Item 1.01. Entry into a Material Definitive Agreement.

On February 15, 2017, Martin Midstream Partners L.P. (the Partnership) entered into an underwriting agreement (the Underwriting Agreement) with RBC Capital Markets, LLC and Wells Fargo Securities, LLC (collectively, the Underwriters), in connection with an underwritten public offering (the Offering) of 2,600,000 common units representing limited partner interests in the Partnership (Offered Common Units) at a price of \$18.00 per Common Unit before an underwriting discount of \$0.72 per Common Unit. Pursuant to the Underwriting Agreement, the Partnership granted the Underwriters a 30-day option to purchase up to an additional 390,000 Common Units in connection with the Offering (the Additional Common Units , and the Additional Common Units together with the Offered Common Units, the Common Units), which was exercised by the Underwriters in full on February 16, 2017. The Partnership's Offering of the Common Units has been registered under the Securities Act of 1933, as amended (the Securities Act), pursuant to a registration statement on Form S-3 (File No. 333-211407), as supplemented by a Prospectus Supplement dated February 15, 2017 pursuant to Rule 424(b) of the Securities Act.

The Partnership has agreed to indemnify the Underwriters against certain liabilities, including liabilities under the Securities Act, or to contribute to payments the Underwriters may be required to make because of any of those liabilities.

The Partnership will use the net proceeds, after deducting underwriting discounts, of approximately \$52.8 million from the Offering, to fund a portion of the purchase price for the acquisition of an asphalt terminal facility in Hondo, Texas from Martin Resource Management Corporation, to repay outstanding indebtedness incurred under its revolving credit facility and for general partnership purposes. These amounts include a proportionate capital contribution from the Partnership's general partner to maintain its 2% general partner interest in the Partnership.

The Offering is being made only by means of a prospectus and related prospectus supplement.

The foregoing description is qualified in its entirety by reference to the full text of the Underwriting Agreement, which is filed as Exhibit 1.1 to this Current Report on Form 8-K and incorporated herein by reference. In addition, filed herewith are certain legal opinions issued by Locke Lord LLP in connection with the Offering.
