director nominees will not be voted with respect to the director or directors indicated, even though it will be counted for purposes of determining whether there is a quorum present at the Annual Meeting.

Approval of an amendment to the company's articles of incorporation to change the company's name from Homeowners Choice, Inc. to HCI Group, Inc. With respect to the vote to change the company's name to HCI Group, Inc., the matter will be approved if the number of votes for the proposal exceeds the number of votes against the proposal.

Ratification of appointment of independent registered public accounting firm. The proposal to ratify the appointment of Dixon Hughes Goodman LLP as the company's independent registered public accounting firm for the year ending December 31, 2013 will be approved if the number of votes for the proposal exceeds the number of votes against the proposal.

Approval, on an advisory basis, of the compensation of our named executive officers. With respect to the advisory vote related to the compensation of our named executive officers, the matter is approved if the number of votes for the proposal exceeds the number of votes against the proposal.

Approval, on an advisory basis, of the frequency of holding an advisory vote on executive compensation. With respect to the vote related to the frequency of holding an advisory vote on executive compensation, the option of one year, two years, or three years receiving the highest number of votes will become the frequency of holding an advisory vote on executive compensation.

Other Matters. We do not anticipate other matters coming to a vote at the Annual Meeting. Should any other matter be brought to a vote, the matter will be approved if the number of votes favoring the matter exceeds the number of votes opposing the matter.

How will votes be counted?

All votes will be tabulated by the secretary of the company. We have engaged Broadridge Financial Solutions, Inc. to collect and tabulate proxy instructions. Although abstentions and broker non-votes are each included in the determination of the number of shares present, they are not counted on any matters brought before the meeting.

Who is paying for the preparation and mailing of the proxy materials and how will solicitations be made?

We will pay the expenses of soliciting proxies. Proxies may be solicited on our behalf by directors, officers or employees in person or by mail, telephone, facsimile or electronic transmission. We have requested brokerage houses and other custodians, nominees and fiduciaries to forward soliciting material to beneficial owners and have agreed to reimburse those institutions for their out-of-pocket expenses.

RULES OF CONDUCT

To ensure fair, orderly and constructive meetings, the Board of Directors has adopted the following rules of conduct for shareholder meetings.

1. All attendees must register before entering the meeting room.
2. The meeting will follow the schedule set forth on the agenda.
3. Only shareholders of record as of the record date or their duly authorized representatives are entitled to vote or address the meeting.

7. Rude or disruptive behavior is prohibited.
8. The use of cameras, audio or video recording equipment, communications devices or similar equipment is prohibited.
9. Attendees who violate these rules may be removed.
10. The decisions of the presiding officer in interpreting and enforcing these rules of conduct will be final.

MATTER NO. 1

ELECTION OF DIRECTORS

Three directors are to be elected at the Annual Meeting. In accordance with the company's articles of incorporation, the Board of Directors is divided into three classes. Each class consists of two or three directors. All directors within a class have the same three-year terms of office. The class terms expire at successive annual meetings so that each year a class of directors is elected. The current terms of director classes expire in 2013 (Class B directors), 2014 (Class C directors), and 2015 (Class A directors). Each of the Class B directors elected at the 2013 Annual Meeting will be elected to serve a three-year term.

With the recommendation of the Governance and Nominating Committee, the Board of Directors has nominated the following persons to stand for election as Class B directors at the 2013 Annual Meeting of Shareholders, with terms expiring in 2016:

George Apostolou

Paresh Patel

Gregory Politis

Each of the nominees for election as a director has consented to serve if elected. If, as a result of circumstances not now known or foreseen, one or more of the nominees should be unavailable or unwilling to serve as a director, proxies may be voted for the election of such other persons as the Board of Directors may select. The Board of Directors has no reason to believe that any of the nominees will be unable or unwilling to serve.

The persons named in the enclosed proxy card intend, unless otherwise directed, to vote such proxy FOR the election of George Apostolou, Paresh Patel and Gregory Politis as Class B directors of Homeowners Choice, Inc. The nominees receiving the three highest FOR vote totals will be elected as directors.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE **FOR** ELECTION OF EACH OF THE NOMINEES AS DIRECTORS OF THE COMPANY ITEM 1 ON YOUR PROXY CARD.

His ability to analyze financial information is considered of importance in enhancing oversight of the company's performance, monitoring its financial disclosure and evaluating growth opportunities. Important also, Mr. Saravanos has a substantial personal investment in the company and he played a large role in bringing initial investors to the company.

