Dear Stockholder:

On behalf of the Board of Directors and management of Signature Group Holdings, Inc. (we or the Company), you are cordially invited to attend the 2014 Annual Meeting of Stockholders of the Company (the Annual Meeting), which will be held at the offices of Crowell & Moring LLP, 515 South Flower Street, 40th Floor, Los Angeles, California, 90071 on April 29, 2014, beginning at 10:00 a.m. Pacific Time. The accompanying Notice of Annual Meeting and proxy statement are designed to answer your questions and provide you with important information regarding our Board of Directors and senior management, and provide you with information about the items of business that will be acted upon at the Annual Meeting.

Our Board of Directors has determined that the matters to be considered at the Annual Meeting are in the best interests of the Company and its stockholders. For the reasons set forth in the proxy statement, the Board of Directors strongly recommends that you vote (i) **FOR** the director nominees specified under Proposal 1; (ii) **FOR** the ratification of the appointment of Squar, Milner, Peterson, Miranda & Williamson, LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014 under Proposal 2; and (iii) **FOR** the approval of, on an advisory basis, the compensation of our named executive officers. All of these proposals will be listed in the WHITE proxy card included with the enclosed proxy statement that you receive for the Annual Meeting.

We encourage you to attend the Annual Meeting in person if it is convenient for you to do so. If you are unable to attend, it is important your shares be represented and voted at the Annual Meeting. We urge you to read the enclosed proxy statement and then sign, date and return the enclosed WHITE proxy card (or follow the instructions in the enclosed WHITE proxy card to vote by telephone or via the Internet) at your earliest convenience.

This year's Annual Meeting is a particularly important one, and YOUR vote is essential. Lee P. Crockett (Mr. Crockett) has notified the Company that he intends to nominate himself to stand for election at the Annual Meeting. You may receive solicitation materials, including proxy statements and proxy cards, from Mr. Crockett seeking your proxy to vote for him. At this time, we have no knowledge whether Mr. Crockett will actually proceed with the solicitation for the election of himself at the Annual Meeting. We bear no responsibility for the accuracy or completeness of any solicitation materials distributed, or any statements made, by or on behalf of Mr. Crockett. **THE BOARD URGES YOU NOT TO SUBMIT ANY PROXY CARD SENT TO YOU BY, OR ON BEHALF OF, MR. CROCKETT. THE BOARD UNANIMOUSLY RECOMMENDS A VOTE **FOR** THE ELECTION OF EACH OF THE BOARD'S NOMINEES ON THE ENCLOSED **WHITE** PROXY CARD.**

If you already have submitted a proxy card sent to you by, or on behalf of, Mr. Crockett, you can revoke that proxy by submitting another proxy over the Internet or by telephone, or by completing, dating, signing and returning your WHITE proxy card in the postage-paid envelope provided. Only the latest validly executed proxy you submit will count, and any proxy may be revoked at any time prior to its exercise at the Annual Meeting as described in the accompanying proxy statement.

If you need assistance voting, please should contact our proxy solicitor, Morrow & Co., LLC, by calling 800-662-5200. Banks and brokerage firms should call Morrow at 203-658-9400.

On behalf of the Board of Directors, we look forward to greeting in person as many of our stockholders as possible.

Sincerely,

Craig T. Bouchard

CROCKETT. THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THE ELECTION OF EACH OF THE BOARD'S NOMINEES WHOSE NAMES ARE SET FORTH ON THE ENCLOSED WHITE PROXY CARD.** Even if you have already returned a proxy card sent to you by, or on behalf of, Mr. Crockett, you have every right to change your vote. You may revoke that proxy and vote as recommended by the Board of Directors by signing, dating and returning the enclosed WHITE proxy card in the postage-paid envelope provided. Only the latest validly executed proxy you submit will count, and any proxy may be revoked at any time prior to its exercise at the Annual Meeting as described in the accompanying proxy statement. **THE BOARD OF DIRECTORS URGES YOU NOT TO RETURN ANY PROXY CARD SENT TO YOU BY MR. CROCKETT, EVEN AS A PROTEST VOTE AGAINST MR. CROCKETT BECAUSE IT WILL NEGATE ANY EARLIER CARD YOU MAY HAVE SUBMITTED IN SUPPORT OF YOUR BOARD'S NOMINEES.**

PROXY STATEMENT

FOR THE 2014 ANNUAL MEETING OF STOCKHOLDERS

Our Board of Directors is soliciting proxies to be voted at our 2014 Annual Meeting of Stockholders (the Annual Meeting) on April 29, 2014, at 10:00 a.m. Pacific Time, and at any adjournment or postponement thereof, for the purposes set forth in the attached Notice of Annual Meeting of Stockholders (the Notice). This proxy statement and the proxies solicited hereby are being first sent or delivered to stockholders on or about April 4, 2014.

As used in this proxy statement, the terms Signature, Company, we, us and our refer to Signature Group Holdings Inc., a Delaware corporation, and the terms Board of Directors and the Board refer to the Board of Directors of Signature.

INFORMATION ABOUT THE ANNUAL MEETING AND VOTING

Why did I receive these proxy materials from Signature?

The Board of Directors has made these materials available to you on the Internet or has delivered printed versions of these materials to you by mail in connection with the solicitation by the Board of Directors of proxies for use at the Annual Meeting, which will be held on April 29, 2014 at 10:00 a.m. Pacific Time, at the offices of Crowell & Moring LLP, 515 South Flower Street, 40th Floor, Los Angeles, California, 90071. We made these materials available to stockholders beginning on or about April 4, 2014 on the Securities and Exchange Commission s (SEC or the Commission) website, www.sec.gov, and the Company s website, www.signaturegroupholdings.com. We will begin mailing the proxy statement and the proxies solicited hereby to stockholders beginning on or about April 4, 2014. Our stockholders are invited to attend the Annual Meeting and are requested to vote on the proposals described in this proxy statement using the instructions on the WHITE proxy card.

Who is entitled to vote?

Stockholders who own shares of our common stock of record or beneficially, at the close of business on March 27, 2014 (the Record Date), are entitled to vote on matters that come before the Annual Meeting. As of the Record Date, we had 12,254,649 shares of common stock outstanding and entitled to vote at the Annual Meeting. Each share of common stock is entitled to one vote.

