2. Ratify the appointment of BDO USA, LLP as our independent registered public accounting firm for fiscal 2015.

We also will transact any other business that may properly come before the Annual Meeting or at any adjournments or postponements of the Annual Meeting.

We have selected May 27, 2014, as the record date for determining the stockholders entitled to notice of the Annual Meeting and to vote at the Annual Meeting and at any adjournments or postponements of the Annual Meeting.

Pursuant to Securities and Exchange Commission rules that allow companies to furnish proxy materials to stockholders over the internet, we have elected to deliver our proxy materials to our stockholders via the internet. This process allows us to provide stockholders with the information they need, while at the same time lowering the cost of delivery. On or about June 5, 2014, we will mail a Notice of Internet Availability of Proxy Materials (the Notice) to our stockholders containing instructions on how to access our 2014 Proxy Statement and fiscal 2014 Annual Report to Stockholders. The Notice also provides instructions on how to vote online or by telephone and includes instructions on how to receive a paper copy of the proxy materials by mail. The Notice will also serve as an admission ticket for a stockholder to attend the 2014 Annual Meeting of Stockholders. Each attendee must present the Notice, or other proper form of documentation, to be admitted.

By Order of the Board of Directors,

/s/ Erik E. Miller

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING

When and where will the Annual Meeting be held?

The 2014 Annual Meeting of Stockholders will be held on July 23, 2014, at 9:00 a.m., Pacific Time, at our principal executive offices, which are located at 400 Oyster Point Boulevard, Suite 325, South San Francisco, California.

What items will be voted on at the Annual Meeting?

As to all holders of our Common Stock, the purpose of the Annual Meeting is to:

Elect two Class II directors to serve until the 2017 Annual Meeting of Stockholders or until their successors are elected and qualified; and

Ratify the appointment of BDO USA, LLP as our independent registered public accounting firm for fiscal 2015. We will also transact any other business that may properly come before the Annual Meeting or at any adjournments or postponements of the Annual Meeting.

How does the Board recommend that I vote?

Our Board unanimously recommends that you vote:

FOR each director nominee; and

FOR the ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for fiscal 2015.

Who is entitled to vote at the Annual Meeting?

Stockholders who owned Common Stock at the close of business on May 27, 2014, the record date for the Annual Meeting, may vote at the Annual Meeting. For each share of Common Stock held, stockholders are entitled to one vote for as many separate nominees as there are directors to be elected and one vote on any other matter presented.

Who will engage in a solicitation of proxies? Who will bear the cost of that solicitation?

Certain of our directors, officers and employees may solicit proxies on our behalf by mail, phone, fax, e-mail, or in person. We will bear the cost of the solicitation of proxies. No additional compensation will be paid to our directors, officers or employees who may be involved in the solicitation of proxies.

How do I vote my shares?

You may vote your shares in one of several ways, depending upon how you own your shares.

Shares registered directly in your name with Envivio (through our transfer agent, American Stock Transfer & Trust Company):

Via Internet: Go to www.voteproxy.com and follow the instructions. You will need to enter the Control Number printed on the Notice you received or if you received printed proxy materials, by following the instructions provided with your proxy materials and on your proxy card or voting instruction card.

By Telephone: Call toll-free 1-800-776-9437 and follow the instructions. You will need to enter the Control Number printed on the Notice you received or if you requested printed proxy materials, by following the instructions provided with your proxy materials and on your proxy card or voting instruction card.

In Writing: If you received printed proxy materials in the mail and wish to vote by mail, complete, sign, date, and return the proxy card in the envelope that was provided to you, or provide it or a ballot distributed at the Annual Meeting directly to the Inspector of Election at the Annual Meeting when instructed.