Directors whose present terms continue until 2015 (Class A):

Harish M. Patel, age 56, has served on our Board of Directors since 2011. Since 2006, Mr. Patel has served also as a director for Medenet, Inc., a medical software company based in St. Petersburg, Florida. From 1976 to 1987, Mr. Patel served in various capacities, including as director of sales, director of operations and director at large, for Colorama Photo Processing Laboratories, a family-owned photo processing business located in London, England which pioneered the provision of next day and same day photo processing services to retail outlets in Central London and later provided those services to other regions of the United Kingdom. From 1987 to 1992, Mr. Patel served in various capacities, including as director at large, for Colorama Pharmaceuticals Ltd., a family-owned start-up venture which distributed pharmaceuticals to the client base of the photo processing company. From 1992 to 2005, he served as director for Kwik Photo Retail Stores, a London-based, operator of stand-alone and in-store retail photo processing labs. During his tenure, that company expanded from 23 company-owned stores to over 100 outlets. In addition he established and managed a United States-based data processing subsidiary for that company. None of the foregoing companies are affiliated with our company. Mr. Patel holds a Bachelor's Degree in Business Administration from South Bank Polytechnic. He has no familial relationship to Paresh Patel, our chief executive officer and chairman of the Board.

Mr. Patel brings a wide range of business and management experience to the Board of Directors. We expect Mr. Patel's business and management experience will enhance oversight of the company's business performance and financial disclosure. We believe also the knowledge he has gained from his experiences, in particular his knowledge of software systems and health care, will be valuable as the company considers and seeks growth opportunities. Also important, Mr. Patel has a substantial personal investment in the company.

Martin A. Traber, age 67, is a founder of the company. He has been a director of the company since its inception. Since 1994 Mr. Traber has been a partner of Foley & Lardner LLP, in Tampa, Florida, representing clients in securities and corporate law transactions. Mr. Traber earned a Bachelor of Arts and a Juris Doctor from Indiana University. Mr. Traber is

a founder of NorthStar Bank in Tampa, Florida and from 2007 to 2011 served as a member of the Board of Directors of that institution. Mr. Traber serves on the Board of Directors of Exeter Trust Company, Portsmouth, New Hampshire and JHS Capital Holdings, Tampa, Florida and on the Advisory Board of Platinum Bank, Tampa, Florida.

Mr. Traber brings considerable legal, financial and business experience to the Board of Directors. He has counseled and observed numerous businesses in a wide range of industries. The knowledge gained from his observations and his knowledge and experience in business transactions and securities law are considered of importance in monitoring the company's performance and when we consider and pursue business acquisitions and financial transactions. Mr. Traber also serves on the governance and nominating committee and our compensation committee. As a corporate and securities lawyer he has a fundamental understanding of governance principles and business ethics. His knowledge of other businesses and industries is useful in determining management and director compensation. Important also, Mr. Traber has a substantial personal investment in the company.

Arrangements as to Selection and Nomination of Directors

We are aware of no arrangements as to the selection and nomination of directors.

Independent Directors

Based upon recommendations of our governance and nominating committee, our Board of Directors has determined that current directors George Apostolou, Harish M. Patel, Gregory Politis, Anthony Saravanos and Martin A. Traber are independent directors meeting the independence tests set forth in Section 303A.02 of the New York Stock Exchange Listing Manual, including having no material relationship with the company (either directly or as a partner, shareholder or officer of an organization that has a relationship with the company). In the case of Mr. Traber, the Committee considered his role as a partner of Foley & Lardner LLP, which provides legal services to the company, and determined that the fees received by the law firm from us amount to less than 1% of the firm's total revenue and considered also Mr. Traber's personal financial substance, his other sources of income and his lack of dependence upon legal fees from the company.

DIRECTOR COMPENSATION

Directors who are employees of the company do not receive any additional compensation for their service as directors. During 2012, the company's non-employee directors each received a \$30,000 cash bonus, which was paid in February 2012. Additionally, each director received cash payments in January, April, July and October of \$12,500, \$12,500, \$18,750 and \$18,750, respectively, for his service to the company, which includes attendance at Board and committee meetings held during 2012.

The following table sets forth information with respect to compensation earned by each of our directors (other than named executive officers) during the year ended December 31, 2012.

Anthony Saravanos	\$ 92,500						\$ 92,500
Harish Patel	\$ 92,500						\$ 92,500

In addition to the fees detailed above, non-employee directors are reimbursed for travel and other reasonable out-of-pocket expenses related to attendance at Board or committee meetings.

There was no equity compensation granted to non-employee directors in 2012. The aggregate number of stock options outstanding for each non-employee director as of December 31, 2012 was as follows:

Founders Gregory Politis and Martin A. Traber each received additional options to purchase 160,000 shares at \$2.50 per share. Those options vested monthly in 5,000 share increments commencing June 1, 2007. TRANSACTIONS WITH RELATED PERSONS

Transactions

Office Lease

On April 8, 2008, we entered into a lease with Xenia Management Corporation, a company owned and operated by Gregory Politis, one of our directors. The lease was for 6,000 square feet of office space and 1,498 square feet of common area, in Clearwater, Florida. The lease commenced in July 2008 and required us to make monthly lease payments of \$12,500, which included \$2,500 for common area maintenance. The total payments made to Xenia Management Corporation during 2012 were \$179,000. This lease was terminated in December 2012.