What is included in these proxy materials?

These materials include:

The Notice;

This proxy statement; and

Our Annual Report, which includes our audited consolidated financial statements.

If you were mailed a full set of proxy materials or requested printed versions of these materials by mail, these materials also include the WHITE proxy card for the Annual Meeting.

What am I voting on at the Annual Meeting?

Stockholders will be voting on the following proposals at the Annual Meeting:

Proposal 1 the election of the following five directors to serve until the next annual meeting of stockholders or until their successors have been elected and qualified: Craig T. Bouchard, Peter C.B. Bynoe, Patrick E. Lamb, Raj Maheshwari and Philip G. Tinkler;

Proposal 2 the ratification of the selection of Squar, Milner, Peterson, Miranda & Williamson, LLP (Squar Milner) as our independent registered public accounting firm for the fiscal year ending December 31, 2014; and

Proposal 3 the approval, by advisory vote, of the compensation of our named executive officers as described in this proxy statement.

We may also transact such other business as may properly come before the Annual Meeting, and any adjournment or postponement thereof.

What constitutes a quorum for the Annual Meeting?

The presence of the owners of a majority of the shares eligible to vote at the Annual Meeting is required in order to hold the Annual Meeting and conduct business. Presence may be in person or by proxy. You will be considered part of the quorum if you voted by telephone, via the Internet or by properly submitting a proxy card or voting instruction form by mail, or if you are present and vote at the Annual Meeting. Under the General Corporation Law of the State of Delaware, at the Annual Meeting, both the shares associated with withheld votes, abstentions and broker non-votes will be counted as present and entitled to vote and therefore, will count for purposes of determining whether a quorum is present at the Annual Meeting. However, in a contested election, there will be no broker non-votes, and shares for which beneficial owners have not provided voting instructions to their banks or brokers will NOT count for purposes of calculating whether a quorum is present.

How does the Board recommend that I vote?

The Board recommends that you vote your shares on the **WHITE** proxy card (i) **FOR** each of the director nominees specified under Proposal 1; (ii) **FOR** the ratification of the appointment of Squar Milner as our independent registered public accounting firm for the fiscal year ending December 31, 2014 under Proposal 2; (iii) **FOR** approval, by advisory vote, of the compensation of our named executive officers under Proposal 3. **The Board strongly urges you not to sign or return any proxy card that may be sent to you by Lee P. Crockett (Mr. Crockett).**

How do I vote for the Board's recommended nominees and the various other proposals?

Only stockholders of record at the close of business on the Record Date will be entitled to notice of, and to vote at, the Annual Meeting. Please vote in one of the following ways:

Vote by Telephone: You can vote your shares by telephone by calling the toll-free number indicated on your WHITE proxy card on a touch-tone telephone 24 hours a day. Easy-to-follow voice prompts enable you to

vote your shares and confirm that your instructions have been properly recorded. If you are a beneficial owner, or you hold your shares in street name, please check your voting instruction card or contact your bank, broker or nominee to determine whether you will be able to vote by telephone.

Vote by Internet: You can also vote via the Internet by following the instructions on your WHITE proxy card. The website address for Internet voting is indicated on your WHITE proxy card. Internet voting also is available 24 hours a day. If you are a beneficial owner, or you hold your shares in street name, please check your voting instruction card or contact your bank, broker or nominee to determine whether you will be able to vote via the Internet.

Vote by Mail: If you choose to vote by mail, complete, sign, date and return your WHITE proxy card in the postage-paid envelope provided. Please promptly mail your WHITE proxy card to ensure that it is received prior to the Annual Meeting.

By submitting a proxy, you are legally authorizing another person to vote your shares on your behalf. We urge you to promptly vote your proxy **FOR** each of the Board's nominees and the other proposals recommended by the Board by telephone, via the Internet, or by completing, signing, dating and returning the enclosed WHITE proxy card in the postage-paid envelope. If you vote your proxy by telephone, via the Internet, or submit your executed WHITE proxy card by mail, but you do not indicate how your shares are to be voted, then your shares will be voted in accordance with the Board's recommendations set forth in this proxy statement.

What if I hold my shares in street name ?

If you hold your shares in street name, through a bank, broker or other holder of record (*i.e.*, a custodian), your custodian is considered the stockholder of record for purposes of voting at the Annual Meeting. Your custodian is required to vote your shares on your behalf in accordance with your instructions.

Contested Election

For brokerage or other nominee accounts that receive proxy materials from, or on behalf of, both the Company and Mr. Crockett in a contested election, all items listed in the notice for the meeting will be considered non-routine matters. Therefore, your custodian will not be able to use its own discretion to vote your shares (a broker non-vote as discussed further below) for any proposal at the Annual Meeting and may only vote based on your instructions. If you do not submit any voting instructions to your broker or other nominee, your shares will not be counted in determining the outcome of any of the proposals at the Annual Meeting, nor will your shares be counted for purposes of determining whether a quorum exists. Accordingly, we urge you to promptly give instructions to your custodian to vote **FOR** each of the Board's director nominees in Proposal 1 and **FOR** Proposals 2 and 3 by using the voting instruction card provided to you by your custodian. You will be given the option of voting by telephone, via the Internet, by mail or in person. Please note that if you intend to vote your street name shares in person at the Annual Meeting, you must provide a legal proxy from your custodian at the Annual Meeting.

Uncontested Election

In an uncontested election, if you do not give instructions to your custodian, your custodian is permitted to vote your shares with respect to routine matters, such as the ratification of the appointment of Squar Milner as our independent registered public accounting firm under Proposal 2. However, in an uncontested election, if you do not give instructions to your custodian, your custodian will **NOT** be permitted to vote your shares with respect to non-routine matters. Proposal 1 (Election of Directors) and Proposal 3 (Advisory Vote to Approve Executive Compensation) are considered non-routine matters. Accordingly, if you do not give your custodian specific instructions on Proposal 1 or Proposal 3 in an uncontested election, then your shares will be treated as broker non-votes with respect to those matters and will not be voted on the proposal(s) for which you did not provide instructions. When the vote is tabulated for any particular matter, shares associated with broker non-votes, if any, will only be counted for purposes of determining whether a quorum is present. Accordingly, we urge you to promptly give instructions to your custodian to vote **FOR** each of the Board's director nominees in Proposal 1 and **FOR** Proposals 2 and 3 by using the voting instruction card provided to you by your custodian. You will be given the option of voting by telephone, via the Internet, by mail or in person. Please note that if you intend to vote your street name shares in person at the Annual Meeting, you must provide a legal proxy from your custodian at the Annual Meeting.