Shares of common stock held in street or nominee name (through a bank, broker or other nominee):

You may receive a Notice of Internet Availability of Proxy Materials or a separate voting instruction form from your bank, broker or other nominee holding your shares. You should follow the instructions in the Notice or voting instructions provided by your broker or nominee in order to instruct your broker or other nominee on how to vote your shares. The availability of telephone or internet voting will depend on the voting process of the broker or nominee. To vote in person at the Annual Meeting, you must obtain a proxy, executed in your favor, from the holder of record.

If you own shares in street name through a broker and do not instruct your broker how to vote, your broker may not vote your shares on proposals determined to be non-routine. Of the proposals included in this proxy statement, the proposal to ratify the appointment of BDO USA, LLP as our independent registered public accounting firm for the fiscal year ending January 31, 2015 is considered to be routine. The other proposal is considered to be a non-routine matter. Therefore, if you do not provide your bank, broker or other nominee holding your shares in street name with voting instructions, those shares will count for quorum purposes, but will not be counted as shares present and entitled to vote on the election of directors. **Therefore, it is important that you provide voting instructions to your bank, broker or other nominee.**

Regardless of how you own your shares, if you are a stockholder of record, you may vote by attending the Annual Meeting on July 23, 2014, at 9:00 a.m., Pacific Time, at our principal executive offices, which are located at 400 Oyster Point Boulevard, Suite 325, South San Francisco, California. If you hold your shares in street or nominee, you must obtain a proxy, executed in your favor, from the holder of record to vote in person at the Annual Meeting. Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy or vote by telephone or the internet so that your vote will be counted if you later decide not to attend the Annual Meeting.

If you vote via the internet, by telephone or return a proxy card by mail, but do not select a voting preference, the persons who are authorized on the proxy card and through the internet and telephone voting facilities to vote your shares will vote:

FOR each director nominee, and

FOR the ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for fiscal 2015.

How do I change or revoke my proxy?

If you are a stockholder of record, you may revoke your proxy at any time before the Annual Meeting by giving our Secretary written notice of your revocation or by submitting a later-dated proxy, and you may revoke your proxy at the Annual Meeting by voting by ballot. Attendance at the Annual Meeting, by itself, will not revoke a proxy. You may revoke your proxy by telephone by calling 1-800-776-9437 and following the instructions or via the internet by going to www.voteproxy.com and following the instructions.

If you are a stockholder in street or nominee name, you may revoke your voting instructions by informing the bank, broker or other nominee in accordance with that entity's procedures for revoking your voting instructions.

What constitutes a quorum for purposes of the Annual Meeting?

On May 27, 2014, the record date, we had 27,801,926 shares of Common Stock outstanding. Voting can only take place at the Annual Meeting if the holders of a majority of the total number of shares of the Common Stock outstanding and entitled to vote on the record date are present either in person or by proxy. Abstentions will be treated as present for purposes of determining the existence of a quorum.

How many votes are required to approve the proposals?

The election of directors in Proposal 1 will be determined by the two nominees receiving the greatest number of votes from shares eligible to vote. The affirmative vote of a majority of the voting power of the Common Stock present in person or by proxy at the Annual Meeting is required to ratify the appointment of our independent registered public accounting firm as set forth in Proposal 2.

Can I attend the Annual Meeting in person?

We cordially invite and encourage all of our stockholders to attend the Annual Meeting. Persons who are not stockholders may attend only if invited by us. Stockholders of record must bring a copy of the Notice or proxy card in order to be admitted to the Annual Meeting. You should also be prepared to present photo identification for admittance.

Will any other matters be presented at the Annual Meeting?

We do not expect any matters, other than those included in this proxy statement, to be presented at the 2014 Annual Meeting. If other matters are presented, the individuals named as proxies will have discretionary authority to vote your shares on those other matters.

Who can help answer my questions?

If you have any questions about the Annual Meeting, voting or your ownership of our stock, please contact our investor relations department by e-mail at ir@envivio.com or by phone at (650) 243-2702.