Reinsurance Agreement

On June 1, 2012, Claddaugh Casualty Insurance Company, Ltd. (Claddaugh), our Bermuda-based captive reinsurer, entered into a reinsurance treaty with Moksha Re SPC Ltd. and multiple capital partners (Moksha) whereby a portion of the business assumed from the company's insurance subsidiary, Homeowners Choice Property & Casualty Insurance Company, Inc., is ceded by Claddaugh to Moksha. With respect to the 2012-2013 treaty year, which covers the period from June 1, 2012 through May 31, 2013, Moksha assumed \$13.8 million of the total covered exposure for approximately \$4.0 million in premiums, a rate which management believes to be competitive with market rates available to Claddaugh. The \$4.0 million premium was fully paid by Claddaugh in June 2012. Moksha capital partners deposited an aggregate of \$9.8 million into a trust account along with the \$4.0 million premium paid by Claddaugh to fully collateralize Moksha's exposure. Trust assets may be withdrawn by our insurance subsidiary, the trust beneficiary, in the event amounts are due under the 2012-2013 Moksha reinsurance agreement. Among the Moksha capital partner participants, our chief executive officer and our vice president of investor relations contributed \$700,000 and \$200,000, respectively. In addition, members of the chief executive officer's immediate family contributed \$942,500. The remaining capital partner participants, who are multiple parties unrelated to the company, contributed the balance of \$7,960,000.

Legal Services

One of our directors, Martin A. Traber, is a partner at the law firm of Foley & Lardner LLP, and since our inception in 2007, the firm has provided legal representation to us on certain matters, including our 2008 initial public offering. During 2012, Foley & Lardner LLP billed us approximately \$335,000. Such amount includes fees billed in connection with our common stock offering and represents less than 1% of Foley's fee revenue. These services were provided on an arms-length basis, and paid for at fair market value. We believe that such services were performed on terms at least as favorable to us as those that would have been realized in transactions with unaffiliated entities or individuals.

Policies for Approval or Ratification of Transactions with Related Persons

Our policy for approval or ratification of transactions with related persons is for those transactions to be reviewed and approved by the Audit Committee. That policy is set forth in the Audit Committee Charter. Our practice is that such transactions are approved by a majority of disinterested directors. The policy sets forth no standards for approval. Directors apply their own individual judgment and discretion in deciding such matters.

ADVERSE INTERESTS

We are not aware of any material proceedings in which an executive officer or director is a party adverse to the company or has a material interest adverse to the company.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Based solely upon a review of Forms 3, 4, and 5 filed for the year 2012, we believe that all of our directors, officers, and 10% beneficial owners complied with all Section 16(a) filing requirements applicable to them. Communications that are not racially, ethnically or religiously offensive, commercial, pornographic, obscene, vulgar, profane, defamatory, abusive, harassing, threatening, malicious, false or frivolous in nature will be promptly forwarded to the Board of Directors or the specified member of the Board to whom the communication is addressed.

COMMITTEES OF THE BOARD OF DIRECTORS

The Board of Directors has an audit committee, a compensation committee, and a governance and nominating committee.

Audit Committee

The company has a separately-designated standing audit committee established in accordance with the Securities and Exchange Act of 1934. The audit committee's responsibilities include the following:

assisting our Board of Directors in its oversight of the quality and integrity of our accounting, auditing, and reporting practices;

overseeing the work of our internal accounting and auditing processes;

discussing with management our processes to manage business and financial risk;

making appointment, compensation, and retention decisions regarding, and overseeing the independent registered public accounting firm engaged to prepare or issue audit reports on our financial statements;

establishing and reviewing the adequacy of procedures for the receipt, retention and treatment of complaints received by our company regarding accounting, internal accounting controls or auditing matters, and the confidential, anonymous submission by employees of concerns regarding questionable accounting or auditing matters;

conducting an appropriate review and approval of all related party transactions for potential conflict of interest situations on an ongoing basis.

The audit committee is composed of three members: Anthony Saravanos, its chairman, George Apostolou and Harish M. Patel. Since our common shares are listed on the New York Stock Exchange, we are governed by its listing standards. Accordingly, each member of the audit committee meets the independence tests set forth in Section 303A.02 of the New York Stock Exchange Listing Manual and the criteria for independence set forth in Rule 10A-3(b)(1) of the Securities and Exchange Commission. The Board of Directors has determined that Mr. Saravanos is an audit committee financial expert. The Audit Committee met formally four times during 2012 and otherwise acted by unanimous written consent. The Board of Directors has adopted a written Audit Committee Charter. A current copy of the charter is available on our website www.hcigroup.com. Click Investors and then Corporate Governance.

Compensation Committee

The compensation committee's responsibilities include the following:

reviewing on a periodic basis the operation of our executive compensation programs to determine whether they are properly coordinated and achieving their intended purposes;

administering and making awards under the company's 2012 Omnibus Incentive Plan and monitoring and supervising the administration of any other benefit plans the company may have; and

reviewing and approving compensation to outside directors.