What is required to approve each proposal?

Proposal 1: Directors are elected by a plurality of votes cast at the Annual Meeting. Therefore, the five nominees who receive the most votes will be elected. Any shares not voted (whether by withheld vote, broker non-vote or otherwise) are not counted in determining the outcome of the election of directors. Stockholders may not cumulate votes.

Proposal 2: The ratification of Squar Milner as our independent registered public accounting firm for the fiscal year ending December 31, 2014 will be approved if the votes cast favoring the proposal exceed the votes cast opposing it. Any shares not voted (whether by abstention, broker non-vote, or otherwise) are not counted in determining the outcome of this proposal.

Proposal 3: The compensation of our named executive officers will be approved, by advisory vote, if the votes cast favoring the proposal exceed the votes cast opposing it. Any shares not voted (whether by abstention, broker non-vote or otherwise) are not counted in determining the outcome of this proposal. However, because this vote is advisory, the outcome of this vote will not be binding on the Board. The Board will review and consider the voting results of this Proposal 3 in making future decisions regarding the compensation of the Company's executive officers.

Other Matters: Approval of any unscheduled matter, such as a matter incident to the conduct of the Annual Meeting, would require the affirmative vote of a majority of the votes cast. Any shares not voted (whether by abstention, broker non-vote, or otherwise) are not counted in determining the outcome of the vote.

Why might I be receiving proxy materials from Lee P. Crockett?

Mr. Crockett, a stockholder of the Company, has notified the Company that he intends to nominate himself to stand for election at the Annual Meeting. You may receive solicitation materials, including a proxy statement and proxy card, from Mr. Crockett or others seeking your proxy to vote for Mr. Crockett, although at this time, we have no knowledge whether Mr. Crockett will send out any solicitation materials. We bear no responsibility for the accuracy or completeness of any such materials or statements made by or on behalf of Mr. Crockett. **IF YOU DO RECEIVE ANY SOLICITATION MATERIALS OTHER THAN FROM THE COMPANY, THE BOARD OF DIRECTORS URGES YOU NOT TO SIGN OR RETURN ANY PROXY CARD SENT TO YOU BY MR. CROCKETT OR ANY OTHER THIRD PARTY. THE BOARD UNANIMOUSLY RECOMMENDS A VOTE FOR THE ELECTION OF EACH OF THE BOARD'S NOMINEES, WHOSE NAMES ARE SET FORTH ON THE ENCLOSED WHITE PROXY CARD.**

In the event Mr. Crockett or any other third party sends you a proxy card, voting to **WITHHOLD** with respect to Mr. Crockett's self-nomination is not the same as voting for the Signature Board's director nominees because a vote to **WITHHOLD** with respect to Mr. Crockett will revoke any proxy you previously submitted. If you have already voted using Mr. Crockett's proxy card, you have the right to change your vote by voting via the Internet or by telephone by following the instructions on the **WHITE** proxy card, or by completing and mailing the enclosed **WHITE** proxy card in the enclosed pre-paid envelope. Only the latest validly executed proxy that you submit will be counted any proxy may be revoked at any time prior to its exercise at the Annual Meeting by following the instructions under *Can I change my vote?* below. If you have any questions or require any assistance with voting your shares, please contact our proxy solicitor, Morrow & Co., LLC, toll free at 800-662-5200 or collect at 203-658-9400.

Can I change my vote?

You can change your vote by revoking your proxy at any time before it is exercised at the Annual Meeting in one of four ways:

vote again by telephone or via the Internet;

complete, sign, date and return a proxy card with a date later than the existing proxy (the updated proxy card must be received before the Annual Meeting);

vote in person at the Annual Meeting; or

notify the Corporate Secretary, Chris Manderson, in writing before the Annual Meeting, with a date later than your submitted proxy, that you are revoking your proxy.

Only the latest validly executed proxy that you submit will be counted.

The Board of Directors urges you to revoke any proxy card you may have returned that you received from Mr. Crockett. If you have previously signed a proxy card sent to you by Mr. Crockett, you have every right to change your vote. You may revoke that proxy and vote as recommended by the Board of Directors by signing, dating and returning the enclosed WHITE proxy card in the enclosed postage-paid envelope or by voting via the Internet or by telephone by following the instructions provided on the enclosed WHITE proxy card. Only the latest validly executed proxy that you submit will be counted. Submitting a proxy card for Mr. Crockett even if you withhold your vote on Mr. Crockett will revoke any votes that you previously made on the WHITE proxy card. Accordingly, if you wish to vote pursuant to the recommendation of the Board of Directors, you should disregard any proxy card that you receive that is not a WHITE proxy card. Do not return any proxy card that you may receive from Mr. Crockett, even as a protest vote against Mr. Crockett.

What should I do if I receive more than one proxy card?

If you hold your shares of common stock in more than one account, you will receive a WHITE proxy card for each account. To ensure that all of your shares of Common Stock are voted, please sign, date and return the WHITE proxy card for each account. You should vote all of your shares of Common Stock.

Mr. Crockett has provided notice that he may nominate himself to stand for election as a director. As a result, you may receive solicitation material from Mr. Crockett. If you wish to vote pursuant to the recommendation of the Board of Directors, you should disregard any proxy card that you receive that is not a WHITE proxy card.

If you withhold your vote on Mr. Crockett using his proxy card, your vote will not be counted as a vote for the Board of Directors nominees and will result in the revocation of any previous vote that you may have cast on the WHITE proxy card. **THE BOARD OF DIRECTORS URGES YOU NOT TO RETURN ANY PROXY CARD THAT MAY BE SENT TO YOU BY MR. CROCKETT, EVEN AS A PROTEST VOTE AGAINST MR. CROCKETT.**

How can I attend the Annual Meeting?