CORPORATE GOVERNANCE

Corporate Governance Guidelines; Code of Business Conduct and Ethics

We have established a corporate governance program to help guide our company and our employees, officers and directors in carrying out their responsibilities and duties, as well as to set standards for their professional conduct. Our Board of Directors has adopted Corporate Governance Guidelines, or Governance Guidelines, which provide standards and practices of corporate governance that we have designed to help contribute to our success and to assure public confidence in our company. The company's Corporate Governance Guidelines may be found on the company's website at ir.envivio.com, by selecting Investor Relations-Corporate Governance and then Charter & Governance Policies. In addition, all standing committees of our Board operate under charters that describe the responsibilities and practices of each committee.

We have adopted a Code of Business Conduct and Ethics, or Ethics Code, which provides ethical standards and corporate policies that apply to all of our directors, officers and employees. Our Ethics Code requires, among other things, that our directors, officers and employees act with integrity and the highest ethical standards, comply with laws and other legal requirements, engage in fair competition, avoid conflicts of interest, and otherwise act in our best interests. We have also adopted a Code of Ethics for Senior Financial Officers that applies to senior management and provides for accurate, full, fair and timely financial reporting and the reporting of information related to significant deficiencies in internal controls, fraud and legal compliance.

Board Composition

Our Board of Directors is currently composed of seven members, all of whom are independent, except for Julien Signès. Our certificate of incorporation provides that the authorized number of board seats, which is currently seven, shall be not less than five and not more than eleven, with the exact number to be fixed from time to time by a resolution of the majority of our Board of Directors. There are no family relationships among any of our directors or executive officers.

Our Board met a total of eight times in fiscal 2014. During fiscal 2014, all of our directors attended at least 75% of the meetings of our Board held during their tenure and 75% of the meetings, if any, of the Board committees upon which they served and held during their tenure. Four of our directors attended the annual meeting in fiscal 2013. Our Board does not have a policy requiring director attendance at annual meetings of our stockholders.

Board Leadership Structure

Our Board of Directors selects the Chairman of the Board in the manner and upon the criteria that it deems best for the Company at the time of selection. The Board of Directors does not have a prescribed policy on whether the roles of the Chairman and Chief Executive Officer should be separate or combined, but recognizes the value to the Company of the separation of these positions. The Board will continue to evaluate whether this leadership structure is in the best interests of the stockholders on a regular basis.

Our Chairman, Mr. Kramer, presides over each Board meeting. The Chairman serves as liaison between the Chief Executive Officer and the other directors, approves meeting agendas and schedules and notifies other members of the Board of Directors regarding any significant concerns of stockholders or interested parties of which he becomes aware. The Chairman presides at stockholders' meetings and provides advice and counsel to the Chief Executive Officer.

Board Committees

We have established an audit committee, a compensation committee and a nominating and corporate governance committee. We believe that the composition of these committees meets the criteria for independence under, and the functioning of these committees complies with the applicable requirements of, the Sarbanes-Oxley Act, the

current rules of Nasdaq and SEC rules and regulations. We intend to comply with future requirements as they become applicable to us. Each committee has the composition and responsibilities described below:

Audit committee David Spreng, Kevin Dillon and Marcel Gani serve on our audit committee. Mr. Gani is chairperson of this committee. Our audit committee assists our board of directors in fulfilling its legal and fiduciary obligations in matters involving our accounting, auditing, financial reporting, internal control and legal compliance functions, and is directly responsible for the approval of the services performed by our independent accountants and reviewing of their reports regarding our accounting practices and systems of internal accounting controls. Our audit committee also oversees the audit efforts of our independent accountants and takes actions as it deems necessary to satisfy itself that the accountants are independent of management. Our audit committee is also responsible for monitoring the integrity of our financial statements and our compliance with legal and regulatory requirements as they relate to financial statements or accounting matters. Our board of directors has determined that Mr. Gani and Mr. Dillon are each an audit committee financial expert, as defined by the rules promulgated by the SEC, and has the requisite financial sophistication as defined under the applicable rules and regulations of Nasdaq. The audit committee met eight times in fiscal 2014.