The compensation committee has the authority to determine the compensation of the chief executive officer and the non-employee directors. At least annually the compensation committee considers the results of the company's operations and its financial position and makes compensation determinations. The compensation committee has not engaged or relied on consultants, instead relying on the judgment and knowledge of its own members. It views the determination of such compensation to be a collaborative effort and accordingly it welcomes recommendations and advice from executive officers and other directors. The compensation committee is composed of four members: Martin A. Traber, Chairman, and Gregory Politis, Anthony Saravanos and George Apostolou, each of whom meets the independence tests set forth in Section 303A.02 of the New York Stock Exchange Listing Manual. The compensation committee met formally four times during 2012 and otherwise acted by unanimous written consent. The Board of Directors has adopted a formal compensation committee charter. Governance and Nominating Committee

The functions of the governance and nominating committee include the following:

establishing criteria for selection of potential directors, taking into account all factors it considers appropriate;

identifying and selecting individuals believed to be qualified as candidates to serve on the board and recommending to the board candidates to stand for election as directors at the annual meeting of shareholders or, if applicable, at a special meeting of the shareholders;

recommending members of the board to serve on the committees of the board;

evaluating and ensuring the independence of each member of each committee of the board required to be composed of independent directors;

reporting regularly to the board (i) regarding meetings of the committee, (ii) with respect to such other matters as are relevant to the committee's discharge of its responsibilities, and (iii) with respect to such recommendations as the committee may deem appropriate.

The governance and nominating committee is composed of three members: Martin A. Traber, Anthony Saravanos and George Apostolou, each of whom meets the independence tests set forth in Section 303A.02 of the New York Stock Exchange Listing Manual. The governance and nominating committee held two meetings in 2012. The Board of Directors has adopted a written governance and nominating committee charter. A current copy of the charter is available on our website at www.hcigroup.com. Click Investors and then Corporate Governance.

Each of the proposed director nominees was recommended by the governance and nominating committee to the Board of Directors.

The governance and nominating committee identifies director candidates in numerous ways. Generally, the candidates are known to and recommended by members of the Board of Directors or management. In evaluating director candidates, the governance and nominating committee considers a variety of attributes, criteria and factors, including experience, skills, expertise, diversity, personal and professional integrity, character, temperament, business judgment, time availability, dedication and conflicts of interest. At a minimum, director candidates

Edgar Filing: Homeowners Choice, Inc. - Form DEF 14A

must be at least 18 years of age and have such business, financial, technological or legal experience or education to enable them to make informed decisions on behalf of the company. The governance and nominating committee has not adopted a specific policy on diversity. However, in practice it has identified and recommended individuals of diverse ethnic, cultural and business backgrounds.

The governance and nominating committee will consider director candidates recommended by shareholders. If you wish to recommend one or more director candidates you should send your recommendations before November 1 of the year preceding the next annual meeting of shareholders to the Secretary of the Corporation, Andrew L. Graham, 5300 West Cypress Street, Suite 100, Tampa, Florida 33607. Each recommendation should set forth the candidate's name, age, business address, business telephone number, residence address, and principal occupation or employment and any other attributes or factors you wish the committee to consider, as well as your name, address and telephone number and the class and number of shares you hold. The Committee may require the recommended candidate to furnish additional information. The secretary will forward recommendations of qualified candidates to the governance and nominating committee and those candidates will be given the same consideration as all other candidates.

A shareholder wishing to nominate an individual for election to the Board of Directors at the Annual Meeting of the Shareholders, rather than recommend a candidate to the Governance and Nominating Committee, must comply with the advance notice requirements set forth in our bylaws. See [Shareholder Proposals for Presentation at the 2014 Annual Meeting](#) for further information.

Board of Directors Leadership Structure

Our business and affairs are managed under the direction of the Board of Directors. Under our current leadership structure, Paresh Patel serves as chairman of the board and chief executive officer. Mr. Patel's role includes providing continuous feedback on the direction and performance of the company, serving as chairman of regular meetings of the Board of Directors, setting the agenda of meetings of the Board of Directors and leading the Board of Directors in anticipating and responding to changes in our business. Mr. Patel plays a significant role also in formulating and executing the company's strategic plans, technology efforts and investment decisions. We believe board oversight and planning is a collaborative effort among the directors, each of whom has unique skills, experience and education, and this structure facilitates collaboration and communication among the directors and management and makes best use of their respective skills. The Board of Directors may determine to alter this leadership structure anytime based on then existing circumstances.