You are invited to attend the Annual Meeting only if you were a stockholder as of the close of business on the Record Date or if you hold a valid proxy for the Annual Meeting. In addition, if you are a stockholder of record (owning shares of common stock in your own name), prior to your being admitted to the Annual Meeting, your name will be verified against a list of registered stockholders on the Record Date. If you are not a stockholder of record but hold shares through a bank, broker or nominee (in street name), you must provide proof of beneficial ownership on the Record Date, such as a recent account statement or a copy of the voting instruction card provided by your bank, broker or nominee. Both record and beneficial stockholders should bring photo identification for entrance to the Annual Meeting.

Why did I receive only one set of proxy materials although there are multiple stockholders at my address?

If one address is shared by two or more stockholders, companies and intermediaries (such as brokers) are permitted to use a delivery practice called householding, pursuant to which only one set of proxy materials will

be sent to that address but a separate proxy card is included for each stockholder. This reduces printing and postage costs. Once you have received notice from the Company or your broker that it will be householding communications to your address, householding will continue until you are notified otherwise or until you provide contrary instructions. If you share an address with another stockholder and have received only one set of voting materials, you may write or call us to request a separate copy of these materials at no cost to you. Similarly, if you share an address with another stockholder and have received multiple copies of our proxy materials, you may write or call us to request future delivery of a single copy of these materials. The address and phone number of the Company is: ATTN: Corporate Secretary, Signature Group Holdings, Inc., 15301 Ventura Boulevard, Suite 400, Sherman Oaks, California 91403, (805) 435-1255. If you are a beneficial owner of shares held in street name, you can request or cancel householding by contacting your bank, broker, or nominee.

Where can I find the voting results of the Annual Meeting?

We intend to announce preliminary voting results at the Annual Meeting and will publish final results in a Form 8-K after the Annual Meeting.

What is the deadline for submitting proposals for next year's annual meeting or to nominate individuals to serve as directors?

You may submit proposals, including director nominations, for consideration at future stockholder meetings only if you comply with the requirements of the proxy rules established by the SEC and our Second Amended and Restated Bylaws.

Stockholders who wish to submit proposals for inclusion in the Company's proxy statement for the 2015 annual meeting of stockholders, pursuant to Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the Exchange Act), must submit their proposals so that they are received at our principal executive offices no later than the close of business on December 5, 2014, which is 120 calendar days prior to the anniversary of this year's proxy mailing date. A stockholder who wishes to submit a proposal under Rule 14a-8 must qualify as an eligible stockholder and meet other requirements of the SEC.

Pursuant to the Company's Second Amended and Restated Bylaws, if a stockholder wishes to submit a proposal that is not intended to be included in our proxy statement under Rule 14a-8 of the Exchange Act, or wishes to nominate an individual for election to the Board, the stockholder must provide timely notice to the Company. To be timely, the stockholder proposal or nomination must be mailed and received by, or delivered to, the secretary of the Company not later than January 29, 2015 or, if the date of the 2015 annual meeting of stockholders is more than 30 days earlier or later than April 29, 2015, then not later than ten days following the date that notice of the 2015 annual meeting of stockholders is first given. To be in proper form, a stockholder's notice must include the specified information concerning the proposal as described in the Second Amended and Restated Bylaws. A copy of the Second Amended and Restated Bylaws may be obtained from the Corporate Secretary by written request, and also is available on our corporate website at www.signaturegroupholdings.com.

Nominations for director candidates for consideration by the Board's Nominating and Governance Committee should include the information specified in our Second Amended and Restated Bylaws, which includes, among other matters, as to each person whom the stockholder proposes to nominate: (A) the name, age, business address and residence address of the person, (B) the principal occupation or employment of the person, (C) the class or series and number of shares of capital stock of the Company that are owned beneficially or of record by the person and (D) any other information relating to the person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for the election of directors pursuant to Section 14 of the Exchange Act, and the rules and regulations promulgated thereunder.

Stockholder proposals and nominations must be in writing and should be directed to our Corporate Secretary, Chris Manderson, at our principal executive offices: Signature Group Holdings, Inc., 15301 Ventura Boulevard, Suite 400, Sherman Oaks, California 91403.

How may I communicate with the Board of Directors or the independent directors on the Board?

You may contact any member of the Board of Directors by writing to the member c/o Signature Group Holdings, Inc., 15301 Ventura Boulevard, Suite 400, Sherman Oaks, California 91403. You may also send an email to the Board at investor.relations@signaturegroupholdings.com. Each communication should specify the applicable director or directors to be contacted as well as the general topic of the communication. Our Corporate Secretary will be primarily responsible for collecting, organizing and monitoring communications from stockholders and forwarding such communications to the intended recipients where appropriate. We generally will not forward to the directors a stockholder communication that is determined to be primarily commercial in nature, that relates to an improper or irrelevant topic, or that requests general information about Signature. Concerns about accounting or auditing matters or communications intended for independent directors should be sent to the attention of the Chair of the Audit Committee at the email address above. Our directors may at any time review a log of all correspondence received by Signature that is addressed to the independent members of the Board and request copies of any such correspondence.

BACKGROUND OF THE SOLICITATION

In October and December 2013, Lee P. Crockett, a stockholder of the Company, and Craig Bouchard exchanged correspondence relating to general matters. In December 2013, Mr. Crockett called a director of the Company to discuss general matters and the Company's December 30, 2013 special meeting of stockholders, and subsequently followed that call with a message to the director. No agreements or understandings resulted from these conversations.

On March 21, 2014, the Company received a letter from Mr. Crockett nominating himself to stand for election to the Board of Directors at the Annual Meeting. At the time of the submission of that notice, Mr. Crockett stated that he was the beneficial owner of approximately 273,000 shares of common stock, or approximately 2.2% of the outstanding common stock. On March 23, 2014, at the Company's request, Mr. Crockett submitted additional biographical information to the Company.

On March 25, 2014, counsel to the Company informed counsel to Mr. Crockett of the decision of the Nominating and Governance Committee of the Board not to include Mr. Crockett as a nominee of the Company at the Annual Meeting.