Compensation committee David Spreng, Corentin du Roy de Blicquy and Terry Kramer serve on our compensation committee. Mr. Kramer is chairperson of this committee. Our compensation committee assists our board of directors in meeting its responsibilities with regard to oversight and determination of executive compensation and assesses whether our compensation structure establishes appropriate incentives for officers and employees. Our compensation committee reviews and makes recommendations to our board of directors with respect to our major compensation plans, policies and programs. In addition, our compensation committee reviews and makes recommendations for approval by the independent members of our board of directors regarding the compensation for our executive officers, establishes and modifies the terms and conditions of employment of our executive officers and administers our stock option plans. Following this offering, our compensation committee will be primarily and ultimately responsible for determining the compensation program for our executive officers. The compensation committee met seven times and took action by written consent three times in fiscal 2014.

Nominating and corporate governance committee Ned Gilhuly, Terry Kramer and David Spreng serve on our nominating and corporate governance committee. Mr. Spreng is chairperson of this committee. Our nominating and corporate governance committee is responsible for making recommendations to our board of directors regarding candidates for directorships and the size and composition of the board of directors. In addition, our nominating and corporate governance committee is responsible for overseeing our corporate governance guidelines, and reporting and making recommendations to the board of directors concerning corporate governance matters. The nominating and corporate governance committee met one time in fiscal 2014.

Our Board has adopted various corporate governance guidelines setting forth our governance principals and governance practices. Terry Kramer (Chairman), Corentin du Roy de Blicquy and David Spreng served as members of our Compensation Committee during fiscal 2014. All are outside, independent directors, and none of our named executive officers served as a director or as a member of a compensation committee of any business entity employing any of our directors during fiscal 2014.

Director Nomination Policy

Our Nominating and Governance Committee is responsible for identifying, evaluating, recruiting and recommending qualified candidates to our Board for nomination or election. Our Board nominates directors for election at each annual meeting of stockholders, and elects new directors to fill vacancies if they occur.

Our Board strives to find directors who are experienced and dedicated individuals with diverse backgrounds, perspectives and skills. Our Governance Guidelines contain membership criteria that call for candidates to be selected for their character, judgment, diversity of experience, business acumen and ability to act on behalf of all stockholders. In addition, we expect each director to be committed to enhancing stockholder value and to have sufficient time to effectively carry out his or her duties as a director. Our Nominating Committee also seeks to ensure that a majority of our directors are independent under NASDAQ rules and that one or more of our directors is an audit committee financial expert under SEC rules.

Prior to our annual meeting of stockholders, our Nominating and Governance Committee identifies director nominees first by evaluating the current directors whose terms will expire at the annual meeting and who are willing to continue in service. These candidates are evaluated based on the criteria described above, the candidate's prior service as a director, and the needs of the Board for any particular talents and experience. If a director no longer wishes to continue in service, if the Nominating and Governance Committee decides not to re-nominate a director, or if a vacancy is created on the Board because of a resignation or an increase in the size of the Board or other event, then the committee considers whether to replace such director or to decrease the size of the Board. If the decision is to replace a director, then the Nominating and Governance Committee considers various candidates for Board membership, including those suggested by committee members, by other Board members, a director search firm engaged by the committee, or our stockholders. Prospective nominees are evaluated by the Nominating and Governance Committee based on the membership criteria described above and set forth in our Governance Guidelines.

A stockholder who wishes to recommend a prospective nominee to the Board for consideration by the Nominating and Governance Committee should notify our Corporate Secretary in writing at our principal office. Such notice must be delivered to our offices by the deadline relating to stockholder proposals to be considered for inclusion in our proxy materials, as described under **General Information** **Stockholder Proposals for 2014 Annual Meeting** in this proxy.