Board of Directors Role in Risk Oversight

The Board of Directors plays a significant role in monitoring risks to the company. Where major risks are involved, the Board of Directors takes a direct role in reviewing those matters. For example, the Board of Directors annually reviews the level and design of our reinsurance program. Reinsurance is insurance we buy from other insurance companies to cover hurricanes and other catastrophes. The Board of Directors also approves any strategic initiatives and any large or unusual investment or other such expenditure of the company's resources. The Board of Directors has established committees to assist in ensuring that material risks are identified and managed appropriately. Among them are the audit committee, the compensation committee, the investment committee and the governance and nominating committee. The Board and its committees regularly review material operational, financial, compensation and compliance risks with executive management. The audit committee is responsible for assisting the Board of Directors in its oversight of the quality and integrity of our accounting, auditing, and reporting practices and discussing with management our processes to manage business and financial risk. The compensation committee considers risk in connection with its design of our compensation programs for our executives. The investment committee manages the company's normal investments. The governance and nominating committee regularly reviews the company's corporate governance structure and board committee assignments. Each committee regularly reports to the Board of Directors.

MATTER NO. 2

NAME CHANGE FROM HOMEOWNERS CHOICE, INC. TO HCI GROUP, INC.

On April 4, 2013, the company's Board of Directors determined that the company's best interests would be served by a change of name from Homeowners Choice, Inc. to HCI Group, Inc. This name change requires an amendment to the company's articles of incorporation, and such an amendment requires approval by the shareholders.

We believe this name change will be beneficial to the company in several ways.

The name HCI Group, Inc. will better represent the company's diversified business activities, which include information technology, real estate operations and reinsurance as well as property and casualty insurance.

The new name will provide greater clarity to the company's identity, avoiding confusion between the company and its largest subsidiary, Homeowners Choice Property & Casualty Insurance Company, Inc. We have seen news media, vendors and others confuse the companies and their activities.

Finally, the new name will distinguish the company and the brands of its non-property and casualty insurance enterprises from the Homeowners Choice brand, thereby enhancing and strengthening the value of all our brands.

We remain committed to the Homeowners Choice brand, which will continue to represent our homeowners' property and casualty insurance business. We believe a name change at the parent company will enhance and strengthen that brand.

The Board of Directors proposes that Article I of the company's articles of incorporation be amended and restated in its entirety to read as follows:

Article I

The name of the corporation is HCI Group, Inc.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE **FOR** APPROVAL OF THE PROPOSED AMENDMENT TO THE ARTICLES OF INCORPORATION TO CHANGE THE COMPANY'S NAME TO HCI GROUP, INC. ITEM 2 ON YOUR PROXY CARD.

MATTER NO. 3

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The company's audit committee has appointed Dixon Hughes Goodman LLP as the company's independent registered public accounting firm for the year ending December 31, 2013. At the Annual Meeting, shareholders will be asked to ratify the audit committee's appointment of Dixon Hughes Goodman LLP as the company's independent registered public accounting firm. Regardless of the outcome of this vote, the audit committee will retain the sole authority to appoint the company's independent registered public accounting firm. If the appointment is not ratified, then the audit committee will reconsider its appointment. Even if the appointment is ratified, the audit committee may appoint a different independent registered public accounting firm for the company.

The persons named in the enclosed proxy card intend, unless otherwise directed, to vote such proxy **FOR** ratification of the appointment of Dixon Hughes Goodman LLP as the company's independent registered public accounting firm. This proposal will be approved if the number of votes for the proposal exceeds the number of votes against the proposal.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE **FOR** RATIFICATION OF THE APPOINTMENT OF DIXON HUGHES GOODMAN LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM ITEM 3 ON YOUR PROXY CARD.

Change in Independent Registered Public Accounting Firm

Effective March 20, 2013, the audit committee determined to engage Dixon Hughes Goodman LLP to serve as the company's independent registered public accounting firm for the year ending December 31, 2013 and as a consequence dismissed Hacker Johnson & Smith P.A. as the company's independent registered public accounting firm for the audit of the company's financial statements effective March 20, 2013. We expect one or more representatives of Dixon Hughes Goodman LLP will attend our 2013 Annual Meeting.

Prior to the engagement of Dixon Hughes Goodman LLP, Hacker Johnson & Smith P.A. had been the company's independent registered public accounting firm. Hacker Johnson & Smith P.A. was notified on March 20, 2013 that it would not be retained as the company's independent registered public accounting firm for the year ending December 31, 2013. Hacker Johnson & Smith P.A.'s engagement as the company's independent registered public accounting firm to audit our consolidated financial statements for the year ended December 31, 2012 was unaffected by the selection of Dixon Hughes Goodman LLP as Hacker Johnson & Smith P.A.'s dismissal became effective following the completion of their audit of the company's consolidated financial statements as of and for the year ended December 31, 2012 and the filing of the related Annual Report on Form 10-K.

The audit reports of Hacker, Johnson & Smith P.A. on the consolidated financial statements of the company as of December 31, 2011 and 2012 and the years then ended did not contain any adverse opinion or disclaimer of opinion nor were they qualified or modified as to uncertainty, audit scope or accounting principles. The audit report of Hacker, Johnson & Smith P.A. on the effectiveness of internal control over financial reporting as of December 31, 2012 did not contain any adverse opinion or disclaimer of opinion, nor was it qualified or modified as to uncertainty, audit scope, or accounting principles.

