### **Item 1.01 Entry into a Material Definitive Agreement.**

#### *Purchase Agreement*

On September 4, 2014, Group 1 Automotive, Inc. (the **Company**) entered into a purchase agreement (the **Purchase Agreement**), by and among the Company, J.P. Morgan Securities LLC, as representative of the initial purchasers listed in Schedule 1 thereto (the **Initial Purchasers**), and the guarantors listed in Schedule 2 thereto (collectively, the **Guarantors**), which provides for the sale by the Company of an additional \$200 million aggregate principal amount of its 5.000% Senior Notes due 2022 (the **Additional Notes**) at an issue price of 98.5% of the principal amount (the **Offering**). The Additional Notes will be guaranteed on an unsecured senior basis (the **Guarantees**) by each of the Guarantors. The closing of the issuance and sale of the Additional Notes is expected to occur on September 9, 2014, subject to customary conditions. The terms of the Additional Notes will be governed by the Indenture, dated as of June 2, 2014, by and among the Company, the Guarantors and Wells Fargo Bank, National Association, as trustee.

The Additional Notes will mature on June 1, 2022 and will be redeemable at the Company's option at specified prices on or after June 1, 2017. Before then the Company will be entitled to redeem a portion of the Additional Notes using certain equity proceeds and will be otherwise entitled to redeem the Additional Notes at a specified make-whole redemption price. The Additional Notes will contain customary restrictive covenants and will obligate the Company to offer to repurchase Additional Notes in the event of a change of control.

The Company intends to use the net proceeds from the offering of approximately \$193.85 million to repay borrowings outstanding under the acquisition line of its revolving credit facility and to make a contribution to its floorplan offset account, which is the amount of excess cash that is used to pay down the floorplan line of its revolving credit facility but can be immediately redrawn. Approximately \$175 million of borrowings outstanding under the acquisition line were used to finance the conversion and redemption of the Company's 2.25% Convertible Senior Notes due 2036 (the **2.25% Notes**).

The Additional Notes and Guarantees will be offered and sold to the Initial Purchasers pursuant to an exemption from the registration requirements under the Securities Act of 1933, as amended (the **Securities Act**). The Initial Purchasers intend to resell the Additional Notes to qualified institutional buyers under Rule 144A of the Securities Act and to persons outside the United States pursuant to Regulation S of the Securities Act.

The Purchase Agreement contains customary representations, warranties and covenants and includes the terms and conditions for the sale of the Additional Notes, indemnification (including indemnification for liabilities under the Securities Act) and contribution obligations and other terms and conditions customary in agreements of this type.

The summary of the Purchase Agreement set forth in this Item 1.01 does not purport to be complete and is qualified by reference to such agreement, a copy of which is being filed as Exhibit 1.1 hereto and is incorporated herein by reference.

The information contained in this Current Report on Form 8-K, including the exhibits, shall not constitute an offer to sell or the solicitation of an offer to buy the Additional Notes nor shall there be any sale of the Additional Notes in any state in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state.

#### *Relationships*

Certain of the Initial Purchasers and their affiliates have engaged in investment banking, commercial banking and other financial advisory and commercial dealings with the Company and its affiliates. In particular, the Initial Purchasers and/or their affiliates are lenders under the Company's revolving credit facility and may receive a portion of the amount repaid under such revolving credit facility with the net proceeds of the Offering.