PROPOSAL 1: ELECTION OF DIRECTORS

Five directors are to be elected at the Annual Meeting. All directors are elected annually and hold office until the next annual meeting of stockholders, and until their successors are duly elected and qualified, or until their earlier death, resignation or removal.

Our Board of Directors has selected and approved the following persons as nominees for election at the Annual Meeting, each of whom currently serves on the Board and was elected by the Company's stockholders at the last annual meeting: Craig T. Bouchard, Peter C.B. Bynoe, Patrick E. Lamb, Raj Maheshwari and Philip G. Tinkler. Each nominee for election has consented to be nominated, named as a nominee in this proxy statement and to serve if elected, and we do not know of any reason why any nominee would be unable to serve as a director.

If any nominee is unable to serve, the shares represented by all valid proxies will be voted for the election of such other person as the Board may nominate. The proxies solicited by this proxy statement may not be voted for more than five nominees.

The Board recommends that you use the enclosed WHITE proxy card (or follow the directions set forth in the WHITE proxy card to vote by telephone or via the Internet) to vote **FOR** each of the Board's five nominees for director.

Background Information on Director Nominees

Set forth below is certain information, as of March 24, 2014, regarding each director nominee, including information regarding the experience, qualifications, attributes or skills of each nominee that led to the Board of Directors conclusion that the person should serve on the Board. Recommendation of the Board of Directors

**THE BOARD RECOMMENDS THAT YOU VOTE FOR THE ELECTION
OF EACH OF THE FIVE DIRECTOR NOMINEES LISTED ABOVE.**

PROPOSAL 2: RATIFY THE SELECTION OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Company's independent auditor for the year ended December 31, 2013 was Squar Milner, an independent registered public accounting firm. The Audit Committee of the Board of Directors considered the qualifications and experience of Squar Milner, and, in consultation with the Board of Directors, selected Squar Milner as the independent auditors for the Company for the fiscal year ending December 31, 2014. We are asking our stockholders to ratify such selection.

Ratification of our independent registered public accounting firm by stockholders is not required by our Second Amended and Restated Bylaws or otherwise. The Board is submitting the selection of Squar Milner to our stockholders for ratification as a matter of good corporate governance. If ratification of Squar Milner as our independent registered public accounting firm is not approved by stockholders, the matter will be referred to the Audit Committee for further review. Even if the selection is ratified, the Audit Committee has the discretion to select a different registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of the Company and our stockholders.

A representative of Squar Milner is expected to attend the Annual Meeting, and that representative will have an opportunity to make a statement if he or she desires to do so and is expected to be available to respond to appropriate questions from stockholders.

Vote Required

This proposal will be approved if the votes cast for the proposal exceed the votes cast against it. Shares associated with abstentions and broker non-votes will not be counted as votes cast and, therefore, will not have an effect on this proposal. Further, the failure to vote, either by proxy or in person, will not have an effect on this proposal, assuming the quorum requirements for the Annual Meeting have been met. Unless instructions to the contrary are specified, the proxy holders will vote the proxies received by them **FOR** this proposal.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE SELECTION OF SQUAR MILNER AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2014.

PROPOSAL 3: ADVISORY VOTE REGARDING EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act added Section 14A to the Exchange Act, which requires that we provide stockholders with the opportunity to vote to approve, on an advisory basis, the compensation of our named executive officers. Commonly known as a "say-on-pay" vote, this proposal gives our stockholders the opportunity to express their views on our executive compensation policies and programs and the compensation paid to the named executive officers.

The Company's current policy, upon the recommendation of our stockholders, is to provide stockholders with an opportunity to approve, on an advisory basis, the compensation of the named executive officers each year at the annual meeting of stockholders. It is expected that the next such vote will occur at the 2015 annual meeting of stockholders.

We are asking our stockholders to indicate their support for the compensation of our named executive officers as described in this proxy statement by approving the following resolution at the Annual Meeting:

RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation paid to the named executive officers, as disclosed in the Company's proxy statement for the 2014 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables and accompanying narrative disclosure.

The Board of Directors recommends a vote **FOR** approval of the advisory resolution because it believes that the Company's executive compensation policies and practices are effective in achieving the Company's goals of rewarding sustained financial and operating performance, aligning the executives' interests with those of the stockholders, and attracting, retaining, motivating and rewarding highly talented executives. We strongly encourage stockholders to read Executive Compensation and Other Information in this proxy statement, including the tabular and narrative disclosure regarding executive compensation, for details about our executive compensation policies and programs and information about the 2013 compensation of our named executive officers.

The vote on this proposal is advisory and therefore not binding on the Company, the Board of Directors or the Nominating and Governance Committee. However, the Board of Directors and the Nominating and Governance Committee will review and consider the voting results in future decisions regarding executive compensation.

Vote Required

This proposal will be approved if the votes cast for the proposal exceed the votes cast against it. Shares associated with abstentions and broker non-votes will not be counted as votes cast and, therefore, will not have an effect on this proposal. Further, the failure to vote, either by proxy or in person, will not have an effect on this proposal, assuming the quorum requirements for the Annual Meeting have been met. Unless instructions to the contrary are specified, the proxy holders will vote the proxies received by them **FOR** this proposal.

Recommendation of the Board of Directors

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE ADVISORY RESOLUTION APPROVING THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS AS DISCLOSED IN THIS PROXY STATEMENT.

CORPORATE GOVERNANCE AND BOARD MATTERS

Director Independence

Based on information supplied to it by the directors, the Board determined that each of Messrs. Bynoe, Lamb, Maheshwari and Tinkler were independent under both the rules of the New York Stock Exchange and the NASDAQ Stock Market. G. Christopher Colville, our former Chief Executive Officer, was determined to have been independent under such rules prior to April 2013, when he assumed his role as the Company's Chief Executive Officer. John Koral, a former director, was determined to have been independent under such rules while he served on the Board during 2013. The Board made such determinations based on the fact that such directors have not had, and currently do not have, any material relationship with the Company or its affiliates or any executive officer of the Company or their affiliates that would impair their independence, including, without limitation, any commercial, industrial, banking, consulting, legal, accounting, charitable or familial relationship. In addition, the Board considered any business relationships that the directors may have outside of the Company, including those described herein, and determined that such relationships would not impair their independence.