During the two years ended December 31, 2012 and 2011, and through the Company's subsequent interim period from January 1, 2013 through March 20, 2013, there were (i) no disagreements between the company and Hacker Johnson & Smith P.A. on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedures, which, if not resolved to the satisfaction of Hacker Johnson & Smith P.A. would have caused Hacker Johnson & Smith P.A. to make reference thereto in their reports on the consolidated financial statements for such years, and (ii) no reportable events as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

During the two years ended December 31, 2012 and 2011, and through the Company's subsequent interim period from January 1, 2013 through March 20, 2013, the company did not consult with Dixon Hughes Goodman LLP regarding either (i) the application of accounting principles to a specified transaction, either completed or proposed; or the type of audit opinion that might be rendered on the company's consolidated financial statements, and neither a written report was provided to the company nor oral advice was provided that Dixon Hughes Goodman LLP concluded was an important factor considered by the company in reaching a decision as to the accounting, auditing or financial reporting issue; or (ii) any matter that was either the subject of a disagreement, as that term is defined in Item 304(a)(1)(iv) of Regulation S-K and the related instructions to Item 304 of Regulation S-K, or a reportable event, as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

We provided Hacker Johnson & Smith P.A. with a copy of a Form 8-K/A disclosing the above matters, which was filed on April 1, 2013. Hacker Johnson & Smith P.A. furnished the company with a letter addressed to the Securities and Exchange Commission stating that Hacker Johnson & Smith P.A. agreed with the statements made in the Form 8-K/A, except that Hacker Johnson & Smith P.A. was not in a position to agree or disagree with the company's statement that Dixon Hughes Goodman LLP's engagement was approved by the Audit Committee or with the company's statement that Dixon Hughes Goodman LLP was not engaged regarding the application of accounting principles to a specified transaction or the type of audit opinion that might be rendered on the company's consolidated financial statements, or the effectiveness of internal control over financial reporting. A copy of such letter, dated March 29, 2013, was filed as Exhibit 16 to the Form 8-K/A.

INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM
PRINCIPAL REGISTERED PUBLIC ACCOUNTING FIRM

Hacker, Johnson & Smith P.A. was our principal registered public accounting firm for 2012 and 2011.

AUDIT COMMITTEE REPORT

TO: The Board of Directors of Homeowners Choice, Inc.

The audit committee oversees the financial reporting processes of Homeowners Choice, Inc. on behalf of the Board of Directors. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the audit committee reviewed the audited financial statements in the Annual Report with management and discussed with management the quality, in addition to the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The audit committee reviewed with representatives of Hacker Johnson & Smith P.A., the company's independent registered public accounting firm responsible for auditing the company's financial statements and expressing an opinion on the conformity of those audited financial statements with accounting principles generally accepted in the United States of America, their judgments as to the quality, not just the acceptability, of the company's accounting principles. The audit committee has discussed with the independent registered public accounting firm the matters required to be discussed under auditing standards adopted by the Public Company Accounting Oversight Board. MATTER NO. 4

APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

Pursuant to Section 14A of the Securities Exchange Act of 1934, we are asking shareholders to approve, on a non-binding, advisory basis, the compensation of our named executive officers as described in this proxy statement.

Compensation Program and Philosophy

Our compensation committee and Board of Directors believe our compensation practices and policies must be designed to attract and retain highly-skilled executives who are critical to the company's success while at the same time aligning our executives' interests with the interests of the shareholders. Accordingly, emphasis is placed on aligning pay with the financial performance of the company and increasing shareholder value. We have sought to do so with a mix of base salaries, discretionary bonuses, performance based bonuses and restricted stock grants. During 2012, the most significant portion of our chief executive officer's compensation was tied to the company's financial performance with performance objectives keyed to earnings before interest and the provision for income taxes, excluding certain nonrecurring items in accordance with the company's 2012 Omnibus Incentive Plan (EBIT), within a specific measurement period. Compensation issued to other named executive officers included restricted stock grants issued in 2012, with forty to fifty percent of the award tied to market performance of the company's common shares. The Board of Directors believes the company has appropriately compensated management to retain their services and incentivized them to drive strong financial performance and increase shareholder value.

Recommendation

We are asking our shareholders to approve the compensation of our named executive officers (our chief executive officer, our chief financial officer and our three other most highly compensated executives) as described in this proxy statement by voting in favor of the following resolution:

RESOLVED, that the shareholders approve the compensation paid to the company's named executive officers as disclosed in the company's proxy statement with respect to the company's 2013 Annual Meeting of Shareholders pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis section, the Summary Compensation Table, and other compensation tables and related discussion and disclosure.

While this vote on the executive compensation of our named executive officers is an advisory vote and therefore not binding on the company, the Compensation Committee and our Board of Directors value the opinions of our shareholders and will consider the vote outcome when making future compensation decisions for our named executive officers.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE **FOR** APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT ITEM 4 ON YOUR PROXY CARD.

