II-1

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

The legality of the shares of common stock that may be offered under the Plan will be passed upon for the Registrant by Daniel V. Logue, Associate General Counsel of the Registrant. Mr. Logue is eligible to participate in the Teleflex Incorporated 2014 Stock Incentive Plan, owns shares of the Registrant's common stock and holds options to acquire shares of the Registrant's common stock.

Item 6. Indemnification of Directors and Officers.

Section 102(b)(7) of the Delaware General Corporation Law (the "DGCL") permits a corporation, in its certificate of incorporation, to eliminate or limit the liability of a director to the corporation or its stockholders for monetary damages for breaches of fiduciary duty as a director, provided that such a provision shall not eliminate or limit the liability of a director (a) for any breach of the director's duty of loyalty to the corporation or its stockholders, (b) for acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (c) under Section 174 of the DGCL (relating to unlawful payment of dividends or unlawful stock purchases or redemptions), or (d) for any transaction from which the director derived an improper personal benefit. Article THIRTEENTH of the Registrant's Restated Certificate of Incorporation provides that except to the extent otherwise provided by the DGCL, the Registrant's directors shall not be personally liable to the Registrant or its stockholders for monetary damages for breach of their fiduciary duty as directors.

Section 145 of the DGCL provides that a Delaware corporation has the power to indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the corporation) by reason of the fact that the person is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation in such capacity in another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit or proceeding if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation, and, with respect to any criminal action or proceeding, had no reasonable cause to believe the person's conduct was unlawful. In the case of an action or suit brought by or in the right of the corporation, indemnification of any director, officer, employee or agent of the corporation (or person serving at the request of the corporation in such capacity in another enterprise) against expenses actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit is permitted if such person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the corporation; however, no indemnification is permitted in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation, unless and only to the extent that the Delaware Court of Chancery, or the court in which such action or suit was brought, shall determine upon application that, despite the adjudication of liability but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which the Delaware Court of Chancery or such other court shall deem proper. Article V of the Registrant's Amended and Restated Bylaws provides generally that the Registrant will indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative, arbitrative, or investigative, or any appeal in such a proceeding or any inquiry or investigation that could lead to such a proceeding, by reason of the fact that he or she, or a person of whom he or she is the legal representative, is or was or has agreed to become director, officer or employee of the Registrant or is or was serving at the Registrant's request as a director, officer, employee, agent or similar functionary of another enterprise, or by reason of any action alleged to have been

taken or omitted in such capacity, against expenses (including attorney's fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by him or her or in his or her behalf in connection with such action, suit or proceeding or any appeal therefrom, subject to conditions substantively similar to those in Section 145 to the DGCL, described above.

II-2

Under the DGCL, a Delaware corporation has the power to purchase and maintain insurance on behalf of any person who is or was director, officer, employee or agent of the corporation or is or was serving in such capacity at the request of the corporation for another enterprise, against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not the corporation would have the power to indemnify such person against such liability under the Section 145 of the DGCL. Article V of the Registrant's Amended and Restated Bylaws requires that the Registrant purchase and maintain insurance to protect the Registrant and any person who is or was or has agreed to become the Registrant's director or officer or is or was serving at the Registrant's request as a director, officer, employee, agent or similar functionary of another enterprise against any expense, liability or loss asserted against him or her or incurred by him or her or on his or her behalf in any such capacity, or arising out of his or her status as such, whether or not the Registrant would have the power to indemnify him or her against such liability under the provisions of Article V of the Bylaws, provided that such insurance is available on acceptable terms, as determined by a vote of a majority of the entire Board of Directors. The Registrant has purchased directors' and officers' liability insurance.

Item 9. Undertakings.

Item 17. Undertakings.

The undersigned registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
 - (i) To include any prospectus required by section 10(a)(3) of the Securities Act of 1933;
 - (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement;
 - (iii) To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraph (1)(i) and (1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (3) To remove from registration by means of a post-effective amendment any of the securities being registered that remain unsold at the termination of the offering.

The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Securities Exchange Act of 1934 that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such

director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.