Meetings and Committees of the Board

At the beginning of 2013, the Board of Directors had three standing committees: the Audit Committee, the Governance, Nominating and Compensation Committee and the Executive Committee. On July 16, 2013, the Board, in the interest of greater governing efficiency, restructured the standing committees of the Board by eliminating the Executive Committee and the Governance, Nominating and Compensation Committee and forming the Compensation Committee and the Nominating and Governance Committee.

During 2013, the Board of Directors and the various committees of the Board held the following number of meetings: Board of Directors 21; Audit Committee 9; Governance, Nominating and Compensation Committee 8; Compensation Committee 2; and Nominating and Governance Committee 4. During 2013, no director attended fewer than 75% of the aggregate of the total number of meetings of the Board of Directors and the total number of meetings of any committees of the Board held while such director was serving on the Board or such committee. Each of the Audit Committee, the Compensation Committee and the Nominating and Governance Committee has a written charter that is reviewed annually and revised as appropriate. A copy of each committee's charter is available on the Governance page of our corporate website at www.signaturegroupholdings.com or a copy may be obtained without charge upon request by writing to the following address: Corporate Secretary, Signature Group Holdings, Inc., 15301 Ventura Boulevard, Suite 400, Sherman Oaks, California 91403.

Audit Committee

The Audit Committee assists the Board in monitoring: (a) the integrity of the Company's financial statements and the Company's accounting and financial reporting processes; (b) the qualifications and independence of the Company's independent registered public accounting firm; (c) the engagement and performance of the Company's independent registered public accounting firm; (d) the Company's systems of disclosure controls and procedures, internal control over financial reporting, and compliance with ethical standards adopted by the Company; and (e) the Company's compliance with legal and regulatory requirements. The Audit Committee evaluates the performance of the Company's independent registered public accounting firm, and makes decisions regarding the selection, retention and, where appropriate, the replacement of, the Company's independent registered public accounting firm. The Audit Committee also reviews with management and the Company's independent registered public accounting firm the Company's interim and annual consolidated financial statements and internal control over financial reporting and discusses with management and the Company's independent registered public accounting firm any significant accounting, internal control and reporting issues and conformance of the Company's consolidated financial statements with applicable accounting and regulatory requirements. The Audit Committee is responsible for recommending to the Board of

Directors whether the Company's audited consolidated financial statements should be included in the Company's annual report on Form 10-K and is responsible for the oversight of the creation and implementation of corporate risk policies and procedures.

The current members of the Audit Committee are Messrs. Lamb (Chairman), Maheshwari and Tinkler. Mr. Tinkler joined the committee in April 2013, replacing Mr. Colville who served on the committee until April 2013 when he assumed the responsibilities of the Company's Chief Executive Officer. Mr. Maheshwari joined the committee in July 2013, replacing Mr. Koral who served on the committee until July 16, 2013, when the results of the election of directors at the 2013 annual meeting of stockholders was certified. Each of Messrs. Lamb, Maheshwari and Tinkler is, and each of Messrs. Colville and Koral was during his time of service as a member of the committee, independent under the rules of the New York Stock Exchange and the NASDAQ Stock Market and Rule 10A-3 under the Exchange Act. The Board determined that each of Messrs. Lamb and Tinkler satisfies the criteria for classification as an audit committee financial expert as set forth in the applicable rules of the Commission.

Further, the Audit Committee met with management and the Company's registered independent public accounting firm, Squar Milner, to make inquiries regarding the manner in which the responsibilities of each were being discharged and to report their findings to the Board. The Audit Committee also met separately with Squar Milner, without management present. The Audit Committee was primarily concerned with the integrity of Signature's financial statements, compliance with legal and regulatory requirements and the independence and performance of Squar Milner.

Nominating and Governance Committee

The current members of the Nominating and Governance Committee are Messrs. Tinkler (Chairman), Maheshwari and Bynoe. The Board determined that all members of the Nominating and Governance Committee were nonemployee, independent directors within the meaning of Rule 16b-3 under the Exchange Act. As noted above, our Nominating and Governance Committee was formed on July 16, 2013 in the interest of greater governing efficiency upon the elimination of the Governance, Nominating and Compensation Committee.

The Nominating and Governance Committee assists the Board in: (a) identifying individuals qualified to become members of the Board and its committees and recommends individuals to the Board for nomination as members of the Board and its committees; (b) evaluating and recommending to the Board the composition and compensation of the Board and its committees; and (c) developing and recommending to the Board a set of corporate governance principles applicable to the Company. The Nominating and Governance Committee also oversees the evaluation process of the Board and management.

The Nominating and Governance Committee will consider all qualified director candidates identified by members of the Nominating and Governance Committee, by senior management and, as described below, by stockholders. However, the Nominating and Governance Committee has not, at this time, put in place a formal policy with regard to procedures to identify such candidates. The Board believes that it is appropriate for the Company not to have a specific policy because stockholders are always free to submit recommendations for Board candidates, simply by following the procedures described below.

In nominating candidates, the Nominating and Governance Committee takes into consideration such factors as a candidate's experience with businesses and other organizations of comparable size, their judgment, skill, diversity, the interplay of the candidate's experience with the experience of other Board members, and the extent to which the candidate would be a desirable addition to the Board and any committees of the Board. The minimum qualifications and attributes that the Nominating and Governance Committee will consider necessary for a director nominee include: the ability to apply good business judgment, the ability to exercise his or her duties of loyalty and care, proven leadership skills, diversity of experience, high integrity and ethics, the ability to understand principles of business and

finance and familiarity with issues affecting the Company's businesses.

The Nominating and Governance Committee will consider director candidates recommended by stockholders, provided the recommendations are timely and include certain specified information. To be timely, the recommendation must be received by the Company's Secretary within the time period prescribed for stockholder proposals. (See *What is the deadline for submitting proposals for next year's annual meeting or to nominate individuals to serve as directors?* on page 6.) The Nominating and Governance Committee does not intend to alter the manner in which it evaluates candidates, including the criteria set forth above, based on whether the candidate was recommended by a stockholder or not.