EXECUTIVE COMPENSATION AND RELATED INFORMATION

Compensation Discussion and Analysis

The following discussion describes the principles of our executive compensation program and how we believe our compensation program aligns with our company objectives.

Overview

The compensation committee and Board of Directors are committed to aligning executive pay with the company's performance. As such, we anticipate our chief executive officer will receive a significant portion of his cash compensation each year in the form of non-equity incentive plan compensation as determined by the compensation committee and in

accordance with the company's 2012 Omnibus Incentive Plan, which was approved by the company's shareholders in 2012. We anticipate our other named executive officers will receive a substantial portion of their compensation in the form of discretionary cash bonuses, equity awards, or a combination of both, as determined by the compensation committee in consultation with our chief executive officer. During 2012, the company did not engage in benchmarking of total compensation or any material component of compensation with respect to the amounts paid to the company's named executive officers in 2012.

With respect to our chief executive officer's 2012 compensation, the compensation committee established a minimum EBIT target of \$5 million and a specific measurement period from September 1 through December 31, 2012 during which the minimum EBIT target must be met. Upon meeting the pre-established EBIT target, the chief executive officer was set to receive 3.25% of 2012 EBIT subject to any downward adjustment with such adjustment determined solely at the discretion and approval of the compensation committee. The compensation awarded in 2012 to our chief executive officer in connection with this non-equity incentive plan amounted to \$1,570,000, or approximately 3.0% of 2012 EBIT. This amount was paid in December 2012 rather than 2013 in part because of income tax uncertainties. In addition, the Compensation Committee approved and the chief executive officer received a \$1,000,000 discretionary bonus award in February 2012. This cash bonus followed the successful integration of the HomeWise Insurance Company book of business assumed by the company in November 2011.

Each of our other named executive officers received a significant portion of his 2012 compensation in the form of discretionary bonus awards, equity awards, or a combination of cash bonus and equity awards. Consistent with the 2012 awards to our chief executive officer, cash bonuses were paid in February 2012 and December 2012. Payment of the December 2012 bonuses was accelerated because of the income tax uncertainties. We also granted restricted stock to each named executive officer in 2012. The restricted stock granted to Scott Wallace was concurrent with the execution of Mr. Wallace's employment agreement. All other restricted stock awards to executive officers of the company were granted in May 2012. Because 2012 cash bonus and equity awards earned by our named executive officers were at the discretion of the compensation committee, we have no set policy for allocating between long-term and currently paid out compensation nor do we have an established policy for the allocation between cash and non-cash compensation.

The company has not had and currently does not have a pension or other retirement plan or a deferred compensation plan.

Our main objectives were to retain highly skilled executives and align their interests with the interests of the shareholders so as to incentivize them to drive strong financial performance and increase shareholder value. We believe these objectives were accomplished in 2012.

2012 Company Performance

The company generated strong financial performance and increased shareholder value in 2012:

Gross premiums earned increased by more than 60% to \$233.6 million from \$143.6 million in 2011;

Net premiums earned increased 79% to \$157.7 million from \$88.1 million in 2011;

Income available to common shareholders increased 227% to \$29.8 million from \$9.1 million in 2011;

We achieved 30% growth in policy count having successfully integrated policies assumed from HomeWise Insurance Company in November 2011 and from Citizens Property Insurance Corporation in November 2012;

Our balance sheet reflects cash and cash equivalents of \$230 million at December 31, 2012, which is a 129% increase over the \$100 million balance in cash and cash equivalents at December 31, 2011;

We raised \$21.6 million in April 2012 upon completion of our follow-on, common stock offering;

Diluted earnings per common share increased 125% to \$3.02 compared with \$1.34 for 2011;

Edgar Filing: Homeowners Choice, Inc. - Form DEF 14A

Common dividends paid in 2012 totaled \$0.875 per share compared with \$0.525 per share for 2011, a 66.7% increase; and

In October 2012, we celebrated the transfer of the company's common stock listing from the NASDAQ Global Select Market to the New York Stock Exchange, which we believe enhances shareholder value.

In addition, in April 2012, Scott Wallace joined the company as president of Homeowners Choice Property & Casualty Insurance Company, Inc., our principal operating subsidiary. Mr. Wallace was formerly the chief executive officer of Citizens Property Insurance Corporation and has more than 30 years of experience in the insurance industry. Our ability to hire Mr. Wallace was due in part to our reputation, financial performance, and strong leadership.

2012 Compensation

Compensation decisions reflect the company's commitment to align our executive compensation with performance:

Our chief executive officer's cash compensation was comprised of base salary representing only 16% of his total cash compensation, with the remaining 84% of cash compensation related to a combination of performance-based incentive plan compensation and discretionary bonus all of which were approved by the compensation committee.

Base salaries of our other named executive officers hired prior to 2012 were approximately 46% of the total cash compensation paid to the named executive officers. The remaining cash compensation was in the form of bonus awards that followed key transactions or full-year financial performance.