Each notice delivered by a stockholder who wishes to recommend a prospective nominee to the Board for consideration by the Nominating and Corporate Governance Committee generally must include the following information about the prospective nominee:

the name, age, business address and residence address of the person;

the principal occupation of the person;

the number of shares of our capital stock owned by the person;

a description of all compensation and other relationships during the past three years between the stockholder and the person;

any other information relating to the person required to be disclosed pursuant to Section 14 of the Exchange Act; and

the person's written consent to serve as a director if elected.

The Nominating and Governance Committee may require any prospective nominee recommended by a stockholder to furnish such other information as the Nominating and Governance Committee may reasonably require to determine the eligibility of such person to serve as an independent director or that could be material to a stockholder's understanding of the independence, or lack thereof, of such person.

Board Role in Risk Oversight

Our Board's standing committees support our Board by regularly addressing various issues within their respective areas of oversight. The Audit Committee's responsibilities include reviewing and overseeing major financial risk exposures and the steps management has taken to monitor and control these exposures. Management, on a regular basis, provides the Audit Committee with its assessment and mitigation efforts in regards to particular risks facing the Company that have been identified through the risk management process. Our Audit Committee also reviews with our independent auditors the adequacy and effectiveness of our internal controls over financial reporting.

The Compensation Committee assists our Board in fulfilling its risk management oversight responsibilities associated with risks arising from our compensation policies and programs. Each year management and the Compensation Committee review whether risks arising from our compensation policies and practices for our employees are reasonably likely to have a material adverse effect on the Company. The Nominating and Governance Committee assists our Board in fulfilling its risk management oversight responsibilities associated with risks related to corporate governance structures and processes. Each of the committee chairs, as appropriate, reports to the full Board at regular meetings concerning the activities of the committee, the significant issues it has discussed and the actions taken by the committee.

BOARD OF DIRECTORS

Our Board of Directors is divided into three classes serving staggered three-year terms. At the Annual Meeting, our stockholders will be asked to elect two individuals to serve as directors until the 2017 Annual Meeting. *See Proposal No. 1 Election of Directors.*

Below are the names and ages of our seven directors as of the date of this proxy statement, the year each of them became a director, each director's principal occupation or employment for at least the past five years, and other public company directorships held by each director. Unless authority is withheld, the persons named as proxies in the voting materials made available to you or in the accompanying proxy will vote for the election of the Class II nominees listed below. We have no reason to believe that any of these nominees will be unable to serve as a director. If any of the nominees becomes unavailable to serve, however, the persons named as proxies will have discretionary authority to vote for a substitute nominee.

Fees Incurred with Respect to Independent Registered Public Accounting Firm

The Audit Committee's policy is to evaluate and determine that the services provided by BDO USA, LLP and the member firms of BDO USA, and their respective affiliates (collectively, the "BDO USA Entities") in each year are compatible with the auditor's independence. The following table shows fees billed for each of fiscal year 2014 and fiscal year 2013 for professional services rendered by the BDO USA Entities for the audit of our financial statements and other services.

Audit Committee Pre-Approval Procedures

With respect to independent auditor services and fees, it is our practice to provide pre-approval of audit, audit-related, tax and other specified services on an annual basis. Unless a type of service to be provided by the independent registered public accounting firm has received general pre-approval, we seek specific pre-approval by the Audit Committee. Other specified services are generally preapproved only when the amount of such services is expected to be different than the prior year or normal fees. Proposed services anticipated to exceed pre-approved cost levels are discussed with the Audit Committee. It is our practice that the Audit Committee Chairman has pre-approval authority with respect to permitted services. The Chairman of the Audit Committee reports any pre-approval decisions to our Audit Committee at its next scheduled meeting.

PROPOSAL 1 ELECTION OF DIRECTORS

Our Board of Directors is divided into three classes serving staggered three-year terms. Each of the nominees listed below has been nominated by our Board of Directors at the recommendation of the Nominating and Governance Committee in accordance with its charter and our Amended and Restated Bylaws and Corporate Governance Guidelines. Each nominee is now a member of the Board. If either nominee becomes unable to serve as a director before the meeting (or decides not to serve), the individuals named as proxies may vote for a substitute nominee proposed by the Board or we may reduce the number of members of the Board. We recommend a vote **FOR** each nominee listed below.

