Global Ship Lease Announces Investor Meetings Ahead of Proposed Notes Offering

LONDON, October 9, 2017 (GLOBE NEWSWIRE) Global Ship Lease, Inc. (NYSE:GSL) (the Company or Global Ship Lease) announced today that it has mandated advisors to arrange a series of investor meetings relating to a proposed notes offering. The Company anticipates that an offering of U.S. dollar-denominated, non-registered, 5-year, first priority secured bonds in aggregate principal amount of between \$350 and \$400 million and having customary high-yield bond covenants will follow, subject to market conditions.

The Company intends to use the proceeds from any notes offering, together with borrowings under a new super senior secured term loan facility, to refinance the Company s existing first priority secured notes due 2019 and repay all outstanding borrowings under, and terminate, each of the Company s existing revolving credit facility and existing secured term loan.

This announcement has been prepared solely for informational purposes. It is not an offer for sale or a recommendation or solicitation to buy or sell any securities, nor shall there be any offer, solicitation, or sale of any securities in any jurisdiction in which such offer, solicitation, or sale would be unlawful, nor is it an official confirmation of terms. Any notes offered will not be registered under the U.S. Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an applicable exemption from registration requirements.
