## **SECTION 1 - Registrant's Business and Operations**

### **Item 1.01 Entry into Material Definitive Agreements.**

#### *Bridge Facility and Term Loan Facility*

On December 19, 2014, Southwestern Energy Company (the Company) entered into a \$4,500,000,000 unsecured 364-day Bridge Term Loan Credit Agreement with Bank of America, N.A., as Administrative Agent, Citigroup Global Markets Inc., JPMorgan Chase Bank, N.A., Wells Fargo Bank, National Association and The Royal Bank of Scotland plc as Co-Syndication Agents and Merrill Lynch, Pierce, Fenner & Smith Incorporated as Sole Lead Arranger and Sole Bookrunner, and various lenders (the Bridge Facility), pursuant to the commitment letter dated as of October 14, 2014, with Bank of America, N.A. and Merrill Lynch, Pierce, Fenner & Smith Incorporated described in the Company's previous Current Report on Form 8-K dated October 14, 2014. The Bridge Facility requires prepayments under certain circumstances from the net cash proceeds of sales of equity or assets and borrowings outside the ordinary course of business or for specified uses.

On December 19, 2014, the Company also entered into a \$500,000,000 unsecured two-year Term Loan Credit Agreement with various lenders, Bank of America, N.A., as Administrative Agent, and Merrill Lynch, Pierce, Fenner & Smith Incorporated as Sole Lead Arranger and Sole Bookrunner (the Term Loan Facility). The Term Loan Facility requires prepayment under certain circumstances from the net cash proceeds of sales of assets.

The terms of the Bridge Facility and the Term Loan Facility include covenants that restrict the ability of the Company and its restricted subsidiaries, as that term is defined in the Bridge Facility and the Term Loan Facility, to incur liens or certain indebtedness or to invest in subsidiaries not restricted by the covenants in the agreement. They also contain a financial covenant that requires the Company to maintain a debt to capitalization ratio, as defined in the Bridge Facility and the Term Loan Facility, that does not exceed 0.60 to 1.0. The Bridge Facility and the Term Loan Facility also restrict the ability of the Company to merge, consolidate or sell all or substantially all of its assets. They also include events of default relating to customary matters, including, among other things, nonpayment of principal, interest or other amounts; violation of covenants; incorrectness of representations and warranties in any material respect; cross default and cross acceleration with respect to indebtedness in an aggregate principal amount of \$100 million or more; bankruptcy; judgments involving liability of \$100 million or more that are not paid; and ERISA events. Many are subject to customary notice and cure periods.

As described in Item 2.01 below, the Company borrowed the full amounts under the Bridge Facility and the Term Loan Facility on December 22, 2014.

The above description of the material terms and conditions of the Bridge Facility and the Term Loan Facility does not purport to be complete and is qualified in its entirety by reference to the full texts of the Bridge Facility and the Term Loan Facility, which are filed as Exhibits 10.1 and 10.2 to this Current Report on Form 8-K.

#### *Settlement Agreement*

In connection with the consummation of the transactions under the Purchase and Sale Agreement (the Chesapeake PSA) dated as of October 14, 2014 between the Company and a subsidiary of Chesapeake Energy Corporation (Chesapeake), on December 22, 2014 the Company and Chesapeake entered into a settlement agreement under which each party agreed to waive various claims relating to title and environmental matters and alleged breaches of representations, warranties and covenants. In addition, the parties agreed to a downward adjustment of the purchase price of approximately \$400,000,000 pursuant to the terms of the Chesapeake PSA. The Company paid for the acquisition by borrowing the full amounts under the Bridge Facility and the Term Loan Facility.

Edgar Filing: SOUTHWESTERN ENERGY CO - Form 8-K

The above description of the material terms and conditions of the Settlement Agreement does not purport to be complete and is qualified in its entirety by reference to the full texts of the Settlement Agreement, which is filed as Exhibits 10.3 to this Current Report on Form 8-K.

## **SECTION 2 Financial Information**

On December 22, 2014, the Company, through a subsidiary, consummated the transactions under the Chesapeake PSA, as further described in the Company's Current Report on Form 8-K filed on October 17, 2014. The Company funded the purchase price for the acquisition by borrowing the full amounts under the Bridge Facility and the Term Loan Facility. The Company plans to utilize the proceeds from future asset dispositions and issuances of debt and equity securities to repay amounts borrowed under the Bridge Facility and the Term Loan Facility. The timing of any future debt or equity capital market transactions will depend upon market conditions, among other factors.

## **SECTION Other Events**

### **Item 8.01 Other Events.**

On December 22, 2014, a subsidiary of the Company and a subsidiary of Statoil ASA ( Statoil ) entered into a Purchase and Sale Agreement (the Statoil PSA ). Under the Statoil PSA the Company's subsidiary will acquire certain oil and gas assets covering approximately 30,000 acres in West Virginia and southwest Pennsylvania comprising approximately 20% of Statoil's interests in that acreage for approximately \$394 million, which will be reduced to approximately \$365 million based on the adjustment to the purchase price paid to Chesapeake pursuant to the settlement agreement described above, and subject to other customary adjustments. All of these assets are also assets in which the Company has acquired interests under the Chesapeake PSA. The transaction under the Statoil PSA is expected to close in the first quarter of 2015 and will be funded through borrowings under the Company's existing revolving credit agreement.