Nominees for Election at This Meeting for a Term Expiring in 2017

Kevin E. Dillon

R. David Spreng

The election of directors will be determined by the two nominees receiving the greatest number of votes from shares eligible to vote. Unless a stockholder signing a proxy withholds authority to vote for one or more of the Board's nominees in the manner described on the proxy, each proxy received will be voted for the election of each of the Board's nominees. In the event that any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for the nominee or nominees who shall be designated by the present Board to fill the vacancy, if any. We are not aware that any of the nominees will be unable or will decline to serve as a director.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR THE ELECTION OF EACH NAMED NOMINEE.

PROPOSAL 2 RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT

REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING JANUARY 31, 2015

Based upon its review of BDO USA, LLP's (BDO USA) qualifications, independence and performance, the Audit Committee of our Board has appointed BDO USA to serve as our independent registered public accounting firm for the fiscal year ending January 31, 2015.

The appointment of our independent registered public accounting firm is not required to be submitted for ratification by the stockholders.

However, as a matter of good corporate governance, the Audit Committee is submitting its appointment of BDO USA as the Company's independent registered public accounting firm for the fiscal year ending January 31, 2015 for ratification by our stockholders.

If our stockholders fail to ratify the appointment of BDO USA, the Audit Committee may reconsider whether to retain BDO USA, and may continue to retain that firm or appoint another firm without resubmitting the matter to our stockholders. Even if our stockholders ratify the appointment of BDO USA, the Audit Committee may, in its discretion, appoint a different independent registered public accounting firm for us if it determines that such a change would be in the best interests of our company and our stockholders.

The affirmative vote of a majority of the voting power of the common stock present in person or by proxy at the Annual Meeting, is required to ratify the appointment of BDO USA as our independent registered public accounting firm for the fiscal year ending January 31, 2015.

Representatives of BDO USA are expected to attend the Annual Meeting, will have the opportunity to make a statement if they desire to do so and are expected to be available to respond to appropriate questions.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE FOR RATIFICATION OF THE APPOINTMENT OF BDO USA AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING JANUARY 31, 2015.

Stockholder Proposals for the 2015 Annual Meeting

Stockholder proposals for inclusion in the proxy materials for the 2015 annual meeting must be received at our principal executive offices by January 31, 2015.

In addition, our bylaws provide stockholders who wish to present proposals for action, or to nominate directors, at our next annual meeting of stockholders (that is, the next annual meeting following the annual meeting to which this proxy statement relates) must give written notice thereof to our Corporate Secretary at the address set forth on the cover page of this proxy statement in accordance with the provisions of our Bylaws, which require that such notice be given not less than 90 days nor more than 120 days prior to the first anniversary of the date of the preceding annual meeting of stockholders. In the event the date of the 2015 annual meeting is more than 30 days before or after the anniversary date of the 2014 Annual Meeting, in order for a notice to be timely, it must be delivered not later than the close of business on the later of the 90th day prior to the 2014 annual meeting or the close of business on the 10th day following the day on which we first publicly announce the date of the 2015 annual meeting.

Annual Report and Financial Statements

A copy of our 2014 Annual Report to Stockholders, which includes our financial statements for the fiscal year ended January 31, 2014, is available along with this proxy statement and other voting materials and information on the website <http://www.astproxyportal.com/ast/17604>.

Section 16(a) Beneficial Ownership Reporting Compliance

Under U.S. securities laws, directors, certain executive officers and any person holding more than 10% of our common stock must report their initial ownership of the common stock and any changes in that ownership to the SEC. The SEC has designated specific due dates for these reports and we must identify in this proxy statement those persons who did not file these reports when due. Based solely on our review of copies of the reports filed with the SEC and written representations of our directors and executive officers, we believe all persons subject to reporting filed the required reports on time in 2013.