Compensation paid to our named executive officers in 2012 included discretionary cash bonus awards that followed the successful completion of multiple transactions, which enhanced shareholder value and contributed significantly to our top- and bottom-line growth in 2012 to include:

- ii Completion of the HomeWise Insurance Company assumption transaction in November 2011;
- ii Completion of the November 2012 assumption transaction, our largest to date, with Citizens Property Insurance Corporation; and
- ii Completion of our follow-on, common stock offering in April 2012 by which we raised \$21.6 million.

Equity awards in 2012 were comprised of restricted stock awards with forty to fifty percent of the awards tied to the market performance of the company's common shares.

In addition to the above summary, we urge our shareholders to read the information in the Executive Compensation and Related Information section, the Summary Compensation Table, and other compensation tables and disclosures contained in this proxy statement for more details about our executive compensation program.

ROLE OF EXECUTIVE OFFICERS AND MANAGEMENT IN COMPENSATION DECISIONS

The compensation committee periodically invites Mr. Patel and other executives to attend committee meetings. Mr. Patel presents to the compensation committee his evaluation of each executive officer's performance during the year and makes recommendations to the compensation committee regarding base salaries, bonus targets, performance goals, and equity compensation. The compensation committee has full authority to accept, modify or reject these recommendations. The compensation committee typically discusses Mr. Patel's compensation package and related proposals with him. However, the compensation committee makes all final decisions related to Mr. Patel's compensation without Mr. Patel present.

ARRANGEMENTS AS TO SELECTION AND NOMINATION OF EXECUTIVE OFFICERS

We are aware of no arrangements as to the selection or appointment of executive officers.

PENSION OR OTHER RETIREMENT PLAN AND DEFERRED COMPENSATION PLANS

The company has not had and currently does not have a pension or other retirement plan or a deferred compensation plan. Accordingly, the pension benefit table, the nonqualified deferred compensation table, and any related disclosures have been omitted from the discussion below.

ACCOUNTING AND TAX CONSIDERATIONS

In designing our compensation programs, we consider the potential accounting and tax effects on the company and our employees. In allocating among different components of compensation, we consider the accounting expense and potential reward associated with each separate component of compensation.

We also seek to provide tax-advantaged benefits for employees where practical and affordable. In selecting the components of our compensation program and allocating among them, we consider whether the component may be performance-based compensation for purposes of Section 162(m) of the Internal Revenue Service Code. Under Section 162(m), the company receives a federal income tax deduction for compensation paid to its chief executive officer and the three other most highly compensated executive officers only if the compensation is less than \$1 million during any year or is performance-based under Section 162(m). During 2012, \$490,856 of Mr. Patel's compensation was nondeductible in the computation of the company's federal taxable income due to this limitation imposed by the Internal Revenue Service Code Section 162(m). The tax impact related to the disallowed amount was approximately \$189,000. All other compensation paid to our executive officers in 2012 was fully deductible. Our 2012 Omnibus Incentive Plan was designed to permit the compensation committee to award compensation that is performance-based and thus fully tax-deductible by the company. Under Code Section 162(m), when a plan provides for compensation that is intended to be performance-

based, the plan must be re-approved by shareholders at least every five years in order for new compensation under the plan to be fully deductible for federal tax purposes. Our 2012 Omnibus Incentive Plan was approved by our shareholders at the 2012 Annual Meeting of Shareholders.

MATTER NO. 5

APPROVAL, ON AN ADVISORY BASIS, OF THE FREQUENCY OF HOLDING AN ADVISORY VOTE ON EXECUTIVE COMPENSATION

Pursuant to Section 14A of the Securities Exchange Act of 1934, we are asking shareholders to cast an advisory vote on executive compensation (Matter No. 4) and, in addition, we are requesting that shareholders vote on the frequency of holding this advisory vote on executive compensation. Specifically, we are asking you to vote on whether the advisory vote on executive compensation should occur once every year, every two years or every three years.

The company's Board of Directors believes that a frequency of every three years for the advisory vote on executive compensation is the appropriate choice for conducting and having shareholders vote on this matter.

Shareholders are being asked to vote on the following resolution:

RESOLVED, that the shareholders of the company approve, on an advisory basis, the frequency with which the shareholders of the company will vote on the compensation of the company's named executive officers as disclosed in the company's proxy statement by selecting one of the following choices:

FOR every year; FOR every two years; FOR every three years; or ABSTAIN from voting.

While this advisory vote on the frequency of the advisory vote on executive compensation of our named executive officers is not binding on the company, the Compensation Committee and our Board of Directors value the opinions of our shareholders and will consider the vote outcome when considering the frequency of future advisory votes on executive compensation.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE **FOR** THE OPTION OF **ONCE EVERY THREE YEARS** AS THE FREQUENCY WITH WHICH SHAREHOLDERS WILL VOTE ON THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS ITEM 5 ON YOUR PROXY CARD.