The Nominating and Governance Committee has the authority to retain and/or replace, as need, such experts, advisors or consultants as it believes to be necessary or appropriate. In connection with the Nominating and Governance Committee's review of the compensation of the Board's non-management directors and committee members, in 2013, the Nominating and Governance Committee retained Pearl Meyer & Partners (PM&P), and independent compensation consulting firm, to assist in the review of the Company's non-employee director compensation. PM&P reports directly to the Nominating and Governance Committee and except as described below under *Compensation Committee*, does not provide any other services, beyond compensation consulting, to the Company.

Compensation Committee

The current members of the Compensation Committee are Messrs. Maheshwari (Chairman), Bynoe and Tinkler. The Board determined that all members of the Compensation Committee were nonemployee, independent directors within the meaning of Rule 16b-3 under the Exchange Act.

The primary responsibilities of the Compensation Committee include reviewing and making recommendations to the Board with respect to management's proposals regarding the Company's various compensation programs, administering the Company's long-term or equity-based incentive plans and making awards and other contractual arrangements for the top executive officers. The Compensation Committee conducts an annual performance review of the Chief Executive Officer and approves compensation and stock grants to senior executives. In addition, the committee also periodically evaluates and recommends to the Board the compensation of executive officers.

The Compensation Committee has the authority to retain and/or replace, as needed, any compensation and benefits consultants, independent counsel or other outside experts, advisors or consultants as the Committee believes to be necessary or appropriate. In addition, the Compensation Committee may delegate any or all of its responsibilities to a subcommittee of the Committee, to the extent consistent with the Company's certificate of incorporation, bylaws and other rules and regulations.

In 2013, the Compensation Committee retained PM&P to assist in the review of the Company's executive compensation. PM&P reports directly to the Committee and, except as described above under *Nominating and Governance Committee*, does not provide any other services, beyond compensation consulting, to the Company. In 2013, the Committee considered and assessed all relevant factors that could give rise to a potential conflict of interest with respect to PM&P's work. Based on this review, we are not aware of any conflict of interest that has been raised by the work performed by PM&P.

As noted above, our Compensation Committee was formed on July 16, 2013 in the interest of greater governing efficiency upon the elimination of the Governance, Nominating and Compensation Committee. Effective April 2013, we re-established our Governance, Nominating and Compensation Committee, which had been dissolved after our 2012 annual meeting of stockholders in July 2012. From August 2012 until April 2013, our Executive Committee, which consisted of Messrs. Colville, Noell and Tinkler, assumed the function of reviewing the performance of our executive officers and recommending compensation for such persons. Mr. Noell did not participate in any review or recommendations regarding his own performance or compensation.

Code of Ethics for Senior Financial Officers

We maintain a Code of Ethics for Senior Financial Officers, which is our code of ethics that applies to our principal executive officer, principal financial officer, principal accounting officer, controller and other persons performing similar functions. The code of ethics is posted on our corporate website at www.signaturegroupholdings.com. A copy may also be obtained without charge upon request by writing to the following address: Corporate Secretary, Signature Group Holdings, Inc., 15301 Ventura Boulevard, Suite 400, Sherman Oaks, California 91403. We intend to satisfy the disclosure requirement under Item 5.05 of Form 8-K regarding an amendment to, or waiver from, a provision of our code of ethics by posting the required information on our website, at the Internet address and location specified above. In addition, the Company has a code of conduct that applies to all employees.

Board of Directors Leadership Structure

Our Board of Directors has no fixed policy with respect to the separation of the offices of Chairman of the Board of Directors and Chief Executive Officer. Our Board retains the discretion to make this determination on a case-by-case basis from time to time as it deems to be in the best interests of the Company and our stockholders at any given time. Currently, the Chairman of the Board also serves as the Chief Executive Officer of the Company, and the Board believes this is the best structure to fit the Company's present needs.

The Board does not have a separate lead independent director, but all of the independent directors of the Company are actively involved in decision-making by the Board. The Board has determined that the current structure is appropriate for the Company and enhances the Company's ability to execute its business and strategic plans, while maintaining strong independence over Board decisions and oversight through the involvement and participation of the independent directors.

Board of Directors Risk Oversight

The understanding, identification and management of risk are essential elements for the successful management of our Company. The entire Board of Directors is responsible for oversight of the Company's risk management processes. The Board delegates many of these functions to the Audit Committee. Under its charter, the Audit Committee is responsible for monitoring business risk practices and legal and ethical programs. In this way, the Audit Committee helps the Board fulfill its risk oversight responsibilities relating to the Company's financial statements, financial reporting process and regulatory requirements. The Audit Committee also oversees our corporate compliance programs, as well as the internal audit function. In addition to the Audit Committee's work in overseeing risk management, our full Board regularly engages in discussions of the most significant risks that the Company is facing and how these risks are being managed, and the Board receives reports on risk management from senior officers of the Company and from the Chair of the Audit Committee. The Board receives periodic assessments from the Company's ongoing enterprise risk management process that are designed to identify potential events that may affect the achievement of the Company's objectives. In addition, our Board and its standing committees periodically request supplemental information or reports as they deem appropriate.

Annual Meeting Attendance

We do not have a formal policy regarding attendance by members of our Board of Directors at annual meetings of our stockholders; however, directors are encouraged to attend all such meetings. All of our now-current directors attended our 2013 annual meeting of stockholders.

Director Compensation

On June 4, 2013, the Company reached a settlement agreement with a group of concerned stockholders, resulting in, among others, changes to the Board (the Settlement Agreement). As a result, Mr. Bouchard was

appointed Chairman of the Board and Chief Executive Officer, G. Christopher Colville resigned as Chief Executive Officer and as a director, and Mr. Bynoe and Mr. Maheshwari were named as nominees for election to the Board at the 2013 annual meeting of stockholders, where each was elected. John Koral and Craig Noell served as directors until July 16, 2013, when results of the election of directors at the 2013 annual meeting of stockholders were certified.

The following table sets forth information regarding total compensation paid to each director in respect of his service on the Board in 2013, excluding (i) Mr. Bouchard, whose service on the Board was always concurrent with service as an executive officer during 2013 and (ii) Mr. Noell, who received no separate compensation for service on the Board for the period of service on the Board following his resignation as Chief Executive Officer in April 2013. Information provided for Mr. Colville below is limited to the fees and stock awards that Mr. Colville received in respect of his Board service prior to becoming the Company's Chief Executive Officer in April 2013; Mr. Colville's compensation as an executive officer is provided separately in the Summary Compensation Table below. Except as noted below for Mr. Colville, no compensation for service on the Board was paid to any director during any period of service as one of our executive officers during 2013.

Audit-Related Fees. Audit-related fees consist of fees for professional services, including assurance and related services, that are reasonably related to the performance of the audit or review of our consolidated financial statements but are not reported under Audit Fees. Audit Committee Pre-Approval Policies and Procedures

The prior approval of the Audit Committee was obtained for all services provided by Squar Milner for 2013. Such pre-approval was given as part of the Audit Committee's approval of the scope of the engagement of the independent auditor, on an individual basis or pursuant to policies and procedures established by the Audit Committee in accordance with Section 2-01 of Regulation S-X of the Commission.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee reviews the Company's financial reporting process on behalf of the Board. Management has the primary responsibility for establishing and maintaining adequate internal control over financial reporting, for preparing the financial statements and for the public reporting process. Squar Milner, the Company's independent registered public accounting firm for 2013, was responsible for expressing an opinion on the conformity of the Company's consolidated financial statements with generally accepted accounting principles and on the operating effectiveness of our internal control over financial reporting.

In this context, the committee has reviewed and discussed with management the audited consolidated financial statements for the year ended December 31, 2013. The committee has discussed with Squar Milner the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1 AU Section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T as well as other relevant standards. Squar Milner has provided to the committee the written disclosures and the letter required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence, and the committee has discussed with Squar Milner that firm's independence. The Audit Committee has concluded that Squar Milner's provision of audit and non-audit services to the Company and its affiliates is compatible with Squar Milner's independence.

Based on the review and discussions referred to above, the Audit Committee recommended to our Board of Directors (and the Board approved) that the audited consolidated financial statements for the year ended December 31, 2013 be included in the Annual Report for filing with the Commission. This report is provided by the following directors, who comprised the Audit Committee as of the date of the review and recommendation referred to above:

Patrick E. Lamb (Chairman)

Raj Maheshwari

Philip G. Tinkler

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Since January 1, 2012, except in connection with the Settlement Agreement, pursuant to which we agreed to reimburse certain out-of pocket expenses of the group of stockholders up to \$250,000, and as described above in *Director Compensation* on page 17 and in *Executive Officers, Compensation and Other Information* beginning on page 20, there has not been, nor is there any proposed transaction, where we (or any of our subsidiaries) were or will be a party in which the amount involved exceeded or will exceed the lesser of \$120,000 or one percent of the average of the Company's total assets at year end for the last two fiscal years and in which any director, director nominee, executive officer, holder of more than 5% of any class of our voting securities, or any member of the immediate family of any of the foregoing persons had or will have a direct or indirect material interest.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, executive officers and persons who own more than 10% of our common stock (collectively, Reporting Persons) to file reports of ownership and changes in ownership of common stock and other securities of the Company on Forms 3, 4 and 5 with the SEC. Reporting Persons are required, by SEC regulations, to furnish the Company with copies of all Section 16(a) forms they file. Specific due dates for these reports have been established, and we are required to report any failure to file by such dates by a Reporting Person. Based solely on our review of reports received by us or written representations from the Reporting Persons, we believe that all of the Reporting Persons complied timely with all applicable Section 16(a) filing requirements.

OTHER MATTERS

Other Matters Brought Before the Meeting

The Board of Directors does not presently intend to bring any other business before the meeting, and, we are not aware of any matters to be presented, other than those described in this proxy statement. However if any business matters other than those referred to in this proxy statement should properly come before the meeting, the persons named in the proxy will, to the extent permitted by applicable rules of the Commission, use their discretion to determine how to vote your shares.

Proxy Solicitation

The cost of soliciting proxies on behalf of the Board of Directors will be borne by Signature. These costs will include the expense of preparing, assembling, printing and mailing the Notice, this proxy statement and any other material used in the Board's solicitation of proxies to stockholders of record and beneficial owners, and reimbursements paid to banks, brokerage firms, custodians and others for their reasonable out-of-pocket expenses for forwarding proxy materials to stockholders and obtaining beneficial owners' voting instructions.

As a result of the potential proxy contest initiated by Mr. Crockett, we may incur substantial additional costs in connection with the solicitation of proxies. We have retained Morrow as our proxy solicitor in conjunction with the Annual Meeting for an estimated fee of \$15,000, plus reimbursement of out-of-pocket expenses. Morrow expects that approximately 7 of its employees will assist in the solicitation, however, Morrow has indicated that if a contest is initiated, up to 40 of their employees may assist in the solicitation. Our expenses related to the solicitation of proxies from stockholders this year may substantially exceed those normally spent for an annual meeting of stockholders if a contest is initiated. Such additional costs are expected to aggregate approximately \$100,000, exclusive of any costs related to any litigation in connection with the Annual Meeting. These additional solicitation costs are expected to include: the fee payable to our proxy solicitor; fees of outside counsel to advise the Company in connection with a contested solicitation of proxies; increased mailing costs, such as the costs of additional mailings of solicitation material to stockholders, including printing costs, mailing costs and the reimbursement of reasonable expenses of banks, brokerage houses and other agents incurred in forwarding solicitation materials to beneficial owners of common stock; and the costs of retaining an independent inspector of election. To date, we have incurred approximately \$10,000 of these solicitation costs.

In addition to solicitations by Morrow and solicitations of proxies by mail, solicitations may be made personally, by telephone, fax, or other electronic means by our directors and officers and regular employees, who will not be additionally compensated for any such services. Stockholders voting via the telephone or Internet should understand that there may be costs associated with telephonic or electronic access, such as usage charges from telephone companies and Internet access providers, which must be borne by the stockholder.
